

(c) A determination to grant or deny should be made as expeditiously as possible to provide the requester and the court with the matter at issue or with a statement of the reasons for denial. The decisional period should not exceed 10 working days from receipt of a complete request complying with the requirements of §725.7, absent exceptional or particularly difficult circumstances. The requester should also be informed promptly of the referral of any portion of the request to another authority for determination.

(d) Except as provided in §725.7(d), a determination to grant or deny shall be in writing.

(e) The determination letter should respond solely to the specific disclosures requested, stating a specific determination on each particular request. When a request is denied in whole or in part, a statement of the reasons for denial should be provided to fully inform a court of the reasons underlying the determination if it is challenged.

(f) A copy of any denial, in whole or in part, of a request, should be forwarded to the cognizant Deputy Assistant Judge Advocate General or the Associate General Counsel (Litigation), as appropriate. Such notification is likewise appropriate when the litigation request has been treated under 5 U.S.C. 552, 552a and §725.5(f). Telephonic notification is particularly appropriate where a judicial challenge or contempt action is anticipated.

(g) In cases in which a subpoena has been received and the requester refuses to pay fees or otherwise comply with the guidance and requirements imposed by this part, or if the determining authority declines to make some or all of the subpoenaed information available, or if the determining authority has had insufficient time to complete its determination as to how to respond to the request, the determining authority must promptly notify the General Litigation Division of the Office of the Judge Advocate General or the Navy Litigation Office of the Office of the General Counsel, which offices will determine, in consultation with the Department of Justice, the appropriate response to be made to the tribunal which issued the subpoena. Because the

Federal Rules of Civil Procedure require that some objections to subpoenas must be made either within 10 days of service of the subpoena or on or before the time for compliance, whichever first occurs, and because this will require consultation with the Department of Justice, timely notice is essential.

**§ 725.10 Response to requests or demands in conflict with this instruction.**

(a) Except as otherwise provided in this paragraph, DON personnel, including former military personnel and civilian employees, shall not produce, disclose, release, comment upon, or testify concerning any official DOD information in response to a litigation request or demand without prior written approval of the appropriate DON official designated in §725.6. If a request has been made, and granted, in whole or in part, per 32 CFR part 97 and this part, DON personnel may only produce, disclose, release, comment upon, or testify concerning those matters specified in the request and properly approved by the determining authority designated in §725.6. See *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

(b) If, after DON personnel have received a litigation request or demand and have in turn notified the appropriate determining authority described in §725.6, a response to the request or demand is required before instructions from the responsible official have been received, the responsible authority designated in §725.6 shall notify the Deputy Assistant Judge Advocate General or Associate General Counsel (Litigation) who has cognizance over the matter. That official will furnish the requester, the court, or other authority that the request or demand is being reviewed in accordance with this part and seek a stay of the request or demand pending a final determination.

(c) If a court of competent jurisdiction or other appropriate authority declines to stay the effect of the request or demand in response to action taken under §725.10(b), or if such court or other authority orders that the request or demand must be complied with, notwithstanding the final decision of the

appropriate DON official, the DON personnel upon whom the request or demand was made will, if time permits, notify the determining authority of such ruling or order. That authority will notify the Deputy Assistant Judge Advocate General or the Associate General Counsel (Litigation) having cognizance over the matter. After due consultation and coordination with the Department of Justice, as required by the Manual of the Judge Advocate General, that official will determine whether the individual is required to comply with the request or demand and will notify the requester, the court, or other authority accordingly. The witness shall, if directed by the appropriate DON official, respectfully decline to comply with the demand. Legal counsel for the command concerned should accompany and advise DON personnel during any court proceedings involving the foregoing circumstances.

(d) It is expected that all DON actions in the foregoing paragraphs will be taken only after active consultation with the appropriate component of the Department of Justice. Generally, DON personnel will be instructed to decline to comply with a court order only if the Department of Justice commits to represent the DON personnel in question.

#### § 725.11 Fees.

(a) *Generally.* Except as provided below, determining authorities shall charge reasonable fees and expenses to parties seeking official DON information or testimony under this instruction. Pursuant to 32 CFR 288.4, 288.10, these fees should include all costs of processing a request for information, including time and material expended. Travel for active duty members summoned as witnesses is governed by Joint Travel Regulations, Vol. I, Chap. 7, pt. E. and Navy Travel Instructions, Chap. 6, pt. E.<sup>13</sup> Travel for civilian personnel summoned as witnesses is governed by the Joint Travel Regulations, Vol. II, Chap. 4, pt. E.<sup>14</sup>

(1) *When DON is a party.* No fees normally shall be charged when the DON

is a party to the proceedings, and the activity holding the requested information or employing the witness shall bear the expense of complying with the request.

(2) *When another federal agency is a party.* No fees shall be charged to the requesting agency. Travel and per diem expenses may be paid by the requesting agency, or by the Navy activity to which the requested witness is assigned, subject to reimbursement from the requesting agency.

(3) *When neither DON nor another federal agency is a party.* Fees shall be charged to the requester for time taken from official duties by DON personnel who are authorized to be interviewed, give testimony, or escort persons on views and visits of installations. At the discretion of the cognizant command, DON personnel need not be made available during duty hours unless directed by subpoena. Time which DON personnel spend in court testifying, or waiting to testify on factual matters shall not be charged. Fees should be charged, however, for expert or opinion testimony based upon the witness's education, training, or experience. Testimony by a treating physician called to testify about his personal knowledge of a specific case is considered fact not expert testimony. Fees are payable to the Treasurer of the United States for deposit in the Treasury's miscellaneous receipts. Rates for uniformed personnel are published in NAVCOMPT Notice 7041 series.<sup>15</sup> Pursuant to 32 CFR 288.4, charges for civilian personnel should include the employee's hourly rate of pay, as well as allowances and benefits. Except as provided in § 725.11(b)(4), no funds may be expended for travel or per diem of active duty members when an agency of the Federal Government is not a party. The requesting party is responsible for travel arrangements and funding. Government funding of travel and per diem for civilian employees is authorized.

(b) *Special circumstances—(1) Refusal to pay fees.* In cases in which a subpoena has been received and the requester refuses to pay appropriate fees, it may become necessary to request the
