§ 1000.253 When a Tribe withdraws from a Consortium, is the Secretary required to award to the withdrawing Tribe a portion of funds associated with a construction project if the withdrawing Tribe so requests?

Under §1000.35 of this part, a Tribe may withdraw from a Consortium and request its portion of a construction project's funds. The Secretary may decide not to award these funds if the award will affect the Consortium's ability to complete a non-severable phase of the project within available funding. An example of a non-severable phase of a project would be the construction of a single building serving all members of the Consortium. An example of a severable phase of a project would be the funding for a road in one village where the Consortium would be able to complete the roads in the other villages that were part of the project approved initially in the AFA. The Secretary's decision under this section may be appealed under subpart R of this part.

law or if approved in advance by the Secretary.

§ 1000.256 Must the Secretary retain project funds to ensure proper health and safety standards in construction projects?

(a) Determining or approving appropriate construction standards to be used in AFAs;

(b) Verifying that there is an adequate Tribal inspection system utilizing licensed professionals;

(c) Providing for sufficient monitoring of design and construction by the Secretary; and

(d) Requiring corrective action during performance when appropriate.

§ 1000.273

the Department of Justice and the courts on a case-by-case basis.

(a) What claims are expressly barred by FTCA and therefore may not be made against the United States, a Tribe or Consortium? Any claim under 28 U.S.C. 2680, including claims arising out of assault, battery, false imprisonment, false arrest, malicious prosecution, abuse of process, libel, slander, misrepresentation, deceit, or interference with contract rights, unless otherwise authorized by 28 U.S.C. 2680(h).

This status is not changed by the source of the funds used by the Tribe/Consortium to pay the employee's salary and benefits unless the employee receives additional compensation for performing covered services from anyone other than the Tribe/Consortium.

§ 1000.276 Does FTCA apply to a self-governance AFA if FTCA is not referenced in the AFA?

(c) The Tribe/Consortium, through its designated tort claims liaison, shall assist the appropriate Federal agency in preparing a comprehensive, accurate, and unbiased report of the incident so that the claim may be properly evaluated.
