(d) Paragraph (a)(1) of this section authorizes the release of technology or software to students ordinarily resident in Iran who are attending school in the United States as authorized by that paragraph, provided that all of the following requirements are met:

1. Such release is ordinarily incident and necessary to the educational program in which the student is enrolled;
2. The technology or software being released is designated as EAR99 under the Export Administration Regulations, 15 CFR parts 730 through 774 (the “EAR”), or constitutes Educational Information not subject to the EAR, as set forth in 15 CFR 734.9;
3. The release does not otherwise require a license from the Department of Commerce; and
4. The student to whom the release is made is not enrolled in school or participating in the educational program as an agent, employee, or contractor of the Government of Iran or a business entity or other organization in Iran.

NOTE TO §560.505: See §560.554 of this part for general licenses authorizing the importation and exportation of services related to conferences in the United States or third countries.

§ 560.506 Importation and exportation of certain gifts authorized.

The importation into the United States of Iranian-origin goods from Iran or a third country, and the exportation from the United States to Iran of goods, are authorized for goods sent as gifts to persons provided that the value of each gift is not more than $100; the goods are of a type and in quantities normally given as gifts between individuals; and the goods are not controlled for chemical and biological weapons (CB), missile technology (MT), national security (NS), or nuclear proliferation (NP). See Commerce Control List, Export Administration Regulations (15 CFR part 774).

§ 560.507 [Reserved]

§ 560.508 Telecommunications and mail transactions authorized.

(a) All transactions with respect to the receipt and transmission of telecommunications involving Iran are authorized. This section does not authorize the provision, sale, or lease to Iran, the Government of Iran, an Iranian financial institution, or any other person whose property and interests in property are blocked pursuant to §560.211 of telecommunications equipment or technology; nor does it authorize the provision, sale, or leasing of capacity on telecommunications transmission facilities (such as satellite or terrestrial network connectivity).

(b) Paragraph (a) of this section does not authorize any transaction by an entity owned or controlled by a United States person and established or maintained outside the United States otherwise prohibited by §560.215 if the transaction would be prohibited by any other part of this chapter V if engaged in by a U.S. person or in the United States.

(c) All transactions by U.S. persons, including payment and transfers to common carriers, incident to the receipt or transmission of mail between the United States and Iran are authorized, provided that mail is limited to personal communications not involving a transfer of anything of value. For purposes of this section, the term mail includes parcels only to the extent the parcels contain goods exempted from the prohibitions contained in this part or otherwise eligible for importation from or exportation to Iran under a general or specific license.

§ 560.509 Certain transactions related to patents, trademarks, and copyrights authorized.

(a) All of the following transactions in connection with patent, trademark, copyright or other intellectual property protection in the United States or Iran are authorized, including importation of or dealing in Iranian-origin services, payment for such services, and payment to persons in Iran directly connected to such intellectual property protection:

1. The filing and prosecution of any application to obtain a patent, trademark, copyright or other form of intellectual property protection;
