Subpart H—The Virgin Islands

SOURCE: 68 FR 43460, July 23, 2003, unless otherwise noted.

§ 1956.70 Description of plan as approved.

(a) The Virgin Islands State plan was converted to a public employee only occupational safety and health program on July 1, 2003, and received initial approval on July 23, 2003. It is administered and enforced by the Virgin Islands Department of Labor, Division of Occupational Safety and Health ("the agency," or "VIDOSH") throughout the U.S. Virgin Islands (the "Virgin Islands"). The Virgin Islands public employee program, established by Executive Order 200-76 on July 11, 1975, extends full authority under Virgin Islands Act No. 3421, Section 16 (April 27, 1973) and implementing regulations to the agency to enforce and administer all laws and rules protecting the safety and health of employees of the Government of the Virgin Islands, its departments, agencies and instrumentalities, including any political subdivisions. It

§ 1956.71

covers all activities of public employers and employees and places of public employment. The Territory has adopted all Federal standards promulgated as of June 2003, and has given assurances that it will continue to adopt and update all Federal standards, revisions and amendments. The plan is accompanied by a statement of the Governor's support.

(b) The plan establishes procedures for variances and the protection of employees from hazards under a variance; insures inspection in response to complaints; provides employer and employee representatives an opportunity to accompany inspectors and to call attention to possible violations before, during, and after inspections; notification to employees or their representatives when no compliance action is taken as a result of alleged violations, including informal review; notification of employees of their protection; protection of employees against discharge or discrimination in terms and conditions of employment; includes provision for prompt notices to employers and employees of violations of standards and abatement requirements and either sanctions or alternative mechanisms to assure abatement; employer's right to appeal citations for violations, abatement periods and any proposed sanctions and/or compulsory process; employee's right to appeal abatement periods; and employee participation in review proceedings. Also included are provisions for right of entry for inspection, prohibition of advance notice of inspection and the requirement for both employers and employees to comply with the applicable rules, standards, and orders, and employer obligations to maintain records and provide reports as required. Further, the plan provides assurances of a fully trained adequate staff and sufficient funding, and for voluntary compliance programs, including a public sector consultation program.

NOTE: The Virgin Islands' received initial approval for a comprehensive State plan covering the private (safety only) and public sectors on September 11, 1973 (38 FR 24896) and final approval under Section 18(e) of the Act on April 17, 1984 (49 FR 16766). Final approval status for that State plan was suspended and full Federal concurrent enforcement authority was reinstated on November

29 CFR Ch. XVII (7-1-13 Edition)

13, 1995 (60 FR 56950). Effective July 1, 2003, the Virgin Islands withdrew the portion of its State plan which covered private sector employment, and exclusive Federal enforcement jurisdiction for the private sector resumed.

§ 1956.71 Developmental schedule.

The Virgin Islands State plan for public employees only is developmental. The following is a schedule of major developmental steps to be completed:

(a) The Virgin Islands will review and amend its legislation and regulations, as appropriate, to assure proper statutory authority for "at least as effective" coverage of all public sector employers and employees including Territorial government employers and employees and any employers or employees of municipalities or other local governmental entities. The plan will be revised to include a legal opinion that the converted plan meets the requirements of the Occupational Safety and Health Act of 1970 and is consistent with the laws of the Virgin Islands. These actions will occur within one year of plan conversion approval.

(b) The Virgin Islands will review and amend its legislation and regulations as necessary to reflect its more limited coverage and to be consistent with formal withdrawal of Federal approval of the private sector portion of the State plan, within one year of plan conversion approval.

(c) The Virgin Islands will review its statutory authority regarding standards adoption and take appropriate legislative or administrative action to assure that it is consistent with 29 CFR part 1953 and that all standards applicable to the public sector will be promulgated within six months of the promulgation date of new Federal OSHA standards, within one year of plan conversion approval.

(d) The Virgin Islands will take appropriate legislative or administrative action to assure effective sanctions, either as monetary penalties, or an alternative mechanism for compelling abatement in the public sector within one year of plan conversion approval.

(e) The Virgin Islands will develop a five-year strategic plan and corresponding annual performance plan

within two years of plan conversion approval.

(f) A new State poster will be developed and distributed to reflect coverage of the public sector only within one year of plan conversion approval.

(g) The Virgin Islands will submit a revised State plan, in electronic format to the extent possible, reflecting its coverage of public employers and employees only in accordance with 29 CFR 1956, within one year of plan conversion approval.

(h) The Virgin Islands will hire and provide appropriate training for their public sector compliance and consultation staffs, within one year of plan conversion approval.

(i) The Virgin Islands will develop a public sector consultation program within two years of plan conversion approval.

§ 1956.72 Changes to approved plan. [Reserved]

Subpart I—Illinois

SOURCE: 74 FR 45114, Sept. 1, 2009, unless otherwise noted.

§ 1956.80 Description of the plan as initially approved.

(a) *Authority and scope.* The Illinois State Plan for Public Employee Occupational Safety and Health received initial OSHA approval on September 1, 2009. The Plan designates the Illinois Department of Labor as the State agency responsible for administering the Plan throughout the State. The Plan includes as enabling legislation the Illinois Safety Inspection and Education Act (SIEA) [820 ILCS 220] and the Illinois Health and Safety Act (HSA) [820 ILCS 225]. Under the legislation, the State Director of Labor has full authority to adopt, enforce and administer all laws and rules protecting the safety and health of all employees of the State and its political subdivisions under the Illinois Public Employee Only State Plan.

(b) *Standards.* Illinois has adopted State standards identical to OSHA occupational safety and health standards promulgated through September 30, 2005. The State Plan provides that these standards will be updated within one year of plan approval and future OSHA standards and revisions will be adopted by the State within six months of Federal promulgation, in accordance with 29 CFR 1953.5. Any emergency temporary standards will be adopted within 30 days of Federal adoption. The State will adopt Federal OSHA standards in accordance with the provisions of the Illinois Health and Safety Act [820 ILCS 225/4.1]. The Plan also provides for the adoption of alternative or different occupational safety and health standards by the Director of Labor, where no Federal standards are applicable to the conditions or circumstances or where standards more stringent than Federal are deemed appropriate.

(c) *Variations.* The Plan includes provisions for the granting of permanent and temporary variances from State standards in terms substantially similar to the variance provisions contained in the OSH Act. The State provisions require employee notification
