

a concession contract if the Director determines in accordance with 36 CFR part 51 and park area planning documents and related guidelines and policies that the proposed activities meet applicable requirements for issuance of a concession contract. Proposed activities are subject to authorization under a commercial use authorization if the Director determines in accordance with park area planning documents and related guidelines and policies that the proposed activities meet applicable requirements for issuance of a commercial use authorization.

§ 18.7 How are lease proposals solicited and selected if the Director issues a Request for Bids?

(a) If the amount of the rent is the only criterion for award of a lease, the Director may solicit bids through issuance of a request for bids as described in this section. If historic property is to be leased under the authority of this section, the Director must comply with 36 CFR part 800 (commenting procedures of the Advisory Council on Historic Preservation) at an appropriate time during the leasing process.

(b) A request for bids under this section shall be advertised by public notice published at least twice in local and/or national newspapers of general circulation. The notice shall provide at least a thirty (30) day period from the last date of publication for the submission of sealed bids. The notice will provide necessary information to prospective bidders. It may specify a minimum rent and/or require submission of a rent deposit or advance rent payment. Bids will be considered only if timely received at the place designated in the request. Bids must be in the form specified by the Director, or, if no form is specified, a bid must be in writing, signed by the bidder or authorized representative, state the amount of the bid, and refer to the applicable public notice. If the notice requires submission of a rent deposit or advance rent payment, the bids must include the required funds in the form of a certified check, post office money order, bank drafts, or cashier's checks made out to the United States of America. The bid (and payment where applicable) must be enclosed in a sealed envelope upon

which the bidder shall write: "Bid on lease of property of the National Park Service" and shall note the date the bids are to be opened.

(c) Bids will be opened publicly by the Director at a time and place specified in the public notice. Bidders or their representatives may attend the bid opening. The bidder submitting a responsive bid offering the highest rent will be selected for award of the lease (subject to a determination of financial capability by the Director). A responsive bid is a bid that meets the material terms and conditions of the request for bids. The Director shall accept no bid in an amount less than the fair market rental value as determined by the Director. If two or more bids are equal, a drawing shall make the lease award by lot limited to the equal responsive bids received.

(d) When a property is to be leased through a request for bids, the bidder that is declared by the Director to be the high bidder shall be bound by his bid and this part to execute the offered lease, unless the bid is rejected. If the declared high bidder fails to enter into the lease for any reason, the Director may choose to enter into the lease with the next highest bidder (if that bidder offered to pay at least the fair market rent value). The Director may reject any and all bids in his discretion and resolicit or cancel a lease solicitation under this part at any time without liability to any person.

§ 18.8 How are lease proposals solicited and selected if the Director issues a Request for Proposals?

(a) When the award of a lease is to be based on selection criteria in addition to or other than the amount of the rent, the Director must, subject to § 18.9, solicit proposals for the lease through issuance of a public Request for Proposals (RFP).

(b) An RFP may be preceded by issuance of a public Request for Qualifications (RFQ). The purpose of an RFQ is to select a "short list" of potential offerors that meet minimum management, financial and other qualifications necessary for submission of a proposal in response to an RFP. If the Director issues an RFQ, only persons determined as qualified by the Director

§ 18.8

36 CFR Ch. I (7-1-13 Edition)

under the terms of the RFQ shall be eligible to submit a proposal under the related RFP.

(c) The Director must provide public notice of the leasing opportunity by publication at least twice in local and/or national newspapers of general circulation and/or through publication in the Commerce Business Daily. The public notice shall contain general information about the leasing opportunity and advise interested persons how to obtain a copy of the RFP (or RFQ where applicable). The RFP (and RFQ where applicable) shall contain appropriate information about the property proposed for lease, including limitations on the uses of the property to be leased, information concerning the leasing process, information and materials that must be contained in a proposal, the time and place for submission of proposals, terms and conditions of the lease, and the criteria under which the Director will evaluate proposals. The RFP may state the fair market value rent as the minimum acceptable rent if determined by the Director at that time. The RFP (and RFQ where applicable) must allow at least sixty (60) days for submission of proposals (or qualifications under an RFQ) unless a shorter period of time is determined to be sufficient in the circumstances of a particular solicitation.

(d) The Director may determine that a proposal is non-responsive and not consider it further. A non-responsive proposal is a proposal that was not timely submitted or fails to meet the material terms and conditions of the RFP. After the submission of offers and prior to the selection of the best overall proposal, the Director may request from any offeror additional information or written clarification of a proposal, provided that proposals may not be amended after the submission date unless all offerors that submitted responsive proposals are given an opportunity to amend their proposals. The Director may choose to reject all proposals received at any time and resolicit or cancel a solicitation under this part without liability to any person.

(e) (1) The criteria to be used in selection of the best proposal are:

(i) The compatibility of the proposal's intended use of the leased property with respect to preservation, protection, and visitor enjoyment of the park;

(ii) The financial capability of the offeror to carry out the terms of the lease;

(iii) The experience of the offeror demonstrating the managerial capability to carry out the terms of the lease;

(iv) The ability and commitment of the offeror to conduct its activities in the park area in an environmentally enhancing manner through, among other programs and actions, energy conservation, waste reduction, and recycling; and

(v) Any other criteria the RFP may specify.

(2) If the property to be leased is an historic property, the compatibility of the proposal with the historic qualities of the property shall be an additional selection criterion. If the RFP requires proposals to include the amount of rent offered, the amount of rent offered also shall be an additional selection criterion.

(f) The Director will evaluate all responsive proposals received. The responsive proposal determined by the Director to best meet on an overall basis the evaluation criteria will be selected for negotiation of the lease. If two or more responsive proposals are determined by the Director to be substantially equal under the evaluation criteria, the Director shall provide an opportunity for those proposals to be amended by their offerors as necessary for the Director to select the best amended proposal. In such circumstances, the Director will provide each offeror that submitted a substantially equal proposal appropriate information as to how their proposals may be amended in order to enhance the possibility of selection as the best amended proposal. If two or more proposals remain as substantially equal after amendment, the Director will select for negotiation of the lease from among these proposals the proposal that the Director determines on an overall basis will be most beneficial to effective management of the park area.

(g) The Director will provide the offeror that submitted the best overall responsive proposal as determined by the Director a specified period of time to negotiate the final terms of the lease (and may enter into a letter of intent to negotiate in this connection). The final terms of the lease must be consistent with the requirements of the RFP. If the negotiations do not result in an executed lease within the specified time period, the Director, in his discretion, may extend the negotiation period, terminate negotiations and negotiate with the offeror that submitted the next best responsive proposal, or, cancel the solicitation.

(h) RFPs may state that the amount of rent to be paid will be negotiated subsequently with the offeror that submitted the best proposal, initially or as amended. The Director may execute a lease only if the Director determines that it requires the lessee to pay at least the fair market value rent of the leased property.

(i) The Director may execute a lease that includes historic property only after complying with 36 CFR part 800 (commenting procedures of the Advisory Council on Historic Preservation).

§ 18.9 When may the Director lease property without issuing a request for bids or a request for proposals?

The Director, except as provided in this section, may not lease property without issuing a request for bids or a request for proposals in compliance with § 18.7 or § 18.8. The Director under this part may enter into leases with non-profit organizations (recognized as such by the Internal Revenue Service) or units of government without complying with §§ 18.7 or 18.8 if the Director determines that the non-profit or governmental use of the property will contribute to the purposes and programs of the park area. All other requirements of this part are applicable to leases entered into or to be entered into under authority of this section. The Director may enter into leases under this part with a term of sixty (60) days or less without complying with §§ 18.7 or 18.8 if the Director determines that to do so is in the best interests of the administration of the park area. If historic land is to be leased

under the authority of this section, the Director must comply with 36 CFR part 800 (commenting procedures of the Advisory Council on Historic Preservation) before entering into the lease.

§ 18.10 How long can the term of a lease be?

All leases entered into under this part shall have as short a term as possible, taking into account the financial obligations of the lessee and other factors related to determining an appropriate lease term. No lease shall have a term of more than 60 years. Leases entered under the authority of this part may not be extended, except that, leases with an initial term of one (1) year or more may be extended once for a period not to exceed one (1) additional year if the Director determines that an extension is necessary because of circumstances beyond the Director's control.

§ 18.11 What general provisions must a lease contain?

All leases entered into under this part must contain terms and conditions that are determined necessary by the Director to assure use of the leased property in a manner consistent with the purposes of the applicable park area as established by law, and where applicable, to assure the preservation of historic property.

§ 18.12 What specific provisions must a lease contain?

All leases entered into under this part must contain:

(a) A termination for cause or default provision;

(b) Appropriate provisions requiring the lessee to maintain the leased property in good condition throughout the term of the lease;

(c) Appropriate provisions stating that subletting of a portion of the leased property and assignment of a lease, if permissible under the terms of the lease, must be subject to the Director's written approval. Such subleases and assignments shall be approved only if the Director determines, among
