§ 294.2 Navigation of aircraft within airspace reservation over the Boundary Waters Canoe Area Wilderness, Superior National Forest, Minnesota.

(a) Description of areas. Sections 294.2(b) to 294.2(f), inclusive, apply to those areas of land and water in the Counties of Cook, Lake, and St. Louis, State of Minnesota, within the exterior boundaries of the Superior National Forest, which have heretofore been designated by the Secretary of Agriculture as the Superior Roadless Area, the Little Indian Sioux Roadless Area, and the Caribou Roadless Area, respectively, and to the airspace over said areas and below the altitude of 4,000 feet above sea level. Said areas are more particularly described in the Executive order setting apart said airspace as an airspace reservation (E.O. 10092, Dec. 17, 1949; 3 CFR 1949 Supp.). Copies of said Executive order may be obtained on request from the Forest Supervisor, Superior National Forest, Duluth, Minnesota (hereinafter called Forest Supervisor).

(b) Emergency landing and rescue operations. The pilot of any aircraft landing within any of said areas for reasons of emergency or for conducting rescue operations, shall inform the Forest Supervisor within seven days after the termination of the emergency or the completion of the rescue operation as to the date, place, and duration of landing, and the type and registration number of the aircraft.

(c) Low flights. Any person making a flight within said airspace reservation for reasons of safety or for conducting

Subpart B—State Petitions for Inventoried Roadless Area Management

**AUTHORITY:** 16 U.S.C. 472, 529, 551, 1608, 1613; 23 U.S.C. 201, 205.

**SOURCE:** 70 FR 25661, May 13, 2005, unless otherwise noted.

§ 294.10 Purpose.

The purpose of these administrative procedures is to set forth a process for State-specific rulemaking to address the management of inventoried roadless areas in areas where the Secretary determines that regulatory direction is appropriate based on a petition from the affected Governor.

§ 294.11 Definition.

Inventoried roadless areas—Areas identified in a set of inventoried roadless area maps, contained in the Forest Service Roadless Area Conservation, Final Environmental Impact Statement, Volume 2, dated November 2000, and any subsequent update or revision of those maps through the land management planning process.

§ 294.12 State petitions.

The Governor of any State or territory that contains National Forest System lands may petition the Secretary of Agriculture to promulgate regulations establishing management requirements for all or any portion of National Forest System inventoried roadless areas within that State or territory. Any such petition must be submitted to the Secretary of Agriculture not later than November 13, 2006.

§ 294.13 Petition process.

(a) Review and consideration of petitions made pursuant to §294.12 shall be accomplished as follows:

(1) **Review.** The Secretary shall review petitions and may request additional information from a petitioner before deciding whether to accept the petition. If the Secretary requests additional information from a petitioner, the petition will be considered complete when the petitioner provides the additional information.

(2) **Disposition.** The Secretary or the Secretary’s designee shall respond to the petition within 180 days of receipt of a completed petition. The response shall accept or decline the petition to initiate a State-specific rulemaking.

§ 294.14 Petition contents.

(a) Any petition made pursuant to §294.12 shall provide the following:

(1) The location and description of the particular lands for which the petition is being made, including maps and other appropriate resources in sufficient detail to enable consideration of the petition;

(2) The particular management requirements recommended for the lands and any exceptions;

(3) The identification of the circumstances and needs intended to be addressed by the petition, including conserving roadless area values and characteristics; protecting human health and safety; reducing hazardous fuels and restoring essential wildlife habitats; maintaining existing facilities such as dams, or providing reasonable access to public and private property or public and privately owned facilities; and technical corrections to existing maps such as boundary adjustments to remove existing roaded areas;

(4) A description of how the recommended management requirements identified in paragraph (a)(2) of this
