

## § 1.679-6

be so treated, the individual is treated as having made the original transfer to the foreign trust immediately before the trust ceases to be treated as owned by the individual.

(2) *Treatment of undistributed income.* For purposes of paragraph (a) of this section, the property deemed transferred to the foreign trust on the residency starting date includes undistributed net income, as defined in section 665(a), attributable to the property deemed transferred. Undistributed net income for periods before the individual's residency starting date is taken into account only for purposes of determining the amount of the property deemed transferred.

(c) *Examples.* The rules of this section are illustrated by the following examples:

*Example 1. Nonresident alien becomes resident alien.* On January 1, 2002, *A*, a nonresident alien individual, transfers property to a foreign trust, *FT*. On January 1, 2006, *A* becomes a resident of the United States within the meaning of section 7701(b)(1)(A) and has a residency starting date of January 1, 2006, within the meaning of section 7701(b)(2)(A). Under paragraph (a) of this section, *A* is treated as a U.S. transferor and is deemed to transfer the property to *FT* on January 1, 2006. Under paragraph (b)(2) of this section, the property deemed transferred to *FT* on January 1, 2006, includes the undistributed net income of the trust, as defined in section 665(a), attributable to the property originally transferred.

*Example 2. Nonresident alien loses power to revest property.* On January 1, 2002, *A*, a nonresident alien individual, transfers property to a foreign trust, *FT*. *A* has the power to revest absolutely in himself the title to such property transferred and is treated as the owner of the trust pursuant to sections 676 and 672(f). On January 1, 2008, the terms of *FT* are amended to remove *A*'s power to revest in himself title to the property transferred, and *A* ceases to be treated as the owner of *FT*. On January 1, 2010, *A* becomes a resident of the United States. Under paragraph (b)(1) of this section, for purposes of paragraph (a) of this section *A* is treated as having originally transferred the property to *FT* on January 1, 2008. Because this date is within five years of *A*'s residency starting date, *A* is deemed to have made a transfer to the foreign trust on January 1, 2010, his residency starting date. Under paragraph (b)(2) of this section, the property deemed transferred to the foreign trust on January 1, 2010, includes the undistributed net income of the

### § 1.679-6 Outbound migrations of domestic trusts.

(a) *In general.* Subject to the provisions of paragraph (b) of this section, if an individual who is a U.S. person transfers property to a trust that is not a foreign trust, and such trust becomes a foreign trust while the U.S. person is alive, the U.S. individual is treated as a U.S. transferor and is deemed to transfer the property to a foreign trust on the date the domestic trust becomes a foreign trust.

(b) *Amount deemed transferred.* For purposes of paragraph (a) of this section, the property deemed transferred to the trust when it becomes a foreign trust includes undistributed net income, as defined in section 665(a), attributable to the property previously transferred. Undistributed net income for periods prior to the migration is taken into account only for purposes of determining the portion of the trust that is attributable to the property transferred by the U.S. person.

(c) *Example.* The following example illustrates the rules of this section. For purposes of the example, *A* is a resident alien, *B* is *A*'s son, who is a resident alien, and *DT* is a domestic trust. The example is as follows:

*Example. Outbound migration of domestic trust.* On January 1, 2002, *A* transfers property to *DT*, for the benefit of *B*. On January 1, 2003, *DT* acquires a foreign trustee who has the power to determine whether and when distributions will be made to *B*. Under section 7701(a)(30)(E) and § 301.7701-7(d)(ii)(A) of this chapter, *DT* becomes a foreign trust on January 1, 2003. Under paragraph (a) of this section, *A* is treated as transferring property to a foreign trust on January 1, 2003. Under paragraph (b) of this section, the property deemed transferred to the trust when it becomes a foreign trust includes undistributed net income, as defined in section 665(a), attributable to the property deemed transferred.
