by the Commission. All information received or originated from other Departments and agencies of the U.S. government will be retained, stored, and further disseminated only in accordance with pertinent law (e.g., 5 U.S.C. section 552(FOIA) and 5 U.S.C. section 552a (Privacy Act)) and conditions set by those originating Departments and agencies.

(c) Claims will be processed expeditiously. Within 18 months of actual receipt by the Commission of an Application for Compensation of Vietnamese Commandos, the Commission will determine the eligibility of the applicant. The standard for finding eligibility is whether the information reasonably available to the Commission indicates that the applicant is more likely than not to be eligible for a payment under this part. The burden of making a showing of eligibility shall be on the applicant. Upon determination of eligibility, the payment should be promptly accomplished.

(d) Applicants may request to appear in person before the Commission, which will retain discretion whether to grant such requests. The Commission may request the personal appearance or interview of any applicant as a condition of further consideration of his or her application if such appearance would significantly aid the Commission in its determination. All appearances shall be at the expense of the applicant.

#### § 270.10 Time limitations.

#### § 270.11 Limitation on disbursements.

Notwithstanding any agreement (including a power of attorney) to the contrary, the Commission must disburse a payment under this part only to the person who is eligible for the payment, i.e., the commando, his surviving spouse, children, parents, or siblings. The Commission may, in its discretion, require the person who is eligible for the payment to appear at any designated Defense Finance Accounting Service disbursement office in the United States to receive payment. The Commission may, in its discretion, coordinate with other U.S. governmental agencies to facilitate disbursement of payments to persons eligible for payments who reside outside the United States. If an eligible person makes a written request that payment be made at an alternate location or in an alternate manner, the Commission may, in its discretion, grant such request, provided that the actual disbursement of the payment (i.e., the physical delivery of the payment) is made only to the eligible person.
