To cite the regulations in this volume use title, part and section number. Thus, 34 CFR 400.1 refers to title 34, part 400, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16 ..............................................................as of January 1
Title 17 through Title 27 .................................................................as of April 1
Title 28 through Title 41 ...............................................................as of July 1
Title 42 through Title 50 .............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2013), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

**PAST PROVISIONS OF THE CODE**

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a "List of CFR Sections Affected" is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

"[RESERVED]" TERMINOLOGY

The term "[Reserved]" is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a "[Reserved]" location at any time. Occasionally "[Reserved]" is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

**INCORPORATION BY REFERENCE**

*What is incorporation by reference?* Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

*What is a proper incorporation by reference?* The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

*What if the material incorporated by reference cannot be found?* If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

**CFR INDEXES AND TABULAR GUIDES**

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of "Title 3—The President" is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the "Contents" entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 403.111 How must funds be used under the Secondary School Vocational Education Program and the Postsecondary and Adult Vocational Education Programs?

(a)(1) Each eligible recipient that receives an award under § 403.112, § 403.113, or § 403.116 shall use funds under that award to improve vocational education programs.

(2) Projects assisted with funds awarded under § 403.112, § 403.113, or § 403.116 must—

(i) Provide for the full participation of individuals who are members of special populations by providing the supplementary and other services required by § 403.190(b) necessary for them to succeed in vocational education; and

(ii) Operate at a limited number of sites or with respect to a limited number of program areas.

(3) If an eligible recipient that receives an award under § 403.112, § 403.113, or § 403.116 meets the requirements in this section and §§ 403.190(b) and 403.193, it may use those Federal funds to serve students who are not members of special populations.

(b) Each eligible recipient that receives an award under § 403.112, § 403.113, or § 403.116 shall give priority for assistance under those sections to sites or program areas that serve the highest concentrations of individuals who are members of special populations.

Examples: Methods by which an eligible recipient may give priority to sites or program areas that serve the highest concentrations of individuals who are members of special populations include, but are not limited to, the following:

Example 1: Method to give priority to a limited number of sites. Based on data from the preceding fiscal year—

(a) First, a local educational agency ranks each site based on the percentage of the
site’s total enrollment of students who are members of special populations.

(b) Second, the local educational agency establishes a funding cut-off point for sites above the district-wide percentage of special populations enrollment. The local educational agency funds sites above the cut-off point but does not fund sites below that point.

Example 2: Method to give priority to a limited number of program areas. Based on data from the preceding fiscal year—

(a) First, a postsecondary institution ranks each program area based on the percentage of the program area’s total enrollment of students who are members of special populations.

(b) Second, the postsecondary institution establishes a funding cut-off point for program areas that rank above the institution-wide average percentage of special populations enrollment. The postsecondary institution funds projects in a program area that is above the cut-off point but does not fund projects in program areas below that point.

Example 3: Method to give priority to a limited number of sites. Based on data from the preceding fiscal year—

(a) First, an LEA or postsecondary institution identifies a site with a high concentration of special populations;

(b) Second, the LEA or postsecondary institution identifies a site with a high concentration of special populations;

(c) Third, the LEA or postsecondary institution funds a project at the site designed to improve the participation rate of members of special populations in that program area.

NOTE TO EXAMPLES IN §403.111: Absolute counts of special population members may be used to determine the sites or program areas with the highest concentrations of special population members instead of, or in combination with, percentages of special population members.

(c) Funds made available from an award under §§403.112, 403.113, or §403.116 must be used to provide vocational education in programs that—

(1) Are of sufficient size, scope, and quality as to be effective;

(2) Integrate academic and vocational education in those programs through coherent sequences of courses so that students achieve both academic and occupational competencies; and

(3) Provide for the equitable participation of members of special populations in vocational education consistent with the assurances and requirements in §§403.190(b) and 403.193, so that these populations have an opportunity to enter vocational education that is equal to that afforded to the general student population.

CROSS REFERENCE: See appendix A to part 403.

(d) In carrying out the provisions of paragraph (c) of this section, an eligible recipient under §§403.112, 403.113, or §403.116 may use funds for activities that include, but are not limited to—

(1) Upgrading of curriculum;

(2) Purchase of equipment, including instructional aids;

(3) Inservice training of both vocational instructors and academic instructors working with vocational education students for integrating academic and vocational education;

(4) Guidance and counseling;

(5) Remedial courses;

(6) Adaptation of equipment;

(7) Tech-prep education programs;

(8) Supplementary services designed to meet the needs of special populations;

(9) Payment in whole or in part with funds under §§403.112, §403.113, or §403.116 for a special populations coordinator, who must be a qualified counselor or teacher, to ensure that individuals who are members of special populations are receiving adequate services and job skill training;

(10) Apprenticeship programs;

(11) Programs that are strongly tied to economic development efforts in the State;

(12) Programs that train adults and students for all aspects of an occupation in which job openings are projected or available;

(13) Comprehensive mentor programs in institutions of higher education offering comprehensive programs in teacher preparation, which seek to use fully the skills and work experience of individuals currently or formerly employed in business and industry who are interested in becoming classroom instructors and to meet the need of vocational educators who wish to upgrade their teaching competencies; or

(14) Provision of education and training through arrangements with private
vocational training institutions, private postsecondary educational institutions, employers, labor organizations, and joint labor-management apprenticeship programs if those institutions, employers, labor organizations, or programs can make a significant contribution to obtaining the objectives of the State plan and can provide substantially equivalent training at a lesser cost, or can provide equipment or services not available in public institutions.

(Authority: 20 U.S.C. 2342)

§ 403.112 How does a State allocate funds under the Secondary School Vocational Education Program to local educational agencies?

(a) Reservation of funds. From the portion of its allotment under § 403.180(b)(1) for the basic programs, each fiscal year a State may reserve funds for the Secondary School Vocational Education Program.

(b) General rule. Except as provided in paragraphs (c) and (d) of this section and § 401.119, a State shall distribute funds reserved for the Secondary School Vocational Education Program to local educational agencies (LEAs) according to the following formula:

(1) From 70 percent of the amount reserved, an LEA must be allocated an amount that bears the same relationship to the 70 percent as the amount the LEA was allocated under section 1005 of chapter 1 in the preceding fiscal year. Of that amount, school district “A” was allocated $400,000.

(2) The allocation for school district “A” is calculated by multiplying $3,500,000 (20 percent of $5,000,000) by .004 of the State total ($400,000-$400,000,000). The allocation for school district “A” would be $17,500 under paragraph (b)(1) of this section.

(b)(1) All LEAs in a State served a total of 100,000 students with disabilities who have individualized education programs under section 614(a)(5) of the IDEA in the preceding fiscal year.

(2) The allocation for school district “A” is calculated by multiplying $1,000,000 (20 percent of $5,000,000) by .005 of the State total (400-100,000). The allocation for school district “A” would be $4,000 under paragraph (b)(2) of this section.

(c)(1) All LEAs in a State enrolled a total of 1,000,000 students (including adults enrolled in vocational education training programs in those LEAs) in the preceding fiscal year. Of that number school district “A” enrolled 350,000 of those students in the preceding fiscal year.

(2) The allocation for school district “A” is calculated by multiplying $500,000 (10 percent of $5,000,000) by .0035 of the State total (3,500-1,000,000). The allocation for school district “A” would be $1,750 under paragraph (b)(3) of this section.

(c) Exception to the general rule. In applying the provisions in paragraph (b) of this section, a State may not distribute funds to an LEA that operates only elementary schools, but shall instead distribute funds that would have been allocated for those ineligible LEAs as follows:
§ 403.113

(1) If an LEA that operates only elementary schools sends its graduating students to a single local or regional educational agency that provides secondary school services to secondary school students in the same attendance area, a State shall distribute to that local or regional educational agency any amounts under paragraph (b) of this section that would otherwise have been allocated to LEAs operating only elementary schools.

(2) If an LEA that operates only elementary schools sends its graduating students to two or more local or regional educational agencies that provide secondary school services to secondary students in the same attendance area, the State shall distribute to those local or regional educational agencies an amount based on the proportionate number of students each agency received in the previous year from the LEA that operates only elementary schools.

(d)(1) Minimum grant amount. Except as provided in paragraph (d)(3) of this section, an LEA is not eligible for a grant under the Secondary School Vocational Education Program unless the amount allocated to the LEA under paragraph (b) of this section is not less than $15,000.

(2)(i) An LEA may enter into a consortium with one or more LEAs for the purpose of providing services under the Secondary School Vocational Education Program unless the amount allocated to the LEA under paragraph (b) of this section is not less than $15,000.

(ii) A consortium arrangement under paragraph (d)(2)(i) of this section must serve primarily as a structure for operating joint projects that provide services to all participating local educational agencies.

(iii) A project operated by a consortium must meet the size, scope, and quality requirement of § 403.111(c)(1).

Example: Under the distribution formula for the Secondary School Vocational Education Program, three LEAs earn $5,000 each (which is less than the $15,000 minimum grant amount for each LEA). The LEAs form a consortium in order to receive an award. One of the LEAs is designated as the fiscal agent for the consortium and receives the $15,000 award for the consortium. The consortium may operate and fund with the $15,000 a project or projects for the benefit of all participating LEAs. The fiscal agent of the consortium may not subgrant back to the participating LEAs the amounts they contributed to the consortium.

(3) A State may waive paragraph (d)(1) of this section in any case in which the LEA—

(i) Is located in a rural, sparsely populated area;

(ii) Demonstrates that it is unable to enter into a consortium for purposes of providing services under the Secondary School Vocational Education Program; and

      (D) Providing technical assistance;
      (E) Ensuring compliance with all applicable Federal laws, including required services and activities for individuals who are members of special populations; and
      (F) Supporting the activities of the technical committees it establishes under §403.12(b)(1); and

(5) One percent for Programs for Criminal Offenders described in §403.101.

(c) The procedure for meeting the "hold-harmless" requirements in §403.180(a) and the $250,000 minimum for State administration provision in §403.180(b)(4) is as follows:

(1) If the five percent reserved for administration is less than the $250,000 minimum allowed by paragraph (b)(4) of this section, or if any of the amounts reserved for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women in §403.81, the Sex Equity Program in §403.91, or the Program for Criminal Offenders in §403.101, respectively, is less than the amount reserved for that program in FY 1990 (funds from the FY 1990 appropriation awarded in the States FY 1991 grant), a State shall subtract any amount necessary to satisfy the $250,000 minimum for State administration or any of the "hold-harmless" amounts from the total basic programs award received by the State.

(2) The State shall reserve $250,000 for administration and shall reserve for any program not meeting the "hold-harmless" requirement an amount necessary to meet that requirement.

(3) The State shall reserve from the remainder of the basic programs award an amount for each of the remaining programs that is proportionate to the amount that program would have received in the absence of a shortfall in the amounts reserved for administration or to meet the "hold-harmless" requirements in paragraph (a)(1) of this section.

Example 1: (a) A State receives a basic programs award of $4,000,000. Five percent of the basic programs award equals $200,000, which is $50,000 less than the $250,000 minimum that may be reserved for State administration. To determine the amount of funds that will be reserved for each program under title II, parts A, B, and C of the Act, the State first subtracts $250,000 for State administration from the $4,000,000 basic programs award ($4,000,000 – $250,000 = $3,750,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under title II, parts A,
B, and C of the Act in the absence of a shortfall in the set-aside amount for administration, as follows:

3.0% × $4,000,000 = $120,000 for Sex Equity Programs.
7.5% × $4,000,000 = $300,000 for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
8.5% × $4,000,000 = $340,000 for State Programs and State Leadership Activities.
1.0% × $4,000,000 = $40,000 for Programs for Criminal Offenders.
75% × $4,000,000 = $3,000,000 for part C of title II.

3,800,000

(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have received in the absence of a shortfall ($3,800,000) and multiplies the remaining basic programs award ($3,750,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

\[
\begin{align*}
($120,000/$3,800,000) & \times 3,750,000 = $1,104,221 for Sex Equity Programs. \\
($300,000/$3,800,000) & \times 3,750,000 = 296,053 for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women. \\
($340,000/$3,800,000) & \times 3,750,000 = 335,526 for State Programs and State Leadership Activities. \\
($40,000/$3,800,000) & \times 3,750,000 = 39,474 for Programs for Criminal Offenders. \\
($3,000,000/$3,800,000) & \times 3,750,000 = 2,960,526 for part C of title II. \\
\end{align*}
\]

This example assumes that amounts reserved meet the “hold-harmless” requirement of section 102(c)(1) of the Act.

Example 2: A State’s seven percent reserve from its FY 1992 grant for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women was $1,400,000 and the amount reserved for that program from its FY 1991 grant was $1,581,000. Therefore, the amount of FY 1992 funds reserved for that program is $1,881,000 less than the amount reserved in FY 1991. The State received a basic programs award of $20,000,000 in FY 1992. The other programs under title II, part B meet the “hold-harmless” requirement in § 403.180(a)(1), and the amount reserved for State administration exceeds $250,000. The State determines the amount of funds to be reserved for each program under title II, parts A, B, and C of the Act as follows:

(a) First, the State subtracts $1,581,000 from the $20,000,000 total basic programs award ($20,000,000 − $1,581,000 = $18,419,000).
(b) Second, the State determines the amount that would have been reserved for each of the programs under parts A, B, and C of title II of the Act in the absence of a shortfall in the set-aside amount for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women, as follows:

\[
\begin{align*}
5.0% & \times $20,000,000 = 1,000,000 for administration. \\
4.5% & \times $20,000,000 = 900,000 for Sex Equity Programs. \\
8.5% & \times $20,000,000 = 1,700,000 for State Programs and State Leadership Activities. \\
1.0% & \times $20,000,000 = 200,000 for Programs for Criminal Offenders. \\
75.0% & \times $20,000,000 = 15,000,000 for part C of title II. \\
\end{align*}
\]

\[
\begin{align*}
$1,000,000 & \times 0.01 = 10,000 for administration. \\
$18,000,000 & \times 0.045 = 810,000 for Sex Equity Programs. \\
$18,600,000 & \times 0.085 = 1,569,000 for State Programs and State Leadership Activities. \\
$20,000,000 & \times 0.01 = 200,000 for Programs for Criminal Offenders. \\
$15,000,000 & \times 0.75 = 11,250,000 for part C of title II. \\
\end{align*}
\]

This example assumes that amounts reserved for the Sex Equity Program and Programs for Criminal Offenders meet the “hold-harmless” requirement of section 102(c)(1) and (2) of the Act.

Example 3: A State’s one percent reserve from its FY 1992 grant for Programs for Criminal Offenders is $200,000 and the amount reserved for that program under section 202(6) of the CDPVEA plus other amounts obligated for projects, services, and activities for criminal offenders in correctional institutions from its FY 1991 grant from the FY 1990 appropriations totals $250,000. Therefore, the amount of FY 1992 funds reserved for that program is $50,000 less than the amount reserved and obligated for that program in FY 1991. The State received a basic programs award of $20,000,000 in FY 1992.
1992. The other programs under title II, part B meet the "hold-harmless" requirement of §403.180(a)(1) and the amount reserved for State administration exceeds $250,000. The State determines the amount of funds to be reserved for each program under title II, parts A, B, and C of the Act as follows:

(a) First, the State subtracts $250,000 from the $20,000,000 total basic programs award ($20,000,000 - $250,000 = $19,750,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under parts A, B, and C of title II of the Act in the absence of a shortfall in the set-aside amount for the Programs for Criminal Offenders, as follows:

- $5.0% \times 20,000,000 = $1,000,000 for administration.
- $3.5% \times 20,000,000 = 700,000 for Sex Equity Programs.
- $7.0% \times 20,000,000 = 1,400,000 for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
- $8.5% \times 20,000,000 = 1,700,000 for State Programs and State Leadership Activities.
- $75.0% \times 20,000,000 = 15,000,000 for part C of title II.

(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have earned in the absence of a shortfall ($19,800,000) and multiplies the remaining basic programs award ($19,750,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

- ($1,000,000/$19,800,000) \times 19,750,000 = $997,475 for administration.
- ($700,000/$19,800,000) \times 19,750,000 = $698,232 for Sex Equity Programs.
- ($1,400,000/$19,800,000) \times 19,750,000 = $1,396,465 for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
- ($1,700,000/$19,800,000) \times 19,750,000 = $1,695,707 for State Programs and State Leadership Activities.
- ($15,000,000/$19,800,000) \times 19,750,000 = $14,962,121 for part C of title II.

(d) The procedure for meeting the ratable reduction provision in paragraph (a)(2) of this section is as follows:

(1) If a State's basic programs award under title II of the Act for FY 1992 or in future years is less than that State's basic grant amount in FY 1991, a State shall determine the percentage that the basic programs award is of the FY 1991 basic programs award.

(2) The State shall multiply the amounts reserved in FY 1991 for each of the three programs covered by the "hold-harmless" provisions in paragraph (a)(1) of this section by this percentage.

(3) The State shall compare the amounts that would be reserved for these programs in FY 1992 to determine if these amounts are less than the ratably reduced hold-harmless amounts, and if so, shall proceed with the calculation required by paragraph (c) of this section except using the ratably reduced "hold-harmless" amounts.

§ 403.181 What are the cost-sharing requirements applicable to the basic programs?

(a) A State shall match, from non-Federal sources and on a dollar-for-dollar basis, the funds reserved for administration of the State plan under §403.180(b)(4).

(b) The matching requirement under paragraph (a) of this section may be applied overall, rather than line-by-line, to State administrative expenditures.

(c) A State shall provide from non-Federal sources for State administrative costs for the preceding fiscal or program year.

Example for paragraph (b): From the five percent reserved for the administration of the State plan, a State must reserve $60,000 to carry out the provisions in §403.13. The $60,000 must be matched, but the matching funds need not be used for the activities described in §403.13.

(Authority: 20 U.S.C. 2312(b) and 2468d; H.R. Rep. No. 660, 101st Cong., 2nd Sess. 103–104 (1990))
§ 403.182 What is the maintenance of fiscal effort requirement?

The Secretary may not make a payment under the Act to a State for any fiscal year unless the Secretary determines that the fiscal effort per student, or the aggregate expenditures of that State, from State sources, for vocational education for the fiscal year (or program year) preceding the fiscal year (or program year) for which the determination is made, at least equaled its effort or expenditures for vocational education for the second preceding fiscal year (or program year).

(Authority: 20 U.S.C. 2463(a))

§ 403.183 Under what circumstances may the Secretary waive the maintenance of effort requirement?

(a) The Secretary may waive the maintenance of effort requirement in § 403.182 for a State for one year only if—

(1) The Secretary determines that a waiver would be equitable due to exceptional or uncontrollable circumstances affecting the State's ability to maintain fiscal effort; and

(2) The State has decreased its expenditures for vocational education from non-Federal sources by no more than five percent.

(b) For purposes of this section, “exceptional or uncontrollable circumstances” include, but are not limited to, the following:

(1) A natural disaster.

(2) An unforeseen and precipitous decline in financial resources.

(c) The Secretary does not consider tax initiatives or referenda to be exceptional or uncontrollable circumstances.

(Authority: 20 U.S.C. 2463(b))

§ 403.184 How does a State request a waiver of the maintenance of effort requirement?

A State seeking a waiver of the maintenance of effort requirement in § 403.182 shall—

(a) Submit to the Secretary a request for a waiver; and

(b) Include in the request—

(1) The reason for the request;

(2) Information that demonstrates that a waiver is justified; and

(3) Any additional information the Secretary may require.

(Approved by the Office of Management and Budget under Control No. 1830–0030)

(Authority: 20 U.S.C. 2463(b))

§ 403.185 How does the Secretary compute maintenance of effort in the event of a waiver?

If a State has been granted a waiver of the maintenance of effort requirement that allows it to receive a grant for a fiscal year, the Secretary determines whether the State has met that requirement for the grant to be awarded for the year after the year of the waiver by comparing the amount spent for vocational education from non-Federal sources in the first preceding fiscal year (or program year) with the amount spent in the third preceding fiscal year (or program year).

Example: Because exceptional or uncontrollable circumstances prevented a State from maintaining its level of fiscal effort in a program year 1989 (July 1, 1988–June 30, 1989) at the level of its fiscal effort in program year 1988 (July 1, 1987–June 30, 1988), the Secretary granted the State a waiver of the maintenance of effort requirement that permits the State to receive its fiscal year 1990 grant (a grant that is awarded on or after July 1, 1990 from funds appropriated in the fiscal year 1990 appropriation). To be eligible to receive its fiscal year 1991 grant (the grant to be awarded for the year after the year of the waiver), the State’s expenditures from the first preceding program year (July 1, 1989–June 30, 1990) must equal or exceed its expenditures from the third preceding program year (July 1, 1987 to June 30, 1988).

APPENDIX A TO PART 403—EXAMPLES FOR 34 CFR 403.111(a) AND 403.111(c)(3)

Illustration of providing full participation under 34 CFR 403.111(a). An educationally disadvantaged student is enrolled in a course that is part of a vocational education program and is having trouble understanding a math concept (e.g., negative numbers) necessary to succeed in the course. To ensure the student’s full participation in the course, a local educational agency may use funds awarded under § 403.112 as needed to provide tutoring in negative numbers to enable the student to understand the concept well enough to complete the vocational education course.

Illustration of providing equitable participation under 34 CFR 403.111(c)(3).

Example 1: An area vocational education school conducts an informal meeting to provide the information required in § 403.193(a) regarding the area vocational education school’s vocational education programs, to parents of students who are members of special populations in a local educational agency whose allocation was distributed to the area vocational education school under § 403.113. The area vocational education school conducts the meeting at a time and in a location convenient for these parents and students. At the meeting, the area vocational education school provides a staff person to assist students or their parents to complete any forms necessary to enroll in the area vocational education school’s vocational education program.

Example 2: A hearing-impaired student in a local educational agency could participate in the vocational education program only if an interpreter is provided for that student. The local educational agency cannot refuse to admit the student because of the need for an interpreter.

APPENDIX B TO PART 403—EXAMPLES FOR 34 CFR 403.194—COMPARABILITY REQUIREMENTS

Methods by which a local educational agency can demonstrate its compliance with the comparability requirements in 34 CFR 403.194(a) include the following:

Example 1: The local educational agency files with the State board a written assurance that it has established and implemented—

(a) A district-wide salary schedule;

(b) A policy to ensure equivalence among secondary schools or sites in teachers, administrators, and auxiliary personnel; and

(c) A policy to ensure equivalency among secondary schools or sites in the provision of curriculum materials and instructional supplies.

Example 2: The local educational agency establishes and implements other procedures for ensuring comparability, such as the following:

(a) Comparing the average number of students per instructional staff in each secondary school or site served with Federal funds awarded under the State plan with the average number of students per instructional staff in secondary schools or sites not served with Federal funds awarded under the State plan. A served school is considered comparable if its average does not exceed 110 percent of the average of schools or sites in the local educational agency not served with Federal funds awarded under the State plan; or

(b) Comparing the average instructional staff salary expenditures per student in each secondary school or site served with Federal funds awarded under the State plan with the average instructional staff salary expenditure per student in schools or sites in the local educational agency not served with Federal funds awarded under the State plan.

(b) The Federal share for American Samoa, Guam, the Northern Mariana Islands, the Federated States of Micronesia, the Republic of the Marshall Islands, Palau, and the Virgin Islands is 100 percent.

§ 461.42 What is the maintenance of effort requirement?

(a) Basic standard. (1)(1) Except as provided in §461.43, a State is eligible for a grant from appropriations for any fiscal year only if the Secretary determines that the State has expended for adult education from non-Federal sources during the second preceding fiscal year (or program year) an amount not less than the amount expended during the third preceding fiscal year (or program year).
§ 461.43 Under what circumstances may the Secretary waive the maintenance of effort requirement?

(a) The Secretary may waive, for one year only, the maintenance of effort requirement in § 461.42 if the Secretary determines that a waiver would be equitable due to exceptional or uncontrollable circumstances. These circumstances include, but are not limited to, the following:

(1) A natural disaster.

(2) An unforeseen and precipitous decline in financial resources.

(b) The Secretary does not consider a tax initiative or referendum to be an exceptional or uncontrollable circumstance.

(Authority: 20 U.S.C. 1209(b)(2))

§ 461.44 How does a State request a waiver of the maintenance of effort requirement?

An SEA seeking a waiver of the maintenance of effort requirement in § 461.42 shall—

§ 461.45 How does the Secretary compute maintenance of effort in the event of a waiver?

If a State has been granted a waiver of the maintenance of effort requirement that allows it to receive a grant from appropriations for a fiscal year, the Secretary determines whether the State has met that requirement for the grant to be awarded for the year after the year of the waiver by comparing the amount spent for adult education from non-Federal sources in the second preceding fiscal year (or program year) with the amount spent in the fourth preceding fiscal year (or program year).

Example: Because exceptional or uncontrollable circumstances prevented a State from maintaining effort in fiscal year 1990 (October 1, 1989–September 30, 1990) or in program year 1990 (July 1, 1989–June 30, 1990) at the level of fiscal year 1989 (October 1, 1988–September 30, 1989) or program year 1989 (July 1, 1988–June 30, 1989), respectively, the Secretary grants the State a waiver of the maintenance of effort requirement that permits the State to receive its fiscal year 1992 grant (a grant that is awarded on or after July 1,
1992 from funds appropriated in the fiscal year 1992 appropriation. In order to determine whether a State has met the maintenance of effort requirement and therefore is eligible to receive its fiscal year 1993 grant (the grant to be awarded for the year after the year of the waiver), the Secretary compares the State’s expenditures from the second preceding fiscal year (or program year—fiscal year 1991 (October 1, 1990–September 30, 1991) or program year 1991 (July 1, 1990–June 30, 1991)—with expenditures from the fourth preceding fiscal year—fiscal year 1989 (October 1, 1988–September 30, 1989) or program year 1989 (July 1, 1988–June 30, 1989). If the expenditures from fiscal year (or program year) 1991 are not less than the expenditures from fiscal year (or program year) 1989, the State has maintained effort and is eligible for its fiscal year 1993 grant.

§ 462.3 What definitions apply?
(a) Definitions in the Adult Education and Family Literacy Act (Act). The following terms used in these regulations are defined in section 203 of the Adult Education and Family Literacy Act, 20 U.S.C. 9202 (Act):
Adult education,
Eligible provider,
Individual of limited English proficiency,
Individual with a disability,
Literacy.
(b) Other definitions. The following definitions also apply to this part:
Adult basic education (ABE) means instruction designed for an adult whose educational functioning level is equivalent to a particular ABE literacy level listed in the NRS educational functioning level table in § 462.44.
Adult education population means individuals—
(1) Who are 16 years of age or older;
(2) Who are not enrolled or required to be enrolled in secondary school under State law; and
(3) Who—
(i) Lack sufficient mastery of basic educational skills to enable the individuals to function effectively in society;
(ii) Do not have a secondary school diploma or its recognized equivalent, and have not achieved an equivalent level of education; or
(iii) Are unable to speak, read, or write the English language.
Adult secondary education (ASE) means instruction designed for an adult whose educational functioning level is equivalent to a particular ASE literacy level listed in the NRS educational functioning level table in § 462.44.
Content domains, content specifications, or NRS skill areas mean, for the purpose of the NRS, reading, writing, and speaking the English language, numeracy, problem solving, English language acquisition, and other literacy skills as defined by the Secretary.
Educational functioning levels mean the ABE, ASE, and ESL literacy levels, as provided in § 462.44, that describe a set of skills and competencies that students demonstrate in the NRS skill areas.
English-as-a-second language (ESL) means instruction designed for an adult whose educational functioning level is equivalent to a particular ESL literacy level listed in the NRS educational functioning level table in § 462.44.

Test means a standardized test, assessment, or instrument that has a formal protocol on how it is to be administered. These protocols include, for example, the use of parallel, equated forms, testing conditions, time allowed for the test, standardized scoring, and the amount of instructional time a student needs before post-testing. Violation of these protocols often invalidates the test scores. Tests are not limited to traditional paper and pencil (or computer-administered) instruments for which forms are constructed prior to administration to examinees. Tests may also include adaptive tests that use computerized algorithms for selecting and administering items in real time; however, for such instruments, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing.

Test administrator means an individual who is trained to administer tests the Secretary determines to be suitable under this part.

Test publisher means an entity, individual, organization, or agency that owns a registered copyright of a test or is licensed by the copyright holder to sell or distribute a test.

§ 462.4 What are the transition rules for using tests to measure educational gain for the National Reporting System for Adult Education (NRS)?

A State or a local eligible provider may continue to measure educational gain for the NRS using a test that was identified in the Guidelines until the Secretary announces through a notice published in the FEDERAL REGISTER a deadline by which States and local eligible providers must use only tests that the Secretary has reviewed and determined to be suitable for use in the NRS under this part.

(Authority: 20 U.S.C. 9212)

Subpart B—What Process Does the Secretary Use To Review the Suitability of Tests for Use in the NRS?

(1) The nature of samples of examinees administered the test during pilot or field testing, such as—

(i) The number of examinees administered each item;

(ii) How similar the sample or samples of examinees used to develop and evaluate the test were to the adult education population of interest to the NRS; and

(6) The extent to which the judgments of the subject matter experts agree.

(f) Match of scores to NRS educational functioning levels. Documentation of the adequacy of the procedure used to translate the performance of an examinee on a particular test to an estimate of the examinee’s standing with respect to the NRS educational functioning levels in § 462.44, including—

(3) The adequacy of the research design leading to the estimates of the reliability of the test, including—
   (i) The size of the sample(s);
   (ii) The similarity between the sample(s) used in the data collection and the adult education population; and
   (iii) The steps taken to ensure the motivation of the examinees; and
(4) Any other information explaining the methodology and procedures used to measure the reliability of the test.

(h) Construct validity. Documentation of the appropriateness of a given test for measuring educational gain for the NRS, i.e., documentation that the test measures what it is intended to measure, including—
(1) The extent to which the raw or scale scores and the educational functioning classifications associated with the test correlate (or agree) with scores or classifications associated with other tests designed or intended to assess educational gain in the same adult education population as the NRS;
(2) The extent to which the raw or scale scores are related to other relevant variables, such as teacher evaluation, hours of instruction, or other measures that may be related to test performance;
(3) The adequacy of the research designs associated with these sources of evidence (see paragraph (g)(3) of this section); and
(4) Other evidence demonstrating that the test measures gains in educational functioning resulting from adult education and not from other construct-irrelevant variables, such as practice effects.

(i) Other information. (1) A description of the manner in which test administration time was determined, and an analysis of the speededness of the test.
(2) Additional guidance on the interpretation of scores resulting from any modifications of the tests for an individual with a disability.

(4) A description of the training or certification required of test administrators and scorers by the test publisher.
(5) A description of retesting (e.g., re-administration of a test because of problems in the original administration such as the test taker becomes ill during the test and cannot finish, there are external interruptions during testing, or there are administration errors) procedures and the analysis upon which the criteria for retesting are based.
(6) Such other evidence as the Secretary may determine is necessary to establish the test’s compliance with the criteria and requirements the Secretary uses to determine the suitability of tests as provided in §462.13.

(j) Previous tests. (1) For a test used to measure educational gain in the NRS before the effective date of these regulations that is submitted to the Secretary for review under this part, the test publisher must provide documentation of periodic review of the content and specifications of the test to ensure that the test continues to reflect NRS educational functioning levels.
(2) For a test first published five years or more before the date it is submitted to the Secretary for review under this part, the test publisher must
provide documentation of periodic review of the content and specifications of the test to ensure that the test continues to reflect NRS educational functioning levels.

(3) For a test that has not changed in the seven years since the Secretary determined, under §462.13, that it was suitable for use in the NRS that is again being submitted to the Secretary for review under this part, the test publisher must provide updated data supporting the validity of the test for use in classifying adult learners with respect to the NRS educational functioning levels and the measurement of educational gain as defined in §462.43 of this part.

(4) If a test has been substantially revised—for example by changing its structure, number of items, content specifications, item types, or sub-tests—from the most recent edition reviewed by the Secretary under this part, the test publisher must provide an analysis of the revisions, including the reasons for the revisions, the implications of the revisions for the comparability of scores on the current test to scores on the previous test, and results from validity, reliability, and equating or standard-setting studies undertaken subsequent to the revisions.

(Authority: 20 U.S.C. 9212)

§ 462.12 What procedures does the Secretary use to review the suitability of tests?

(a) Review. (1) When the Secretary receives a complete application from a test publisher, the Secretary selects experts in the field of educational testing and assessment who possess appropriate advanced degrees and experience in test development or psychometric research, or both, to advise the Secretary on the extent to which a test meets the criteria and requirements in §462.13.

(2) The Secretary reviews and determines the suitability of a test only if an application—

(i) Is submitted by a test publisher;

(ii) Meets the deadline established by the Secretary;

(iii) Includes a test that—

(A) Has two or more secure, parallel, equated forms of the same test—either traditional paper and pencil or computer-administered instruments—for which forms are constructed prior to administration to examinees; or

(B) Is an adaptive test that uses computerized algorithms for selecting and administering items in real time; however, for such an instrument, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing;

(iv) Includes a test that samples one or more of the major content domains of the NRS educational functioning levels of ABE, ESL, or ASE with sufficient numbers of questions to represent adequately the domain or domains; and

(v) Includes the information prescribed by the Secretary, including the information in §462.11 of this part.

(b) Secretary’s determination. (1) The Secretary determines whether a test meets the criteria and requirements in §462.13 after taking into account the advice of the experts described in paragraph (a)(1) of this section.

(2) For tests that contain multiple sub-tests measuring content domains other than those of the NRS educational functioning levels, the Secretary determines the suitability of only those sub-tests covering the domains of the NRS educational functioning levels.

(c) Suitable tests. If the Secretary determines that a test satisfies the criteria and requirements in §462.13 and, therefore, is suitable for use in the NRS, the Secretary—

(1) Notifies the test publisher of the Secretary’s decision; and

(2) Annually publishes in the Federal Register and posts on the Internet at http://www.nrsweb.org a list of the names of tests and the educational functioning levels the tests are suitable to measure in the NRS. A copy of the list is also available from the U.S. Department of Education, Office of Vocational and Adult Education, Division of Adult Education and Literacy, 400 Maryland Avenue, SW., room 11159, Potomac Center Plaza, Washington, DC 20202–7240.

(d) Unsuitable tests. (1) If the Secretary determines that a test does not satisfy the criteria and requirements in §462.13 and, therefore, is not suitable
for use in the NRS, the Secretary notifies the test publisher of the Secretary’s decision and of the reasons why the test does not meet those criteria and requirements.

(2) Within 30 days after the Secretary notifies a test publisher that its test is not suitable for use in the NRS, the test publisher may request that the Secretary reconsider the Secretary’s decision. This request must be accompanied by—

(i) An analysis of why the information and documentation submitted meet the criteria and requirements in §462.13, notwithstanding the Secretary’s earlier decision to the contrary; and

(ii) Any additional documentation and information that address the Secretary’s reasons for determining that the test was unsuitable.

(3) The Secretary reviews the additional information submitted by the test publisher and makes a final determination regarding the suitability of the test for use in the NRS.

(i) If the Secretary’s decision is unchanged and the test remains unsuitable for use in the NRS, the Secretary notifies the test publisher, and this action concludes the review process.

(ii) If the Secretary’s decision changes and the test is determined to be suitable for use in the NRS, the Secretary follows the procedures in paragraph (c) of this section.

(e) Revocation. (1) The Secretary’s determination regarding the suitability of a test may be revoked if the Secretary determines that—

(i) The information the publisher submitted as a basis for the Secretary’s review of the test was inaccurate; or

(ii) A test has been substantially revised—for example, by changing its structure, number of items, content specifications, item types, or sub-tests.

(2) The Secretary notifies the test publisher of the—

(i) Secretary’s decision to revoke the determination that the test is suitable for use in the NRS; and

(ii) Reasons for the Secretary’s revocation.

(3) Within 30 days after the Secretary notifies a test publisher of the decision to revoke a determination that a test is suitable for use in the NRS, the test publisher may request that the Secretary reconsider the decision. This request must be accompanied by documentation and information that address the Secretary’s reasons for revoking the determination that the test is suitable for use in the NRS.

(4) The Secretary reviews the information submitted by the test publisher and makes a final determination regarding the suitability of the test for use in the NRS.

(5) If the Secretary revokes the determination regarding the suitability of a test, the Secretary publishes in the Federal Register and posts on the Internet at http://www.nrsweb.org a notice of that revocation along with the date by which States and local eligible providers must stop using the revoked test. A copy of the notice of revocation is also available from the U.S. Department of Education, Office of Vocational and Adult Education, Division of Adult Education and Literacy, 400 Maryland Avenue, SW., room 11159, Potomac Center Plaza, Washington, DC 20202–7240.

§ 462.13 What criteria and requirements does the Secretary use for determining the suitability of tests?

In order for the Secretary to consider a test suitable for use in the NRS, the test or the test publisher, if applicable, must meet the following criteria and requirements:

(a) The test must measure the NRS educational functioning levels of members of the adult education population.

(b) The test must sample one or more of the major content domains of the NRS educational functioning levels of ABE, ESL, or ASE with sufficient numbers of questions to adequately represent the domain or domains.

(c)(1) The test must meet all applicable and feasible standards for test construction and validity provided in the 1999 edition of the Standards for Educational and Psychological Testing, prepared by the Joint Committee on Standards for Educational and Psychological Testing of the American Educational Research Association, the American Psychological Association,
and the National Council on Measurement in Education incorporated by reference in this section. The Director of the Federal Register approves this incorporation by reference in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. You may obtain a copy from the American Psychological Association, Inc., 750 First Street, NE., Washington, DC 20002. You may inspect a copy at the Department of Education, room 11159, 550 12th Street, SW., Washington, DC 20202 or at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call (202) 741–6030, or go to: http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

(2) If requested by the Secretary, a test publisher must explain why it believes that certain standards in the 1999 edition of the Standards for Educational and Psychological Testing were not applicable or were not feasible to meet.

(d) The test must contain the publisher’s guidelines for retesting, including time between test-taking, which are accompanied by appropriate justification.

(e) The test must—

(1) Have two or more secure, parallel, equated forms of the same test—either traditional paper and pencil or computer administered instruments—for which forms are constructed prior to administration to examinees; or

(2) Be an adaptive test that uses computerized algorithms for selecting and administering items in real time; however, for such an instrument, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing. Scores associated with these alternate administrations must be equivalent in meaning.

(f) For a test that has been modified for individuals with disabilities, the test publisher must—

(1) Provide documentation that it followed the guidelines provided in the Testing Individuals With Disabilities section of the 1999 edition of the Standards for Educational and Psychological Testing;

(2) Provide documentation of the appropriateness and feasibility of the modifications relevant to test performance; and

(3)(i) Recommend educational functioning levels based on the information obtained from adult education students who participated in the pilot or field test and who have the disability for which the test has been modified; and

(ii) Provide documentation of the adequacy of the procedures used to translate the performance of adult education students with the disability for whom the test has been modified to an estimate of the examinees’ standing with respect to the NRS educational functioning levels.

(Authority: 20 U.S.C. 9212)

§ 462.14 How often and under what circumstances must a test be reviewed by the Secretary?

(a) The Secretary’s determination that a test is suitable for use in the NRS is in effect for a period of seven years from the date of the Secretary’s written notification to the test publisher, unless otherwise indicated by the Secretary. After that time, if the test publisher wants the test to be used in the NRS, the test must be reviewed again by the Secretary so that the Secretary can determine whether the test continues to be suitable for use in the NRS.

(b) If a test that the Secretary has determined is suitable for use in the NRS is in effect for a period of seven years from the date of the Secretary’s written notification to the test publisher, unless otherwise indicated by the Secretary. After that time, if the test publisher wants the test to be used in the NRS, the test must be reviewed again by the Secretary so that the Secretary can determine whether the test continues to be suitable for use in the NRS.

Subpart C [Reserved]
§ 462.40 Must a State have an assessment policy?

(a) A State must have a written assessment policy that its local eligible providers must follow in measuring educational gain and reporting data in the NRS.

(b) A State must submit its assessment policy to the Secretary for review and approval at the time it submits its annual statistical report for the NRS.

(c) The State’s assessment policy must—

(1) Include a statement requiring that local eligible providers measure the educational gain of all students who receive 12 hours or more of instruction in the State’s adult education program with a test that the Secretary has determined is suitable for use in the NRS;

(2) Identify the pre- and post-tests that the State requires local eligible providers to use to measure the educational gain of ABE, ESL, and ASE students;

(i) Indicate when, in calendar days or instructional hours, local eligible providers must administer pre- and post-tests to students; and

(ii) Ensure that the time for administering the post-test is long enough after the pre-test to allow the test to measure educational gains according to the test publisher’s guidelines;

(4) Specify the score ranges tied to educational functioning levels for placement and for reporting gains for accountability;

(5) Identify the skill areas the State intends to require local eligible providers to assess in order to measure educational gain;

(6) Include the guidance the State provides to local eligible providers on testing and placement of an individual with a disability or an individual who is unable to be tested because of a disability;

(7) Describe the training requirements that staff must meet in order to be qualified to administer and score each test selected by the State to measure the educational gains of students;

(8) Identify the alternate form or forms of each test that local eligible providers must use for post-testing;

(9) Indicate whether local eligible providers must use a locator test for guidance on identifying the appropriate pre-test;

(10) Describe the State’s policy for the initial placement of a student at each NRS educational functioning level using test scores;

(11) Describe the State’s policy for using the post-test for measuring educational gain and for advancing students across educational functioning levels;

(12) Describe the pre-service and in-service staff training that the State or local eligible providers will provide, including training—

(i) For staff who either administer or score each of the tests used to measure educational gain;

(ii) For teachers and other local staff involved in gathering, analyzing, compiling, and reporting data for the NRS; and

(iii) That includes the following topics:

(A) NRS policy, accountability policies, and the data collection process.

(B) Definitions of measures.

(C) Conducting assessments; and

(13) Identify the State or local agency responsible for providing pre- and in-service training.

(Approved by the Office of Management and Budget under control number 1830–0027)

(Authority: 20 U.S.C. 9212)

§ 462.41 How must tests be administered in order to accurately measure educational gain?

(a) General. A local eligible provider must measure the educational gains of students using only tests that the Secretary has determined are suitable for use in the NRS and that the State has identified in its assessment policy.

(b) Pre-test. A local eligible provider must—

(1) Administer a pre-test to measure a student’s educational functioning level at intake, or as soon as possible thereafter;
(2) Administer the pre-test to students at a uniform time, according to its State’s assessment policy; and
(3) Administer pre-tests to students in the skill areas identified in its State’s assessment policy.

(c) Post-test. A local eligible provider must—
(1) Administer a post-test to measure a student’s educational functioning level after a set time period or number of instructional hours;
(2) Administer the post-test to students at a uniform time, according to its State’s assessment policy;
(3)(i) Administer post-tests with a secure, parallel, equated form of the same test—either traditional paper and pencil or computer-administered instruments—for which forms are constructed prior to administration to examinees to pre-test and determine the initial placement of students; or
(ii) Administer post-tests with an adaptive test that uses computerized algorithms for selecting and administering items in real time; however, for such an instrument, the size of the item pool and the method of item selection must ensure negligible overlap in items across pre- and post-testing; and
(4) Administer post-tests to students in the same skill areas as the pre-test.

(d) Other requirements. (1) A local eligible provider must administer a test using only staff who have been trained to administer the test.
(2) A local eligible provider may use the results of a test in the NRS only if the test was administered in a manner that is consistent with the State’s assessment policy and the test publisher’s guidelines.

(Authority: 20 U.S.C. 9212)

§ 462.42 How are tests used to place students at an NRS educational functioning level?
(a) A local eligible provider must use the results of the pre-test described in § 462.41(b) to initially place students at the appropriate NRS educational functioning level.
(b) A local eligible provider must use the results of the post-test described in § 462.41(c)—
(1) To determine whether students have completed one or more educational functioning levels or are progressing within the same level; and
(2) To place students at the appropriate NRS educational functioning level.

(c)(1) States and local eligible providers are not required to use all of the skill areas described in the NRS educational functioning levels to place students.
(2) States and local eligible providers must test and report on the skill areas most relevant to the students’ needs and to the programs’ curriculum.

(d)(1) If a State’s assessment policy requires a local eligible provider to test a student in multiple skill areas and the student will receive instruction in all of the skill areas, the local eligible provider must place the student in an educational functioning level that is equivalent to the student’s lowest test score for any of the skill areas tested under § 462.41(b) and (c).
(2) If a State’s assessment policy requires a local eligible provider to test a student in multiple skill areas, but the student will receive instruction in fewer than all of the skill areas, the local eligible provider must place the student in an educational functioning level that is equivalent to the student’s lowest test score for any of the skill areas—
(i) Tested under § 462.41(b) and (c); and
(ii) In which the student will receive instruction.

(Approved by the Office of Management and Budget under control number 1830–0027)
(Authority: 20 U.S.C. 9212)

§ 462.43 How is educational gain measured?
(a)(1) Educational gain is measured by comparing the student’s initial educational functioning level, as measured by the pre-test described in § 462.41(b), with the student’s educational functioning level as measured by the post-test described in § 462.41(c).

Example: A State’s assessment policy requires its local eligible providers to test students in reading and numeracy. The student scores lower in reading than in numeracy. As described in § 462.42(d)(1), the local eligible provider would use the student’s reading
§ 462.44

which educational functioning levels must States and local eligible providers use to measure and report educational gain in the NRS?

States and local eligible providers must use the NRS educational functioning levels in the following functioning level table:

score to place the student in an educational functioning level. To measure educational gain, the local eligible provider would compare the reading score on the pre-test with the reading score on the post-test.

(2) A student is considered to have made an educational gain when the student’s post-test indicates that the student has completed one or more educational functioning levels above the level in which the student was placed by the pre-test.

(b) If a student is not post-tested, then no educational gain can be measured for that student and the local eligible provider must report the student in the same educational functioning level as initially placed for NRS reporting purposes.

(5) How the project would meet the literacy and basic skills needs of the specific target group to be served.

(c) \textit{Plan of operation.} (15 points) The Secretary reviews each application to determine the quality of the plan of operation for the project, including—

(3) Eligibility does not extend to any location that an institution establishes after it receives its eligibility designation if the institution provides at least 50 percent of an educational program at that location, unless—

(i) The Secretary approves that location under §600.20(e)(4); or

(ii) The location is licensed and accredited, the institution does not have to apply to the Secretary for approval of that location under §600.20(c), and the institution has reported to the Secretary that location under §600.21.

(c) Subsequent additions of educational programs. (1) An eligible institution must notify the Secretary at least 90 days before the first day of class when it intends to add an educational program that prepares students for gainful employment in a recognized occupation, as provided under 34 CFR 668.8(c)(3) or (d). The institution may proceed to offer the program described in its notice, unless the Secretary advises the institution that the additional educational program must be approved under §600.20(c)(1)(v). Except as provided for direct assessment programs under 34 CFR 668.10, or pursuant to a requirement included in an institution’s Program Participation Agreement under 34 CFR 668.14, the institution does not have to apply for approval to add any other type of educational program.

(2) For purposes of paragraph (c)(1) of this section, an additional educational program is—

(a) Change of accrediting agencies. For purposes of §§600.4(a)(5)(1), 600.5(a)(6), and 600.6(a)(5)(1), the Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is in the process of changing its accrediting agency, unless the institution provides to the Secretary—

(1) All materials related to its prior accreditation or preaccreditation; and

(2) Materials demonstrating reasonable cause for changing its accrediting agency.

(b) Multiple accreditation. The Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is accredited or preaccredited as an institution by more than one accrediting agency, unless the institution provides to the Secretary—

(1) All materials related to its prior accreditation or preaccreditation; and

(2) Materials demonstrating reasonable cause for changing its accrediting agency.
for that multiple accreditation or preaccreditation;
(2) Demonstrates to the Secretary reasonable cause for that multiple accreditation or preaccreditation; and
(3) Designates to the Secretary which agency’s accreditation or preaccreditation the institution uses to establish its eligibility under this part.

(c) Loss of accreditation or preaccreditation.
(1) An institution may not be considered eligible for 24 months after it has had its accreditation or preaccreditation withdrawn, revoked, or otherwise terminated for cause, unless the accrediting agency that took that action rescinds that action.
(2) An institution may not be considered eligible for 24 months after it has withdrawn voluntarily from its accreditation or preaccreditation status under a show-cause or suspension order issued by an accrediting agency, unless that agency rescinds its order.

(d) Religious exception.
(1) If an otherwise eligible institution loses its accreditation or preaccreditation, the Secretary considers the institution to be accredited or preaccredited for purposes of complying with the provisions of §§600.4, 600.5, and 600.6 if the Secretary determines that its loss of accreditation or preaccreditation—
(i) Is related to the religious mission or affiliation of the institution; and
(ii) Is not related to its failure to satisfy the accrediting agency’s standards.
(2) If the Secretary considers an unaccredited institution to be accredited or preaccredited under the provisions of paragraph (d)(1) of this section, the Secretary will consider that unaccredited institution to be accredited or preaccredited for a period sufficient to allow the institution to obtain alternative accreditation or preaccreditation, except that period may not exceed 18 months.

Subpart B—Procedures for Establishing Eligibility

§ 600.20 Notice and application procedures for establishing, reestablishing, maintaining, or expanding institutional eligibility and certification.

(a) Initial eligibility application.
(1) An institution that wishes to establish its eligibility to participate in any HEA program must submit an application to the Secretary for a determination that it qualifies as an eligible institution under this part.
(2) If the institution also wishes to be certified to participate in the title IV, HEA programs, it must indicate that intent on the application, and submit all the documentation indicated on the application to enable the Secretary to determine that it satisfies the relevant certification requirements contained in 34 CFR part 668, subparts B and L.
(3) A freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, must include in its application to participate—
(i)(A) A list of all medical school educational sites and where they are located, including all sites at which its students receive clinical training, except those clinical training sites that are not used regularly, but instead are chosen by individual students who take no more than two electives at the location for no more than a total of eight weeks; and
(B) The type of clinical training (core, required clinical rotation, not required clinical rotation) offered at each site listed on the application in accordance with paragraph (a)(3)(i)(A) of this section; and
(ii) Whether the school offers—
(A) Only post-baccalaureate/equivalent medical programs, as defined in §600.52;
(B) Other types of programs that lead to employment as a doctor of osteopathic medicine or doctor of medicine; or
(C) Both; and
(iii) Copies of the formal affiliation agreements with hospitals or clinics providing all or a portion of a clinical training program required under §600.55(e)(1).
(1) A currently designated eligible institution that is not
participating in the title IV, HEA programs must apply to the Secretary for a determination that the institution continues to meet the requirements in this part if the Secretary requests the institution to reapply. If the institution wishes to be certified to participate in the title IV, HEA programs, it must submit an application to the Secretary and submit all the supporting documentation indicated on the application to enable the Secretary to determine that it satisfies the relevant certification requirements contained in subparts B and L of 34 CFR part 668.

(2) A currently designated eligible institution that participates in the title IV, HEA programs must apply to the Secretary for a determination that the institution continues to meet the requirements in this part and in 34 CFR part 668 if the institution wishes to—

(i) Continue to participate in the title IV, HEA programs beyond the scheduled expiration of the institution's current eligibility and certification designation;

(ii) Reestablish eligibility and certification as a private nonprofit, private for-profit, or public institution following a change in ownership that results in a change in control as described in §600.31; or

(iii) Reestablish eligibility and certification after the institution changes its status as a proprietary, nonprofit, or public institution.

(3) A freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, must include in its reapplication to participate—

(i)(A) A list of all of the foreign graduate medical school's educational sites and where they are located, including all sites at which its students receive clinical training, except those clinical training sites that are not used regularly, but instead are chosen by individual students who take no more than two electives at the location for no more than a total of eight weeks; and

(B) The type of clinical training (core, required clinical rotation, not required clinical rotation) offered at each site listed on the application in accordance with paragraph (b)(3)(i)(A) of this section; and

(ii) Whether the school offers—

(C) Both; and

(iii) Copies of the formal affiliation agreements with hospitals or clinics providing all or a portion of a clinical training program required under §600.55(e)(1).

(c) Application to expand eligibility. A currently designated eligible institution that wishes to expand the scope of its eligibility and certification and disburse title IV, HEA Program funds to students enrolled in that expanded scope must apply to the Secretary and wait for approval to—

(1) Add a location at which the institution offers or will offer 50 percent or more of an educational program if one of the following conditions applies, otherwise it must report to the Secretary under §600.21:

(i) The institution participates in the title IV, HEA programs under a provisional certification, as provided in 34 CFR 668.13.

(ii) The institution receives title IV, HEA program funds under the reimbursement or cash monitoring payment method, as provided in 34 CFR part 668, subpart K.

(iii) The institution acquires the assets of another institution that provided educational programs at that location during the preceding year and participated in the title IV, HEA programs during that year.

(iv) The institution would be subject to a loss of eligibility under 34 CFR 668.188 if it adds that location.

(v) The Secretary notifies, or has notified, the institution that it must apply for approval of an additional educational program or a location under §600.10(c).

(2) Increase its level of program offering (e.g., adding graduate degree programs when it previously offered only baccalaureate degree programs);

(3) Add an educational program if the institution is required to apply to the Secretary for approval under §600.10(c);
(4) Add a branch campus at a location that is not currently included in the institution’s eligibility and certification designation;

(5) For a freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, add a location that offers all or a portion of the foreign graduate medical school’s core clinical training or required clinical rotations, except for those locations that are included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA); or

(6) Convert an eligible location to a branch campus.

(d) Notice and application. (1) Notice and application procedures. (i) To satisfy the requirements of paragraphs (a), (b), and (c) of this section, an institution must notify the Secretary of its intent to offer an additional educational program, or provide an application to expand its eligibility, in a format prescribed by the Secretary and provide all the information and documentation requested by the Secretary to make a determination of its eligibility and certification.

(ii)(A) An institution that notifies the Secretary of its intent to offer an educational program under paragraph (c)(3) of this section must ensure that the Secretary receives the notice described in paragraph (d)(1)(ii)(A) of this section at least 90 days before the first day of class of the educational program.

(B) An institution that submits a notice in accordance with paragraph (d)(1)(ii)(A) of this section is not required to obtain approval to offer the additional educational program unless the Secretary alerts the institution at least 30 days before the first day of class that the program must be approved for title IV, HEA program purposes. If the Secretary alerts the institution that the additional educational program must be approved, the Secretary will treat the notice provided about the additional educational program as an application for that program.

(C) If an institution does not provide timely notice in accordance with paragraph (d)(1)(ii)(A) of this section, the institution must obtain approval of the additional educational program from the Secretary for title IV, HEA program purposes.

(D) If an additional educational program is required to be approved by the Secretary for title IV, HEA program purposes under paragraph (d)(1)(ii)(B), or (C) of this section, the Secretary may grant approval, or request further information prior to making a determination of whether to approve or deny the additional educational program.

(E) When reviewing an application under paragraph (d)(1)(ii)(B) of this section, the Secretary will take into consideration the following:

(1) The institution’s demonstrated financial responsibility and administrative capability in operating its existing programs.

(2) Whether the additional educational program is one of several new programs that will replace similar programs currently provided by the institution, as opposed to supplementing or expanding the current programs provided by the institution.

(3) Whether the number of additional educational programs being added is inconsistent with the institution’s historic program offerings, growth, and operations.

(4) Whether the process and determination by the institution to offer an additional educational program that leads to gainful employment in a recognized occupation is sufficient.

(F)(I) If the Secretary denies an application from an institution to offer an additional educational program, the denial will be based on the factors described in paragraphs (d)(1)(ii)(E), (3), and (4) of this section, and the Secretary will explain in the denial how the institution failed to demonstrate that the program is likely to lead to gainful employment in a recognized occupation.

(2) If the Secretary denies the institution’s application to add an additional educational program, the Secretary will permit the institution to respond to the reasons for the denial and request reconsideration of the denial.
§ 600.20

(2) Notice format. An institution that notifies the Secretary of its intent to offer an additional educational program under paragraph (c)(3) of this section must at a minimum—

(i) Describe in the notice how the institution determined the need for the program and how the program was designed to meet local market needs, or for an online program, regional or national market needs. This description must contain any wage analysis the institution may have performed, including any consideration of Bureau of Labor Statistics data related to the program;

(ii) Describe in the notice how the program was reviewed or approved by, or developed in conjunction with, business advisory committees, program integrity boards, public or private oversight or regulatory agencies, and businesses that would likely employ graduates of the program;

(iii) Submit documentation that the program has been approved by its accrediting agency or is otherwise included in the institution’s accreditation by its accrediting agency, or comparable documentation if the institution is a public postsecondary vocational institution approved by a recognized State agency for the approval of public postsecondary vocational education in lieu of accreditation; and

(iv) Provide the date of the first day of class of the new program.

(e) Secretary’s response to applications.

(1) If the Secretary receives an application under paragraph (a) or (b)(1) of this section, the Secretary notifies the institution—

(i) Whether the applicant institution qualifies in whole or in part as an eligible institution under the appropriate provisions in §§600.4 through 600.7; and

(ii) Of the locations and educational programs that qualify as the eligible institution if only a portion of the applicant qualifies as an eligible institution;

(2) If the Secretary receives an application under paragraphs (a) or (b) of this section and that institution applies to participate in the title IV, HEA programs, the Secretary notifies the institution—

(i) Whether the institution is certified to participate in those programs;

(ii) Of the title IV, HEA programs in which it is eligible to participate;

(iii) Of the title IV, HEA programs in which it is eligible to apply for funds;

(iv) Of the effective date of its eligibility to participate in those programs; and

(v) Of the conditions under which it may participate in those programs;

(3) If the Secretary receives an application under paragraph (b)(2) of this section, the Secretary notifies the institution whether it continues to be certified, or whether it reestablished its eligibility and certification to participate in the title IV, HEA programs and the scope of such approval.

(4) If the Secretary receives an application under paragraph (c)(1) of this section for an additional location, the Secretary notifies the institution whether the location is eligible or ineligible to participate in the title IV, HEA programs, and the date of eligibility if the location is determined eligible;

(5) If the Secretary receives an application under paragraph (c)(2) of this section for an increase in the level of program offering, or for an additional educational program under paragraph (c)(3) of this section, the Secretary notifies the institution whether the program qualifies as an eligible program, and if the program qualifies, the date of eligibility; and

(6) If the Secretary receives an application under paragraphs (c)(4) or (c)(5) of this section to have a branch campus certified to participate in the title IV, HEA programs as a branch campus, the Secretary notifies the institution whether that branch campus is certified to participate and the date that the branch campus is eligible to begin participation.

(f) Disbursement rules related to applications.

(1)(i) Except as provided under paragraph (f)(1)(ii) of this section and 34 CFR 668.36, if an institution submits an application under paragraph (b)(2)(i) of this section because its participation period is scheduled to expire, after that expiration date the institution may not disburse title IV, HEA program funds to students attending that institution until the institution receives the Secretary’s notification that the
institution is again eligible to participate in those programs.

(ii) An institution described in paragraph (f)(1)(i) of this section may disburse title IV, HEA program funds to its students if the institution submits to the Secretary a materially complete renewal application in accordance with the provisions of 34 CFR 668.13(b)(2), and has not received a final decision from the Department on that application.

(2)(i) Except as provided under paragraph (f)(2)(ii) of this section and 34 CFR 668.26, if a private nonprofit, private for-profit, or public institution submits an application under paragraph (b)(2)(ii) or (b)(2)(iii) of this section because it has undergone or will undergo a change in ownership that results in a change of control or a change in status, the institution may not disburse title IV, HEA program funds to students attending that institution after the change of ownership or status until the institution receives the Secretary’s notification that the institution is eligible to participate in those programs.

(ii) An institution described in paragraph (f)(2)(i) of this section may disburse title IV, HEA program funds to students attending that institution after the change of ownership or status until the institution receives the Secretary’s notification that the institution is eligible to participate in those programs.

(g) Application for provisional extension of certification.

(1) If a private nonprofit, a private for-profit institution, or a public institution participating in the title IV, HEA programs undergoes a change in ownership that results in a change of control as described in 34 CFR 600.31, the Secretary may continue the institution’s participation in those programs on a provisional basis, if the institution under the new ownership submits a “materially complete application” that is received by the Secretary no later than 10 business days after the day the change occurs.

(2) For purposes of this section, a private nonprofit institution, a private for-profit institution, or a public institution submits a materially complete application if it submits a fully completed application form designated by the Secretary supported by—

(i) A copy of the institution’s State license or equivalent document that—

as of the day before the change in ownership—authorized or will authorize the institution to provide a program of postsecondary education in the State in which it is physically located;

(ii) A copy of the document from the institution’s accrediting association that—

as of the day before the change in ownership—granted or will grant the institution accreditation status, including approval of any non-degree programs it offers;

(iii) Audited financial statements of the institution’s two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23; and

(iv) Audited financial statements of the institution’s two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23, or equivalent information for that owner that is acceptable to the Secretary.

(h) Terms of the extension. (1) If the Secretary approves the institution’s materially complete application, the
Secretary provides the institution with a provisional Program Participation Agreement (PPA). The provisional PPA extends the terms and conditions of the program participation agreement that were in effect for the institution before its change of ownership.

(2) The provisional PPA expires on the earlier of—

(i) The date on which the Secretary signs a new program participation agreement;

(ii) The date on which the Secretary notifies the institution that its application is denied; or

(iii) The last day of the month following the month in which the change of ownership occurred, unless the provisions of paragraph (h)(3) of this section apply.

(3) If the provisional PPA will expire under the provisions of paragraph (h)(2)(iii) of this section, the Secretary extends the provisional PPA on a month-to-month basis after the expiration date described in paragraph (h)(2)(iii) of this section if, prior to that expiration date, the institution provides the Secretary with—

(i) A "same day" balance sheet showing the financial position of the institution, as of the date of the ownership change, that is prepared in accordance with Generally Accepted Accounting Principles (GAAP) published by the Financial Accounting Standards Board and audited in accordance with Generally Accepted Government Auditing Standards (GAGAS) published by the U.S. General Accounting Office;

(ii) If not already provided, approval of the change of ownership from the State in which the institution is located by the agency that authorizes the institution to legally provide post-secondary education in that State;

(iii) If not already provided, approval of the change of ownership from the institution's accrediting agency; and

§ 600.21 Updating application information.

(a) Reporting requirements. Except as provided in paragraph (b) of this section, an eligible institution must report to the Secretary in a manner prescribed by the Secretary no later than 10 days after the change occurs, of any change in the following:

(1) Its name, the name of a branch, or the name of a previously reported location.

(2) Its address, the address of a branch, or the address of a previously reported location.

(3) Its establishment of an accredited and licensed additional location at which it offers or will offer 50 percent or more of an educational program if the institution wants to disburse title IV, HEA program funds to students enrolled at that location, under the provisions in paragraph (d) of this section.

(4) Except as provided in 34 CFR 668.10, the way it measures program length (e.g., from clock hours to credit hours, or from semester hours to quarter hours).

(5) A decrease in the level of program offering (e.g., the institution drops its graduate programs).

(6) A person's ability to affect substantially the actions of the institution if that person did not previously have this ability. The Secretary considers a person to have this ability if the person—

(i) Holds alone or together with another member or members of his or her family, at least a 25 percent "ownership interest" in the institution as defined in §600.31(b);

(ii) Represents or holds, either alone or together with other persons, under a voting trust, power of attorney, proxy, or similar agreement at least a 25 percent "ownership interest" in the institution, as defined in §600.31(b); or
(iii) Is a general partner, the chief executive officer, or chief financial officer of the institution.

(7) The individual the institution designates under 34 CFR 668.16(b)(1) as its title IV, HEA Program administrator.

(8) The closure of a branch campus or additional location that the institution was required to report to the Secretary.

(9) The governance of a public institution.

(10) For a freestanding foreign graduate medical school, or a foreign institution that includes a foreign graduate medical school, the school adds a location that offers all or a portion of the school’s clinical rotations that are not required, except for those that are included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA), or that are not used regularly, but instead are chosen by individual students who take no more than two electives at the location for no more than a total of eight weeks.

(b) Additional reporting from institutions owned by publicly-traded corporations. An institution that is owned by a publicly-traded corporation must report to the Secretary any change in the information described in paragraph (a)(6) of this section when it notifies its accrediting agency, but no later than 10 days after the institution learns of the change.

(c) Secretary’s response to reporting. The Secretary notifies an institution if any reported changes affects the institution’s eligibility, and the effective date of that change.

(d) Disbursement rules related to additional locations. When an institution must report to the Secretary about an additional location under paragraph (a)(3) of this section, the institution may not disburse title IV, HEA funds to students at that location before it reports to the Secretary about that location. Unless it is an institution that must apply to the Secretary under §600.20(c)(1), once it reports to the Secretary about that location, the institution may disburse those funds to those students if that location is licensed and accredited.

(e) Consequence of failure to report. An institution’s failure to inform the Secretary of a change described in paragraph (a) of this section within the time period stated in that paragraph may result in adverse action against the institution.

(f) Definition. A family member includes a person’s—

(1) Parent or stepparent, sibling or step-sibling, spouse, child or stepchild, or grandchild or step-grandchild;

(2) Spouse’s parent or stepparent, sibling or step-sibling, child or stepchild, or grandchild or step-grandchild;

(3) Child’s spouse; and

(4) Sibling’s spouse.

§600.30 [Reserved]

§600.31 Change in ownership resulting in a change in control for private nonprofit, private for-profit and public institutions.

(a)(1) Except as provided in paragraph (a)(2) of this section, a private nonprofit, private for-profit, or public institution that undergoes a change in ownership that results in a change in control ceases to qualify as an eligible institution upon the change in ownership and control. A change in ownership that results in a change in control includes any change by which a person who has or thereby acquires an ownership interest in the entity that owns the institution or the parent corporation of that entity, acquires or loses the ability to control the institution.

(2) If a private nonprofit, private for-profit, or public institution has undergone a change in ownership that results in a change in control, the Secretary may, under the provisions of §600.20(g) and (h), continue the institution’s participation in the title IV, HEA programs on a provisional basis.
§600.31  34 CFR Ch. VI (7–1–13 Edition)

provided that the institution submits, under the provisions of §600.20(g), a materially complete application—
(i) No later than 10 business days after the change occurs; or
(ii) For an institution owned by a publicly-traded corporation, no later than 10 business days after the institution knew, or should have known of the change based upon SEC filings, that the change occurred.

(3) In order to reestablish eligibility and to resume participation in the title IV, HEA programs, the institution must demonstrate to the Secretary that after the change in ownership and control—
(i) The institution satisfies all the applicable requirements contained in §§600.4, 600.5, and 600.6, except that if the institution is a proprietary institution of higher education or postsecondary vocational institution, it need not have been in existence for two years before seeking eligibility; and
(ii) The institution qualifies to be certified to participate under 34 CFR part 668, subpart B.

(b) Definitions. The following definitions apply to terms used in this section:

Closely-held corporation. Closely-held corporation (including the term close corporation) means—
(1) A corporation that qualifies under the law of the State of its incorporation as a closely-held corporation; or
(2) If the State of incorporation has no definition of closely-held corporation, a corporation the stock of which—
(i) Is held by no more than 30 persons; and
(ii) Has not been and is not planned to be publicly offered.

Control. Control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

Ownership or ownership interest. (1) Ownership or ownership interest means a legal or beneficial interest in an institution or its corporate parent, or a right to share in the profits derived from the operation of an institution or its corporate parent.
(2) Ownership or ownership interest does not include an ownership interest held by—
(i) A mutual fund that is regularly and publicly traded;
(ii) A U.S. institutional investor, as defined in 17 CFR 240.15a–6(b)(7);
(iii) A profit-sharing plan of the institution or its corporate parent, provided that all full-time permanent employees of the institution or corporate parent are included in the plan; or
(iv) An Employee Stock Ownership Plan (ESOP).

Parent. The parent or parent corporation of a specified corporation is the corporation or partnership that controls the specified corporation directly or indirectly through one or more intermediaries.

Person. Person includes a legal person (corporation or partnership) or an individual.

Wholly-owned subsidiary. A wholly-owned subsidiary is one substantially all of whose outstanding voting securities are owned by its parent together with the parent’s other wholly-owned subsidiaries.

(c) Standards for identifying changes of ownership and control—

(1) Closely-held corporation. A change in ownership and control occurs when—
(i) A person acquires more than 50 percent of the total outstanding voting stock of the corporation;
(ii) A person who holds an ownership interest in the corporation acquires control of more than 50 percent of the outstanding voting stock of the corporation;
(iii) A person who holds or controls 50 percent or more of the total outstanding stock of the corporation ceases to hold or control that proportion of the stock of the corporation.

(2) Publicly traded corporations required to be registered with the Securities and Exchange Commission (SEC). A change in ownership and control occurs when—
(i) A person acquires such ownership and control of the corporation so that the corporation is required to file a Form 8K with the SEC notifying that agency of the change in control; or
(ii) (A) A person who is a controlling shareholder of the corporation ceases to be a controlling shareholder. A controlling shareholder is a shareholder who holds or controls through agreement both 25 percent or more of the total outstanding voting stock of the corporation and more shares of voting stock than any other shareholder. A controlling shareholder for this purpose does not include a shareholder whose sole stock ownership is held as a U.S. institutional investor, as defined in 17 CFR 240.15a-6(b)(7), held in mutual funds, held through a profit-sharing plan, or held in an Employee Stock Ownership Plan (ESOP).

(B) When a change of ownership occurs as a result of paragraph (c)(2)(ii)(A) of this section, the institution may submit its most recent quarterly financial statement as filed with the SEC, along with copies of all other SEC filings made after the close of the fiscal year for which a compliance audit has been submitted to the Department of Education, instead of the “same day” balance sheet.

(C) If a publicly-traded institution is provisionally certified due to a change in ownership under paragraph (c)(2)(ii) of this section, and that institution experiences another change of ownership under paragraph (c)(2)(ii) of this section, an approval of the subsequent change in ownership does not extend the original expiration date for which a compliance audit has been submitted to the Department of Education, instead of the “same day” balance sheet.

(3) Other corporations. A change in ownership and control of a corporation that is neither closely-held nor required to be registered with the SEC occurs when—

(i) A person who has or acquires an ownership interest acquires both control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation;

(ii) A person who holds both ownership or control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation, ceases to own or control that proportion of the stock of the corporation, or to control the corporation; or

(iii) For a membership corporation, a person who is or becomes a member acquires or loses control of 25 percent of the voting interests of the corporation and control of the corporation.

(4) Partnership or sole proprietorship. A change in ownership and control occurs when a person who has or acquires an ownership interest acquires or loses control as described in this section.

(5) Parent corporation. An institution that is a wholly-owned subsidiary changes ownership and control when the parent corporation changes ownership and control as described in this section.

(6) Nonprofit institution. A nonprofit institution changes ownership and control when a change takes place that is described in paragraph (d) of this section.

(7) Public institution. The Secretary does not consider that a public institution undergoes a change in ownership that results in a change of control if there is a change in governance and the institution after the change remains a public institution, provided—

(i) The new governing authority is in the same State as included in the institution’s program participation agreement; and

(ii) The new governing authority has acknowledged the public institution’s continued responsibilities under its program participation agreement.

(d) Covered transactions. For the purposes of this section, a change in ownership of an institution that results in a change of control may include, but is not limited to—

(1) The sale of the institution;

(2) The transfer of the controlling interest of stock of the institution or its parent corporation;

(3) The merger of two or more eligible institutions;

(4) The division of one institution into two or more institutions;

(5) The transfer of the liabilities of an institution to its parent corporation;

(7) A change in status as a for-profit, nonprofit, or public institution.

(e) Excluded transactions. A change in ownership and control reported under § 600.21 and otherwise subject to this section does not include a transfer of ownership and control of all or part of an owner’s equity or partnership interest in an institution, the institution’s parent corporation, or other legal entity that has signed the institution’s Program Participation Agreement—

(1) From an owner to a “family member” of that owner as defined in § 600.21(f); or

(2) Upon the retirement or death of the owner, to a person with an ownership interest in the institution who has been involved in management of the institution for at least two years preceding the transfer and who has established and retained the ownership interest for at least two years prior to the transfer.

§ 600.32 Eligibility of additional locations.

(a) Except as provided in paragraphs (b), (c), and (d) of this section, to qualify as an eligible location, an additional location of an eligible institution must satisfy the applicable requirements of this section and §§ 600.4, 600.5, 600.6, 600.8, and 600.10.

(b) To qualify as an eligible location, an additional location is not required to satisfy the two-year requirement of §§ 600.5(a)(7) or 600.6(a)(6), unless—

(1) The location was a facility of another institution that has closed or ceased to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution or the institution’s students;

(2) The applicant institution acquired, either directly from the institution that closed or ceased to provide educational programs, or through an intermediary, the assets at the location; and

(3) The institution from which the applicant institution acquired the assets of the location—

(i) Owes a liability for a violation of an HEA program requirement; and

(ii) Is not making payments in accordance with an agreement to repay that liability.

(c) Notwithstanding paragraph (b) of this section, an additional location is not required to satisfy the two-year requirement of § 600.5(a)(7) or § 600.6(a)(6) if the applicant institution agrees—

(1) To be liable for all improperly expended or unspent title IV, HEA program funds received by the institution that has closed or ceased to provide educational programs;

(2) To be liable for all unpaid refunds owed to students who received title IV, HEA program funds; and

(3) To abide by the policy of the institution that has closed or ceased to provide educational programs regarding refunds of institutional charges to students in effect before the date of the acquisition of the assets of the additional location for the students who were enrolled before that date.

(d)(1) An institution that conducts a teach-out at a site of a closed institution may apply to have that site approved as an additional location if—

(i) The closed institution ceased operations and the Secretary has taken an action to limit, suspend, or terminate the institution’s participation under § 600.41 or subpart G of this part, or has taken an emergency action under 34 CFR 668.83; and

(ii) The teach-out plan required under 34 CFR 668.14(b)(31) is approved by the closed institution’s accrediting agency.

(2)(i) An institution that conducts a teach-out and is approved to add an additional location described in paragraph (d)(1) of this section—

(A) Does not have to meet the two-year in existence requirement of § 600.5(a)(7) or § 600.6(a)(6) for the additional location described in paragraph (d)(1) of this section;
(B) Is not responsible for any liabilities of the closed institution as provided under paragraph (c)(1) and (c)(2) of this section if the institutions are not related parties and there is no commonality of ownership or management between the institutions, as described in 34 CFR 668.188(b) and 34 CFR 668.207(b); and

(C) Will not have the default rate of the closed institution included in the calculation of its default rate, as would otherwise be required under 34 CFR 668.184 and 34 CFR 668.203, if the institutions are not related parties and there is no commonality of ownership or management between the institutions, as described in 34 CFR 668.188(b) and 34 CFR 668.207(b).

(ii) As a condition for approving an additional location under paragraph (d)(1) of this section, the Secretary may require that payments from the institution conducting the teach-out to the owners or related parties of the closed institution, are used to satisfy any liabilities owed by the closed institution.

(e) For purposes of this section, an “additional location” is a location of an institution that was not designated as an eligible location in the eligibility notification provided to an institution under §600.21.

Subpart D—Loss of Eligibility

SOURCE: 59 FR 22336, Apr. 29, 1994, unless otherwise noted.

§ 600.40 Loss of eligibility.

(a)(1) Except as provided in paragraphs (a)(2) and (3) of this section, an institution, or a location or educational program of an institution, loses its eligibility on the date that—

(i) The institution, location, or educational program fails to meet any of the eligibility requirements of this part;

(ii) The institution or location permanently closes;

(iii) The institution or location ceases to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, particular location, or the students of the institution or location; or

(iv) For purposes of the title IV, HEA programs—

(A) The institution’s period of participation as specified under 34 CFR 668.13 expires; or

(B) The institution’s provisional certification is revoked under 34 CFR 668.13.

(2) If an institution loses its eligibility because it violated the requirements of §600.5(a)(8), as evidenced by the determination under provisions contained in §600.5(d), it loses its eligibility on the last day of the fiscal year used in §600.5(d), except that if an institution’s latest fiscal year was described in §600.7(h)(1), it loses its eligibility as of June 30, 1994.

(3) If an institution loses its eligibility under the provisions of §600.7(a)(1), it loses its eligibility on the last day of the award year being evaluated under that provision.

(b) If the Secretary undertakes to terminate the eligibility of an institution because it violated the provisions of §600.5(a)(8) or §600.7(a), and the institution requests a hearing, the presiding official must terminate the institution’s eligibility if it violated those provisions, notwithstanding its status at the time of the hearing.

(c)(1) If the Secretary designates an institution or any of its educational programs or locations as eligible on the basis of inaccurate information or documentation, the Secretary’s designation is void from the date the Secretary made the designation, and the institution or program or location, as applicable, never qualified as eligible.

(2) If an institution closes its main campus or stops providing any educational programs on its main campus, it loses its eligibility as an institution, and that loss of eligibility includes all its locations and all its programs. Its loss of eligibility is effective on the date it closes that campus or stops providing any educational program at that campus.

(d) Except as otherwise provided in this part, if an institution ceases to satisfy any of the requirements for eligibility under this part—
§ 600.41 Termination and emergency action proceedings.

(a) If the Secretary believes that a previously designated eligible institution as a whole, or at one or more of its locations, does not satisfy the statutory or regulatory requirements that define that institution as an eligible institution, the Secretary may—

(1) Terminate the institution’s eligibility designation in whole or as to a particular location—

(i) Under the procedural provisions applicable to terminations contained in 34 CFR 668.81, 668.83, 668.86, 668.87, 668.88, 668.89, 668.90 (a)(1), (a)(4), and (c) through (f), and 668.91; or

(ii) Under a show-cause hearing, if the institution’s loss of eligibility results from—

(A) Its previously qualifying as an eligible vocational school;

(B) Its previously qualifying as an eligible institution, notwithstanding its unaccredited status, under the transfer-of-credit alternative to accreditation (as that alternative existed in 20 U.S.C. 1085, 1088, and 1141(a)(5)(B) and § 600.8 until July 23, 1992);

(C) Its loss of accreditation or preaccreditation;

(D) Its loss of legal authority to provide postsecondary education in the State in which it is physically located;

(E) Its violations of the provisions contained in §600.5(a)(8) or §600.7(a);

(F) Its permanently closing; or

(G) Its ceasing to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, a particular location, or the students of the institution or location;

(2) Limit, under the provisions of 34 CFR 668.86, the authority of the institution to disburse, deliver, or cause the disbursement or delivery of funds under one or more title IV, HEA programs as otherwise provided under 34 CFR 668.26 for the benefit of students enrolled at the ineligible institution or location prior to the loss of eligibility of that institution or location; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution’s participation in one or more title IV, HEA programs.

(b) If the Secretary believes that an educational program offered by an institution that was previously designated by the Secretary as an eligible institution under the HEA does not satisfy relevant statutory or regulatory requirements that define that educational program as part of an eligible institution, the Secretary may in accordance with the procedural provisions described in paragraph (a) of this section—

(1) Undertake to terminate that educational program’s eligibility under one or more of the title IV, HEA programs under the procedural provisions applicable to terminations described in paragraph (a) of this section;

(2) Limit the institution’s authority to deliver, disburse, or cause the delivery or disbursement of funds provided under that title IV, HEA program to students enrolled in that educational program, as otherwise provided in 34 CFR 668.26; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution’s participation in one or more title IV, HEA programs with respect to students enrolled in that educational program.

(c)(1) An action to terminate and limit the eligibility of an institution as a whole or as to any of its locations or educational programs is initiated in accordance with 34 CFR 668.86(b) and becomes final 20 days after the Secretary notifies the institution of the proposed action, unless the designated department official receives by that date a request for a hearing or written material that demonstrates that the termination and limitation should not take place.

(2) Once a termination under this section becomes final, the termination is effective with respect to any commitment, delivery, or disbursement of funds under one or more title IV, HEA programs as otherwise provided under 34 CFR 668.26 for the benefit of students enrolled at the ineligible institution or location prior to the loss of eligibility of that institution or location; and
funds provided under an applicable title IV, HEA program by the institution—

(i) Made to students enrolled in the ineligible institution, location, or educational program; and

(ii) Made on or after the date of the act or omission that caused the loss of eligibility as to the institution, location, or educational program.

(3) Once a limitation under this section becomes final, the limitation is effective with regard to any commitment, delivery, or disbursement of funds under the applicable title IV, HEA program by the institution—

(i) Made after the date on which the limitation became final; and

(ii) Made to students enrolled in the ineligible institution, location, or educational program.

(d) After a termination under this section of the eligibility of an institution as a whole or as to a location or educational program becomes final, the institution may not certify applications for, make awards of or commitments for, deliver, or disburse funds under the applicable title IV, HEA program, except—

(1) In accordance with the requirements of 34 CFR 668.26(c) with respect to students enrolled in the ineligible institution, location, or educational program; and

(2) After satisfaction of any additional requirements, imposed pursuant to a limitation under paragraph (a)(2) of this section, which may include the following:

(i) Completion of the actions required by 34 CFR 668.26(a) and (b).

(ii) Demonstration that the institution has made satisfactory arrangements for the completion of actions required by 34 CFR 668.26(a) and (b).

(iii) Securing the confirmation of a third party selected by the Secretary that the proposed disbursements or delivery of title IV, HEA program funds meet the requirements of the applicable program.

(iv) Using institutional funds to make disbursements permitted under this paragraph and seeking reimbursement from the Secretary for those disbursements.

(e) If the Secretary undertakes to terminate the eligibility of an institution, location, or program under paragraphs (a) and (b) of this section:

(1) If the basis for the loss of eligibility is the loss of accreditation or preaccreditation, the sole issue is whether the institution, location, or program has the requisite accreditation or preaccreditation. The presiding official has no authority to consider challenges to the action of the accrediting agency.

(2) If the basis for the loss of eligibility is the loss of legal authorization, the sole issue is whether the institution, location, or program has the requisite legal authorization. The presiding official has no authority to consider challenges to the action of a State agency in removing the legal authorization.

(3) If the basis for the loss of eligibility of a foreign graduate medical school is one or more annual pass rates on the U.S. Medical Licensing Examination below the threshold required in §600.55(f)(1)(ii), the sole issue is whether one or more of the foreign medical school’s pass rate or rates for the preceding calendar year fell below that threshold. For a foreign graduate medical school that opted to have the Educational Commission for Foreign Medical Graduates (ECFMG) calculate and provide the pass rates directly to the Secretary for the preceding calendar year as permitted under §600.55(d)(2) in lieu of the foreign graduate medical school providing pass rate data to the Secretary under §600.55(d)(1)(iii), the ECFMG’s calculations of the school’s rates are conclusive; and the presiding official has no authority to consider challenges to the computation of the rate or rates by the ECFMG.

SOURCE: 59 FR 22063, Apr. 28, 1994, unless otherwise noted.
§ 600.51 Purpose and scope.

(a) A foreign institution is eligible to apply to participate in the Federal Family Education Loan (FFEL) programs if it is comparable to an eligible institution of higher education located in the United States and has been approved by the Secretary in accordance with the provisions of this subpart.

(b) This subpart E contains the procedures and criteria under which a foreign institution may be deemed eligible to apply to participate in the FFEL programs.

(c) Applicability of other title IV, HEA program regulations.

(1) A foreign institution must comply with all requirements for eligible and participating institutions except when made inapplicable by the HEA or when the Secretary, through publication in the FEDERAL REGISTER, identifies specific provisions as inapplicable to foreign institutions.

(2)(i) A public or nonprofit foreign institution that meets the requirements of this subpart, and that also meets the requirements of this Part except as provided in §§600.51(c)(1) and 600.54(a), is considered an “institution of higher education” for purposes of the title IV, HEA program regulations; and

(ii) A for-profit foreign institution that meets the requirements of this subpart, and that also meets the requirements of this Part, except as provided in §§600.51(c)(1) and 600.54(a), is considered a “proprietary institution” for purposes of title IV, HEA program regulations.

(d)(1) A program offered by a foreign school through any use of a telecommunications course, correspondence course, or direct assessment program is not an eligible program;

(2) Correspondence course has the meaning given in §600.2;

(3) Direct assessment program has the meaning given in §668.10(a)(1) of this chapter;

(4) Telecommunications course is a course offered through any one or a combination of the technologies listed in the definition of telecommunications course in §600.2, except that telecommunications technologies may be used to supplement and support instruction that is offered in a classroom located in the foreign country where the students and instructor are physically present.

§ 600.52 Definitions.

The following definitions apply to this subpart E:

Associate degree school of nursing: A school that provides primarily or exclusively a two-year program of postsecondary education in professional nursing leading to a degree equivalent to an associate degree in the United States.

Clinical training: The portion of a graduate medical education program that counts as a clinical clerkship for purposes of medical licensure comprising core, required clinical rotation, and not required clinical rotation.

Collegiate school of nursing: A school that provides primarily or exclusively a minimum of a two-year program of postsecondary education in professional nursing leading to a degree equivalent to a bachelor of arts, bachelor of science, or bachelor of nursing in the United States, or to a degree equivalent to a graduate degree in nursing in the United States, and including advanced training related to the program of education provided by the school.

Diploma school of nursing: A school affiliated with a hospital or university, or an independent school, which provides primarily or exclusively a two-year program of postsecondary education in professional nursing leading to the equivalent of a diploma in the United States or to equivalent indicia that the program has been satisfactorily completed.

Foreign graduate medical school: A foreign institution (or, for a foreign institution that is a university, a component of that foreign institution) having as its sole mission providing an educational program that leads to a degree of medical doctor, doctor of osteopathic medicine, or the equivalent. A reference in these regulations to a foreign graduate medical school as “free-standing” pertains solely to those schools that qualify by themselves as foreign institutions and not to schools
that are components of universities that qualify as foreign institutions.

**Foreign institution:**

(1) For the purposes of students who receive title IV aid, an institution that—
   (i) Is not located in a State;
   (ii) Except as provided with respect to clinical training offered under §600.55(h)(1), §600.56(b), or §600.57(a)(2)—
      (A) Has no U.S. location;
      (B) Has no written arrangements, within the meaning of §668.5, with institutions or organizations located in the United States for students enrolling at the foreign institution to take courses from institutions located in the United States;
   (C) Does not permit students to enroll in any course offered by the foreign institution in the United States, including research, work, internship, externship, or special studies within the United States, except that independent research done by an individual student in the United States for not more than one academic year is permitted, if it is conducted during the dissertation phase of a doctoral program under the guidance of faculty, and the research can only be performed in a facility in the United States;
   (iii) Is legally authorized by the education ministry, council, or equivalent agency of the country in which the institution is located to provide an educational program beyond the secondary education level; and
   (iv) Awards degrees, certificates, or other recognized educational credentials in accordance with §600.54(e) that are officially recognized by the country in which the institution is located; or
   (2) If the educational enterprise enrolls students both within a State and outside a State, and the number of students who would be eligible to receive title IV, HEA program funds attending locations outside a State is at least twice the number of students enrolled within a State, the locations outside a State must meet all requirements of paragraph (1) of this definition, and the other requirements of this part. For the purposes of this paragraph, an educational enterprise consists of two or more locations offering all or part of an educational program that are directly or indirectly under common ownership.

**Foreign nursing school:** A foreign institution (or, for a foreign institution that is a university, a component of that foreign institution) that is an associate degree school of nursing, a collegiate school of nursing, or a diploma school of nursing. A reference in these regulations to a foreign nursing school as “freestanding” pertains solely to those schools that qualify by themselves as foreign institutions and not to schools that are components of universities that qualify as foreign institutions.

**Foreign veterinary school:** A foreign institution (or, for a foreign institution that is a university, a component of that foreign institution) having as its sole mission providing an educational program that leads to the degree of doctor of veterinary medicine, or the equivalent. **National Committee on Foreign Medical Education and Accreditation (NCFMEA):** The operational committee of medical experts established by the Secretary to determine whether the medical school accrediting standards used in other countries are comparable to those applied to medical schools in the United States, for purposes of evaluating the eligibility of accredited foreign graduate medical schools to participate in the title IV, HEA programs.

**Passing score:** The minimum passing score as defined by the Educational Commission for Foreign Medical Graduates (ECFMG), or on the National Council Licensure Examination for Registered Nurses (NCLEX–RN), as applicable.

**Post-baccalaureate/equivalent medical program:** A program offered by a foreign graduate medical school that requires, as a condition of admission, that its students have already completed their non-medical undergraduate studies and that consists solely of courses and training leading to employment as a doctor of medicine or doctor of osteopathic medicine.
§ 600.53 Requesting an eligibility determination.

(a) To be designated as eligible to apply to participate in the FFEL programs or to continue to be eligible beyond the scheduled expiration of the institution’s current period of eligibility, a foreign institution must—

(1) Apply on the form prescribed by the Secretary; and

(2) Provide all the information and documentation requested by the Secretary to make a determination of that eligibility.

(b) If a foreign institution fails to provide, release, or authorize release to the Secretary of information that is required in this subpart E, the institution is ineligible to apply to participate in the FFEL programs.

The Secretary considers a foreign institution to be comparable to an eligible institution of higher education in the United States and eligible to apply to participate in the Direct Loan Program if the foreign institution meets the following requirements:

(a)(1) Except for a freestanding foreign graduate medical school, foreign veterinary school, or foreign nursing school, the foreign institution is a public or private nonprofit educational institution.

(b) The foreign institution admits as regular students only persons who—

(1) Have a secondary school completion credential; or

(2) Have the recognized equivalent of a secondary school completion credential.

(c) Notwithstanding §688.5, an eligible foreign institution may not enter into a written arrangement under which an ineligible institution or organization provides any portion of one or more of the eligible foreign institution’s programs. For the purposes of this paragraph, written arrangements do not include affiliation agreements for the provision of clinical training for foreign medical, veterinary, and nursing schools.

(d) An additional location of a foreign institution must separately meet the definition of a foreign institution in §600.52 if the additional location is—

(1) Located outside of the country in which the main campus is located, except as provided in §600.55(h)(1), §600.56(b), §600.57(a)(2), §600.55(h)(3), and the definition of foreign institution found in §600.52; or

(2) Located within the same country as the main campus, but is not covered by the legal authorization of the main campus.

(e) The foreign institution provides an eligible education program—

(1) For which the institution is legally authorized to award a degree that is equivalent to an associate, baccalaureate, graduate, or professional degree awarded in the United States;

(2) That is at least a two-academic-year program acceptable for full credit toward the equivalent of a baccalaureate degree awarded in the United States;

(3)(i) That is equivalent to at least a one-academic-year training program in the United States that leads to a certificate, degree, or other recognized educational credential and prepares students for gainful employment in a
recognized occupation within the meaning of the gainful employment provisions.

(ii) An institution must demonstrate to the satisfaction of the Secretary that the amount of academic work required by a program in paragraph (e)(3)(i) of this section is equivalent to at least the definition of an academic year in §668.3.

(f) For a for-profit foreign medical, veterinary, or nursing school—

(1) No portion of an eligible medical or veterinary program offered may be at what would be an undergraduate level in the United States; and

(2) The title IV, HEA program eligibility does not extend to any joint degree program.

(g) Proof that a foreign institution meets the requirements of paragraph (1)(iii) of the definition of a foreign institution in §600.52 may be provided to the Secretary by a legal authorization from the appropriate education ministry, council, or equivalent agency—

(1) For all eligible foreign institutions in the country;

(2) For all eligible foreign institutions in a jurisdiction within the country; or

(3) For each separate eligible foreign institution in the country.

§ 600.55 Additional criteria for determining whether a foreign graduate medical school is eligible to apply to participate in the Direct Loan Program.

(a) General. (1) The Secretary considers a foreign graduate medical school to be eligible to apply to participate in the title IV, HEA programs if, in addition to satisfying the criteria of this part (except the criterion in §600.54 that the institution be public or private nonprofit), the school satisfies the criteria of this section.

(2) A foreign graduate medical school must provide, and in the normal course require its students to complete, a program of clinical training and classroom medical instruction of not less than 32 months in length, that is supervised closely by members of the school’s faculty and that—

(ii) Is approved by all medical licensing boards and evaluating bodies whose views are considered relevant by the Secretary; and

(iii) As part of its clinical training, does not offer more than two electives consisting of no more than eight weeks per student at a site located in a foreign country other than the country in which the main campus is located or in the United States, unless that location is included in the accreditation of a medical program accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA).

(3) A foreign graduate medical school must appoint for the program described in paragraph (a)(2) of this section only those faculty members whose academic credentials are the equivalent of credentials required of faculty members teaching the same or similar courses at medical schools in the United States.

(4) A foreign graduate medical school must have graduated classes during each of the two twelve-month periods immediately preceding the date the Secretary receives the school’s request for an eligibility determination.

(b) Accreditation. A foreign graduate medical school must—

(1) Be approved by an accrediting body—

(i) That is legally authorized to evaluate the quality of graduate medical school educational programs and facilities in the country where the school is located; and

(ii) Whose standards of accreditation of graduate medical schools have been evaluated by the NCFMEA or its successor committee of medical experts and have been determined to be comparable to standards of accreditation applied to medical schools in the United States; or

(2) Be a public or private nonprofit educational institution that satisfies the requirements in §600.4(a)(5)(1).

(c) Admission criteria. (1) A foreign graduate medical school having a post-baccalaureate/equivalent medical program must require students accepted
for admission who are U.S. citizens, nationals, or permanent residents to have taken the Medical College Admission Test (MCAT) and to have reported their scores to the foreign graduate medical school; and

(d) Collection and submission of data.
(1) A foreign graduate medical school must obtain, at its own expense, and submit, by the date required by paragraph (d)(3) of this section—

(i) To its accrediting authority and, on request, to the Secretary, the scores on the MCAT or successor examination, of all students admitted during the preceding calendar year who are U.S. citizens, nationals, or eligible permanent residents, together with a statement of the number of times each student took the examination;

(ii) To its accrediting authority and, on request, to the Secretary, the percentage of students graduating during the preceding calendar year (including at least all graduates who are U.S. citizens, nationals, or eligible permanent residents) who obtain placement in an accredited U.S. medical residency program;

(iii) To the Secretary, except as provided for in paragraph (d)(2) of this section, all scores, disaggregated by step/test—i.e., Step 1, Step 2—Clinical Skills (Step 2-CS), and Step 2—Clinical Knowledge (Step 2-CK), or the successor examinations—and attempt, earned during the preceding calendar year by each student and graduate, on Step 1, Step 2-CS, and Step 2-CK, or the successor examinations, of the U.S. Medical Licensing Examination (USMLE), together with the dates the student has taken each test, including any failed tests;

(iv) To the Secretary, a statement of its citizenship rate for the preceding calendar year for a school that is subject to paragraph (f)(1)(i)(A) of this section, together with a description of the methodology used in deriving the rate that is acceptable to the Secretary.

(2) In lieu of submitting the information required in paragraph (d)(1)(iii) of this section to the Secretary, a foreign graduate medical school that is not subject to paragraph (f)(4) of this section may agree to allow the Educational Commission for Foreign Medical Graduates (ECFMG) or other responsible third party to calculate the rate described in paragraph (f)(1)(ii) and (f)(3) of this section for the preceding calendar year and provide the rate directly to the Secretary on the school’s behalf with a copy to the foreign graduate medical school, provided—

(i) The foreign graduate medical school has provided by April 30 to the Secretary written consent acceptable to the Secretary to reliance by the Secretary on the pass rate as calculated by the ECFMG or other designated third party for purposes of determining compliance with paragraph (f)(1)(ii) and (f)(3) of this section for the preceding calendar year; and

(ii) The foreign graduate medical school agrees in its written consent that for the preceding calendar year the rate as calculated by the ECFMG or other designated third party will be conclusive for purposes of determining compliance with paragraph (f)(1)(ii) and (f)(3) of this section.

(3) A foreign graduate medical school must submit the data it collects in accordance with paragraph (d)(1) of this section no later than April 30 of each year, unless the Secretary specifies a different date through a notice in the Federal Register.

(e) Requirements for clinical training.
(1)(i) A foreign graduate medical school must have—

(iii) An officer, employee, or contractor of a lender, guarantor, or servicer of FFEL Program loans or private education loans from serving on a board of directors, or serving as a trustee, of an institution, if the institution has a written conflict of interest policy that the board member or trustee must recuse themselves from any decision regarding FFEL Program loans or private education loans at the institution;

§ 602.17 Application of standards in reaching an accrediting decision.

The agency must have effective mechanisms for evaluating an institution’s or program’s compliance with the agency’s standards before reaching a decision to accredit or preaccredit the institution or program. The agency meets this requirement if the agency demonstrates that it—

(a) Evaluates whether an institution or program—

(1) Maintains clearly specified educational objectives that are consistent with its mission and appropriate in light of the degrees or certificates awarded;

(2) Is successful in achieving its stated objectives; and

(3) Maintains degree and certificate requirements that at least conform to commonly accepted standards;

(f) Provides the institution or program with a detailed written report that assesses—

(1) The institution’s or program’s compliance with the agency’s standards, including areas needing improvement; and

(2) The institution’s or program’s performance with respect to student achievement; and
§ 602.18 Ensuring consistency in decision-making.

The agency must consistently apply and enforce standards that respect the stated mission of the institution, including religious mission, and that ensure that the education or training offered by an institution or program, including any offered through distance education or correspondence education, is of sufficient quality to achieve its stated objective for the duration of any accreditation or preaccreditation period granted by the agency. The agency meets this requirement if the agency—

(a) Has written specification of the requirements for accreditation and preaccreditation that include clear standards for an institution or program to be accredited;

(b) Has effective controls against the inconsistent application of the agency’s standards;

(c) Bases decisions regarding accreditation and preaccreditation on the agency’s published standards;

(d) Has a reasonable basis for determining that the information the agency relies on for making accrediting decisions is accurate; and

(Authority: 20 U.S.C. 1099b)

§ 602.19 Monitoring and reevaluation of accredited institutions and programs.

(a) The agency must reevaluate, at regularly established intervals, the institutions or programs it has accredited or preaccredited.

(b) The agency must demonstrate it has, and effectively applies, a set of monitoring and evaluation approaches that enables the agency to identify problems with an institution’s or program’s continued compliance with agency standards and that takes into account institutional or program strengths and stability. These approaches must include periodic reports, and collection and analysis of key data and indicators, identified by the agency, including, but not limited to, fiscal information and measures of student achievement, consistent with the provisions of § 602.16(f). This provision does not require institutions or programs to provide annual reports on each specific accreditation criterion.

(c) Each agency must monitor overall growth of the institutions or programs it accredits and, at least annually, collect headcount enrollment data from those institutions or programs.

(d) Institutional accrediting agencies must monitor the growth of programs at institutions experiencing significant enrollment growth, as reasonably defined by the agency.

(e) Any agency that has notified the Secretary of a change in its scope in accordance with § 602.27(a)(5) must monitor the headcount enrollment of each institution it has accredited that offers distance education or correspondence education. If any such institution has experienced an increase in headcount enrollment of 50 percent or more within one institutional fiscal
year, the agency must report that information to the Secretary within 30 days of acquiring such data.

(Authority: 20 U.S.C. 1099b)

602.20 Enforcement of standards.

(a) If the agency’s review of an institution or program under any standard indicates that the institution or program is not in compliance with that standard, the agency must—

(1) Immediately initiate adverse action against the institution or program; or

(2) Require the institution or program to take appropriate action to bring itself into compliance with the agency’s standards within a time period that must not exceed—

(ii) Eighteen months, if the program, or the longest program offered by the institution, is at least one year, but less than two years, in length; or

(iii) Two years, if the program, or the longest program offered by the institution, is at least two years in length.

(b) If the institution or program does not bring itself into compliance within the specified period, the agency must take immediate adverse action unless the agency, for good cause, extends the period for achieving compliance.

602.21 Review of standards.

(a) The agency must maintain a systematic program of review that demonstrates that its standards are adequate to evaluate the quality of the education or training provided by the institutions and programs it accredits and relevant to the educational or training needs of students—

(1) Is comprehensive;

(2) Occurs at regular, yet reasonable, intervals or on an ongoing basis;

(3) Examines each of the agency’s standards and the standards as a whole; and

(4) Involves all of the agency’s relevant constituencies in the review and affords them a meaningful opportunity to provide input into the review.

(c) If the agency determines, at any point during its systematic program of review, that it needs to make changes to its standards, the agency must—

(1) Provide notice to all of the agency’s relevant constituencies, and other parties who have made their interest known to the agency, of the changes the agency proposes to make;

(2) Give the constituencies and other interested parties adequate opportunity to comment on the proposed changes; and

(3) Take into account any comments on the proposed changes submitted timely by the relevant constituencies and by other interested parties.

(Authority: 20 U.S.C. 1099b)

602.22 Substantive change.

(a) If the agency accredits institutions, it must maintain adequate substantive change policies that ensure that any substantive change to the educational mission, program, or programs of an institution after the agency has accredited or preaccredited the institution does not adversely affect the capacity of the institution to continue to meet the agency’s standards. The agency meets this requirement if—

(1) The agency requires the institution to obtain the agency’s approval of the substantive change before the agency includes the change in the scope of accreditation or preaccreditation it previously granted to the institution; and

(2) The agency’s definition of substantive change includes at least the following types of change:

(i) Any change in the established mission or objectives of the institution.
(ii) Any change in the legal status, form of control, or ownership of the institution.

(viii)(A) If the agency’s accreditation of an institution enables it to seek eligibility to participate in title IV, HEA programs, the establishment of an additional location at which the institution offers at least 50 percent of an educational program. The addition of such a location must be approved by the agency in accordance with paragraph (c) of this section unless the accrediting agency determines, and issues a written determination stating that the institution has—

(1) Successfully completed at least one cycle of accreditation of maximum length offered by the agency and one renewal, or has been accredited for at least ten years;

(2) At least three additional locations that the agency has approved; and

(b) The agency may determine the procedures it uses to grant prior approval of the substantive change. However, these procedures must specify an effective date, which is not retroactive, on which the change is included in the
§ 602.23 Operating procedures all agencies must have.

(2) The procedures that institutions or programs must follow in applying for accreditation or preaccreditation;

(c) The accrediting agency must—

(1) Review in a timely, fair, and equitable manner any complaint it receives against an accredited institution or program that is related to the agency’s standards or procedures. The agency may not complete its review and make a decision regarding a complaint unless, in accordance with published procedures, it ensures that the institution

(2) An effective mechanism for conducting, at reasonable intervals, visits to a representative sample of additional locations; and

(3) An effective mechanism, which may, at the agency’s discretion, include visits to additional locations, for ensuring that accredited and preaccredited institutions that experience rapid growth in the number of additional locations maintain educational quality.

(d) The purpose of the visits described in paragraph (c) of this section is to verify that the additional location has the personnel, facilities, and resources it claimed to have in its application to the agency for approval of the additional location.

§ 602.24 Additional procedures certain institutional accreditors must have.

If the agency is an institutional accrediting agency and its accreditation or preaccreditation enables those institutions to obtain eligibility to participate in Title IV, HEA programs, the agency must demonstrate that it has established and uses all of the following procedures:
(a) Branch campus. (1) The agency must require the institution to notify the agency if it plans to establish a branch campus and to submit a business plan for the branch campus that describes—

(i) The educational program to be offered at the branch campus; 
(ii) The projected revenues and expenditures and cash flow at the branch campus; and 
(iii) The operation, management, and physical resources at the branch campus. 
(2) The agency may extend accreditation to the branch campus only after it evaluates the business plan and takes whatever other actions it deems necessary to determine that the branch campus has sufficient educational, financial, operational, management, and physical resources to meet the agency’s standards.

(3) The agency must undertake a site visit to the branch campus as soon as practicable, but no later than six months after the establishment of that campus.

(b) Change in ownership. The agency must undertake a site visit to an institution that has undergone a change of ownership that resulted in a change of control as soon as practicable, but no later than six months after the change of ownership.

(c) Teach-out plans and agreements. (1) The agency must require an institution it accredits or preaccredits to submit a teach-out plan to the agency for approval upon the occurrence of any of the following events:

(i) The Secretary notifies the agency that the Secretary has initiated an emergency action against an institution, in accordance with section 487(c)(1)(G) of the HEA, or an action to limit, suspend, or terminate an institution participating in any title IV, HEA program, in accordance with section 487(c)(1)(F) of the HEA, and that a teach-out plan is required. 
(ii) The agency acts to withdraw, terminate, or suspend the accreditation or preaccreditation of the institution. 
(iii) The institution notifies the agency that it intends to cease operations entirely or close a location that provides one hundred percent of at least one program.
(iv) A State licensing or authorizing agency notifies the agency that an institution’s license or legal authorization to provide an educational program has been or will be revoked.

(2) The agency must evaluate the teach-out plan to ensure it provides for the equitable treatment of students under criteria established by the agency, specifies additional charges, if any, and provides for notification to the students of any additional charges.

(3) If the agency approves a teach-out plan that includes a program that is accredited by another recognized accrediting agency, it must notify that accrediting agency of its approval.

(4) The agency may require an institution it accredits or preaccredits to enter into a teach-out agreement as part of its teach-out plan.

(5) The agency must require an institution it accredits or preaccredits that enters into a teach-out agreement, either on its own or at the request of the agency, to submit that teach-out agreement for approval. The agency may approve the teach-out agreement only if the agreement is between institutions that are accredited or preaccredited by a nationally recognized accrediting agency, is consistent with applicable standards and regulations, and provides for the equitable treatment of students by ensuring that—

(i) The teach-out institution has the necessary experience, resources, and support services to—

(A) Provide an educational program that is of acceptable quality and reasonably similar in content, structure, and scheduling to that provided by the institution that is ceasing operations either entirely or at one of its locations; and

(B) Remain stable, carry out its mission, and meet all obligations to existing students; and

(ii) The teach-out institution demonstrates that it can provide students access to the program and services without requiring them to move or travel substantial distances and that it will provide students with information about additional charges, if any.

(d) Closed institution. If an institution the agency accredits or preaccredits closes without a teach-out plan or agreement, the agency must work with the Department and the appropriate State agency, to the extent feasible, to assist students in finding reasonable opportunities to complete their education without additional charges.

(e) Transfer of credit policies. The accrediting agency must confirm, as part of its review for initial accreditation or preaccreditation, or renewal of accreditation, that the institution has transfer of credit policies that—

(1) Are publicly disclosed in accordance with §606.43(a)(11); and

(2) Include a statement of the criteria established by the institution regarding the transfer of credit earned at another institution of higher education.

(f) Credit-hour policies. The accrediting agency, as part of its review for initial accreditation or preaccreditation or renewal of accreditation, must conduct an effective review and evaluation of the reliability and accuracy of the institution’s assignment of credit hours.

(1) The accrediting agency meets this requirement if—

(i) It reviews the institution’s—

(A) Policies and procedures for determining the credit hours, as defined in 34 CFR 600.2, that the institution awards for courses and programs; and

(B) The application of the institution’s policies and procedures to its programs and coursework; and

(ii) Makes a reasonable determination of whether the institution’s assignment of credit hours conforms to commonly accepted practice in higher education.

(2) In reviewing and evaluating an institution’s policies and procedures for determining credit hour assignments, an accrediting agency may use sampling or other methods in the evaluation, sufficient to comply with paragraph (f)(1)(i)(B) of this section.

(3) The accrediting agency must take such actions that it deems appropriate to address any deficiencies that it identifies at an institution as part of its reviews and evaluations under paragraph (f)(1)(i) and (ii) of this section, as it does in relation to other deficiencies it may identify, subject to the requirements of this part.

(4) If, following the institutional review process under this paragraph (f),
§ 602.25 Due process.

The agency must demonstrate that the procedures it uses throughout the accrediting process satisfy due process. The agency meets this requirement if the agency does the following:

(a) Provides adequate written specification of its requirements, including clear standards, for an institution or program to be accredited or preaccredited.

(b) Uses procedures that afford an institution or program a reasonable period of time to comply with the agency’s requests for information and documents.

(c) Provides written specification of any deficiencies identified at the institution or program examined.

(d) Provides sufficient opportunity for a written response by an institution or program regarding any deficiencies identified by the agency, to be considered by the agency within a timeframe determined by the agency, and before any adverse action is taken.

(e) Notifies the institution or program in writing of any deficiencies identified at the institution or program examined.

(f) Provides an opportunity, upon written request of an institution or program, for the institution or program to appeal any adverse action prior to the action becoming final.

(i) The appeal must take place at a hearing before an appeals panel that—

(1) May not include current members of the agency’s decision-making body that took the initial adverse action;

(2) Is subject to a conflict of interest policy;

(ii) Does not serve only an advisory or procedural role, and has and uses the authority to make the following decisions: to affirm, amend, or reverse adverse actions of the original decision-making body; and

(iv) Affirms, amends, reverses, or remands the adverse action. A decision to affirm, amend, or reverse the adverse action is implemented by the appeals panel or by the original decision-making body, at the agency’s option. In a decision to remand the adverse action to the original decision-making body for further consideration, the appeals panel must identify specific issues that the original decision-making body must address. In a decision that is implemented by or remanded to the original decision-making body, that body must act in a manner consistent with the appeals panel’s decisions or instructions.

(2) The agency must recognize the right of the institution or program to employ counsel to represent the institution or program during its appeal, including to make any presentation that the agency permits the institution or program to make on its own during the appeal.

(g) The agency notifies the institution or program in writing of the result of its appeal and the basis for that result.

(h)(1) The agency must provide for a process, in accordance with written procedures, through which an institution or program may, before the agency reaches a final adverse action decision, seek review of new financial information if all of the following conditions are met:

(i) The financial information was unavailable to the institution or program until after the decision subject to appeal was made.

(ii) The financial information is significant and bears materially on the financial deficiencies identified by the agency. The criteria of significance and materiality are determined by the agency.

(iii) The only remaining deficiency cited by the agency in support of a final adverse action decision is the institution’s or program’s failure to meet an agency standard pertaining to finances.
(2) An institution or program may seek the review of new financial information described in paragraph (h)(1) of this section only once and any determination by the agency made with respect to that review does not provide a basis for an appeal.

(d) For any decision listed in paragraph (b)(2) of this section, makes available to the Secretary, the appropriate State licensing or authorizing agency, and the public, no later than 60 days after the decision, a brief statement summarizing the reasons for the agency’s decision and the official comments that the affected institution or program may wish to make with regard to that decision, or evidence that the affected institution has been offered the opportunity to provide official comment;

(e) Notifies the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and, upon request, the public if an accredited or preaccredited institution or program—

(1) Decides to withdraw voluntarily from accreditation or preaccreditation, within 30 days of receiving notification from the institution or program that it is withdrawing voluntarily from accreditation or preaccreditation; or

(2) Lets its accreditation or preaccreditation lapse, within 30 days of the date on which accreditation or preaccreditation lapses.

(2) A copy, updated annually, of its directory of accredited and preaccredited institutions and programs;

(3) A summary of the agency’s major accrediting activities during the previous year (an annual data summary), if requested by the Secretary to carry out the Secretary’s responsibilities related to this part;

(4) Any proposed change in the agency’s policies, procedures, or accreditation or preaccreditation standards that might alter its—
(i) Scope of recognition, except as provided in paragraph (a)(5) of this section; or

(ii) Compliance with the criteria for recognition;

(5) Notification that the agency has expanded its scope of recognition to include distance education or correspondence education as provided in section 496(a)(4)(B)(i)(I) of the HEA. Such an expansion of scope is effective on the date the Department receives the notification;

(6) The name of any institution or program it accredits that the agency has reason to believe is failing to meet its title IV, HEA program responsibilities or is engaged in fraud or abuse, along with the agency’s reasons for concern about the institution or program; and

§ 602.28 Regard for decisions of States and other accrediting agencies.

(a) If the agency is an institutional accrediting agency, it may not accredit or preaccredit institutions that lack legal authorization under applicable State law to provide a program of education beyond the secondary level.

(b) Except as provided in paragraph (c) of this section, the agency may not grant initial or renewed accreditation or preaccreditation to an institution, or a program offered by an institution, if the agency knows, or has reasonable cause to know, that the institution is the subject of—

(2) A decision by a recognized agency to deny accreditation or preaccreditation;

(3) A pending or final action brought by a recognized accrediting agency to suspend, revoke, withdraw, or terminate the institution’s accreditation or preaccreditation; or

(4) Probation or an equivalent status imposed by a recognized agency.

(c) The agency may grant accreditation or preaccreditation to an institution or program described in paragraph (b) of this section only if it provides to the Secretary, within 30 days of its action, a thorough and reasonable explanation, consistent with its standards, why the action of the other body does not preclude the agency’s grant of accreditation or preaccreditation.

(d) If the agency learns that an institution it accredits or preaccredits, or an institution that offers a program it accredits or preaccredits, is the subject of an adverse action by another recognized accrediting agency or has been placed on probation or an equivalent status by another recognized agency, the agency must promptly review its accreditation or preaccreditation of the institution or program to determine if it should also take adverse action or place the institution or program on probation or show cause.

(e) The agency must, upon request, share with other appropriate recognized accrediting agencies and recognized State approval agencies information about the accreditation or preaccreditation status of an institution or program and any adverse actions it has taken against an accredited or preaccredited institution or program.

Subpart C—The Recognition Process

§ 602.30 Activities covered by recognition procedures.

Recognition proceedings are administrative actions taken on any of the following matters:

(a) Applications for initial or continued recognition submitted under §602.31(a).

(b) Applications for an expansion of scope submitted under §602.31(b).

(c) Compliance reports submitted under §602.31(c).

(d) Reviews of agencies that have expanded their scope of recognition by notice, following receipt by the Department of information of an increase in headcount enrollment described in §602.19(e).

(e) Staff analyses identifying areas of non-compliance based on a review conducted under §602.33.

(Authority: 20 U.S.C. 1099b)

§ 602.31 Agency submissions to the Department.

(a) Applications for recognition or renewal of recognition. An accrediting agency seeking initial or continued recognition must submit a written application to the Secretary. Each accrediting agency must submit an application for continued recognition at least once every five years, or within a shorter time period specified in the final recognition decision. The application must consist of—

(1) A statement of the agency’s requested scope of recognition;

(2) Evidence, including documentation, that the agency complies with the criteria for recognition listed in subpart B of this part and effectively applies those criteria; and

(3) Evidence, including documentation, of how an agency that includes or seeks to include distance education or correspondence education in its scope of recognition applies its standards in evaluating programs and institutions it accredits that offer distance education or correspondence education.

(b) Applications for expansions of scope. An agency seeking an expansion of scope by application must submit a written application to the Secretary. The application must—

(1) Specify the scope requested;

(2) Include documentation of experience in accordance with §602.12(b); and

(3) Provide copies of any relevant standards, policies, or procedures developed and applied by the agency and documentation of the application of these standards, policies, or procedures.

(c) Compliance reports. If an agency is required to submit a compliance report, it must do so within 30 days following the end of the period for achieving compliance as specified in the decision of the senior Department official or Secretary, as applicable.

(d) Review following an increase in headcount enrollment. If an agency that has notified the Secretary in writing of its change in scope to include distance education or correspondence education in accordance with §602.27(a)(5) reports an increase in headcount enrollment in accordance with §602.19(e) for an institution it accredits, or if the Department notifies the agency of such an increase at one of the agency’s accredited institutions, the agency must, within 45 days of reporting the increase or receiving notice of the increase from the Department, as applicable, submit a report explaining—

(1) How the agency evaluates the capacity of the institutions or programs it accredits to accommodate significant growth in enrollment and to maintain educational quality;

(2) The specific circumstances regarding the growth at the institution(s) or programs(s) that triggered the review and the results of any evaluation conducted by the agency; and

(3) Any other information that the agency deems appropriate to demonstrate the effective application of the criteria for recognition or that the Department may require.
(e) Consent to sharing of information. By submitting an application for recognition, the agency authorizes Department staff throughout the application process and during any period of recognition—

(1) To observe its site visits to one or more of the institutions or programs it accredits or preaccredits, on an announced or unannounced basis;

(2) To visit locations where agency activities such as training, review and evaluation panel meetings, and decision meetings take place, on an announced or unannounced basis;

(3) To obtain copies of all documents the staff deems necessary to complete its review of the agency; and

(4) To gain access to agency records, personnel, and facilities.

(f) Public availability of agency records obtained by the Department. (1) The Secretary’s processing and decision making on requests for public disclosure of agency materials reviewed under this part are governed by the Freedom of Information Act, 5 U.S.C. 552; the Trade Secrets Act, 18 U.S.C. 1905; the Privacy Act of 1974, as amended, 5 U.S.C. 552a; the Federal Advisory Committee Act, 5 U.S.C. Appdx. 1; and all other applicable laws. In recognition proceedings, agencies may—

(i) Redact information that would identify individuals or institutions that is not essential to the Department’s review of the agency;

(ii) Make a good faith effort to designate all business information within agency submissions that the agency believes would be exempt from disclosure under exemption 4 of the Freedom of Information Act (FOIA), 5 U.S.C. 552(b)(4). A blanket designation of all information contained within a submission, or of a category of documents, as meeting this exemption will not be considered a good faith effort and will be disregarded;

(iii) Identify any other material the agency believes would be exempt from public disclosure under FOIA, the factual basis for the request, and any legal basis the agency has identified for withholding the document from disclosure; and

(iv) Ensure documents submitted are only those required for Department review or as requested by Department officials.

(2) The Secretary processes FOIA requests in accordance with 34 CFR part 5 and makes all documents provided to the Advisory Committee available to the public.

(Authority: 20 U.S.C. 1099b)
(3) Review of complaints or legal actions involving the agency.

(c) The Department staff analyzes the materials submitted in support of an application for expansion of scope to ensure that the agency has the requisite experience, policies that comply with subpart B of this part, capacity, and performance record to support the request.

(d) Department staff’s evaluation of an agency may also include a review of information directly related to institutions or programs accredited or preaccredited by the agency relative to their compliance with the agency’s standards, the effectiveness of the standards, and the agency’s application of those standards.

(e) If, at any point in its evaluation of an agency seeking initial recognition, Department staff determines that the agency fails to demonstrate compliance with the basic eligibility requirements in §§602.10 through 602.13, the staff—

(1) Returns the agency’s application and provides the agency with an explanation of the deficiencies that caused staff to take that action; and

(2) Recommends that the agency withdraw its application and reapply when the agency can demonstrate compliance.

(f) Except with respect to an application that has been returned or is withdrawn under paragraph (e) of this section, when Department staff completes its evaluation of the agency, the staff—

(1) Prepares a written draft analysis of the agency;

(2) Sends the draft analysis including any identified areas of non-compliance and a proposed recognition recommendation, and all supporting documentation, including all third-party comments the Department received by the established deadline, to the agency;

(3) Invites the agency to provide a written response to the draft analysis and proposed recognition recommendation and third-party comments, specifying a deadline that provides at least 30 days for the agency’s response;

(4) Reviews the response to the draft analysis the agency submits, if any, and prepares the written final analysis. The final analysis includes a recognition recommendation to the senior Department official, as the Department staff deems appropriate, including, but not limited to, a recommendation to approve, deny, limit, suspend, or terminate recognition, require the submission of a compliance report and continue recognition pending a final decision on compliance, approve or deny a request for expansion of scope, or revise or affirm the scope of the agency; and

(g) The agency may request that the Advisory Committee defer acting on an application at that Advisory Committee meeting if Department staff fails to provide the agency with the materials described, and within the timeframes provided, in paragraphs (f)(3) and (f)(5) of this section. If the Department staff’s failure to send the materials in accordance with the time-frame described in paragraph (f)(3) or (f)(5) of this section is due to the failure of the agency to submit reports to the Department, other information the Secretary requested, or its response to the draft analysis, by the deadline established by the Secretary, the agency forfeits its right to request a deferral of its application.

(Authority: 20 U.S.C. 1099b)

§ 602.33 Procedures for review of agencies during the period of recognition.

(a) Department staff may review the compliance of a recognized agency with the criteria for recognition at any time—

(1) At the request of the Advisory Committee; or

(2) Based on any information that, as determined by Department staff, appears credible and raises issues relevant to recognition.

(b) The review may include, but need not be limited to, any of the activities described in §602.32(b) and (d).

(5) Any agency response to third-party comments; and

(6) Any other information Department staff relied upon in developing its analysis.

(d) At least 30 days before the Advisory Committee meeting, the Department publishes a notice in the Federal Register inviting interested parties, including those who submitted third-party comments concerning the agency’s compliance with any public comment received; and

(5) Provides to the agency, no later than seven days before the Advisory Committee meeting, the final staff analysis and a recognition recommendation and any other information provided to the Advisory Committee under §602.34(c).

(f) The Advisory Committee reviews the matter in accordance with §602.34.

the criteria for recognition, to make oral presentations before the Advisory Committee.

(e) The Advisory Committee considers the materials provided under paragraph (c) of this section in a public meeting and invites Department staff, the agency, and other interested parties to make oral presentations during the meeting. A transcript is made of all Advisory Committee meetings.

(f) The written motion adopted by the Advisory Committee regarding each agency’s recognition will be made available during the Advisory Committee meeting. The Department will provide each agency, upon request, with a copy of the motion on recognition at the meeting. Each agency that was reviewed will be sent an electronic copy of the motion relative to that agency as soon as practicable after the meeting.

(g) After each meeting of the Advisory Committee at which a review of agencies occurs, the Advisory Committee forwards to the senior Department official its recommendation with respect to each agency, which may include, but is not limited to, a recommendation to approve, deny, limit, suspend, or terminate recognition, to grant or deny a request for expansion of scope, to revise or affirm the scope of the agency, or to require the agency to submit a compliance report and to continue recognition pending a final decision on compliance.

(Authority: 20 U.S.C. 1099b)

§ 602.35 Responding to the Advisory Committee’s recommendation.

(b) Comments must be limited to—

(1) Any Advisory Committee recommendation that the agency or Department staff believes is not supported by the record;

(2) Any incomplete Advisory Committee recommendation based on the agency’s application; and

(3) The inclusion of any recommendation or draft proposed decision for the senior Department official’s consideration.

(c)(1) Neither the Department staff nor the agency may submit additional documentary evidence with its comments unless the Advisory Committee’s recognition recommendation proposes finding the agency noncompliant with, or ineffective in its application of, a criterion or criteria for recognition not identified in the final Department staff analysis provided to the Advisory Committee.

(2) Within ten days of receipt by the Department staff of an agency’s comments or new evidence, if applicable, or of receipt by the agency of the Department staff’s comments, Department staff, the agency, or both, as applicable, may submit a response to the senior Department official. Simultaneously with submission, the agency must provide a copy of any response to the Department staff. Simultaneously with submission, Department staff must provide a copy of any response to the agency.

§ 602.36 Senior Department official’s decision.

(a) The senior Department official makes a decision regarding recognition of an agency based on the record compiled under §§ 602.32, 602.33, 602.34, and 602.35 including, as applicable, the following:

(1) The materials provided to the Advisory Committee under § 602.34(c).

(2) The transcript of the Advisory Committee meeting.

(3) The recommendation of the Advisory Committee.

(4) Written comments and responses submitted under §602.35.

(5) New evidence submitted in accordance with §602.35(c)(1).

(6) A communication from the Secretary referring an issue to the senior Department official’s consideration under §602.37(e).
§ 602.36  
(b) In the event that statutory authority or appropriations for the Advisory Committee ends, or there are fewer duly appointed Advisory Committee members than needed to constitute a quorum, and under extraordinary circumstances when there are serious concerns about an agency’s compliance with subpart B of this part that require prompt attention, the senior Department official may make a decision in a recognition proceeding based on the record compiled under § 602.32 or § 602.33 after providing the agency with an opportunity to respond to the final staff analysis. Any decision made by the senior Department official absent a recommendation from the Advisory Committee may be appealed to the Secretary as provided in § 602.37.

(c) Following consideration of an agency’s recognition under this section, the senior Department official issues a recognition decision.

(d) Except with respect to decisions made under paragraph (f) or (g) of this section and matters referred to the senior Department official under § 602.37(e) or (f), the senior Department official notifies the agency in writing of the senior Department official’s decision regarding the agency’s recognition within 90 days of the Advisory Committee meeting or conclusion of the review under paragraph (b) of this section.

(e) The senior Department official’s decision may include, but is not limited to, approving, denying, limiting, suspending, or terminating recognition, granting or denying an application for an expansion of scope, revising or affirming the scope of the agency, or continuing recognition pending submission and review of a compliance report under §§ 602.32 and 602.34 and review of the report by the senior Department official under this section.

(i) The senior Department official approves recognition if the agency complies with the criteria for recognition listed in subpart B of this part and if the agency effectively applies those criteria.

(ii) If the senior Department official approves recognition, the recognition decision defines the scope of recognition and the recognition period. The recognition period does not exceed five years, including any time during which recognition was continued to permit submission and review of a compliance report.

(iii) If the scope or period of recognition is less than that requested by the agency, the senior Department official explains the reasons for approving a lesser scope or recognition period.

(2)(i) Except as provided in paragraph (e)(3) of this section, if the agency either fails to comply with the criteria for recognition listed in subpart B of this part, or to apply those criteria effectively, the senior Department official denies, limits, suspends, or terminates recognition.

(ii) If the senior Department official denies, limits, suspends, or terminates recognition, the senior Department official specifies the reasons for this decision, including all criteria the agency fails to meet and all criteria the agency has failed to apply effectively.

(3)(i) Except as provided in paragraph (e)(3)(ii) of this section, if a recognized agency fails to demonstrate compliance with or effective application of a criterion or criteria, the senior Department official concludes that the agency will demonstrate or achieve compliance with the criteria for recognition and effective application of those criteria within 12 months or less, the senior Department official may continue the agency’s recognition, pending submission by the agency of a compliance report, review of the report under §§ 602.32 and 602.34, and review of the report by the senior Department official under this section. In such a case, the senior Department official specifies the criteria the compliance report must address, and a time period, not longer than 12 months, during which the agency must achieve compliance and effectively apply the criteria. The compliance report documenting compliance and effective application of criteria is due not later than 30 days after the end of the period specified in the senior Department official’s decision.

(ii) If the record includes a compliance report, and the senior Department official determines that an agency has not complied with the criteria for recognition, or has not effectively applied those criteria, during the time period
specified by the senior Department official in accordance with paragraph (e)(3)(i) of this section, the senior Department official denies, limits, suspends, or terminates recognition, except, in extraordinary circumstances, upon a showing of good cause for an extension of time as determined by the senior Department official and detailed in the senior Department official’s decision. If the senior Department official determines good cause for an extension has been shown, the senior Department official specifies the length of the extension and what the agency must do during it to merit a renewal of recognition.

(f) If the senior Department official determines, based on the record, that a decision to deny, limit, suspend, or terminate an agency’s recognition may be warranted based on a finding that the agency is noncompliant with, or ineffective in its application of, a criterion or criteria of recognition not identified earlier in the proceedings as an area of noncompliance, the senior Department official provides—

(1) The agency with an opportunity to submit a written response and documentary evidence addressing the finding; and

(2) The staff with an opportunity to present its analysis in writing.

(g) If relevant and material information pertaining to an agency’s compliance with recognition criteria, but not contained in the record, comes to the senior Department official’s attention while a decision regarding the agency’s recognition is pending before the senior Department official, and if the senior Department official concludes the recognition decision should not be made without consideration of the information, the senior Department official either—

(1)(i) Does not make a decision regarding recognition of the agency; and

(ii) Refers the matter to Department staff for review and analysis under §602.32 or §602.33, as appropriate, and consideration by the Advisory Committee under §602.34; or

(2)(i) Provides the information to the agency and Department staff;

(ii) Permits the agency to respond to the senior Department official and the Department staff in writing, and to include additional evidence relevant to the issue, and specifies a deadline;

(iii) Provides Department staff with an opportunity to respond in writing to the agency’s submission under paragraph (g)(2)(ii) of this section, specifying a deadline; and

(iv) Issues a recognition decision based on the record described in paragraph (a) of this section, as supplemented by the information provided under this paragraph.

(h) No agency may submit information to the senior Department official, or ask others to submit information on its behalf, for purposes of invoking paragraph (g) of this section. Before invoking paragraph (g) of this section, the senior Department official will take into account whether the information, if submitted by a third party, could have been submitted in accordance with §602.32(a) or §602.33(e)(2).

(i) If the senior Department official does not reach a final decision to approve, deny, limit, suspend, or terminate an agency’s recognition before the expiration of its recognition period, the senior Department official automatically extends the recognition period until a final decision is reached.

(j) Unless appealed in accordance with §602.37, the senior Department official’s decision is the final decision of the Secretary.

(Authority: 20 U.S.C. 1099b)

APPEAL RIGHTS AND PROCEDURES

§ 602.37 Appealing the senior Department official’s decision to the Secretary.

(a) The agency may appeal the senior Department official’s decision to the Secretary. Such appeal stays the decision of the senior Department official until final disposition of the appeal. If an agency wishes to appeal, the agency must—

(1) Notify the Secretary and the senior Department official in writing of its intent to appeal the decision of the senior Department official, no later than ten days after receipt of the decision;

(2) Submit its appeal to the Secretary in writing no later than 30 days after receipt of the decision; and
§ 602.38 Contesting the Secretary's final decision to deny, limit, suspend, or terminate an agency's recognition.

An agency may contest the Secretary’s decision under this part in the Federal courts as a final decision in accordance with applicable Federal law.
Unless otherwise directed by the court, a decision of the Secretary to deny, limit, suspend, or terminate the agency’s recognition is not stayed during an appeal in the Federal courts.

§ 603.24 Criteria for State agencies.

The following are the criteria which the Secretary will utilize in designating a State agency as a reliable authority to assess the quality of public postsecondary vocational education in its respective State.

(a) Functional aspects. The functional aspects of the State agency must be shown by:

(1) Its scope of operations. The agency:

(i) Is statewide in the scope of its operations and is legally authorized to approve public postsecondary vocational institutions or programs;

(ii) Clearly sets forth the scope of its objectives and activities, both as to kinds and levels of public postsecondary vocational institutions or programs;

(ii) Clearly sets forth the scope of its objectives and activities, both as to kinds and levels of public postsecondary vocational institutions or programs;

(2) Its organization. The State agency:

(i) Employs qualified personnel and uses sound procedures to carry out its operations in a timely and effective manner;

(ii) Receives adequate and timely financial support, as shown by its appropriations, to carry out its operations;

(iii) Selects competent and knowledgeable persons, qualified by experience and training, and selects such persons in accordance with nondiscriminatory practices, (A) to participate on visiting teams, (B) to engage in consultative services for the evaluation and approval process, and (C) to serve on decision-making bodies.

(3) Its procedures. The State agency:

(i) Maintains clear definitions of approval status and has developed written procedures for granting, reaffirming, revoking, denying, and reinstating approval status;

(ii) Requires, as an integral part of the approval and reapproval process, institutional or program self-analysis and onsite reviews by visiting teams, and provides written and consultative guidance to institutions or programs and visiting teams.

(A) Self-analysis shall be a qualitative assessment of the strengths and limitations of the instructional program, including the achievement of institutional or program objectives, and should involve a representative portion of the institution’s administrative staff, teaching faculty, students, governing body, and other appropriate constituencies.

(B) The visiting team, which includes qualified examiners other than agency staff, reviews instructional content, methods and resources, administrative management, student services, and facilities. It prepares written reports and recommendations for use by the State agency.

(iii) Reevaluates at reasonable and regularly scheduled intervals institutions or programs which it has approved.

(b) Responsibility and reliability. The responsibility and reliability of the State agency will be demonstrated by:

(1) Its responsiveness to the public interest. The State agency:

(i) Has an advisory body which provides for representation from public employment services and employers, employees, postsecondary vocational educators, students, and the general public, including minority groups. Among its functions, this structure provides counsel to the State agency relating to the development of standards, operating procedures and policy, and interprets the educational needs and manpower projections of the State’s public postsecondary vocational education system;

(ii) Demonstrates that the advisory body makes a real and meaningful contribution to the approval process;

(iii) Provides advance public notice of proposed or revised standards or regulations through its regular channels of communications, supplemented, if necessary, with direct communication to inform interested members of the affected community. In addition, it provides such persons the opportunity to
comment on the standards or regulations prior to their adoption;
   (iv) Secures sufficient qualitative information regarding the applicant institution or program to enable the institution or program to demonstrate that it has an ongoing program of evaluation of outputs consistent with its educational goals;
   (v) Encourages experimental and innovative programs to the extent that these are conceived and implemented in a manner which ensures the quality and integrity of the institution or program;
   (vi) Demonstrates that it approves only those institutions or programs which meet its published standards; that its standards, policies, and procedures are fairly applied; and that its evaluations are conducted and decisions are rendered under conditions that assure an impartial and objective judgment;
   (vii) Regularly reviews its standards, policies and procedures in order that the evaluative process shall support constructive analysis, emphasize factors of critical importance, and reflect the educational and training needs of the student;
   (viii) Performs no function that would be inconsistent with the formation of an independent judgment of the quality of an educational institution or program;
   (ix) Has written procedures for the review of complaints pertaining to institutional or program quality as these relate to the agency's standards, and demonstrates that such procedures are adequate to provide timely treatment of such complaints in a manner fair and equitable to the complainant and to the institution or program;
   (x) Annually makes available to the public (A) its policies for approval, (B) reports of its operations, and (C) list of institutions or programs which it has approved;
   (xi) Requires each approved school or program to report on changes instituted to determine continued compliance with standards or regulations;
   (xii) Confers regularly with counterpart agencies that have similar responsibilities in other and neighboring States about methods and techniques that may be used to meet those responsibilities.

(2) Its assurances that due process is accorded to institutions or programs seeking approval. The State agency:
   (i) Provides for adequate discussion during the on-site visit between the visiting team and the faculty, administrative staff, students, and other appropriate persons;
   (ii) Furnishes as a result of the evaluation visit, a written report to the institution or program commenting on areas of strength, areas needing improvement, and, when appropriate, suggesting means of improvement and including specific areas, if any, where the institution or program may not be in compliance with the agency's standards;
   (iii) Provides the chief executive officer of the institution or program with opportunity to comment upon the written report and to file supplemental materials pertinent to the facts and conclusions in the written report of the visiting team before the agency takes action on the report;
   (iv) Provides the chief executive officer of the institution with a specific statement of reasons for any adverse action, and notice of the right to appeal such action before an appeal body designated for that purpose;
   (v) Publishes rules of procedure regarding appeals;
   (vi) Continues the approval status of the institution or program pending disposition of an appeal;
   (vii) Furnishes the chief executive officer of the institution or program with a written decision of the appeal body, including a statement of its reasons therefor.

(c) Credit-hour policies. The State agency, as part of its review of an institution for initial approval or renewal of approval, must conduct an effective review and evaluation of the reliability and accuracy of the institution's assignment of credit hours.
   (1) The State agency meets this requirement if—
      (i) It reviews the institution's—
         (A) Policies and procedures for determining the credit hours, as defined in 34 CFR 600.2, that the institution awards for courses and programs; and

255
(B) The application of the institution’s policies and procedures to its programs and coursework; and

(ii) Makes a reasonable determination of whether the institution’s assignment of credit hours conforms to commonly accepted practice in higher education.

(2) In reviewing and evaluating an institution’s policies and procedures for determining credit hour assignments, a State agency may use sampling or other methods in the evaluation, sufficient to comply with paragraph (c)(1)(i)(B) of this section.

(3) The State agency must take such actions that it deems appropriate to address any deficiencies that it identifies at an institution as part of its reviews and evaluations under paragraph (c)(1)(i) and (ii) of this section, as it does in relation to other deficiencies it may identify, subject to the requirements of this part.

(4) If, following the institutional review process under this paragraph (c), the agency finds systemic noncompliance with the agency’s policies or significant noncompliance regarding one or more programs at the institution, the agency must promptly notify the Secretary.

(d) Capacity to foster ethical practices. The State agency must demonstrate its capability and willingness to foster ethical practices by showing that it:

(i) Promotes a well-defined set of ethical standards governing institutional or programmatic practices, including recruitment, advertising, transcripts, fair and equitable student tuition refunds, and student placement services;

(ii) Maintains appropriate review in relation to the ethical practices of each approved institution or program.

Subpart A—General

§ 606.1 What is the Developing Hispanic-Serving Institutions Program?

The purpose of the Developing Hispanic-Serving Institutions Program is to provide grants to eligible institutions of higher education to—

(a) Expand educational opportunities for, and improve the academic attainment of, Hispanic students; and

(b) Expand and enhance the academic offerings, program quality, and institutional stability of colleges and universities that are educating the majority of Hispanic college students and helping large numbers of Hispanic students and other low-income individuals complete postsecondary degrees.

(Authority: 20 U.S.C. 1101)

§ 606.2 What institutions are eligible to receive a grant under the Developing Hispanic-Serving Institutions Program?

(a) An institution of higher education is eligible to receive a grant under this part if—

(1) At the time of application, it has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students;

(2) It provides assurances that not less than 50 percent of its Hispanic students are low-income individuals;

(3) It has an enrollment of needy students as described in § 606.3(a), unless the Secretary waives this requirement under § 606.3(b); and

(4) It has low average educational and general expenditures per full-time student.
equivalent undergraduate student as described in §606.4(a), unless the Secretary waives this requirement under §606.4(c);

(5) It is legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor’s degree; and

(6) It is accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered.

(b) A branch campus of a Hispanic-Serving institution is eligible to receive a grant under this part if—

(1) The institution as a whole meets the requirements of paragraphs (a)(3) through (a)(6) of this section; and

(2) The branch campus satisfies the requirements of paragraphs (a)(1) through (a)(4) of this section.

(c)(1) An institution that receives a grant under the Strengthening Institutions Program (34 CFR part 607) or the Strengthening Historically Black Colleges and Universities Program (34 CFR part 608) for a particular fiscal year is not eligible to receive a grant under this part for that same fiscal year, and may not relinquish its grant under those programs to secure a grant under this part.

(2) A Hispanic-Serving institution under this part may not concurrently receive grant funds under the Strengthening Institutions Program, Strengthening Historically Black Colleges and Universities Program, or Strengthening Historically Black Graduate Institutions Program.

(3) The institution substantially increases the higher education opportunities for low-income students who are also educationally disadvantaged, underrepresented in postsecondary education, or minority students;

(4) The institution substantially increases the higher education opportunities for individuals who reside in an area that is not included in a "metropolitan statistical area" as defined by the Office of Management and Budget and who are unserved by other postsecondary institutions; or

(5) The institution will, if granted the waiver, substantially increase the higher education opportunities for Hispanic Americans.

(c) For the purpose of paragraph (b) of this section, the Secretary considers “low-income” to be an amount which does not exceed 150 percent of the amount equal to the poverty level as established by the United States Bureau of the Census.

(d) Each year, the Secretary notifies prospective applicants of the low-income figures through a notice published in the Federal Register.

(Authority: 20 U.S.C. 1101a and 1103a)
§ 606.4 What are low educational and general expenditures?

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of §606.2(a)(2), an applicant institution’s average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student in that year of comparable institutions that offer similar instruction.

(b) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution’s failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those criteria, distorted that determination; and

(2) The institution’s designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors may distort an institution’s educational and general expenditures per full-time equivalent undergraduate student—

(1) Low student enrollment;
(2) Location of the institution in an unusually high cost-of-living area;
(3) High energy costs;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

(5) Operation of high cost professional schools such as medical or dental schools.

(Authority: 20 U.S.C. 1101a and 1103)

§ 606.5 How does an institution apply to be designated an eligible institution?

(a) An institution applies to the Secretary to be designated an eligible institution under this part by first submitting an application to the Secretary in the form, manner, and time established by the Secretary. The application must contain—

(Authority: 20 U.S.C. 1057)

(50 FR 41921, Aug. 15, 1994)

§ 607.2 What institutions are eligible to receive a grant under the Strengthening Institutions Program?

(a) Except as provided in paragraphs (b) and (c) of this section, an institution of higher education is eligible to receive a grant under the Strengthening Institutions Program if—

(1) It has an enrollment of needy students as described in §607.3(a), unless the Secretary waives this requirement under §607.4(c);

(2) It is legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor’s degree; and

(2) A tribal college or university that receives a grant under section 316 of the HEA or an Alaska Native or Native Hawaiian-serving institution that receives a grant under section 317 of the HEA may not concurrently receive other grant funds under the Strengthening Institutions Program, Strengthening Historically Black Colleges and Universities Program, or Strengthening Historically Black Graduate Institutions Program.

(Authority: 20 U.S.C. 1057 et seq.)

§ 607.3 What is an enrollment of needy students?

(a) Except as provided in paragraph (b) of this section, for the purpose of §607.2(a)(1), an applicant institution has an enrollment of needy students if in the base year—

(1) At least 50 percent of its degree students received student financial assistance under one or more of the following programs: Pell Grant, Supplemental Educational Opportunity Grant, College Work-Study, and Perkins Loan; or

(2) The percentage of its undergraduate degree students who were enrolled on at least a half-time basis and received Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Pell Grants at comparable institutions that offer similar instruction.

(b) The Secretary may waive the requirement contained in paragraph (a) of this section if the institution demonstrates that—

(1) The State provides more than 30 percent of the institution’s budget and the institution charges not more than $99.00 for tuition and fees for an academic year;

(2) At least 30 percent of the students served by the institution in the base year were students from low-income families;

(3) The institution substantially increases the higher education opportunities for low-income students who are also educationally disadvantaged, underrepresented in postsecondary education, or minority students;

(4) The institution substantially increases the higher education opportunities for individuals who reside in an area that is not included in a “metropolitan statistical area” as defined by the Office of Management and Budget and who are unserved by other postsecondary institutions;

(5) The institution is located on or within 50 miles of an Indian reservation, or a substantial population of Indians and the institution will, if granted the waiver, substantially increase higher education opportunities for American Indians;

(6) It is a tribal college or university; or

(7) The institution will, if granted the waiver, substantially increase the higher education opportunities for Black Americans, Hispanic Americans, Native Americans, Asian Americans or Pacific Islanders, including Native Hawaiians.

(c) For the purpose of paragraph (b) of this section, the Secretary considers “low-income” to be an amount which does not exceed 150 percent of the amount equal to the poverty level as established by the United States Bureau of the Census.

(d) Each year, the Secretary notifies prospective applicants through a notice in the Federal Register of the low-income figures.

(Authority: 20 U.S.C. 1058 and 1067)

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of § 6072(a)(2), an applicant institution’s average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student of comparable institutions that offer similar instruction in that year.

(2) For the purpose of paragraph (a)(1) of this section, the Secretary determines the average educational and general expenditure per FTE undergraduate student for institutions with graduate students that do not differentiate between graduate and undergraduate E&G expenditures by discounting the graduate enrollment using a factor of 2.5 times the number of graduate students.

(b) Each year, the Secretary notifies prospective applicants through a notice in the Federal Register of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution’s failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those criteria, distorted that determination; and

(2) The institution’s designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors may distort an institution’s educational and general expenditures per full-time equivalent undergraduate student—

(1) Low student enrollment;

(2) Location of the institution in an unusually high cost-of-living area;

(3) High energy costs;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

(5) Operation of high cost professional schools such as medical or dental schools.

(d) Interest. In accordance with 31 U.S.C. 3717 and 34 CFR part 30, the Secretary charges interest on the unpaid balance that the scholarship recipient owes. However, except as provided in §611.44(d), the Secretary does not charge interest for the period of time that precedes the date on which the scholarship recipient is required to begin repayment.

(e) Failure to meet requirements. A scholarship recipient’s failure to satisfy the requirements of §§611.42–611.48 in a timely manner results in the recipient being—
   (1) In non-compliance with the terms of the scholarship;
   (2) Liable for repayment of the scholarship and accrued interest; and
   (3) Subject to collection action.

(f) Action by reason of default. set forth in paragraphs (a)(1) through (a)(5) of this section.

(1) In measuring an applicant’s dollar increase in its endowment and quasi-endowment funds, the Secretary—

(i) Subtracts from an amount equal to the market value of the applicant’s endowment and quasi-endowment funds at the end of the four-year period described in paragraph (a) of this section an amount equal to the market value of the applicant’s endowment and quasi-endowment funds at the beginning of that four-year period; and

(ii) Divides the result obtained in paragraph (a)(1)(i) of this section by the applicant’s full-time equivalent enrollment at the end of the four-year period.

(2) The Secretary awards points on a sliding scale giving 10 points to applicants with the highest dollar increase as calculated in paragraph (a)(1) of this section and no points to applicants with the lowest dollar increase.

(3) In measuring an applicant’s relative increase in market value of its endowment and quasi-endowment funds, the Secretary—

(i) Divides an amount equal to the market value of the applicant’s endowment and quasi-endowment funds at the beginning of the four-year period described in paragraph (a) of this section by the applicant’s full-time equivalent enrollment at the end of the four-year period.

(4)(i) If the amount of endowment per full-time equivalent student under paragraph (a)(3)(i) of this section is $50 or more, the Secretary awards points on a sliding scale giving 15 points to applicants with a relative increase of 100 percent or more and no points to applicants that have had a relative decrease of more than 20 percent.

(ii) If the amount of endowment per full-time equivalent student under paragraph (a)(3)(i) of this section is less than $50, the Secretary awards points on a sliding scale giving 15 points to applicants with a relative increase of 100 percent or more and no points to applicants that have had no relative increase.

(5) In measuring the applicant’s past effort, the Secretary—

(i) Excludes real estate from being considered as part of the applicant’s existing endowment or quasi-endowment fund; and

(ii) Includes an endowment or quasi-endowment fund operated by a foundation if the foundation is tax-exempt and was established for the purpose of raising money for the institution.

(2) If an applicant is applying for an endowment challenge grant for the first time, the Secretary multiplies the maximum number of points (i.e., 15 points) on this criterion times the following fraction:

\[
\frac{\text{Amount of matching funds proposed from nongovernmental sources}}{\text{Total proposed amount of matching funds}}
\]

(3) If an applicant has previously received an endowment challenge grant, the Secretary uses the following formula in awarding points under this criterion:

Subpart B—What Types of Projects and Activities Does the Secretary Assist Under This Program?

Source: 75 FR 65771, Oct. 26, 2010, unless otherwise noted.
§ 642.20 How does the Secretary evaluate an application for a new award?

(a) The Secretary evaluates an application on the basis of the criteria in §642.21.

(1) The Secretary awards up to 75 points for these criteria.

(2) The maximum possible score for each complete criterion is indicated in the parentheses next to the heading of that criterion.

(b) In addition, for an applicant who is conducting a Training program in the fiscal year immediately prior to the fiscal year for which the applicant is applying, the Secretary evaluates the applicant’s prior experience (PE) of high quality service delivery, as provided in §642.22, based on the applicant’s performance during the first project year of that expiring Training program grant.

(c) The Secretary selects applications for funding within each specific absolute priority established for the competition in rank order on the basis of the score received by the application in the peer review process.

(d) Within each specific absolute priority, if there are insufficient funds to fund all applications at the next peer review score, the Secretary adds the PE points awarded under §642.22 to the peer review score to determine an adjusted total score for those applications. The Secretary makes awards at the next peer review score to the applications that have the highest total adjusted score.

(e) In the event a tie score still exists, the Secretary will select for funding the applicant that has the greatest capacity to provide training to eligible participants in all regions of the Nation, consistent with §642.23.

(Authority: 20 U.S.C. 1070d, 1070d-1d)

How does the Secretary evaluate prior experience?

(a) In the case of an application described in §642.20(b), the Secretary—

(1) Evaluates the applicant’s performance under its expiring Training program grant;

(2) To determine the number of PE points to be awarded, uses the approved project objectives for the applicant’s expiring Training program grant and the information the applicant submitted in its annual performance report (APR); and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicate the APR data used to calculate PE are incorrect.

(b)(1) The Secretary may add from 1 to 15 points to the point score obtained on the basis of the selection criteria in §642.21, based on the applicant’s success in meeting the administrative requirements and programmatic objectives of paragraph (e) of this section.

(2) The maximum possible score for each criterion is indicated in the parentheses preceding the criterion.

(c) The Secretary awards no PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(d) For the criterion specified in paragraph (e)(1) of this section (Number of participants), the Secretary awards no PE points if the applicant did not serve at least the approved number of participants.

(e) The Secretary evaluates the applicant’s PE on the basis of the following criteria:

(1) (4 points) **Number of participants.** Whether the applicant provided training to no less than the approved number of participants.

(2) **Training objectives.** Whether the applicant met or exceeded its objectives for:
(i) (4 points) Assisting the participants in developing increased qualifications and skills to meet the needs of disadvantaged students.

§642.25 What is the review process for unsuccessful applicants?

(a) Technical or administrative error for applications not reviewed. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(1) The applicant has met all of the application submission requirements included in the Federal Register notice inviting applications and the other
§ 642.25

published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant’s eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department’s agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) Administrative or scoring error for applications that were reviewed. (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department’s agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) Procedures for the second review. (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.
(2) After the competition, the Secretary makes new awards in rank order as described in §642.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers' evaluations of the applicant's application and the applicant's PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to a designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department’s agent or the peer reviewer made an administrative error that relates to the peer reviewers’ score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant’s peer reviewers’ score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(v)(III) of the HEA.

(10) The average of the peer reviewers’ scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) Process for establishing a funding band. (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

§ 643.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) Need for the project (24 points). The Secretary evaluates the need for a Talent Search project in the proposed target area on the basis of the extent to which the application contains clear evidence of the following:

(i) A high number or high percentage of the following—

(1) Low-income families residing in the target area; or

(ii) Students attending the target schools who are eligible for free or reduced priced lunch as described in sections 9(b)(1) and 17(c)(4) of the Richard B. Russell National School Lunch Act.

§ 643.21  

(4) (6 points) Low postsecondary enrollment and completion rates among individuals in the target area and schools as evidenced by—

(i) Low rates of enrollment in programs of postsecondary education by graduates of the target schools in the most recent year for which data are available; and

(ii) A high number or high percentage of individuals residing in the target area with education completion levels below the baccalaureate degree level.

(5) (2 points) The extent to which the target secondary schools do not offer their students the courses or academic support to complete a rigorous secondary school program of study or have low participation or low success by low-income or first generation students in such courses.

(6) (6 points) Other indicators of need for a TS project, including low academic achievement and low standardized test scores of students enrolled in the target schools, a high ratio of students to school counselors in the target schools, and the presence of unaddressed academic or socio-economic problems of eligible individuals, including foster care youth and homeless children and youth in the target schools or the target area.

(b) Objectives (8 points). The Secretary evaluates the quality of the applicant's objectives and proposed targets (percentages) in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project's plan of operation, budget, and other resources:

(1) (2 points) Secondary school persistence.

(2) (2 points) Secondary school graduation (regular secondary school diploma).

(3) (1 point) Secondary school graduation (rigorous secondary school program of study).

(6) (2 points) The plan to follow former participants as they enter, continue in, and complete postsecondary education.

(d) Applicant and community support (16 points). The Secretary evaluates the applicant and community support for the proposed project on the basis of the extent to which the applicant has made provision for resources to supplement the grant and enhance the project's services, including—

(1) (8 points) Facilities, equipment, supplies, personnel, and other resources committed by the applicant; and

(2) (8 points) Resources secured through written commitments from community partners.

§ 643.22 How does the Secretary evaluate prior experience?

(a) In the case of an application described in §643.20(a)(2)(i), the Secretary—

(1) Evaluates the applicant’s performance under its expiring Talent Search project;

(2) Uses the approved project objectives for the applicant’s expiring Talent Search grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award any PE points for the criterion specified in paragraph (d)(1) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

(d) For purposes of the evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant’s PE on the basis of the following outcome criteria:

(1) (3 points) Number of participants. Whether the applicant provided services to no less than the approved number of participants.

(2) (3 points) Secondary school persistence. Whether the applicant met or exceeded its objective regarding the continued secondary school enrollment of participants.

(3) (3 points) Secondary school graduation (regular secondary school diploma). Whether the applicant met or exceeded its objective regarding the graduation of participants served during the project year from secondary school with a regular secondary school diploma in the standard number of years.
§ 643.23 How does the Secretary set
the amount of a grant?

a grant on the basis of—

(1) 34 CFR 75.232 and 75.233, for new
grants; and

§ 643.24 What is the review process for
unsuccessful applicants?

(a) Technical or administrative error for
applications not reviewed. (1) An appli-
cant whose grant application was not
evaluated during the competition may
request that the Secretary review the
application if—

(i) The applicant has met all applica-
tion submission requirements included
in the Federal Register notice invit-
ing applications and the other pub-

competition; and

(ii) The applicant provides evidence
demonstrating that the Department or
an agent of the Department made a
technical or administrative error in
the processing of the submitted appli-
cation.

(2) A technical or administrative
error in the processing of an applica-
tion includes—

electronic submission of applications
that was not addressed in accordance

Federal Register notice inviting appli-

materials for the competition.

(3)(i) If the Secretary determines
that the Department or the Depart-
ment’s agent made a technical or ad-

the application evaluated and scored.

(ii) If the total score assigned the ap-

eration, which may include, but is not
limited to—

(A) An incorrect conclusion that the
application was submitted by an ineli-
gible applicant;

(B) An incorrect conclusion that the
application exceeded the published
page limit;

(C) An incorrect conclusion that the
applicant requested funding greater
than the published maximum award; or

(D) An incorrect conclusion that the
application was missing critical sec-
tions of the application; and

(iii) Any other mishandling of the ap-
plication that resulted in an otherwise
eligible application not being reviewed
during the competition.

(3)(v) If the Secretary determines
that the Department or the Depart-
ment’s agent made a technical or ad-
ministrative error, the Secretary has
the application evaluated and scored.

(ii) If the total score assigned the ap-
plication would have resulted in fund-
ing of the application during the com-
petition and the program has funds
available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) Administrative or scoring error for applications that were reviewed. (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department’s agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) Procedures for the second review. (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in §643.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers’ evaluations of the applicant’s application and the applicant’s PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department’s agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary’s written notification.

(6) An applicant’s written request for a second review must be received by the Department or submitted electronically to the designated e-mail or

   (2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.
   (3) The funding band is composed of those applications—
      (i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and
      (ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

§ 644.22 How does the Secretary evaluate prior experience?

(a) In the case of an application described in §644.20(a)(2)(i), the Secretary—

(1) Evaluates the applicant’s performance under its expiring Educational Opportunity Centers project;

(2) Uses the approved project objectives for the applicant’s expiring Educational Opportunity Centers grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE points are incorrect.
§ 644.23 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—

(1) 34 CFR 75.232 and 75.233, for new grants; and

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—

(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a–11)

§ 644.24 What is the review process for unsuccessful applicants?

(a) Technical or administrative error for applications not reviewed. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—

(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition; and

(ii) An error in determining an applicant’s eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or
(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department’s agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) Administrative or scoring error for applications that were reviewed. (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department’s agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the Federal Register notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the Federal Register notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) Procedures for the second review. (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in § 644.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers’ evaluations of the applicant’s application and the applicant’s PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department’s agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as
described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary’s written notification.

(6) An applicant’s written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department’s agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant’s PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department or the Department’s agent or the peer reviewer made an administrative error that relates to the peer reviewers’ score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant’s peer reviewers’ score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers’ scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) Process for establishing a funding band. (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) Final decision. (1) The Secretary’s determination of whether the applicant has met the requirements for a second review and the Secretary’s decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

Subpart D—How Does the Secretary Make a Grant?

§ 645.30 How does the Secretary decide which grants to make?

(a) The Secretary evaluates an application for a grant as follows:

(1)(i) The Secretary evaluates the application on the basis of the selection criteria in §645.31.

(ii) The maximum score for all the criteria in §645.31 is 100 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(2)(i) If an applicant for a new grant proposes to continue to serve substantially the same target population and schools that the applicant is serving under an expiring project, the Secretary evaluates the applicant’s prior experience of high quality service delivery under the expiring Upward Bound project on the basis of the outcome criteria in §645.32.

(ii) The maximum total score for all the criteria in §645.32 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(iii) The Secretary evaluates the PE of an applicant for each of the three project years that the Secretary designates in the Federal Register notice inviting applications and the other published application materials for the competition.

(iv) An applicant may earn up to 15 PE points for each of the designated project years for which annual performance report data are available.

(v) The final PE score is the average of the scores for the three project years assessed.

(b) The Secretary makes grants in rank order on the basis of the application’s total scores under paragraphs (a)(1) and (a)(2) of this section.

(c) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of higher-ranked applications, the Secretary uses whatever remaining funds are available to serve geographic areas that have been underserved by the Upward Bound Program.

(d) The Secretary does not make a new grant to an applicant if the applicant’s prior project involved the fraudulent use of program funds.

(Authority: 20 U.S.C. 1070a–11, 1070a–13)

§ 645.31 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a grant:

(a) **Need for the project** (24 points). In determining need for an Upward Bound project, the Secretary reviews each type of project (Regular, Math and Science, or Veterans) using different need criteria. The criteria for each type of project contain the same maximum score of 24 points and read as follows:

1. The Secretary evaluates the need for a Regular Upward Bound project in the proposed target area on the basis of information contained in the application which clearly demonstrates that—
   i. The income level of families in the target area is low;
   ii. The education attainment level of adults in the target area is low;
   iii. Target high school dropout rates are high;
   iv. College-going rates in target high schools are low;
   v. Student/counselor ratios in the target high schools are high;
   vi. Unaddressed academic, social and economic conditions in the target area pose serious problems for low-income, potentially first-generation college students.

2. The Secretary evaluates the need for an Upward Bound Math and Science Center in the proposed target area on the basis of—
   i. The extent to which student performance on standardized achievement and assessment tests in mathematics and science in the target area is lower than State or national norms;
   ii. The extent to which potential participants attend schools in the target area that lack the resources and coursework that would help prepare persons for entry into postsecondary programs in mathematics, science, or engineering;
   iii. The extent to which such indicators as attendance data, dropout rates, college-going rates and student/counselor ratios in the target area indicate the importance of having additional educational opportunities available to low-income, first-generation students; and
   iv. The extent to which there are eligible students in the target area who have demonstrated interest and capacity to pursue academic programs and careers in mathematics and science, and who could benefit from an Upward Bound Math and Science program.

3. The Secretary evaluates the need for a Veterans Upward Bound project in the proposed target area on the basis of clear evidence that shows—
   i. The proposed target area lacks the services for eligible veterans that the applicant proposes to provide;
   ii. A large number of veterans who reside in the target area are low income and potential first generation college students;
   iii. A large number of veterans who reside in the target area who have not completed high school or, have completed high school but have not enrolled in a program of postsecondary education; and
   iv. Other indicators of need for a Veterans Upward Bound project, including the presence of unaddressed academic or socio-economic problems of veterans in the area.

(b) **Objectives** (9 points). The Secretary evaluates the quality of the applicant’s objectives and proposed targets (percentages) in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project’s plan of operation, budget, and other resources:

1. For Regular Upward Bound and Upward Bound Math and Science Centers—
   i. (1 point) Academic performance (GPA);
   ii. (1 point) Academic performance (standardized test scores);
   iii. (2 points) Secondary school retention and graduation (with regular secondary school diploma);
   iv. (1 point) Completion of rigorous secondary school program of study;
   v. (3 points) Postsecondary enrollment; and
   vi. (1 point) Postsecondary completion.

2. For Veterans Upward Bound—
   i. (2 points) Academic performance (standardized test scores);
Ofc. of Postsecondary Educ., Education § 645.31

(ii) (3 points) Education program retention and completion;
(iii) (3 points) Postsecondary enrollment; and
(iv) (1 point) Postsecondary completion.

d) Plan of operation (30 points). The Secretary determines the quality of the applicant’s plan of operation by assessing the quality of—

(1) The plan to inform the faculty and staff at the applicant institution or agency and the interested individuals and organizations throughout the target area of the goals and objectives of the project;
(2) The plan for identifying, recruiting, and selecting participants to be served by the project;
(3) The plan for assessing individual participant needs and for monitoring the academic progress of participants while they are in Upward Bound;
(4) The plan for locating the project within the applicant’s organizational structure;
(5) The curriculum, services and activities that are planned for participants in both the academic year and summer components;
(6) The planned timelines for accomplishing critical elements of the project;
(7) The plan to ensure effective and efficient administration of the project, including, but not limited to, financial management, student records management, and personnel management;
(8) The applicant’s plan to use its resources and personnel to achieve project objectives and to coordinate the Upward Bound project with other projects for disadvantaged students;
(9) The plan to work cooperatively with parents and key administrative, teaching, and counseling personnel at the target schools to achieve project objectives; and
(10) A follow-up plan for tracking graduates of Upward Bound as they enter and continue in postsecondary education.

d) Applicant and community support (16 points). The Secretary evaluates the applicant and community support for the proposed project on the basis of the extent to which—

(1) The applicant is committed to supplementing the project with resources that enhance the project such as: space, furniture and equipment, supplies, and the time and effort of personnel other than those employed in the project.
(2) Resources secured through written commitments from community partners.

(i) An applicant that is an institution of higher education must include in its application commitments from the target schools and community organizations;
(ii) An applicant that is a secondary school must include in its commitments from institutions of higher education, community organizations, and, as appropriate, other secondary schools and the school district;
(iii) An applicant that is a community organization must include in its application commitments from the target schools and institutions of higher education.

e) Quality of personnel (8 points). To determine the quality of personnel the applicant plans to use, the Secretary looks for information that shows—

(1) The qualifications required of the project director, including formal training or work experience in fields related to the objectives of the project and experience in designing, managing, or implementing similar projects;
(2) The qualifications required of each of the other personnel to be used in the project, including formal training or work experience in fields related to the objectives of the project;
(3) The quality of the applicant’s plan for employing personnel who have succeeded in overcoming barriers similar to those confronting the project’s target population.

f) Budget and cost effectiveness (5 points). The Secretary reviews each application to determine the extent to which—

(1) The budget for the project is adequate to support planned project services and activities; and
(2) Costs are reasonable in relation to the objectives and scope of the project.

(g) Evaluation plan (8 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant’s methods of evaluation—
§ 645.32 How does the Secretary evaluate prior experience?

(a) In the case of an application described in §645.30(a)(2)(i), the Secretary—

(1) Evaluates the applicant’s performance under its expiring Upward Bound project;

(2) Uses the approved project objectives for the applicant’s expiring Upward Bound grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and

(3) May adjust a calculated PE score or decide not to award any PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE points are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award PE points for the criteria specified in paragraphs (e)(1)(i) and (e)(2)(i) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

(d) The Secretary uses the approved number of participants, or the actual number of participants served in a given year if greater than the approved number of participants, as the denominator for calculating whether the applicant has met its approved objectives related to the following PE criteria:

(i) Regular Upward Bound and Upward Bound Math and Science Centers PE criteria in paragraph (e)(1)(ii) of this section (Academic performance) and paragraph (e)(1)(iii) of this section (Secondary school retention and graduation).

(ii) Veterans Upward Bound PE criteria in paragraph (e)(2)(iii) of this section (Education program retention and completion).

(e) For purposes of the PE evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant’s PE on the basis of the following outcome criteria:

(1) Regular Upward Bound and Upward Bound Math and Science Centers.

(ii) Number of participants. Whether the applicant provided services to no less than the approved number of participants.

(A) (1.5 points) Whether the applicant met or exceeded its approved objective with regard to participants served during the project year who had a cumulative GPA at the end of the school year that was not less than the GPA specified in the approved objective.

(B) (1.5 points) Whether the applicant met or exceeded its approved objective with regard to participants served during the project period who met the academic performance levels on standardized tests as specified in the approved objectives.

(iii) Secondary school retention and graduation. Whether the applicant met or exceeded its approved objective with regard to participants served during the project year who returned the next school year or graduated from secondary school with a regular secondary school diploma.

(iv) Rigorous secondary school program of study. Whether the applicant met or exceeded its approved objective with regard to current and prior participants with an expected high school graduation date in the school year who completed a rigorous secondary school program of study.

(v) Postsecondary enrollment. Whether the applicant met or exceeded its approved objective with regard current and prior participants with an expected high school graduation date in
§ 645.33 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—
   (1) 34 CFR 75.232 and 75.233, for new grants; and
   (2) 34 CFR 75.253, for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—
   (1) $200,000; or
   (2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a–11)

§ 645.34 How long is a project period?

A project period under the Upward Bound program is five years.

(Authority: 20 U.S.C. 1070a–11)

§ 645.35 What is the review process for unsuccessful applicants?

(a) Technical or administrative error for applications not reviewed. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—
   (i) The applicant has met all of the application submission requirements included in the Federal Register notice inviting applications and the other published application materials for the competition; and
   (ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

   (2) A technical or administrative error in the processing of an application includes—
      (i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the Federal Register notice inviting applications for the competition;
(ii) An error in determining an applicant’s eligibility for funding consideration, which may include, but is not limited to—
   (A) An incorrect conclusion that the application was submitted by an ineligible applicant;
   (B) An incorrect conclusion that the application exceeded the published page limit;
   (C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or
   (D) An incorrect conclusion that the application was missing critical sections of the application; and
   (iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department’s agent made a technical or administrative error, the Secretary has the application evaluated and scored.
   (ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) Administrative or scoring error for applications that were reviewed. (1) An applicant that was not selected for funding during a competition may request a second review of the application if—
   (i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and
   (ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

   (2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

   (i) For PE points, an administrative error includes mathematical errors made by the Department or the Department’s agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.
   (ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—
   (A) Uses criteria not required by the applicable law or program regulations, the Federal Register notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or
   (B) Does not consider relevant information included in the appropriate section of the application.
   (ii) The term “scoring error” does not include—

   (A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;
   (B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the Federal Register notice inviting applications or the other published application materials for the competition; or
   (C) Any error by the applicant.

(c) Procedures for the second review. (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.
   (2) After the competition, the Secretary makes new awards in rank order as described in §645.30 based on the available funds for the competition minus the funds set aside for the second review.
   (3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers’ evaluations of the applicant’s application and the applicant’s PE score, if applicable.
(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department's agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

(6) An applicant's written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department’s agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) Process for establishing a funding band. (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) Final decision. (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the

(4) (2 points) Assured the full cooperation and support of the Admissions, Student Aid, Registrar and data collection and analysis components of the institution.

(e) Quality of personnel (9 points). To determine the quality of personnel the applicant plans to use, the Secretary looks for information that shows—

(1) Evaluates the applicant’s performance under its expiring Student Support Services project;

(2) Uses the approved project objectives for the applicant’s expiring Student Support Services grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of prior PE points; and

(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE points are incorrect.

(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.

(c) The Secretary does not award PE points for the criterion specified in paragraph (e)(1) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.

(d) The Secretary uses the approved number of participants, or the actual number of participants served in a given year if greater than the approved number of participants, as the denominator for calculating whether the applicant has met its approved objectives related to paragraph (e)(2) of this section (Postsecondary retention) and paragraph (e)(3) of this section (Good academic standing).

(e) For purposes of the PE evaluation of grants awarded after January 1, 2009, the Secretary evaluates the applicant’s PE on the basis of the following outcome criteria:

(1) (3 points) Number of participants. Whether the applicant provided services to no less than the approved number of participants.

(2) (4 points) Postsecondary retention. Whether the applicant met or exceeded its objective regarding the participants served during the project year who continue to be enrolled in a program of postsecondary education from one academic year to the beginning of the next academic year or who complete a program of postsecondary education at the grantee institution during the academic year or transfer from a two-year institution to a four-year institution during the academic year.

(4) (4 points) Degree completion (for an applicant institution of higher education offering primarily a baccalaureate or higher degree). Whether the applicant met or exceeded its objective regarding the current and prior participants receiving a baccalaureate degree at the grantee institution within the specified number of years.

(5) Degree completion and transfer (for an applicant institution of higher education offering primarily an associate degree). Whether the applicant met or exceeded its objectives regarding the current and prior participants at the grantee institution who—
(i) (2 points) Complete a degree or certificate within the number of years specified in the approved objective; and
(ii) (2 points) Transfer within the number of years specified in the approved objective to institutions of higher education that offer baccalaureate degrees.

§ 646.23 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—
(1) 34 CFR 75.232 and 75.233, for new grants; and
(2) 34 CFR 75.253, for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—
(1) $200,000; or
(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a–11)

§ 646.24 What is the review process for unsuccessful applicants?

(a) Technical or administrative error for applications not reviewed. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—
(i) The applicant has met all of the application submission requirements included in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition; and
(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—
(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;
(ii) An error in determining an applicant’s eligibility for funding consideration, which may include, but is not limited to—
(A) An incorrect conclusion that the application was submitted by an ineligible applicant;
(B) An incorrect conclusion that the application exceeded the published page limit;
(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or
(D) An incorrect conclusion that the application was missing critical sections of the application; and
(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department’s agent made a technical or administrative error, the Secretary has the application evaluated and scored.
(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) Administrative or scoring error for applications that were reviewed. (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—
(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and
(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.
§ 646.24

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department’s agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition; or

(C) Any error by the applicant.

(c) Procedures for the second review. (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.

(2) After the competition, the Secretary makes new awards in rank order as described in §646.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers’ evaluations of the applicant’s application and the applicant’s PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department’s agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary’s written notification.

(6) An applicant’s written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department’s agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant’s PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department’s agent or the peer reviewer made an administrative error that relates to the peer reviewers’ score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant’s peer
reviewers’ score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

(10) The average of the peer reviewers’ scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) Process for establishing a funding band. (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds that the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and

(ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.

(e) Final decision. (1) The Secretary’s determination of whether the applicant has met the requirements for a second review and the Secretary’s decision on re-scoring of an application are final and not subject to further appeal or challenge.

(2) An application that scored below the established funding band for the competition is not eligible for a second review.

§ 646.32 What other requirements must a grantee meet?

(a) Number of Participants. For each year of the project period, a grantee must serve at least the number of participants that the Secretary identifies in the Federal Register notice inviting applications for a competition. Through this notice, the Secretary also provides the minimum and maximum grant award amounts for the competition.

(b) Eligibility of participants. (1) A grantee shall determine the eligibility of each participant in the project when the individual is selected to participate. The grantee does not have to revalidate a participant’s eligibility after the participant’s initial selection.

(2) A grantee shall determine the low-income status of an individual on the basis of the documentation described in section 402A(e) of the Act.

(c) Recordkeeping. A grantee must maintain participant records that show—

(i) The director is also administering one or two additional programs for disadvantaged students operated by the sponsoring institution or agency; or
(ii) The Secretary grants a waiver of this requirement.

(2) The grantee must give the project director sufficient authority to administer the project effectively.

(3) The Secretary waives the requirements in paragraph (d)(1) of this section if the applicant demonstrates that the project director will be able to effectively administer more than three programs and that this arrangement would promote effective coordination between the program and other Federal TRIO programs (sections 402B through 402F of the HEA) or similar programs funded through other sources.

(e) Project coordination. (1) The Secretary encourages grantees to coordinate project services with other programs for disadvantaged students operated by the grantee institution provided the Student Support Services grant funds are not used to support activities reasonably available to the general student population.

(2) To the extent practical, the grantee may share staff with programs serving similar populations provided the grantee maintains appropriate records of staff time and effort and does not commingle grant funds.

(3) Costs for special classes and events that would benefit Student Support Services students and participants in other programs for disadvantaged students must be proportionately divided among the benefiting projects.

(1) Match the Federal funds used for grant aid, in cash, from non-Federal funds, in an amount that is not less than 33 percent of the total amount of Federal grant funds used for Grant aid; and

(2) Use no more than 20 percent of the Federal program funds awarded the grantee each year for grant aid.

(b) A grant recipient that is an institution of higher education eligible to receive funds under part A or B of title III or title V of the HEA, as amended, is not required to match the Federal funds used for grant aid.

(Authority: 20 U.S.C. 1070a-15)

Subpart C—How Does the Secretary Make a Grant?

§ 647.20 How does the Secretary decide which new grants to make?

(a) The Secretary evaluates an application for a new grant as follows:

(1)(i) The Secretary evaluates an application on the basis of the selection criteria in §647.21.

(ii) The maximum score for all the criteria in §647.21 is 100 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(2)(i) For an application from an applicant who has carried out a McNair project in the fiscal year immediately preceding the fiscal year for which the applicant is applying, the Secretary evaluates the applicant’s prior experience of high quality service delivery on the basis of the outcome criteria in §647.22.

(ii) The maximum total score for all the criteria in §647.22 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(iii) If an applicant described in paragraph (a)(2)(i) of this section applies for more than one new grant in the same fiscal year, the Secretary applies the criteria in §647.22 to a project that seeks to continue support for an existing McNair project on that campus.

(iv) The Secretary evaluates the PE of an applicant for each of the three project years that the Secretary designates in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition.

(v) An applicant may earn up to 15 PE points for each of the designated project years for which annual performance report data are available.

(vi) The final PE score is the average of the scores for the three project years assessed.

(b) The Secretary makes new grants in rank order on the basis of the total scores received by applications under paragraphs (a)(1) through (a)(3) of this section.

(c)(1) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of higher-ranked applications, the Secretary uses the remaining funds to achieve an equitable geographic distribution of all new projects.

(2) In making an equitable geographic distribution of new projects, the Secretary considers only the locations of new projects.

(d) The Secretary does not make a new grant to an applicant if the applicant’s prior project involved the fraudulent use of program funds.

(Authority: 20 U.S.C. 1070a–11 and 1070a–15)

§ 647.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) Need (16 Points). The Secretary reviews each application to determine the extent to which the applicant can clearly and definitively demonstrate the need for a McNair project to serve the target population. In particular, the Secretary looks for information that clearly defines the target population; describes the academic, financial and other problems that prevent potentially eligible project participants in the target population from completing baccalaureate programs and continuing to postbaccalaureate programs; and demonstrates that the project’s target population is underrepresented in graduate education, doctorate degrees conferred and careers where a doctorate is a prerequisite.

(b) Objectives (9 points). The Secretary evaluates the quality of the applicant’s objectives and proposed targets (percentages) in the following areas on the basis of the extent to which they are both ambitious, as related to the need data provided under paragraph (a) of this section, and attainable, given the project’s plan of operation, budget, and other resources:

(1) (2 points) Research or scholarly activity.

(2) (3 points) Enrollment in a graduate program.

(3) (2 points) Continued enrollment in graduate study.

(4) (2 points) Doctoral degree attainment.
(c) **Plan of Operation** (44 points). The Secretary reviews each application to determine the quality of the applicant’s plans of operation, including—

(1) (4 points) The plan for identifying, recruiting and selecting participants to be served by the project, including students enrolled in the Student Support Services program;

(2) (4 points) The plan for assessing individual participant needs and for monitoring the academic growth of participants during the period in which the student is a McNair participant;

(3) (5 points) The plan for providing high quality research and scholarly activities in which participants will be involved;

(4) (5 points) The plan for involving faculty members in the design of research activities in which students will be involved;

(5) (5 points) The plan for providing internships, seminars, and other educational activities designed to prepare undergraduate students for doctoral study;

(6) (5 points) The plan for providing faculty members in the design of research activities in which students will be involved;

(7) (3 points) The plan to inform the institutional community of the goals and objectives of the project;

(8) (8 points) The plan to ensure proper and efficient administration of the project, including, but not limited to matters such as financial management, student records management, personnel management, the organizational structure, and the plan for coordinating the McNair project with other programs for disadvantaged students; and

(9) (5 points) The follow-up plan that will be used to track the academic and career accomplishments of participants after they are no longer participating in the McNair project.

(d) **Quality of key personnel** (9 points). The Secretary evaluates the quality of key personnel the applicant plans to use on the project on the basis of the following:

(1)(i) The job qualifications of the project director.

(ii) The job qualifications of each of the project’s other key personnel.

(iii) The quality of the project’s plan for employing highly qualified persons, including the procedures to be used to employ members of groups underrepresented in higher education, including Blacks, Hispanics, American Indians, Alaska Natives, Asian Americans and Pacific Islanders (including Native Hawaiians).

(2) In evaluating the qualifications of a person, the Secretary considers his or her experience and training in fields related to the objectives of the project.

(e) **Adequacy of the resources and budget** (15 points). The Secretary evaluates the extent to which—

(1) The applicant’s proposed allocation of resources in the budget is clearly related to the objectives of the project;

(2) Project costs and resources, including facilities, equipment, and supplies, are reasonable in relation to the objectives and scope of the project; and

(3) The applicant’s proposed commitment of institutional resources to the McNair participants, as for example, the commitment of time from institutional research faculty and the waiver of tuition and fees for McNair participants engaged in summer research projects.

(f) **Evaluation plan** (7 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant’s methods of evaluation—

(1) Are appropriate to the project’s objectives;

(2) Provide for the applicant to determine, in specific and measurable ways, the success of the project in—

(i) Making progress toward achieving its objectives (a formative evaluation); and

(ii) Achieving its objectives at the end of the project period (a summative evaluation); and

(3) Provide for a description of other project outcomes, including the use of quantifiable measures, if appropriate.

(Authority: 20 U.S.C. 1070a–15)

§ 647.22 How does the Secretary evaluate prior experience?

(a) In the case of an applicant described in §647.20(a)(2)(i), the Secretary—
(1) Evaluates an applicant’s performance under its expiring McNair project;
(2) Uses the approved project objectives for the applicant’s expiring McNair grant and the information the applicant submitted in its annual performance reports (APRs) to determine the number of PE points; and
(3) May adjust a calculated PE score or decide not to award PE points if other information such as audit reports, site visit reports, and project evaluation reports indicates the APR data used to calculate PE are incorrect.
(b) The Secretary does not award PE points for a given year to an applicant that does not serve at least 90 percent of the approved number of participants. For purposes of this section, the approved number of participants is the total number of participants the project would serve as agreed upon by the grantee and the Secretary.
(c) The Secretary does not award any PE points for the criteria specified in paragraph (e)(1) of this section (Number of participants) if the applicant did not serve at least the approved number of participants.
(d) The Secretary uses the approved number of participants, or the actual number of participants served in a given year if greater than the approved number of participants, as the denominator for calculating whether the applicant has met its approved objective related to paragraph (e)(2) of this section (Research and scholarly activities).
(e) For purposes of the PE evaluation of grants awarded after January 1, 2000, the Secretary evaluates the applicant’s PE on the basis of the following outcome criteria:
(1) (3 points) Number of participants. Whether the applicant provided services to no less than the approved number of participants.
(2) (3 points) Research or scholarly activities. Whether the applicant met or exceeded its objective for providing participants served during the project year with appropriate research and scholarly activities each academic year.
(3) (3 points) Graduate school enrollment. Whether the applicant met or exceeded its objective with regard to the acceptance and enrollment in graduate programs of participants served during the project year who complete the baccalaureate program during the academic year.
(4) (4 points) Continued enrollment in graduate school. Whether the applicant met or exceeded its objective with regard to the continued enrollment in graduate school of prior participants.
(5) (2 points) Doctoral degree attainment. Whether the applicant met or exceeded its objective with regard to the attainment of doctoral level degrees of prior participants in the specified number of years.

§ 647.23 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—
(1) 34 CFR 75.232 and 75.233 for new grants; and
(2) 34 CFR 75.253 for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant at the lesser of—
(1) $200,000; or
(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a–11)

§ 647.24 What is the review process for unsuccessful applicants?

(a) Technical or administrative error for applications not reviewed. (1) An applicant whose grant application was not evaluated during the competition may request that the Secretary review the application if—
(1) The applicant has met all of the application submission requirements included in the Federal Register notice inviting applications and the other
§ 647.24

34 CFR Ch. VI (7–1–13 Edition)

published application materials for the competition; and

(ii) The applicant provides evidence demonstrating that the Department or an agent of the Department made a technical or administrative error in the processing of the submitted application.

(2) A technical or administrative error in the processing of an application includes—

(i) A problem with the system for the electronic submission of applications that was not addressed in accordance with the procedures included in the FEDERAL REGISTER notice inviting applications for the competition;

(ii) An error in determining an applicant’s eligibility for funding consideration, which may include, but is not limited to—

(A) An incorrect conclusion that the application was submitted by an ineligible applicant;

(B) An incorrect conclusion that the application exceeded the published page limit;

(C) An incorrect conclusion that the applicant requested funding greater than the published maximum award; or

(D) An incorrect conclusion that the application was missing critical sections of the application; and

(iii) Any other mishandling of the application that resulted in an otherwise eligible application not being reviewed during the competition.

(3)(i) If the Secretary determines that the Department or the Department’s agent made a technical or administrative error, the Secretary has the application evaluated and scored.

(ii) If the total score assigned the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c) of this section.

(b) Administrative or scoring error for applications that were reviewed. (1) An applicant that was not selected for funding during a competition may request that the Secretary conduct a second review of the application if—

(i) The applicant provides evidence demonstrating that the Department, an agent of the Department, or a peer reviewer made an administrative or scoring error in the review of its application; and

(ii) The final score assigned to the application is within the funding band described in paragraph (d) of this section.

(2) An administrative error relates to either the PE points or the scores assigned to the application by the peer reviewers.

(i) For PE points, an administrative error includes mathematical errors made by the Department or the Department’s agent in the calculation of the PE points or a failure to correctly add the earned PE points to the peer reviewer score.

(ii) For the peer review score, an administrative error is applying the wrong peer reviewer scores to an application.

(3)(i) A scoring error relates only to the peer review process and includes errors caused by a reviewer who, in assigning points—

(A) Uses criteria not required by the applicable law or program regulations, the FEDERAL REGISTER notice inviting applications, the other published application materials for the competition, or guidance provided to the peer reviewers by the Secretary; or

(B) Does not consider relevant information included in the appropriate section of the application.

(ii) The term “scoring error” does not include—

(A) A peer reviewer’s appropriate use of his or her professional judgment in evaluating and scoring an application;

(B) Any situation in which the applicant did not include information needed to evaluate its response to a specific selection criterion in the appropriate section of the application as stipulated in the FEDERAL REGISTER notice inviting applications or the other published application materials for the competition;

(C) Any error by the applicant.

(c) Procedures for the second review. (1) To ensure the timely awarding of grants under the competition, the Secretary sets aside a percentage of the funds allotted for the competition to be awarded after the second review is completed.
(2) After the competition, the Secretary makes new awards in rank order as described in §647.20 based on the available funds for the competition minus the funds set aside for the second review.

(3) After the Secretary issues a notification of grant award to successful applicants, the Secretary notifies each unsuccessful applicant in writing as to the status of its application and the funding band for the second review and provides copies of the peer reviewers’ evaluations of the applicant’s application and the applicant’s PE score, if applicable.

(4) An applicant that was not selected for funding following the competition as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates that the Department, the Department’s agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(5) An applicant whose application was not funded after the first review as described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section, may request a second review if the applicant demonstrates the Department, the Department’s agent, or a peer reviewer made an administrative or scoring error as provided in paragraph (b) of this section.

(6) An applicant’s written request for a second review must be received by the Department or submitted electronically to a designated e-mail or Web address by the due date and time established by the Secretary.

(7) If the Secretary determines that the Department or the Department’s agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant’s PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(8) If the Secretary determines that the Department, the Department’s agent or the peer reviewer made an administrative error that relates to the peer reviewers’ score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant’s peer reviewers’ score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.

(9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(v)(III) of the HEA.

(10) The average of the peer reviewers’ scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.

(11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.

(d) Process for establishing a funding band. (1) For each competition, the Secretary establishes a funding band for the second review of applications.

(2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.

(3) The funding band is composed of those applications—

(1) With a rank-order score before the second review that is below the lowest
§ 647.30 What are allowable costs?

Allowable project costs, not specifically covered by 34 CFR part 74, may include the following costs reasonably related to carrying out a McNair project:

For a student enrolled in an eligible program that measures progress in credit hours and uses standard terms (semesters, trimesters, or quarters), or for a student enrolled in an eligible program that measures progress in credit hours and uses non-standard terms that are substantially equal in length, the payment period is the academic term.

(b) Payment periods for an eligible program that measures progress in credit hours and uses nonstandard terms that are not substantially equal in length—

(1) For Pell Grant, ACG, National SMART Grant, FSEOG, Perkins Loan, and TEACH Grant program funds, the payment period is the academic term; and

(2) For FFEL and Direct Loan program funds—

(i) For a student enrolled in an eligible program that is one academic year or less in length—

(A) The first payment period is the period of time in which the student successfully completes half of the number of credit hours in the program and half of the number of weeks of instructional time in the program; and

(B) The second payment period is the period of time in which the student successfully completes the program; and

(ii) For a student enrolled in an eligible program that is more than one academic year in length—

(A) For the first academic year and any subsequent full academic year—

(I) The first payment period is the period of time in which the student successfully completes half of the number of credit hours in the academic year and half of the number of weeks of instructional time in the academic year; and

(2) The second payment period is the period of time in which the student successfully completes the academic year;

(B) For any remaining portion of an eligible program that is more than half an academic year but less than a full academic year in length—

(2) The second payment period is the period of time in which the student successfully completes the remainder of the program; and

(C) For any remaining portion of an eligible program that is not more than half an academic year, the payment period is the remainder of the program.

(2) For a student enrolled in an eligible program that is more than one academic year in length—
   (i) For the first academic year and any subsequent full academic year—
      (A) The first payment period is the period of time in which the student successfully completes half of the number of credit hours or clock hours, as applicable, in the academic year and half of the number of weeks of instructional time in the academic year; and
      (B) The second payment period is the period of time in which the student successfully completes the academic year;
   (ii) For any remaining portion of an eligible program that is more than half an academic year but less than a full academic year in length—

      (B) The second payment period is the period of time in which the student successfully completes the remainder of the program;
   (iii) For any remaining portion of an eligible program that is not more than half an academic year, the payment period is the remainder of the program.
34 CFR 682.604(c)(10) or 34 CFR 685.301(b)(8) applies to an eligible program that measures progress in credit hours and uses nonstandard terms, an eligible program that measures progress in clock hours, the payment period for purposes of FFEL and Direct Loan funds is the loan period for those portions of the program to which 34 CFR 682.604(c)(10) or 34 CFR 685.301(b)(8) applies.

(e) Excused absences. For purposes of this section, in determining whether a student successfully completes the clock hours in a payment period, an institution may include clock hours for which the student has an excused absence (i.e., an absence that a student does not have to make up) if—
   (1) The institution has a written policy that permits excused absences; and
   (2) The number of excused absences under the written policy for purposes of this paragraph (e) does not exceed the lesser of—

      (iii) Ten percent of the clock hours in the payment period.

(f) Re-entry within 180 days. If a student withdraws from a program described in paragraph (c) of this section during a payment period and then reenters the same program within 180 days, the student remains in that same payment period when he or she returns and, subject to conditions established by the Secretary or by the FFEL lender or guaranty agency, is eligible to receive any title IV, HEA program funds for which he or she was eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of §668.22.

(g) Re-entry after 180 days or transfer.
   (1) Except as provided in paragraph (g)(3) of this section, and subject to the conditions of paragraph (g)(2) of this

470
section, an institution calculates new payment periods for the remainder of a student’s program based on paragraph (c) of this section, for a student who withdraws from a program described in paragraph (c) of this section, and—
   (i) Reenters that program after 180 days;
   (ii) Transfers into another program at the same institution within any time period; or
   (iii) Transfers into a program at another institution within any time period.
(2) For a student described in paragraph (g)(1) of this section—
   (i) For the purpose of calculating payment periods only, the length of the program is the number of credit hours and the number of weeks of instructional time, or the number of clock hours and the number of weeks of instructional time, that the student has remaining in the program he or she enters or reenter;
   (ii) If the remaining hours and weeks constitute half of an academic year or less, the remaining hours constitute one payment period.
(3) Notwithstanding the provisions of paragraph (g)(1) of this section, an institution may consider a student who transfers into another program at the same institution to remain in the same payment period if—
   (i) The student is continuously enrolled at the institution;
   (ii) The coursework in the payment period the student is transferring out of is substantially similar to the coursework the student will be taking when he or she first transfers into the new program;
   (iii) The payment periods are substantially equal in length in weeks of instructional time and credit hours or clock hours, as applicable;
   (iv) There are little or no changes in institutional charges associated with the payment period to the student; and
   (v) The credits from the payment period the student is transferring out of are accepted toward the new program.
(h) Definitions. For purposes of this section—
   (1) Terms are substantially equal in length if no term in the program is more than two weeks of instructional time longer than any other term in that program; and
   (2) A student successfully completes credit hours or clock hours if the institution considers the student to have passed the coursework associated with those hours.

§ 668.5 Written arrangements to provide educational programs.
(a) Written arrangements between eligible institutions. (1) Except as provided in paragraph (a)(2) of this section, if an eligible institution enters into a written arrangement with another eligible institution, or with a consortium of eligible institutions, under which the other eligible institution or consortium provides part of the educational program to students enrolled in the first institution, the Secretary considers that educational program to be an eligible program if the educational program offered by the institution that grants the degree or certificate otherwise satisfies the requirements of §668.8.
(2) If the written arrangement is between two or more eligible institutions that are owned or controlled by the same individual, partnership, or corporation, the Secretary considers the educational program to be an eligible program if—
   (i) The educational program offered by the institution that grants the degree or certificate otherwise satisfies the requirements of §668.8; and
   (ii) The institution that grants the degree or certificate provides more than 50 percent of the educational program.
(b) Written arrangements for study abroad. Under a study abroad program, if an eligible institution enters into a written arrangement under which an institution in another country, or an organization acting on behalf of an institution in another country, provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if it otherwise satisfies the requirements of paragraphs (c)(1) through (c)(3) of this section.
(c) Written arrangements between an eligible institution and an ineligible institution or organization. If an eligible institution enters into a written arrangement with an institution or organization that is not an eligible institution under which the ineligible institution or organization provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if—

1. The ineligible institution or organization has not—
   (i) Had its eligibility to participate in the title IV, HEA programs terminated by the Secretary;
   (ii) Voluntarily withdrawn from participation in the title IV, HEA programs under a termination, show-cause, suspension, or similar type proceeding initiated by the institution’s State licensing agency, accrediting agency, guarantor, or by the Secretary;
   (iii) Had its certification to participate in the title IV, HEA programs revoked by the Secretary;
   (iv) Had its application for re-certification to participate in the title IV, HEA programs denied by the Secretary; or
   (v) Had its application for certification to participate in the title IV, HEA programs denied by the Secretary;

2. The educational program offered by the institution that grants the degree or certificate otherwise satisfies the requirements of §668.8; and

3. (i) The ineligible institution or organization provides 25 percent or less of the educational program; or
   (ii) (A) The ineligible institution or organization provides more than 25 percent but less than 50 percent of the educational program;
   (B) The eligible institution and the ineligible institution or organization are not owned or controlled by the same individual, partnership, or corporation; and
   (C) The eligible institution’s accrediting agency, or if the institution is a public postsecondary vocational educational institution, the State agency listed in the FEDERAL REGISTER in accordance with 34 CFR part 603, has specifically determined that the institution’s arrangement meets the agency’s standards for the contracting out of educational services.

(d) Administration of title IV, HEA programs. (1) If an institution enters into a written arrangement as described in paragraph (a), (b), or (c) of this section, except as provided in paragraph (d)(2) of this section, the institution at which the student is enrolled as a regular student must determine the student’s eligibility for title IV, HEA program funds, and must calculate and disburse those funds to that student.

2. In the case of a written arrangement between eligible institutions, the institutions may agree in writing to have any eligible institution in the written arrangement make those calculations and disbursements, and the Secretary does not consider that institution to be a third-party servicer for that arrangement.

3. The institution that calculates and disburses a student’s title IV, HEA program assistance under paragraph (d)(1) or (d)(2) of this section must—

1. Take into account all the hours in which the student enrolls at each institution that apply to the student’s degree or certificate when determining the student’s enrollment status and cost of attendance; and

2. Maintain all records regarding the student’s eligibility for and receipt of title IV, HEA program funds.

(e) Information made available to students. If an institution enters into a written arrangement described in paragraph (a), (b), or (c) of this section, the institution must provide the information described in §668.43(a)(12) to enrolled and prospective students.

(Authority: 20 U.S.C. 1094)

§668.6 Reporting and disclosure requirements for programs that prepare students for gainful employment in a recognized occupation.

(a) Reporting requirements. (1) In accordance with procedures established by the Secretary an institution must report information that includes—

1. For each student who enrolled in a program under §668.8(c)(3) or (d) during an award year—
(A) Information needed to identify the student and the institution the student attended;
(B) If the student began attending a program during the award year, the name and the Classification of Instructional Program (CIP) code of that program; and
(C) If the student completed a program during the award year—
   (1) The name and CIP code of that program, and the date the student completed the program;
   (2) The amounts the student received from private education loans and the amount from institutional financing plans that the student owes the institution upon completing the program; and
   (3) Whether the student matriculated to a higher credentialed program at the institution or if available, evidence that the student transferred to a higher credentialed program at another institution; and
(ii) For each program, by name and CIP code, offered by the institution under § 668.8(c)(3) or (d), the total number of students that are enrolled in the program at the end of each award year and identifying information for those students.
(b) Disclosures. (1) For each program offered by an institution under this section, the institution must provide prospective students with—
   (i) The occupations (by names and SOC codes) that the program prepares students to enter, along with links to occupational profiles on O*NET or its successor site. If the number of occupations related to the program, as identified by entering the program’s full six digit CIP code on the O*NET crosswalk at http://online.onetcenter.org/crosswalk/ is more than ten, the institution may provide Web links to a representative sample of the identified occupations (by name and SOC code) for which its graduates typically find employment within a few years after completing the program;
   (ii) The on-time graduation rate for students completing the program, as provided under paragraph (c) of this section;
   (iii) The tuition and fees it charges a student for completing the program within normal time as defined in §668.41(a), the typical costs for books and supplies (unless those costs are included as part of tuition and fees), and the cost of room and board, if applicable. The institution may include information on other costs, such as transportation and living expenses, but it must provide a Web link, or access, to the program cost information the institution makes available under §668.43(a);
   (iv) The placement rate for students completing the program, as determined under a methodology developed by the National Center for Education Statistics (NCES) when that rate is available. In the meantime, beginning on July 1, 2011, if the institution is required by its accrediting agency or State to calculate a placement rate on a program basis, it must disclose the rate under this section and identify the accrediting agency or State agency under whose requirements the rate was calculated. If the accrediting agency or State requires an institution to calculate a placement rate at the institutional level or other than a program basis, the institution must use the accrediting agency or State methodology to calculate a placement rate for the program and disclose that rate; and
   (v) The median loan debt incurred by students who completed the program as provided by the Secretary, as well as any other information the Secretary
§ 668.7 Gainful employment in a recognized occupation.

(a) Gainful employment. (1) Minimum standards. A program is considered to provide training that leads to gainful employment in a recognized occupation if—

(i) As determined under paragraph (b) of this section, the program’s annual loan repayment rate is at least 35 percent;

(ii) As determined under paragraph (c) of this section, the program’s annual loan payment is less than or equal to—

(A) 30 percent of discretionary income (discretionary income threshold); or

(B) 12 percent of annual earnings (actual earnings threshold); or

(iii) The data needed to determine whether a program satisfies the minimum standards are not available to the Secretary.

(2) General. For the purposes of this section—

(i) A program refers to an educational program offered by an institution under §668.8(c)(3) or (d) that is provided to the institution about that program. The institution must identify separately the median loan debt from title IV, HEA program loans, and the median loan debt from private educational loans and institutional financing plans.

(2) For each program, the institution must—

(i) Include the information required under paragraph (b)(1) of this section in promotional materials it makes available to prospective students and post this information on its Web site;

(ii) Prominently provide the information required under paragraph (b)(1) of this section in a simple and meaningful manner on the home page of its program Web site, and provide a prominent and direct link on any other Web page containing general, academic, or admissions information about the program, to the single Web page that contains all the required information;

(iii) Display the information required under paragraph (b)(1) of this section on the institution’s Web site in an open format that can be retrieved, downloaded, indexed, and searched by commonly used Web search applications. An open format is one that is platform-independent, is machine-readable, and is made available to the public without restrictions that would impede the reuse of that information; and

(iv) Use the disclosure form issued by the Secretary to provide the information in paragraph (b)(1), and other information, when that form is available.

(c) On-time completion rate. An institution calculates an on-time completion rate for each program subject to this section by—

(1) Determining the number of students who completed the program during the most recently completed award year;

(2) Determining the number of students in paragraph (c)(1) of this section who completed the program within normal time, as defined under §668.41(a), regardless of whether the students transferred into the program or changed programs at the institution. For example, the normal time to complete an associate degree is two years and this timeframe applies to all students in the program. If a student transfers into the program, regardless of the number of credits the institution accepts from the student’s attendance at the prior institution, those transfer credits have no bearing on the two-year timeframe. The student would still have two years to complete from the date he or she began attending the two-year program. To be counted as completing on time, a student who changes programs at the institution and begins attending the two-year program must complete within the two-year timeframe beginning from the date the student began attending the prior program; and

(3) Dividing the number of students who completed the program within normal time, as determined under paragraph (c)(2) of this section, by the total number of students who completed the program, as determined under paragraph (c)(1) of this section, and multiplying the result by 100.

(B) The Secretary determines whether an institution accurately assigns a CIP code for a program based on the classifications and program codes established by the National Center for Education Statistics (NCES); and

(C) The credential levels for identifying a program are undergraduate certificate, associate’s degree, bachelor's degree, post-baccalaureate certificate, master's degree, doctoral degree, and first-professional degree;

(ii) Debt measures refers collectively to the loan repayment rate and debt-to-earnings ratios described in paragraphs (b) and (c) of this section;

(iii) A fiscal year (FY) is the 12-month period starting October 1 and ending September 30 that is designated by the calendar year in which it ends; for example FY 2013 is from October 1, 2012 to September 30, 2013. That designation also represents the FY for which the Secretary calculates the debt measures;

(iv) A two-year period is the period covering two consecutive FYs that occur on—

(A)(1) The third and fourth FYs (2YP) prior to the most recently completed FY for which the debt measures are calculated. For example, if the most recently completed FY is 2012, the 2YP is FYs 2008 and 2009; or

(2) For FYs 2012, 2013, and 2014, the first and second FYs (2YP–A) prior to the most recently completed FY for which the loan repayment rate is calculated under paragraph (b) of this section. For example, if the most recently completed FY is 2012, the 2YP–A is FYs 2010 and 2011; or

(B) For a program whose students are required to complete a medical or dental internship or residency, as identified by an institution, the sixth, seventh, eighth, and ninth FYs (4YP–R) prior to the most recently completed FY for which the debt measures are calculated. For example, if the most recently completed FY is 2017, the 4YP–R is FYs 2008, 2009, 2010, and 2011. For this purpose, a required medical or dental internship or residency is a supervised training program that—

(1) Requires the student to hold a degree as a doctor of medicine or osteopathy, or a doctor of dental science;

(2) Leads to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers post-graduate training; and

(3) Must be completed before the borrower may be licensed by the State and board certified for professional practice or service;

(v) A four-year period is the period covering four consecutive FYs that occur on—

(A) The third, fourth, fifth, and sixth FYs (4YP) prior to the most recently completed FY for which the debt measures are calculated. For example, if the most recently completed FY is 2017, the 4YP is FYs 2011, 2012, 2013, and 2014; or

(B) For a program whose students are required to complete a medical or dental internship or residency, as identified by an institution, the sixth, seventh, eighth, and ninth FYs (4YP–R) prior to the most recently completed FY for which the debt measures are calculated. For example, if the most recently completed FY is 2017, the 4YP–R is FYs 2008, 2009, 2010, and 2011. For this purpose, a required medical or dental internship or residency is a supervised training program that—

(1) Requires the student to hold a degree as a doctor of medicine or osteopathy, or a doctor of dental science;

(2) Leads to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers post-graduate training; and

(3) Must be completed before the borrower may be licensed by the State and board certified for professional practice or service; and

(vi) Discretionary income is the difference between the mean or median annual earnings and 150 percent of the most current Poverty Guideline for a single person in the continental U.S. The Poverty Guidelines are published annually by the U.S. Department of Health and Human Services (HHS) and are available at http://aspe.hhs.gov/poverty.

(b) Loan repayment rate. For the most recently completed FY, the Secretary
§668.7  34 CFR Ch. VI (7–1–13 Edition)
calculates the loan repayment rate for a program using the following ratio:

\[
\frac{\text{OOPB of LPF plus OOPB of PML}}{\text{OOPB}}
\]

(1) **Original Outstanding Principal Balance (OOPB).** (i) The OOPB is the amount of the outstanding balance, including capitalized interest, on FFEL or Direct Loans owed by students for attendance in the program on the date those loans first entered repayment.

(ii) The OOPB includes FFEL and Direct Loans that first entered repayment during the 2YP, the 2YP–A, the 2YP–R, the 4YP, or the 4YP–R. The OOPB does not include PLUS loans made to parent borrowers or TEACH Grant-related unsubsidized loans.

(iii) For consolidation loans, the OOPB is the OOPB of the FFEL and Direct Loans attributable to a borrower’s attendance in the program.

(iv) For FYs 2012, 2013, and 2014, the Secretary calculates two loan repayment rates for a program, one with the 2YP and the other with the 2YP–A, so long as the 2YP–A represents more than 30 borrowers whose loans entered repayment. Provided that both loan repayment rates are calculated, the Secretary determines whether the program meets the minimum standard under paragraph (a)(1)(i) of this section by using the higher of the 2YP rate or the 2YP–A rate.

(2) **Loans Paid in Full (LPF).** (i) LPF are loans that have never been in default or, in the case of a Federal Consolidation Loan or a Direct Consolidation Loan, neither the consolidation loan nor the underlying loan or loans have ever been in default, where—

(A)(1) Payments made by a borrower during the most recently completed FY reduce the outstanding balance of a loan, including the outstanding balance of a Federal Consolidation Loan or Direct Consolidation Loan, to an amount that is less than the outstanding balance of the loan at the beginning of that FY. The outstanding balance of a loan includes any unpaid accrued interest that has not been capitalized; or

(B) A borrower is in the process of qualifying for Public Service Loan Forgiveness under 34 CFR 685.219(c) and submits an employment certification to the Secretary that demonstrates the borrower is engaged in qualifying employment and the borrower made qualifying payments on the loan during the most recently completed FY; or

(C)(1) Except as provided under paragraph (b)(3)(i)(C)(2) of this section, a borrower in the income-based repayment plan (IBR), income contingent repayment plan (ICR), or any other repayment plan makes scheduled payments on the loan during the most recently completed FY for an amount
that is equal to or less than the interest that accrues on the loan during the FY. The Secretary limits the dollar amount of these interest-only or negative amortization loans in the numerator of the ratio to no more than 3 percent of the total amount of OOPB in the denominator of the ratio, based on available data on a program’s borrowers who are making scheduled payments under these repayment plans.

(2) Until the Secretary determines that there is sufficiently complete data on which of the program’s borrowers have scheduled payments that are equal to or less than accruing interest, the Secretary will include in the numerator 3 percent of the OOPB in the denominator.

(3) Notwithstanding paragraph (b)(3)(i)(C)(1) of this section, with regard to applying the percent limitation on the dollar amount of the interest-only or negative amortization loans, the Secretary may adjust the limitation by publishing a notice in the FEDERAL REGISTER. The adjusted limitation may not be lower than the percent limitation specified in paragraph (b)(3)(i)(C)(1) of this section or higher than the estimated percentage of all outstanding Federal student loan dollars that are interest-only or negative amortization loans.

(i) The OOPB of PML in the numerator of the ratio is the total amount of OOPB for the loans described in paragraph (b)(3)(i) of this section.

(4) Exclusions. For the most recently completed FY, the OOPB of the following loans is excluded from both the numerator and the denominator of the ratio:

(i) Loans that were in an in-school deferment status during any part of the FY.

(ii) Loans that were in a military-related deferment status during any part of the FY.

(iii) Loans that were discharged as a result of the death of the borrower under 34 CFR 682.402(c) or 34 CFR 685.212(a).

(iv) Loans that were assigned or transferred to the Secretary that are being considered for discharge as a result of the total and permanent disability of the borrower, or were discharged by the Secretary on that basis under 34 CFR 682.402(c) or 34 CFR 685.212(b).

(c) Debt-to-earnings ratios. (1) General. For each FY, the Secretary calculates the debt-to-earnings ratios using the following formulas:

(i) Discretionary income rate = Annual loan payment/(Mean or Median Annual Earnings − (1.5 × Poverty Guideline)).

(ii) Earnings rate = Annual loan payment/Mean or Median Annual Earnings.

(2) Annual loan payment. The Secretary determines the annual loan payment for a program by—

(i) Calculating the median loan debt of the program by—

(A) For each student who completed the program during the 2YP, the 2YP-R, the 4YP, or the 4YP-R, determining the lesser of—

(1) The amount of loan debt the student incurred, as determined under paragraph (c)(4) of this section; or

(2) If tuition and fee information is provided by the institution, the total amount of tuition and fees the institution charged the student for enrollment in all programs at the institution; and

(B) Using the lower amount obtained under paragraph (c)(2)(i)(A) of this section for each student in the calculation of the median loan debt for the program; and

(ii) Using the median loan debt for the program and the current annual interest rate on Federal Direct Unsubsidized Loans to calculate the annual loan payment based on—

(A) A 10-year repayment schedule for a program that leads to an undergraduate or post-baccalaureate certificate or to an associate’s degree;

(B) A 15-year repayment schedule for a program that leads to a bachelor’s or master’s degree; or

(C) A 20-year repayment schedule for a program that leads to a doctoral or first-professional degree.

(3) Annual earnings. The Secretary obtains from the Social Security Administration (SSA), or another Federal agency, the most currently available mean and median annual earnings of the students who completed the program during the 2YP, the 2YP-R, the
4YP, or the 4YP–R. The Secretary calculates the debt-to-earnings ratios using the higher of the mean or median annual earnings.

(4) **Loan debt.** In determining the loan debt for a student, the Secretary—

(i) Includes FFEL and Direct loans (except for parent PLUS or TEACH Grant-related loans) owed by the student for attendance in a program, and as reported under §668.6(a)(1)(i)(C)(2), any private education loans or debt obligations arising from institutional financing plans;

(ii) Attributes all the loan debt incurred by the student for attendance in programs at the institution to the highest credentialed program subsequently completed by the student at the institution; and

(iii) Does not include any loan debt incurred by the student for attendance in programs at other institutions if the institution and the other institutions are under common ownership or control, as determined by the Secretary in accordance with 34 CFR 600.31.

(5) **Exclusions.** For the FY the Secretary calculates the debt-to-earnings ratios for a program, a student in the applicable two- or four-year period that completed the program is excluded from the ratio calculations if the Secretary determines that—

(i) One or more of the student’s loans were in a military-related deferment status at any time during the calendar year for which the Secretary obtains earnings information under paragraph (c)(3) of this section;

(ii) The student died;

(iii) One or more of the student’s loans were assigned or transferred to the Secretary and are being considered for discharge as a result of the total and permanent disability of the student, or were discharged by the Secretary on that basis under 34 CFR 682.402(c) or 34 CFR 685.212(b); or

(iv) The student was enrolled in any other eligible program at the institution or at another institution during the calendar year for which the Secretary obtains earnings information under paragraph (c)(3) of this section.

(d) **Small numbers.** (1) The Secretary calculates the debt measures for a program with a small number of borrowers or completers by using the 4YP or the 4YP–R, as applicable, if—

(i) For the loan repayment rate, the corresponding 2YP or the 2YP–R represents 30 or fewer borrowers whose loans entered repayment after any of those loans are excluded under paragraph (b)(4) of this section; or

(ii) For the debt-to-earnings ratios, the corresponding 2YP or the 2YP–R represents 30 or fewer students who completed the program after any of those students are excluded under paragraph (c)(5) of this section.

(2) In lieu of the minimum standards in paragraph (a)(1) of this section, the program satisfies the debt measures if—

(i)(A) The 4YP or the 4YP–R represents, after any exclusions under paragraph (b)(4) or (c)(5) of this section, 30 or fewer borrowers whose loans entered repayment or 30 or fewer students who completed the program; or

(B) SSA did not provide the mean and median earnings for the program as provided under paragraph (c)(3) of this section; or

(ii) The median loan debt calculated under paragraph (c)(2)(i) of this section is zero.

(e) **Draft debt measures and data corrections.** For each FY beginning with FY 2012, the Secretary issues draft results of the debt measures for each program offered by an institution. As provided under this paragraph, the institution may correct the data used to calculate the draft results before the Secretary issues final debt measures under paragraph (f) of this section.

(1) **Pre-draft corrections process for the debt-to-earnings ratios.** (i) Before issuing the draft results of the debt-to-earnings ratios for a program, the Secretary provides to an institution a list of the students who will be included in the applicable two- or four-year period for calculating the ratios. No later than 30 days after the date the Secretary provides the list to the institution, in accordance with procedures established by the Secretary, the institution may—
(A) Provide evidence showing that a student should be included on or removed from the list; or
(B) Correct or update the identity information provided for a student on the list, such as name, social security number, or date of birth.
(ii) After the 30 day correction period, the institution may no longer challenge whether students should be included on the list or update the identity information of those students.
(iii) If the information provided by the institution under paragraph (e)(1)(i) of this section is accurate, the updated information is used to create a final list of students that the Secretary submits to SSA. The Secretary calculates the draft debt-to-earnings ratios based on the mean and median earnings provided by SSA for the students on the final list.
(iv) An institution may not challenge the accuracy of the mean or median annual earnings the Secretary obtained from SSA to calculate the draft debt-to-earnings ratios for the program.
(2) Post-draft corrections process for the debt measures. No later than 45 days after the Secretary issues the draft results of the debt-to-earnings ratios for a program and no later than 45 days after the Secretary issues the draft results of the loan repayment rate for a program, respectively, in accordance with procedures established by the Secretary, an institution—
(i) May challenge the accuracy of the loan data for a borrower that was used to calculate the draft loan repayment rate, or the median loan debt for the program that was used for the numerator of the draft debt-to-earnings ratios, by submitting evidence showing that the borrower loan data or the program median loan debt is inaccurate; and
(ii) May challenge the accuracy of the list of borrowers included in the applicable two- or four-year period used to calculate the draft loan repayment rate by—
(A) Submitting evidence showing that a borrower should be included on or removed from the list; or
(B) Correcting or updating the identity information provided for a borrower on the list, such as name, social security number, or date of birth.
(3) Recalculated results. (i) Debt measures. In general, if the information provided by an institution under paragraph (e)(2) of this section is accurate, the Secretary uses the corrected information to recalculate the debt measures for the program.
(ii) Debt-to-earnings ratios. For a failing program, if SSA is unable to include in its calculation the mean and median earnings for the program one or more students on the list finalized under paragraph (e)(1)(ii) of this section, the Secretary adjusts the median loan debt associated with the number of students SSA is unable to include in its calculation. For example, if SSA is unable to include three students in its calculation, the Secretary removes the loan debt for the same number of students on the list that had the highest loan debt. The Secretary recalculates the debt-to-earnings ratios for the program based on the adjusted median loan debt.
(f) Final debt measures. The Secretary notifies an institution of any draft results that are not challenged, or are recalculated or unsuccessfully challenged under paragraph (e) of this section. These results become the final debt measures for the program.
(g) Alternative earnings. (1) General. An institution may demonstrate that a failing program, as defined under paragraph (h) of this section, would meet a debt-to-earnings standard by recalculating the debt-to-earnings ratios using the median loan debt for the program as determined under paragraph (c) of this section, and alternative earnings from: a State-sponsored data system; an institutional survey conducted in accordance with NCES standards; or, for FYs 2012, 2013, and 2014, the Bureau of Labor Statistics (BLS).
(2) State data. For final debt-to-earnings ratios calculated by the Secretary for FY 2012 and any subsequent FY, an institution may use State data to recalculate those ratios for a failing program only if the institution—
(i) Obtains earnings data from State-sponsored data systems for more than 50 percent of the students in the applicable two- or four-year period, or a comparable two- or four-year period,
§ 668.7

and that number of students is more than 30;
(ii) Uses the actual, State-derived mean or median earnings of the students in the applicable two- or four-year period under paragraph (g)(2)(i) of this section; and
(iii) Demonstrates that it accurately used the actual State-derived data to recalculate the ratios.

(3) Survey data. For final debt-to-earnings ratios calculated by the Secretary for FY 2012 and any subsequent FY, an institution may use survey data to recalculate those ratios for a failing program only if the institution—
(i) Uses reported earnings obtained from an institutional survey conducted of the students in the applicable two- or four-year period, or a comparable two- or four-year period, and the survey data is for more than 30 students. The institution may use the mean or median annual earnings derived from the survey data;
(ii) Submits a copy of the survey and certifies that it was conducted in accordance with the statistical standards and procedures established by NCES and available at http://nces.ed.gov; and
(iii) Submits an examination-level attestation by an independent public accountant or independent governmental auditor, as appropriate, that the survey was conducted in accordance with the specified NCES standards and procedures. The attestation must be conducted in accordance with the general, field work, and reporting standards for attestation engagements contained in the GAO’s Government Auditing Standards, and with procedures for attestations contained in guides developed by and available from the Department of Education’s Office of Inspector General.

(4) BLS data. For the final debt-to-earnings ratios calculated by the Secretary for FYs 2012, 2013, and 2014, an institution may use BLS earnings data to recalculate those ratios for a failing program only if the institution—
(i) Identifies and provides documentation of the occupation by SOC code, or combination of SOC codes, in which more than 50 percent of the students in the 2YP or 4YP were placed or found employment, and that number of students is more than 30. The institution may use placement records it maintains to satisfy accrediting agency or State requirements if those records indicate the occupation in which the student was placed. Otherwise, the institution must submit employment records or other documentation showing the SOC code or codes in which the students typically found employment;
(ii) Uses the most current BLS earnings data for the identified SOC code to calculate the debt-to-earnings ratio. If more than one SOC code is identified under paragraph (g)(4)(i) of this section, the institution must calculate the weighted average earnings of those SOC codes based on BLS employment data or institutional placement data. In either case, the institution must use BLS earnings at no higher than the 25th percentile; and
(iii) Submits, upon request, all the placement, employment, and other records maintained by the institution for the program under paragraph (g)(4)(i) of this section that the institution examined to determine whether those records identified the SOC codes for the students who were placed or found employment.

(5) Alternative earnings process. (i) In accordance with procedures established by the Secretary, the institution must—
(A) Notify the Secretary of its intent to use alternative earnings no later than 14 days after the date the institution is notified of its final debt measures under paragraph (f) of this section; and
(B) Submit all supporting documentation related to recalculating the debt-to-earnings ratios using alternative earnings no later than 60 days after the date the institution is notified of its final debt measures under paragraph (f) of this section.

(ii) Pending the Secretary’s review of the institution’s submission, the institution is not subject to the requirements arising from the program’s failure to satisfy the debt measures, provided the submission was complete, timely, and accurate.

(iii)(A) If the Secretary denies the institution’s submission, the Secretary notifies the institution of the reasons for the denial and the debt measures
(B) If the Secretary approves the institution's submission, the recalculated debt-to-earnings ratios become final for that FY.

(6) Dissemination. After the Secretary calculates the final debt measures, including the recalculated debt-to-earnings ratios under this section, and provides those debt measures to an institution—

(i) In accordance with §668.6(b)(1)(v), the institution must disclose for each of its programs, the final loan repayment rate under paragraph (b) of this section, and final debt-to-earnings ratio under paragraph (c)(1)(ii) of this section; and

(ii) The Secretary may disseminate the final debt measures and information about, or related to, the debt measures to the public in any time, manner, and form, including publishing information that will allow the public to ascertain how well programs perform under the debt measures and other appropriate objective metrics.

(h) Failing program. Except for the small numbers provisions under paragraph (d) of this section, starting with the debt measures calculated for FY 2012, a program fails for a FY if its final debt measures do not meet any of the minimum standards in paragraph (a)(1)(i) or (ii) of this section.

(1) Ineligible program. Except as provided under paragraph (k) of this section, starting with the debt measures calculated for FY 2012, a failing program becomes ineligible if it does not meet any of the minimum standards in paragraph (a)(1) of this section.

(2) Second year failure. (i) For a failing program that does not meet the minimum standards in paragraph (a)(1) of this section for two consecutive FYs or for two out of the three most recently completed FYs, the institution must provide the debt warning under paragraph (j)(1) of this section in writing in an easy to understand format and include in that warning—

(A) A plain language explanation of the actions the institution plans to take in response to the second failure. If the institution plans to discontinue the program, it must provide the timeline for doing so, and the options available to the student;
§ 668.7

(A) A plain language explanation of the risks associated with enrolling or continuing in the program, including the potential consequences for, and options available to, the student if the program becomes ineligible for title IV, HEA program funds;

(B) A plain language explanation of the risks associated with enrolling or continuing in the program, including the potential consequences for, and options available to, the student if the program becomes ineligible for title IV, HEA program funds;

(C) A plain language explanation of the risks associated with enrolling or continuing in the program, including the potential consequences for, and options available to, the student if the program becomes ineligible for title IV, HEA program funds;

(D) A plain language explanation of the risks associated with enrolling or continuing in the program, including the potential consequences for, and options available to, the student if the program becomes ineligible for title IV, HEA program funds;

(ii) An institution must continue to provide this warning to enrolled and prospective students until the program has met one of the minimum standards for two of the last three FYs.

(iii) Timely warnings. An institution must provide the warnings described in this paragraph to—

(i) An enrolled student, as soon as administratively feasible but no later than 30 days after the date the Secretary notifies the institution that the program failed; and

(ii) A prospective student at the time the student first contacts the institution requesting information about the program. If the prospective student intends to use title IV, HEA program funds to attend the program—

(A) The institution may not enroll the student until three days after the debt warnings are first provided to the student under this paragraph; and

(B) If more than 30 days pass from the date the debt warnings are first provided to the student under this paragraph and the date the student seeks to enroll in the program, the institution must provide the debt warnings again and may not enroll the student until three days after the debt warnings are most recently provided to the student under this paragraph.

(i) A web site and promotional materials. For the second-year debt warning in paragraph (j)(2) of this section, an institution must prominently display the debt warning on the program home page of its Web site and include the debt warning in all promotional materials it makes available to prospective students. These debt warnings may be provided in conjunction with the disclosures required under §668.6(b)(2).

(5) Voluntarily discontinued failing program. An institution that voluntarily discontinues a failing program under paragraph (i)(1) of this section, must notify enrolled students at the same time that it provides the written notice to the Secretary that it relinquishes the program’s title IV, HEA program eligibility.

(6) Alternative language. To the extent practicable, the institution must provide alternatives to English-language warnings for those students for whom English is not their first language.

(k) Transition year. For programs that become ineligible under paragraph (i) of this section based on final debt measures for FYs 2012, 2013, and 2014, the Secretary caps the number of those ineligible programs by—

(1) Sorting all programs by category of institution (public, private non-profit, and proprietary) and then by loan repayment rate, from the lowest rate to the highest rate; and

(2) For each category of institution, beginning with the ineligible program with the lowest loan repayment rate, identifying the ineligible programs that account for a combined number of students who completed the programs during FY 2014 that do not exceed 5 percent of the total number of students who completed programs in that category. For example, the Secretary does not designate as ineligible a program, or two or more programs that have the same loan repayment rate, if the total number of students who completed that program or programs would exceed the 5 percent cap for an institutional category.

(l) Restrictions for ineligible and voluntarily discontinued failing programs. (1) General. An ineligible program, or a failing program that an institution voluntarily discontinues, remains ineligible until the institution reestablishes the eligibility of that program under the provisions in 34 CFR 600.20(d). For this purpose, an institution voluntarily discontinues a failing program on the date the institution provides written notice to the Secretary that it relinquishes the title IV, HEA program eligibility of that program.
(2) Periods of ineligibility. (i) Voluntarily discontinued failing programs. An institution may not seek under 34 CFR 600.20(d) to reestablish the eligibility of a failing program that it voluntarily discontinued until—

(A) The end of the second FY following the FY the program was voluntarily discontinued if the institution voluntarily discontinued the program at any time after the program is determined to be a failing program, but no later than 90 days after the date the Secretary notified the institution that it must provide the second year debt warnings under paragraph (j)(2) of this section; or

(B) The end of the third FY following the FY the program was voluntarily discontinued if the institution voluntarily discontinued the program more than 90 days after the date the Secretary notified the institution that it must provide the second year debt warnings under paragraph (j)(2) of this section.

(ii) Ineligible programs. An institution may not seek under 34 CFR 600.20(d) to reestablish the eligibility of an ineligible program, or to establish the eligibility of a program that is substantially similar to the ineligible program, until the end of the third FY following the FY the program became ineligible. A program is substantially similar to the ineligible program if it has the same credential level and the same first four digits of the CIP code as that of the ineligible program.

(i) Is provided by an institution that is accredited by a recognized regional accrediting agency or association, and has continuously held such accreditation since October 1, 2007, or earlier; and
(ii) The institution has provided continuously since January 1, 2009.

Qualitative factors.
(1) An educational program that satisfies the requirements of paragraphs (d)(3)(i) through (iv) of this section qualifies as an eligible program only if—
(i) The program has a substantiated completion rate of at least 70 percent, as calculated under paragraph (f) of this section;
(ii) The program has a substantiated placement rate of at least 70 percent, as calculated under paragraph (g) of this section;
(iii) The number of clock hours provided in the program does not exceed by more than 50 percent the minimum number of clock hours required for training in the recognized occupation for which the program prepares students, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and
(iv) The program has been in existence for at least one year. The Secretary considers an educational program to have been in existence for at least one year only if an institution has been legally authorized to provide, and has continuously provided, the program during the 12 months (except for normal vacation periods and, at the discretion of the Secretary, periods when the institution closes due to a natural disaster that directly affects the institution or the institution’s students) preceding the date on which the institution applied for eligibility for that program.
(2) An institution shall substantiate the calculation of its completion and placement rates by having the certified public accountant who prepares its audit report required under §668.23 report on the institution's calculation based on performing an attestation engagement in accordance with the Statements on Standards for Attestation Engagements of the American Institute of Certified Public Accountants (AICPA).

Calculation of completion rate. An institution shall calculate its completion rate for an educational program for any award year as follows:
(1) Determine the number of regular students who were enrolled in the program during the award year.
(2) Subtract from the number of students determined under paragraph (f)(1) of this section, the number of regular students who, during that award year, withdrew from, dropped out of, or were expelled from the program and were entitled to and actually received, in a timely manner a refund of 100 percent of their tuition and fees.
(3) Subtract from the total obtained under paragraph (f)(2) of this section the number of students who were enrolled in the program at the end of that award year.
(4) Determine the number of regular students who, during that award year, received within 150 percent of the published length of the educational program the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(5) Divide the number determined under paragraph (f)(4) of this section by the total obtained under paragraph (f)(3) of this section.

(g) Calculation of placement rate. (1) An institution shall calculate its placement rate for an educational program for any award year as follows:

(i) Determine the number of students who, during the award year, received the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(ii) Of the total obtained under paragraph (g)(1)(i) of this section, determine the number of students who, within 180 days of the day they received their degree, certificate, or other recognized educational credential, obtained gainful employment in the recognized occupation for which they were trained or in a related comparable recognized occupation and, on the date of this calculation, are employed, or have been employed, for at least 13 weeks following receipt of the credential from the institution.

(iii) Divide the number of students determined under paragraph (g)(1)(ii) of this section by the total obtained under paragraph (g)(1)(i) of this section.

(2) An institution shall document that each student described in paragraph (g)(1)(ii) of this section obtained gainful employment in the recognized occupation for which he or she was trained or in a related comparable recognized occupation, and, on the date of this calculation, was employed, or has been employed, for at least 13 weeks following receipt of the credential from the institution.

(j) English as a second language (ESL). (1) In addition to satisfying the relevant provisions of this section, an educational program that consists solely of instruction in ESL qualifies as an eligible program if—

(i) The institution admits to the program only students who the institution determines need the ESL instruction to use already existing knowledge, training, or skills; and

(ii) The program leads to a degree, certificate, or other recognized educational credential.

(2) An institution shall document its determination that ESL instruction is necessary to enable each student enrolled in its ESL program to use already existing knowledge, training, or skills with regard to the students that it admits to its ESL program under paragraph (j)(1)(i) of this section.

(3) An ESL program that qualifies as an eligible program under this paragraph is eligible for purposes of the Federal Pell Grant Program only.

(k) Undergraduate educational program in credit hours. (1) Except as provided in paragraph (k)(2) of this section, if an
§668.8 34 CFR Ch. VI (7–1–13 Edition)

institution offers an undergraduate educational program in credit hours, the institution must use the formula contained in paragraph (l) of this section to determine whether that program satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program for purposes of the title IV, HEA programs, unless—

(i) The program is at least two academic years in length and provides an associate degree, a bachelor's degree, a professional degree, or an equivalent degree as determined by the Secretary; or

(ii) Each course within the program is acceptable for full credit toward that institution's associate degree, bachelor's degree, professional degree, or equivalent degree as determined by the Secretary provided that—

(A) The institution's degree requires at least two academic years of study; and

(B) The institution demonstrates that students enroll in, and graduate from, the degree program.

(2) A program is considered to be a clock-hour program for purposes of the title IV, HEA programs if—

(i) Except as provided in paragraph (k)(3) of this section, a program is required to measure student progress in clock hours when—

(A) Receiving Federal or State approval or licensure to offer the program; or

(B) Completing clock hours is a requirement for graduates to apply for licensure or the authorization to practice the occupation that the student is intending to pursue;

(ii) The credit hours awarded for the program are not in compliance with the definition of a credit hour in 34 CFR 600.2; or

(iii) The institution does not provide the clock hours that are the basis for the credit hours awarded for the program or each course in the program and, except as provided in §668.4(e), requires attendance in the clock hours that are the basis for the credit hours awarded.

(3) The requirements of paragraph (k)(2) of this section do not apply to a program if there is a State or Federal approval or licensure requirement that a limited component of the program must include a practicum, internship, or clinical experience component of the program that must include a minimum number of clock hours.

(1) Formula. (1) Except as provided in paragraph (l)(2) of this section, for purposes of determining whether a program described in paragraph (k) of this section satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and of determining the number of credit hours in that educational program with regard to the title IV, HEA programs—

(i) A semester hour must include at least 37.5 clock hours of instruction;

(ii) A trimester hour must include at least 37.5 clock hours of instruction; and

(iii) A quarter hour must include at least 25 clock hours of instruction.

(2) The institution's conversions to establish a minimum number of clock hours of instruction per credit may be less than those specified in paragraph (l)(1) of this section, if the institution's designated accrediting agency, or recognized State agency for the approval of public postsecondary vocational institutions, for participation in the title IV, HEA programs has not identified any deficiencies with the institution's policies and procedures, or their implementation, for determining the credit hours, as defined in 34 CFR 600.2, that the institution awards for programs and courses, in accordance with 34 CFR 602.24(f), or, if applicable, 34 CFR 603.24(c), so long as—

(i) The institution's student work outside of class combined with the clock-hours of instruction meet or exceed the numeric requirements in paragraph (l)(1) of this section; and

(ii)(A) A semester hour must include at least 30 clock hours of instruction;

(B) A trimester hour must include at least 30 clock hours of instruction; and

(C) A quarter hour must include at least 20 hours of instruction.

(m) An otherwise eligible program that is offered in whole or in part through telecommunications is eligible for title IV, HEA program purposes if the program is offered by an institution, other than a foreign institution,
that has been evaluated and is accredited for its effective delivery of distance education programs by an accrediting agency or association that—

(1) Is recognized by the Secretary under subpart 2 of part H of the HEA; and

(2) Has accreditation of distance education within the scope of its recognition.

(n) For Title IV, HEA program purposes, eligible program includes a direct assessment program approved by the Secretary under §668.10 and a comprehensive transition and postsecondary program approved by the Secretary under §668.232.

§ 668.9 Relationship between clock hours and semester, trimester, or quarter hours in calculating Title IV, HEA program assistance.

(a) In determining the amount of Title IV, HEA program assistance that a student who is enrolled in a program described in §668.8(k) is eligible to receive, the institution shall apply the formula contained in §668.8(l) to determine the number of semester, trimester, or quarter hours in that program, if the institution measures academic progress in that program in semester, trimester, or quarter hours.

(b) Notwithstanding paragraph (a) of this section, a public or private non-profit hospital-based school of nursing that awards a diploma at the completion of the school’s program of education is not required to apply the formula contained in §668.8(l) to determine the number of semester, trimester, or quarter hours in that program for purposes of calculating Title IV, HEA program assistance.

§ 668.10 Direct assessment programs.

(a)(1) A direct assessment program is an instructional program that, in lieu of credit hours or clock hours as a measure of student learning, utilizes direct assessment of student learning, or recognizes the direct assessment of student learning by others. The assessment must be consistent with the accreditation of the institution or program utilizing the results of the assessment.

(2) Direct assessment of student learning means a measure by the institution of what a student knows and can do in terms of the body of knowledge making up the educational program. These measures provide evidence that a student has command of a specific subject, content area, or skill or that the student demonstrates a specific quality such as creativity, analysis or synthesis associated with the subject matter of the program. Examples of direct measures include projects, papers, examinations, presentations, performances, and portfolios.

(3) All regulatory requirements in this chapter that refer to credit or clock hours as a measurement apply to direct assessment programs. Because a direct assessment program does not utilize credit or clock hours as a measure of student learning, an institution must establish a methodology to reasonably equate the direct assessment program (or the direct assessment portion of any program, as applicable) to credit or clock hours for the purpose of complying with applicable regulatory requirements. The institution must provide a factual basis satisfactory to the Secretary for its claim that the program or portion of the program is equivalent to a specific number of credit or clock hours.

(1) An academic year in a direct assessment program is a period of instructional time that consists of a minimum of 30 weeks of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete the equivalent of at least 24 semester or trimester credit hours, 36 quarter credit hours or 900 clock hours.
(ii) A payment period in a direct assessment program for which equivalence in credit hours has been established must be determined under the requirements in §668.4(a), (b), or (c), as applicable, using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program). A payment period in a direct assessment program for which equivalence in clock hours has been established must be determined under the requirements in §668.4(c), using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program).

(iii) A week of instructional time in a direct assessment program is any seven-day period in which at least one day of educational activity occurs. Educational activity in a direct assessment program includes regularly scheduled learning sessions, faculty-guided independent study, consultations with a faculty mentor, development of an academic action plan addressed to the competencies identified by the institution, or, in combination with any of the foregoing, assessments. It does not include credit for life experience. For purposes of direct assessment programs, independent study occurs when a student follows a course of study with predefined objectives but works with a faculty member to decide how the student is going to meet those objectives. The student and faculty member agree on what the student will do (e.g., required readings, research, and work products), how the student’s work will be evaluated, and on what the relative timeframe for completion of the work will be. The student must interact with the faculty member on a regular and substantive basis to assure progress within the course or program.

(iv) A full-time student in a direct assessment program is an enrolled student who is carrying a full-time academic workload as determined by the institution under a standard applicable to all students enrolled in the program. However, for an undergraduate student, the institution’s minimum standard must equal or exceed the minimum full-time requirements specified in the definition of full-time student in §668.2 based on the credit or clock hour equivalency established by the institution for the direct assessment program.

(b) An institution that offers a direct assessment program must apply to the Secretary to have that program determined to be an eligible program for title IV, HEA program purposes. The institution’s application must provide information satisfactory to the Secretary that includes—

(1) A description of the educational program, including the educational credential offered (degree level or certificate) and the field of study;

(2) A description of how the assessment of student learning is done;

(3) A description of how the direct assessment program is structured, including information about how and when the institution determines on an individual basis what each student enrolled in the program needs to learn;

(4) A description of how the institution assists students in gaining the knowledge needed to pass the assessments;

(5) The number of semester or quarter credit hours, or clock hours, that are equivalent to the amount of student learning being directly assessed for the certificate or degree, as required by paragraph (b)(3) of this section;

(6) The methodology the institution uses to determine the number of credit or clock hours to which the program is equivalent;

(7) The methodology the institution uses to determine the number of credit or clock hours to which the portion of a program an individual student will need to complete is equivalent;

(8) Documentation from the institution’s accrediting agency indicating that the agency has evaluated the institution’s offering of direct assessment program(s) and has included the program(s) in the institution’s grant of accreditation;

(9) Documentation from the accrediting agency or relevant state licensing body indicating agreement with the institution’s claim of the direct assessment program’s equivalence in terms of credit or clock hours; and

(10) Any other information the Secretary may require to determine
whether to approve the institution's application.

(c) To be an eligible program, a direct assessment program must meet the requirements in §668.8 including, if applicable, minimum program length and qualitative factors.

(d) Notwithstanding paragraphs (a) through (c) of this section, no program offered by a foreign institution that involves direct assessment will be considered to be an eligible program under §668.8.

(e) A direct assessment program may use learning resources (e.g., courses or portions of courses) that are provided by entities other than the institution providing the direct assessment program without regard to the limitations on contracting for part of an educational program in §668.5(c)(3).

(f) Title IV, HEA program funds may be used only for learning that results from instruction provided, or overseen, by the institution, not for the portion of the program that the student has demonstrated mastery of prior to enrollment in the program or tests of learning that are not associated with educational activities overseen by the institution.

(g) Title IV, HEA program eligibility with respect to direct assessment programs is limited to direct assessment programs approved by the Secretary. Title IV, HEA program funds may not be used for—

(1) the course of study described in §668.32(a)(1)(ii) and (iii) if offered by direct assessment, or

(2) remedial coursework described in §668.20 offered by direct assessment. However, remedial instruction that is offered in credit or clock hours in conjunction with a direct assessment program is eligible for title IV, HEA program funds.

(h) The Secretary’s approval of a direct assessment program expires on the date that the institution changes one or more aspects of the program described in the institution’s application submitted under paragraph (b) of this section. To maintain program eligibility, the institution must obtain prior approval from the Secretary through reapplication under paragraph (b) of this section that sets forth the revisions proposed.

[71 FR 45693, Aug. 9, 2006, as amended at 71 FR 64397, Nov. 1, 2006; 72 FR 62026, Nov. 1, 2007]
undergone a change in ownership that results in a change in control as described in 34 CFR 600.31, the institution must require the following individuals to complete title IV, HEA program training provided or approved by the Secretary no later than 12 months after the institution executes its program participation agreement under §668.14:

(i) The individual the institution designates under §668.16(b)(1) as its title IV, HEA program administrator.

(ii) The institution’s chief administrator or a high level institutional official the chief administrator designates.

(3)(i) An institution may request the Secretary to waive the training requirement for any individual described in paragraph (a)(2) of this section.

(ii) When the Secretary receives a waiver request under paragraph (a)(3)(i) of this section, the Secretary may grant or deny the waiver, require another institutional official to take the training, or require alternative training.

(b) Period of participation. (1) If the Secretary certifies that an institution meets the standards of this subpart, the Secretary also specifies the period for which the institution may participate in a title IV, HEA program. An institution’s period of participation expires no more than six years after the date that the Secretary certifies that the institution meets the standards of this subpart, except that—

(i) The period of participation for a private, for profit foreign institution expires three years after the date of the Secretary’s certification; and

(ii) The Secretary may specify a shorter period.

(2) Provided that an institution has submitted an application for a renewal of certification that is materially complete at least 90 days prior to the expiration of its current period of participation, the institution’s existing certification will be extended on a month to month basis following the expiration of the institution’s period of participation until the end of the month in which the Secretary issues a decision on the application for recertification.

(c) Provisional certification. (1)(i) The Secretary may provisionally certify an institution if—

(A) The institution seeks initial participation in a Title IV, HEA program;

(B) The institution is an eligible institution that has undergone a change in ownership that results in a change in ownership that results in a change in control according to the provisions of 34 CFR part 600;

(C) The institution is a participating institution—

(I) That is applying for a certification that the institution meets the standards of this subpart;

(2) That the Secretary determines has jeopardized its ability to perform its financial responsibilities by not meeting the factors of financial responsibility under §668.15 and subpart L of this part or the standards of administrative capability under §668.16; and

(3) Whose participation has been limited or suspended under subpart G of this part, or voluntarily enters into provisional certification;

(D) The institution seeks a renewal of participation in a Title IV, HEA program after the expiration of a prior period of participation in that program; or

(E) The institution is a participating institution that was accredited or preaccredited by a nationally recognized accrediting agency on the day before the Secretary withdrew the Secretary’s recognition of that agency according to the provisions contained in 34 CFR part 603.

(ii) A proprietary institution's certification automatically becomes provisional at the start of a fiscal year after it did not derive at least 10 percent of its revenue for its preceding fiscal year from sources other than Title IV, HEA program funds, as required under §668.14(b)(16).

(2) If the Secretary provisionally certifies an institution, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. Except as provided in paragraphs (c) (3) and (4) of this section, a provisionally certified institution’s period of participation expires—

(i) Not later than the end of the first complete award year following the date on which the Secretary provisionally certified the institution under paragraph (c)(1)(i) of this section;

(ii) Not later than the end of the third complete award year following
the date on which the Secretary provisionally certified the institution under paragraphs (c)(1)(ii), (iii), (iv) or (e)(2) of this section; and

(iii) If the Secretary provisionally certified the institution under paragraph (c)(1)(v) of this section, not later than 18 months after the date that the Secretary withdrew recognition from the institutions nationally recognized accrediting agency.

(3) Notwithstanding the maximum periods of participation provided for in paragraph (c)(2) of this section, if the Secretary provisionally certifies an institution, the Secretary may specify a shorter period of participation for that institution.

(4) For the purposes of this section, "provisional certification" means that the Secretary certifies that an institution—

(i) Is capable of meeting the standards of this subpart within a specified period; and

(ii) Is able to meet the institution's responsibilities under its program participation agreement, including compliance with any additional conditions specified in the institution's program participation agreement that the Secretary requires the institution to meet in order for the institution to participate under provisional certification.

(d) Revocation of provisional certification.

(1) If, before the expiration of a provisionally certified institution's period of participation in a Title IV, HEA program, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may revoke the institution's provisional certification for participation in that program.

(2)(i) If the Secretary revokes the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.

(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation. The consequences of a revocation are described in §668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution's receipt of the Secretary's notice, written evidence that the revocation is unwarranted. The institution must file the request with the Secretary by hand-delivery, mail, or facsimile transmission.

(ii) The filing date of the request is the date on which the request is—

(A) Hand-delivered;

(B) Mailed; or

(C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution's request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution's provisional certification. The deciding official promptly considers an institution's request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary's notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—

(A) Eighteen months after the effective date of the revocation; or

(B) A debarment or suspension of the institution under Executive Order
or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution’s provisional certification is unwarranted, the Secretary’s notice informs the institution that the institution’s provisional certification is reinstated, effective on the date that the Secretary’s original revocation notice was mailed, for a specified period of time.

(5)(i) The mailing date of a notice of revocation or a request for reconsideration of a revocation is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(ii) The date on which a request for reconsideration of a revocation is submitted is—

(A) If the request was sent by a delivery service other than the U.S. Postal Service, the date evidenced on the original receipt by that service; and

(B) If the request was sent by facsimile transmission, the date that the document is recorded as received by facsimile equipment that receives the transmission.

(a)(1) An institution may participate in any Title IV, HEA program, other than the LEAP and NEISP programs, only if the institution enters into a written program participation agreement with the Secretary, on a form approved by the Secretary. A program participation agreement conditions the initial and continued participation of an eligible institution in any Title IV, HEA program upon compliance with the provisions of this part, the individual program regulations, and any additional conditions specified in the program participation agreement that the Secretary requires the institution to meet.

(2) An institution’s program participation agreement applies to each branch campus and other location of the institution that meets the applicable requirements of this part unless otherwise specified by the Secretary.

(b) By entering into a program participation agreement, an institution agrees that—

(1) It will comply with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA, including the requirement that the institution will use funds it receives under any Title IV, HEA program and any interest or other earnings thereon, solely for the purposes specified in and in accordance with that program;

(4) It will establish and maintain such administrative and fiscal procedures and records as may be necessary to ensure proper and efficient administration of funds received from the Secretary or from students under the Title IV, HEA programs, together with assurances that the institution will provide, upon request and in a timely manner, information relating to the administrative capability and financial responsibility of the institution to—

(i) The Secretary;

(8) It will not provide any statement to any student or certification to any lender in the case of an FFEL Program loan, or origination record to the Secretary in the case of a Direct Loan Program loan that qualifies the student or parent for a loan or loans in excess of the amount that the student or parent is eligible to borrow in accordance with sections 428(a), 428(a)(2), 428(b)(1)(A) and (B), 428B, 428H, and 455(a) of the HEA;

(9) It will comply with the requirements of subpart D of this part concerning institutional and financial assistance information for students and prospective students;

(10) In the case of an institution that advertises job placement rates as a means of attracting students to enroll in the institution, it will make available to prospective students, at or before the time that those students apply for enrollment—

(i) The most recent available data concerning employment statistics, graduation statistics, and any other information necessary to substantiate the truthfulness of the advertisements; and

(ii) Relevant State licensing requirements of the State in which the institution is located for any job for which an educational program offered by the institution is designed to prepare those prospective students;

(15)(i) Except as provided under paragraph (b)(15)(ii) of this section, the institution will use a default management plan approved by the Secretary with regard to its administration of the FFEL or Direct Loan programs, or both for at least the first two years of its participation in those programs, if the institution—

(A) Is participating in the FFEL or Direct Loan programs for the first time; or
(B) An institution that has undergone a change of ownership that results in a change in control and is participating in the FFEL or Direct Loan programs.

(ii) The institution does not have to use an approved default management plan if—

(A) The institution, including its main campus and any branch campus, does not have a cohort default rate in excess of 10 percent; and

(B) The owner of the institution does not own and has not owned any other institution that had a cohort default rate in excess of 10 percent while that owner owned the institution.

(16) For a proprietary institution, the institution will derive at least 10 percent of its revenues for each fiscal year from sources other than Title IV, HEA program funds, as provided in §668.28(a) and (b), or be subject to sanctions described in §668.28(c);

(17) The Secretary, guaranty agencies and lenders as defined in 34 CFR part 682, nationally recognized accrediting agencies, the Secretary of Veterans Affairs, State agencies recognized under Title IV, HEA program funds, as provided in §668.28(a) and (b), or be subject to sanctions described in §668.28(c);

(19) The institution will not knowingly—

(i) Employ in a capacity that involves the administration of the Title IV, HEA programs or the receipt of funds under those programs, an individual who has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or that has been administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds; or

(ii) Contract with or employ any individual, agency, or organization that has been, or whose officers or employees have been—

(2) Has not had, an excess of current fund expenditures over current fund revenues over both of its 2 latest fiscal years that results in a decrease exceeding 10 percent in either the unrestricted current fund balance or the unrestricted net assets at the beginning of the first year of the 2-year period. The Secretary may exclude from net changes in fund balances for the operating loss calculation: Extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and the cumulative effect of changes in accounting principle. For example, the functions of authorizing payments and disbursing or delivering funds must be divided so that for any particular student aided under the programs, the two functions are carried out by at least two organizationally independent individuals who are not members of the same family, as defined in §668.15, or who do not together exercise substantial control, as defined in §668.15, over the institution;

(d)(1) Establishes and maintains records required under this part and the individual Title IV, HEA program regulations; and

(2)(i) Reports annually to the Secretary on any reasonable reimbursements paid or provided by a private education lender or group of lenders as described under section 140(d) of the Truth in Lending Act (15 U.S.C. 1631(d)) to any employee who is employed in the financial aid office of the institution or who otherwise has responsibilities with respect to education loans, including responsibilities involving the selection of lenders, or other financial aid of the institution, including—

(A) The amount for each specific instance of reasonable expenses paid or provided;

(B) The name of the financial aid official, other employee, or agent to whom the expenses were paid or provided;

(C) The dates of the activity for which the expenses were paid or provided;

(D) A brief description of the activity for which the expenses were paid or provided.

(ii) Expenses are considered to be reasonable if the expenses—

(A) Meet the standards of and are paid in accordance with a State government reimbursement policy applicable to the entity; or

(B) Meet the standards of and are paid in accordance with the applicable Federal cost principles for reimbursement, if no State policy that is applicable to the entity exists.

(iii) The policy must be consistently applied to an institution’s employees reimbursed under this paragraph;

(e) For purposes of determining student eligibility for assistance under a title IV, HEA program, establishes,
publishes, and applies reasonable standards for measuring whether an otherwise eligible student is maintaining satisfactory academic progress in his or her educational program. The Secretary considers an institution’s standards to be reasonable if the standards are in accordance with the provisions specified in §668.34.

(f) Develops and applies an adequate system to identify and resolve discrepancies in the information that the institution receives from different sources with respect to a student’s application for financial aid under Title IV, HEA programs. In determining whether the institution’s system is adequate, the Secretary considers whether the institution obtains and reviews—

(1) All student aid applications, need analysis documents, Statements of Educational Purpose, Statements of Registration Status, and eligibility notification documents presented by or on behalf of each applicant;

(2) Any documents, including any copies of State and Federal income tax returns, that are normally collected by the institution to verify information received from the student or other sources; and

(3) Any other information normally available to the institution regarding a student’s citizenship, previous educational experience, documentation of the student’s social security number, or other factors relating to the student’s eligibility for funds under the Title IV, HEA programs;

(g) Refers to the Office of Inspector General of the Department of Education for investigation—

(1) After conducting the review of an application provided for under paragraph (f) of this section, any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her application. The type of information that an institution must refer is that which is relevant to the eligibility of the applicant for Title IV, HEA program assistance, or the amount of the assistance. Examples of this type of information are—

(i) False claims of independent student status;

(ii) False claims of citizenship;

(iii) Use of false identities;

(iv) Forgery of signatures or certifications; and

(v) False statements of income; and

(2) Any credible information indicating that any employee, third-party servicer, or other agent of the institution that acts in a capacity that involves the administration of the Title IV, HEA programs, or the receipt of funds under those programs, may have engaged in fraud, misrepresentation, conversion or breach of fiduciary responsibility, or other illegal conduct involving the Title IV, HEA programs.

The type of information that an institution must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs;

(h) Provides adequate financial aid counseling to eligible students who apply for Title IV, HEA program assistance. In determining whether an institution provides adequate counseling, the Secretary considers whether its counseling includes information regarding—

(1) The source and amount of each type of aid offered;

(2) The method by which aid is determined and disbursed, delivered, or applied to a student’s account; and

(3) The rights and responsibilities of the student with respect to enrollment at the institution and receipt of financial aid. This information includes the institution’s refund policy, the requirements for the treatment of Title IV, HEA program funds when a student withdraws under §668.22, its standards of satisfactory progress, and other conditions that may alter the student’s aid package;

(i) Has provided all program and fiscal reports and financial statements required for compliance with the provisions of this part and the individual program regulations in a timely manner;

(j) Shows no evidence of significant problems that affect, as determined by the Secretary, the institution’s ability to administer a Title IV, HEA program and that are identified in—

(1) Reviews of the institution conducted by the Secretary, the Department of Education’s Office of Inspector General;
General, nationally recognized accrediting agencies, guaranty agencies as defined in 34 CFR part 682, the State agency or official by whose authority the institution is legally authorized to provide postsecondary education, or any other law enforcement agency; or

(2) Any findings made in any criminal, civil, or administrative proceeding;

(k) Is not, and does not have any principal or affiliate of the institution (as those terms are defined in 2 CFR parts 180 and 3485) that is—

(1) Debarred or suspended under Executive Order 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(2) Engaging in any activity that is a cause under 2 CFR 180.700 or 180.800, as adopted at 2 CFR 3485.12, for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4;

(l) For an institution that seeks initial participation in a Title IV, HEA program, does not have more than 33 percent of its undergraduate regular students withdraw from the institution during the institution’s latest completed award year. The institution must count all regular students who are enrolled during the latest completed award year, except those students who, during that period—

(1) Withdrew from, dropped out of, or were expelled from the institution;

(2) Were entitled to and actually received in a timely manner, a refund of 100 percent of their tuition and fees;

(m)(1) Has a cohort default rate—

(i) That is less than 25 percent for each of the three most recent fiscal years during which rates have been issued, to the extent those rates are calculated under subpart M of this part;

(ii) On or after 2014, that is less than 30 percent for at least two of the three most recent fiscal years during which the Secretary has issued rates for the institution under subpart N of this part; and

(iii) As defined in 34 CFR 674.5, on loans made under the Federal Perkins Loan Program to students for attendance at that institution that does not exceed 15 percent.

(2)(i) However, if the Secretary determines that an institution’s administrative capability is impaired solely because the institution fails to comply with paragraph (m)(1) of this section, and the institution is not subject to a loss of eligibility under §§ 668.187(a) or 668.206(a), the Secretary allows the institution to continue to participate in the Title IV, HEA programs. In such a case, the Secretary may provisionally certify the institution in accordance with § 668.13(c) except as provided in paragraphs (m)(2)(ii), (m)(2)(iii), (m)(2)(iv), and (m)(2)(v) of this section.

(ii) An institution that fails to meet the standard of administrative capability under paragraph (m)(1)(ii) based on two cohort default rates that are greater than or equal to 30 percent but less than or equal to 40 percent is not placed on provisional certification under paragraph (m)(2)(i) of this section—

(A) If it has timely filed a request for adjustment or appeal under §§ 668.209, 668.210, or 668.212 with respect to the second such rate, and the request for adjustment or appeal is either pending or succeeds in reducing the rate below 30 percent; or

(B) If it has timely filed an appeal under §§ 668.213 or 668.214 after receiving the second such rate, and the appeal is either pending or successful.

(iii) The institution may appeal the loss of full participation in a Title IV, HEA program under paragraph (m)(2)(i) of this section by submitting an erroneous data appeal in writing to the Secretary in accordance with and on the grounds specified in §§ 668.192 or 668.211 as applicable;

(iv) If you have 30 or fewer borrowers in the three most recent cohorts of borrowers used to calculate your cohort default rate under subpart N of this part, we will not provisionally certify you solely based on cohort default rates;

(v) If a rate that would otherwise potentially subject you to provisional certification under paragraph (m)(1)(ii) and (m)(2)(i) of this section is calculated as an average rate, we will not provisionally certify you solely based on cohort default rates;
(n) Does not otherwise appear to lack the ability to administer the Title IV, HEA programs competently;
(o) Participates in the electronic processes that the Secretary—
(1) Provides at no substantial charge to the institution; and
(2) Identifies through a notice published in the Federal Register; and
(p) Develops and follows procedures to evaluate the validity of a student's high school completion if the institution or the Secretary has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education.

§ 668.17 [Reserved]

§ 668.18 Readmission requirements for servicemembers.

(a) General. (1) An institution may not deny readmission to a person who is a member of, applies to be a member of, performs, has performed, applies to perform, or has an obligation to perform, service in the uniformed services on the basis of that membership, application for membership, performance of service, application for service, or obligation to perform service.

(2) An institution must promptly readmit to the institution a person described in paragraph (a)(1) of this section with the same academic status as the student had when the student last attended the institution or was last admitted to the institution, but did not begin attendance because of that membership, application for membership, performance of service, application for service, or obligation to perform service.

(i) "Promptly readmit" means that the institution must readmit the student into the next class or classes in the student’s program beginning after the student provides notice of his or her intent to reenroll, unless the student requests a later date of readmission or unusual circumstances require the institution to admit the student at a later date.

(ii) To readmit a person with the “same academic status” means that the institution admits the student—

(A) To the same program to which he or she was last admitted by the institution or, if that exact program is no longer offered, the program that is most similar to that program, unless the student requests or agrees to admission to a different program;

(B) At the same enrollment status that the student last held at the institution, unless the student requests or agrees to admission at a different enrollment status;

(C) With the same number of credit hours or clock hours completed previously by the student, unless the student is readmitted to a different program to which the completed credit hours or clock hours are not transferable;

(D) With the same academic standing (e.g., with the same satisfactory academic progress status) the student previously had; and

(E)(1) If the student is readmitted to the same program, for the first academic year in which the student returns, assessing—

(i) The tuition and fee charges that the student was or would have been assessed for the academic year during which the student left the institution;

(ii) Up to the amount of tuition and fee charges that other students in the program are assessed for that academic year, if veterans’ education benefits, as defined in section 480(c) of the HEA, or other servicemember education benefits, will pay the amount in excess of the tuition and fee charges assessed for the academic year in which the student left the institution; or

(2) If the student is admitted to a different program, and for subsequent academic years for a student admitted to the same program, assessing no more than the tuition and fee charges
that other students in the program are assessed for that academic year.

(iv)(A) If the institution determines that the student is not prepared to resume the program with the same academic status at the point where the student left off, or will not be able to complete the program, the institution must make reasonable efforts at no extra cost to the student to help the student become prepared or to enable the student to complete the program including, but not limited to, providing refresher courses at no extra cost to the student and allowing the student to retake a pretest at no extra cost to the student.

(B) The institution is not required to readmit the student on his or her return if—

(1) After reasonable efforts by the institution, the institution determines that the student is not prepared to resume the program at the point where he or she left off;

(2) After reasonable efforts by the institution, the institution determines that the student is unable to complete the program; or

(3) The institution determines that there are no reasonable efforts the institution can take to prepare the student to resume the program at the point where he or she left off or to enable the student to complete the program.

(C)(1) “Reasonable efforts” means actions that do not place an undue hardship on the institution.

(2) “Undue hardship” means an action requiring significant difficulty or expense when considered in light of the overall financial resources of the institution and the impact otherwise of such action on the operation of the institution.

(D) The institution carries the burden to prove by a preponderance of the evidence that the student is not prepared to resume the program with the same academic status at the point where the student left off, or that the student will not be able to complete the program.

(3) This section applies to an institution that has continued in operation since the student ceased attending or was last admitted to the institution but did not begin attendance, notwithstanding any changes of ownership of the institution since the student ceased attendance.

(4) The requirements of this section supersede any State law (including any local law or ordinance), contract, agreement, policy, plan, practice, or other matter that reduces, limits, or eliminates in any manner any right or benefit provided by this section for the period of enrollment during which the student resumes attendance, and continuing so long as the institution is unable to comply with such requirements through other means.

(b) Service in the uniformed services.

For purposes of this section, service in the uniformed services means service, whether voluntary or involuntary, in the Armed Forces, including service by a member of the National Guard or Reserve, on active duty, active duty for training, or full-time National Guard duty under Federal authority, for a period of more than 30 consecutive days under a call or order to active duty of more than 30 consecutive days.

(c) Readmission procedures.

(1) Any student whose absence from an institution is necessitated by reason of service in the uniformed services shall be entitled to readmission to the institution if—

(i) Except as provided in paragraph (d) of this section, the student (or an appropriate officer of the Armed Forces or official of the Department of Defense) gives advance oral or written notice of such service to an office designated by the institution, and provides such notice as far in advance as is reasonable under the circumstances;

(ii) The cumulative length of the absence and of all previous absences from that institution by reason of service in the uniformed services, including only the time the student spends actually performing service in the uniformed services, does not exceed five years; and

(iii) Except as provided in paragraph (f) of this section, the student gives oral or written notice of his or her intent to return to an office designated by the institution—

(A) For a student who completes a period of service in the uniformed services, not later than three years after
the completion of the period of service; or
(B) For a student who is hospitalized for or convalescing from an illness or injury incurred in or aggravated during the performance of service in the uniformed services, not later than two years after the end of the period that is necessary for recovery from such illness or injury.

(2)(i) An institution must designate one or more offices at the institution that a student may contact to provide notification of service required by paragraph (c)(1)(i) of this section and notification of intent to return required by paragraph (c)(1)(iii) of this section.

(ii) An institution may not require that the notice provided by the student under paragraph (c)(1)(i) or (c)(1)(iii) of this section follow any particular format.

(iii) The notice provided by the student under paragraph (c)(1)(i) of this section—
(A) May not be subject to any rule for timeliness; timeliness must be determined by the facts in any particular case; and
(B) Does not need to indicate whether the student intends to return to the institution.

(iv) For purposes of paragraph (c)(1)(i) of this section, an "appropriate officer" is a commissioned, warrant, or noncommissioned officer authorized to give such notice by the military service concerned.

(d) Exceptions to advance notice. (1) No notice is required under paragraph (c)(1)(i) of this section if the giving of such notice is precluded by military necessity, such as—
(i) A mission, operation, exercise, or requirement that is classified; or
(ii) A pending or ongoing mission, operation, exercise, or requirement that may be compromised or otherwise adversely affected by public knowledge.

(2) Any student (or an appropriate officer of the Armed Forces or official of the Department of Defense) who did not give advance written or oral notice of service to the appropriate official at the institution in accordance with paragraph (c)(1) of this section may meet the notice requirement by submitting, at the time the student seeks readmission, an attestation to the institution that the student performed service in the uniformed services that necessitated the student's absence from the institution.

(e) Cumulative length of absence. For purposes of paragraph (c)(1)(ii) of this section, a student's cumulative length of absence from an institution does not include any service—
(1) That is required, beyond five years, to complete an initial period of obligated service;
(2) During which the student was unable to obtain orders releasing the student from a period of service in the uniformed services before the expiration of the five-year period and such inability was through no fault of the student; or
(3) Performed by a member of the Armed Forces (including the National Guard and Reserves) who is—
(i) Ordered to or retained on active duty under—
(A) 10 U.S.C. 688 (involuntary active duty by a military retiree);
(B) 10 U.S.C. 12301(a) (involuntary active duty in wartime);
(C) 10 U.S.C. 12301(g) (involuntary active duty while in captive status);
(D) 10 U.S.C. 12302 (involuntary active duty during a national emergency for up to 24 months);
(E) 10 U.S.C. 12304 (involuntary active duty for an operational mission for up to 270 days);
(F) 10 U.S.C. 12305 (involuntary retention on active duty of a critical person during time of crisis or other specific conditions);
(G) 14 U.S.C. 331 (involuntary active duty by retired Coast Guard officer);
(H) 14 U.S.C. 332 (voluntary active duty by retired Coast Guard officer);
(I) 14 U.S.C. 359 (involuntary active duty by retired Coast Guard enlisted member);
(J) 14 U.S.C. 360 (voluntary active duty by retired Coast Guard enlisted member);
(K) 14 U.S.C. 367 (involuntary retention of Coast Guard enlisted member on active duty); or
(L) 14 U.S.C. 712 (involuntary active duty by Coast Guard Reserve member for natural or man-made disasters);
(ii) Ordered to or retained on active duty (other than for training) under
any provision of law because of a war or national emergency declared by the President or the Congress, as determined by the Secretary concerned;

(iii) Ordered to active duty (other than for training) in support, as determined by the Secretary concerned, of an operational mission for which personnel have been ordered to active duty under section 12304 of title 10, United States Code;

(iv) Ordered to active duty in support, as determined by the Secretary concerned, of a critical mission or requirement of the Armed Forces (including the National Guard or Reserve); or

(v) Called into Federal service as a member of the National Guard under chapter 15 of title 10, United States Code, or section 12406 of title 10, United States Code (i.e., called to respond to an invasion, danger of invasion, rebellion, danger of rebellion, insurrection, or the inability of the President with regular forces to execute the laws of the United States).

(f) Notification of intent to reenroll. A student who fails to apply for readmission within the periods described in paragraph (c)(1)(iii) of this section does not automatically forfeit eligibility for readmission to the institution, but is subject to the institution’s established leave of absence policy and general practices.

(g) Documentation. (1) A student who submits an application for readmission to an institution under paragraph (c)(1)(iii) of this section does not automatically forfeit eligibility for readmission to the institution, but is subject to the institution’s established leave of absence policy and general practices.

(i) The student has not exceeded the service limitation in paragraph (c)(1)(ii) of this section and

(ii) The student’s eligibility for readmission has not been terminated due to an exception in paragraph (h) of this section.

(2)(i) Documents that satisfy the requirements of paragraph (g)(1) of this section include, but are not limited to, the following:

(A) DD (Department of Defense) 214 Certificate of Release or Discharge from Active Duty.

(B) Copy of duty orders prepared by the facility where the orders were fulfilled carrying an endorsement indicating completion of the described service.

(C) Letter from the commanding officer of a Personnel Support Activity or someone of comparable authority.

(D) Certificate of completion from military training school.

(E) Discharge certificate showing character of service.

(F) Copy of extracts from payroll documents showing periods of service.

(G) Letter from National Disaster Medical System (NDMS) Team Leader or Administrative Officer verifying dates and times of NDMS training or Federal activation.

(ii) The types of documents that are necessary to establish eligibility for readmission will vary from case to case. Not all of these documents are available or necessary in every instance to establish readmission eligibility.

(3) An institution may not delay or attempt to avoid a readmission of a student under this section by demanding documentation that does not exist, or is not readily available, at the time of readmission.

(h) Termination of readmission eligibility. A student’s eligibility for readmission to an institution under this section by reason of such student’s service in the uniformed services terminates upon the occurrence of any of the following events:

(1) A separation of such person from the Armed Forces (including the National Guard and Reserves) with a dishonorable or bad conduct discharge.

(2) A dismissal of a commissioned officer permitted under section 1161(a) of title 10, United States Code by sentence of a general court-martial; in commutation of a sentence of a general court-martial; or, in time of war, by order of the President.

§ 668.19 Financial aid history.

(a) Before an institution may disburse title IV, HEA program funds to a student who previously attended another eligible institution, the institution must use information it obtains from the Secretary, through the National Student Loan Data System (NSLDS) or its successor system, to determine—

(1) Whether the student is in default on any title IV, HEA program loan;

(2) Whether the student owes an overpayment on any title IV, HEA program grant or Federal Perkins Loan;

(3) For the award year for which a Federal Pell Grant, an ACG, a National SMART Grant, or a TEACH Grant is requested, the student's Scheduled Federal Pell Grant, ACG, National SMART Grant, or a TEACH Grant award and the amount of Federal Pell Grant, ACG, National SMART Grant, or a TEACH Grant funds disbursed to the student;

(4) The outstanding principal balance of loans made to the student under each of the title IV, HEA loan programs; and

(5) For the academic year for which title IV, HEA aid is requested, the amount of, and period of enrollment for, loans made to the student under each of the title IV, HEA loan programs.

(b)(1) If a student transfers from one institution to another institution during the same award year, the institution to which the student transfers must request from the Secretary, through NSLDS, updated information about that student so it can make the determinations required under paragraph (a) of this section; and

(2) The institution may not make a disbursement to that student for seven days following its request, unless it receives the information from NSLDS in response to its request or obtains that information directly by accessing NSLDS, and the information it receives allows it to make that disbursement.

§ 668.20 Limitations on remedial coursework that is eligible for Title IV, HEA program assistance.

(a) A noncredit or reduced credit remedial course is a course of study designed to increase the ability of a student to pursue a course of study leading to a certificate or degree.

(1) A noncredit remedial course is one for which no credit is given toward a certificate or degree; and

(2) A reduced credit remedial course is one for which reduced credit is given toward a certificate or degree.

(b) Except as provided in paragraphs (c) and (d) of this section, in determining a student’s enrollment status and cost of attendance, an institution shall include any noncredit or reduced credit remedial course in which the student is enrolled. The institution shall attribute the number of credit or clock hours to a noncredit or reduced credit remedial course by—

(1) Calculating the number of classroom and homework hours required for that course;

(2) Comparing those hours with the hours required for nonremedial courses in a similar subject; and

(3) Giving the remedial course the same number of credit or clock hours it gives the nonremedial course with the most comparable classroom and homework requirements.

(c) In determining a student’s enrollment status under the Title IV, HEA programs or a student’s cost of attendance under the campus-based, FFEL, and Direct Loan programs, an institution may not take into account any noncredit or reduced credit remedial course if—

(1) That course is part of a program of instruction leading to a high school diploma or the recognized equivalent of a high school diploma, even if the course is necessary to enable the student to complete a degree or certificate program;
§668.21 Treatment of title IV grant and loan funds if the recipient does not begin attendance at the institution.

(a) If a student does not begin attendance in a payment period or period of enrollment—

(1) The institution must return all title IV, HEA program funds that were credited to the student’s account at the institution or disbursed directly to the student for that payment period or period of enrollment, for Federal Perkins Loan, FSEOG TEACH Grant, Federal Pell Grant, ACG, and National SMART Grant program funds; and

(2) For FFEL and Direct Loan funds—

(i)(A) The institution must return all FFEL and Direct Loan funds that were credited to the student’s account at the institution for that payment period or period of enrollment; and

(B) The institution must return the amount of payments made directly by or on behalf of the student to the institution for that payment period or period of enrollment, up to the total amount of the loan funds disbursed;

(ii) For remaining amounts of FFEL or Direct Loan funds disbursed directly to the student for that payment period or period of enrollment, including funds that are disbursed directly to the student by the lender for a study-abroad program in accordance with §682.207(b)(1)(v)(C)(1) or for a student enrolled in a foreign school in accordance with §682.207(b)(1)(v)(D), the institution is not responsible for returning the funds, but must immediately notify the lender or the Secretary, as appropriate, when it becomes aware that the student will not or has not begun attendance so that the lender or Secretary will issue a final demand letter to the borrower in accordance with 34 CFR 682.412 or 34 CFR 685.211, as appropriate; and

(iii) Notwithstanding paragraph (a)(2)(i) of this section, if an institution knew that a student would not begin attendance prior to disbursing FFEL or Direct Loan funds directly to the student for that payment period or period of enrollment (e.g., the student notified the institution that he or she

(2) The educational level of instruction provided in the noncredit or reduced credit remedial course is below the level needed to pursue successfully the degree or certificate program offered by that institution after one year in that remedial course; or

(3) Except for a course in English as a second language, the educational level of instruction provided in that course is below the secondary level.

For purposes of this section, the Secretary considers a course to be below the secondary level if any of the following entities determine that course to be below the secondary level:

(i) The State agency that legally authorized the institution to provide postsecondary education.

(ii) In the case of an accredited or preaccredited institution, the nationally recognized accrediting agency or association that accredits or preaccredits the institution.

(iii) In the case of a public postsecondary vocational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, the State agency recognized for the approval of public postsecondary vocational education that approves the institution.

(iv) The institution.

(d) Except as set forth in paragraph (f) of this section, an institution may not take into account more than one academic year’s worth of noncredit or reduced credit remedial coursework in determining—

(1) A student’s enrollment status under the title IV, HEA programs; and

(2) A student’s cost of attendance under the campus-based, FFEL, and Direct Loan programs.

(e) One academic year’s worth of noncredit or reduced credit remedial coursework is equivalent to—

(1) Thirty semester or 45 quarter hours; or

(2) Nine hundred clock hours.

(f) Courses in English as a second language do not count against the one-year academic limitation contained in paragraph (d) of this section.

would not attend, or the institution expelled the student), the institution must return those funds.

(b) The institution must return those funds for which it is responsible under paragraph (a) of this section to the respective title IV, HEA program as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance.

(c) For purposes of this section, the Secretary considers that a student has not begun attendance in a payment period or period of enrollment if the institution is unable to document the student’s attendance at any class during the payment period or period of enrollment.

(d) In accordance with procedures established by the Secretary or FFEL Program lender, an institution returns title IV, HEA funds timely if—

(1) The institution deposits or transfers the funds into the bank account it maintains under §668.163 as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance;

(2) The institution initiates an electronic funds transfer (EFT) as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance;

(3) The institution initiates an electronic transaction, as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance, that informs an FFEL lender to adjust the borrower’s loan account for the amount returned; or

(4) The institution issues a check as soon as possible, but no later than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance. An institution does not satisfy this requirement if—

(i) The institution’s records show that the check was issued more than 30 days after the date that the institution becomes aware that the student will not or has not begun attendance; or

(ii) The date on the cancelled check shows that the bank used by the Secretary or FFEL Program lender endorsed that check more than 45 days after the date that the institution becomes aware that the student will not or has not begun attendance.

§ 668.22

been a withdrawal of the date that he or she will attend a module that begins later in the same payment period or period of enrollment; and

(2) For nonterm and nonstandard-term programs, that module begins no later than 45 calendar days after the end of the module the student ceased attending.

(B) If an institution has obtained the written confirmation of future attendance in accordance with paragraph (a)(2)(ii)(A) of this section—

(1) A student may change the date of return to a module that begins later in the same payment period or period of enrollment, provided that the student does so in writing prior to the return date that he or she had previously confirmed; and

(2) For nonterm and nonstandard-term programs, the later module that he or she will attend begins no later than 45 calendar days after the end of module the student ceased attending.

(C) If an institution obtains written confirmation of future attendance in accordance with paragraph (a)(2)(ii)(A) and, if applicable, (a)(2)(ii)(B) of this section, but the student does not return as scheduled—

(1) The student is considered to have withdrawn from the payment period or period of enrollment; and

(2) The student’s withdrawal date and the total number of calendar days in the payment period or period of enrollment would be the withdrawal date and total number of calendar days that would have applied if the student had not provided written confirmation of a future date of attendance in accordance with paragraph (a)(2)(ii)(A) of this section.

(iii)(A) If a student withdraws from a term-based credit-hour program offered in modules during a payment period or period of enrollment and reenters the same program prior to the end of the period, subject to conditions established by the Secretary, the student is eligible to receive any title IV, HEA program funds for which he or she was eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of this section.

(3) For purposes of this section, “title IV grant or loan assistance” includes only assistance from the Federal Perkins Loan, Direct Loan, FFEL, Federal Pell Grant, Academic Competitiveness Grant, National SMART Grant, TEACH Grant, and FSEOG programs, not including the non-Federal share of FSEOG awards if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(4) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is less than the amount of title IV grant or loan assistance that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution’s determination that the student withdrew—

(i) The difference between these amounts must be returned to the title IV programs in accordance with paragraphs (g) and (h) of this section in the order specified in paragraph (i) of this section; and

(ii) No additional disbursements may be made to the student for the payment period or period of enrollment.

(5) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is greater than the total amount of title IV grant or loan assistance, or both, that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution’s determination that the student withdrew, the difference between these amounts must be treated as a
post-withdrawal disbursement in accordance with paragraph (a)(6) of this section and §668.164(g).

(6)(i) A post-withdrawal disbursement must be made from available grant funds before available loan funds.

(1) Grant funds that make up the post-withdrawal disbursement in accordance with §668.164(d)(1) and (d)(2); and

(2) Loan funds that make up the post-withdrawal disbursement in accordance with §668.164(d)(1), (d)(2), and (d)(3) only after obtaining confirmation from the student or parent in the case of a parent PLUS loan, that they still wish to have the loan funds disbursed in accordance with paragraph (a)(6)(iii) of this section.

(B)(1) The institution must disburse directly to a student any amount of a post-withdrawal disbursement of grant funds that is not credited to the student’s account. The institution must make the disbursement as soon as possible, but no later than 45 days after the date of the institution’s determination that the student withdrew, as defined in paragraph (l)(3) of this section.

(2) The institution must offer to disburse directly to a student, or parent in the case of a parent PLUS loan, any amount of a post-withdrawal disbursement of loan funds that is not credited to the student’s account, in accordance with paragraph (a)(6)(iii) of this section.

(3) The institution must make a direct disbursement of any loan funds that make up the post-withdrawal disbursement only after obtaining the student’s, or parent’s in the case of a parent PLUS loan, confirmation that the student or parent still wishes to have the loan funds disbursed in accordance with paragraph (a)(6)(iii) of this section.

(iii)(A) The institution must provide within 30 days of the date of the institution’s determination that the student withdrew, as defined in paragraph (l)(3) of this section, a written notification to the student, or parent in the case of parent PLUS loan, that—

(1) Requests confirmation of any post-withdrawal disbursement of loan funds that the institution wishes to credit to the student’s account in accordance with paragraph (a)(6)(ii)(A)(2) of this section, identifying the type and amount of those loan funds and explaining that the student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(2) Requests confirmation of any post-withdrawal disbursement of loan funds that the student, or parent in the case of a parent PLUS loan, who does not confirm that a post-withdrawal disbursement of loan funds may be credited to the student’s account, may not receive any of those loan funds as a direct disbursement unless the institution concurs;

(4) Explains the obligation of the student, or parent in the case of a parent PLUS loan, to repay any loan funds he or she chooses to have disbursed; and

(5) Advises the student, or parent in the case of a parent PLUS loan, that no post-withdrawal disbursement of loan funds will be made, unless the institution chooses to make a post-withdrawal disbursement based on a late response in accordance with paragraph (a)(6)(iii)(C) of this section, if the student or parent in the case of a parent PLUS loan, does not respond within 14 days of the date that the institution sent the notification, or a later deadline set by the institution.

(B) The deadline for a student, or parent in the case of a parent PLUS loan, to accept a post-withdrawal disbursement under paragraph (a)(6)(iii)(A) of this section must be the same for both a confirmation of a direct disbursement of the post-withdrawal disbursement of loan funds and a confirmation of a post-withdrawal disbursement of loan funds to be credited to the student’s account.

(C) If the student, or parent in the case of a parent PLUS loan, submits a
timely response that confirms that they wish to receive all or a portion of a direct disbursement of the post-withdrawal disbursement of loan funds, or confirms that a post-withdrawal disbursement of loan funds may be credited to the student’s account, the institution must disburse the funds in the manner specified by the student, or parent in the case of a parent PLUS loan, as soon as possible, but no later than 180 days after the date of the institution’s determination that the student withdrew, as defined in paragraph (l)(3) of this section.

(D) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution’s notice requesting confirmation, the institution may make the post-withdrawal disbursement of loan funds as instructed by the student, or parent in the case of a parent PLUS loan (provided the institution disburses all the funds accepted by the student, or parent in the case of a parent PLUS loan), or decline to do so.

(E) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution and the institution does not choose to make the post-withdrawal disbursement of loan funds, the institution must inform the student, or parent in the case of a parent PLUS loan, in writing of the outcome of the post-withdrawal disbursement request.

(F) If the student, or parent in the case of a parent PLUS loan, does not respond to the institution’s notice, no portion of the post-withdrawal disbursement of loan funds that the institution wishes to credit to the student’s account, nor any portion of loan funds that would be disbursed directly to the student, or parent in the case of a parent PLUS loan, may be disbursed.

(iv) An institution must document in the student’s file the result of any notification made in accordance with paragraph (a)(6)(iii) of this section of the student’s right to cancel all or a portion of loan funds or of the student’s right to accept or decline loan funds, and the final determination made concerning the disbursement.

(b) Withdrawal date for a student who withdraws from an institution that is required to take attendance. (1) For purposes of this section, for a student who ceases attendance at an institution that is required to take attendance, including a student who does not return from an approved leave of absence, as defined in paragraph (d) of this section, or a student who takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the student’s withdrawal date is the last date of academic attendance as determined by the institution from its attendance records.

(2) An institution must document a student’s withdrawal date determined in accordance with paragraph (b)(1) of this section and maintain the documentation as of the date of the institution’s determination that the student withdrew, as defined in paragraph (l)(3) of this section.

(3)(i) An institution is required to take attendance if—

(A) An outside entity (such as the institution’s accrediting agency or a State agency) has a requirement that the institution take attendance;

(B) The institution itself has a requirement that its instructors take attendance; or

(C) The institution or an outside entity has a requirement that can only be met by taking attendance or a comparable process, including, but not limited to, requiring that students in a program demonstrate attendance in the classes of that program, or a portion of that program.

(ii) If, in accordance with paragraph (b)(3)(i) of this section, an institution is required to take attendance or requires that attendance be taken for only some students, the institution must use its attendance records to determine a withdrawal date in accordance with paragraph (b)(1) of this section for those students.

(iii)(A) If, in accordance with paragraph (b)(3)(i) of this section, an institution is required to take attendance, or requires that attendance be taken, for a limited period, the institution must use its attendance records to determine a withdrawal date in accordance with paragraph (b)(3)(i) of this section for that limited period.

(B) A student in attendance the last time attendance is required to be taken during the limited period identified in
paragraph (b)(3)(iii)(A) of this section who subsequently stops attending during the payment period will be treated as a student for whom the institution was not required to take attendance.

(iv) If an institution is required to take attendance or requires that attendance be taken, on only one specified day to meet a census reporting requirement, the institution is not considered to take attendance.

(c) Withdrawal date for a student who withdraws from an institution that is not required to take attendance. (1) For purposes of this section, for a student who ceases attendance at an institution that is not required to take attendance, the student’s withdrawal date is—

(i) The date, as determined by the institution, that the student began the withdrawal process prescribed by the institution;

(ii) The date, as determined by the institution, that the student otherwise provided official notification to the institution, in writing or orally, of his or her intent to withdraw;

(iii) If the student ceases attendance without providing official notification to the institution of his or her intent to withdraw in accordance with paragraph (c)(1)(i) or (c)(1)(ii) of this section, the midpoint of the payment period (or period of enrollment, if applicable);

(iv) If the institution determines that a student did not begin the institution’s withdrawal process or otherwise provide official notification (including notice from an individual acting on the student’s behalf) to the institution of his or her intent to withdraw because of illness, accident, grievous personal loss, or other such circumstances beyond the student’s control, the date that the institution determines is related to that circumstance;

(v) If a student does not return from an approved leave of absence as defined in paragraph (d) of this section, the date that the institution determines the student began the leave of absence; or

(vi) If a student takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the date that the student began the leave of absence.

(2)(i)(A) An institution may allow a student to rescind his or her official notification to withdraw under paragraph (c)(1)(i) or (ii) of this section by filing a written statement that he or she is continuing to participate in academically-related activities and intends to complete the payment period or period of enrollment.

(B) If the student subsequently ceases to attend the institution prior to the end of the payment period or period of enrollment, the student’s rescission is negated and the withdrawal date is the student’s original date under paragraph (c)(1)(i) or (ii) of this section, unless a later date is determined under paragraph (c)(3) of this section.

(ii) If a student both begins the withdrawal process prescribed by the institution and otherwise provides official notification of his or her intent to withdraw in accordance with paragraphs (c)(1)(i) and (c)(1)(ii) of this section respectively, the student’s withdrawal date is the earlier date unless a later date is determined under paragraph (c)(3) of this section.

(3) Notwithstanding paragraphs (c)(1) and (2) of this section, an institution that is not required to take attendance may use as the student’s last date of attendance at an academically-related activity provided that the institution documents that the activity is academically related and documents the student’s attendance at the activity.

(4) An institution must document a student’s withdrawal date determined in accordance with paragraphs (c)(1), (2), and (3) of this section and maintain the documentation as of the date of the institution’s determination that the student withdrew, as defined in paragraph (l)(3) of this section.

(5)(i) “Official notification to the institution” is a notice of intent to withdraw that a student provides to an office designated by the institution.

(ii) An institution must designate one or more offices at the institution that a student may readily contact to provide official notification of withdrawal.

(d) Approved leave of absence. (1) For purposes of this section and, for a title IV, HEA program loan borrower, for
§ 686.22

purposes of terminating the student’s
in-school status), an institution does
not have to treat a leave of absence as
a withdrawal if it is an approved leave
of absence. A leave of absence is an ap-
proved leave of absence if—

(i) The institution has a formal pol-
icy regarding leaves of absence;

(ii) The student followed the institu-
tion’s policy in requesting the leave of
absence;

(iii) The institution determines that
there is a reasonable expectation that
the student will return to the school;

(iv) The institution approved the stu-
dent’s request in accordance with the
institution’s policy;

(v) The leave of absence does not in-
volve additional charges by the institu-
tion;

(vi) The number of days in the ap-
proved leave of absence, when added to
the number of days in all other ap-
proved leaves of absence, does not ex-
ceed 180 days in any 12-month period;

(vii) Except for a clock hour or
nonterm credit hour program, upon the
student’s return from the leave of ab-
sence, the student is permitted to com-
plete the coursework he or she began
prior to the leave of absence; and

(viii) If the student is a title IV, HEA
program loan recipient, the institution
explains to the student, prior to grant-
ing the leave of absence, the effects
that the student’s failure to return
from a leave of absence may have on
the student’s loan repayment terms,
including the exhaustion of some or all
of the student’s grace period.

(2) If a student does not resume at-
tendance at the institution at or before
the end of a leave of absence that
meets the requirements of this section,
the institution must treat the student
as a withdrawal in accordance with the
requirements of this section.

(3) For purposes of this paragraph—

(i) The number of days in a leave of
absence is counted beginning with the
first day of the student’s initial leave
of absence in a 12-month period.

(ii) A “12-month period” begins on
the first day of the student’s initial
leave of absence.

(iii) An institution’s leave of absence
policy is a “formal policy” if the pol-
icy—

(A) Is in writing and publicized to
students; and

(B) Requires students to provide a
written, signed, and dated request, that
includes the reason for the request, for
a leave of absence prior to the leave of
absence. However, if unforeseen cir-
cumstances prevent a student from
providing a prior written request, the
institution may grant the student’s re-
quest for a leave of absence, if the in-
istitution documents its decision and
collects the written request at a later
date.

(4) Calculation of the amount of title IV
assistance earned by the student—(1)
General. The amount of title IV grant
or loan assistance that is earned by the
student is calculated by—

(i) Determining the percentage of
title IV grant or loan assistance that
has been earned by the student, as de-
scribed in paragraph (e)(2) of this sec-
tion; and

(ii) Applying this percentage to the
total amount of title IV grant or loan
assistance that was disbursed (and that
could have been disbursed, as defined in
paragraph (f)(6) of this section) to the
student, or on the student’s behalf, for
the payment period or period of enroll-
ment as of the student’s withdrawal
date.

(2) Percentage earned. The percentage
of title IV grant or loan assistance that
has been earned by the student is—

(i) Equal to the percentage of the
payment period or period of enrollment
that the student completed (as deter-
mined in accordance with paragraph (f)
of this section) as of the student’s
withdrawal date, if this date occurs on
or before—

(A) Completion of 60 percent of the
payment period or period of enrollment
for a program that is measured in cred-
it hours; or

(B) Sixty percent of the clock hours
scheduled to be completed for the pay-
ment period or period of enrollment for
a program that is measured in clock
hours; or

(ii) 100 percent, if the student’s with-
drawal date occurs after—

(A) Completion of 60 percent of the
payment period or period of enrollment
for a program that is measured in cred-
it hours; or

518
(B) Sixty percent of the clock hours scheduled to be completed for the payment period or period of enrollment for a program measured in clock hours.

(3) Percentage unearned. The percentage of title IV grant or loan assistance that has not been earned by the student is calculated by determining the complement of the percentage of title IV grant or loan assistance earned by the student as described in paragraph (e)(2) of this section.

(4) Total amount of unearned title IV assistance to be returned. The unearned amount of title IV assistance to be returned is calculated by subtracting the amount of title IV assistance earned by the student as calculated under paragraph (e)(1) of this section from the amount of title IV aid that was disbursed to the student as of the date of the institution’s determination that the student withdrew.

(5) Use of payment period or period of enrollment. (i) The treatment of title IV grant or loan funds if a student withdraws must be determined on a payment period basis for a student who attended a standard term-based (semester, trimester, or quarter) educational program.

(ii)(A) The treatment of title IV grant or loan funds if a student withdraws may be determined on either a payment period basis or a period of enrollment basis for a student who attended a non-term based educational program or a nonstandard term-based educational program.

(B) An institution must consistently use either a payment period or period of enrollment for all purposes of this section for each of the following categories of students who withdraw from the standard term-based or nonstandard term-based educational program:

(1) Students who have attended an educational program at the institution from the beginning of the payment period or period of enrollment.

(2) Students who re-enter the institution during a payment period or period of enrollment.

(3) Students who transfer into the institution during a payment period or period of enrollment:

(iii) For a program that measures progress in credit hours and uses non-standard terms that are not substantially equal in length, if the institution uses the payment period to determine the treatment of title IV grant or loan funds for a category of students found in paragraph (e)(5)(ii)(B) of this section, the institution must—

(A) For students in the category who are disbursed or could have been disbursed aid using both the payment period definition in § 668.4(b)(1) and the payment period definition in § 668.4(b)(2), use the payment period during which the student withdrew that ends later; and

(2) If in the payment period that ends later there are funds that have been or could have been disbursed from overlapping payment periods, the institution must include in the return calculation any funds that can be attributed to the payment period that ends later; and

(B) For students in the category who are disbursed or could have been disbursed aid using only the payment period definition in § 668.4(b)(1) or the payment period definition in § 668.4(b)(2), use the payment period definition for which title IV, HEA program funds were disbursed for a student’s calculation under this section.

(f) Percentage of payment period or period of enrollment completed. (1) For purposes of paragraph (e)(2)(i) of this section, the percentage of the payment period or period of enrollment completed is determined—

(i) In the case of a program that is measured in credit hours, by dividing the total number of calendar days in the payment period or period of enrollment into the number of calendar days completed in that period as of the student’s withdrawal date; and

(ii)(A) In the case of a program that is measured in clock hours, by dividing the total number of clock hours in the payment period or period of enrollment into the number of clock hours scheduled to be completed as of the student’s withdrawal date.

(B) The scheduled clock hours used must be those established by the institution prior to the student’s beginning class date for the payment period or period of enrollment and must be consistent with the published materials describing the institution’s programs,
unless the schedule was modified prior to the student’s withdrawal.

(C) The schedule must have been established in accordance with requirements of the accrediting agency and the State licensing agency, if such standards exist.

(2)(i) The total number of calendar days in a payment period or period of enrollment includes all days within the period that the student was scheduled to complete, except that scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period or period of enrollment and the number of calendar days completed in that period.

(ii) The total number of calendar days in a payment period or period of enrollment does not include—

(A) Days in which the student was on an approved leave of absence; or

(B) For a payment period or period of enrollment in which any courses in the program are offered in modules, any scheduled breaks of at least five consecutive days when the student is not scheduled to attend a module or other course offered during that period of time.

(g) Return of unearned aid, responsibility of the institution. (1) The institution must return, in the order specified in paragraph (i) of this section, the lesser of—

(i) The total amount of unearned title IV assistance to be returned as calculated under paragraph (e)(4) of this section; or

(ii) An amount equal to the total institutional charges incurred by the student for the payment period or period of enrollment multiplied by the percentage of title IV grant or loan assistance that has not been earned by the student, as described in paragraph (e)(3) of this section.

(2) For purposes of this section, “institutional charges” are tuition, fees, room and board (if the student contracts with the institution for the room and board) and other educationally-related expenses assessed by the institution.

(3) If, for a non-term program an institution chooses to calculate the treatment of title IV assistance on a payment period basis, but the institution charges for a period that is longer than the payment period, “total institutional charges incurred by the student for the payment period” is the greater of—

(i) The prorated amount of institutional charges for the longer period; or

(ii) The amount of title IV assistance retained for institutional charges as of the student’s withdrawal date.

(h) Return of unearned aid, responsibility of the student. (1) After the institution has allocated the unearned funds for which it is responsible in accordance with paragraph (g) of this section, the student must return assistance for which the student is responsible in the order specified in paragraph (i) of this section.

(2) The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that the institution is required to return under paragraph (g) of this section from the total amount of unearned title IV assistance to be returned under paragraph (e)(4) of this section.

(3) The student (or parent in the case of funds due to a parent PLUS Loan) must return or repay, as appropriate, the amount determined under paragraph (h)(1) of this section to—

(i) Any title IV loan program in accordance with the terms of the loan; and

(ii) Any title IV grant program as an overpayment of the grant; however, a student is not required to return the following—

(A) The portion of a grant overpayment amount that is equal to or less than 50 percent of the total grant assistance that was disbursed (and that could have been disbursed, as defined in paragraph (l)(1) of this section) to the student for the payment period or period of enrollment.

(B) With respect to any grant program, a grant overpayment amount, as determined after application of paragraph (h)(3)(ii)(A) of this section, of 50 dollars or less that is not a remaining balance.

(4)(i) A student who owes an overpayment under this section remains eligible for title IV, HEA program funds through and beyond the earlier of 45 days from the date the institution sends a notification to the student of
the overpayment, or 45 days from the
date the institution was required to not-
tify the student of the overpayment if,
during those 45 days the student—
(A) Repays the overpayment in full
to the institution;
(B) Enters into a repayment agree-
ment with the institution in accord-
ance with repayment arrangements
satisfactory to the institution; or
(C) Signs a repayment agreement
with the Secretary, which will include
terms that permit a student to repay
the overpayment while maintaining his
or her eligibility for title IV, HEA pro-
gram funds.
(ii) Within 30 days of the date of the
institution’s determination that the
student withdrew, an institution must
send a notice to any student who owes
a title IV, HEA grant overpayment as a
result of the student’s withdrawal from
the institution in order to recover the
overpayment in accordance with para-
graph (h)(4)(i) of this section.
(iii) If an institution chooses to enter
into a repayment agreement in accord-
ance with paragraph (h)(4)(i)(B) of this
section with a student who owes an
overpayment of title IV, HEA grant
funds, it must—
(A) Provide the student with terms
that permit the student to repay the
overpayment while maintaining his or
her eligibility for title IV, HEA pro-
gram funds; and
(B) Require repayment of the full
amount of the overpayment within two
years of the date of the institution’s
determination that the student with-
drew.
(iv) An institution must refer to the
Secretary, in accordance with proce-
dures required by the Secretary, an
overpayment of title IV, HEA grant
funds owed by a student as a result of
the student’s withdrawal from the in-
sitution if—
(A) The student does not repay the
overpayment in full to the institution,
or enter a repayment agreement with
the institution or the Secretary in ac-
cordance with paragraph (h)(4)(i) of
this section within the earlier of 45
days from the date the institution
sends a notification to the student of
the overpayment, or 45 days from the
date the institution was required to not-
tify the student of the overpayment;
(B) At any time the student fails to
meet the terms of the repayment
agreement with the institution entered
into in accordance with paragraph
(h)(4)(i)(B) of this section; or
(C) The student chooses to enter into
a repayment agreement with the Sec-
retary.
(v) A student who owes an overpay-
ment is ineligible for title IV, HEA pro-
gram funds—
(A) If the student does not meet the
requirements in paragraph (h)(4)(i) of
this section, on the day following the
45-day period in that paragraph; or
(B) As of the date the student fails to
meet the terms of the repayment
agreement with the institution or the
Secretary entered into in accordance
with paragraph (h)(4)(i) of this section
re-
gains eligibility if the student and the
Secretary enter into a repayment
agreement.
(5) The Secretary may waive grant
overpayment amounts that students
are required to return under this sec-
tion if the withdrawals on which the
returns are based are withdrawals by
students—
(i) Who were residing in, employed in,
or attending an institution of higher
education that is located in an area in
which the President has declared that
a major disaster exists, in accordance
with section 401 of the Robert T. Staff-
ford Disaster Relief and Emergency As-
sistance Act (42 U.S.C. 5170); and
(ii) Whose attendance was inter-
rupted because of the impact of the dis-
aster on the student or institution; and
(iii) Whose withdrawal occurred within
the award year during which the
designation occurred or during the
next succeeding award year.
(i) Order of return of title IV funds—(1)
Loans. Unearned funds returned by the
institution or the student, as appro-
priate, in accordance with paragraph
(g) or (h) of this section respectively,
must be credited to outstanding bal-
ances on title IV loans made to the stu-
dent or on behalf of the student for the
payment period or period of enrollment
for which a return of funds is required.
Those funds must be credited to out-
standing balances for the payment pe-
riod or period of enrollment for which
a return of funds is required in the following order:

(i) Unsubsidized Federal Stafford loans.
(ii) Subsidized Federal Stafford loans.
(iii) Unsubsidized Federal Direct Stafford loans.
(iv) Subsidized Federal Direct Stafford loans.
(v) Federal Perkins loans.
(vi) Federal PLUS loans received on behalf of the student.
(vii) Federal Direct PLUS received on behalf of the student.

(2) Remaining funds. If unearned funds remain to be returned after repayment of all outstanding loan amounts, the remaining excess must be credited to any amount awarded for the payment period or period of enrollment for which a return of funds is required in the following order:

(i) Federal Pell Grants.
(ii) Academic Competitiveness Grants.
(iii) National SMART Grants.
(iv) FSEOG Program aid.
(v) TEACH Grants.

(k) Consumer information. An institution must provide students with information about the requirements of this section in accordance with §668.43.

(l) Definitions. For purposes of this section—

(1) Title IV grant or loan funds that “could have been disbursed” are determined in accordance with the late disbursement provisions in §668.164(g).

(2) A “period of enrollment” is the academic period established by the institution for which institutional charges are generally assessed (i.e., length of the student’s program or academic year).

(3) The “date of the institution’s determination that the student withdrew” for an institution that is not required to take attendance is—

(i) For a student who provides notification to the institution of his or her withdrawal, the student’s withdrawal date as determined under paragraph (c) of this section or the date of notification of withdrawal, whichever is later;

(ii) For a student who did not provide notification of his or her withdrawal to the institution, the date that the institution becomes aware that the student ceased attendance;

(iii) For a student who does not return from an approved leave of absence, the earlier of the date of the end of the leave of absence or the date the student notifies the institution that he or she will not be returning to the institution; or

(iv) For a student whose rescission is negated under paragraph (c)(2)(i)(B) of this section, the date the institution becomes aware that the student did not, or will not, complete the payment period or period of enrollment.

(v) For a student who takes a leave of absence that is not approved in accordance with paragraph (d) of this section, the date that the student begins the leave of absence.

(3) Logging into an online class without active participation; or
(4) Participating in academic counseling or advisement.
(ii) A determination of “academic attendance” or “attendance at an academically-related activity” must be made by the institution; a student’s certification of attendance that is not supported by institutional documentation is not acceptable.

8) A program is a nonstandard-term program if the program is a term-based program that does not qualify under 34 CFR 690.63(a)(1) or (a)(2) to calculate Federal Pell Grant payments under 34 CFR 690.63(b) or (c).

§ 668.23 Compliance audits and audited financial statements.

(a) General—(1) Independent auditor. For purposes of this section, the term “independent auditor” refers to an independent certified public account or a government auditor. To conduct an audit under this section, a government auditor must meet the Government Auditing Standards qualification and independence standards, including standards related to organizational independence.

(2) Institutions. An institution that participates in any title IV, HEA program must at least annually have an independent auditor conduct a compliance audit of its administration of that program and an audit of the institution’s general purpose financial statements.

(3) Third-party servicers. Except as provided under this part or 34 CFR part 682, with regard to complying with the provisions under this section a third-party servicer must follow the procedures contained in the audit guides developed by and available from the Department of Education’s Office of Inspector General. A third-party servicer is defined under §668.2 and 34 CFR 682.200.

(4) Submission deadline. Except as provided by the Single Audit Act, Chapter 75 of title 31, United States Code, an institution must submit annually to the Secretary its compliance audit and its audited financial statements no later than six months after the last day of the institution’s fiscal year.

(5) Audit submission requirements. In general, the Secretary considers the compliance audit and audited financial statement submission requirements of this section to be satisfied by an audit conducted in accordance with the Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, or the audit guides developed and available from the Department of Education’s Inspector General, whichever is applicable to the entity, and provided that the Federal student aid functions performed by that entity are covered in the submission. (Both OMB circulars are available by calling OMB’s Publication Office at (202) 395-7332, or they can be obtained in electronic form on the OMB Home Page [http://www.whitehouse.gov]).
and must cover all of those transactions that have occurred since the period covered by the institution’s last compliance audit.

(2) The compliance audit required under this section must be conducted in accordance with—

(i) The general standards and the standards for compliance audits contained in the U.S. General Accounting Office’s (GAO’s) Government Auditing Standards. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402); and

(ii) Procedures for audits contained in audit guides developed by, and available from, the Department of Education’s Office of Inspector General.

(3) The Secretary may require an institution to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(c) Compliance audits for third-party servicers. (1) A third-party servicer that administers title IV, HEA programs for institutions does not have to have a compliance audit performed if—

(i) The servicer contracts with only one institution; and

(ii) The audit of that institution’s administration of the title IV, HEA programs involves every aspect of the servicer’s administration of that program for that institution.

(2) A third-party servicer that contracts with more than one participating institution may submit a compliance audit report that covers the servicer’s administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(3) A third-party servicer must submit annually to the Secretary its compliance audit no later than six months after the last day of the servicer’s fiscal year.

(4) The Secretary may require a third-party servicer to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(d) Audited financial statements—(1) General. To enable the Secretary to make a determination of financial responsibility, an institution must, to the extent requested by the Secretary, submit to the Secretary a set of financial statements for its latest complete fiscal year, as well as any other documentation the Secretary deems necessary to make that determination. Financial statements submitted to the Secretary must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards, issued by the Comptroller General of the United States and other guidance contained in the Office of Management and Budget Circular A–133, Audits of States, Local Governments, and Non-Profit Organizations; or in audit guides developed by, and available from, the Department of Education’s Office of Inspector General, whichever is applicable. As part of these financial statements, the institution must include a detailed description of related entities based on the definition of a related entity as set forth in the Statement of Financial Accounting Standards (SFAS) 57. The disclosure requirements under this provision extend beyond those of SFAS 57 to include all related parties and a level of detail that would enable the Secretary to readily identify the related party. Such information may include, but is not limited to, the name, location and a description of the related entity including the nature and amount of any transactions between the related party and the institution, financial or otherwise, regardless of when they occurred.

(2) Submission of additional financial statements. To the extent requested by the Secretary in determining whether an institution is financially responsible, the Secretary may also require the submission of audited consolidated financial statements, audited full consolidating financial statements, audited combined financial statements or the audited financial statements of one or more related parties that have the ability, either individually or collectively, to significantly influence or
control the institution, as determined by the Secretary.

(3) Disclosure of Title IV, HEA program revenue. A proprietary institution must disclose in a footnote to its financial statement audit the percentage of its revenues derived from the Title IV, HEA program funds that the institution received during the fiscal year covered by that audit. The revenue percentage must be calculated in accordance with §668.28. The institution must also report in the footnote the dollar amount of the numerator and denominator of its 90/10 ratio as well as the individual revenue amounts identified in section 2 of appendix C to subpart B of part 668.

(4) Audited financial statements for third-party servicers. A third-party servicer that enters into a contract with a lender or guaranty agency to administer any aspect of the lender’s or guaranty agency’s programs, as provided under 34 CFR part 682, must submit annually an audited financial statement. This financial statement must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards and other guidance contained in audit guides issued by the Department of Education’s Office of Inspector General.

(e) Access to records. (1) An institution or a third-party servicer that has a compliance or financial statement audit conducted under this section must—

(i) Give the Secretary and the Inspector General access to records or other documents necessary to review that audit, including the right to obtain copies of those records or documents; and

(ii) Require an individual or firm conducting the audit to give the Secretary and the Inspector General access to records, audit work papers, or other documents necessary to review that audit, including the right to obtain copies of those records, work papers, or documents.

(2) An institution must give the Secretary and the Inspector General access to records or other documents necessary to review a third-party servicer’s compliance or financial statement audit, including the right to obtain copies of those records or documents.

(f) Determination of liabilities. (1) Based on the audit finding and the institution’s or third-party servicer’s response, the Secretary determines the amount of liability, if any, owed by the institution or servicer and instructs the institution or servicer as to the manner of repayment.

(2) If the Secretary determines that a third-party servicer owes a liability for its administration of an institution’s title IV, HEA programs, the servicer must notify each institution under whose contract the servicer owes a liability of that determination. The servicer must also notify every institution that contracts with the servicer for the same service that the Secretary determined that a liability was owed.

(g) Repayments. (1) An institution or third-party servicer that must repay funds under the procedures in this section shall repay those funds at the direction of the Secretary within 45 days of the date of the Secretary’s notification, unless—

(i) The institution or servicer files an appeal under the procedures established in subpart H of this part; or

(ii) The Secretary permits a longer repayment period.

(2) Notwithstanding paragraphs (f) and (g)(1) of this section—

(i) If an institution or third-party servicer has posted surety or has provided a third-party guarantee and the Secretary questions expenditures or compliance with applicable requirements and identifies liabilities, then the Secretary may determine that deferring recourse to the surety or guarantee is not appropriate because—

(A) The need to provide relief to students or borrowers affected by the act or omission giving rise to the liability outweighs the importance of deferring collection action until completion of available appeal proceedings; or

(B) The terms of the surety or guarantee do not provide complete assurance that recourse to that protection will be fully available through the completion of available appeal proceedings; or
(ii) The Secretary may use administrative offset pursuant to 34 CFR part 30 to collect the funds owed under the procedures of this section.

(3) If, under the proceedings in subpart H, liabilities asserted in the Secretary’s notification, under paragraph (e)(1) of this section, to the institution or third-party servicer are upheld, the institution or third-party servicer must repay those funds at the direction of the Secretary within 30 days of the final decision under subpart H of this part unless—
   (i) The Secretary permits a longer repayment period; or
   (ii) The Secretary determines that earlier collection action is appropriate pursuant to paragraph (g)(2) of this section.

(4) An institution is held responsible for any liability owed by the institution’s third-party servicer for a violation incurred in servicing any aspect of that institution’s participation in the title IV, HEA programs and remains responsible for that amount until that amount is repaid in full.

(h) Audit submission requirements for foreign institutions. (1) Audited financial statements. (i) The Secretary waives for that fiscal year the submission of audited financial statements if the institution is a foreign public or nonprofit institution that received less than $500,000 in U.S. title IV program funds during its most recently completed fiscal year, unless that foreign public or nonprofit institution is in its initial provisional period of participation, and received title IV program funds during that fiscal year, in which case the institution must submit, in English, audited financial statements prepared in accordance with the generally accepted accounting principles of the institution’s home country.

   (ii) Except as provided in paragraph (h)(1)(ii) of this section, a foreign institution that received $500,000 or more in U.S. title IV program funds during its most recently completed fiscal year must submit, in English, for each most recently completed fiscal year, audited financial statements prepared in accordance with the generally accepted accounting principles of the institution’s home country along with corresponding audited financial statements that meet the requirements of paragraph (d) of this section.

   (iii) In lieu of making the submission required by paragraph (h)(1)(ii) of this section, a public or private nonprofit institution that received—
       (A) $500,000 or more in U.S. title IV program funds, but less than $3,000,000 in U.S. title IV program funds during its most recently completed fiscal year, may submit for that year, in English, audited financial statements prepared in accordance with the generally accepted accounting principles of the institution’s home country, and is not required to submit the corresponding audited financial statements that meet the requirements of paragraph (d) of this section;
       (B) At least $3,000,000, but less than $10,000,000 in U.S. title IV, program funds during its most recently completed fiscal year, must submit in English, for each most recently completed fiscal year, audited financial statements prepared in accordance with the generally accepted accounting principles of the institution’s home country along with corresponding audited financial statements that meet the requirements of paragraph (d) of this section, except that an institution that continues to receive at least $3,000,000 but less than $10,000,000 in U.S. title IV funds during its most recently completed fiscal year may omit the audited financial statements that meet the requirements of paragraph (d) of this section for up to two consecutive years following the submission of audited financial statements that meet the requirements of paragraph (d) of this section.

(2) Compliance audits. A foreign institution’s compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution’s last compliance audit. A compliance audit that is due under this paragraph must be submitted no later than six months after the last day of the institution’s fiscal year, and must meet the following requirements:
   (i) If the foreign institution received $500,000 or more in U.S. dollars in title IV, HEA program funds during its most...
recently completed fiscal year, it must submit a standard compliance audit for that prior fiscal year that is performed in accordance with audit guides developed by, and available from, the Department of Education’s Office of Inspector General, together with an alternative compliance audit or audits prepared in accordance with paragraph (h)(2)(ii) of this section for any preceding fiscal year or years in which the foreign institution received less than $500,000 in U.S. dollars in title IV, HEA program funds and for which a compliance audit has not already been submitted;

(ii) If the foreign institution received less than $500,000 U.S. in title IV, HEA program funds for its most recently completed fiscal year, it must submit an alternative compliance audit for that prior fiscal year that is performed in accordance with audit guides developed by, and available from, the Department of Education’s Office of Inspector General, except as noted in paragraph (h)(2)(iii) of this section.

(iii) If so notified by the Secretary, a foreign institution may submit an alternative compliance audit performed in accordance with audit guides developed by, and available from, the Department of Education’s Office of Inspector General, that covers a period not to exceed three of the institution’s consecutive fiscal years if such audit is submitted either no later than six months after the last day of the most recent fiscal year, or contemporaneously with a standard compliance audit timely submitted under paragraph (h)(2)(i) or (h)(3)(ii) of this section for the most recently completed fiscal year, and if the following conditions are met:

(A) The institution received less than $500,000 in title IV, HEA program funds for its most recently completed fiscal year.

(B) The institution has timely submitted acceptable compliance audits for two consecutive fiscal years, and following such submission, has no history of late submission since then.

(C) The institution is fully certified.

(iii) Exceptions. Notwithstanding the provisions of paragraphs (h)(2)(i) and (h)(2)(iii) of this section, the Secretary may issue a letter to a foreign institution that identifies problems with its financial condition or financial reporting and requires the submission of audited financial statements in the manner specified by the Secretary.

(ii) Notwithstanding the provisions of paragraphs (h)(2)(ii) and (h)(2)(iii) of this section, the Secretary may issue to a foreign institution a letter that identifies problems with its administrative capability or compliance reporting that may require the compliance audit to be performed at a higher level of engagement, and may require the compliance audit to be submitted annually.

(3) The institution's participation is terminated under the proceedings in subpart G of this part;

(4) The institution's period of participation, as specified under § 668.13, expires, or the institution's provisional certification is revoked under § 668.13;

(5) The institution's program participation agreement is terminated or expires under § 668.14;

(6) The institution's participation ends under subpart M of this part; or

(7) The Secretary receives a notice from the appropriate State postsecondary review entity designated under 34 CFR part 667 that the institution's participation should be withdrawn.

(b) If an institution's participation in a Title IV, HEA program ends, the institution shall—

(1) Immediately notify the Secretary of that fact;

(2) Submit to the Secretary within 45 days after the date of the engagement letter:

(3) Inform the Secretary of the arrangements that the institution has made for the proper retention and storage for a minimum of three years of all records concerning the administration of that program;

(4) If the institution's participation in the Federal Perkins Loan Program ended, inform the Secretary of how the institution will provide for the collection of any outstanding loans made under that program;

(5) If the institution's participation in the LEAP Program ended—

(i) Inform immediately the State in which the institution is located of that fact; and

(ii) Notwithstanding paragraphs (c) through (e) of this section, follow the instructions of that State concerning the end of that participation;

(6) If the institution's participation in all the Title IV, HEA programs ended, inform the Secretary of how the institution will provide for the collection of any outstanding loans made under the National Defense/Direct Student Loan programs; and

(7) Continue to comply with the requirements of § 668.22 for the treatment of title IV, HEA program funds when a student withdraws.

(c) If an institution closes or stops providing educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution or the institution's students, the institution shall—

(1) Return to the Secretary, or otherwise dispose of under instructions from the Secretary, any unexpended funds that the institution has received under the Title IV, HEA programs for attendance at the institution, less the institution's administrative allowance, if applicable; and

(2) Return to the appropriate lenders any Federal Stafford Loan program proceeds that the institution has received under the Federal Pell Grant, ACG, National SMART Grant, or TEACH Grant Program or a...
campus-based program or request additional funds from the Secretary, under conditions specified by the Secretary, if the institution does not possess sufficient funds, to satisfy any unpaid commitment made to a student under that Title IV, HEA program only if—

(i) The institution’s participation in that Title IV, HEA program ends during a payment period;

(ii) The institution continues to provide, from the date that the participation ends until the scheduled completion date of that payment period, educational programs to otherwise eligible students enrolled in the formerly eligible programs of the institution;

(iii) The commitment was made prior to the end of the participation; and

(iv) The proceeds of the first disbursement of the loan were delivered to the student or credited to the student’s account prior to the end of the participation.

(e) For the purposes of this section—

(1) A commitment under the Federal Pell Grant, ACG, National SMART Grant, and TEACH Grant programs occurs when a student is enrolled and attending the institution and has submitted a valid Student Aid Report to the institution or when an institution has received a valid institutional student information report; and

(2) A commitment under the campus-based programs occurs when a student is enrolled and attending the institution and has received a notice from the institution of the amount that he or she can expect to receive and how and when that amount will be paid.

§ 668.27 Waiver of annual audit submission requirement.

(a) General. (1) At the request of an institution, the Secretary may waive the annual audit submission requirement for the period of time contained in paragraph (b) of this section if the institution satisfies the requirements contained in paragraph (c) of this section and posts a letter of credit in the amount determined in paragraph (d) of this section.
(2) An institution requesting a waiver must submit an application to the Secretary at such time and in such manner as the Secretary prescribes.

(3) The first fiscal year for which an institution may request a waiver is the fiscal year in which it submits its waiver request to the Secretary.

(b) Waiver period. (1) If the Secretary grants the waiver, the institution need not submit its compliance or audited financial statement until six months after—
   (i) The end of the third fiscal year following the fiscal year for which the institution last submitted a compliance audit and audited financial statement; or
   (ii) The end of the second fiscal year following the fiscal year for which the institution will apply for recertification.

(2) The Secretary does not grant a waiver if the award year in which the institution will apply for recertification is part of the second fiscal year following the fiscal year for which the institution last submitted compliance and financial statement audits.

(3) When an institution must submit its next compliance and financial statement audits under paragraph (b)(1) of this section—
   (i) The institution must submit a compliance audit that covers the institution’s administration of the title IV, HEA programs for the period for each fiscal year for which an audit did not have to be submitted as a result of the waiver, and an audited financial statement for its last fiscal year; and
   (ii) The auditor who conducts the audit must audit the institution’s annual determinations for the period subject to the waiver that it satisfied the 90/10 rule in §600.5 and the other conditions of institutional eligibility in §600.7 and §668.8(e)(2), and disclose the results of the audit of the 90/10 rule for each year in accordance with §668.23(d)(4).

(c) Criteria for granting the waiver. The Secretary grants a waiver to an institution if the institution—
   (1) Is not a foreign institution;
   (2) Did not disburse $200,000 or more of title IV, HEA program funds during each of the two completed award years preceding the institution’s waiver request;
   (3) Agrees to keep records relating to each award year in the unaudited period for two years after the end of the record retention period in §668.24(e) for that award year;
   (4) Has participated in the title IV, HEA programs under the same ownership for at least three award years preceding the institution’s waiver request;
   (5) Is financially responsible under §668.171, and does not rely on the alternative standards of §668.175 to participate in the title IV, HEA programs;
   (6) Is not on the reimbursement or cash monitoring system of payment;
   (7) Has not been the subject of a limitation, suspension, fine, or termination proceeding, or emergency action initiated by the Department or a guarantee agency in the three years preceding the institution’s waiver request;
   (8) Has submitted its compliance audits and audited financial statements for the previous two fiscal years in accordance with and subject to §668.23, and no individual audit disclosed liabilities in excess of $10,000; and
   (9) Submits a letter of credit in the amount determined in paragraph (d) of this section, which must remain in effect until the Secretary has resolved the audit covering the award years subject to the waiver.

(d) Letter of credit amount. For purposes of this section, the letter of credit amount equals 10 percent of the amount of title IV, HEA program funds the institution disbursed to or on behalf of its students during the award year preceding the institution’s waiver request.

(e) Rescission of the waiver. (1) The Secretary rescinds the waiver if the institution—
   (i) Disburses $200,000 or more of title IV, HEA program funds for an award year;
   (ii) Undergoes a change in ownership that results in a change of control; or
   (iii) Becomes the subject of an emergency action or a limitation, suspension, fine, or termination action initiated by the Department or a guarantee agency.
§ 668.28 Non-title IV revenue (90/10).

(a) General—

(1) Calculating the revenue percentage. A proprietary institution meets the requirement in §668.14(b)(16) that at least 10 percent of its revenue is derived from sources other than Title IV, HEA program funds by using the formula in appendix C of this subpart to calculate its revenue percentage for its latest complete fiscal year.

(2) Cash basis accounting. Except for institutional loans made to students under paragraph (a)(5)(i) of this section, the institution must use the cash basis of accounting in calculating its revenue percentage.

(3) Revenue generated from programs and activities. The institution must consider as revenue only those funds it generates from—

(i) Tuition, fees, and other institutional charges for students enrolled in eligible programs as defined in §668.8;

(ii) Activities conducted by the institution that are necessary for the education and training of its students provided those activities are—

(A) Conducted on campus or at a facility under the institution’s control;

(B) Performed under the supervision of a member of the institution’s faculty; and

(C) Required to be performed by all students in a specific educational program at the institution; and

(iii) Funds paid by a student, or on behalf of a student by a party other than the institution, for an education or training program that is not eligible under §668.8 if the program—

(A) Is approved or licensed by the appropriate State agency;

(B) Is accredited by an accrediting agency recognized by the Secretary under 34 CFR part 602;

(C) Provides an industry-recognized credential or certification, or prepares students to take an examination for an industry-recognized credential or certification issued by an independent third party;

(D) Provides training needed for students to maintain State licensing requirements; or

(E) Provides training needed for students to meet additional licensing requirements for specialized training for practitioners that already meet the general licensing requirements in that field.

(4) Application of funds. The institution must presume that any Title IV, HEA program funds it disburses, or delivers, to or on behalf of a student will be used to pay the student’s tuition, fees, or institutional charges, regardless of whether the institution credits the funds to the student’s account or pays the funds directly to the student, except to the extent that the student’s tuition, fees, or other charges are satisfied by—

(i) Grant funds provided by non-Federal public agencies or private sources independent of the institution;

(ii) Funds provided under a contractual arrangement with a Federal, State, or local government agency for the purpose of providing job training to low-income individuals who need that training;

(iii) Funds used by a student from a savings plan for educational expenses established by or on behalf of the student if the saving plan qualifies for special tax treatment under the Internal Revenue Code of 1986; or

(iv) Institutional scholarships that meet the requirements in paragraph (a)(5)(iv) of this section.

(5) Revenue generated from institutional aid. The institution must include the following institutional aid as revenue:

(i) For loans made to students and credited in full to the students’ accounts at the institution on or after July 1, 2008 and prior to July 1, 2012, include as revenue the net present value of the loans made to students during
§ 668.28  

(5) Revenue generated from loan funds in excess of loan limits prior to the Ensur- 

ing Continued Access to Student Loans Act of 2008 (ECASLA). For each student who receives an unsubsidized loan under the FFEL or Direct Loan programs on or after July 1, 2008 and prior to July 1, 2011, the amount of the loan disbursement for a payment period that exceeds the disbursement for which the student would have been eli- 

gible for that payment period under the loan limit in effect on the day prior to enactment of the ECASLA is included and deemed to be revenue from a source other than Title IV, HEA pro- 

gram funds but only to the extent that the excess amount pays for tuition, fees, or institutional charges remaining on the student’s account after other Title IV, HEA program funds are applied.

(7) Funds excluded from revenues. For the fiscal year, the institution does not include—

(i) The amount of Federal Work Study (FWS) wages paid directly to the student. However, if the institution credits the student’s account with FWS funds, those funds are included as revenue;

(ii) The amount of funds received by the institution from a State under the LEAP, SLEAP, or GAP programs;

(iii) The amount of institutional funds used to match Title IV, HEA program funds;

(iv) The amount of Title IV, HEA program funds refunded or returned under § 668.22. If any funds from the loan disbursement used in the return calculation under § 668.22 were counted as non-title IV revenue under para- 

graph (a)(6) of this section, the amount of Title IV, HEA program funds re- 

funded or returned under § 668.22 is consi- 

dered to consist of pre-ECASLA loan amounts and loan amounts in excess of the loan limits prior to ECASLA in the same proportion to the loan disburse- 

ment; or

(v) The amount the student is charged for books, supplies, and equip- 

ment unless the institution includes that amount as tuition, fees, or other institutional charges.

(b) Net present value (NPV). (1) As il- 

lustrated in appendix C of this subpart, an institution calculates the NPV of the loans it made under paragraph (a)(5)(i) of this section by—

(i) Using the formula, \( NPV = \sum \frac{R_t}{(1+i)^t} \), where—

(A) The variable “\( i \)” is the discount rate. For purposes of this section, an institution must use the most recent annual inflation rate as the discount rate;

(B) The variable “\( t \)” is time or period of the cash flow, in years, from the time the loan entered repayment; and

(C) The variable “\( R \)” is the net cash flow at time or period \( t \); and

(ii) Applying the NPV formula to the loans made during the fiscal year by—

(A) If the loans have substantially the same repayment period, using that repayment period for the range of val- 

ues of variable “\( t \)”; or

536
Ofc. of Postsecondary Educ., Education Pt. 668, Subpt. B, App. A

Pt. 668, Subpt. B, App. A

(B) Grouping the loans by repayment period and using the repayment period for each group for the range of values of variable “t”; and

(C) For each group of loans, as applicable, multiplying the total annual payments due on the loans by the institution’s loan collection rate (e.g., the total amount of payments collected divided by the total amount of payments due). The resulting amount is used for variable “R” in each period “t”, for each group of loans that a NPV is calculated.

(2) Instead of performing the calculations in paragraph (b)(1) of this section, using 50 percent of the total amount of loans that the institution made during the fiscal year as the NPV. However, if the institution chooses to use this 50 percent calculation, the institution may not sell any of these loans until they have been in repayment for at least two years.

(c) Sanctions. If an institution does not derive at least 10 percent of its revenue from sources other than Title IV, HEA program funds—

(1) For two consecutive fiscal years, it loses its eligibility to participate in the Title IV, HEA programs for at least two fiscal years. To regain eligibility, the institution must demonstrate that it complied with the State licensure and accreditation requirements under 34 CFR 600.5(a)(4) and (a)(6), and the financial responsibility requirements under subpart L of this part, for a minimum of two fiscal years after the fiscal year it became ineligible; or

(2) For any fiscal year, it becomes provisionally certified under §668.13(c)(1)(ii) for the two fiscal years after the fiscal year it failed to satisfy the revenue requirement. However, the institution’s provisional certification terminates on—

(i) The expiration date of the institution’s program participation agreement that was in effect on the date the Secretary determined the institution failed this requirement; or

(ii) The date the institution loses its eligibility to participate under paragraph (c)(1) of this section; and

(3) It must notify the Secretary no later than 45 days after the end of its fiscal year that it failed to meet this requirement.

APPENDIX A TO SUBPART B OF PART 668—STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Part III Chapter 3—Independence

(a) The Third general standard for governmental auditing is: In matters relating to the audit work, the audit organization and the individual auditors shall maintain an independent attitude.

(b) This standard places upon the auditor and the audit organization the responsibility for maintaining sufficient independence so that their opinions, conclusions, judgments, and recommendations will be impartial. If the auditor is not sufficiently independent to produce unbiased opinions, conclusions, and judgments, he should state in a prominent place in the audit report his relationship with the organization or officials being audited.1

(c) The auditor should consider not only whether his or her own attitude and beliefs permit him or her to be independent but also whether there is anything about his or her situation which would lead others to question his or her independence. Both situations deserve consideration since it is important not only that the auditor be, in fact, independent and impartial but also that other persons will consider him or her so.

(d) There are three general classes of impairments that the auditor needs to consider; these are personal, external, and organizational impairments. If one or more of these are of such significance as to affect the auditor’s ability to perform his or her work and report its results impartially, he or she should decline to perform the audit or indicate in the report that he or she was not fully independent.

Personal Impairments

There are some circumstances in which an auditor cannot be impartial because of his or her

1If the auditor is not fully independent because he or she is an employee of the audited entity, it will be adequate disclosure to so indicate. If the auditor is a practicing certified public accountant, his or her conduct should be governed by the AICPA “Statements on Auditing Procedure.”
her views or his or her personal situation. These circumstances might include:

1. Relationships of an official, professional, and/or personal nature that might cause the auditor to limit the extent or character of the inquiry, to limit disclosure, or to weaken his or her findings in any way.
2. Preconceived ideas about the objectives or quality of a particular operation or personal likes or dislikes of individuals, groups, or objectives of a particular program.
3. Previous involvement in a decision-making or management capacity in the operations of the governmental entity or program being audited.
4. Biases and prejudices, including those induced by political or social convictions, which result from employment in or loyalty to a particular group, entity, or level of government.
5. Actual or potential restrictive influence when the auditor performs preaudit work and subsequently performs a post audit.
6. Financial interest, direct or indirect, in an organization or facility which is benefiting from the audited programs.

External Impairments

External factors can restrict the audit or impinge on the auditor’s ability to form independent and objective opinions and conclusions. For example, under the following conditions either the audit itself could be adversely affected or the auditor would not have complete freedom to make an independent judgment: 2

1. Interference or other influence that improperly or imprudently eliminates, restricts, or modifies the scope or character of the audit.
2. Interference with the selection or application of audit procedures of the selection of activities to be examined.
3. Denial of access to such sources of information as books, records, and supporting documents or denial of opportunity to obtain explanations by officials and employees of the governmental organization, program, or activity under audit.
4. Interference in the assignment of personnel to the audit task.
5. Retaliatory restrictions placed on funds or other resources dedicated to the audit operation.
6. Activity to overrule or significantly influence the auditors judgment as to the appropriate content of the audit report.
7. Influences that place the auditor’s continued employment in jeopardy for reasons other than competency or the need for audit services.

2 Some of these situations may constitute justifiable limitations on the scope of the work. In such cases the limitation should be identified in the auditor’s report.

8. Unreasonable restriction on the time allowed to competently complete an audit assignment.

Organizational Impairments

(a) The auditor’s independence can be affected by his or her place within the organizational structure of governments. Auditors employed by Federal, State, or local government units may be subject to policy direction from superiors who are involved either directly or indirectly in the government management process. To achieve maximum independence such auditors and the audit organization itself not only should report to the highest practicable echelon within their government but should be organizationally located outside the line-management function of the entity under audit.

(b) These auditors should also be sufficiently removed from political pressures to ensure that they can conduct their auditing objectively and can report their conclusions completely without fear of censure. Whenever feasible they should be under a system which will place decisions on compensation, training, job tenure, and advancement on a merit basis.

(c) When independent public accountants or other independent professionals are engaged to perform work that includes inquiries into compliance with applicable laws and regulations, efficiency and economy of operations, or achievement of program results, they should be engaged by someone other than the officials responsible for the direction of the effort being audited. This practice removes the pressure that may result if the auditor must criticize the performance of those by whom he or she was engaged. To remove this obstacle to independence, governments should arrange to have auditors engaged by officials not directly involved in operations to be audited.

[51 FR 41921, Nov. 19, 1986. Redesignated at 65 FR 65550, Nov. 1, 2000]

Appendix B to Subpart B of Part 668—Appendix I, Standards for Audit of Governmental Organizations, Programs, Activities, and Functions (GAO)

Qualifications of Independent Auditors Engaged by Governmental Organizations

(a) When outside auditors are engaged for assignments requiring the expression of an opinion on financial reports of governmental organizations, only fully qualified public accountants should be employed. The type of qualifications, as stated by the Comptroller General, deemed necessary for financial audits of governmental organizations and programs is quoted below:
“Such audits shall be conducted * * * by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States. Except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975; Provided, That if the Secretary deems it necessary in the public interest, he may prescribe by regulations higher standards than those required for the practice of public accounting by the regulatory authorities of the States.”

(b) The standards for examination and evaluation require consideration of applicable laws and regulations in the auditor’s examination. The standards for reporting require a statement in the auditor’s report regarding any significant instances of noncompliance disclosed by his or her examination and evaluation work. What is to be included in this statement requires judgment. Significant instances of noncompliance, even those not resulting in legal liability to the audited entity, should be included. Minor procedural noncompliance need not be disclosed.

(c) Although the reporting standard is generally on an exception basis—that only noncompliance need be reported—it should be recognized that governmental entities often want positive statements regarding whether or not the auditor’s tests disclosed instances of noncompliance. This is particularly true in grant programs where authorizing agencies frequently want assurance in the auditor’s report that this matter has been considered. For such audits, auditors should obtain an understanding with the authorizing agency as to the extent to which such positive comments on compliance are desired. When coordinated audits are involved, the audit program should specify the extent of comments that the auditor is to make regarding compliance.

(d) When noncompliance is reported, the auditor should place the findings in proper perspective. The extent of instances of noncompliance should be related to the number of cases examined to provide the reader with a basis for judging the prevalence of noncompliance.

Section 3: Calculating the Revenue Percentage

\[
\frac{\Sigma \text{Adjusted Student Title IV Revenue}}{\Sigma \text{Adjusted Student Title IV Revenue} + \Sigma \text{Student Non-Title IV Revenue} + \text{Total Revenue from Other Sources}} = 90/10 \text{ Revenue Percentage}
\]

Adjustments to Student Title IV Revenue

1. The amount of FSEOG funds disbursed to a student (Item 10) and the amount of FWS funds credited to the student's account (Item 11) are reduced by the amount of the institutional matching funds (see Item 10 in Section 2 of the example).

2. If the amount of Funds Applied First (Item 6) + Student Title IV Revenue (Item 17) is more than Tuition and Fees (Item 1), then Student Title IV Revenue (Item 17) is reduced by the amount over Tuition and Fees (Item 1) (see Item 18 in Section 2 of the example).

3. If Title IV funds are returned for a student under 34 CFR 668.22, then Student Title IV Revenue is reduced by the amount returned.

(2) If the Social Security Administration does not confirm the student’s citizenship assertion under the data match with the Social Security Administration, the Secretary submits documentary evidence of that status to the institution. Before denying title IV, HEA assistance to a student for failing to establish citizenship, an institution must give a student at
§ 668.34 Satisfactory academic progress.

(a) Satisfactory academic progress policy. An institution must establish a reasonable satisfactory academic progress policy for determining whether an otherwise eligible student is making satisfactory academic progress in his or her educational program and may receive assistance under the title IV, HEA programs. The Secretary considers the institution’s policy to be reasonable if—

(1) The policy is at least as strict as the policy the institution applies to a student who is not receiving assistance under the title IV, HEA programs;

(2) The policy provides for consistent application of standards to all students within categories of students, e.g., full-time, part-time, undergraduate, and graduate students, and educational programs established by the institution;

(3) The policy provides that a student’s academic progress is evaluated—

(i) At the end of each payment period if the educational program is either one academic year in length or shorter than an academic year; or

(ii) For all other educational programs, at the end of each payment period or at least annually to correspond with the end of a payment period;

(4)(i) The policy specifies the grade point average (GPA) that a student must achieve at each evaluation, or if a GPA is not an appropriate qualitative measure, a comparable assessment measured against a norm; and

(ii) If a student is enrolled in an educational program of more than two academic years, the policy specifies that at the end of the second academic year, the student must have a GPA of at least a “C” or its equivalent, or have academic standing consistent with the institution’s requirements for graduation;

(5)(i) The policy specifies the pace at which a student must progress through his or her educational program to ensure that the student will complete the program within the maximum timeframe, as defined in paragraph (b) of this section, and provides for measurement of the student’s progress at each evaluation; and

(ii) An institution calculates the pace at which the student is progressing by dividing the cumulative number of hours the student has successfully completed by the cumulative number of hours the student has attempted. In making this calculation, the institution is not required to include remedial courses;

(6) The policy describes how a student’s GPA and pace of completion are affected by course incompletes, withdrawals, or repetitions, or transfers of credit from other institutions. Credit hours from another institution that are accepted toward the student’s educational program must count as both attempted and completed hours;

(7) Except as provided in paragraphs (c) and (d) of this section, the policy provides that, at the time of each evaluation, a student who has not achieved the required GPA, or who is not successfully completing his or her educational program at the required pace, is no longer eligible to receive assistance under the title IV, HEA programs;

(8) If the institution places students on financial aid warning, or on financial aid probation, as defined in paragraph (b) of this section, the policy describes these statuses and that—

(i) A student on financial aid warning may continue to receive assistance under the title IV, HEA programs for one payment period despite a determination that the student is not making satisfactory academic progress. Financial aid warning status may be assigned without an appeal or other action by the student; and

(ii) A student on financial aid probation may receive title IV, HEA program funds for one payment period. While a student is on financial aid probation, the institution may require the student to fulfill specific terms and conditions such as taking a reduced course load or enrolling in specific courses. At the end of one payment period on financial aid probation, the student must meet the institution’s satisfactory academic progress standards or
meet the requirements of the academic plan developed by the institution and the student to qualify for further title IV, HEA program funds;

(9) If the institution permits a student to appeal a determination by the institution that he or she is not making satisfactory academic progress, the policy describes—

(i) How the student may reestablish his or her eligibility to receive assistance under the title IV, HEA programs;

(ii) The basis on which a student may file an appeal: The death of a relative, an injury or illness of the student, or other special circumstances; and

(iii) Information the student must submit regarding why the student failed to make satisfactory academic progress, and what has changed in the student’s situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation;

(10) If the institution does not permit a student to appeal a determination by the institution that he or she is not making satisfactory academic progress, the policy must describe how the student may reestablish his or her eligibility to receive assistance under the title IV, HEA programs; and

(11) The policy provides for notification to students of the results of an evaluation that impacts the student’s eligibility for title IV, HEA program funds.

(b) Definitions. The following definitions apply to the terms used in this section:

(d) Institutions that evaluate satisfactory academic progress annually or less frequently than at the end of each payment period. (1) An institution that evaluates satisfactory academic progress annually or less frequently than at the end of each payment period and determines that a student is not making progress under its policy may nevertheless disburse title IV, HEA program funds to the student under the provisions of paragraph (d)(2) or (d)(3) of this section.

(c) If a student successfully completes a drug rehabilitation program described in paragraph (d) of this section after the student's most recent drug conviction, the student regains eligibility on the date the student successfully completes the program.

(d) A drug rehabilitation program referred to in paragraph (c) of this section is one which—

§668.44 Availability of employees for information dissemination purposes.

(a) Availability. (1) Except as provided in paragraph (b) of this section each institution shall designate an employee or group of employees who shall be available on a full-time basis to assist enrolled or prospective students in obtaining the information specified in §§668.42, 668.43, 668.45 and 668.46.

(2) If the institution designates one person, that person shall be available, upon reasonable notice, to any enrolled or prospective student throughout the normal administrative working hours of that institution.

(3) If more than one person is designated, their combined work schedules must be arranged so that at least one of them is available, upon reasonable notice, throughout the normal administrative working hours of that institution.

(b) Waiver. (1) the Secretary may waive the requirement that the employee or group of employees designated under paragraph (a) of this section be available on a full-time basis if the institution’s total enrollment, or the portion of the enrollment participating in the title IV, HEA programs, is too small to necessitate an employee or group of employees being available on a full-time basis.

(2) In determining whether an institution’s total enrollment or the number of title IV, HEA program recipients is too small, the Secretary considers whether there will be an insufficient demand for information dissemination services among its enrolled or prospective students to necessitate the full-time availability of an employee or group of employees.

(3) To receive a waiver, the institution shall apply to the Secretary at the time and in the manner prescribed by the Secretary.
§ 668.45 Information on completion or graduation rates.

(a)(1) An institution annually must prepare the completion or graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students, as provided in paragraph (b) of this section.

(2) An institution that determines that its mission includes providing substantial preparation for students to enroll in another eligible institution must prepare the transfer-out rate of its certificate- or degree-seeking, first-time, full-time undergraduate students, as provided in paragraph (c) of this section.

(3)(i) An institution that offers a predominant number of its programs based on semesters, trimesters, or quarters must base its completion or graduation rate, retention rate, and, if applicable, transfer-out rate calculations, on the cohort of certificate- or degree-seeking, first-time, full-time undergraduate students who enter the institution during the fall term of each year.

(ii) An institution covered by paragraph (a)(3)(ii) of this section must count as an entering student a first-time undergraduate student who is enrolled for at least—

(A) 15 days, in a program of up to, and including, one year in length; or

(B) 30 days, in a program of greater than one year in length.

(5) An institution must make available its completion or graduation rate and, if applicable, transfer-out rate, no later than the July 1 immediately following the 12-month period ending August 31 during which 150 percent of the normal time for completion or graduation has elapsed for all of the students in the group on which the institution bases its completion or graduation rate and, if applicable, transfer-out rate calculations.

(6)(i) Completion or graduation rate information must be disaggregated by gender, by each major racial and ethnic subgroup (as defined in IPEDS), by recipients of a Federal Pell Grant, by recipients of a Federal Family Education Loan or a Federal Direct Loan (other than an Unsubsidized Stafford Loan made under the Federal Family Education Loan Program or a Federal Direct Unsubsidized Stafford Loan) who did not receive a Federal Pell Grant, and by recipients of neither a Federal Pell Grant nor a Federal Family Education Loan or a Federal Direct Loan (other than an Unsubsidized Stafford Loan made under the Federal Family Education Loan Program or a Federal Direct Unsubsidized Loan) if the number of students in such group or with such status is sufficient to yield statistically reliable information and reporting will not reveal personally identifiable information about an individual student. If such number is not sufficient for such purpose, i.e., is too small to be meaningful, then the institution shall note that the institution enrolled too few of such students to so disclose or report with confidence and confidentiality.

(ii) An institution covered by the provisions of paragraph (a)(3)(i) of this section must base its completion or graduation rate, retention rate, and, if applicable, transfer-out rate calculations, on the cohort of certificate- or degree-seeking, first-time, full-time undergraduate students who enter the institution between September 1 of one year and August 31 of the following year.

(4)(i) An institution covered by the provisions of paragraph (a)(3)(i) of this section must count as an entering student a first-time undergraduate student who is enrolled as of October 15, the end of the institution's drop-add period, or another official reporting date as defined in §668.41(a).
received such aid for the period specified in paragraph (a)(3) of this section.

(iii) The requirement in paragraph (a)(6)(i) of this section shall not apply to two-year, degree-granting institutions of higher education until academic year 2011-2012.

(b) In calculating the completion or graduation rate under paragraph (a)(1) of this section, an institution must count as completed or graduated—

(1) Students who have completed or graduated by the end of the 12-month period ending August 31 during which 150 percent of the normal time for completion or graduation from their program has lapsed; and

(2) Students who have completed a program described in §668.8(b)(1)(ii), or an equivalent program, by the end of the 12-month period ending August 31 during which 150 percent of normal time for completion from that program has lapsed.

(c) In calculating the transfer-out rate under paragraph (a)(2) of this section, an institution must count as transfers-out students who by the end of the 12-month period ending August 31 during which 150 percent of the normal time for completion or graduation from the program in which they were enrolled has lapsed, have not completed or graduated but have subsequently enrolled in any program of an eligible institution for which its program provided substantial preparation.

(d) For the purpose of calculating a completion or graduation rate and a transfer-out rate, an institution may—

(1) Exclude students who—

(i) Have left school to serve in the Armed Forces;

(ii) Have left school to serve on official church missions;

(iii) Have left school to serve with a foreign aid service of the Federal Government, such as the Peace Corps;

(iv) Are totally and permanently disabled; or

(v) Are deceased.

(2) In cases where the students described in paragraphs (d)(1)(i) through (iii) of this section represent 20 percent or more of the certificate- or degree-seeking, full-time, undergraduate students at the institution, recalculate the completion or graduation rates of those students by adding to the 150 percent time-frame they normally have to complete or graduate, as described in paragraph (b) of this section, the time period the students were not enrolled due to their service in the Armed Forces, on official church missions, or with a recognized foreign aid service of the Federal Government.

(e)(1) The Secretary grants a waiver of the requirements of this section dealing with completion and graduation rate data to any institution that is a member of an athletic association or conference that has voluntarily published completion or graduation rate data, or has agreed to publish data, that the Secretary determines are substantially comparable to the data required by this section.

(2) An institution that receives a waiver of the requirements of this section must still comply with the requirements of §668.41(d)(3) and (f).

(3) An institution, or athletic association or conference applying on behalf of an institution, that seeks a waiver under paragraph (e)(1) of this section must submit a written application to the Secretary that explains why it believes the data the athletic association or conference publishes are accurate and substantially comparable to the information required by this section.

(f) In addition to calculating the completion or graduation rate required by paragraph (a)(1) of this section, an institution may, but is not required to—

(1) Calculate a completion or graduation rate for students who transfer into the institution;

(2) Calculate a completion or graduation rate for students described in paragraphs (d)(1)(i) through (iv) of this section; and

(3) Calculate a transfer-out rate as specified in paragraph (c) of this section, if the institution determines that its mission does not include providing substantial preparation for its students to enroll in another eligible institution.

(i) A copy of the income tax return or an Internal Revenue Service (IRS) form that lists tax account information of the applicant, his or her spouse, or his or her parents, as applicable for the specified year. (2) An institution may accept, in lieu of an income tax return or an IRS form that lists tax account information, the information reported for an item on the applicant’s FAFSA for the specified year if the Secretary has identified that item as having been obtained from the IRS and not having been changed.

(3) An institution must accept, in lieu of an income tax return or an IRS form that lists tax account information, the documentation set forth in paragraph (a)(4) of this section if the individual for the specified year—

§ 668.82 Standard of conduct.

(a) A participating institution or a third-party servicer that contracts with that institution acts in the nature of a fiduciary in the administration of the Title IV, HEA programs. To participate in any Title IV, HEA program, the institution or servicer must at all times act with the competency and integrity necessary to qualify as a fiduciary.

(b) In the capacity of a fiduciary—
(1) A participating institution is subject to the highest standard of care and diligence in administering the programs and in accounting to the Secretary for the funds received under those programs; and
(2) A third-party servicer is subject to the highest standard of care and diligence in administering any aspect of the programs on behalf of the institutions with which the servicer contracts and in accounting to the Secretary and those institutions for any funds administered by the servicer under those programs.

(c) The failure of a participating institution or any of the institution’s third-party servicers to administer a Title IV, HEA program, or to account for the funds that the institution or servicer receives under that program, in accordance with the highest standard of care and diligence required of a fiduciary, constitutes grounds for—
(1) An emergency action against the institution, a fine on the institution,
or the limitation, suspension, or termination of the institution's participation in that program; or

(2) An emergency action against the servicer, a fine on the servicer, or the limitation, suspension, or termination of the servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in that program.

(d)(1) A participating institution or a third-party servicer with which the institution contracts violates its fiduciary duty if—

(i)(A) The servicer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds;

(B) A person who exercises substantial control over the servicer, as determined according to §668.15, has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds;

(C) The servicer employs a person in a capacity that involves the administration of Title IV, HEA programs or the receipt of Title IV, HEA program funds who has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or who has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds; or

(D) The servicer uses or contracts in a capacity that involves any aspect of the administration of the Title IV, HEA programs with any other person, agency, or organization that has been or whose officers or employees have been—

(2) A violation for a reason contained in paragraph (d)(1) of this section is grounds for terminating—

(i) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in Title IV, HEA programs of any institution under whose contract the servicer committed the violation, if that institution had been aware of the violation and had failed to take the appropriate action described in paragraph (d)(1)(ii) of this section.

(e)(1) A participating institution or third-party servicer, as applicable, violates its fiduciary duty if—

(i)(A) The institution or servicer, as applicable, is debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(i) The institution’s participation in any Title IV, HEA program; and

(ii) The servicer’s eligibility to contract with any institution to administer any aspect of the institution’s participation in any Title IV, HEA program. The violation is also grounds for terminating any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution knew or should have known of the violation.

(f)(1) The debarment of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, or another Federal agency from participation in participation in Federal programs, under the procedures described in 2 CFR 3485.612(d) terminates, for the duration of the debarment—

(i) The institution’s participation in any Title IV, HEA program; and

(A) The institution’s participation in any Title IV, HEA program; and

(B) The servicer’s eligibility to contract with any institution to administer any aspect of the institution’s participation in any Title IV, HEA program.

(ii) A suspension described in paragraph (f)(2) of this section lasts for a period of 60 days, beginning on the effective date specified in the notice by the Secretary under 2 CFR 3485.612(c), unless—

(A) The institution or servicer, as applicable, and the Secretary, agree to an extension of the suspension; or

(B) The Secretary begins a limitation or termination proceeding against the institution or servicer, as applicable, under this subpart before the 60th day of the suspension.

(3) A debarment or suspension not described in (f)(1) or (f)(2) of this section of a participating institution or third-party servicer by another Federal agency constitutes prima facie evidence in a proceeding under this subpart that cause for suspension or debarment and termination, as applicable, exists.

§ 668.83 Emergency action.

(a) Under an emergency action, the Secretary may—

(1) Withhold Title IV, HEA program funds from a participating institution or its students, or from a third-party servicer, as applicable;

(ii) Withdraw the authority of the servicer to administer any aspect of any institution’s participation in any Title IV, HEA program except in accordance with a particular procedure.

(b)(1) An initiating official begins an emergency action against an institution or third-party servicer by sending the institution or servicer a notice by
registered mail, return receipt requested. In an emergency action against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The official also may transmit the notice by other, more expeditious means if practical.

(2) The emergency action takes effect on the date the initiating official mails the notice to the institution or servicer, as applicable.

(3) The notice states the grounds on which the emergency action is based, the consequences of the emergency action, and that the institution or servicer, as applicable, may request an opportunity to show cause why the emergency action is unwarranted.

(c)(1) An initiating official takes emergency action against an institution or third-party servicer only if that official—

(i) Receives information, determined by the official to be reliable, that the institution or servicer, as applicable, is violating any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA;

(ii) Determines that immediate action is necessary to prevent misuse of Title IV, HEA program funds; and

(iii) Determines that the likelihood of loss from that misuse outweighs the importance of awaiting completion of any proceeding that may be initiated to limit, suspend, or terminate, as applicable—

(A) The participation of the institution in one or more Title IV, HEA programs; or

(B) The eligibility of the servicer to contract with any institution to administer any aspect of the institution’s participation in a Title IV, HEA program.

(2) Examples of violations of a Title IV, HEA program requirement that cause misuse and the likely loss of Title IV, HEA program funds include—

(i) Causing the commitment, disbursement, or delivery by any party of Title IV, HEA program funds in an amount that exceeds—

(A) The amount for which students are eligible; or

(B) The amount of principal, interest, or special allowance payments that would have been payable to the holder of a Federal Stafford or Federal PLUS loan if a refund allocable to that loan had been made in the amount and at the time required;

(ii) Using, offering to make available, or causing the use or availability of Title IV, HEA program funds for educational services if—

(A) The institution, servicer, or agents of the institution or servicer have made a substantial misrepresentation as described in §§ 668.72, 668.73, or 668.74 related to those services;

(B) The institution lacks the administrative or financial ability to provide those services in full; or

(C) The institution, or servicer, as applicable, lacks the administrative or financial ability to make all required payments under § 668.22; and

(iii) Engaging in fraud involving the administration of a Title IV, HEA program. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student’s eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Secretary;

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution’s educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan or Federal PLUS programs or an independent auditor;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution’s participation in a Title IV, HEA program; and
§ 686.83  

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.  

(3) If the Secretary begins an emergency action against a third-party servicer, the Secretary may also begin an emergency action against any institution under whose contract a third-party servicer commits the violation.  

(d)(1) Except as provided in paragraph (d)(2) of this section, after an emergency action becomes effective, an institution or third-party servicer, as applicable, may not—  

(i) Make or increase awards or make other commitments of aid to a student under the applicable Title IV, HEA program;  

(ii) Disburse either program funds, institutional funds, or other funds as assistance to a student under that Title IV, HEA program;  

(iii) In the case of an emergency action pertaining to participation in the Federal Stafford Loan or Federal PLUS programs—  

(A) Certify an application for a loan under that program;  

(B) Deliver loan proceeds to a student under that program; or  

(C) Retain the proceeds of a loan made under that program that are received after the emergency action takes effect; or  

(iv) In the case of an emergency action against a third-party servicer, administer any aspect of any institution’s participation in any Title IV, HEA program.  

(2) If the initiating official withdraws, by an emergency action, the authority of the institution or servicer to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds, or the authority of the servicer to administer any aspect of any institution’s participation in any Title IV, HEA program, except in accordance with a particular procedure specified in the notice of emergency action, the institution or servicer, as applicable, may not take any action described in paragraph (d)(1) of this section except in accordance with the procedure specified in the notice.  

(e)(1) Upon request by the institution or servicer, as applicable, the Secretary provides the institution or servicer, as soon as practicable, with an opportunity to show cause that the emergency action is unwarranted or should be modified.  

(2) An opportunity to show cause consists of an opportunity to present evidence and argument to a show-cause official. The initiating official does not act as the show-cause official for any emergency action that the initiating official has begun. The show-cause official is authorized to grant relief from the emergency action. The institution or servicer may make its presentation in writing or, upon its request, at an informal meeting with the show-cause official.  

(3) The show-cause official may limit the time and manner in which argument and evidence may be presented in order to avoid unnecessary delay or the presentation of immaterial, irrelevant, or repetitious matter.  

(4) The institution or servicer, as applicable, has the burden of persuading the show-cause official that the emergency action imposed by the notice is unwarranted or should be modified because—  

(i) The grounds stated in the notice did not, or no longer, exist;  

(ii) The grounds stated in the notice will not cause loss or misuse of Title IV, HEA program funds; or  

(iii) The institution or servicer, as applicable, will use procedures that will reliably eliminate the risk of loss from the misuse described in the notice.  

(5) The show-cause official continues, modifies, or revokes the emergency action promptly after consideration of any argument and evidence presented by the institution or servicer, as applicable, and the initiating official.  

(6) The show-cause official notifies the institution or servicer, as applicable, of that official’s determination promptly after the completion of the show-cause meeting or, if no meeting is requested, after the official receives all the material submitted by the institution in opposition to the emergency action. In the case of a notice to a third-party servicer, the official also notifies each institution that contracts with
§ 668.84 Fine proceedings.

(ii) Substantially misrepresents the nature of—

(B) In the case of a third-party servicer, as applicable, the educational program, financial charges, or employability of the graduates of any institution that contracts with the servicer.

(2) If the Secretary begins a fine proceeding against a third-party servicer, the Secretary also may begin a fine, limitation, suspension, or termination proceeding against any institution under whose contract a third-party servicer commits the violation.

(b) Procedures. (1) A designated department official begins a fine proceeding by sending the institution or servicer, as applicable, a notice by certified mail, return receipt requested. In the case of a fine proceeding against a third-party servicer, the official also sends the notice to each institution that is affected by the alleged violations identified as the basis for the fine action, and, to the extent possible, to each institution that contracts with the servicer for the same service affected by the violation. This notice—

(i) Informs the institution or servicer of the Secretary's intent to fine the institution or servicer, as applicable, and the amount of the fine and identifies the alleged violations that constitute the basis for the action;

(iv) In the case of a fine proceeding against a third-party servicer, informs each institution that is affected by the alleged violations of the consequences of the action to the institution.

(2) If the institution or servicer does not request a hearing but submits written material, the designated department official, after considering that material, notifies the institution or, in the case of a third-party servicer, the servicer and each institution affected by the alleged violations that—

(i) The fine will not be imposed; or

(ii) The fine is imposed as of a specified date, and in a specified amount.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official sets the date and the place. The date is at least 15 days after the designated department official receives the request.

(iii) The hearing official issues the decision within the latest of the following dates:
(A) The 30th day after the last submission is filed with the hearing official.
(B) The 60th day after the last submission is filed with the hearing official if the Secretary, upon request of the hearing official, determines that the unusual complexity of the case requires additional time for preparation of the decision.
(C) The 50th day after the last day of the hearing, if the hearing official does not request the parties to make any posthearing submission.
(2) The hearing official’s initial decision states whether the imposition of the fine, limitation, suspension, or termination sought by the designated department official is warranted, in whole or in part. If the designated department official brought a termination action against the institution or servicer, the hearing official may, if appropriate, issue an initial decision to fine the institution or servicer, as applicable, or, rather than terminating the institution’s participation or servicer’s eligibility, as applicable, impose one or more limitations on the institution’s participation or servicer’s eligibility.
(3) Notwithstanding the provisions of paragraph (a)(2) of this section—
(1) If, in a termination action against an institution, the hearing official finds that the institution has violated the provisions of §668.14(b)(18), the
hearing official also finds that termination of the institution’s participation is warranted;

(ii) If, in a termination action against a third-party servicer, the hearing official finds that the servicer has violated the provisions of §668.82(d)(1), the hearing official also finds that termination of the institution’s participation or servicer’s eligibility, as applicable, is warranted;

(iii) If an action brought against an institution or third-party servicer involves its failure to provide surety in the amount specified by the Secretary under §668.15, the hearing official finds that the amount of the surety established by the Secretary was appropriate, unless the institution can demonstrate that the amount was unreasonable;

(iv) In a termination action taken against an institution or third-party servicer based on the grounds that the institution or servicer failed to comply with the requirements of §668.23(c)(3), if the hearing official finds that the institution or servicer failed to meet those requirements, the hearing official finds that the termination is warranted;

(v) In a termination action against an institution based on the grounds that the institution is not financially responsible under §668.15(c)(1), the hearing official finds that the termination is warranted unless the institution demonstrates that all applicable conditions described in §668.15(d)(4) have been met; and

(vi) In a termination action against an institution or third-party servicer on the grounds that the institution or servicer, as applicable, engaged in fraud involving the administration of any Title IV, HEA program, the hearing official finds that the termination action is warranted if the hearing official finds that the institution or servicer, as applicable, engaged in that fraud. Examples of fraud include—

(b)(1) In a suspension proceeding, the Secretary reviews the hearing official’s initial decision and issues a final decision within 20 days after the initial decision. The Secretary adopts the initial decision unless it is clearly unsupported by the evidence presented at the hearing.

(2) The Secretary notifies the institution or servicer and, in the case of a suspension proceeding against a third-party servicer, each institution that contracts with the servicer of the final decision. If the Secretary suspends the institution’s participation or servicer’s eligibility, the suspension takes effect on the later of—

(2) Documents filed by facsimile transmission must be transmitted to the designated department official identified, either in the notice initiating the action, or, for an appeal, in instructions provided by the hearing official, as the individual responsible for the action taken.

(vii) The Secretary renders a final decision. The Secretary may delegate to a designated department official the functions described in paragraph (c)(2)(vii) through (ix) of this section.

(viii) In rendering a final decision, the Secretary considers only evidence introduced into the record at the hearing and facts agreed to by the parties if the hearing consisted only of written submissions and matters that may be judicially noticed.

(ix) If the hearing official finds that a termination is warranted pursuant to paragraph (a)(3) of this section, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further proceedings consistent with the Secretary’s decision. If the Secretary affirms the initial decision without issuing a statement of reasons, the Secretary adopts the opinion of the hearing official as the decision of the Secretary. If the Secretary modifies, reverses, or remands the initial decision, the Secretary’s decision states the reasons for the action taken.

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

§ 668.131 Definitions.

The following definitions apply to this subpart:

Eligible noncitizen: An individual possessing an immigration status that meets the requirements of §668.33(a)(2).

Primary confirmation: A process by which the Secretary, by means of a matching program conducted with the INS, compares the information contained in an Application for Federal Student Aid or a multiple data entry application regarding the immigration status of a noncitizen applicant for title IV, HEA assistance with records of that status maintained by the INS in its Alien Status Verification Index (ASVI) system for the purpose of determining whether a student’s immigration status meets the requirements of §668.33(a)(2) and reports the results of this comparison on an output document.

Secondary confirmation: A process by which the INS, in response to the submission of INS Document Verification Form G–845 by an institution, searches pertinent paper and automated INS files, other than the ASVI database, for the purpose of determining a student’s immigration status and the validity of the submitted INS documents, and reports the results of this search to the institution.

§ 668.132 Institutional determinations of eligibility based on primary confirmation.

(a) Except as provided in §668.133(a)(1)(ii), the institution shall determine a student to be an eligible noncitizen if the institution receives an output document for that student establishing that—

(1) The INS has confirmed the student’s immigration status; and

(2) The student’s immigration status meets the noncitizen eligibility requirements of §668.33(a)(2).

(b) If an institution determines a student to be an eligible noncitizen in accordance with paragraph (a) of this section, the institution may not require the student to produce the documentation otherwise required under §668.33(a)(2).

[58 FR 3184, Jan. 7, 1993, as amended at 63 FR 40626, July 29, 1998]

§ 668.133 Conditions under which an institution shall require documentation and request secondary confirmation.

(a) General requirements. Except as provided in paragraph (b) of this section, an institution shall require the student to produce the documentation required under §668.33(a)(2) and request the INS to perform secondary confirmation for a student claiming eligibility under §668.33(a)(2), in accordance with the procedures set forth in §668.135, if—

(1) The institution—

(i) Receives an output document indicating that the student must provide the institution with evidence of the student’s immigration status required under §668.33(a)(2); or
(i) Receives an output document that satisfies the requirements of §668.132(a)(1) and (2), but the institution—
(A) Has documentation that conflicts with immigration-status documents submitted by the student or the immigration status reported on the output document; or
(B) Has reason to believe that the immigration status reported by the student or on the output document is incorrect; and

(2) The institution determines that the immigration-status documents submitted by the student constitute reasonable evidence of the student’s claim to be an eligible noncitizen.

(b) Exclusions from secondary confirmation. (1) An institution may not require the student to produce the documentation requested under §668.33(a)(2) and may not request that INS perform secondary confirmation, if the student—
(i) Demonstrates eligibility under the provisions of §668.33(a)(1) or (b); or
(ii) Demonstrated eligibility under the provisions of §668.33(a)(2) in a previous award year as a result of secondary confirmation and the documents used to establish that eligibility have not expired; and
(iii) The institution does not have conflicting documentation or reason to believe that the student’s claim of citizenship or immigration status is incorrect.

(2) [Reserved]

§668.135 Institutional procedures for completing secondary confirmation.

Within 10 business days after an institution receives the documentary evidence of immigration status submitted by a student required to undergo secondary confirmation, the institution shall—

(a) Complete the request portion of the INS Document Verification Request Form G–845;
(b) Copy front and back sides of all immigration-status documents received from the student and attach copies to the Form G–845; and
§668.136 Institutional determinations of eligibility based on INS responses to secondary confirmation requests.

(a) Except as provided in paragraphs (b) and (c) of this section, an institution that has requested secondary confirmation under §668.133(a) shall make its determination concerning a student’s eligibility under §668.33(a)(2) by relying on the INS response to the Form G–845.

(b) An institution shall make its determination concerning a student’s eligibility under §668.33(a)(2) pending the institution’s receipt of an INS response to the institution’s Form G–845 request concerning that student, if—

(1) The institution has given the student an opportunity to submit documents to the institution to support the student’s claim to be an eligible noncitizen;

(2) The institution possesses sufficient documentation concerning a student’s immigration status to make that determination;

(3) At least 15 business days have elapsed from the date the institution sent the Form G–845 request to the INS;

(4) The institution has no documentation that conflicts with the immigration-status documentation submitted by the student; and

(5) The institution has no reason to believe that the immigration status reported by the applicant is incorrect.

(c) An institution shall establish and use policies and procedures to ensure that, if the institution has disbursed or released title IV, HEA funds to the student in the award year or employed the student under the Federal Work-Study Program, and the institution determines, in reliance on the INS response to the institution’s request for secondary confirmation regarding that student, that the student was in fact not an eligible noncitizen during that award year, the institution provides the student with notice of the institution’s determination, an opportunity to contest the institution’s determination, and notice of the institution’s final determination.

§668.137 Deadlines for submitting documentation and the consequences of failure to submit documentation.

(a) A student shall submit before a deadline specified by the institution all documentation the student wishes to have considered to support a claim that the student meets the requirements of §668.33(a)(2). The deadline, set by the institution, must be not less than 30 days from the date the institution receives the student’s output document.

(b) If a student fails to submit the documentation by the deadline established in accordance with paragraph (a) of this section, the institution may not disburse to the student, or certify the student as eligible for, any title IV, HEA program funds for that period of enrollment or award year; employ the student under the Federal Work-Study Program; certify a Federal Stafford or Federal PLUS loan application, or originate a Direct Loan Program loan application for the student for that period of enrollment.

§668.138 Liability.

(a) A student is liable for any LEAP, FSEOG, Federal Pell Grant, ACG, National SMART Grant, or TEACH Grant payment and for any Federal Stafford, Direct Subsidized, Direct Unsubsidized or Federal Perkins loan made to him or her if the student was ineligible for the Title IV, HEA assistance.

(b) A Federal PLUS or Direct PLUS Loan borrower is liable for any Federal PLUS or Direct PLUS Loan made to him or her on behalf of an ineligible student.

(c) The Secretary does not take any action against an institution with respect to an error in the institution’s
determination that a student is an eligible noncitizen if, in making that determination, the institution followed the provisions in this subpart and relied on—

(1) An output document for that student indicating that the student’s immigration status meets the eligibility requirements for title IV, HEA assistance;

(2) An INS determination of the student’s immigration status and the authenticity of the student’s immigration documents provided in response to the institution’s request for secondary confirmation; or

(3) Immigration-status documents submitted by the student and the institution did not have reason to believe that the documents did not support the student’s claim to be an eligible noncitizen.

(d) Except as provided in paragraph (c) of this section, if an institution makes an error in its determination that a student is an eligible noncitizen, the institution is liable for any title IV, HEA disbursements made to this student during the award year or period of enrollment for which the student applied for title IV, HEA assistance.

(Authority: 20 U.S.C. 1070g, 1091, 1094)

§668.139 Recovery of payments and loan disbursements to ineligible students.

(a) If an institution makes a payment of a grant or a disbursement of a Federal Perkins loan to an ineligible student for which it is not liable in accordance with §668.138, it shall assist the Secretary in recovering the funds by notifying the lender in the case of an FFEL Program loan or the Secretary in the case of a Direct Loan Program loan that the student has failed to establish eligibility under the requirements of §§668.201 or 685.200, as appropriate.

(c) If an institution is liable for a payment of a grant or Federal Perkins loan to an ineligible student, the institution shall restore the amount equal to the payment or disbursement to the institution’s Federal Perkins loan fund or Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, FSEOG, or LEAP amount, even if the institution cannot collect the payment or disbursement from the student.

(d) If an institution is liable for a Federal Stafford, Federal PLUS, Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan disbursement to an ineligible student, the institution shall repay an amount equal to the disbursement to the lender in the case of an FFEL Program loan or the Secretary in the case of a Direct Loan Program loan, and provide written notice to the borrower.

These protocols include, for example, the use of parallel, equated forms; testing conditions; time allowed for the test; and standardized scoring. Tests are not limited to traditional paper and pencil (or computer-administered) instruments for which forms are constructed prior to administration to examinees. Tests may also include adaptive instruments that use computerized algorithms for selecting and administering items in real time; however, for such instruments, the size of the item pool and the method of item selection must ensure negligible overlap in items across retests.

Test administrator: An individual who is certified by the test publisher (or the State, in the case of an approved State test or assessment) to administer tests approved under this subpart in accordance with the instructions provided by the test publisher or the State, as applicable, which includes protecting the test and the test results from improper disclosure or release, and who is not compensated on the basis of test outcomes.

Test item: A question on a test.

Test publisher: An individual, organization, or agency that owns a registered copyright of a test, or has been authorized by the copyright holder to represent the copyright holder’s interests regarding the test.

§ 668.153 Administration of tests for individuals whose native language is not English or for individuals with disabilities.

(a) Individuals whose native language is not English. For an individual whose native language is not English and who is not fluent in English, the institution must use the following tests, as applicable:

(1) If the individual is enrolled or plans to enroll in a program conducted entirely in his or her native language, the individual must take a test approved under §§668.146 and 668.148(a)(1).

(2) If the individual is enrolled or plans to enroll in a program that is taught in English with an ESL component, the individual must take an English language proficiency assessment approved under §668.146(b) and, before beginning the portion of the program taught in English, a test approved under §668.146.

(3) If the individual is enrolled or plans to enroll in a program that is taught in English without an ESL component, or the individual does not enroll in any ESL component offered, the individual must take a test in English approved under §668.146.

(4) If the individual enrolls in an ESL program, the individual must take an ESL test approved under §668.148(b).

(5) If the individual enrolls or plans to enroll in a program that is taught in the student’s native language that either has an ESL component or a portion of the program will be taught in English, the individual must take an English proficiency test approved under §668.148(b) prior to beginning the portion of the program taught in English.

(b) Individuals with disabilities. (1) For an individual with a disability who has neither a high school diploma nor its equivalent and who is applying for title IV, HEA program funds and seeks to show his or her ability to benefit through the testing procedures in this subpart, an institution must use a test described in §668.148(a)(2) or §668.149(a).

(2) The test must reflect the individual’s skills and general learned abilities.

(3) The test administrator must ensure that there is documentation to support the determination that the individual is an individual with a disability and requires accommodations—such as extra time or a quiet room—for taking an approved test, or is unable to be evaluated by the use of an approved ATB test.

(4) Documentation of an individual’s disability may be satisfied by—

(i) A written determination, including a diagnosis and information about testing accommodations, if such accommodation information is available, by a licensed psychologist or physician; or

(2) To be an approved State process, the State does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State’s process if—

(1) The State administering the process can demonstrate that the students it admits under that process without a high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and
(2) The State’s process satisfies the requirements contained in paragraphs (c) and (d) of this section.

(c) A State process must require institutions participating in the process to provide each student they admit without a high school diploma or its recognized equivalent with the following services:

(1) Orientation regarding the institution’s academic standards and requirements, and student rights.
(2) Assessment of each student’s existing capabilities through means other than a single standardized test.
(3) Tutoring in basic verbal and quantitative skills, if appropriate.
(4) Assistance in developing educational goals.
(5) Counseling, including counseling regarding the appropriate class level for that student given the student’s individual’s capabilities.
(6) Follow-up by teachers and counselors regarding the student’s classroom performance and satisfactory progress toward program completion.

(d) A State process must—

(1) Monitor on an annual basis each participating institution’s compliance with the requirements and standards contained in the State’s process;
(2) Require corrective action if an institution is found to be in noncompliance with the State process requirements; and
(3) Terminate an institution from the State process if the institution refuses or fails to comply with the State process requirements.

(e)(1) The Secretary responds to a State’s request for approval of its State’s process within six months after the Secretary’s receipt of that request. If the Secretary does not respond by the end of six months, the State’s process is deemed to be approved.

(2) An approved State process becomes effective for purposes of determining student eligibility for title IV, HEA program funds under this subpart—

(i) On the date the Secretary approves the process; or
(ii) Six months after the date on which the State submits the process to the Secretary for approval, if the Secretary neither approves nor disapproves the process during that six month period.

(f) The Secretary approves a State process for a period not to exceed five years.
(g)(1) The Secretary withdraws approval of a State process if the Secretary determines that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(2) The Secretary provides a State with the opportunity to contest a finding that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(h) The State must calculate the success rates as referenced in paragraph (b) of this section by—

(1) Determining the number of students with high school diplomas who, during the applicable award year described in paragraph (i) of this section, enrolled in participating institutions and—

(i) Successfully completed education or training programs;
(ii) Remained enrolled in education or training programs at the end of that award year; or
(iii) Successfully transferred to and remained enrolled in another institution at the end of that award year;

(2) Determining the number of students with high school diplomas who enrolled in education or training programs in participating institutions during that award year;

(3) Determining the number of students calculated in paragraph (h)(2) of this section who remained enrolled after subtracting the number of students who subsequently withdrew or were expelled from participating institutions and received a 100 percent refund of their tuition under the institutions’ refund policies;

(4) Dividing the number of students determined in paragraph (h)(1) of this section by the number of students determined in paragraph (h)(3) of this section;

(5) Making the calculations described in paragraphs (h)(1) through (h)(4) of this section for students without a high school diploma or its recognized equivalent who enrolled in participating institutions.

(i) For purposes of paragraph (h) of this section, the applicable award year for which information is available that immediately precedes the date on which the State requests the Secretary to approve its State process, except that the award year selected must be one of the latest two completed award years preceding that application date.

Subpart K—Cash Management

SOURCE: 61 FR 60603, Nov. 29, 1996, unless otherwise noted.

§ 668.161 Scope and purpose (cash management rules).

(a) General. (1) This subpart establishes the rules and procedures under which a participating institution requests, maintains, disburses, and otherwise manages title IV, HEA program funds. This subpart is intended to—

(i) Promote sound cash management of title IV, HEA program funds by an institution;
(ii) Minimize the financing costs to the Federal Government of making title IV, HEA program funds available to a student or an institution; and
(iii) Minimize the costs that accrue to a student under a title IV, HEA loan program.

(2) The rules and procedures that apply to an institution under this subpart also apply to a third-party servicer.

(3) As used in this subpart—

(i) The title IV, HEA programs include only the Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, FSEOG, Federal Perkins Loan, FWS, Direct Loan, and FFEL programs;
(ii) The term “parent” means a parent borrower under the PLUS programs;
(iii) With regard to the FFEL Programs, the term “disburse” means the same as deliver loan proceeds under 34 CFR part 682 of the FFEL Program regulations; and
(iv) A day is a calendar day unless otherwise specified.

(4) An institution must follow the disbursement procedures in 34 CFR 675.16 for paying a student his or her
wages under the FWS Program instead of the disbursement procedures in §§668.164(a), (b), and (d) through (g), and 668.165.

(b) Federal interest in title IV, HEA program funds. Except for funds received by an institution for administrative expenses and for funds used for the Job Location and Development Program under the FWS Programs, funds received by an institution under the title IV, HEA programs are held in trust for the intended student beneficiaries, the Secretary, or lender or a guaranty agency under the FFEL programs. The institution, as a trustee of Federal funds, may not use or hypothecate (i.e., use as collateral) title IV, HEA program funds for any other purpose.

(Authority: 20 U.S.C. 1070g, 1094)

§ 668.162 Requesting funds.

(a) General. (1) The Secretary has sole discretion to determine the method under which the Secretary provides title IV, HEA program funds to an institution. In accordance with procedures established by the Secretary, the Secretary may provide funds to an institution under the advance, reimbursement, just-in-time, or cash monitoring payment methods.

(2) Each time an institution requests funds from the Secretary, the institution must identify the amount of funds requested by program and fiscal year designation that the Secretary assigned to the authorization for those funds.

(b) Advance payment method. Under the advance payment method—

(1) An institution submits a request for funds to the Secretary. The institution's request for funds may not exceed the amount of funds the institution needs immediately for disbursements the institution has made or will make to eligible students and parents;

(2) If the Secretary accepts that request, the Secretary initiates an electronic funds transfer (EFT) of that amount to a bank account designated by the institution; and

(3) The institution must disburse the funds requested as soon as administratively feasible but no later than three business days following the date the institution received those funds.

(c) Just-in-time payment method. Under the just-in-time payment method—

(1) For each student or parent that an institution determines is eligible for title IV, HEA program funds, the institution transmits electronically to the Secretary, within a timeframe established by the Secretary, records that contain program award information for that student or parent. As part of those records, the institution reports the date and amount of the disbursements that it will make or has made to that student or that student’s parent;

(2) For each record the Secretary accepts for a student or parent, the Secretary provides by EFT the corresponding disbursement amount to the institution on or before the date reported by the Secretary for that disbursement;

(3) When the institution receives the funds for each record accepted by the Secretary, the institution may disburse those funds based on its determination at the time the institution transmitted that record to the Secretary that the student is eligible for that disbursement; and

(4) The institution must report any adjustment to a previously accepted record within the time established by the Secretary in a notice published in the FEDERAL REGISTER.

(d) Reimbursement payment method. Under the reimbursement payment method—

(1) An institution must first make disbursements to students and parents for the amount of funds those students and parents are eligible to receive under the Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, Direct Loan, and campus-based programs before the institution may seek reimbursement from the Secretary for those disbursements. The Secretary considers an institution to have made a disbursement if the institution has either credited a student’s account or paid a student or parent directly with its own funds;

(2) An institution seeks reimbursement by submitting to the Secretary a
§ 668.163 Maintaining and accounting for funds.

(a)(1) Bank or investment account. An institution must maintain title IV, HEA program funds in a bank or investment account that is Federally insured or secured by collateral of value reasonably equivalent to the amount of those funds.

(b) Separate bank account. The Secretary may require an institution to maintain title IV, HEA program funds in a separate bank or investment account that contains no other funds if the Secretary determines that the institution failed to comply with—

(1) The requirements in this subpart; or

(2) The recordkeeping and reporting requirements in subpart B of this part; or

(3) Applicable program regulations.

(c) Interest-bearing or investment account. (1) An institution must maintain the Fund described in §674.8(a) of the Federal Perkins Loan Program regulations in an interest-bearing bank account or investment account consisting predominately of low-risk, income-producing securities, such as obligations issued or guaranteed by the United States. Interest or income

(Authority: 20 U.S.C. 1070g, 1094)

earned on Fund proceeds are retained by the institution as part of the Fund.

(2) Except as provided in paragraph (c)(3) of this section, an institution must maintain Direct Loan, Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account as described in paragraph (c)(1) of this section.

(3) An institution does not have to maintain Direct Loan, Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account for an award year if—

(i) The institution drew down less than a total of $3 million of those funds in the prior award year and anticipates that it will not draw down more than that amount in the current award year;

(ii) The institution demonstrates by its cash management practices that it will not earn over $250 on those funds during the award year; or

(iii) The institution requests those funds from the Secretary under the just-in-time payment method.

(4) If an institution maintains Direct Loan, Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, FSEOG, and FWS program funds in an interest-bearing or investment account, the institution may keep the initial $250 it earns on those funds during an award year. By June 30 of that award year, the institution must remit to the Secretary any earnings over $250.

(d) Accounting and internal control systems and financial records. (1) An institution must maintain accounting and internal control systems that—

(i) Identify the cash balance of the funds of each title IV, HEA program that are included in the institution’s bank or investment account as readily as if those program funds were maintained in a separate account; and

(ii) Identify the earnings on title IV, HEA program funds maintained in the institution’s bank or investment account.

(2) An institution must maintain its financial records in accordance with the provisions under §668.24.

(e) Standard of conduct. An institution must exercise the level of care and diligence required of a fiduciary with regard to maintaining and investing title IV, HEA program funds.

§668.164 Disbursing funds.

(a) Disbursement. (1) Except as provided in paragraph (a)(2) of this section, an institution makes a disbursement of title IV, HEA program funds on the date that the institution credits a student’s account at the institution or pays a student or parent directly with—

(i) Funds received from the Secretary; or

(ii) Funds received from a lender under the FFEL Programs; or

(iii) Institutional funds used in advance of receiving title IV, HEA program funds.

(2) If, earlier than 10 days before the first day of classes of a payment period, or for a student subject to the requirements of §682.604(c)(5) or §685.303(b)(4) earlier than 30 days after the first day of the payment period, an institution credits a student’s institutional account with institutional funds in advance of receiving title IV, HEA program funds, the Secretary considers that the institution makes that disbursement on the 10th day before the first day of classes, or the 30th day after the beginning of the payment period for a student subject to the requirements of §682.604(c)(5) or §685.303(b)(4).

(b) Disbursements by payment period. (1) Except as provided in paragraph (b)(2) of this section, an institution must disburse title IV, HEA program funds on a payment period basis. An institution must disburse title IV, HEA program funds once each payment period unless—

(i) For FFEL and Direct Loan funds, 34 CFR 682.604(c)(6)(i) or 34 CFR 685.301(b)(3) applies; or

(ii) For Federal Perkins Loan, FSEOG, Federal Pell Grant, ACG, and National SMART Grant funds, an institution chooses to make more than one disbursement in each payment period unless—

(i) For FFEL and Direct Loan funds, 34 CFR 682.604(c)(6)(i) or 34 CFR 685.301(b)(3) applies;
in accordance with 34 CFR 674.16(b)(3), 34 CFR 676.16(a)(3), 34 CFR 690.76, or 34 CFR 691.76, as applicable; or
(iii) Other program regulations allow or require otherwise.

(2) The provisions of paragraph (b)(1) of this section do not apply to the disbursement of FWS Program funds.

(3) Except as provided in paragraph (g) of this section, an institution may disburse title IV, HEA program funds to a student or parent for a payment period only if the student is enrolled for classes for that payment period and is eligible to receive those funds.

(c) Direct payments. (1) An institution pays a student or parent directly by—
(i) Releasing to the student or parent a check provided by a lender to the institution under the FFEL Program;
(ii) Issuing a check payable to and requiring the endorsement of the student or parent. An institution issues a check on the date that it—
(A) Mails the check to the student or parent; or
(B) Notifies the student that the check is available for immediate pickup at a specified location at the institution. The institution may hold the check for up to 21 days after the date it notifies the student. If the student does not pick up the check within this 21-day period, the institution must immediately mail the check to the student or parent, initiate an EFT to the student’s or parent’s bank account, or return the funds to the appropriate title IV, HEA program;
(iii) Initiating an EFT to a bank account designated by the student or parent;
(iv) Dispensing cash for which the institution obtains a signed receipt from the student or parent.

(2) For purposes of this section, “bank account” means an account insured by the Federal Deposit Insurance Corporation (FDIC) or the National Credit Union Share Insurance Fund (NCUSIF). This account may be a checking, savings, or similar account that underlies a stored-value card or other transaction device.

(3) An institution may establish a policy requiring its students to provide bank account information or open an account at a bank of their choosing as long as this policy does not delay the disbursement of title IV, HEA program funds to students. Consequently, if a student does not comply with the institution’s policy, the institution must nevertheless disburse the funds to the student using a method described in paragraph (c) of this section in accordance with any timeframes required under subpart k of this part. In cases where the institution opens a bank account on behalf of a student or parent, establishes a process the student or parent follows to open a bank account, or similarly assists the student or parent in opening a bank account, the institution must—
(i) Obtain in writing affirmative consent from the student or parent to open that account;
(ii) Before the account is opened, inform the student or parent of the terms and conditions associated with accepting and using the account;
(iii) Not make any claims against the funds in the account without the written permission of the student or parent, except for correcting an error in transferring the funds in accordance with banking protocols;
(iv) Ensure that the student or parent does not incur any cost in opening the account or initially receiving any type of debit card, stored-value card, other type of automated teller machine (ATM) card, or similar transaction device that is used to access the funds in that account;
(v) Ensure that the student has convenient access to a branch office of the bank or an ATM of the bank in which the account was opened (or an ATM of another bank), so that the student does not incur any cost in making cash withdrawals from that office or these ATMs. This branch office or these ATMs must be located on the institution’s campus, in institutionally-owned or operated facilities, or, consistent with the meaning of the term “Public Property” as defined in §668.46(a), immediately adjacent to and accessible from the campus;
(vi) Ensure that the debit, stored-value or ATM card, or other device can be widely used, e.g., the institution may not limit the use of the card or device to particular vendors; and
(vii) Not market or portray the account, card, or device as a credit card
or credit instrument, or subsequently convert the account, card, or device to a credit card or credit instrument.

(d) Crediting a student’s account at the institution. An institution may use title IV, HEA program funds to credit a student’s account at the institution to satisfy—

(1) Current year charges for—

(i) Tuition and fees;

(ii) Board, if the student contracts with the institution for board;

(iii) Room, if the student contracts with the institution for room; and

(iv) If the institution obtains the student’s or parent’s authorization under §668.165(b), other educationally related charges incurred by the student at the institution;

(2) Prior award year charges for a total of not more than $200 for—

(i) Tuition and fees, room, or board; and

(ii) If the institution obtains the student’s or parent’s authorization under §668.165(b), other educationally related charges incurred by the student at the institution.

(e) Credit balances. Whenever an institution disburses title IV, HEA program funds by crediting a student’s account and the total amount of all title IV, HEA program funds credited exceeds the amount of tuition and fees, room and board, and other authorized charges the institution assessed the student, the institution must pay the resulting credit balance directly to the student or parent as soon as possible but—

(1) No later than 14 days after the balance occurred if the credit balance occurred after the first day of class of a payment period; or

(2) No later than 14 days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.

(f) Early disbursements. Except as provided under paragraph (f)(3) of this section—

(1) If a student is enrolled in a credit-hour educational program that is offered in semester, trimester, or quarter academic terms, the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is 10 days before the first day of classes for a payment period.

(2) If a student is enrolled in a credit-hour educational program that is not offered in semester, trimester, or quarter academic terms, or in a clock hour educational program the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is the later of—

(i) Ten days before the first day of classes of the payment period; or

(ii) The date the student completed the previous payment period for which he or she received title IV, HEA program funds, except that this provision does not apply to the payment of Direct Loan or FFEL program funds under the conditions described in 34 CFR 685.301(b)(3)(ii), (b)(5), and (b)(6) and 34 CFR 682.604(c)(6)(ii), (c)(7), and (c)(8), respectively.

(3) The earliest an institution may disburse the initial installment of a loan under the Direct Loan or FFEL programs to a first-year, first-time borrower as described in 34 CFR 682.604(c) and 34 CFR 685.303(b)(4) is 30 days after the first day of the student’s program of study.

(g) Late disbursements—(1) Ineligible student. For purposes of this paragraph, an otherwise eligible student becomes ineligible to receive title IV, HEA program funds on the date that—

(i) For a loan under the FFEL and Direct Loan programs, the student is no longer enrolled at the institution as at least a half-time student for the period of enrollment for which the loan was intended; or

(ii) For an award under the Federal Pell Grant, ACG, National SMART Grant, FSEOG, Federal Perkins Loan, and TEACH Grant programs, the student is no longer enrolled at the institution for the award year.

(2) Conditions for a late disbursement. Except as limited under paragraph (g)(4) of this section, a student who becomes ineligible (or the student’s parent in the case of a PLUS loan) qualifies for a late disbursement if, before the date the student became ineligible—

(i) The Secretary processed a SAR or ISIR with an official expected family contribution; and
(ii) (A) For a loan under the FFEL or Direct Loan programs, the institution certified or originated the loan;
(B) For an award under the Federal Perkins Loan or FSEOG programs, the institution made that award to the student; or
(C) For an award under the TEACH Grant program, the institution originates the award to the student.

(3) Making a late disbursement. Provided that the conditions described in paragraph (g)(2) of this section are satisfied—

(i) If the student withdrew from the institution during a payment period or period of enrollment, the institution must make any post-withdrawal disbursement required under §668.22(a)(4) in accordance with the provisions of §668.22(a)(5);
(ii) If the student successfully completed the payment period or period of enrollment, the institution may provide the student (or parent) the opportunity to receive the amount of title IV, HEA program funds that the student (or parent) was eligible to receive while the student was enrolled at the institution. For a late disbursement in this circumstance, the institution may credit the student’s account to pay for current and allowable charges as described in paragraph (d) of this section, but must pay or offer any remaining amount to the student or parent; or
(iii) If the student did not withdraw but ceased to be enrolled as at least a half-time student, the institution may make the late disbursement of a loan under the FFEL or Direct Loan programs to pay for educational costs that the institution determines the student incurred for the period in which the student was eligible.

(4) Limitations. (i) An institution may not make a late disbursement later than 180 days after the date of the institution’s determination that the student withdrew, as provided in §668.22, or for a student who did not withdraw, 180 days after the date the student otherwise becomes ineligible.
(ii) An institution may not make a second or subsequent late disbursement of a loan under the FFEL or Direct Loan programs unless the student successfully completed the period of enrollment for which the loan was intended.

(iii) An institution may not make a late disbursement of a loan under the FFEL or Direct Loan programs if the student was a first-year, first-time borrower unless the student completed the first 30 days of his or her program of study. This limitation does not apply if the institution is exempt from the 30-day delayed disbursement requirements under §682.604(c)(5)(I), (ii), or (iii) or §685.309(b)(4)(I)(A), (B), or (C) of this chapter.

(iv) An institution may not make a late disbursement of any title IV, HEA program assistance unless it received a valid SAR or a valid ISIR for the student by the deadline date established by the Secretary in a notice published in the Federal Register.

(h) Returning funds. (1) Notwithstanding any State law (such as a law that allows funds to escheat to the State), an institution must return to the Secretary, lender, or guaranty agency, any title IV, HEA program funds, except FWS program funds, that it attempts to disburse directly to a student or parent but the student or parent does not receive or negotiate those funds. For FWS program funds, the institution is required to return only the Federal portion of the payroll disbursement.

(2) If an institution attempts to disburse the funds by check and the check is not cashed, the institution must return the funds no later than 240 days after the date it issued that check.

(3)(i) If a check is returned to the institution, or an EFT is rejected, the institution may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the funds were returned or rejected. In cases where the institution does not make another attempt, the funds must be returned before the end of this 45 day period; and
(ii) No later than the 240 day period described in paragraph (b)(2) of this section, the institution must cease any additional disbursement attempts and immediately return those funds.

(1) Provisions for books and supplies. (1) An institution must provide a way for a Federal Pell Grant eligible student to obtain or purchase, by the seventh day
of a payment period, the books and supplies required for the payment period—

(i) The institution could disburse the title IV, HEA program funds for which the student is eligible; and

(ii) Presuming the funds were disbursed, the student would have a credit balance under paragraph (e) of this section.

(2) The amount the institution provides to the Federal Pell Grant eligible student to obtain or purchase books and supplies is the lesser of the presumed credit balance under this paragraph or the amount needed by the student, as determined by the institution.

(3) The institution must have a policy under which a Federal Pell Grant eligible student may opt out of the way the institution provides for the student to obtain or purchase books and supplies under this paragraph.

(4) If a Federal Pell Grant eligible student uses the way provided by the institution to obtain or purchase books and supplies under this paragraph, the student is considered to have authorized the use of title IV, HEA funds and the institution does not need to obtain a written authorization under paragraph (d)(1)(iv) of this section and §668.165(b) for this purpose.

(Authority: 20 U.S.C. 1070g, 1094)

§ 668.165 Notices and authorizations.

(a) Notices. (1) Before an institution disburses title IV, HEA program funds for any award year, the institution must notify a student of the amount of funds that the student or his or her parent can expect to receive under each title IV, HEA program, and how and when those funds will be disbursed. If those funds include Direct Loan or FFEL Program funds, the notice must indicate which funds are from subsidized loans and which are from unsubsidized loans.

(2) Except in the case of a post-withdrawal disbursement made in accordance with §668.22(a)(5), if an institution credits a student’s account at the institution with Direct Loan, FFEL, Federal Perkins Loan, or TEACH Grant Program funds, the institution must notify the student or parent of—

(i) The anticipated date and amount of the disbursement;

(ii) The student’s right or parent’s right to cancel all or a portion of that loan, loan disbursement TEACH Grant, or TEACH Grant disbursement and have the loan proceeds returned to the holder of that loan, the TEACH Grant proceeds returned to the Secretary. However, if the institution releases a check provided by a lender under the FFEL Program, the institution is not required to provide this information; and

(iii) The procedures and time by which the student or parent must notify the institution that he or she wishes to cancel the loan, loan disbursement, TEACH Grant, or TEACH Grant disbursement.

(3) The institution must provide the notice described in paragraph (a)(2) of this section in writing—

(i) No earlier than 30 days before, and no later than 30 days after, crediting the student’s account at the institution, if the institution obtains affirmative confirmation from the student under paragraph (a)(6)(i) of this section; or

(ii) No earlier than 30 days before, and no later than seven days after, crediting the student account at the institution, if the institution does not obtain affirmative confirmation from the student under paragraph (a)(6)(i) of this section.

(4)(i) A student or parent must inform the institution if he or she wishes to cancel all or a portion of a loan, loan disbursement, TEACH Grant, or TEACH Grant disbursement.

(ii) The institution must return the loan or TEACH Grant proceeds, cancel the loan or TEACH Grant, or do both, in accordance with program regulations provided that the institution receives a loan or TEACH Grant cancellation request—

(A) The later of the first day of a payment period or 14 days after the date it notifies the student or parent of his or her right to cancel all or a portion of a loan or TEACH Grant, if the
institution obtains affirmative confirmation from the student under paragraph (a)(6)(i) of this section; or
(B) Within 30 days of the date the institution notifies the student or parent of his or her right to cancel all or a portion of a loan, if the institution does not obtain affirmative confirmation from the student under paragraph (a)(6)(i) of this section.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii)(A) or (B) of this section, the institution may return the loan or TEACH Grant proceeds, cancel the loan or TEACH Grant, or do both, in accordance with program regulations.

(5) An institution must inform the student or parent in writing regarding the outcome of any cancellation request.

(6) For purposes of this section—
(i) Affirmative confirmation is a process under which an institution obtains written confirmation of the types and amounts of title IV, HEA program loans that a student wants for an award year before the institution credits the student’s account with those loan funds. The process under which the TEACH Grant program is administered is considered to be an affirmative confirmation process; and
(ii) An institution is not required to return any loan or TEACH Grant proceeds that it disbursed directly to a student or parent.

(2) In obtaining the student’s or parent’s authorization to perform an activity described in paragraph (b)(1) of this section, an institution—
(i) May not require or coerce the student or parent to provide that authorization;
(ii) Must allow the student or parent to cancel or modify that authorization at any time; and
(iii) Must clearly explain how it will carry out that activity.

(3) A student or parent may authorize an institution to carry out the activities described in paragraph (b)(1) of this section for the period during which the student is enrolled at the institution.

(4)(i) If a student or parent modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student or parent cancels an authorization to use title IV, HEA program funds to pay for authorized charges under §668.164(d)(2), the institution may use title IV, HEA program funds to pay only those authorized charges incurred by the student before the institution received the notice.

(iii) If a student or parent cancels an authorization to hold title IV, HEA program funds under paragraph (b)(1)(iii) of this section, the institution must pay those funds directly to the student or parent as soon as possible but no later than 14 days after the institution receives that notice.

(5) If an institution holds excess student funds under paragraph (b)(1)(iii) of this section, the institution must—
(i) Identify the amount of funds the institution holds for each student or parent in a subsidiary ledger account designed for that purpose;
(ii) Maintain, at all times, cash in its bank account in an amount at least equal to the amount of funds the institution holds for the student; and
(iii) Notwithstanding any authorization obtained by the institution under this paragraph, pay any remaining balance on loan funds by the end of the loan period and any remaining other title IV, HEA program funds by the end.
§ 668.166 Excess cash.

(a) General. (1) The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan Program funds, that an institution does not disburse to students or parents by the end of the third business day following the date the institution—
   (i) Received those funds from the Secretary; or
   (ii) Deposited or transferred to its Federal account previously disbursed title IV, HEA program funds received from the Secretary, such as those resulting from award adjustments, recoveries, or cancellations.

   (2) The provisions of this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.

   (b) Excess cash tolerances. An institution may maintain for up to seven days an amount of excess cash that does not exceed one percent of the total amount of funds the institution drew down in the prior award year. The institution must return immediately to the Secretary any amount of excess cash over the one-percent tolerance and any amount remaining in its account after the seven-day tolerance period.

   (c) Consequences for maintaining excess cash. Upon a finding that an institution maintains excess cash for any amount or timeframe over that allowed in the tolerance provisions in paragraph (b) of this section, the actions the Secretary may take include, but are not limited to—

   (1) Requiring the institution to reimburse the Secretary for the costs the Secretary incurred in providing that excess cash to the institution; and

   (2) Providing funds to the institution under the reimbursement payment method described in §668.163(d) and (e), respectively.

§ 668.167 FFEL Program funds.

(a) Requesting FFEL Program funds. In certifying a loan application for a borrower under §682.603—

   (1) An institution may not request a lender to provide it with loan funds by EFT or master check earlier than—

      (i) Twenty-seven days after the first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in §682.604(c)(5); or

      (ii) Thirteen days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford Loan Program borrowers; and

   (2) An institution may not request a lender to provide it with loan funds by check requiring the endorsement of the borrower earlier than—

      (i) The first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in §682.604(c)(5); or

      (ii) Thirty days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford borrowers; and

   (3)(i) An institution may not request a lender to provide it with loan funds earlier than 13 days before the first day of classes for any payment period.

   (ii) An institution may not request a lender to provide with loan funds by check requiring the endorsement of the borrower earlier than—

      (i) The first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower; or

      (ii) 30 days before the first day of classes for any payment period.

(b) Returning funds to a lender. (1) Except as provided in paragraph (c) of this section, an institution must return FFEL Program funds to a lender if the institution does not disburse those funds to a student or parent for a payment period within—

(i) Ten business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT or master check on or after July 1, 1997 but before July 1, 1999;

(ii) Three business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT and master check on or after July 1, 1999; or

(iii) Thirty days after the institution receives the funds if a lender provides those funds by a check payable to the borrower or copayable to the borrower and the institution.

(2) If the institution does not disburse the loan funds as specified in paragraph (b)(1) or (c) of this section, the institution must return those funds to the lender promptly but no later than 10 business days after the date the institution is required to disburse the funds.

(3) If an institution must return loan funds to the lender under paragraph (b)(2) of this section and the institution determines that the student is eligible to receive the loan funds, the school may disburse the funds to the student or parent rather than return them to the lender provided the funds are disbursed prior to the end of the applicable timeframe under paragraph (b)(2) of this section.

(c) Delay in returning funds to a lender. An institution may delay returning FFEL program funds to a lender for—

(1) Ten business days after the date set forth in paragraph (b)(1) of this section if—

(A) The institution does not disburse FFEL Program funds to a borrower because the student did not complete the required number of clock or credit hours in a preceding payment period; and

(B) The institution expects the student to complete required hours within this 10-day period; or

(ii) A the student has not met all the FFEL Programs eligibility requirements; and

(B) The institution expects the student to meet those requirements within this 10-day period; or

(2) Thirty days after the date set forth in paragraph (b) of this section for funds a lender provides by EFT or master check if the Secretary places the institution on the reimbursement payment method under paragraph (d) or (e) of this section.

(d) An institution placed under the reimbursement payment method. (1) If the Secretary places an institution under the reimbursement payment method for the Federal Pell Grant, Direct Loan or campus-based programs, the institution—

(i) May not disburse FFEL Program funds to a borrower until the Secretary approves a request from the institution to make that disbursement for that borrower; and

(ii) If prohibited by the Secretary, may not certify a borrower’s loan application until the Secretary approves a request from the institution to make that certification for that borrower.

(2) In order for the Secretary to approve a disbursement or certification request from the institution, the institution must submit documentation to the Secretary or entity approved by the Secretary that shows that each borrower included in that request whose loan has not been disbursed or certified is eligible to receive that disbursement or certification.

(3) Pending the Secretary’s approval of a disbursement or certification request, the Secretary may—

(i) Prohibit the institution from endorsing a master check or obtaining a borrower’s endorsement of any loan check the institution receives from a lender;

(ii) Require the institution to maintain loan funds that it receives from a lender via EFT in a separate bank account that meets the requirements under §668.163; and

(iii) Prohibit the institution from certifying a borrower’s loan application.

(e) An institution participating solely in the FFEL Programs. If the FFEL Programs are the only title IV, HEA programs in which an institution participates and the Secretary determines that there is a need to monitor strictly the institution’s participation in those programs, the Secretary may subject the institution to the conditions and limitations contained in paragraph (d) of this section.
An institution placed under the cash monitoring payment method. The Secretary may require an institution that is placed under the cash monitoring method described under paragraph § 668.162(e), to comply with the disbursement and certification provisions under paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures used to approve the institution’s disbursement or certification request.

Subpart L—Financial Responsibility

§ 668.171 General.

(a) Purpose. To begin and to continue to participate in any title IV, HEA program, an institution must demonstrate to the Secretary that it is financially responsible under the standards established in this subpart. As provided under section 498(c)(1) of the HEA, the Secretary determines whether an institution is financially responsible based on the institution’s ability to—

1. Provide the services described in its official publications and statements;
2. Administer properly the title IV, HEA programs in which it participates; and
3. Meet all of its financial obligations.

(b) General standards of financial responsibility. Except as provided under paragraphs (c) and (d) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that—

1. The institution’s Equity, Primary Reserve, and Net Income ratios yield a composite score of at least 1.5, as provided under § 668.172 and appendices A and B to this subpart; and
2. The institution has sufficient cash reserves to make required returns of unearned title IV HEA program funds, as provided under § 668.173;
3. The institution is current in its debt payments. An institution is not current in its debt payments if—
   (i) It is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statements or audit opinion; or
   (ii) It fails to make a payment in accordance with existing debt obligations for more than 120 days, and at least one creditor has filed suit to recover funds under those obligations;
4. The institution is meeting all of its financial obligations, including but not limited to—
   (i) Refunds that it is required to make under its refund policy, including the return of title IV, HEA program funds for which it is responsible under § 668.22; and
   (ii) Repayments to the Secretary for debts and liabilities arising from the institution’s participation in the title IV, HEA programs.

(c) Public institutions. (1) The Secretary considers a domestic public institution to be financially responsible if the institution—
   (i)(A) Notifies the Secretary that it is designated as a public institution by the State, local, or municipal government entity, tribal authority, or other government entity that has the legal authority to make that designation; and
   (B) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution;
   (ii) Is not in violation of any past performance requirement under § 668.174.
(2) The Secretary considers a foreign public institution to be financially responsible if the institution—
   (i)(A) Notifies the Secretary that it is designated as a public institution by the country or other government entity that has the legal authority to make that designation; and
   (B) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution and is backed by the full faith and credit of the country or other government entity; and
(ii) Is not in violation of any past performance requirement under § 668.174.

(d) Audit opinions and past performance provisions. Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if—

(1) In the institution’s audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the auditor expressed doubt about the continued existence of the institution as a going concern, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution’s financial condition; or

(2) As provided under the past performance provisions in § 668.174 (a) and (b)(1), the institution violated a title IV, HEA program requirement, or the persons or entities affiliated with the institution owe a liability for a violation of a title IV, HEA program requirement.

(e) Administrative actions. If the Secretary determines that an institution is not financially responsible under the standards and provisions of this section or under an alternative standard in § 668.175, or the institution does not submit its financial and compliance audits by the date permitted and in the manner required under § 668.23, the Secretary may—

(1) Initiate an action under subpart G of this part to fine the institution, or limit, suspend, or terminate the institution’s participation in the title IV, HEA programs; or

(2) For an institution that is provisionally certified, take an action against the institution under the procedures established in § 668.13(d).

\]

\[

(o) Excluded items. In calculating an institution’s ratios, the Secretary—

(1) Generally excludes extraordinary gains or losses, income or losses from discontinued operations, prior period adjustments, the cumulative effect of changes in accounting principles, and the effect of changes in accounting estimates;

(2) May include or exclude the effects of questionable accounting treatments, such as excessive capitalization of marketing costs;

(3) Excludes all unsecured or uncollateralized related-party receivables;

(4) Excludes all intangible assets defined as intangible in accordance with generally accepted accounting principles; and

(5) Excludes from the ratio calculations Federal funds provided to an institution by the Secretary under program authorized by the HEA only if—

(i) In the notes to the institution’s audited financial statement, or as a separate attestation, the auditor discloses by name and CFDA number, the amount of HEA program funds reported as expenses in the Statement of Activities for the fiscal year covered by that audit or attestation; and

(ii) The institution’s composite score, as determined by the Secretary, is less than 1.5 before the reported expenses arising from those HEA funds are excluded from the ratio calculations.

(Approved by the Office of Management and Budget under control number 1840-0537)

(3) The institution initiates an electronic transaction, no later than 45 days after the date it determines that the student withdrew, that informs a FFEL lender to adjust the borrower’s loan account for the amount returned; or

(4) The institution issues a check no later than 45 days after the date it determines that the student withdrew. An institution does not satisfy this requirement if—

(i) The institution’s records show that the check was issued more than 45 days after the date the institution determined that the student withdrew; or

(ii) The date on the cancelled check shows that the bank used by the Secretary or FFEL Program lender endorsed that check more than 60 days after the date the institution determined that the student withdrew.

(c) Compliance thresholds. (1) An institution does not comply with the reserve standard under §668.173(a)(3) if, in a compliance audit conducted under §668.23, an audit conducted by the Office of the Inspector General, or a program review conducted by the Department or guaranty agency, the auditor or reviewer finds—

(i) In the sample of student records audited or reviewed that the institution did not return unearned title IV, HEA program funds within the timeframes described in paragraph (b) of this section for 5% or more of the students in the sample. (For purposes of determining this percentage, the sample includes only students for whom the institution was required to return unearned funds during its most recently completed fiscal year.); or

(ii) A material weakness or reportable condition in the institution’s report on internal controls relating to the return of unearned title IV, HEA program funds.

(2) The Secretary does not consider an institution to be out of compliance with the reserve standard under §668.173(a)(3) if the institution is cited in any audit or review report because it did not return unearned funds in a timely manner for one or two students, or for less than 5% of the students in the sample referred to in paragraph (c)(1)(i) of this section.

(d) Letter of credit. (1) Except as provided under paragraph (e)(1) of this section, an institution that can satisfy the reserve standard only under paragraph (a)(3) of this section, must submit an irrevocable letter of credit acceptable and payable to the Secretary if a finding in an audit or review shows that the institution exceeded the compliance thresholds in paragraph (c) of this section for either of its two most recently completed fiscal years.

(2) The amount of the letter of credit required under paragraph (d)(1) of this section is 25 percent of the total amount of unearned title IV, HEA program funds that the institution was required to return under §668.22 during the institution’s most recently completed fiscal year.

(3) An institution that is subject to paragraph (d)(1) of this section must submit to the Secretary a letter of credit no later than 30 days after the earlier of the date that—

(ii) The Office of the Inspector General issues a final audit report;

(iii) The designated department official issues a final program review determination;

(iv) The Department issues a preliminary program review report or draft audit report, or a guaranty agency issues a preliminary report showing that the institution did not return unearned funds for more than 10% of the sampled students; or

(v) The Secretary sends a written notice to the institution requesting the letter of credit that explains why the institution has failed to return unearned funds in a timely manner.

(e) Exceptions. With regard to the letter of credit described in paragraph (d) of this section—

(1) An institution does not have to submit the letter of credit if the amount calculated under paragraph (d)(2) of this section is less than $5,000 and the institution can demonstrate that it has cash reserves of at least $5,000 available at all times.

(2) An institution may delay submitting the letter of credit and request the Secretary to reconsider a finding made in its most recent audit or review report that it failed to return unearned
§ 668.174 Past performance.

(a) Past performance of an institution. An institution is not financially responsible if the institution—

(2) In either of its two most recent compliance audits had an audit finding, or in a report issued by the Secretary had a program review finding for its current fiscal year or either of its preceding two fiscal years, that resulted in the institution's being required to repay an amount greater than 5 percent of the funds that the institution received under the title IV, HEA programs during the year covered by that audit or program review;

(3) Has been cited during the preceding five years for failure to submit in a timely fashion acceptable compliance and financial statement audits required under this part, or acceptable audit reports required under the individual title IV, HEA program regulations; or

(4) Has failed to resolve satisfactorily any compliance problems identified in audit or program review reports based upon a final decision of the Secretary issued pursuant to subpart G or H of this part.

(b) Past performance of persons affiliated with an institution. (1)(i) Except as provided under paragraph (b)(2) of this section, an institution is not financially responsible if a person who exercises substantial control over the institution, as described under 34 CFR 600.30, or any member or members of that person's family, alone or together—

(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a title IV, HEA program requirement;

(B) Owes a liability for a violation of a title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary.

(iii) The applicable liability described in paragraph (b)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(iv) The institution demonstrates to the satisfaction of the Secretary why—

(A) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(B) The person who exercises substantial control over the institution and each member of that person’s family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(c) Ownership interest. (1) An ownership interest is a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution, an institution’s parent corporation, a third-party servicer, or a third-party servicer’s parent corporation. (a) General. An institution that is not financially responsible under the general standards and provisions in § 668.171, may begin or continue to participate in the title IV, HEA programs by qualifying under an alternate standard set forth in this section.

(b) Letter of credit alternative for new institutions. A new institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5, qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount equal to at least one-half of the amount of title IV, HEA program funds that the Secretary determines the institution will receive during its initial year of participation. A new institution is an institution that seeks to participate for the first time in the title IV, HEA programs.

(c) Letter of credit alternative for participating institutions. A participating institution that is not financially responsible either because it does not satisfy one or more of the standards of financial responsibility under § 668.171(b), or because of an audit opinion described under § 668.171(d), qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than one-half of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(d) Zone alternative. (i) A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 may participate in the title IV, HEA programs as a financially responsible institution for no more than three consecutive years, beginning with the year in which the Secretary determines that the institution qualifies under this alternative. (ii) An institution that qualified under this alternative for three consecutive years or for one of those years, may not seek to qualify again under this alternative until the year after the institution achieves a composite score of at least 1.5, as determined by the Secretary.

(ii) Under this zone alternative, the Secretary—

(A) Requires the institution to make disbursements to eligible students and parents under either the cash monitoring or reimbursement payment method described in § 668.162;

(B) Requires the institution to provide timely information regarding any of the following oversight and financial events—

(1) Any adverse action, including a probation or similar action, taken against the institution by its accrediting agency;

(C) Any event that causes the institution, or related entity as defined in the Statement of Financial Accounting Standards (SFAS) 57, to realize any liability that was noted as a contingent liability in the institution’s or related entity’s most recent audited financial statement;

(D) Any violation by the institution of any loan agreement;

(E) Any withdrawal of owner’s equity from the institution by any means, including by declaring a dividend; or

(F) Any extraordinary losses, as defined in accordance with Accounting Principles Board (APB) Opinion No. 30.

(iii) May require the institution to submit its financial statement and compliance audits earlier than the time specified under § 668.23(a)(4); and
(iv) May require the institution to provide information about its current operations and future plans.

(3) Under the zone alternative, the institution must—

(i) For any oversight or financial event described under paragraph (d)(2)(ii) of this section for which the institution is required to provide information, provide that information to the Secretary by certified mail or electronic or facsimile transmission no later than 10 days after that event occurs. An institution that provides this information electronically or by facsimile transmission is responsible for confirming that the Secretary received a complete and legible copy of that transmission; and

(ii) As part of its compliance audit, require its auditor to express an opinion on the institution’s compliance with the requirements under the zone alternative, including the institution’s administration of the payment method under which the institution received and disbursed title IV, HEA program funds.

(4) If an institution fails to comply with the requirements under paragraphs (d) (2) or (3) of this section, the Secretary may determine that the institution no longer qualifies under this alternative.

(e) Transition year alternative. A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 for the institution’s fiscal year that began on or after July 1, 1997 but on or before June 30, 1998, may qualify as a financially responsible institution under the provisions in §668.15(b)(7), (b)(8), (d)(2)(i)(I), or (d)(3), as applicable.

(f) Provisional certification alternative. (1) The Secretary may permit an institution that is not financially responsible to participate in the title IV, HEA programs under a provisional certification for no more than three consecutive years if—

(i) The institution is not financially responsible because it does not satisfy the general standards under §668.171(b) or because of an audit opinion described under §668.171(d); or

(ii) The institution is not financially responsible because of a condition of past performance, as provided under §668.174(a), and the institution demonstrates to the Secretary that it has satisfied or resolved that condition.

(ii) Demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under §668.171(b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) Comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section.

(3) If at the end of the period for which the Secretary provisionally certified the institution, the institution is still not financially responsible, the Secretary may again permit the institution to participate under a provisional certification, but the Secretary—

(i) May require the institution, or one or more persons or entities that exercise substantial control over the institution, as determined under §668.171(b)(1) and (c), or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution’s participation in the title IV, HEA programs; and

(ii) May require one or more of the persons or entities that exercise substantial control over the institution, as determined under §668.174(b)(1) and (c), to be jointly or severally liable for any liabilities that may arise from the institution’s participation in the title IV, HEA programs.

(g) Provisional certification alternative for persons or entities owing liabilities. (1) The Secretary may permit an institution that is not financially responsible because the persons or entities that exercise substantial control over the institution owe a liability for a violation.

638

(i)(A) The persons or entities that exercise substantial control, as determined under §668.174(b)(1) and (c), repay or enter into an agreement with the Secretary to repay the applicable portion of that liability, as provided under §668.174(b)(2)(i); or

(B) The institution assumes that liability, and repays or enters into an agreement with the Secretary to repay that liability;

(ii) The institution satisfies the general standards and provisions of financial responsibility under §668.171(b) and (d)(1), except that institution must demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under §668.171 (b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) The institution submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(2) Under this alternative, the Secretary—

(i) Requires the institution to comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section;

(ii) May require the institution, or one or more persons or entities that exercise substantial control over the institution, or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution’s participation in the title IV, HEA programs; and

(iii) May require one or more of the persons or entities that exercise substantial control over the institution to be jointly or severally liable for any liabilities that may arise from the institution’s participation in the title IV, HEA programs.

*Long-Term Debt (lines 16-19) cannot exceed Property and Equipment (line 8) in this formula.*
Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms:

Example (for Proprietary institutions)

Primary Reserve strength factor score = 20 x Primary Reserve ratio result:

\[20 \times 0.080 = 1.600\]

Equity strength factor score = 6 x Equity ratio result:

\[6 \times 0.332 = 1.992\]

Net Income strength factor score = 1 + (33.3 x Net Income ratio result):

\[1 + (33.3 \times 0.051) = 2.698\]

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = 30% x Primary Reserve strength factor score:

\[0.30 \times 1.600 = 0.480\]

Equity weighted score = 40% x Equity strength factor score:

\[0.40 \times 1.992 = 0.797\]

Net Income weighted score = 30% x Net Income strength factor score:

\[0.30 \times 2.698 = 0.809\]

Composite score = sum of all weighted scores:

\[0.480 + 0.797 + 0.809 = 2.086\]

Round the composite score to one digit after the decimal point to determine the final score:

2.1

* The symbol "x" denotes multiplication.
Section 1: Ratios and Ratio Terms

Primary Reserve Ratio = \frac{\text{Expendable Net Assets}}{\text{Total Expenses}}

Equity Ratio = \frac{\text{Modified Net Assets}}{\text{Modified Assets}}

Net Income Ratio = \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenue}}

Definitions:

Expendable Net Assets = (unrestricted net assets) + (temporarily restricted net assets) - (annuities, term endowments, and life income funds that are temporarily restricted) - (intangible assets) - (net property, plant and equipment)* + (post-employment and retirement liabilities) + (all debt obtained for long-term purposes)** - (unsecured related-party receivables)

Total Expenses is total unrestricted expenses taken directly from the audited financial statement

Modified Net Assets = (unrestricted net assets) + (temporarily restricted net assets) + (permanently restricted net assets) - (intangible assets) - (unsecured related-party receivables)

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Change in Unrestricted Net Assets is taken directly from the audited financial statement

Total Unrestricted Revenue is taken directly from the audited financial statement (This amount includes net assets released from restriction during the fiscal year)

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.
** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

*In accounting statements, parentheses denote negative numbers (i.e., (90,000) equals negative 90,000).

**Long-Term Debt (line 18) cannot exceed Property and Equipment, net (line 8) in this formula.
Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms

Example (for Private Non-Profit institutions)

Primary Reserve strength factor score = 10 x Primary Reserve ratio result:
10 x 0.188 = 1.880

Equity strength factor score = 6 x Equity ratio result:
6 x 0.350 = 2.100

Because the Net Income ratio result is negative, the algorithm for negative net income is used -- Net Income strength factor score = 1 + (25 x Net Income ratio result):
1 + (25 x -0.0015) = 0.963

(Note: If the Net Income ratio result is positive, the following algorithm is used,
Net Income strength factor score = 1 + (50 x Net Income ratio result) -- If the Net Income ratio result is 0, the Net Income strength factor score is 1).

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = 40% x Primary Reserve strength factor score:
0.40 x 1.880 = 0.752

Equity weighted score = 40% x Equity strength factor score:
0.40 x 2.100 = 0.840

Net Income weighted score = 20% x Net Income strength factor score:
0.20 x 0.963 = 0.193

Composite score = sum of all weighted scores:
0.752 + 0.840 + 0.193 = 1.785

Round the composite score to one digit after the decimal point to determine the final score:
1.8

* The symbol "x" denotes multiplication.
§ 668.181 Purpose of this subpart.

(a) General. Your cohort default rate is a measure we use to determine your eligibility to participate in various Title IV, HEA programs. We may also use it for determining your eligibility for exemptions, such as those for certain disbursement requirements under the FFEL and Direct Loan Programs. This subpart applies solely to cohorts, as defined in §§ 668.182(a) and 668.183(b), for fiscal years through 2011. For these cohorts, this subpart describes how cohort default rates are calculated, some of the consequences of cohort default rates, and how you may request changes to your cohort default rates or appeal their consequences. Under this subpart, you submit a “challenge” after you receive your draft cohort default rate, and you request an “adjustment” or “appeal” after your official cohort default rate is published.

(b) Cohort Default Rates. Notwithstanding anything to the contrary in this subpart, we will issue annually two sets of draft and official cohort default rates for fiscal years 2009, 2010, and 2011. For each of these years, you will receive one set of draft and official cohort default rates under this subpart and another set of draft and official cohort default rates under subpart N of this part.

(2) For FFELP loans that we hold, we are the data manager.

(3) For Direct Loan Program loans, the Direct Loan Servicer, as defined in 34 CFR 685.102, is the data manager.

(c) Days. In this subpart, “days” means calendar days.

(d) Default. A borrower is considered to be in default for cohort default rate purposes under the rules in §668.183(c).

(e) Draft cohort default rate. Your draft cohort default rate is a rate we issue, for your review, before we issue your official cohort default rate. A draft cohort default rate is used only for the purposes described in §668.185.

(f) Entering repayment. (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, loans are considered to enter repayment on the dates described in 34 CFR 682.200 (under the definition of “repayment period”) and in 34 CFR 685.207.

(i) Federal SLS loan is considered to enter repayment—

(ii) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(2) A Federal SLS loan is considered to enter repayment—

(i) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(3) For the purposes of this subpart, a loan is considered to enter repayment on the date that a borrower repays it in full, if the loan is paid in full before the loan enters repayment under paragraphs (f)(1) or (f)(2) of this section.

(g) Fiscal year. A fiscal year begins on October 1 and ends on the following September 30. A fiscal year is identified by the calendar year in which it ends.

(h) Loan record detail report. The loan record detail report is a report that we produce. It contains the data used to calculate your draft or official cohort default rate.

(i) Official cohort default rate. Your official cohort default rate is the cohort default rate that we publish for you.
under §668.186. Cohort default rates calculated under this subpart are not related in any way to cohort default rates that are calculated for the Federal Perkins Loan Program.

(j) We. We are the Department, the Secretary, or the Secretary’s designee.

(k) You. You are an institution.

§ 668.183 Calculating and applying cohort default rates.

(a) General. This section describes the four steps that we follow to calculate and apply your cohort default rate for a fiscal year:

(1) First, under paragraph (b) of this section, we identify the borrowers in your cohort for the fiscal year. If the total number of borrowers in that cohort is fewer than 30, we also identify the borrowers in your cohorts for the 2 most recent prior fiscal years.

(2) Second, under paragraph (c) of this section, we identify the borrowers in the cohort (or cohorts) who are considered to be in default. If more than one cohort will be used to calculate your cohort default rate, we identify defaulted borrowers separately for each cohort.

(3) Third, under paragraph (d) of this section, we calculate your cohort default rate.

(4) Fourth, we apply your cohort default rate to all of your locations—

(i) As you exist on the date you receive the notice of your official cohort default rate; and

(ii) From the date on which you receive the notice of your official cohort default rate until you receive our notice that the cohort default rate no longer applies.

(b) Identify the borrowers in a cohort.

(1) Except as provided in paragraph (b)(3) of this section, your cohort for a fiscal year consists of all of your current and former students who, during that fiscal year, entered repayment on any Federal Stafford loan, Federal SLS loan, Direct Subsidized loan, or Direct Unsubsidized loan that they received to attend your institution, or on the portion of a loan made under the Federal Consolidation Loan Program or the Federal Direct Consolidation Loan Program (as defined in 34 CFR 685.102) that is used to repay those loans.

(2) A borrower may be included in more than one of your cohorts and may be included in the cohorts of more than one institution in the same fiscal year.

(3) A TEACH Grant that has been converted to a Federal Direct Unsubsidized Loan is not considered for the purpose of calculating and applying cohort default rates.

(c) Identify the borrowers in a cohort who are in default. (1) Except as provided in paragraph (c)(2) of this section, for the purposes of this subpart a borrower in a cohort for a fiscal year is considered to be in default if—

(i) Before the end of the following fiscal year, the borrower defaults on any FFELP loan that was used to include the borrower in the cohort or on any Federal Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort (however, a borrower is not considered to be in default unless a claim for insurance has been paid on the loan by a guaranty agency or by us);

(ii) Before the end of the following fiscal year, the borrower fails to make an installment payment, when due, on any Direct Loan Program loan that was made on behalf of any Federal consolidation loan, and the borrower’s failure persists for 360 days (or for 270 days, if the borrower’s first day of delinquency was before October 7, 1998);

(iii) Before the end of the following fiscal year, you or your owner, agent, contractor, employee, or any other affiliated entity or individual make a payment to prevent a borrower’s default on a loan that is used to include the borrower in that cohort; or

(iv) Before the end of the following fiscal year, the borrower fails to make an installment payment, when due, on a Federal Stafford Loan that is held by the Secretary or a Federal Consolidation Loan Program loan that is held by the Secretary and was used to repay a Federal Stafford Loan, if such Federal Stafford Loan or Federal Consolidation Loan was used to include the borrower in the
§ 668.184 Determining cohort default rates for institutions that have undergone a change in status.

(a) General. (1) Except as provided under 34 CFR 600.32(d), if you undergo a change in status identified in this section, your cohort default rate is determined under this section.

(2) In determining cohort default rates under this section, the date of a merger, acquisition, or other change in status is the date the change occurs.

(3) A change in status may affect your eligibility to participate in Title IV, HEA programs under §668.187 or §668.188.

(4) If another institution’s cohort default rate is applicable to you under this section, you may challenge, request an adjustment, or submit an appeal for the cohort default rate under the same requirements that would be applicable to the other institution under §§668.185 and 668.189.

(b) Acquisition or merger of institutions. If your institution acquires, or was created by the merger of, one or more institutions that participated independently in the Title IV, HEA programs immediately before the acquisition or merger—

(1) For the cohort default rates published before the date of the acquisition or merger, your cohort default rates are the same as those of your predecessor that had the highest total number of borrowers entering repayment in the two most recent cohorts used to calculate those cohort default rates; and

(2) Beginning with the first cohort default rate published after the date of the acquisition or merger, your cohort default rates are determined by including the applicable borrowers from each institution involved in the acquisition or merger in the calculation under §668.183.

(c) Acquisition of branches or locations. If you acquire a branch or a location from another institution participating in the Title IV, HEA programs—

(1) The cohort default rates published for you before the date of the change apply to you and to the newly acquired branch or location;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under §668.183;

(3) After the period described in paragraph (c)(2) of this section, your cohort default rates do not include borrowers
§ 668.185 Draft cohort default rates and your ability to challenge before official cohort default rates are issued.

(a) General. (1) We notify you of your draft cohort default rate before your official cohort default rate is calculated. Our notice includes the loan record detail report for the draft cohort default rate.

(2) Regardless of the number of borrowers included in your cohort, your draft cohort default rate is always calculated using data for that fiscal year alone, using the method described in §668.183(d)(1).

(3) Your draft cohort default rate and the loan record detail report are not considered public information and may not be otherwise voluntarily released to the public by a data manager.

(4) Any challenge you submit under this section and any response provided by a data manager must be in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you. If your challenge does not comply with the requirements in the “Cohort Default Rate Guide,” we may deny your challenge.

(b) Incorrect data challenges. (1) You may challenge the accuracy of the data included on the loan record detail report by sending a challenge to the relevant data manager, or data managers, within 45 days after you receive the data. Your challenge must include—

(i) A description of the information in the loan record detail report that you believe is incorrect; and

(ii) Documentation that supports your contention that the data are incorrect.

(2) Within 30 days after receiving your challenge, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation that supports the data manager’s position.

(3) If your data manager concludes that draft data in the loan record detail report are incorrect, and we agree, we use the corrected data to calculate your cohort default rate.

(4) If you fail to challenge the accuracy of data under this section, you cannot contest the accuracy of those data in an uncorrected data adjustment, under §668.190, or in an erroneous data appeal, under §668.192.

(c) Participation rate index challenges. (1)(i) You may challenge an anticipated loss of eligibility under §668.187(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.06015.

(ii) You may challenge an anticipated loss of eligibility under §668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375 for any of those three cohorts’ fiscal years.

(2) For a participation rate index challenge, your participation rate index is calculated as described in §668.195(b), except that—
§ 668.186 Notice of your official cohort default rate.

(a) We electronically notify you of your cohort default rate after we calculate it, by sending you an eCDR notification package to the destination point you designate. After we send our notice to you, we publish a list of cohort default rates calculated under this subpart for all institutions.

(b) If you have one or more borrowers entering repayment or are subject to sanctions, or if the Department believes you will have an official cohort default rate calculated as an average rate, you will receive a loan record detail report as part of your eCDR notification package.

(c) You have five business days, from the transmission date for eCDR notification packages as posted on the Department’s Web site, to report any problem with receipt of the electronic transmission of your eCDR notification package.

(d) Except as provided in paragraph (e) of this section, timelines for submitting challenges, adjustments, and appeals begin on the sixth business day following the transmission date for eCDR notification packages that is posted on the Department’s Web site.

(e) If you timely report a problem with the receipt of the electronic transmission of your eCDR notification package under paragraph (c) of this section and the Department agrees that the problem with transmission was not caused by you, the Department will extend the challenge, appeal and adjustment deadlines and timeframes to account for a retransmission of your eCDR notification package after the technical problem is resolved.

§ 668.187 Consequences of cohort default rates on your ability to participate in Title IV, HEA programs.

(a) End of participation. (1) Except as provided in paragraph (e) of this section, you lose your eligibility to participate in the FFEL and Direct Loan programs 30 days after you receive our notice that your most recent cohort default rate is greater than 40 percent.

(2) Except as provided in paragraphs (d) and (e) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your three most recent cohort default rates are each 25 percent or greater.

(b) Length of period of ineligibility. Your loss of eligibility under this section continues—

§ 668.186 The draft cohort default rate is considered to be your most recent cohort default rate; and

(ii) If the cohort used to calculate your draft cohort default rate included fewer than 30 borrowers, you may calculate your participation rate index for that fiscal year using either your most recent draft cohort default rate or the average rate that would be calculated for that fiscal year, using the method described in § 668.183(d)(2).

(3) You must send your participation rate index challenge, including all supporting documentation, to us within 45 days after you receive your draft cohort default rate.

(4) We notify you of our determination on your participation rate index challenge before your official cohort default rate is published.

(5) If we determine that you qualify for continued eligibility based on your participation rate index challenge, you will not lose eligibility under § 668.187 when your next official cohort default rate is published. A successful challenge that is based on your draft cohort default rate does not excuse you from any other loss of eligibility. However, if your successful challenge of a loss of eligibility under paragraph (c)(1)(ii) of this section is based on a prior, official cohort default rate, and not on your draft cohort default rate, we also excuse you from any subsequent loss of eligibility, under § 668.187(a)(2), that would be based on that official cohort default rate.

(3) Have not certified an FFELP loan or originated a Direct Loan Program loan on or after July 7, 1998.

(e) Requests for adjustments and appeals. (1) A loss of eligibility under this section does not take effect while your request for adjustment or appeal, as listed in §668.189(a), is pending, provided your request for adjustment or appeal is complete, timely, accurate, and in the required format.

(2) Eligibility continued under paragraph (e)(1) of this section ends if we determine that none of the requests for adjustments and appeals you have submitted qualify you for continued eligibility under §668.189. Loss of eligibility takes effect on the date that you receive notice of our determination on your last pending request for adjustment or appeal.

(3) You do not lose eligibility under this section if we determine that your request for adjustment or appeal meets all requirements of this subpart and qualifies you for continued eligibility under §668.189.

(4) To avoid liabilities you might otherwise incur under paragraph (f) of this section, you may choose to suspend your participation in the FFEL and Direct Loan programs during the adjustment or appeal process.

(f) Liabilities during the adjustment or appeal process. If you continued to participate in the FFEL or Direct Loan Program under paragraph (e)(1) of this section, and we determine that none of your requests for adjustments or appeals qualify you for continued eligibility—
(1) For any FFEL or Direct Loan Program loan that you certified and delivered or originated and disbursed more than 30 days after you received the notice of your cohort default rate, we estimate the amount of interest, special allowance, reinsurance, and any related or similar payments we make or are obligated to make on those loans;
(2) We exclude from this estimate any amount attributable to funds that you delivered or disbursed more than 45 days after you submitted your completed appeal to us;
(3) We notify you of the estimated amount; and
(4) Within 45 days after you receive our notice of the estimated amount, you must pay us that amount, unless—
(i) You file an appeal under the procedures established in subpart H of this part (for the purposes of subpart H of this part, our notice of the estimate is considered to be a final program review determination); or
(ii) We permit a longer repayment period.

(g) Regaining eligibility. If you lose your eligibility to participate in a program under this section, you may not participate in that program until—
(1) The period described in paragraph (b) of this section has ended;
(2) You pay any amount owed to us under this section or are meeting that obligation under an agreement acceptable to us;
(3) You submit a new application for participation in the program;
(4) We determine that you meet all of the participation requirements in effect at the time of your application; and
§ 668.188 Preventing evasion of the consequences of cohort default rates.

(a) General. You are subject to a loss of eligibility that has already been imposed against another institution as a result of cohort default rates if—

(1) You and the ineligible institution are both parties to a transaction that results in a change of ownership, a change in control, a merger, a consolidation, an acquisition, a change of name, a change of address, any change that results in a location becoming a freestanding institution, a purchase or sale, a transfer of assets, an assignment, a change of identification number, a contract for services, an addition or closure of one or more locations or branches or educational programs, or any other change in whole or in part in institutional structure or identity;

(2) Following the change described in paragraph (a)(1) of this section, you offer an educational program at substantially the same address at which the ineligible institution had offered an educational program before the change; and

(3) There is a commonality of ownership or management between you and the ineligible institution, as the ineligible institution existed before the change.

(b) Commonality of ownership or management. For the purposes of this section, a commonality of ownership or management exists if, at each institution, the same person (as defined in 34 CFR 600.31) or members of that person’s family, directly or indirectly—

(1) Holds or held a managerial role; or

(2) Has or had the ability to affect substantially the institution’s actions, within the meaning of 34 CFR 600.21.

(c) Teach-outs. Notwithstanding paragraph (b)(1) of this section, a commonality of management does not exist if you are conducting a teach-out under a teach-out agreement as defined in 34 CFR 602.3 and administered in accordance with 34 CFR 602.24(c), and—

(1)(i) Within 60 days after the change described in this section, you send us the names of the managers for each facility undergoing the teach-out as it existed before the change and for each facility as it exists after you believe that the commonality of management has ended; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended; or

(2)(i) Within 30 days after you receive our notice that we have denied your submission under paragraph (c)(1)(i) of this section, you make the management changes we request and send us a list of the names of the managers for each facility undergoing the teach-out as it exists after you make those changes; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended.

(d) Initial determination. We encourage you to contact us before undergoing a change described in this section. If you write to us, providing the information we request, we will provide a written initial determination of the anticipated change’s effect on your eligibility.

(e) Notice of accountability. (1) We notify you in writing if, in response to your notice or application filed under 34 CFR 600.20 or 600.21, we determine that you are subject to a loss of eligibility, under paragraph (a) of this section, that has been imposed against another institution.

(2) Our notice also advises you of the scope and duration of your loss of eligibility. The loss of eligibility applies to all of your locations from the date you receive our notice until the expiration of the period of ineligibility applicable to the other institution.

(3) If you are subject to a loss of eligibility under this section that has already been imposed against another institution, you may only request an adjustment or submit an appeal for the
§ 668.189 General requirements for adjusting official cohort default rates and for appealing their consequences.

(a) Remaining eligible. You do not lose eligibility under §668.187 if—

(1) We recalculate your cohort default rate, and it is below the percentage threshold for the loss of eligibility as the result of—

(i) An uncorrected data adjustment submitted under this section and §668.190;

(ii) A new data adjustment submitted under this section and §668.191;

(iii) An erroneous data appeal submitted under this section and §668.192; or

(iv) A loan servicing appeal submitted under this section and §668.193; or

(2) You meet the requirements for—

(i) An economically disadvantaged appeal submitted under this section and §668.194;

(ii) A participation rate index appeal submitted under this section and §668.195;

(iii) An average rates appeal submitted under this section and §668.196; or

(iv) A thirty-or-fewer borrowers appeal submitted under this section and §668.197.

(b) Limitations on your ability to dispute your cohort default rate. (1) You may not dispute the calculation of a cohort default rate except as described in this subpart.

(2) You may not request an adjustment or appeal a cohort default rate, under §668.190, §668.191, §668.192, or §668.193, more than once.

(3) You may not request an adjustment or appeal a cohort default rate, under §668.190, §668.191, §668.192, or §668.193, if you previously lost your eligibility to participate in a Title IV, HEA program, under §668.187, based entirely or partially on that cohort default rate.

(c) Content and format of requests for adjustments and appeals. We may deny your request for adjustment or appeal if it does not meet the following requirements:

(1) All appeals, notices, requests, independent auditor’s opinions, management’s written assertions, and other correspondence that you are required to send under this subpart must be complete, timely, accurate, and in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you.

(2) Your completed request for adjustment or appeal must include—

(i) All of the information necessary to substantiate your request for adjustment or appeal; and

(ii) A certification by your chief executive officer, under penalty of perjury, that all the information you provide is true and correct.

(d) Our copies of your correspondence. Whenever you are required by this subpart to correspond with a party other than us, you must send us a copy of your correspondence within the same time deadlines. However, you are not required to send us copies of documents that you received from us originally.

(e) Requirements for data managers’ responses. (1) Except as otherwise provided in this subpart, if this subpart requires a data manager to correspond with any party other than us, the data manager must send us a copy of the correspondence within the same time deadlines.

(2) If a data manager sends us correspondence under this subpart that is not in a format acceptable to us, we may require the data manager to revise that correspondence’s format, and we may prescribe a format for that data manager’s subsequent correspondence with us.

(f) Our decision on your request for adjustment or appeal. (1) We determine whether your request for an adjustment or appeal is in compliance with this subpart.

(2) In making our decision for an adjustment, under §668.190 or §668.191, or an appeal, under §668.192 or §668.193—
§ 668.190 Uncorrected data adjustments.

(i) We presume that the information provided to you by a data manager is correct unless you provide substantial evidence that shows the information is not correct; and

(ii) If we determine that a data manager did not provide the necessary clarifying information or legible records in meeting the requirements of this subpart, we presume that the evidence that you provide to us is correct unless it is contradicted or otherwise proven to be incorrect by information we maintain.

(3) Our decision is based on the materials you submit under this subpart. We do not provide an oral hearing.

(4) We notify you of our decision—

(1) If you request an adjustment or appeal because you are subject to a loss of eligibility under § 668.187, within 45 days after we receive your completed request for an adjustment or appeal; or

(ii) In all other cases, except for appeals submitted under § 668.192(a) to avoid provisional certification, before we notify you of your next official cohort default rate.

(5) You may not seek judicial review of our determination of a cohort default rate until we issue our decision on all pending requests for adjustments or appeals for that cohort default rate.

§ 668.191 New data adjustments.

(a) Eligibility. You may request a new data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if—

(1) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed; and

(2) You identify errors in the data described in paragraph (a)(1) of this section that are confirmed by the data manager.

(b) Deadlines for requesting a new data adjustment. (1) You must send to the relevant data manager, or data managers, and us a request for a new data adjustment, including all supporting documentation, within 15 days after you receive your loan record detail report from us.

(2) Within 20 days after receiving your request for a new data adjustment, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager’s position.

(3) Within 15 days after receiving a guaranty agency’s notice that we hold an FFELP loan about which you are inquiring, you must send us your request for a new data adjustment for that loan. We respond to your request as set forth under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data
§ 668.192 Erroneous data appeals.

(a) Eligibility. Except as provided in §668.189(b), you may appeal the calculation of a cohort default rate upon which a loss of eligibility, under §668.187, or provisional certification, under §668.16(m), is based if—

(1) You dispute the accuracy of data that you previously challenged on the basis of incorrect data, under §668.185(b); or

(2) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed, and you dispute the accuracy of that data.

(b) Deadlines for submitting an appeal. (1) You must send a request for verification of data errors to the relevant data manager, or data managers, and to us within 15 days after you receive the notice of your loss of eligibility or provisional certification. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error.

(2) Within 20 days after receiving your request for verification of data errors, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager’s position.

(3) Within 15 days after receiving a guaranty agency’s notice that we hold an FFELP loan about which you are inquiring, you must send us your request for verification of that loan’s data errors. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error. We respond to your request under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send your completed appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager’s response to your request or requests; or

(ii) If you are also requesting a new data adjustment or filing a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of
§ 668.193 Loan servicing appeals.

(a) Eligibility. Except as provided in § 668.189(b), you may appeal, on the basis of improper loan servicing or collection, the calculation of—

(1) Your most recent cohort default rate; or

(2) Any cohort default rate upon which a loss of eligibility under § 668.187 is based.

(b) Improper loan servicing. For the purposes of this section, a default is considered to have been due to improper loan servicing or collection only if the borrower did not make a payment on the loan and you prove that the FFEL Program lender or the Direct Loan Servicer, as defined in 34 CFR 685.102, failed to perform one or more of the following activities, if that activity applies to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower to make payments on the loan;

(2) Attempt at least one phone call to the borrower;

(3) Send a final demand letter to the borrower;

(4) For a Direct Loan Program loan only, document that skip tracing was performed if the Direct Loan Servicer determined that it did not have the borrower's current address; and

(5) For an FFELP loan only—

(i) Submit a request for preclaims or default aversion assistance to the guaranty agency; and

(ii) Submit a certification or other documentation that skip tracing was performed to the guaranty agency.

(c) Deadlines for submitting an appeal.

(1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send a request for loan servicing records to the relevant data manager, or data managers, and to us within 15 days after you receive your loan record detail report from us. If the data manager is a guaranty agency, your request must include a copy of the loan record detail report.

(3) Within 20 days after receiving your request for loan servicing records, the data manager must—

(i) Send you and us a list of the borrowers in your representative sample, as described in paragraph (d) of this section (the list must be in social security number order, and it must include the number of defaulted loans included in the cohort for each listed borrower);

(ii) Send you and us a description of how your representative sample was chosen; and

(iii) Either send you copies of the loan servicing records for the borrowers in your representative sample and send us a copy of its cover letter indicating that the records were sent, or send you and us a notice of the amount of its fee for providing copies of the loan servicing records.

(4) The data manager may charge you a reasonable fee for providing copies of loan servicing records, but it may not charge more than $10 per borrower file. If a data manager charges a fee, it is not required to send the documents to you until it receives your payment of the fee.

(5) If the data manager charges a fee for providing copies of loan servicing records, and—

(i) You pay the fee in full and on time, the data manager must send you, within 20 days after it receives your payment, a copy of all loan servicing records for each loan in your representative sample (the copies are provided to you in hard copy format unless the data manager and you agree that another format may be used), and it must
send us a copy of its cover letter indicating that the records were sent; or
(ii) You do not pay the fee in full and on time, the data manager must notify you and us of your failure to pay the fee and that you have waived your right to challenge the calculation of your cohort default rate based on the data manager’s records. We accept that determination unless you prove that it is incorrect.

(7) Within 15 days after receiving a guaranty agency’s notice that we hold an FFELP loan about which you are inquiring, you must send us your request for the loan servicing records for that loan. We respond to your request under paragraph (c)(3) of this section.

(8) Within 15 days after receiving incomplete or illegible records, you must send a request for replacement records to the data manager and us.

(9) Within 20 days after receiving your request for replacement records, the data manager must either—
(i) Replace the missing or illegible records; or
(ii) Notify you and us that no additional or improved copies are available.

(10) You must send your appeal to us, including all supporting documentation—
(i) Within 30 days after you receive the final data manager’s response to your request for loan servicing records; or
(ii) If you are also requesting a new data adjustment or filing an erroneous data appeal, by the latest of the filing dates required in paragraph (c)(10)(i) of this section or in \(668.191(b)(6)(i)\) or \(668.192(b)(6)(i)\).

(d) Representative sample of records. (1) To select a representative sample of records, the data manager first identifies all of the borrowers for whom it is responsible and who had loans that were considered to be in default in the calculation of the cohort default rate you are appealing.

(2) From the group of borrowers identified under paragraph (d)(1) of this section, the data manager identifies a sample that is large enough to derive an estimate, acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval, for use in determining the number of borrowers who should be excluded from the calculation of the cohort default rate due to improper loan servicing or collection.

(e) Loan servicing records. Loan servicing records are the collection and payment history records—
(1) Provided to the guaranty agency by the lender and used by the guaranty agency in determining whether to pay a claim on a defaulted loan; or
(2) Maintained by our Direct Loan Servicer that are used in determining your cohort default rate.

(f) Determination. (1) We determine the number of loans, included in your representative sample of loan servicing records, that defaulted due to improper loan servicing or collection, as described in paragraph (b) of this section.

(2) Based on our determination, we use a statistically valid methodology to exclude the corresponding percentage of borrowers from both the numerator and denominator of the calculation of your cohort default rate, and electronically correct the rate that is publicly released.

§ 668.194 Economically disadvantaged appeals.

(a) Eligibility. As described in this section, you may appeal a notice of a loss of eligibility under § 668.187 if an independent auditor’s opinion certifies that your low income rate is two-thirds or more and—
(1) You offer an associate, baccalaureate, graduate, or professional degree, and your completion rate is 70 percent or more; or
(2) You do not offer an associate, baccalaureate, graduate, or professional degree, and your placement rate is 44 percent or more.

(b) Low income rate. (1) Your low income rate is the percentage of your students, as described in paragraph (b)(2) of this section, who—
(i) For an award year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an expected family contribution, as defined in 34 CFR 690.2, that is equal to or

657
less than the largest expected family contribution that would allow a student to receive one-half of the maximum Federal Pell Grant award, regardless of the student’s enrollment status or cost of attendance; or

(ii) For a calendar year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an adjusted gross income that, when added to the adjusted gross income of the student’s parents (if the student is a dependent student) or spouse (if the student is a married independent student), is less than the amount listed in the Department of Health and Human Services poverty guidelines for the size of the student’s family unit.

(2) The students who are used to determine your low income rate include only students who were enrolled on at least a half-time basis in an eligible program at your institution during any part of a 12-month period that ended during the 6 months immediately preceding the cohort’s fiscal year.

(c) Completion rate. (1) Your completion rate is the percentage of your students, as described in paragraph (c)(2) of this section, who—

(i) Completed the educational programs in which they were enrolled;

(ii) Transferred from your institution to a higher level educational program;

(iii) Remained enrolled and are making satisfactory progress toward completion of their educational programs at the end of the same 12-month period used to calculate the low income rate; or

(iv) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) The students who are used to determine your completion rate include only regular students who were—

(i) Initially enrolled on a full-time basis in an eligible program; and

(ii) Originally scheduled to complete their programs during the same 12-month period used to calculate the low income rate.

(d) Placement rate. (1) Except as provided in paragraph (d)(2) of this section, your placement rate is the percentage of your students, as described in paragraphs (d)(3) and (d)(4) of this section, who—

(i) Are employed, in an occupation for which you provided training, on the date following 1 year after their last date of attendance at your institution;

(ii) Were employed for at least 13 weeks, in an occupation for which you provided training, between the date they enrolled at your institution and the first date that is more than a year after their last date of attendance at your institution; or

(iii) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) For the purposes of this section, a former student is not considered to have been employed based on any employment by your institution.

(3) The students who are used to determine your placement rate include only former students who—

(i) Were initially enrolled in an eligible program on at least a half-time basis;

(ii) Were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period used to calculate the low income rate; and

(iii) Remained in the program beyond the point at which a student would have received a 100 percent tuition refund from you.

(4) A student is not included in the calculation of your placement rate if that student, on the date that is 1 year after the student’s originally scheduled completion date, remains enrolled in the same program and is making satisfactory progress.

(e) Scheduled to complete. In calculating a completion or placement rate under this section, the date on which a student is originally scheduled to complete a program is based on—

(1) For a student who is initially enrolled full-time, the amount of time specified in your enrollment contract, catalog, or other materials for completion of the program by a full-time student; or

(2) For a student who is initially enrolled less than full-time, the amount of time that it would take the student to complete the program if the student remained at that level of enrollment throughout the program.
§ 668.195 Participation rate index appeals.

(a) Eligibility. (1) You may appeal a notice of a loss of eligibility under § 668.187(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.06015.

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375 for any of those three cohorts’ fiscal years.

(b) Calculating your participation rate index. (1) Except as provided in paragraph (b)(2) of this section, your participation rate index for a fiscal year is determined by multiplying your cohort default rate for that fiscal year by the percentage that is derived by dividing—

(i) The number of students who received an FFELP or a Direct Loan Program loan to attend your institution during a period of enrollment, as defined in 34 CFR 682.200 or 685.102, that overlaps any part of a 12-month period that ended during the 6 months immediately preceding the cohort’s fiscal year, by

(ii) The number of regular students who were enrolled at your institution on at least a half-time basis during any part of the same 12-month period.

(2) If your cohort default rate for a fiscal year is calculated as an average rate under § 668.183(d)(2), you may calculate your participation rate index for that fiscal year using either that average rate or the cohort default rate that would be calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(c) Deadline for submitting an appeal. You must send us your appeal under this section, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(d) Determination. (1) You do not lose eligibility under § 668.187 if we determine that you meet the requirements for a participation rate index appeal.

(2) If we determine that your participation rate index for a fiscal year is
equal to or less than 0.0375, under paragraph (d)(1) of this section, we also excuse you from any subsequent loss of eligibility under §668.187(a)(2) that would be based on the official cohort default rate for that fiscal year.

§ 668.196 Average rates appeals.

(a) Eligibility. (1) You may appeal a notice of a loss of eligibility under §668.187(a)(1), based on one cohort default rate over 40 percent, if that cohort default rate is calculated as an average rate under §668.183(d)(2).

(2) You may appeal a notice of a loss of eligibility under §668.187(a)(2), based on three cohort default rates of 25 percent or greater, if at least two of those cohort default rates—

(i) Are calculated as average rates under §668.183(d)(2); and

(ii) Would be less than 25 percent if calculated for the fiscal year alone using the method described in §668.183(d)(1).

(b) Deadline for submitting an appeal. (1) Before notifying you of your official cohort default rate, we make an initial determination about whether you qualify for an average rates appeal. If we determine that you qualify, we notify you of that determination at the same time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your thirty-or-fewer borrowers appeal, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(c) Determination. You do not lose eligibility under §668.187 if we determine that you meet the requirements for a thirty-or-fewer borrowers appeal.

Subpart N—Cohort Default Rates

§ 668.200 Purpose of this subpart.

(a) General. Your cohort default rate is a measure we use to determine your eligibility to participate in various Title IV, HEA programs. We may also use it for determining your eligibility for exemptions, such as those for certain disbursement requirements under the FFEL and Direct Loan Programs. This subpart applies solely to cohorts, as defined in §§668.201(a) and 668.202(b), for fiscal years 2009 and later. For these cohorts, this subpart describes how cohort default rates are calculated, some of the consequences of cohort default rates, and how you may request changes to your cohort default rates or appeal their consequences. Under this subpart, you submit a “challenge” after you receive your draft cohort default rate, and you request an “adjustment” or “appeal” after your official cohort default rate is published.

(b) Cohort Default Rates. Notwithstanding anything to the contrary in this subpart, we will issue annually
two sets of draft and official cohort default rates for fiscal years 2009, 2010, and 2011. For each of these years, you will receive one set of draft and official cohort default rates under this subpart and another set of draft and official cohort default rates under subpart M of this part.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.201 Definitions of terms used in this subpart.

We use the following definitions in this subpart:

(a) Cohort. Your cohort is a group of borrowers used to determine your cohort default rate. The method for identifying the borrowers in a cohort is provided in §668.202(b).

(b) Data manager. (1) For FFELP loans held by a guaranty agency or lender, the guaranty agency is the data manager.

(2) For FFELP loans that we hold, we are the data manager.

(3) For Direct Loan Program loans, the Direct Loan Servicer, as defined in 34 CFR 685.102, is the data manager.

(c) Days. In this subpart, “days” means calendar days.

(d) Default. A borrower is considered to be in default for cohort default rate purposes under the rules in §668.202(c).

(e) Draft cohort default rate. Your draft cohort default rate is a rate we issue, for your review, before we issue your official cohort default rate. A draft cohort default rate is used only for the purposes described in §668.204.

(f) Entering repayment. (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, loans are considered to enter repayment on the dates described in 34 CFR 682.200 (under the definition of “repayment period”) and in 34 CFR 685.207.

(2) A Federal SLS loan is considered to enter repayment—

(i) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(3) For the purposes of this subpart, a loan is considered to enter repayment on the date that a borrower repays it in full, if the loan is paid in full before the loan enters repayment under paragraphs (f)(1) or (f)(2) of this section.

(g) Fiscal year. A fiscal year begins on October 1 and ends on the following September 30. A fiscal year is identified by the calendar year in which it ends.

(h) Loan record detail report. The loan record detail report is a report that we produce. It contains the data used to calculate your draft or official cohort default rate.

(1) Official cohort default rate. Your official cohort default rate is the cohort default rate that we publish for you under §668.205. Cohort default rates calculated under this subpart are not related in any way to cohort default rates that are calculated for the Federal Perkins Loan Program.

(j) We. We are the Department, the Secretary, or the Secretary’s designee.

(k) You. You are an institution.

§ 668.202 Calculating and applying cohort default rates.

(a) General. This section describes the four steps that we follow to calculate and apply your cohort default rate for a fiscal year:

(1) First, under paragraph (b) of this section, we identify the borrowers in your cohort for the fiscal year. If the total number of borrowers in that cohort is fewer than 30, we also identify the borrowers in your cohorts for the 2 most recent prior fiscal years.

(2) Second, under paragraph (c) of this section, we identify the borrowers in the cohort (or cohorts) who are considered to be in default by the end of the second fiscal year following the fiscal year those borrowers entered repayment. If more than one cohort will be used to calculate your cohort default rate, we identify defaulted borrowers separately for each cohort.

(3) Third, under paragraph (d) of this section, we calculate your cohort default rate.

(4) Fourth, we apply your cohort default rate to all of your locations—
§ 668.202 34 CFR Ch. VI (7–1–13 Edition)

(i) As you exist on the date you receive the notice of your official cohort default rate; and

(ii) From the date on which you receive the notice of your official cohort default rate until you receive our notice that the cohort default rate no longer applies.

(b) Identify the borrowers in a cohort.

(1) Except as provided in paragraph (b)(3) of this section, your cohort for a fiscal year consists of all of your current and former students who, during that fiscal year, entered repayment on any Federal Stafford loan, Federal SLS loan, Direct Subsidized loan, or Direct Unsubsidized loan that they received to attend your institution, or on the portion of a loan made under the Federal Consolidation Loan Program or the Federal Direct Consolidation Loan Program (as defined in 34 CFR 685.102) that is used to repay those loans.

(2) A borrower may be included in more than one of your cohorts and may be included in the cohorts of more than one institution in the same fiscal year.

(3) A TEACH Grant that has been converted to a Federal Direct Unsubsidized Loan is not considered for the purpose of calculating and applying cohort default rates.

(c) Identify the borrowers in a cohort who are in default. (1) Except as provided in paragraph (c)(2) of this section, a borrower in a cohort for a fiscal year is considered to be in default if, before the end of the second fiscal year following the fiscal year in which it entered repayment—

(i) The borrower defaults on any FFELP loan that was used to include the borrower in the cohort or on any Federal Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort (however, a borrower is not considered to be in default unless a claim for insurance has been paid on the loan by a guaranty agency or by us);

(ii) The borrower fails to make an installment payment, when due, on any Direct Loan Program loan that was used to include the borrower in the cohort or on any Federal Direct Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort, and the borrower’s failure persists for 360 days (or for 270 days, if the borrower’s first day of delinquency was before October 7, 1998);

(iii) You or your owner, agent, contractor, employee, or any other affiliated entity or individual make a payment to prevent a borrower’s default on a loan that is used to include the borrower in that cohort; or

(iv) The borrower fails to make an installment payment, when due, on a Federal Stafford Loan that is held by the Secretary or a Federal Consolidation Loan that is held by the Secretary and that was used to repay a Federal Stafford Loan, if such Federal Stafford Loan or Federal Consolidation was used to include the borrower in the cohort, and the borrower’s failure persists for 360 days.

(2) A borrower is not considered to be in default based on a loan that is, before the end of the second fiscal year following the fiscal year in which it entered repayment—

(i) Rehabilitated under 34 CFR 682.405 or 34 CFR 685.211(e); or

(ii) Repurchased by a lender because the claim for insurance was submitted or paid in error.

(d) Calculate the cohort default rate. Except as provided in § 668.203, if there are—

(1)(i) Thirty or more borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is calculated by—

(ii) Dividing the number of borrowers in the cohort who are in default, as determined under paragraph (c) of this section by the number of borrowers in the cohort, as determined under paragraph (b) of this section.

(2)(i) Fewer than 30 borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is calculated by—

(ii) Dividing the total number of borrowers in that cohort and in the two most recent prior cohorts who are in default, as determined for each cohort under paragraph (c) of this section by the total number of borrowers in that cohort and the two most recent prior cohorts, as determined for each cohort under paragraph (b) of this section.

§ 668.203 Determining cohort default rates for institutions that have undergone a change in status.

(a) General. (1) Except as provided under 34 CFR 600.32(d), if you undergo a change in status identified in this section, your cohort default rate is determined under this section.

(2) In determining cohort default rates under this section, the date of a merger, acquisition, or other change in status is the date the change occurs.

(3) A change in status may affect your eligibility to participate in Title IV, HEA programs under § 668.206 or § 668.207.

(4) If another institution’s cohort default rate is applicable to you under this section, you may challenge, request an adjustment, or submit an appeal for the cohort default rate under the same requirements that would be applicable to the other institution under §§ 668.204 and 668.208.

(b) Acquisition or merger of institutions. If your institution acquires, or was created by the merger of, one or more institutions that participated independently in the Title IV, HEA programs immediately before the acquisition or merger—

(1) For the cohort default rates published before the date of the acquisition or merger, your cohort default rates are the same as those of your predecessor that had the highest total number of borrowers entering repayment in the two most recent cohorts used to calculate those cohort default rates; and

(2) Beginning with the first cohort default rate published after the date of the acquisition or merger, your cohort default rates are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under § 668.202.

(c) Acquisition of branches or locations. If you acquire a branch or a location from another institution participating in the Title IV, HEA programs—

(1) The cohort default rates published for you before the date of the change apply to you and to the newly acquired branch or location;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under § 668.202; and

(d) Branches or locations becoming institutions. If you are a branch or location of an institution that is participating in the Title IV, HEA programs, and you become a separate, new institution for the purposes of participating in those programs—

(1) The cohort default rates published before the date of the change for your former parent institution are also applicable to you;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and your former parent institution (including all of its locations) in the calculation under § 668.202; and

(3) After the period described in paragraph (d)(2) of this section, your cohort default rates do not include borrowers from your former parent institution in the calculation under § 668.202.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.204 Draft cohort default rates and your ability to challenge before official cohort default rates are issued.

(a) General. (1) We notify you of your draft cohort default rate before your official cohort default rate is calculated. Our notice includes the loan record detail report for the draft cohort default rate.

(2) Regardless of the number of borrowers included in your cohort, your draft cohort default rate is always calculated using data for that fiscal year alone, using the method described in § 668.202(d)(1).
(3) Your draft cohort default rate and the loan record detail report are not considered public information and may not be otherwise voluntarily released to the public by a data manager.

(4) Any challenge you submit under this section and any response provided by a data manager must be in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you. If your challenge does not comply with the requirements in the “Cohort Default Rate Guide,” we may deny your challenge.

(b) Incorrect data challenges. (1) You may challenge the accuracy of the data included on the loan record detail report by sending a challenge to the relevant data manager, or data managers, within 45 days after you receive the data. Your challenge must include—

(i) A description of the information in the loan record detail report that you believe is incorrect; and

(ii) Documentation that supports your contention that the data are incorrect.

(2) Within 30 days after receiving your challenge, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation that supports the data manager’s position.

(3) If your data manager concludes that draft data in the loan record detail report are incorrect, and we agree, we use the corrected data to calculate your cohort default rate.

(4) If you fail to challenge the accuracy of data under this section, you cannot contest the accuracy of those data in an uncorrected data adjustment, under §668.209, or in an erroneous data appeal, under §668.211.

(c) Participation rate index challenges. (1)(i) You may challenge an anticipated loss of eligibility under §668.206(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.0625.

(ii) You may challenge an anticipated loss of eligibility under §668.206(a)(2), based on three cohort default rates of 30 percent or greater, if your participation rate index is equal to or less than 0.0625 for either of the two cohorts’ fiscal years.

(iii) You may challenge a potential placement on provisional certification under §668.16(m)(2)(i), based on two cohort default rates that fail to satisfy the standard of administrative capability in §668.16(m)(1)(ii), if your participation rate index is equal to or less than 0.0625 for either of the two cohorts’ fiscal years.

(2) For a participation rate index challenge, your participation rate index is calculated as described in §668.214(b), except that—

(i) The draft cohort default rate is considered to be your most recent cohort default rate; and

(ii) If the cohort used to calculate your draft cohort default rate included fewer than 30 borrowers, you may calculate your participation rate index for that fiscal year using either your most recent draft cohort default rate or the average rate that would be calculated for that fiscal year, using the method described in §668.202(d)(2).

(3) You must send your participation rate index challenge, including all supporting documentation, to us within 45 days after you receive your draft cohort default rate.

(4) We notify you of our determination on your participation rate index challenge before your official cohort default rate is published.

(5) If we determine that you qualify for continued eligibility or full certification based on your participation rate index challenge, you will not lose eligibility under §668.206 or be placed on provisional certification under §668.16(m)(2)(i) when your next official cohort default rate is published. A successful challenge that is based on your draft cohort default rate does not excuse you from any other loss of eligibility or placement on provisional certification. However, if your successful challenge under paragraph (c)(1)(ii) or (c)(1)(iii) of this section is based on a prior, official cohort default rate, and not on your draft cohort default rate, we also excuse you from any subsequent loss of eligibility, under §668.206(a)(2) or placement on provisional certification, under
§ 668.205 Notice of your official cohort default rate.

(a) We electronically notify you of your cohort default rate after we calculate it, by sending you an eCDR notification package to the destination point you designate. After we send our notice to you, we publish a list of cohort default rates for all institutions.

(b) If you had one or more borrowers entering repayment in the fiscal year for which the rate is calculated, or are subject to sanctions, or if the Department believes you will have an official cohort default rate calculated as an average rate, you will receive a loan record detail report as part of your eCDR notification package.

(c) You have five business days, from the transmission date for eCDR notification packages as posted on the Department’s Web site, to report any problem with receipt of the electronic transmission of your eCDR notification package.

(d) Except as provided in paragraph (e) of this section, timelines for submitting challenges, adjustments, and appeals begin on the sixth business day following the transmission date for eCDR notification packages that is posted on the Department’s Web site.

(e) If you timely report a problem with transmission of your eCDR notification package under paragraph (c) of this section and the Department agrees that the problem with transmission was not caused by you, the Department will extend the challenge, appeal and adjustment deadlines and timeframes to account for a retransmission of your eCDR notification package after the technical problem is resolved.

§ 668.206 Consequences of cohort default rates on your ability to participate in Title IV, HEA programs.

(a) End of participation. (1) Except as provided in paragraph (e) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your most recent cohort default rate is greater than 40 percent.

(2) Except as provided in paragraphs (d) and (e) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your three most recent cohort default rates are each 30 percent or greater.

(b) Length of period of ineligibility. Your loss of eligibility under this section continues—

(1) For the remainder of the fiscal year in which we notify you that you are subject to a loss of eligibility; and

(2) For the next 2 fiscal years.

(c) Using a cohort default rate more than once. The use of a cohort default rate as a basis for a loss of eligibility under this section does not preclude its use as a basis for—

(1) Any concurrent or subsequent loss of eligibility under this section; or

(2) Any other action by us.

(d) Continuing participation in Pell. If you are subject to a loss of eligibility under paragraph (a)(2) of this section, based on three cohort default rates of 30 percent or greater, you may continue to participate in the Federal Pell Grant Program if we determine that you—

(1) Were ineligible to participate in the FFEL and Direct Loan programs before October 7, 1998, and your eligibility was not reinstated;

(2) Requested in writing, before October 7, 1998, to withdraw your participation in the FFEL and Direct Loan programs, and you were not later reinstated; or

(3) Have not certified an FFELP loan or originated a Direct Loan Program loan on or after July 7, 1998.

(e) Requests for adjustments and appeals. (1) A loss of eligibility under this section does not take effect while your request for adjustment or appeal, as listed in § 668.208(a), is pending, provided your request for adjustment or appeal is complete, timely, accurate, and in the required format.

(2) Eligibility continued under paragraph (e)(1) of this section ends if we determine that none of the requests for adjustments and appeals you have submitted qualify you for continued eligibility under § 668.208. Loss of eligibility

665
§ 668.207 Preventing evasion of the consequences of cohort default rates.

(a) General. You are subject to a loss of eligibility that has already been imposed against another institution as a result of cohort default rates if—

(1) You and the ineligible institution are both parties to a transaction that results in a change of ownership, a change in control, a merger, a consolidation, an acquisition, a change of name, a change of address, any change that results in a location becoming a freestanding institution, a purchase or sale, a transfer of assets, an assignment, a change of identification number, a contract for services, an addition or closure of one or more locations or branches or educational programs, or any other change in whole or in part in institutional structure or identity;

(2) Following the change described in paragraph (a)(1) of this section, you offer an educational program at substantially the same address at which the ineligible institution had offered an educational program before the change; and

(3) There is a commonality of ownership or management between you and the ineligible institution, as the ineligible institution existed before the change.

(b) Commonality of ownership or management. For the purposes of this section, a commonality of ownership or management exists if, at each institution, the same person (as defined in 34 CFR 600.31) or members of that person’s family, directly or indirectly—

(1) Holds or held a managerial role; or

(2) You pay any amount owed to us under this section or are meeting that obligation under an agreement acceptable to us;

(3) You submit a new application for participation in the program;

(4) We determine that you meet all of the participation requirements in effect at the time of your application; and

(5) You and we enter into a new program participation agreement.

§ 668.207 Preventing evasion of the consequences of cohort default rates.
(2) Has or had the ability to affect substantially the institution’s actions, within the meaning of 34 CFR 600.21.

(c) Teach-outs. Notwithstanding paragraph (b)(1) of this section, a commonality of management does not exist if you are conducting a teach-out under a teach-out agreement as defined in 34 CFR 602.3 and administered in accordance with 34 CFR 602.24(c), and—

1(i) Within 60 days after the change described in this section, you send us the names of the managers for each facility undergoing the teach-out as it existed before the change and for each facility as it exists after you believe that the commonality of management has ended; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended; or

2(i) Within 30 days after you receive our notice that we have denied your submission under paragraph (c)(1)(i) of this section, you make the management changes we request and send us a list of the names of the managers for each facility undergoing the teach-out as it exists after you make those changes; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended.

(d) Initial determination. We encourage you to contact us before undergoing a change described in this section. If you write to us, providing the information we request, we will provide a written initial determination of the anticipated change’s effect on your eligibility.

(e) Notice of accountability. (1) We notify you in writing if, in response to your notice or application filed under 34 CFR 600.20 or 600.21, we determine that you are subject to a loss of eligibility, under paragraph (a) of this section, that has been imposed against another institution.

(2) Our notice also advises you of the scope and duration of your loss of eligibility. The loss of eligibility applies to all of your locations from the date you receive our notice until the expiration of the period of ineligibility applicable to the other institution.

(3) If you are subject to a loss of eligibility under this section that has already been imposed against another institution, you may only request an adjustment or submit an appeal for the loss of eligibility under the same requirements that would be applicable to the other institution under §668.206.

(Authority:20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.208 General requirements for adjusting official cohort default rates and for appealing their consequences.

(a) Remaining eligible. You do not lose eligibility under §668.206 if—

1 We recalculate your cohort default rate, and it is below the percentage threshold for the loss of eligibility as the result of—

i An uncorrected data adjustment submitted under this section and §668.209;

ii A new data adjustment submitted under this section and §668.210;

iii An erroneous data appeal submitted under this section and §668.211; or

iv A loan servicing appeal submitted under this section and §668.212; or

2 You meet the requirements for—

i An economically disadvantaged appeal submitted under this section and §668.213;

ii A participation rate index appeal submitted under this section and §668.214;

iii An average rates appeal submitted under this section and §668.215; or

iv A thirty-or-fewer borrowers appeal submitted under this section and §668.216.

(b) Limitations on your ability to dispute your cohort default rate. (1) You may not dispute the calculation of a cohort default rate except as described in this subpart or in §668.16(m)(2).

(2) You may not request an adjustment or appeal a cohort default rate, under §668.209, §668.210, §668.211, or §668.212, more than once.

(3) You may not request an adjustment or appeal a cohort default rate, under §668.209, §668.210, §668.211, or §668.212, if you previously lost your eligibility to participate in a Title IV, HEA program, under §668.206, or were
placed on provisional certification under §668.16(m)(2)(i), based entirely or partially on that cohort default rate.

(c) Content and format of requests for adjustments and appeals. We may deny your request for adjustment or appeal if it does not meet the following requirements:

(1) All appeals, notices, requests, independent auditor’s opinions, management’s written assertions, and other correspondence that you are required to send under this subpart must be complete, timely, accurate, and in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you.

(2) Your completed request for adjustment or appeal must include—

(i) All of the information necessary to substantiate your request for adjustment or appeal; and

(ii) A certification by your chief executive officer, under penalty of perjury, that all the information you provide is true and correct.

(d) Our copies of your correspondence. Whenever you are required by this subpart to correspond with a party other than us, you must send us a copy of your correspondence within the same time deadlines. However, you are not required to send us copies of documents that you received from us originally.

(e) Requirements for data managers’ responses. (1) Except as otherwise provided in this subpart, if this subpart requires a data manager to correspond with any party other than us, the data manager must send us a copy of the correspondence within the same time deadlines.

(2) If a data manager sends us correspondence under this subpart that is not in a format acceptable to us, we may require the data manager to revise that correspondence’s format, and we may prescribe a format for that data manager’s subsequent correspondence with us.

(f) Our decision on your request for adjustment or appeal. (1) We determine whether your request for an adjustment or appeal is in compliance with this subpart.

(2) In making our decision for an adjustment, under §668.209 or §668.210, or an appeal, under §668.211 or §668.212—

(i) We presume that the information provided to you by a data manager is correct unless you provide substantial evidence that shows the information is not correct; and

(ii) If we determine that a data manager did not provide the necessary clarifying information or legible records in meeting the requirements of this subpart, we presume that the evidence that you provide to us is correct unless it is contradicted or otherwise proven to be incorrect by information we maintain.

(3) Our decision is based on the materials you submit under this subpart. We do not provide an oral hearing.

(4) We notify you of our decision—

(i) If you request an adjustment or appeal because you are subject to a loss of eligibility under §668.206 or potential placement on provisional certification under §668.16(m)(2)(i) or file an economically disadvantaged appeal under §668.213(a)(2), within 45 days after we receive your completed request for an adjustment or appeal; or

(ii) In all other cases, except for appeals submitted under §668.211(a) following placement on provisional certification, before we notify you of your next official cohort default rate.

(5) You may not seek judicial review of our determination of a cohort default rate until we issue our decision on all pending requests for adjustments or appeals for that cohort default rate.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)
§ 668.210 New data adjustments.

(a) Eligibility. You may request a new data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if—

(1) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed; and

(2) You identify errors in the data described in paragraph (a)(1) of this section that are confirmed by the data manager.

(b) Deadlines for requesting a new data adjustment. (1) You must send to the relevant data manager, or data managers, and us a request for a new data adjustment, including all supporting documentation, within 15 days after you receive your loan record detail report from us.

(2) Within 20 days after receiving your request for a new data adjustment, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager’s position.

(3) Within 15 days after receiving a guaranty agency’s notice that we hold an FFELP loan about which you are inquiring, you must send us your request for a new data adjustment for that loan. We respond to your request as set forth under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data from a data manager, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send us your completed request for a new data adjustment, including all supporting documentation—

(i) Within 30 days after you receive the final data manager’s response to your request or requests; or

(ii) If you are also filing an erroneous data appeal or a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in §668.211(b)(6)(i) or §668.212(c)(10)(i).

(c) Determination. If we determine that incorrect data were used to calculate your cohort default rate, we recalculate your cohort default rate based on the correct data and make electronic corrections to the rate that is publicly released.

§ 668.211 Erroneous data appeals.

(a) Eligibility. Except as provided in §668.208(b), you may appeal the calculation of a cohort default rate upon which a loss of eligibility, under §668.206, or provisional certification, under §668.16(m), is based if—

(1) You dispute the accuracy of data that you previously challenged on the basis of incorrect data, under §668.204(b); or

(2) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed, and you dispute the accuracy of that data.
§ 668.212 Loan servicing appeals.

(a) Eligibility. Except as provided in §668.208(b), you may appeal, on the basis of improper loan servicing or collection, the calculation of—

(1) Your most recent cohort default rate; or

(2) Any cohort default rate upon which a loss of eligibility under §668.206 is based.

(b) Improper loan servicing. For the purposes of this section, a default is considered to have been due to improper loan servicing or collection only if the borrower did not make a payment on the loan and you prove that the FFEL Program lender or the Direct Loan Servicer, as defined in 34 CFR 685.102, failed to perform one or more of the following activities, if that activity applies to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower to make payments on the loan.

(2) Attempt at least one phone call to the borrower.

(3) Send a final demand letter to the borrower.

(4) For a Direct Loan Program loan only, document that skip tracing was performed if the Direct Loan Servicer determined that it did not have the borrower’s current address.

(5) For an FFELP loan only—

(i) Submit a request for preclaims or default aversion assistance to the guaranty agency; and

(ii) Submit a certification or other documentation that skip tracing was performed to the guaranty agency.

(c) Deadlines for submitting an appeal.

(1) If the loan record detail report was not included with your official cohort default rate notice, you must request it
within 15 days after you receive the notice of your official cohort default rate. 

(2) You must send a request for loan servicing records to the relevant data manager, or data managers, and to us within 15 days after you receive your loan record detail report from us. If the data manager is a guaranty agency, your request must include a copy of the loan record detail report.

(3) Within 20 days after receiving your request for loan servicing records, the data manager must—

(i) Send you and us a list of the borrowers in your representative sample, as described in paragraph (d) of this section (the list must be in social security number order, and it must include the number of defaulted loans included in the cohort for each listed borrower);

(ii) Send you and us a description of how your representative sample was chosen; and

(iii) Either send you copies of the loan servicing records for the borrowers in your representative sample and send us a copy of its cover letter indicating that the records were sent, or send you and us a notice of the amount of its fee for providing copies of the loan servicing records.

(4) The data manager may charge you a reasonable fee for providing copies of loan servicing records, but it may not charge more than $10 per borrower file. If a data manager charges a fee, it is not required to send the documents to you until it receives your payment of the fee.

(5) If the data manager charges a fee for providing copies of loan servicing records, you must send payment in full to the data manager within 15 days after you receive the notice of the fee.

(6) If the data manager charges a fee for providing copies of loan servicing records, and—

(i) You pay the fee in full and on time, the data manager must notify you and us of your failure to pay the fee and that you have waived your right to challenge the calculation of your cohort default rate based on the data manager’s records. We accept that determination unless you prove that it is incorrect.

(7) Within 15 days after receiving a guaranty agency’s notice that we hold an FFELP loan about which you are inquiring, you must send us your request for the loan servicing records for that loan. We respond to your request under paragraph (c)(3) of this section.

(8) Within 15 days after receiving incomplete or illegible records, you must send a request for replacement records to the data manager and us.

(9) Within 20 days after receiving your request for replacement records, the data manager must either—

(i) Replace the missing or illegible records; or

(ii) Notify you and us that no additional or improved copies are available.

(10) You must send your appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager’s response to your request for loan servicing records; or

(ii) If you are also requesting a new data adjustment or filing an erroneous data appeal, by the latest of the filing dates required in paragraph (c)(10)(i) of this section or in §668.210(b)(6)(i) or §668.211(b)(6)(i).

(d) Representative sample of records. (1) To select a representative sample of records, the data manager first identifies all of the borrowers for whom it is responsible and who had loans that were considered to be in default in the calculation of the cohort default rate you are appealing. 

(2) From the group of borrowers identified under paragraph (d)(1) of this section, the data manager identifies a sample that is large enough to derive an estimate, acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval, for use in determining the number of borrowers who should be excluded from the calculation of the cohort default rate due
§ 668.213 Economically disadvantaged appeals.

(a) General. As provided in this section you may appeal—

(1) A notice of a loss of eligibility under §668.206; or

(2) A notice of a second successive official cohort default rate calculated under this subpart that is equal to or greater than 30 percent but less than or equal to 40 percent, potentially subjecting you to provisional certification under §668.16(m)(2)(i).

(b) Eligibility. You may appeal under this section if an independent auditor’s opinion certifies that your low income rate is two-thirds or more and—

(1) You offer an associate, baccalaureate, graduate, or professional degree, and your completion rate is 70 percent or more; or

(2) You do not offer an associate, baccalaureate, graduate, or professional degree, and your placement rate is 44 percent or more.

(c) Low income rate. (1) Your low income rate is the percentage of your students, as described in paragraph (c)(2) of this section, who—

(i) Are enrolled on at least a half-time basis in an eligible program during any part of a 12-month period that ended during the 6 months immediately preceding the cohort’s fiscal year.

(ii) Have an expected family contribution, as defined in 34 CFR 690.2, that is equal to or less than the largest expected family contribution that would allow a student to receive one-half of the maximum Federal Pell Grant award, regardless of the student’s enrollment status or cost of attendance; or

(iii) Have an adjusted gross income that, when added to the adjusted gross income of the student’s parents (if the student is a dependent student) or spouse (if the student is a married independent student), is less than the amount listed in the Department of Health and Human Services poverty guidelines for the size of the student’s family unit.

(d) Completion rate. (1) Your completion rate is the percentage of your students, as described in paragraph (d)(2) of this section, who—

(i) Completed the educational programs in which they were enrolled;

(ii) Transferred from your institution to a higher level educational program;

(iii) Remained enrolled and are making satisfactory progress toward completion of their educational programs at the end of the same 12-month period used to calculate the low income rate; or

(iv) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) The students who are used to determine your completion rate include only regular students who were—

(i) Initially enrolled on a full-time basis in an eligible program; and

(ii) Originally scheduled to complete their programs during the same 12-month period used to calculate the low income rate.
(e) Placement rate. (1) Except as provided in paragraph (e)(2) of this section, your placement rate is the percentage of your students, as described in paragraphs (e)(3) and (e)(4) of this section, who—

(i) Are employed, in an occupation for which you provided training, on the date following 1 year after their last date of attendance at your institution;

(ii) Were employed for at least 13 weeks, in an occupation for which you provided training, between the date they enrolled at your institution and the first date that is more than a year after their last date of attendance at your institution; or

(iii) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) For the purposes of this section, a former student is not considered to have been employed based on any employment by your institution.

(3) The students who are used to determine your placement rate include only former students who—

(i) Were initially enrolled in an eligible program on at least a half-time basis;

(ii) Were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period used to calculate the low income rate; and

(iii) Remained in the program beyond the point at which a student would have received a 100 percent tuition refund from you.

(4) A student is not included in the calculation of your placement rate if that student, on the date that is 1 year after the student’s originally scheduled completion date, remains enrolled in the same program and is making satisfactory progress.

(f) Scheduled to complete. In calculating a completion or placement rate under this section, the date on which a student is originally scheduled to complete a program is based on—

(1) For a student who is initially enrolled full-time, the amount of time specified in your enrollment contract, catalog, or other materials for completion of the program by a full-time student; or

(2) For a student who is initially enrolled less than full-time, the amount of time that it would take the student to complete the program if the student remained at that level of enrollment throughout the program.

(g) Deadline for submitting an appeal. (1) Within 30 days after you receive the notice of your loss of eligibility or of a rate described in paragraph (a)(2) of this section, you must send us your management’s written assertion, as described in the Cohort Default Rate Guide.

(2) Within 60 days after you receive the notice of your loss of eligibility or of a rate described in paragraph (a)(2) of this section, you must send us the independent auditor’s opinion described in paragraph (h) of this section.

(h) Independent auditor’s opinion. (1) The independent auditor’s opinion must state whether your management’s written assertion, as you provided it to the auditor and to us, meets the requirements for an economically disadvantaged appeal and is fairly stated in all material respects.

(2) The engagement that forms the basis of the independent auditor’s opinion must be an examination-level compliance attestation engagement performed in accordance with—

(i) The American Institute of Certified Public Accountants’ (AICPA) Statement on Standards for Attestation Engagements, Compliance Attestation (AICPA, Professional Standards, vol. 1, AT sec. 500), as amended (these standards may be obtained by calling the AICPA’s order department, at 1–888–777–7077); and

(ii) Government Auditing Standards issued by the Comptroller General of the United States.

(i) Determination. You do not lose eligibility under §668.206, and we do not provisionally certify you under §668.16(m)(2)(i), if—

(1) Your independent auditor’s opinion agrees that you meet the requirements for an economically disadvantaged appeal; and

(2) We determine that the independent auditor’s opinion and your management’s written assertion—

(i) Meet the requirements for an economically disadvantaged appeal; and
§ 668.214 Participation rate index appeals.

(a) Eligibility. (1) You may appeal a notice of a loss of eligibility under § 668.206(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.06015.

(2) You may appeal a notice of a loss of eligibility under § 668.206(a)(2), based on three cohort default rates of 30 percent or greater, if your participation rate index is equal to or less than 0.0625 for any of those three cohorts’ fiscal years.

(3) You may appeal potential placement on provisional certification under § 668.16(m)(2)(i) based on two cohort default rates that fail to satisfy the standard of administrative capability in § 668.16(m)(1)(ii) if your participation rate index is equal to or less than 0.0625 for either of the two cohorts’ fiscal years.

(b) Calculating your participation rate index. (1) Except as provided in paragraph (b)(2) of this section, your participation rate index for a fiscal year is determined by multiplying your cohort default rate for that fiscal year by the percentage that is derived by dividing—

(i) The number of students who received an FFELP or a Direct Loan Program loan to attend your institution during a period of enrollment, as defined in 34 CFR 682.200 or 685.102, that overlaps any part of a 12-month period that ended during the 6 months immediately preceding the cohort’s fiscal year, by

(ii) The number of regular students who were enrolled at your institution on at least a half-time basis during any part of the same 12-month period.

(2) If your cohort default rate for a fiscal year is calculated as an average rate under § 668.202(d)(2), you may calculate your participation rate index for that fiscal year using either that average rate or the cohort default rate that would be calculated for the fiscal year alone using the method described in § 668.202(d)(1).

(c) Deadline for submitting an appeal. You must send us your appeal under this section, including all supporting documentation, within 30 days after you receive—

(1) Notice of your loss of eligibility; or

(2) Notice of a second cohort default rate that equals or exceeds 30 percent but is less than or equal to 40 percent and that, in combination with an earlier rate, potentially subjects you to provisional certification under § 668.16(m)(2)(i).

(d) Determination. (1) You do not lose eligibility under § 668.206 and we do not place you on provisional certification, if we determine that you meet the requirements for a participation rate index appeal.

(2) If we determine that your participation rate index for a fiscal year is equal to or less than 0.06015 or 0.0625, under paragraph (d)(1) of this section, we also excuse you from any subsequent loss of eligibility under § 668.206(a)(2) or placement on provisional certification under § 668.16(m)(2)(i) that would be based on the official cohort default rate for that fiscal year.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.215 Average rates appeals.

(a) Eligibility. (1) You may appeal a notice of a loss of eligibility under § 668.206(a)(1), based on one cohort default rate over 40 percent, if that cohort default rate is calculated as an average rate under § 668.202(d)(2).

(2) You may appeal a notice of a loss of eligibility under § 668.206(a)(2), based on three cohort default rates of 30 percent or greater, if at least two of those cohort default rates—

(i) Are calculated as average rates under § 668.202(d)(2); and

(ii) Would be less than 30 percent if calculated for the fiscal year alone using the method described in § 668.202(d)(1).

(b) Deadline for submitting an appeal. (1) Before notifying you of your official cohort default rate, we make an initial
determination about whether you qualify for an average rates appeal. If we determine that you qualify, we notify you of that determination at the same time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your average rates appeal, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(c) Determination. You do not lose eligibility under §668.206 if we determine that you meet the requirements for an average rates appeal.

(Authority:20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.216 Thirty-or-fewer borrowers appeals.

(a) Eligibility. You may appeal a notice of a loss of eligibility under §668.206 if 30 or fewer borrowers, in total, are included in the 3 most recent cohorts of borrowers used to calculate your cohort default rates.

(b) Deadline for submitting an appeal.

(1) Before notifying you of your official cohort default rate, we make an initial determination about whether you qualify for a thirty-or-fewer borrowers appeal. If we determine that you qualify, we notify you of that determination at the same time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your thirty-or-fewer borrowers appeal, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(c) Determination. You do not lose eligibility under §668.206 if we determine that you meet the requirements for a thirty-or-fewer borrowers appeal.

§ 668.217 Default prevention plans.

(a) First year. (1) If your cohort default rate is equal to or greater than 30 percent you must establish a default prevention task force that prepares a plan to—

(i) Identify the factors causing your cohort default rate to exceed the threshold;

(ii) Establish measurable objectives and the steps you will take to improve your cohort default rate;

(iii) Specify the actions you will take to improve student loan repayment, including counseling students on repayment options; and

(iv) Submit your default prevention plan to us.

(2) We will review your default prevention plan and offer technical assistance intended to improve student loan repayment.

(b) Second year. (1) If your cohort default rate is equal to or greater than 30 percent for two consecutive fiscal years, you must revise your default prevention plan and submit it to us for review.

(2) We may require you to revise your default prevention plan or specify actions you need to take to improve student loan repayment.

(Authority:20 U.S.C. 1082, 1085, 1094, 1099c)

APPENDIX A TO SUBPART N OF PART 668—SAMPLE DEFAULT PREVENTION PLAN

This appendix is provided as a sample plan for those institutions developing a default prevention plan in accordance with §668.217(a). It describes some measures you may find helpful in reducing the number of students that default on Federally funded loans. These are not the only measures you could implement when developing a default prevention plan.

I. CORE DEFAULT REDUCTION STRATEGIES

1. Establish your default prevention team by engaging your chief executive officer and relevant senior executive officials and enlisting the support of representatives from offices other than the financial aid office. Consider including individuals and organizations independent of your institution that have experience in preventing title IV loan defaults.

2. Consider your history, resources, dollars in default, and targets for default reduction to determine which activities will result in the most benefit to you and your students.

3. Define evaluation methods and establish a data collection system for measuring and verifying relevant default prevention statistics, including a statistical analysis of the borrowers who default on their loans.

4. Identify and allocate the personnel, administrative, and financial resources appropriate to implement the default prevention plan.

5. Establish annual targets for reductions in your rate.
§ 668.230 Scope and purpose.

This subpart establishes regulations that apply to an institution that offers comprehensive transition and postsecondary programs to students with intellectual disabilities. Students enrolled in these programs are eligible for Federal financial assistance under the Federal Pell Grant, FSEOG, and FWS programs. Except for provisions related to needs analysis, the Secretary may waive any Title IV, HEA program requirement related to the Federal Pell Grant, FSEOG, and FWS programs or institutional eligibility, to ensure that students with intellectual disabilities remain eligible for funds under these assistance programs. However, unless provided in this subpart or subsequently waived by the Secretary, students with intellectual disabilities and institutions that offer comprehensive transition and postsecondary programs are subject to the same regulations and procedures that otherwise apply to Title IV, HEA program participants.

(Authority: 20 U.S.C. 1091)

§ 668.231 Definitions.

The following definitions apply to this subpart:

(a) Comprehensive transition and postsecondary program means a degree, certificate, nondegree, or noncertificate program that—

(1) is offered by a participating institution;

(2) is delivered to students physically attending the institution;

(3) is designed to support students with intellectual disabilities who are seeking to continue academic, career and technical, and independent living instruction at an institution of higher education in order to prepare for gainful employment;

(4) includes an advising and curriculum structure;

(5) requires students with intellectual disabilities to have at least one-half of their participation in the program, as determined by the institution, focus on academic components through one or more of the following activities:

(1) Taking credit-bearing courses with students without disabilities.
(ii) Auditing or otherwise participating in courses with students without disabilities for which the student does not receive regular academic credit.

(iii) Taking non-credit-bearing, non-degree courses with students without disabilities.

(iv) Participating in internships or work-based training in settings with individuals without disabilities; and

(6) Provides students with intellectual disabilities opportunities to participate in coursework and other activities with students without disabilities.

(b) Student with an intellectual disability means a student—

(1) With mental retardation or a cognitive impairment characterized by significant limitations in—

(i) Intellectual and cognitive functioning; and

(ii) Adaptive behavior as expressed in conceptual, social, and practical adaptive skills; and

(2) Who is currently, or was formerly, eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1401), including a student who was determined eligible for special education or related services under the IDEA but was home-schooled or attended private school.

(Authority: 20 U.S.C. 1091, 1140)

§ 668.232 Program eligibility.

An institution that offers a comprehensive transition and postsecondary program must apply to the Secretary to have the program determined to be an eligible program. The institution applies under the provisions in 34 CFR 600.20 for adding an educational program, and must include in its application—

(a) A detailed description of the comprehensive transition and postsecondary program that addresses all of the components of the program, as defined in §668.231; and

(b) The institution’s policy for determining whether a student enrolled in the program is making satisfactory academic progress;

(c) The number of weeks of instructional time and the number of semester or quarter credit hours or clock hours in the program, including the equivalent credit or clock hours associated with noncredit or reduced credit courses or activities;

(d) A description of the educational credential offered (e.g., degree or certificate) or identified outcome or outcomes established by the institution for all students enrolled in the program;

(e) A copy of the letter or notice sent to the institution’s accrediting agency informing the agency of its comprehensive transition and postsecondary program. The letter or notice must include a description of the items in paragraphs (a) through (d) of this section; and

(f) Any other information the Secretary may require.

(Approved by the Office of Management and Budget under control number 1845-NEW4)

(Authority: 20 U.S.C. 1091)

§ 668.233 Student eligibility.

A student with an intellectual disability is eligible to receive Federal Pell, FSEOG, and FWS program assistance under this subpart if—

(a) The student satisfies the general student eligibility requirements under §668.32, except for the requirements in paragraphs (a), (e), and (f) of that section. With regard to these exceptions, a student—

(1) Does not have to be enrolled for the purpose of obtaining a degree or certificate;

(2) Is not required to have a high school diploma, a recognized equivalent of a high school diploma, or have passed an ability to benefit test; and

(3) Is making satisfactory progress according to the institution’s published standards for students enrolled in its comprehensive transition and postsecondary programs;

(b) The student is enrolled in a comprehensive transition and postsecondary program approved by the Secretary; and

(c) The institution obtains a record from a local educational agency that the student is or was eligible for special education and related services under the IDEA. If that record does not identify the student as having an intellectual disability, as described in paragraph (1) of the definition of a student.
with an intellectual disability in §668.231, the institution must also obtain documentation establishing that the student has an intellectual disability, such as—

(1) A documented comprehensive and individualized psycho-educational evaluation and diagnosis of an intellectual disability by a psychologist or other qualified professional; or

(2) A record of the disability from a local or State educational agency, or government agency, such as the Social Security Administration or a vocational rehabilitation agency, that identifies the intellectual disability.

(e) A significant focus on the teaching and learning needs of the less commonly taught languages, including an assessment of the strategic needs of the United States, the determination of ways to meet those needs nationally, and the publication and dissemination.
§ 669.21 What selection criteria does the Secretary use?

The Secretary evaluates an application on the basis of the criteria in this section.

(a) Plan of operation. (See 34 CFR 655.31(a))

(b) Quality of key personnel. (See 34 CFR 655.31(b))

(c) Budget and cost-effectiveness. (See 34 CFR 655.31(c))

(b) The Secretary announces any priorities in the application notice published in the Federal Register.

(Authority: 20 U.S.C. 1123)

Subpart A—Purpose and Scope

§ 673.1 Purpose.

This part governs the following three programs authorized by title IV of the Higher Education Act of 1965, as amended (HEA) that participating institutions administer:

(a) The Federal Perkins Loan Program, which encourages the making of loans by institutions to needy undergraduate and graduate students to help pay for their cost of education.

(b) The Federal Work-Study (FWS) Program, which encourages the part-time employment of undergraduate and graduate students who need the income to help pay for their cost of education and which encourages FWS recipients to participate in community service activities.

(c) The Federal Supplemental Educational Opportunity Grant (FSEOG) Program, which encourages the providing of grants to exceptionally needy undergraduate students to help pay for their cost of education.

§ 673.2 Applicability of regulations.

The participating institution is responsible for administering these programs in accordance with the regulations in this part and the applicable program regulations in 34 CFR parts 674, 675, and 676.

Subpart B—General Provisions for the Federal Perkins Loan, FWS, and FSEOG Programs

§ 673.3 Application.

(a) To participate in the Federal Perkins Loan, FWS, or FSEOG programs, an institution shall file an application before the deadline date established annually by the Secretary through publication of a notice in the Federal Register.

(b) The application for the Federal Perkins Loan, FWS, and FSEOG programs must be on a form approved by the Secretary and must contain the information needed by the Secretary to determine the institution’s allocation...
or reallocation of funds under sections 462, 442, and 413D of the HEA, respectively.

§ 673.4 Allocation and reallocation.

(a) Allocation and reallocation of Federal Perkins Loan funds. (1) The Secretary allocates Federal capital contributions to institutions participating in the Federal Perkins Loan Program in accordance with section 462 of the HEA. (2) The Secretary reallocates Federal capital contributions to institutions participating in the Federal Perkins Loan Program by—

(i) Reallocating 80 percent of the total funds available in accordance with section 462(j) of the HEA; and

(ii) Reallocating 20 percent of the total funds available in a manner that best carries out the purposes of the Federal Perkins Loan Program.

(b) Allocation and reallocation of FWS funds. The Secretary allocates and reallocates funds to institutions participating in the FWS Program in accordance with section 442 of the HEA.

(c) Allocation and reallocation of FSEOG funds. (1) The Secretary allocates funds to institutions participating in the FSEOG Program in accordance with section 413D of the HEA. (2) The Secretary reallocates funds to institutions participating in the FSEOG Program in a manner that best carries out the purposes of the FSEOG Program.

(d) General allocation and reallocation—(1) Categories. As used in section 462 (Federal Perkins Loan Program), section 442 (FWS Program), and section 413D (FSEOG Program) of the HEA, “Eligible Institutions offering comparable programs of instruction” means institutions that are being compared with the applicant institution and that fall within one of the following six categories:

(i) Cosmetology.

(ii) Business.

(iii) Trade/Technical.

(iv) Art Schools.

(v) Other Proprietary Institutions.

(vi) Non-Proprietary Institutions.

(2) Payments to institutions. The Secretary allocates funds for a specific period of time. The Secretary provides an institution its allocation in accordance with the payment methods described in 34 CFR 668.162.

(3) Unexpended funds. (i) If an institution returns more than 10 percent of its Federal Perkins Loan, FWS, or FSEOG allocation for an award year, the Secretary reduces the institution’s allocation for that program for the second succeeding award year by the dollar amount returned. (ii) The Secretary may waive the provision of paragraph (d)(3)(i) of this section for a specific institution if the Secretary finds that enforcement would be contrary to the interests of the program. (iii) The Secretary considers enforcement of paragraph (d)(3)(i) of this section to be contrary to the interest of the program only if the institution returns more than 10 percent of its allocation due to circumstances beyond the institution’s control that are not expected to recur.

(e) Anticipated collections of Federal Perkins Loan funds. (1) For the purposes of calculating an institution’s share of any excess allocation of Federal Perkins Loan funds, an institution’s anticipated collections are equal to the amount that was collected by the institution during the second year preceding the beginning of the award period multiplied by 1.21. (2) The Secretary may waive the provision of paragraph (e)(1) of this section for any institution that has a cohort default rate that does not exceed 7.5 percent.

(f) Authority to expend FWS funds. Except as specifically provided in 34 CFR 675.18 (b), (c), and (f), an institution may not use funds allocated or reallocated for an award year—

(1) To meet FWS wage obligations incurred with regard to an award of FWS employment made for any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(g) Authority to expend FSEOG funds. Except as specifically provided in 34 CFR 668.164(g), an institution shall not use funds allocated or reallocated for an award year—
§ 673.5 Overaward.

(a) Overaward prohibited—(1) Federal Perkins Loan and FSEOG Programs. An institution may only award or disburse a Federal Perkins loan or an FSEOG to a student if that loan or the FSEOG, combined with the other estimated financial assistance the student receives, does not exceed the student’s financial need.

(2) FWS Program. An institution may only award FWS employment to a student if the award, combined with the other estimated financial assistance the student receives, does not exceed the student’s financial need.

(b) Awarding and disbursement. (1) When awarding and disbursing a Federal Perkins loan or an FSEOG or awarding FWS employment to a student, the institution shall take into account those amounts of estimated financial assistance it—

(i) Can reasonably anticipate at the time it awards Federal Perkins Loan funds, an FSEOG, or FWS funds to the student;

(ii) Makes available to its students; or

(iii) Otherwise knows about.

(2) If a student receives amounts of estimated financial assistance at any time during the award period that were not considered in calculating the Federal Perkins Loan amount or the FWS or FSEOG award, and the total amount of estimated financial assistance including the loan, the FSEOG, or the prospective FWS wages exceeds the student’s need, the overaward is the amount that exceeds need.

(c) Estimated financial assistance. (1) Except as provided in paragraphs (c)(2) and (c)(3) of this section, the Secretary considers that “estimated financial assistance” includes, but is not limited to, any—

(i) Funds a student is entitled to receive from a Federal Pell Grant;

(ii) William D. Ford Federal Direct Loans;

(iii) Federal Family Education Loans;

(iv) Long-term need-based loans, including Federal Perkins loans;

(v) Grants, including FSEOGs, State grants, Academic Competitiveness Grants, and National SMART Grants;

(vi) Scholarships, including athletic scholarships;

(vii) Waivers of tuition and fees;

(viii) Fellowships or assistantships, except non-need-based employment portions of such awards;

(ix) Except as provided in paragraph (c)(2)(v) of this section, veterans’ education benefits;

(x) National service education awards or post-service benefits paid for the cost of attendance under title I of the National and Community Service Act of 1990 (AmeriCorps);

(xi) Net earnings from need-based employment;

(xii) Insurance programs for the student’s education; and

(xiii) Any educational benefits paid because of enrollment in a postsecondary education institution, or to cover postsecondary education expenses.

(2) The Secretary does not consider as estimated financial assistance—

(i) Any portion of the estimated financial assistance described in paragraph (c)(1) of this section that is included in the calculation of the student’s expected family contribution (EFC);

(ii) Earnings from non-need-based employment;

(iii) Those amounts used to replace EFC, including the amounts of any TEACH Grants, unsubsidized Federal Stafford or Direct Loans, Federal PLUS or Federal Direct PLUS Loans, and non-federal non-need-based loans, including private, state-sponsored, and institutional loans. However, if the sum of the amounts received that are being used to replace the student’s EFC actually exceed the EFC, the excess amount must be treated as estimated financial assistance;

(iv) Assistance not received under a title IV, HEA program, if that assistance is designated to offset all or a portion of a specific component of the cost of attendance and that amount is excluded from the cost of attendance as
well. If that assistance is excluded from either estimated financial assistance or cost of attendance, that amount must be excluded from both;

(v) Federal veterans’ education benefits paid under—
(A) Chapter 103 of title 10, United States Code (Senior Reserve Officers’ Training Corps);
(B) Chapter 106A of title 10, United States Code (Educational Assistance for Persons Enlisting for Active Duty);
(C) Chapter 1606 of title 10, United States Code (Selected Reserve Educational Assistance Program);
(D) Chapter 1607 of title 10, United States Code (Educational Assistance Program for Reserve Component Members Supporting Contingency Operations and Certain Other Operations);
(E) Chapter 30 of title 38, United States Code (All-Volunteer Force Educational Assistance Program), also known as the “Montgomery GI Bill—active duty”;
(F) Chapter 31 of title 38, United States Code (Training and Rehabilitation for Veterans with Service-Connected Disabilities);
(G) Chapter 32 of title 38, United States Code (Post-Vietnam Era Veterans’ Educational Assistance Program);
(H) Chapter 33 of title 38, United States Code (Post 9/11 Educational Assistance);
(I) Chapter 35 of title 38, United States Code (Survivors’ and Dependents’ Educational Assistance Program);
(J) Section 903 of the Department of Defense Authorization Act, 1981 (10 U.S.C. 2141 note) (Educational Assistance Pilot Program);
(K) Section 156(b) of the “Joint Resolution making further continuing appropriations and providing for productive employment for the fiscal year 1983, and for other purposes” (42 U.S.C. 402 note) (Restored Entitlement Program for Survivors, also known as “Quayle benefits”);
(L) The provisions of chapter 3 of title 37, United States Code, related to subsistence allowances for members of the Reserve Officers Training Corps; and

(M) Any program that the Secretary may determine is covered by section 480(c)(2) of the HEA; and

(vi) Iraq and Afghanistan Service Grants made under section 420R of the HEA.

(3) The institution may also exclude as estimated financial assistance any portion of a subsidized Federal Stafford or Direct Loan that is equal to or less than the amount of a student’s national service education awards or post service benefits paid for the cost of attendance under title I of the National and Community Service Act of 1990 (AmeriCorps).

(d) Treatment of estimated financial assistance in excess of need—General. An institution shall take the following steps if it learns that a student has received additional amounts of estimated financial assistance not included in the calculation of Federal Perkins Loan, FWS, or FSEOG eligibility that would result in the student’s total amount of estimated financial assistance exceeding his or her financial need by more than $300:

(1) The institution shall decide whether the student has increased financial need that was unanticipated when it awarded financial aid to the student. If the student demonstrates increased financial need and the total amount of estimated financial assistance does not exceed this increased need by more than $300, no further action is necessary.

(2) If the student’s total amount of estimated financial assistance still exceeds his or her need by more than $300, as recalculated pursuant to paragraph (d)(1) of this section, the institution shall cancel any undisbursed loan or grant (other than a Federal Pell Grant).

(e) Termination of FWS employment. (1) An institution may fund a student’s FWS employment with FWS funds only until the amount of the FWS award has
been earned or until the student’s financial need, as recalculated under paragraph (d)(1) of this section, is met.

(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS funding to a student whose need has been met until that student’s cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed $300.

(f) Liability for and recovery of Federal Perkins loans and FSEOG overpayments.

(1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, a student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her. An FSEOG overpayment for purposes of this paragraph does not include the non-Federal share of an FSEOG award if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(2) The institution is liable for a Federal Perkins loan or FSEOG overpayment if the overpayment occurred because the institution failed to follow the procedures in this part or 34 CFR parts 668, 674, or 676. The institution shall restore an amount equal to the overpayment and any administrative cost allowance claimed on that amount to its loan fund for a Federal Perkins loan overpayment or to its FSEOG account for an FSEOG overpayment.

(3) A student is not liable for, and the institution is not required to attempt recovery of, a Federal Perkins loan or FSEOG overpayment, nor is the institution required to refer an FSEOG overpayment to the Secretary, if the overpayment—

(i) Is less than $25; and

(ii) Is neither a remaining balance nor a result of the application of the overaward threshold in paragraph (d) of this section.

(4)(i) Except as provided in paragraph (f)(3) of this section, if an institution makes a Federal Perkins loan or FSEOG overpayment for which it is not liable, it shall promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to pay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the overpayment.

(ii) If a student objects to the institution’s Federal Perkins loan or FSEOG overpayment determination on the grounds that it is erroneous, the institution shall consider any information provided by the student and determine whether the objection is warranted.

(5) Except as provided in paragraph (f)(3) of this section, if a student fails to repay an FSEOG overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the FSEOG overpayment after the institution has taken the action required by paragraph (f)(4) of this section, the institution must refer the FSEOG overpayment to the Secretary for collection purposes in accordance with procedures required by the Secretary. After referring the FSEOG overpayment to the Secretary under this section, the institution need make no further effort to recover the overpayment.

§ 673.6 Coordination with BIA grants.

(a) Coordination of BIA grants with Federal Perkins loans, FWS awards, or FSEOGs. To determine the amount of a Federal Perkins loan, FWS compensation, or an FSEOG for a student who is also eligible for a Bureau of Indian Affairs (BIA) education grant, an institution shall prepare a package of student aid—

(1) From estimated financial assistance other than the BIA education grant the student has received or is expected to receive; and

(2) That is consistent in type and amount with packages prepared for students in similar circumstances who are not eligible for a BIA education grant.
(b)(1) The BIA education grant, whether received by the student before or after the preparation of the student aid package, supplements the student aid package specified in paragraph (a) of this section.

(2) No adjustment may be made to the student aid package as long as the total of the package and the BIA education grant is less than the institution’s determination of that student’s financial need.

(c)(1) If the BIA education grant, when combined with other aid in the package, exceeds the student’s need, the excess must be deducted from the other assistance (except for Federal Pell Grants), not from the BIA education grant.

(2) The institution shall deduct the excess in the following sequence: loans, work-study awards, and grants other than Federal Pell Grants. However, the institution may change the sequence if requested to do so by a student and the institution believes the change benefits the student.

(d) To determine the financial need of a student who is also eligible for a BIA education grant, a financial aid administrator is encouraged to consult with area officials in charge of BIA postsecondary financial aid.

§ 673.7 Administrative cost allowance.

(a) An institution participating in the Federal Perkins Loan, FWS, or FSEOG programs is entitled to an administrative cost allowance for an award year if it advances funds under the Federal Perkins Loan Program, provides FWS employment, or awards grants under the FSEOG Program to students in that year.

(b) An institution may charge the administrative cost allowance calculated in accordance with paragraph (c) of this section for an award year against—

(1) The Federal Perkins Loan Fund, if the institution advances funds under the Federal Perkins Loan Program to students in that award year;

(2) The FWS allocation, if the institution provides FWS employment to students in that award year; and

(3) The FSEOG allocation, if the institution awards grants to students under the FSEOG program in that award year.

(c) For any award year, the amount of the administrative costs allowance equals—

(1) Five percent of the first $2,750,000 of the institution’s total expenditures to students in that award year under the FWS, FSEOG, and the Federal Perkins Loan programs; plus

(2) Four percent of its expenditures to students that are greater than $2,750,000 but less than $5,500,000; plus

(3) Three percent of its expenditures to students that are $5,500,000 or more.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student consumer information services requirements of subpart D of the Student Assistance General Provisions regulations, 34 CFR part 668.

(f) An institution may use up to 10 percent of the administrative costs allowance, as calculated under paragraph (c) of this section, that is attributable to the institution’s expenditures under the FWS program to pay the administrative costs of conducting its program of community service. These costs may include the costs of—

(1) Developing mechanisms to assure the academic quality of a student’s experience;

(2) Assuring student access to educational resources, expertise, and supervision necessary to achieve community service objectives; and

(3) Collaborating with public and private nonprofit agencies and programs assisted under the National and Community Service Act of 1990 in the planning, development, and administration of these programs.
(g) If an institution charges any administrative cost allowance against its Federal Perkins Loan Fund, it must charge these costs during the same award year in which the expenditures for these costs were made.

§§ 674.5–674.4  [Reserved]

§ 674.5 Federal Perkins Loan program cohort default rate and penalties.

(a) Default penalty. If an institution’s cohort default rate meets the following levels, a default penalty is imposed on the institution as follows:

(1) FCC reduction. If the institution’s cohort default rate equals or exceeds 25 percent, the institution’s FCC is reduced to zero.

(2) Ineligibility. For award year 2000–2001 and succeeding award years, an institution with a cohort default rate that equals or exceeds 50 percent for each of the three most recent years for which cohort default rate data are available is ineligible to participate in the Federal Perkins Loan Program. Following a review of that data and upon notification by the Secretary, an institution is ineligible to participate for the award year, or the remainder of the award year, in which the determination is made and the two succeeding award years. An institution may appeal a notification of ineligibility from the Secretary within 30 days of its receipt.

(i) Appeal procedures—(A) Inaccurate calculation. An institution may appeal a notice of ineligibility based upon the submission of erroneous data by the institution, the correction of which would result in a recalculation that reduces the institution’s cohort default rate to below 50 percent for any of the three award years used to make a determination of ineligibility. The Secretary considers the edit process, by which an institution adjusts the cohort default rate data that it submits to the Secretary on its Fiscal Operations Report, to constitute the procedure to appeal a determination of ineligibility based on a claim of erroneous data.

(B) Small number of borrowers entering repayment. An institution may appeal a notice of ineligibility if, on average, 10 or fewer borrowers enter repayment for the three most recent award years used by the Secretary to make a determination of ineligibility.

(C) Decision of the Secretary. The Secretary issues a decision on an appeal within 45 days of the institution’s submission of a complete, accurate, and
timely appeal. An institution may continue to participate in the program until the Secretary issues a decision on the institution's appeal.

(ii) Liquidation of an institution's Perkins Loan portfolio. Within 90 days of receiving a notification of ineligibility or, if the institution appeals, within 90 days of the Secretary's decision to deny the appeal, the institution must—

(A) Liquidate its revolving student loan fund by making a capital distribution of the liquid assets of the Fund according to section 466(c) of the HEA; and

(B) Assign any outstanding loans in the institution's portfolio to the Secretary in accordance with §674.50.

(iii) Effective date. The provisions of paragraph (a)(2) of this section are effective with the cohort default rate calculated as of June 30, 2001.

(b) Cohort default rate. (1) The term "cohort default rate" means, for any award year in which 30 or more current and former students at the institution enter repayment on a loan received for attendance at the institution, the percentage of those current and former students who enter repayment in that award year on the loans received for attendance at that institution who default before the end of the following award year.

(2) For any award year in which less than 30 current and former students at the institution enter repayment on a loan received for attendance at the institution, the "cohort default rate" means the percentage of those current and former students who enter repayment on loans received for attendance at that institution who default before the end of the following award year.

(3) A loan is considered to be in default if a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with the institution, in order to avoid default by the borrower;

(3)(i) In determining the number of borrowers who default before the end of the following award year, a loan is excluded if the borrower has—

(A) Voluntarily made six consecutive monthly payments;

(B) Voluntarily made all payments currently due;

(C) Repaid the full amount due, including any interest, late fees, and collection costs that have accrued on the loan;

(D) Received a deferment or forbearance based on a condition that predates the borrower reaching a 240- or 270-day past due status; or

(E) Rehabilitated the loan after becoming 240- or 270-days past due.

(ii) A loan is considered canceled and also excluded from an institution's cohort default rate calculation if the loan is—

(A) Discharged due to death or permanent and total disability;

(B) Discharged in bankruptcy;

(C) Discharged due to a closed school;

(D) Repaid in full in accordance with §674.33(e) or §674(h); or

(E) Assigned to and conditionally discharged by the Secretary in accordance with §674.61(b).

(iii) For the purpose of this section, funds obtained by income tax offset, garnishment, income or asset execution, or pursuant to a judgment are not considered voluntary.

(4) In the case of a student who has attended and borrowed at more than one institution, the student and his or her subsequent repayment or default are attributed to the institution at attendance at which the student received the loan that entered repayment in the award year.

(d) Locations of the institution. (1) A cohort default rate of an institution applies to all locations of the institution as it exists on the first day of the award year for which the rate is calculated.
(2) A cohort default rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(3) For an institution that changes status from a location of one institution to a free-standing institution, the Secretary determines the cohort default rate based on the institution’s status as of July 1 of the award year for which a cohort default rate is being calculated.

(4)(i) For an institution that changes status from a free-standing institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both the former free-standing institution and the other institution. This cohort default rate applies to the new consolidated institution.

(ii) For free-standing institutions that merge, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both of the institutions that are merging. This cohort default rate applies to the new, consolidated institution.

(iii) For an institution that changes status from a location of one institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the number of students who default during the applicable award years from both of the institutions in their entirety, not limited solely to the respective locations.

(5) For an institution that has a change in ownership that results in a change in control, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from the institution under both the old and new control.

(i) The total number of borrowers who first entered repayment in the award year; and

(ii) The number of those borrowers in default by the end of the following award year; or

(e) To assist institutions in collecting outstanding loans, the Secretary provides to an institution the names and addresses of borrowers or other information relevant to collection which is available to the Secretary.

(f) The institution shall provide the loan information required by section 463A of the HEA to a borrower.

§674.9 Student eligibility.

A student at an institution of higher education is eligible to receive a loan under the Federal Perkins Loan program for an award year if the student—

(a) Meets the relevant eligibility requirements contained in 34 CFR part 668;

(b) Is enrolled or accepted for enrollment as an undergraduate, graduate, or professional student at the institution, whether or not engaged in a program of study abroad approved for credit by the home institution;

(c) Has financial need as determined in accordance with part F of title IV of the HEA. A member of a religious order (an order, community, society, agency, or organization) who is pursuing a course of study at an institution of higher education is considered to have no financial need if that religious order—

(1) Has as its primary objective the promotion of ideals and beliefs regarding a Supreme Being;
(2) Requires its members to forego monetary or other support substantially beyond the support it provides; and
(3) Directs the member to pursue the course of study or provides subsistence support to its members;
(d) Has received for that award year, if an undergraduate student—
   (1) A SAR as a result of applying for a grant under the Federal Pell Grant Program; or
   (2) A preliminary determination of eligibility or ineligibility for a Federal Pell Grant by the institution's financial aid administrator after applying for a SAR with a Federal Pell Grant Processor;
(e) Is willing to repay the loan. Failure to meet payment obligations on a previous loan is evidence that the student is unwilling to repay the loan;
(f) Provides to the institution a driver's license number, if any, at the time of application for the loan;
(g) In the case of a borrower whose prior loan under title IV of the Act or whose TEACH Grant service obligation was discharged after a final determination of total and permanent disability—

(iii) The promissory note must state the exact amount of the minimum monthly repayment amount if the institution chooses the option under § 674.33(b).

(b) Provisions of the promissory note—

(1) Interest. The promissory note must state that—

(ii) No interest shall accrue before the repayment period begins, during certain deferment periods as provided by this subpart, or during the grace period following those deferments.

(2) Repayment. (i) Except as otherwise provided in § 674.32, the promissory note must state that the repayment period—

(A) For NDSLs made on or after October 1, 1980, begins 6 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(C) For purposes of establishing the beginning of the repayment period for NDSL or Perkins loans, the 6- and 9-month grace periods referenced in paragraph (b)(2)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of Title 10, United States Code is called or ordered to active duty for a period of more than 30 days. Any single excluded period may not exceed three years and includes the time necessary for the borrower to resume enrollment at the next available regular enrollment period. (4) Prepayment. The promissory note must state that—

(i) The borrower may prepay all or part of the loan at any time without penalty;

(ii) The institution shall use amounts repaid during the academic year in which the loan was made to reduce the
original loan amount and not consider these amounts to be prepayments;

(iii) If the borrower repays amounts during the academic year in which the loan was made and the initial grace period ended, only those amounts in excess of the amount due for any repayment period shall be treated as prepayments; and

(iv) If, in an academic year other than that described in paragraph (b)(4)(iii) of this section, a borrower repays more than the amount due for any repayment period, the institution shall use the excess to prepay the principal unless the borrower designates it as an advance payment of the next regular installment.

(5) Late charge. (i) An institution shall state in the promissory note that the institution will assess a late charge if the borrower does not—

(A) Repay all or part of a scheduled repayment when due; or

(B) File a timely request for cancellation or deferment with the institution. This request must include sufficient evidence to enable the institution to determine whether the borrower is entitled to a cancellation or deferment.

(ii)(A) The amount of the late charge on a Federal Perkins Loan or an NDSL Loan made to cover the cost of attendance for a period of enrollment that began on or after January 1, 1986 must be determined in accordance with §674.43(b) (2), (3) and (4).

(See appendix E of this part)

(iii) The institution may—

(A) Add either the penalty or late charge to the principal the day after the scheduled repayment was due; or

(B) Include it with the next scheduled repayment after the borrower receives notice of the late charge.

(6) Security and endorsement. The promissory note must state that the loan shall be made without security and endorsement.

(7) Assignment. The promissory note must state that a note may only be assigned to—

(i) The United States or an institution approved by the Secretary; or

(ii) An institution to which the borrower has transferred if that institution is participating in the Federal Perkins Loan program.

(a) The promissory note used with regard to loans to borrowers enrolled on a less than half-time basis must state that the repayment period begins—

(1) On the date of the next scheduled installment payment on any outstanding loan to the borrower; or

(2) If the borrower has no outstanding loan, at the earlier of—

(i) Nine months from the date the loan was made, or

(ii) The end of a nine-month period that includes the date the loan was made and began on the date the borrower ceased to be enrolled as at least a half-time regular student at an institution of higher education or comparable institution outside the U.S. approved for this purpose by the Secretary.

(b) The note must otherwise conform to the provisions of §674.31.

(Authority: 20 U.S.C. 1087dd)

§674.33 Repayment.

(a) Repayment Plan. (1) The institution shall establish a repayment plan before the student ceases to be at least a half-time regular student.

(2) If the last scheduled payment would be $25 or less the institution may combine it with the next-to-last repayment.

(3) If the installment payment for all loans made to a borrower by an institution is not a multiple of $5, the institution may round that payment to the next highest dollar amount that is a multiple of $5.

(4) The institution shall apply any payment on a loan in the following order:

(i) Collection costs.

(ii) Late charges.

(iii) Accrued interest.

(iv) Principal.

(b) Minimum monthly repayment—(1) Minimum monthly repayment option. (i) An institution may require a borrower to pay a minimum monthly repayment if—

(A) The promissory note includes a minimum monthly repayment provision specifying the amount of the minimum monthly repayment; and

(B) The monthly repayment of principal and interest for a 10-year repayment period is less than the minimum monthly repayment; or

(ii) An institution may require a borrower to pay a minimum monthly repayment if the borrower has received loans with different interest rates at the same institution and the total monthly repayment would otherwise be less than the minimum monthly repayment.

(2) Minimum monthly repayment of loans from more than one institution. If a borrower has received loans from more than one institution and has notified the institution that he or she wants the minimum monthly payment determination to be based on payments due to other institutions, the following rules apply:

(i) If the total of the monthly repayments is equal to at least the minimum monthly repayment, no institution may exercise a minimum monthly repayment option.

(ii) If only one institution exercises the minimum monthly repayment option when the monthly repayment would otherwise be less than the minimum repayment option, that institution receives the difference between the minimum monthly repayment and the repayment owed to the other institution.

(iii) If each institution exercises the minimum repayment option, the minimum monthly repayment must be divided among the institutions in proportion to the amount of principal advanced by each institution.

(3) Minimum monthly repayment of both Defense and NDSL or Federal Perkins loans from one or more institutions. If the borrower has notified the institution that he or she wants the minimum monthly payment determination to be based on payments due to other institutions, and if the total monthly repayment is less than $30 and the monthly repayment on a Defense loan is less than $15 a month, the amount attributed to the Defense loan may not exceed $15 a month.

(4) Minimum monthly repayment of loans with differing grace periods and deferments. If the borrower has received
loans with different grace periods and deferments, the institution shall treat each note separately, and the borrower shall pay the applicable minimum monthly payment for a loan that is not in the grace or deferment period.

(5) Hardship. The institution may reduce the borrower’s scheduled repayments for a period of not more than one year at a time if—
   (i) It determines that the borrower is unable to make the scheduled repayments due to hardship (see §674.33(c)); and
   (ii) The borrower’s scheduled repayment is the minimum monthly repayment described in paragraph (b) of this section.

(6) Minimum monthly repayment rates. For the purposes of this section, the minimum monthly repayment rate is—
   (i) $15 for a Defense loan;
   (ii) $30 for an NDSL Loan or for a Federal Perkins loan made before October 1, 1992, or for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has an outstanding balance of principal or interest owing on any loan made under this part; or
   (iii) $40 for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has no outstanding balance of principal or interest owing on any loan made under this part.

(7) The institution shall determine the minimum repayment amount under paragraph (b) of this section for loans with repayment installment intervals greater than one month by multiplying the amounts in paragraph (b) of this section by the number of months in the installment interval.

(c) Extension of repayment period—(1) Hardship. The institution may extend a borrower’s repayment period due to prolonged illness or unemployment.

(2) Low-income individual. (i) For Federal Perkins loans and NDSLs made on or after October 1, 1980, the institution may extend the borrower’s repayment period up to 10 additional years beyond the 10-year maximum repayment period if the institution determines during the course of the repayment period that the borrower is a “low-income individual.” The borrower qualifies for an extension of the repayment period on the basis of low-income status only during the period in which the borrower meets the criteria described in paragraph (c)(2)(1) (A) or (B) of this section. The term low-income individual means the following:
   (A) For an unmarried borrower without dependents, an individual whose total income for the preceding calendar year did not exceed 45 percent of the Income Protection Allowance for the current award year for a family of four with one in college.
   (B) For a borrower with a family that includes the borrower and any spouse or legal dependents, an individual whose total family income for the preceding calendar year did not exceed 125 percent of the Income Protection Allowance for the current award year for a family with one in college and equal in size to that of the borrower’s family.

(ii) The institution shall use the Income Protection Allowance published annually in accordance with section 478 of the HEA in making this determination.

(iii) The institution shall review the borrower’s status annually to determine whether the borrower continues to qualify for an extended repayment period based on his or her status as a “low-income individual.”

(iv) Upon determining that a borrower ceases to qualify for an extended repayment period under this section, the institution shall amend the borrower’s repayment schedule. The term of the amended repayment schedule may not exceed the number of months remaining on the original repayment schedule, provided that the institution may not include the time elapsed during any extension of the repayment period granted under this section in determining the number of months remaining on the original repayment schedule.

(3) Interest continues to accrue during any extension of a repayment period.

(d) Forbearance. (1) Forbearance means the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Upon receipt of a request and supporting documentation, the institution
shall grant the borrower forbearance of principal and, unless otherwise indicated by the borrower, interest renewable at intervals of up to 12 months for periods that collectively do not exceed three years.

(3) The terms of forbearance must be agreed upon, in writing, by the borrower and the institution. The school confirms this agreement by notice to the borrower, and by recording the terms in the borrower’s file.

(4) In granting a forbearance under this section, an institution shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (d)(1) of this section.

(5) An institution shall grant forbearance if—

(i) The amount of the payments the borrower is obligated to make on title IV loans each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower’s total monthly gross income;

(ii) The institution determines that the borrower should qualify for the forbearance due to poor health or for other acceptable reasons; or

(iii) The Secretary authorizes a period of forbearance due to a national military mobilization or other national emergency.

(6) Before granting a forbearance to a borrower under paragraph (d)(5)(i) of this section, the institution shall require the borrower to submit at least the following documentation:

(i) Evidence showing the amount of the most recent total monthly gross income received by the borrower; and

(ii) Evidence showing the amount of the monthly payments owed by the borrower for the most recent month for the borrower’s title IV loans.

(7) Interest accrues during any period of forbearance.

(8) The institution may not include the periods of forbearance described in this paragraph in determining the 10-year repayment period.

(e) Compromise of repayment. (1) An institution may compromise on the repayment of a defaulted loan if—

(i) The institution has fully complied with all due diligence requirements specified in subpart C of this part; and

(ii) The student borrower pays in a single lump-sum payment—

(A) 90 percent of the outstanding principal balance on the loan under this part;

(B) The interest due on the loan; and

(C) Any collection fees due on the loan.

(2) The Federal share of the compromise repayment must bear the same relation to the institution’s share of the compromise repayment as the Federal capital contribution to the institution’s loan Fund under this part bears to the institution’s capital contribution to the Fund.

(f)(1) Incentive repayment program. An institution may establish the following repayment incentives:

(i) A reduction of no more than one percent of the interest rate on a loan on which the borrower has made 48 consecutive, monthly repayments.

(ii) A discount of no more than five percent on the balance owed on a loan which the borrower pays in full prior to the end of the repayment period.

(iii) With the Secretary’s approval, any other incentive the institution determines will reduce defaults and replenish its Fund.

(2) Limitation on the use of funds. (i) The institution must reimburse its Fund, on at least a quarterly basis, for money lost to its Fund that otherwise would have been paid by the borrower as a result of establishing a repayment incentive under paragraphs (f)(1)(i), (ii) and (iii) of this section.

(ii) An institution may not use Federal funds, including Federal funds from the student loan fund, or institutional funds from the student loan fund to pay for any repayment incentive authorized by this section.

(g) Closed school discharge—(1) General. (i) The holder of an NDSL or a Federal Perkins Loan discharges the borrower’s (and any endorser’s) obligation to repay the loan if the borrower did not complete the program of study for which the loan was made because the school at which the borrower was enrolled closed.

(ii) For the purposes of this section—
(A) A school’s closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;
(B) “School” means a school’s main campus or any location or branch of the main campus; and
(C) The “holder” means the Secretary or the school that holds the loan.

(2) Relief pursuant to discharge. (i) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued interest or collection costs with respect to the loan.
(ii) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.
(iii) A borrower who has defaulted on a loan discharged under this section is not considered to have been in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the HEA.
(iv) The Secretary or the school, if the school holds the loan, reports the discharge of a loan under this section to all credit bureaus to which the status of the loan was previously reported.

(3) Determination of borrower qualification for discharge by the Secretary. The Secretary may discharge the borrower’s obligation to repay an NDSL or Federal Perkins Loan without an application if the Secretary determines that—
(i) The borrower qualified for and received a discharge on a loan pursuant to 34 CFR 682.402(d) (Federal Family Education Loan Program) or 34 CFR 682.213 (Federal Direct Loan Program), and was unable to receive a discharge on an NDSL or Federal Perkins Loan because the Secretary lacked the statutory authority to discharge the loan; or
(ii) Based on information in the Secretary’s possession, the borrower qualifies for a discharge.

(4) Borrower qualification for discharge. Except as provided in paragraph (g)(3) of this section, in order to qualify for discharge of an NDSL or Federal Perkins Loan, a borrower must submit to the holder of the loan a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement the borrower must—
(i) State that the borrower—
(A) Received the proceeds of a loan to attend a school;
(B) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 90 days before the school closed (or longer in exceptional circumstances); and
(C) Did not complete and is not in the process of completing the program of study through a teachout at another school as defined in 34 CFR 602.2 and administered in accordance with 34 CFR 602.207(b)(6), by transferring academic credit earned at the closed school to another school, or by any other comparable means;
(ii) State whether the borrower has made a claim with respect to the school’s closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower or credited to the borrower’s loan obligation; and
(iii) State that the borrower—
(A) Agrees to provide to the holder of the loan upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and
(B) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (g)(6) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (g)(7) of this section.

(5) Fraudulently obtained loans. A borrower who secured a loan through fraudulent means, as determined by the ruling of a court or an administrative tribunal of competent jurisdiction, is ineligible for a discharge under this section.

(6) Cooperation by borrower in enforcement actions. (i) In order to obtain a
discharge under this section, a borrower must cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary’s tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower must—
(A) Provide testimony regarding any representation made by the borrower to support a request for discharge;
(B) Provide any documents reasonably available to the borrower with respect to those representations; and
(C) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(ii) The holder denies the request for a discharge or revokes the discharge of a borrower who—
(A) Fails to provide the testimony, documents, or a sworn statement required under paragraph (g)(6)(i) of this section; or
(B) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(7) Transfer to the Secretary of borrower’s right of recovery against third parties.
(i) In the case of a loan held by the Secretary, upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.
(ii) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower, limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary’s ability to recover on those rights.
(iii) Nothing in this section limits or forecloses the borrower’s right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged NDSL or Federal Perkins Loan.

(8) Discharge procedures.
(i) After confirming the date of a school’s closure, the holder of the loan identifies any NDSL or Federal Perkins Loan borrower who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 90 days prior to the closure date.
(ii) If the borrower’s current address is known, the holder of the loan mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan. The holder of the loan may continue to receive borrower payments.
(iii) In the case of a loan held by the Secretary, if the borrower’s current address is unknown, the Secretary attempts to locate the borrower and determine the borrower’s potential eligibility for a discharge under this section by consulting with representatives of the closed school or representatives of the closed school’s third-party billing and collection servicers, the school’s licensing agency, the school accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (g)(8)(ii) of this section.
(iv) In the case of a loan held by a school, if the borrower’s current address is unknown, the school attempts to locate the borrower and determine the borrower’s potential eligibility for a discharge under this section by taking steps required to locate the borrower under §674.44.
(v) If the borrower fails to submit the written request and sworn statement described in paragraph (g)(4) of this section within 60 days of the holder of

704
the loan’s mailing the discharge application, the holder of the loan resumes collection and grants forbearance of principal and interest for the period during which collection activity was suspended.

(vi) If the holder of the loan determines that a borrower who requests a discharge meets the qualifications for a discharge, the holder of the loan notifies the borrower in writing of that determination.

(vii) In the case of a loan held by the Secretary, if the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower, in writing, of that determination and the reasons for the determination.

(viii) In the case of a loan held by a school, if the school determines that a borrower who requests a discharge does not meet the qualifications for discharge, the school submits that determination and all supporting materials to the Secretary for approval. The Secretary reviews the materials, makes an independent determination, and notifies the borrower in writing of the determination and the reasons for the determination.

(ix) In the case of a loan held by a school and discharged by either the school or the Secretary, the school must reimburse its Fund for the entire amount of any outstanding principal and interest on the loan, and any collection costs charged to the Fund as a result of collection efforts on a discharged loan. The school must also reimburse the borrower for any amount of principal, interest, late charges or collection costs the borrower paid on a loan discharged under this section.

§ 674.34 Deferment of repayment—Federal Perkins loans, NDSLs and Defense loans.

(a) The borrower may defer making a scheduled installment repayment on a Federal Perkins loan, an NDSL, or a Defense loan, regardless of contrary provisions of the borrower’s promissory note and regardless of the date the loan was made, during periods described in paragraphs (b), (c), (d), (e), (f), and (g) of this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is—

(i) Enrolled and in attendance as a regular student in at least a half-time course of study at an eligible institution;

(ii) Enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program approved by the Secretary;

(iii) Engaged in graduate or postgraduate fellowship-supported study (such as a Fulbright grant) outside the United States; or

(iv) Enrolled in a course of study that is part of a rehabilitation training program for disabled individuals approved by the Secretary as described in paragraph (g) of this section.

(2) No borrower is eligible for a deferment under paragraph (b)(1) of this section while serving in a medical internship or residency program, except for a residency program in dentistry.

(3) The institution of higher education at which the borrower is enrolled does not need to be participating in the Federal Perkins Loan program for the borrower to qualify for a deferment.

(4) If a borrower is attending an institution of higher education as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to a deferment for 12 months.

(5) If an institution no longer qualifies as an institution of higher education, the borrower’s deferment ends on the date the institution ceases to qualify.
(c) The borrower of a Federal Perkins loan, an NDSL, or a Defense loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in §§ 674.53, 674.54, 674.55, 674.56, 674.57, 674.58, 674.59, and 674.60.

(d) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is seeking and unable to find full-time employment.

(e) The borrower need not repay principal, and interest does not accrue, for periods of up to one year at a time (except that a deferment under paragraph (e)(5) of this section may be granted for the lesser of the borrower’s full term of service in the Peace Corps or the borrower’s remaining period of economic hardship deferment eligibility) that, collectively, do not exceed 3 years, during which the borrower is suffering an economic hardship, if the borrower provides documentation satisfactory to the institution showing that the borrower is within any of the categories described in paragraphs (e)(1) through (e)(5) of this section.

(1) Has been granted an economic hardship deferment under either the Federal Direct Loan Program or the FFEL programs for the period of time for which the borrower has requested an economic hardship deferment for his or her Federal Perkins loan.

(2) Is receiving payment under a Federal or state public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or state general public assistance.

(3) Is working full-time and earning a total monthly gross income that does not exceed the greater of—

(i) The monthly earnings of an individual earning the minimum wage described in section 6 of the Fair Labor Standards Act of 1938; or

(ii) An amount equal to 150 percent of the poverty guideline applicable to the borrower’s family size as published annually by the Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(4) Is not receiving total monthly gross income that exceeds twice the amount specified in paragraph (e)(3) of this section and, after deducting an amount equal to the borrower’s monthly payments on Federal postsecondary education loans, as determined under paragraph (e)(10) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (e)(3) of this section;

(5) Is serving as a volunteer in the Peace Corps.

(6) For a deferment granted under paragraph (e)(4) of this section, the institution shall require the borrower to submit at least the following documentation to qualify for an initial period of deferment—

(i) Evidence showing the amount of the borrower’s most recent total monthly gross income, as defined in section 674.2; and

(ii) Evidence that would enable the institution to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for Federal postsecondary education loans in accordance with paragraph (e)(9) of this section.

(7) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (e)(3) and (e)(4) of this section, the institution shall require the borrower to submit a copy of the borrower’s Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(8)(i) For purposes of paragraph (e)(3) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(ii) For purposes of paragraph (e)(3)(ii) of this section, family size means the number that is determined by counting the borrower, the borrower’s spouse, and the borrower’s children, including unborn children who will be born during the period covered by the deferment, if the children receive more than half their support from the borrower. A borrower’s family

706
size includes other individuals if, at the time the borrower requests the economic hardship deferment, the other individuals—

(A) Live with the borrower; and

(B) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(9) In determining a borrower’s Federal education debt burden under paragraphs (e)(4) of this section, the institution shall—

(i) If the Federal postsecondary education loan is scheduled to be repaid in 10 years or less, use the actual monthly payment amount (or a proportional share if the payments are due less frequently than monthly); or

(ii) If the Federal postsecondary education loan is scheduled to be repaid in more than 10 years, use a monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been due on the loan if the loan had been scheduled to be repaid in 10 years.

(f) To qualify for a deferment for study as part of a graduate fellowship program pursuant to paragraph (b)(1)(ii) of this section, a borrower must provide the institution certification that the borrower has been accepted for or is engaged in full-time study in the institution’s graduate fellowship program.

(g) To qualify for a deferment for study in a rehabilitation training program, pursuant to paragraph (b)(1)(iv) of this section, the borrower must be receiving, or be scheduled to receive, services under a program designed to rehabilitate disabled individuals and must provide the institution with the following documentation:

(1) A certification from the rehabilitation agency that the borrower is either receiving or scheduled to receive rehabilitation training services from the agency.

(2) A certification from the rehabilitation agency that the rehabilitation program—

(i) Is licensed, approved, certified, or otherwise recognized by one of the following entities as providing rehabilitation training to disabled individuals—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services programs;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(E) The Department of Veterans Affairs; and

(ii) Provides or will provide the borrower with rehabilitation services under a written plan that—

(A) Is individualized to meet the borrower’s needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation.

The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that would normally prevent an individual from engaging in full-time employment either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.

(h) Military service deferment. (1) The borrower need not pay principal, and interest does not accrue, on a Federal Perkins Loan, an NDSL, or a Defense Loan, for any period during which the borrower is—

(i) Serving on active duty during a war or other military operation or national emergency; or

(ii) Performing qualifying National Guard duty during a war or other military operation or national emergency.

(2) Serving on active duty during a war or other military operation or national emergency means service by an individual who is—

(i) A Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304, or 12306;

(ii) A retired member of an Armed Force ordered to active duty under 10 U.S.C. 688 for service in connection with a war or other military operation.
or national emergency, regardless of the location at which such active duty service is performed; or

(iii) Any other member of an Armed Force on active duty in connection with such emergency or subsequent actions or conditions who has been assigned to a duty station at a location other than the location at which the member is normally assigned.

(3) Qualifying National Guard duty during a war or other operation or national emergency means service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5), under a call to active service authorized by the President or the Secretary of Defense for a period of more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency declared by the President and supported by Federal funds.

(4) As used in this paragraph—

(i) Active duty means active duty as defined in 10 U.S.C. 101(d)(1) except that it does not include active duty for training or attendance at a service school;

(ii) Military operation means a contingency operation as defined in 10 U.S.C. 101(a)(13); and

(iii) National emergency means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.

(5) These provisions do not authorize the refunding of any payments made by or on behalf of a borrower during a period for which the borrower qualified for a military service deferment.

(6) For a borrower whose active duty service includes October 1, 2007, or begins on or after that date, the deferment period ends 180 days after the demobilization date for each period of service described in paragraphs (h)(1)(i) and (h)(1)(ii) of this section.

(7) Without supporting documentation, a military service deferment may be granted to an otherwise eligible borrower for a period not to exceed 12 months from the date of the qualifying eligible service based on a request from the borrower or the borrower's representative.

(i) Post-active duty student deferment.

(1) Effective October 1, 2007, a borrower of a Federal Perkins loan, an NDSL, or a Defense loan serving on active duty military service on that date, or who begins serving on or after that date, need not pay principal, and interest does not accrue for up to 13 months following the conclusion of the borrower's active duty military service and initial grace period if—

(i) The borrower is a member of the National Guard or other reserve component of the Armed Forces of the United States or a member of such forces in retired status; and

(ii) The borrower was enrolled, on at least a half-time basis, in a program of instruction at an eligible institution at the time, or within six months prior to the time, the borrower was called to active duty.

(2) As used in paragraph (i)(1) of this section “Active duty” means active duty as defined in section 101(d)(1) of title 10, United States Code, for at least a 30-day period, except that—

(i) Active duty includes active State duty for members of the National Guard under which the Governor activates National Guard personnel based on State statute or policy and the activities of the National Guard are paid for with State funds;

(ii) Active duty includes full-time National Guard duty under which the Governor is authorized, with the approval of the President or the U.S. Secretary of Defense, to order a member to State active duty and the activities of the National Guard are paid for with Federal funds;

(iii) Active duty does not include active duty for training or attendance at a service school; and

(iv) Active duty does not include employment in a full-time, permanent position in the National Guard unless the borrower employed in such a position is reassigned to active duty under paragraph (i)(2)(i) of this section or full-time National Guard duty under paragraph (i)(2)(ii) of this section.

(3) If the borrower returns to enrolled student status, on at least a half-time basis, during the 13-month deferment period, the deferment expires at the
(3) If a borrower is attending as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to deferment for 12 months.

(4) If an institution no longer qualifies as an institution of higher education, the borrower’s deferment ends on the date the institution ceases to qualify.

(c) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is—

1. A member of the U.S. Army, Navy, Air Force, Marines, or Coast Guard or an officer in the Commissioned Corps of the U.S. Public Health Service (see §674.59);
2. On full-time active duty as a member of the National Oceanic and Atmospheric Administration Corps;
3. A Peace Corps volunteer (see §674.60);
4. A volunteer under the Domestic Volunteer Service Act of 1973 (ACTION programs) (see §674.60);
5. A full-time volunteer in service which the Secretary has determined is comparable to service in the Peace Corps or under the Domestic Volunteer Service Act of 1973 (ACTION programs). The Secretary considers that a borrower is providing comparable service if he or she satisfies the following five criteria:
   i. The borrower serves in an organization that is exempt from taxation under the provisions of section 501(c)(3) of the Internal Revenue Code of 1954.
   ii. The borrower provides service to low-income persons and their communities to assist them in eliminating poverty and poverty-related human, social, and environmental conditions.
   iii. The borrower does not receive compensation that exceeds the rate prescribed under section 6 of the Fair Labor Standards Act of 1938 (the Federal minimum wage), except that the tax-exempt organization may provide health, retirement, and other fringe benefits to the volunteer that are substantially equivalent to the benefits offered to other employees of the organization.

§ 674.35  
(v) The borrower has agreed to serve on a full-time basis for a term of at least one year.

(6) Temporarily totally disabled, as established by an affidavit of a qualified physician, or unable to secure gainful employment because the borrower is providing care, such as continuous nursing or other similar services, required by a dependent who is so disabled. As used in this paragraph—

(i) “Temporarily totally disabled”, with regard to the borrower, means the inability by virtue of an injury or illness to attend an eligible institution or to be gainfully employed during a reasonable period of recovery; and

(ii) “Temporarily totally disabled”, with regard to a disabled spouse or other dependent of a borrower, means requiring continuous nursing or other services from the borrower for a period of at least three months because of illness or injury.

(d)(1) The borrower need not repay principal, and interest does not accrue, for a period not to exceed two years during which time the borrower is serving an eligible internship.

(2) An eligible internship is one which—

(i) Requires the borrower to hold at least a baccalaureate degree before beginning the internship; and

(ii)(A) A State licensing agency requires an individual to complete as a prerequisite for certification for professional practice or service; or

(B) Is a part of an internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training.

(2) Has just entered or reentered the work force; and

(3) Is being compensated at a rate which is not more than $1.00 over the minimum hourly wage established by

(g) An institution may defer payments of principal and interest, but interest shall continue to accrue, if the institution determines this is necessary to avoid hardship to the borrower (see §674.33(c)).

(i) The borrower need not repay principal, and interest does not accrue, until six months after completion of any period during which the borrower is in deferment under paragraphs (b), (c), (d), (e), and (f) of this section.

(3) If a borrower is attending as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to deferment for 12 months.

(4) If an institution no longer qualifies as an institution of higher education, the borrower's deferment ends on the date the institution ceases to qualify.

(c) The borrower need not repay principal, and interest does not accrue, for a period of up to 3 years during which time the borrower is:

(4) A full-time volunteer in service which the Secretary has determined is comparable to service in the Peace Corps or under the Domestic Volunteer Service Act of 1973 (ACTION programs). The Secretary considers that a borrower is providing comparable service if he or she satisfies the following five criteria:

(i) The borrower serves in an organization that is exempt from taxation under the provisions of section 501(c)(3) of the Internal Revenue Code of 1984.

(ii) The borrower provides service to low-income persons and their communities to assist them in eliminating poverty and poverty-related human, social, and environmental conditions.

(ii) May require the borrower to pay immediately some or all of the amounts previously scheduled to be repaid before the date on which the institution determined that the borrower had demonstrated that grounds for a deferment existed, plus late charges and collection costs.

(c) If the information supplied by the borrower demonstrates that for some or all of the period for which a deferment is requested, the borrower had retained in-school status or was within the initial grace period on the loan, the institution shall—

(1) Redetermine the date on which the borrower was required to commence repayment on the loan;

(2) Deduct from the loan balance any interest accrued and late charges added before the date on which the repayment period commenced, as determined in paragraph (c)(1) of this section; and

2. If the institution does not use a coupon system, it shall send to the borrower—
   (i) A written notice giving the name and address of the party to which payments are to be sent and a statement of account at least 30 days before the first payment is due; and

3. Notwithstanding paragraph (a)(2)(ii) of this section, if the borrower elects to make payment by means of an electronic transfer of funds from the borrower's bank account, the institution shall send to the borrower an annual statement of account.

(b) (1) An institution shall send a first overdue notice within 15 days after the due date for a payment if the institution has not received—

   (iii) A request for postponement or for cancellation.

(2) Subject to §674.47(a), the institution may assess a late charge for loans made for periods of enrollment beginning on or after January 1, 1986, during the period in which the institution takes any steps described in this section to secure—
   (i) Any part of an installment payment not made when due, or
   (ii) A request for deferment, cancellation, or postponement of repayment on the loan that contains sufficient information to enable the institution to determine whether the borrower is entitled to the relief requested.

(3) The institution shall determine the amount of the late charge imposed for loans described in paragraph (b)(2) of this section based on either—
   (i) Actual costs incurred for actions required under this section to secure the required payment or information from the borrower; or
   (ii) The average cost incurred for similar attempts to secure payments or information from other borrowers.

(4) The institution may not require a borrower to pay late charges imposed under paragraph (b)(3) of this section in an amount, for each late payment or request, exceeding 20 percent of the installment payment most recently due.

   (i) Has added that amount to the principal amount of the loan as of the first day on which the installment was due; or
   (ii) Demands payment for that amount in full no later than the due date of the next installment.

(c) If the borrower does not satisfactorily respond to the first overdue notice, the institution shall continue to contact the borrower as follows, until the borrower makes satisfactory repayment arrangements or demonstrates entitlement to deferment, postponement, or cancellation:

1. The institution shall send a second overdue notice within 30 days after the first overdue notice is sent.

2. The institution shall send a final demand letter within 15 days after the second overdue notice. This letter must
inform the borrower that unless the institution receives a payment or a request for deferment, postponement, or cancellation within 30 days of the date of the letter, it will refer the account for collection or litigation, and will report the default to a credit bureau.

(d) Notwithstanding paragraphs (b) and (c) of this section, an institution may send a borrower a final demand letter if the institution has not within 15 days after the due date received a payment, or a request for deferment, postponement, or cancellation, and if—

(1) The borrower’s repayment history has been unsatisfactory, e.g., the borrower has previously failed to make payment(s) when due or to request deferment, postponement, or cancellation in a timely manner, or has previously received a final demand letter; or

(2) The institution reasonably concludes that the borrower neither intends to repay the loan nor intends to seek deferment, postponement, or cancellation of the loan.

(e)(1) An institution that accelerates a loan as provided in §674.31 (i.e., makes the entire outstanding balance of the loan, including accrued interest and any applicable late charges, payable immediately) shall—

(ii) The borrower can be located and served with process;

      (ii) Instructs the borrower to remit payment to a lockbox maintained for the institution; or
      (iii) Deposits those funds received directly from the borrower immediately in an institutional trust account that must be an interest-bearing account if those funds will be held for longer than 45 days, after deducting its fees if authorized to do so by the institution; and

(Approved by the Office of Management and Budget under control number 1845–0023)

(Authority: 20 U.S.C. 424, 1087cc)

by receiving a notice of meeting of creditors, the institution and its agents shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower.

(b) Proof of claim. The institution must file a proof of claim in the bankruptcy proceeding unless—

(1) In the case of a proceeding under chapter 7 of the Bankruptcy Code, the notice of meeting of creditors states that the borrower has no assets, or

(2) In the case of a bankruptcy proceeding under either Chapter 7 or Chapter 13 of the Bankruptcy Code in which the repayment plan proposes that the borrower repay less than the full amount owed on the loan, the institution has an authoritative determination by an appropriate State official that in the opinion of the State official, the institution is an agency of the State and is, on that basis, under applicable State law, immune from suit.

(c) Borrower’s request for determination of dischargeability. (1) The institution must use due diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. The institution must follow the procedures in this paragraph to respond to a complaint for a determination of dischargeability under 11 U.S.C. 523(a)(8) on the ground that repayment of the loan would impose an undue hardship on the borrower and his or her dependents, unless discharge would be more effectively opposed by avoiding that action.

(2) If the petition for relief in bankruptcy was filed before October 8, 1998 and more than seven years of the repayment period on the loan (excluding any applicable suspension of the repayment period defined in 34 CFR 682.402(m)) have passed before the borrower filed the petition, the institution may not oppose a determination of dischargeability requested under 11 U.S.C. 523(a)(8)(B) on the ground of undue hardship.

(3) In any other case, the institution must determine, on the basis of reasonably available information, whether repayment of the loan under either the current repayment schedule or any adjusted schedule authorized under subpart B or D of this part would impose an undue hardship on the borrower and his or her dependents.

(4) If the institution concludes that repayment would not impose an undue hardship, the institution shall determine whether the costs reasonably expected to be incurred to oppose discharge will exceed one-third of the total amount owed on the loan, including principal, interest, late charges and collection costs.

(5) If the expected costs of opposing discharge of such a loan do not exceed one-third of the total amount owed on the loan, the institution shall—

(i) Oppose the borrower’s request for a determination of dischargeability; and

(ii) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(6) In opposing a request for a determination of dischargeability, the institution may compromise a portion of the amount owed on the loan if it reasonably determines that the compromise is necessary in order to obtain a judgment on the loan.

(d) Request for determination of nondischargeability. The institution may file a complaint for a determination that a loan obligation is not dischargeable and for judgment on the loan if the institution would have been required under paragraph (c) of this section to oppose a request for a determination of dischargeability with regard to that loan.

(e) Chapter 13 repayment plan. (1) The institution shall follow the procedures in this paragraph in response to a repayment plan proposed by a borrower who has filed for relief under chapter 13 of the Bankruptcy Code.

(2) The institution is not required to respond to a proposed repayment plan, if—

(i) The borrower proposes under the repayment plan to repay all principal, interest, late charges and collection costs on the loan; or

(ii) The repayment plan makes no provision with regard either to the loan obligation or to general unsecured claims.

(3)(i) If the borrower proposes under the repayment plan to repay less than the total amount owed on the loan, the
§674.49  

institution shall determine from its own records and court documents—

(A) The amount of the loan obligation dischargeable under the plan by deducting the total payments on the loan proposed under the plan from the total amount owed;

(B) Whether the plan or the classification of the loan obligation under the proposed plan meets the requirements of section 1325 of the Code; and

(C) Whether grounds exist under 11 U.S.C. 1307 to move for conversion or dismissal of the chapter 13 case.

(ii) If the institution reasonably expects that costs of the appropriate actions will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Object to confirmation of a proposed plan that does not meet the requirements of 11 U.S.C. 1325; and

(B) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307.

(4)(i) The institution must monitor the borrower’s compliance with the requirements of the plan confirmed by the court. If the institution determines that the debtor has not made the payments required under the plan, or has filed a request for a “hardship discharge” under 11 U.S.C. 1328(b), the institution must determine from its own records and information derived from documents filed with the court—

(A) Whether grounds exist under 11 U.S.C. 1307 to convert or dismiss the case; and

(B) Whether the borrower has demonstrated entitlement to the “hardship discharge” by meeting the requirements of 11 U.S.C. 1328(b).

(ii) If the institution reasonably expects that costs of the appropriate actions, when added to the costs already incurred in taking actions authorized under this section, will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307; or

(B) Oppose the requested discharge where the debtor has not demonstrated that the requirements of 11 U.S.C. 1328(b) are met.

(f) Resumption of collection from the borrower. The institution shall resume billing and collection action prescribed in this subpart after—

(1) The borrower’s petition for relief in bankruptcy has been dismissed;

(2) The borrower has received a discharge under 11 U.S.C. 727, 11 U.S.C. 1141, or 11 U.S.C. 1228, unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any applicable suspension of the repayment period as defined by 34 CFR 682.402(m), and

(C) The loan is not excepted from discharge under other applicable provisions of the Code; or

(3) The borrower has received a discharge under 11 U.S.C. 1328(a) or 1328(b), unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any application suspension of the repayment period as defined by 34 CFR 682.402(m) before the filing of the petition; and

(C) The borrower’s plan approved in the bankruptcy proceeding made some provision with regard to either the loan obligation or unsecured debts in general.

(g) Termination of collection and write-off. (1) An institution must terminate all collection action and write off a loan if it receives a general order of discharge—

(i) In a bankruptcy in which the borrower filed for relief before October 8, 1998, if the loan entered the repayment period more than seven years (exclusive of any applicable suspension of the repayment period defined by 34 CFR 682.402(m)) from the date on which a petition for relief was filed; or

(ii) In any other case, a judgment that repayment of the debt would constitute an undue hardship and that the debt is therefore dischargeable.
(2) If an institution receives a repayment from a borrower after a loan has been discharged, it must deposit that payment in its Fund.

The institution must respond to any request from the Secretary within 10 business days.

(iv) As long as any loan made to a borrower under a MPN created by an institution is not satisfied, the institution is responsible for ensuring that all parties entitled to access to the electronic loan record, including the Secretary, have full and complete access to the electronic loan record.

(d) Except as provided in paragraph (e) of this section, and subject to paragraph (g) of this section, the Secretary accepts an assignment of a note described in paragraph (a) of this section and submitted in accordance with paragraph (c) of this section.

(A) The physician certified the borrower’s application; or
(B) The Secretary received the SSA notice of award for SSDI or SSI benefits.

(vi) If the Secretary determines that the physician’s certification or the SSA notice of award for SSDI or SSI benefits provided by the borrower does not support the conclusion that the borrower is totally and permanently disabled as defined in §674.51(aa)(1), the Secretary notifies the borrower and the institution that the application for a disability discharge has been denied. The notification includes—

(A) The reason or reasons for the denial;

(D) An explanation that the borrower is not required to submit a new total and permanent disability discharge application if the borrower requests that the Secretary re-evaluate the application for discharge by providing, within 12 months of the date of the notification, additional information that supports the borrower’s eligibility for discharge; and

(E) An explanation that if the borrower does not request re-evaluation of the borrower’s prior discharge application within 12 months of the date of the notification, the borrower must submit a new total and permanent disability discharge application to the Secretary if the borrower wishes the Secretary to re-evaluate the borrower’s eligibility for a total and permanent disability discharge.

SSI benefits and a disbursement of that loan or grant is made during the period from the date of the physician’s certification or the date the Secretary received the SSA notice of award for SSDI or SSI benefits until the date the Secretary grants a discharge under this section, the processing of the borrower’s loan discharge application will be suspended until the borrower ensures that the full amount of the disbursement has been returned to the loan holder or to the Secretary, as applicable.

(5) Receipt of new title IV loans or TEACH Grants after the date of the physician’s certification or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits. If a borrower receives a disbursement of a new title IV loan or receives a new TEACH Grant made on or after the date the physician certified the borrower’s discharge application or on or after the date the Secretary received the SSA notice of award for SSDI or SSI benefits and before the date the Secretary grants a discharge under this section, the Secretary denies the borrower’s discharge request and collection resumes on the borrower’s loans.

(6) Conditions for reinstatement of a loan after a total and permanent disability discharge. (i) The Secretary reinstates the borrower’s obligation to repay a loan that was discharged in accordance with paragraph (b)(3)(v) of this section if, within three years after the date the Secretary granted the discharge, the borrower—

(D) Receives a notice from the SSA indicating that the borrower is no longer disabled or that the borrower’s continuing disability review will no longer be the five- to seven-year period indicated in the SSA notice of award for SSDI or SSI benefits.

(ii) If the borrower’s obligation to repay a loan is reinstated, the Secretary—

(A) Notifies the borrower that the borrower’s obligation to repay the loan has been reinstated; 

(B) Returns the loan to the status that would have existed had the total and permanent disability discharge application not been received; and 

(C) Does not require the borrower to pay interest on the loan for the period from the date the loan was discharged until the date the borrower’s obligation to repay the loan was reinstated.

(iii) The Secretary’s notification under paragraph (b)(6)(i)(A) of this section will include—

(A) The reason or reasons for the reinstatement; 

(B) An explanation that the first payment due date on the loan following reinstatement will be no earlier than 60 days after the date of the notification of reinstatement; and 

(C) Information on how the borrower may contact the Secretary if the borrower has questions about the reinstatement or believes that the obligation to repay the loan was reinstated based on incorrect information.

(7) Borrower’s responsibilities after a total and permanent disability discharge. During the three-year period described in paragraph (b)(6)(i) of this section, the borrower must—

(i) Promptly notify the Secretary of any changes in the borrower’s address or phone number;

(8) Payments received after the physician’s certification of total and permanent disability. (i) If the institution receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary based on the Secretary’s determination of eligibility for a total and permanent disability discharge, the institution must return the payments to the sender.

(ii) At the same time that the institution returns the payments, it must notify the borrower that there is no obligation to make payments on the loan after it has been discharged due to a total and permanent disability unless the loan is reinstated in accordance with §674.61(b)(6), or the Secretary directs the borrower otherwise.

(iii) When the Secretary discharges the loan, the Secretary returns to the sender any payments received on the loan after the date the borrower became totally and permanently disabled.

(c) Total and permanent disability discharges for veterans. (1) General. A veteran’s Defense, NDSL, or Perkins loan will be discharged if the veteran is totally and permanently disabled, as defined in §674.51(aa)(2).

(2) Discharge application process for veterans who have a total and permanent disability as defined in §674.51(aa)(2). (i) If a veteran notifies the institution that the veteran claims to be totally and permanently disabled as defined in §674.51(aa)(2), the institution must direct the veteran to notify the Secretary of the veteran’s intent to submit an application for a total and permanent disability discharge to the Secretary; and provide the veteran with the information needed for the veteran to apply for a total and permanent disability discharge to the Secretary.

(ii) If the veteran notifies the Secretary of the veteran’s intent to apply for a total and permanent disability discharge, the Secretary—

(A) Provides the veteran with information needed for the veteran to apply for a total and permanent disability discharge;

(B) Identifies all title IV loans owed by the veteran and notifies the lenders of the veteran’s intent to apply for a total and permanent disability discharge;

(C) Directs the lenders to suspend efforts to collect from the borrower for a period not to exceed 120 days; and

(D) Informs the veteran that the suspension of collection activity described in paragraph (c)(2)(ii)(C) of this section will end after 120 days and collection will resume on the veteran’s title IV loans if the veteran does not submit a total and permanent disability discharge application to the Secretary within that time.

(iii) If the veteran fails to submit an application for a total and permanent disability discharge to the Secretary within 120 days, collection resumes on the veteran’s title IV loans.

(iv) The veteran must submit to the Secretary an application for total and permanent disability discharge on a form approved by the Secretary.

(v) The application must be accompanied by documentation from the Department of Veteran Affairs showing that the Department of Veteran Affairs has determined that the veteran is unemployable due to a service-connected disability. The veteran will not be required to provide any additional documentation related to the veteran’s disability.

(vi) After the Secretary receives the application and supporting documentation described in paragraphs (c)(2)(iv) and (c)(2)(v) of this section, the Secretary notifies the holders of the veteran’s title IV loans that the Secretary has received a total and permanent disability discharge application from the veteran.

(vii) If the application is incomplete, the Secretary notifies the veteran of the missing information and requests the missing information from the veteran or the veteran’s representative. The Secretary does not make a determination of eligibility until the application is complete.

(viii) The lender notification described in paragraph (c)(2)(vi) of this section directs the lenders to suspend
collection activity or maintain the suspension of collection activity on the borrower’s title IV loans.

(ix) After the Secretary receives the disability discharge application, the Secretary sends a notice to the veteran that—

(A) States that the application will be reviewed by the Secretary;

(B) Informs the veteran that the veteran’s lenders will suspend collection activity on the veteran’s title IV loans while the Secretary reviews the borrower’s application for a discharge; and

(C) Explains the process for the Secretary’s review of total and permanent disability discharge applications.

(3) Secretary’s review of the total and permanent disability discharge application. (i) If, after reviewing the veteran’s completed application, the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is totally and permanently disabled as defined in §674.51(aa)(2), the Secretary notifies the veteran and the veteran’s lenders that the application for disability discharge has been approved. With this notification, the Secretary provides the effective date of the determination and directs each institution holding a Direct, NDSL, or Perkins Loan made to the veteran to discharge the loan.

(ii) The institution returns any payments received on or after the effective date of the determination by the Department of Veterans Affairs that the veteran is unemployable due to a service-connected disability to the person who made the payments.

(iii) If the Secretary determines, based on a review of the documentation from the Department of Veterans Affairs, that the veteran is not totally and permanently disabled as defined in §674.51(aa)(2), the Secretary notifies the veteran or the veteran’s representative, and the institution that the application for a disability discharge has been denied. The notification includes—

(A) The reason or reasons for the denial;

(B) An explanation that the loan is due and payable to the institution under the terms of the promissory note and that the loan will return to the status that would have existed had the total and permanent disability discharge application not been received;

(C) An explanation that the institution will notify the veteran of the date the veteran must resume making payments on the loan);

(D) An explanation that the veteran is not required to submit a new total and permanent disability discharge application if the veteran requests that the Secretary re-evaluate the veteran’s application for discharge by providing, within 12 months of the date of the notification, additional documentation from the Department of Veterans Affairs that supports the veteran’s eligibility for discharge; and

(E) Information on how the veteran may reapply for a total and permanent disability discharge in accordance with the procedures described in paragraphs (b)(1) through (b)(8) of this section, if the documentation from the Department of Veterans Affairs does not indicate that the veteran is totally and permanently disabled as defined in §674.51(aa)(2), but indicates that the veteran may be totally and permanently disabled as defined in §674.51(aa)(1).

(d) No Federal reimbursement. No Federal reimbursement is made to an institution for discharge of loans due to death or disability.

(e) Retroactive. Discharge for death applies retroactively to all Defense, NDSL, and Perkins loans.

(ii) If the injuries suffered due to the terrorist-related aircraft crashes did not make the individual permanently and totally disabled at the time of or in the immediate aftermath of the attacks, the individual may be considered to be permanently and totally disabled for purposes of this section if the individual’s medical condition has deteriorated to the extent that the individual is permanently and totally disabled.

(4) Immediate aftermath means, for an eligible public servant, the period of

If the eligible public servant has died, the borrower must have been the spouse of the eligible public servant at the time of the terrorist attacks on September 11, 2001 and until the date the eligible public servant died.

(2) A Defense, NDSL, or Perkins Loan owed by the spouse of an eligible public servant may be discharged under the procedures for a discharge in paragraphs (b)(3) through (b)(6) of this section.

(3) After being notified by the borrower that the borrower claims to qualify for a discharge under this section, an institution shall suspend collection activity on the borrower’s eligible Defense, NDSL, and Perkins Loans and promptly request that the borrower submit a request for discharge on a form approved by the Secretary.

(4) If the institution determines that the borrower does not qualify for a discharge under this section, or the institution does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the institution that the borrower claims to qualify for a discharge, the institution shall resume collection and shall be deemed to have exercised forbearance of payment of both principal and interest from the date the institution was notified by the borrower. The institution must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the institution will resume collection on the loan.

(3) If the eligible public servant owed a FFEL Program Loan, a Direct Loan, or a Perkins Loan at the time of the terrorist attacks on September 11, 2001, documentation that the individual’s loans were discharged by the lender, the Secretary, or the institution due to death may be substituted for the original or certified copy of a death certificate.

(4) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a FFEL Program Loan, a Direct Loan, or a Perkins Loan held by another institution, because the eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation required in paragraphs (c)(1) through (c)(3) of this section.

(5) Under exceptional circumstances and on a case-by-case basis, the determination that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation required in paragraphs (c)(1) through (c)(3) of this section.

(f) Limitations on discharge. (1) Only outstanding Defense, NDSL, and Perkins Loans for which amounts were owed on September 11, 2001, are eligible for discharge under this section.

(3) A determination by an institution that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001 for purposes of this section does not qualify the eligible public servant for a discharge based on a total and permanent disability under §674.61.

   (iii) Must clearly explain how it will carry out that activity.
(3) A student may authorize an institution to carry out the activities described in paragraph (d)(1) of this section for the period during which the student is enrolled at the institution.
(4)(i) If a student modifies an authorization, the modification takes effect on the date the institution receives the modification notice.
