Memorandum of July 19, 2012

Ensuring the Uniformed Services Employment and Reemployment Rights Act (USERRA) Protections

Memorandum for the Heads of Executive Departments and Agencies

The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) protects individuals performing, or who performed, uniformed service in accordance with 38 U.S.C. 4301–4335 from adverse employment discrimination on the basis of their uniformed service, and provides for their prompt restoration to civilian employment when they return to civilian life.

USERRA is intended to ensure that these service members are not disadvantaged in their civilian careers because of their service; are promptly reemployed in their civilian jobs upon their return from duty; and are not discriminated against in employment because of their military status or obligations. This memorandum will help ensure that Federal agencies improve compliance with USERRA through outreach, education, and oversight.

The Administration strongly believes that every man or woman who has served in our country’s uniformed services deserves the full protection of our employment laws, including USERRA. No discrimination or unfair treatment based on one’s service will be tolerated. We must do our utmost to ensure that all service members’ employment and reemployment rights are respected.

The Federal Government, as our Nation’s largest employer, has a responsibility to adopt best practices with respect to employing returning service members. Attracting and retaining the best talent means ensuring fair treatment for individuals who have served our country. Close attention must be paid to our returning service members to ensure that we protect their reemployment rights, and effectively manage their reintegration when they return from service.

As a critical part of that effort, I am directing executive departments and agencies (agencies) to take steps to ensure robust compliance with USERRA’s employment and reemployment protections across the Federal Government through outreach, education, and oversight. Ensuring agencies’ compliance with USERRA across the Federal Government will maintain our commitment to those who serve.

This effort will build upon, and be in furtherance of, Executive Order 13518 of November 9, 2009 (Employment of Veterans in the Federal Government), which directed agencies to take steps to enhance recruitment of
and promote employment opportunities for veterans within the executive branch. Over the last few years, the Federal Government has made a concerted and successful effort to increase the hiring of military veterans and members of the National Guard and Reserves, and veterans now constitute a higher percentage of the Federal workforce than they have in years.

The Federal Government must continue to improve outreach to the uniformed services, veteran, Guard, and Reserve communities; improve agencies’ USERRA training and guidance; and ensure that service members and veterans in Federal employment receive the full extent of their employment protections, including USERRA protections. Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby direct the following:

**Section 1. USERRA Employment Protection Working Group.** There is established the USERRA Employment Protection Working Group (Working Group), to be co-chaired by the Assistant to the President for Domestic Policy and the Assistant to the President and National Security Advisor, or their designated representatives, which shall coordinate and review agency efforts to implement USERRA.

(ii) using appropriate metrics, as established by the Office of Personnel Management, to measure implementation of this memorandum;

(iv) strengthening relationships between service members, stakeholder groups, and the agency, and providing better information to service members so as to allow them to be reintegrated as quickly and efficiently as possible when they return to civilian life.

The Director of the Office of Personnel Management, in consultation with the Director of the Office of Management and Budget (OMB), shall report to the President on this review, no later than 1 year from the date of this memorandum, and provide recommendations for changes to laws, regulations, and policies that would strengthen USERRA protections.

(d) The Department of Defense and the Office of Personnel Management shall work together to improve data collection procedures to help better track the overall veteran and service member employment data in the Federal Government, particularly Guard and Reserve Members.

law and subject to the availability of appropriations.

or benefit, substantive or procedural, enforceable at law or in equity by any
party against the United States, its departments, agencies, or entities, its of-
ficers, employees, or agents, or any other person.

(d) Independent agencies are strongly encouraged to comply with the re-

The Director of the Office of Personnel Management is hereby authorized
and directed to publish this memorandum in the Federal Register.
