at this facility. Pursuant to this authorization, W paid a fee of \$16,600. Since the ownership of the oil is divided equally among W, X, Y, and Z, each company's share of the fee is \$4,150.

(e) *Penalty and Interest.* Failure to collect or pay the fee shall result in a civil penalty assessed by the Secretary of the Treasury. The amount of the penalty is not to exceed \$10,000 in addition to the fee and the interest on the unpaid fee that would have been earned if paid when due and invested in the special Treasury securities which are to be purchased by the fund. The computation of the rate of interest to be levied on underpayment of fees shall be based on the average interest rate earned by the interest-bearing special obligations of the United States in the fund for each calendar quarter for which there is underpayment. Unless it can be shown that the failure to collect or pay the fee is due to reasonable cause and not due to the willful neglect, the amount of the penalty is the lesser of—

- (1) \$10,000 or
- (2) The amount of the fee.

§ 301.9100-1 Extensions of time to make elections.

(a) *Introduction.* The regulations under this section and §§ 301.9100-2 and 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make a regulatory election. The regulations under this section and § 301.9100-2 also provide an automatic extension of time to make certain statutory elections. An extension of time is available for elections that a taxpayer is otherwise eligible to make. However, the granting of an extension of time is not a determination that the taxpayer is otherwise eligible to make the election. Section 301.9100-2 provides automatic extensions of time for making regulatory and statutory elections when the deadline for making the election is the due date of the return or the due date of the return including extensions. Section 301.9100-3 provides extensions of time for making regulatory elections that do not meet the requirements of § 301.9100-2.

(b) *Terms.* The following terms have the meanings provided below—

Election includes an application for relief in respect of tax; a request to adopt, change, or retain an accounting method or accounting period; but does not include an application for an extension of time for filing a return under section 6081.

Regulatory election means an election whose due date is prescribed by a regulation published in the FEDERAL REGISTER, or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin (see § 601.601(d)(2) of this chapter).

Statutory election means an election whose due date is prescribed by statute.

Taxpayer means any person within the meaning of section 7701(a)(1).

(c) *General standards for relief.* The Commissioner in exercising the Commissioner's discretion may grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3 to make a regulatory election, or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I.

(d) *Exceptions.* Notwithstanding the provisions of paragraph (c) of this section, an extension of time will not be granted—

(1) For elections under section 4980A(f)(5); or

(2) For elections that are expressly excepted from relief or where alternative relief is provided by a statute, a regulation published in the FEDERAL REGISTER, or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin (see § 601.601(d)(2) of this chapter).

(e) *Effective dates.* In general, this section and §§ 301.9100-2 and 301.9100-3 apply to all requests for an extension of time submitted to the Internal Revenue Service (IRS) on or after December 31, 1997. However, the automatic 12-month and 6-month extensions provided in § 301.9100-2 apply to elections for which corrective action is taken on or after December 31, 1997. For other requests for an extension of time, see §§ 301.9100-1T through 301.9100-3T in effect prior to December 31, 1997 (§§ 301.9100-1T through 301.9100-3T as contained in the 26 CFR part 1 edition revised as of April 1, 1997).

§ 301.9100-2 Automatic extensions.

(a) *Automatic 12-month extension—(1) In general.* An automatic extension of 12 months from the due date for making a regulatory election is granted to make elections described in paragraph (a)(2) of this section provided the taxpayer takes corrective action as defined in paragraph (c) of this section within that 12-month extension period. For purposes of this paragraph (a), the due date for making a regulatory election is the extended due date of the return if the due date of the election is the due date of the return or the due date of the return including extensions
