Coast Guard, DHS § 1.05–10

(iv) The establishment of Regulated Navigation Areas.
(v) The establishment of safety and security zones.
(vi) The establishment of special local regulations.
(vii) The establishment of inland waterways navigation regulations.

(2) This delegation does not extend to those matters specified in paragraph (c) of this section or rules and regulations which have been shown to raise substantial issues or to generate controversy.

(f) Except for those matters specified in paragraph (c) of this section, the Commandant has redelegated to Coast Guard Captains of the Port, with the reservation that this authority must not be further redelegated, the authority to establish safety and security zones.

(g) The Commandant has redelegated to Coast Guard District Commanders, Captains of the Port, the Deputy Commandant for Operations (CG–DCO), and the Assistant Commandant for Marine Safety, Security and Stewardship, the authority to make the certification required by section 605(b) of the Regulatory Flexibility Act (Sec. 605(b), Pub. L. 96–354, 94 Stat. 1168 (5 U.S.C. 605)) for rules that they issue.

(h) The Chief, Office of Regulations and Administrative Law (CG–0943), has authority to develop and issue those regulations necessary to implement all technical, organizational, and conforming amendments and corrections to rules, regulations, and notices.

(i) The Commandant has redelegated to the Coast Guard District Commanders the authority to redeleg in writing to the Captains of the Port (COTP), with the reservation that this authority must not be further redelegated, the authority to issue such special local regulations as the COTP deems necessary to ensure safety of life on the navigable waters immediately prior to, during, and immediately after regattas and marine parades.

(j) The Commandant has redelegated to Coast Guard District Commanders the authority to redeleg in writing to the Coast Guard District Bridge Manager, with the reservation that this authority must not be further redelegated, the authority to issue temporary deviations from drawbridge operating regulations as the District Bridge Manager deems necessary.

§ 1.05–5 Marine Safety and Security Council.

The Marine Safety and Security Council, composed of senior Coast Guard officials, acts as policy advisor to the Commandant and is the focal point of the Coast Guard regulatory system. The Marine Safety and Security Council provides oversight, review, and guidance for all Coast Guard regulatory activity.

§ 1.05–10 Regulatory process overview.

(a) Most rules of local applicability are issued by District Commanders, Captains of the Port, and District Bridge Managers while rules of wider applicability are issued by senior Coast Guard officials at Coast Guard Headquarters. For both significant rule-making (defined by Executive Order 12866, Regulatory Planning and Review) and non-significant rulemaking, other than those areas delegated to District Commanders, Captains of the Port, and District Bridge Managers the regulatory process begins when an office chief with program responsibilities identifies a possible need for a new regulation or for changes to an existing regulation. The need may arise due to statutory changes, or be based on internal review or public input. Early public involvement is strongly encouraged.

(b) After a tentative significant regulatory approach is developed, a significant regulatory project proposal is submitted to the Marine Safety and Security Council for approval. The proposal describes the scope of the proposed regulation, alternatives considered, and potential cost and benefits, including possible environmental impacts. All significant regulatory projects require
