Coast Guard, DHS § 105.230

to conduct any drills, the facility cannot require the vessel or vessel personnel to be a part of or participate in the facility’s scheduled drill.

(c) Exercises. (1) Exercises must be conducted at least once each calendar year, with no more than 18 months between exercises.

(2) Exercises may be:
   (i) Full scale or live;
   (ii) Tabletop simulation or seminar;
   (iii) Combined with other appropriate exercises; or
   (iv) A combination of the elements in paragraphs (c)(2)(i) through (iii) of this section.

(3) Exercises may be facility-specific or part of a cooperative exercise program with applicable facility and vessel security plans or comprehensive port exercises.

(4) Each exercise must test communication and notification procedures, and elements of coordination, resource availability, and response.

(5) Exercises are a full test of the security program and must include substantial and active participation of FSOs, and may include government authorities and vessels visiting the facility. Requests for participation of Company and Vessel Security Officers in joint exercises should consider the security and work implications for the vessel.

§ 105.225 Facility recordkeeping requirements.

(a) Unless otherwise specified in this section, the Facility Security Officer (FSO) must keep records of the activities as set out in paragraph (b) of this section for at least 2 years and make them available to the Coast Guard upon request.

(b) Records required by this section may be kept in electronic format. If kept in an electronic format, they must be protected against unauthorized deletion, destruction, or amendment. The following records must be kept:

(1) Training. For training under §105.210, the date of each session, duration of session, a description of the training, and a list of attendees;

(2) Drills and exercises. For each drill or exercise, the date held, description of drill or exercise, list of participants, and any best practices or lessons learned which may improve the Facility Security Plan (FSP);

(3) Incidents and breaches of security. For each incident or breach of security, the date and time of occurrence, location within the facility, description of incident or breaches, to whom it was reported, and description of the response;

(4) Changes in MARSEC Levels. For each change in MARSEC Level, the date and time of notification received, and time of compliance with additional requirements;

(5) Maintenance, calibration, and testing of security equipment. For each occurrence of maintenance, calibration, and testing, record the date and time, and the specific security equipment involved;

(6) Security threats. For each security threat, the date and time of occurrence, how the threat was communicated, who received or identified the threat, description of threat, to whom it was reported, and description of the response;

(7) Declaration of Security (DoS) A copy of each single-visit DoS and a copy of each continuing DoS for at least 90 days after the end of its effective period; and

(8) Annual audit of the FSP. For each annual audit, a letter certified by the FSO stating the date the audit was completed.

§ 105.230 Maritime Security (MARSEC) Level coordination and implementation.

(a) The facility owner or operator must ensure the facility operates in compliance with the security requirements in this part for the MARSEC Level in effect for the port.

(b) When notified of an increase in the MARSEC Level, the facility owner and operator must ensure:
