**§ 205.6 What is a Treasury-State agree-
ment?**

(a) A Treasury-State agreement documents the accepted funding techniques and methods for calculating interest agreed upon by us and a State and identifies the Federal assistance programs governed by this subpart A. If anything in a Treasury-State agreement is inconsistent with this subpart A, that part of the Treasury-State agreement will not have any effect and this subpart A will govern.

(b) A Treasury-State agreement will be effective until terminated unless we and a State agree to a specific termination date. We or a State may terminate a Treasury-State agreement on 30 days written notice.

**§ 205.7 Can a Treasury-State agree-
ment be amended?**

(a) We or a State may amend a Treasury-State agreement at any time if both we and the State agree in writing.

(b) The effective date of an amendment shall be the date both parties agree to the amendment in writing unless otherwise agreed to by both parties.

(c) We and a State must amend a Treasury-State agreement as needed to change or clarify its language when the terms of the existing agreement are either no longer correct or no longer applicable. A State must notify us in writing within 30 days of the time the State becomes aware of a change, describing the Federal assistance program change. The notification must include a proposed amendment for our review and a current list of all programs included in the Treasury-State agreement. Amendments may address, but are not limited to:

(1) Additions or deletions of Federal assistance programs subject to this subpart A;

(2) Changes in funding techniques; and

(3) Changes in clearance patterns.

(d) Additions or deletions to the list of Federal assistance programs subject to this subpart A take effect when a Treasury-State agreement is amended, unless otherwise agreed to by the parties.

(e) Federal assistance programs that are to be added to a Treasury-State agreement are not subject to this subpart A until the Treasury-State agreement is amended, except when a Federal assistance program subject to this subpart A is being replaced by a Federal assistance program governed by subpart B of this part, in which case the replacement program is immediately subject to this subpart A.

(f) Notwithstanding any other provision of this section, if no changes to the Treasury-State agreement are required, States must notify us annually.

**§ 205.8 What if there is no Treasury-
State agreement in effect?**

When a State does not have a Treasury-State agreement in effect, we will prescribe default procedures to implement this subpart A. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques. When we and a State reach agreement on some but not all Federal assistance programs administered by the State, we and the State may enter into a Treasury-State agreement for all programs on which we are in agreement and we may prescribe default procedures governing those programs on which we are unable to reach agreement.

**§ 205.9 What is included in a Treasury-
State agreement?**

We will prescribe a uniform format for all Treasury-State agreements. A Treasury-State agreement must include, but is not limited to, the following:
