corrected training dates must be submitted. Any proposed change in location or Provider must precipitate a new request, although Providers may employ the assistance of other Providers or their facilities for a portion of the training, provided that the substantial majority of the training occurs at location of the Provider who submitted the request.

§ 105.11 Individuals not requiring a security risk assessment.

(a) Citizens and nationals of the United States. A citizen or national of the United States is not subject to section 113 of ATSA unless otherwise designated by the Under Secretary of Transportation for Security. A Provider must determine whether a prospective trainee is a citizen or national of the United States prior to providing training in the operation of an aircraft with a maximum certificated takeoff weight of 12,500 pounds or more. To establish United States citizenship or nationality, the prospective trainee must show the Provider from whom he or she seeks training any of the following documents as proof of United States citizenship or nationality:

(1) A valid, unexpired United States passport;

(2) An original or government-issued certified birth certificate with registrar’s raised, embossed, impressed or multicolored seal, registrar’s signature, and the date the certificate was filed with the registrar’s office, which must be within 1 year of birth, together with a government-issued picture identification of the individual named in the certificate (the birth certificate must establish that the person was born in the United States or in an outlying possession, as defined in section 101(a)(29) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(29)));

(3) An original United States naturalization certificate with raised seal, INS Form N-550 or INS Form N-560, together with a government-issued picture identification of the individual named in the certificate;

(4) An original certification of birth abroad with raised seal, Department of State Form FS-545 or Form DS-1350, together with a government-issued picture identification of the individual named in the certificate;

(5) An original certificate of United States citizenship with raised seal, INS Form N-560 or Form N-561, together with a government-issued picture identification of the individual named in the certificate; or

(b) Exception. Notwithstanding paragraph (a) of this section, a Provider is required to provide notification to the Attorney General with respect to any individual specified by the Under Secretary of Transportation for Security. Individuals specified by the Under Secretary of Transportation for Security will be identified by procedures developed by the Department of Transportation and are not eligible for expedited processing under § 105.12 of this part.

§ 105.12 Notification for candidates eligible for expedited processing.

(a) Expedited processing. The Attorney General has determined that providing aviation training to certain categories of candidates presents a minimal additional risk to aviation or national security because of the aviation training already possessed by these individuals or because of risk assessments conducted by other agencies. Therefore, the following categories of candidates are eligible for expedited processing, unless the candidate is an individual specified by the Under Secretary of Transportation for Security:

(1) Foreign nationals who are current and qualified as pilot in command, second in command, or flight engineer with respective certificates with ratings recognized by the FAA for aircraft with a maximum certificated takeoff weight of over 12,500 pounds, or who are currently employed and qualified by U.S. regulated air carriers as pilots on aircraft with a maximum certificated
