REPRESENTATION BY ATTORNEYS OR OTHER AUTHORIZED PERSONS

AUTHORITY: Secs. 2.11 to 2.19 also issued under 35 U.S.C. 31, 32.

§ 2.11 Applicants may be represented by an attorney.

Representation before the Office is governed by § 11.14 of this chapter. The Office cannot aid in the selection of an attorney.

[73 FR 47685, Aug. 14, 2008]

§§ 2.12–2.16 [Reserved]**§ 2.17 Recognition for representation.**

(a) *Authority to practice in trademark cases.* Only an individual qualified to practice under § 11.14 of this chapter may represent an applicant, registrant, or party to a proceeding before the Office in a trademark case.

(b)(1) *Recognition of practitioner as representative.* To be recognized as a representative in a trademark case, a practitioner qualified under § 11.14 of this chapter may:

(i) File a power of attorney that meets the requirements of paragraph (c) of this section;

(ii) Sign a document on behalf of an applicant, registrant, or party to a proceeding who is not already represented by a practitioner qualified under § 11.14 of this chapter from a different firm; or

(iii) Appear in person on behalf of an applicant, registrant, or party to a proceeding who is not already represented by a practitioner qualified under § 11.14 of this chapter from a different firm.

(2) *Signature as certificate of authorization to represent.* When a practitioner qualified under § 11.14 of this chapter appears in person or signs a document pursuant to paragraph (b) of this section, his or her personal appearance or signature shall constitute a representation to the Office that he or she is authorized to represent the person or entity on whose behalf he or she acts. The Office may require further proof of authority to act in a representative capacity.

(c) *Requirements for power of attorney.* A power of attorney must:

(1) Designate by name at least one practitioner meeting the requirements of § 11.14 of this chapter; and

(2) Be signed by the individual applicant, registrant, or party to a proceeding pending before the Office, or by someone with legal authority to bind the applicant, registrant, or party (e.g., a corporate officer or general partner

of a partnership). In the case of joint applicants or joint registrants, all must sign. Once the applicant, registrant, or party has designated a practitioner(s) qualified to practice under § 11.14 of this chapter, that practitioner may sign an associate power of attorney appointing another qualified practitioner(s) as an additional person(s) authorized to represent the applicant, registrant, or party. If the applicant, registrant, or party revokes the original power of attorney (§ 2.19(a)), the revocation discharges any associate power signed by the practitioner whose power has been revoked. If the practitioner who signed an associate power withdraws (§ 2.19(b)), the withdrawal discharges any associate power signed by the withdrawing practitioner upon acceptance of the request for withdrawal by the Office.

(d) *Power of attorney relating to multiple applications or registrations.* (1) The owner of an application or registration may appoint a practitioner(s) qualified to practice under § 11.14 of this chapter for up to twenty applications or registrations that have the identical owner name and attorney through TEAS.

(2) The owner of an application or registration may file a power of attorney that relates to more than one trademark application or registration, or to all existing and future applications and registrations of that owner, on paper. A person relying on such a power of attorney must:

(i) Include a copy of the previously filed power of attorney; or

(ii) Refer to the power of attorney, specifying the filing date of the previously filed power of attorney; the application serial number (if known), registration number, or *inter partes* proceeding number for which the original power of attorney was filed; and the name of the person who signed the power of attorney; or, if the application serial number is not known, submit a copy of the application or a copy of the mark, and specify the filing date.

(e) *Canadian attorneys and agents.* (1) A Canadian patent agent who is registered and in good standing as a patent agent under § 11.6(c) may represent

parties located in Canada before the Office in trademark matters.

(2) A Canadian attorney or agent who is registered or in good standing with the Canadian Intellectual Property Office, but not registered as a patent agent under § 11.6(c), may represent parties located in Canada if he or she has been authorized to do so by the Director of the Office of Enrollment and Discipline, pursuant to § 11.14(f) of this chapter.

(f) *Non-lawyers.* A non-lawyer may not act as a representative except in the limited circumstances set forth in § 11.14(b) of this chapter. Before any non-lawyer who meets the requirements of § 11.14(b) of this chapter may take action of any kind with respect to an application, registration or proceeding, a written authorization must be filed, signed by the applicant, registrant, or party to the proceeding, or by someone with legal authority to bind the applicant, registrant, or party (e.g., a corporate officer or general partner of a partnership).

(g) *Duration of power of attorney.* (1) For purposes of recognition as a representative, the Office considers a power of attorney filed while an application is pending to end when the mark registers, when ownership changes, or when the application is abandoned.

(2) The Office considers a power of attorney filed after registration to end when the mark is cancelled or expired, or when ownership changes. If the power was filed in connection with an affidavit under section 8, 12(c), 15 or 71 of the Trademark Act, renewal application under section 9 of the Act, or request for amendment or correction under section 7 of the Act, the power is deemed to end upon acceptance or final rejection of the filing.

[74 FR 54906, Oct. 26, 2009]

§ 2.18 Correspondence, with whom held.

(a) *Establishing the correspondence address.* (1) If a written power of attorney that meets the requirements of § 2.17 is filed, the Office will send correspondence to the practitioner designated in the power.

(2) If a practitioner qualified under § 11.14 of this chapter transmits a document(s) on behalf of an applicant, reg-

istrant, or party to a proceeding who is not already represented by another qualified practitioner from a different firm, the Office will send correspondence to the practitioner transmitting the documents.

(3) If an application, registration or proceeding is not being prosecuted by a practitioner qualified under § 11.14 of this chapter and the applicant, registrant, or party to the proceeding designates a correspondence address in writing, the Office will send correspondence to the designated address if appropriate.

(4) If an application, registration or proceeding is not being prosecuted by a practitioner qualified under § 11.14 of this chapter and the applicant, registrant, or party to the proceeding has not designated a correspondence address in writing, but a domestic representative has been appointed, the Office will send correspondence to the domestic representative if appropriate.

(5) If the application, registration or proceeding is not being prosecuted by a practitioner qualified under § 11.14 of this chapter, the applicant, registrant, or party to the proceeding has not designated a correspondence address, and no domestic representative has been appointed, the Office will send correspondence directly to the applicant, registrant, or party to the proceeding.

(6) The Office will send correspondence to only one address in an *ex parte* matter.

(7) Once the Office has recognized a practitioner qualified under § 11.14 of this chapter as the representative of an applicant or registrant, the Office will communicate and conduct business only with that practitioner, or with another qualified practitioner from the same firm. The Office will not conduct business directly with the applicant or registrant, or with another practitioner from a different firm, unless the applicant or registrant files a revocation of the power of attorney under § 2.19(a), and/or a new power of attorney that meets the requirements of § 2.17(c). A written request to change the correspondence address does not revoke a power of attorney.

(b) *Changing the correspondence address.* (1) If a physical or e-mail correspondence address changes, the applicant, registrant, or party to a proceeding must file a written request to change the correspondence address. The request should be promptly filed.

(2) A request to change the correspondence address must be made in writing, signed by the applicant, registrant, or party to a proceeding, someone with legal authority to bind the applicant, registrant, or party (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with § 2.193(e)(9).

(3) If an applicant or registrant files a new power of attorney that meets the requirements of § 2.17(c), the Office will change the correspondence address to that of the practitioner named in the power.

(4) If a practitioner qualified under § 11.14 of this chapter transmits a document(s) on behalf of an applicant, registrant, or party to a proceeding who is not already represented by another qualified practitioner, the Office will construe this as including a request to change the correspondence address to that of the practitioner, and will send correspondence to the practitioner.

(c) *Post registration filings under sections 7, 8, 9, 12(c), 15, and 71.* (1) Even if there is no new power of attorney or written request to change the correspondence address, the Office will change the correspondence address upon the examination of an affidavit under section 8, 12(c), 15 or 71 of the Trademark Act, renewal application under section 9 of the Act, or request for amendment or correction under section 7 of the Act. If a practitioner qualified under § 11.14 of this chapter transmits the affidavit, renewal application, or section 7 request, the Office will send correspondence to the practitioner. If the owner of the registration is not represented by a qualified practitioner, the Office will send correspondence directly to the owner, or to the domestic representative if appropriate, in accordance with paragraph (a).

(2) Once the Office establishes a correspondence address upon examination of an affidavit, renewal application, or section 7 request, a written request to

change the address in accordance with the requirements of paragraph (b)(2) of this section is required to change the address during the pendency of that filing.

[74 FR 54906, Oct. 26, 2009]

§ 2.19 Revocation or withdrawal of attorney.

(a) *Revocation.* (1) Authority to represent an applicant, registrant or party to a proceeding before the Office may be revoked at any stage in the proceedings of a trademark case, upon written notification signed by the applicant, registrant, or party to the proceeding, or by someone with legal authority to bind the applicant, registrant, or party (e.g., a corporate officer or general partner of a partnership). In the case of joint applicants or joint registrants, all must sign.

(2) When a power of attorney is revoked, the Office will communicate directly with the applicant, registrant, or party to the proceeding, or with the new attorney or domestic representative if appropriate.

(3) A request to change the correspondence address does not revoke a power of attorney.

(4) A new power of attorney that meets the requirements of § 2.17(c) will be treated as a revocation of the previous power.

(b) *Withdrawal of attorney.* If the requirements of § 10.40 of this chapter are met, a practitioner authorized to represent an applicant, registrant, or party to a proceeding in a trademark case may withdraw upon application to and approval by the Director or, when applicable, upon motion granted by the Trademark Trial and Appeal Board. The practitioner should file the request to withdraw soon after the practitioner notifies the client of his/her intent to withdraw. The request must include the following:

(1) The application serial number, registration number, or proceeding number;

(2) A statement of the reason(s) for the request to withdraw; and

(3) Either

(i) A statement that the practitioner has given notice to the client that the

§ 2.20

practitioner is withdrawing from employment and will be filing the necessary documents with the Office; that the client was given notice of the withdrawal at least two months before the expiration of the response period, if applicable; that the practitioner has delivered to the client all documents and property in the practitioner's file concerning the application, registration or proceeding to which the client is entitled; and that the practitioner has notified the client of any responses that may be due, and of the deadline for response; or

(ii) If more than one qualified practitioner is of record, a statement that representation by co-counsel is ongoing.

§ 2.34 Bases for filing.

(a) The application must include one or more of the following five filing bases:

(1) *Use in commerce under section 1(a) of the Act.* The requirements for an application based on section 1(a) of the Act are:

(i) The trademark owner's verified statement that the mark is in use in commerce on or in connection with the goods or services listed in the application. If the verification is not filed with the initial application, the verified statement must also allege that the mark was in use in commerce on or in connection with the goods or services listed in the application as of the application filing date;

(ii) The date of the applicant's first use of the mark anywhere on or in connection with the goods or services;

(iii) The date of the applicant's first use of the mark in commerce as a trademark or service mark; and

(iv) One specimen per class showing how the applicant actually uses the mark in commerce. When requested by the Office, additional specimens must be provided.

(v) If more than one item of goods or services is specified in the application, the dates of use required in paragraphs (ii) and (iii) of this section need be for only one of the items specified in each class, provided that the particular item to which the dates apply is designated.

(2) *Intent-to-use under section 1(b) of the Act.* In an application under section 1(b) of the Act, the applicant must verify that it has a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application. If the verification is not filed with the initial

application, the verified statement must also allege that the applicant had a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application as of the filing date of the application.

(3) *Registration of a mark in a foreign applicant's country of origin under section 44(e) of the Act.* The requirements for an application under section 44(e) of the Act are:

(i) The applicant's verified statement that it has a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application. If the verification is not filed with the initial application, the verified statement must also allege that the applicant had a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application as of the filing date of the application.

(ii) A true copy, a photocopy, a certification, or a certified copy of a registration in the applicant's country of origin showing that the mark has been registered in that country, and that the registration is in full force and effect. The certification or copy of the foreign registration must show the name of the owner, the mark, and the goods or services for which the mark is registered. If the foreign registration is not in the English language, the applicant must submit a translation.

(iii) If the record indicates that the foreign registration will expire before the United States registration will issue, the applicant must submit a true copy, a photocopy, a certification, or a certified copy from the country of origin to establish that the foreign registration has been renewed and will be in force at the time the United States registration will issue. If the foreign registration is not in the English language, the applicant must submit a translation.

(4) *Claim of priority, based upon an earlier-filed foreign application, under section 44(d) of the Act.* The requirements for an application under section 44(d) of the Act are:

(i) A claim of priority, filed within six months of the filing date of the foreign application. Before publication or

registration on the Supplemental Register, the applicant must either:

(A) Specify the filing date, serial number and country of the first regularly filed foreign application; or

(B) State that the application is based upon a subsequent regularly filed application in the same foreign country, and that any prior-filed application has been withdrawn, abandoned or otherwise disposed of, without having been laid open to public inspection and without having any rights outstanding, and has not served as a basis for claiming a right of priority.

(ii) Include the applicant's verified statement that it has a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application. If the verification is not filed with the initial application, the verified statement must also allege that the applicant had a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application as of the filing date of the application.

(iii) Before the application can be approved for publication, or for registration on the Supplemental Register, the applicant must establish a basis under section 1(a), section 1(b) or section 44(e) of the Act.

(5) *Extension of protection of an international registration under section 66(a) of the Act.* In an application under section 66(a) of the Act, the international application or subsequent designation requesting an extension of protection to the United States must contain a signed declaration that meets the requirements of § 2.33.

(b)(1) In an application under section 1 or section 44 of the Act, an applicant may claim more than one basis, provided the applicant satisfies all requirements for the bases claimed. However, the applicant may not claim both sections 1(a) and 1(b) for the identical goods or services in the same application.

(2) In an application under section 1 or section 44 of the Act, if an applicant claims more than one basis, the applicant must list each basis, followed by the goods or services to which that basis applies. If some or all of the

goods or services are covered by more than one basis, this must be stated.

(3) A basis under section 66(a) of the Act cannot be combined with any other basis.

(c) The word "commerce" means commerce that Congress may lawfully regulate, as specified in section 45 of the Act.

[64 FR 48919, Sept. 8, 1999, as amended at 67 FR 79522, Dec. 30, 2002; 68 FR 55763, Sept. 26, 2003; 73 FR 67768, Nov. 17, 2008; 77 FR 30207, May 22, 2012]

§ 2.35 Adding, deleting, or substituting bases.

(a) In an application under section 66(a) of the Act, an applicant may not add, substitute or delete a basis, unless the applicant meets the requirements for transformation under section 70(c) of the Act and § 7.31 of this chapter.

(b) In an application under section 1 or section 44 of the Act:

(1) Before publication for opposition, an applicant may add or substitute a basis, if the applicant meets all requirements for the new basis, as stated in § 2.34. The applicant may delete a basis at any time.

(2) After publication, an applicant may add or substitute a basis in an application that is not the subject of an *inter partes* proceeding before the Trademark Trial and Appeal Board, but only with the express permission of the Director, after consideration on petition. Republication will be required. The amendment of an application that is the subject of an *inter partes* proceeding before the Board is governed by § 2.133(a).

(3) When an applicant substitutes one basis for another, the Office will presume that there was a continuing valid basis, unless there is contradictory evidence in the record, and the application will retain the original filing date, including a priority filing date under section 44(d), if appropriate.

(4) If an applicant properly claims a section 44(d) basis in addition to another basis, the applicant will retain the priority filing date under section 44(d) no matter which basis the applicant perfects.

(5) The applicant may add or substitute a section 44(d) basis only within the six-month priority period following

§2.36

the filing date of the foreign application.

(6) When the applicant adds or substitutes a basis, the applicant must list each basis, followed by the goods or services to which that basis applies.

(7) When the applicant deletes a basis, the applicant must also delete any goods or services covered solely by the deleted basis.

(8) Once an applicant claims a section 1(b) basis as to any or all of the goods or services, the applicant may not amend the application to seek registration under section 1(a) of the Act for those goods or services unless the applicant files an allegation of use under section 1(c) or section 1(d) of the Act.

§2.36 Identification of prior registrations.

Prior registrations of the same or similar marks owned by the applicant should be identified in the application.

§2.37 Description of mark.

A description of the mark must be included if the mark is not in standard characters. In an application where the mark is in standard characters, a description may be included and must be included if required by the trademark examining attorney.

§2.38 Use by predecessor or by related companies.

(a) If the first use of the mark was by a predecessor in title or by a related company (sections 5 and 45 of the Act), and the use inures to the benefit of the applicant, the dates of first use (§§2.34(a)(1) (ii) and (iii)) may be asserted with a statement that first use was by the predecessor in title or by the related company, as appropriate.

(b) If the mark is not in fact being used by the applicant but is being used by one or more related companies whose use inures to the benefit of the applicant under section 5 of the Act, such facts must be indicated in the application.

(c) The Office may require such details concerning the nature of the relationship and such proofs as may be necessary and appropriate for the purpose

37 CFR Ch. I (7–1–13 Edition)

§2.41 Proof of distinctiveness under section 2(f).

(a) When registration is sought of a mark which would be unregistrable by reason of section 2(e) of the Act but which is said by applicant to have become distinctive in commerce of the goods or services set forth in the application, applicant may, in support of registrability, submit with the application, or in response to a request for evidence or to a refusal to register, affidavits, or declarations in accordance with §2.20, depositions, or other appropriate evidence showing duration, extent and nature of use in commerce and advertising expenditures in connection therewith (identifying types of media and attaching typical advertisements), and affidavits, or declarations in accordance with §2.20, letters or statements from the trade or public, or both, or other appropriate evidence tending to show that the mark distinguishes such goods or services.

(b) In appropriate cases, ownership of one or more prior registrations on the Principal Register or under the Act of 1905 of the same mark may be accepted as prima facie evidence of distinctiveness. Also, if the mark is said to have become distinctive of applicant's goods by reason of substantially exclusive and continuous use in commerce thereof by applicant for the five years before the date on which the claim of distinctiveness is made, a showing by way of statements which are verified or which include declarations in accordance with §2.20, in the application may, in appropriate cases, be accepted as prima facie evidence of distinctiveness. In each of these situations, however, further evidence may be required.

(b) In an application under section 1(b) of the Act, the drawing of the mark must be a substantially exact representation of the mark as intended to be used on or in connection with the goods and/or services specified in the application, and once an amendment to allege use under § 2.76 or a statement of use under § 2.88 has been filed, the

37 CFR Ch. I (7–1–13 Edition)

drawing of the mark must be a substantially exact representation of the mark as used on or in connection with the goods and/or services.

(c) In an application under section 44 of the Act, the drawing of the mark must be a substantially exact representation of the mark as it appears in the drawing in the registration certificate of a mark duly registered in the applicant's country of origin.

(d) In an application under section 66(a) of the Act, the drawing of the mark must be a substantially exact representation of the mark as it appears in the international registration.

[68 FR 55763, Sept. 26, 2003]

§ 2.52 Types of drawings and format for drawings.

A drawing depicts the mark sought to be registered. The drawing must show only one mark. The applicant must include a clear drawing of the mark when the application is filed. There are two types of drawings:

(a) *Standard character (typed) drawing.* Applicants who seek to register words, letters, numbers, or any combination thereof without claim to any particular font style, size, or color must submit a standard character drawing that shows the mark in black on a white background. An applicant may submit a standard character drawing if:

(1) The application includes a statement that the mark is in standard characters and no claim is made to any particular font style, size, or color;

(2) The mark does not include a design element;

(3) All letters and words in the mark are depicted in Latin characters;

(4) All numerals in the mark are depicted in Roman or Arabic numerals; and

(5) The mark includes only common punctuation or diacritical marks.

(b) *Special form drawing.* Applicants who seek to register a mark that includes a two or three-dimensional design; color; and/or words, letters, or numbers or the combination thereof in a particular font style or size must submit a special form drawing. The drawing should show the mark in black on a white background, unless the mark includes color.

(1) *Marks that include color.* If the mark includes color, the drawing must show the mark in color, and the applicant must name the color(s), describe where the color(s) appear on the mark, and submit a claim that the color(s) is a feature of the mark.

(2) *Three dimensional marks.* If the mark has three-dimensional features, the drawing must depict a single rendition of the mark, and the applicant must indicate that the mark is three-dimensional.

(3) *Motion marks.* If the mark has motion, the drawing may depict a single point in the movement, or the drawing may depict up to five freeze frames showing various points in the movement, whichever best depicts the commercial impression of the mark. The applicant must also describe the mark.

(4) *Broken lines to show placement.* If necessary to adequately depict the commercial impression of the mark, the applicant may be required to submit a drawing that shows the placement of the mark by surrounding the mark with a proportionately accurate broken-line representation of the particular goods, packaging, or advertising on which the mark appears. The applicant must also use broken lines to show any other matter not claimed as part of the mark. For any drawing using broken lines to indicate placement of the mark, or matter not claimed as part of the mark, the applicant must describe the mark and explain the purpose of the broken lines.

(5) *Description of mark.* A description of the mark must be included.

(c) *TEAS drawings.* A drawing filed through TEAS must meet the requirements of § 2.53.

(d) *Paper drawings.* A paper drawing must meet the requirements of § 2.54.

(e) *Sound, scent, and non-visual marks.* An applicant is not required to submit a drawing if the mark consists only of a sound, a scent, or other completely non-visual matter. For these types of marks, the applicant must submit a detailed description of the mark.

[68 FR 55763, Sept. 26, 2003, as amended at 73 FR 13784, Mar. 14, 2008; 73 FR 67769, Nov. 17, 2008]

§ 2.53 Requirements for drawings filed through the TEAS.

The drawing must meet the requirements of § 2.52. In addition, in a TEAS submission, the drawing must meet the following requirements:

(a) *Standard character drawings.* If an applicant seeks registration of a standard character mark, the applicant must enter the mark in the appropriate field on the TEAS form, and check the box to claim that the mark consists of standard characters.

(b) *Special form drawings.* If an applicant is filing a special form drawing, the applicant must attach a digitized image of the mark to the TEAS submission that meets the requirements of paragraph (c) of this section.

(c) *Requirements for digitized image:* The image must be in .jpg format and scanned at no less than 300 dots per inch and no more than 350 dots per inch with a length and width of no less than 250 pixels and no more than 944 pixels. All lines must be clean, sharp and solid, not fine or crowded, and produce a high quality image when copied.

[68 FR 55764, Sept. 26, 2003, as amended at 70 FR 38774, July 6, 2005; 73 FR 67769, Nov. 17, 2008]

§ 2.54 Requirements for drawings submitted on paper.

The drawing must meet the requirements of § 2.52. In addition, in a paper submission, the drawing should:

(a) Be on non-shiny white paper that is separate from the application;

(b) Be on paper that is 8 to 8.5 inches (20.3 to 21.6 cm.) wide and 11 to 11.69 inches (27.9 to 29.7 cm.) long. One of the shorter sides of the sheet should be regarded as its top edge. The image must be no larger than 3.15 inches (8 cm) high by 3.15 inches (8 cm) wide;

(c) Include the caption "DRAWING PAGE" at the top of the drawing beginning one inch (2.5 cm.) from the top edge; and

(d) Depict the mark in black ink, or in color if color is claimed as a feature of the mark.

(e) Drawings must be typed or made with a pen or by a process that will provide high definition when copied. A photolithographic, printer's proof copy, or other high quality reproduction of the mark may be used. All lines must

§ 2.56

be clean, sharp and solid, and must not be fine or crowded.

[68 FR 55764, Sept. 26, 2003]

§ 2.56 Specimens.

(a) An application under section 1(a) of the Act, an amendment to allege use under § 2.76, and a statement of use under § 2.88 must each include one specimen per class showing the mark as used on or in connection with the goods or services. When requested by the Office as reasonably necessary to proper examination, additional specimens must be provided.

(b)(1) A trademark specimen is a label, tag, or container for the goods, or a display associated with the goods. The Office may accept another document related to the goods or the sale of the goods when it is impracticable to place the mark on the goods, packaging for the goods, or displays associated with the goods.

(2) A service mark specimen must show the mark as actually used in the sale or advertising of the services.

(3) A collective trademark or collective service mark specimen must show how a member uses the mark on the member's goods or in the sale or advertising of the member's services.

(4) A collective membership mark specimen must show use by members to indicate membership in the collective organization.

(5) A certification mark specimen must show how a person other than the owner uses the mark to certify regional or other origin, material, mode of manufacture, quality, accuracy, or other characteristics of that person's goods or services; or that members of a union or other organization performed the work or labor on the goods or services.

(c) A photocopy or other reproduction of a specimen of the mark as actually used on or in connection with the goods, or in the sale or advertising of the services, is acceptable. However, a photocopy of the drawing required by § 2.51 is not a proper specimen.

(d)(1) The specimen should be flat, and not larger than 8½ inches (21.6 cm.) wide by 11.69 inches (29.7 cm.) long. If a specimen of this size is not available, the applicant may substitute a suitable photograph or other facsimile.

37 CFR Ch. I (7–1–13 Edition)

(2) If the applicant files a specimen exceeding these size requirements (a “bulky specimen”), the Office will create a digital facsimile of the specimen that meets the requirements of the rule (*i.e.*, is flat and no larger than 8½ inches (21.6 cm.) wide by 11.69 inches (29.7 cm.) long) and put it in the record. The Office may destroy the original bulky specimen.

(3) In the absence of non-bulky alternatives, the Office may accept an audio or video cassette tape recording, CD-ROM, or other appropriate medium.

(4) For a TEAS submission, the specimen must be a digitized image in .jpg or .pdf format.

[64 FR 48921, Sept. 8, 1999, as amended at 68 FR 55764, Sept. 26, 2003; 73 FR 67769, Nov. 17, 2008; 77 FR 30207, May 22, 2012]

§§ 2.57–2.58 [Reserved]

§ 2.59 Filing substitute specimen(s).

(a) In an application under section 1(a) of the Act, the applicant may submit substitute specimens of the mark as used on or in connection with the goods, or in the sale or advertising of the services. The applicant must verify by an affidavit or declaration under § 2.20 that the substitute specimens were in use in commerce at least as early as the filing date of the application. Verification is not required if the specimen is a duplicate or facsimile of a specimen already of record in the application.

(b) In an application under section 1(b) of the Act, after filing either an amendment to allege use under § 2.76 or a statement of use under § 2.88, the applicant may submit substitute specimens of the mark as used on or in connection with the goods, or in the sale or advertising of the services. If the applicant submits substitute specimen(s), the applicant must:

(1) For an amendment to allege use under § 2.76, verify by affidavit or declaration under § 2.20 that the applicant used the substitute specimen(s) in commerce prior to filing the amendment to allege use.

(2) For a statement of use under § 2.88, verify by affidavit or declaration under § 2.20 that the applicant used the substitute specimen(s) in commerce either prior to filing the statement of

use or prior to the expiration of the deadline for filing the statement of use.

EXAMINATION OF APPLICATION AND
ACTION BY APPLICANTS

AUTHORITY: Secs. 2.61 to 2.69 also issued under sec. 12, 60 Stat. 432; 15 U.S.C. 1062.

§ 2.61 Action by examiner.

(a) Applications for registration, including amendments to allege use under section 1(c) of the Act, and statements of use under section 1(d) of the Act, will be examined and, if the applicant is found not entitled to registration for any reason, applicant will be notified and advised of the reasons therefor and of any formal requirements or objections.

(b) The Office may require the applicant to furnish such information, exhibits, affidavits or declarations, and such additional specimens as may be reasonably necessary to the proper examination of the application.

(c) Whenever it shall be found that two or more parties whose interests are in conflict are represented by the same attorney, each party and also the attorney shall be notified of this fact.

[30 FR 13193, Oct. 16, 1965, as amended at 37 FR 2880, Feb. 9, 1972; 54 FR 37592, Sept. 11, 1989; 77 FR 30207, May 22, 2012]

§ 2.62 Procedure for filing response.

(a) *Deadline.* The applicant's response to an Office action must be received within six months from the date of issuance.

(b) *Signature.* The response must be signed by the applicant, someone with legal authority to bind the applicant (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with the requirements of § 2.193(e)(2).

[73 FR 67769, Nov. 17, 2008, as amended at 74 FR 54908, Oct. 26, 2009]

§ 2.63 Reexamination.

(a) After response by the applicant, the application will be reexamined or reconsidered. If registration is again refused or any formal requirement[s] is

repeated, but the examiner's action is not stated to be final, the applicant may respond again.

(b) After reexamination the applicant may respond by filing a timely petition to the Director for relief from a formal requirement if: (1) The requirement is repeated, but the examiner's action is not made final, and the subject matter of the requirement is appropriate for petition to the Director (see § 2.146(b)); or (2) the examiner's action is made final and such action is limited to subject matter appropriate for petition to the Director. If the petition is denied, the applicant shall have until six months from the date of the Office action which repeated the requirement or made it final or thirty days from the date of the decision on the petition, whichever date is later, to comply with the requirement. A formal requirement which is the subject of a petition decided by the Director may not subsequently be the subject of an appeal to the Trademark Trial and Appeal Board.

[48 FR 23134, May 23, 1983]

§ 2.64 Final action.

(a) On the first or any subsequent reexamination or reconsideration the refusal of the registration or the insistence upon a requirement may be stated to be final, whereupon applicant's response is limited to an appeal, or to a compliance with any requirement, or to a petition to the Director if permitted by § 2.63(b).

(b) During the period between a final action and expiration of the time for filing an appeal, the applicant may request the examiner to reconsider the final action. The request must be signed by the applicant, someone with legal authority to bind the applicant (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14, in accordance with the requirements of § 2.193(e)(2). The filing of a request for reconsideration will not extend the time for filing an appeal or petitioning the Director, but normally the examiner will reply to a request for reconsideration before the end of the six-month period if the request is filed within three months after the date of the final action. The Office will enter amendments accompanying requests

§2.65

for reconsideration after final action if the amendments comply with the rules of practice in trademark cases and the Act.

(c)(1) If an applicant in an application under section 1(b) of the Act files an amendment to allege use under §2.76 during the six-month response period after issuance of a final action, the examiner shall examine the amendment. The filing of an amendment to allege use does not extend the deadline for filing a response to an outstanding Office action, appeal to the Trademark Trial and Appeal Board, or petition to the Director.

(2) If the amendment to allege use under §2.76 is acceptable in all respects, the applicant will be notified of its acceptance.

(3) If, as a result of the examination of the amendment to allege use under §2.76, the applicant is found not entitled to registration for any reason not previously stated, applicant will be notified and advised of the reasons and of any formal requirements or refusals. The Trademark Examining Attorney shall withdraw the final action previously issued and shall incorporate all unresolved refusals or requirements previously stated in the new non-final action.

[48 FR 23134, May 23, 1983, as amended at 54 FR 37592, Sept. 11, 1989; 73 FR 67769, Nov. 17, 2008; 74 FR 54908, Oct. 26, 2009]

§2.65 Abandonment.

(a) If an applicant fails to respond, or to respond completely, within six months after the date an action is issued, the application shall be deemed abandoned unless the refusal or requirement is expressly limited to only certain goods and/or services. If the refusal or requirement is expressly limited to only certain goods and/or services, the application will be abandoned only as to those particular goods and/or services. A timely petition to the Director pursuant to §§2.63(b) and 2.146 or notice of appeal to the Trademark Trial and Appeal Board pursuant to §2.142, if appropriate, is a response that avoids abandonment of an application.

(b) When action by the applicant filed within the six-month response period is a bona fide attempt to advance the examination of the application and is

37 CFR Ch. I (7-1-13 Edition)

substantially a complete response to the examiner's action, but consideration of some matter or compliance with some requirement has been inadvertently omitted, opportunity to explain and supply the omission may be given before the question of abandonment is considered.

(c) If an applicant in an application under section 1(b) of the Act fails to timely file a statement of use under §2.88, the application shall be deemed to be abandoned.

[48 FR 23134, May 23, 1983, as amended at 54 FR 37592, Sept. 11, 1989; 68 FR 55764, Sept. 26, 2003; 73 FR 67769, Nov. 17, 2008]

§2.66 Revival of abandoned applications.

(a) The applicant may file a petition to revive an application abandoned because the applicant did not timely respond to an Office action or notice of allowance, if the delay was unintentional. The applicant must file the petition:

(1) Within two months of the date of issuance of the notice of abandonment; or

(2) Within two months of actual knowledge of the abandonment, if the applicant did not receive the notice of abandonment, and the applicant was diligent in checking the status of the application every six months in accordance with §2.146(i).

(b) The requirements for filing a petition to revive an application abandoned because the applicant did not timely respond to an Office action are:

(1) The petition fee required by §2.6;

(2) A statement, signed by someone with firsthand knowledge of the facts, that the delay in filing the response on or before the due date was unintentional; and

(3) Unless the applicant alleges that it did not receive the Office action, the proposed response.

(c) The requirements for filing a petition to revive an application abandoned because the applicant did not timely respond to a notice of allowance are:

(1) The petition fee required by §2.6;

(2) A statement, signed by someone with firsthand knowledge of the facts, that the delay in filing the statement of use (or request for extension of time

U.S. Patent and Trademark Office, Commerce

§ 2.69

to file a statement of use) on or before the due date was unintentional;

(3) Unless the applicant alleges that it did not receive the notice of allowance and requests cancellation of the notice of allowance, the required fees for the number of requests for extensions of time to file a statement of use that the applicant should have filed under § 2.89 if the application had never been abandoned;

(4) Unless the applicant alleges that it did not receive the notice of allowance and requests cancellation of the notice of allowance, either a statement of use under § 2.88 or a request for an extension of time to file a statement of use under § 2.89; and

(5) Unless a statement of use is filed with or before the petition, or the applicant alleges that it did not receive the notice of allowance and requests cancellation of the notice of allowance, the applicant must file any further requests for extensions of time to file a statement of use under § 2.89 that become due while the petition is pending, or file a statement of use under § 2.88.

(d) In an application under section 1(b) of the Act, the Director will not grant the petition if this would permit the filing of a statement of use more than 36 months after the date of issuance of the notice of allowance under section 13(b)(2) of the Act.

(e) The Director will grant the petition to revive if the applicant complies with the requirements listed above and establishes that the delay in responding was unintentional.

(f) If the Director denies a petition, the applicant may request reconsideration, if the applicant:

(1) Files the request within two months of the date of issuance of the decision denying the petition; and

(2) Pays a second petition fee under § 2.6.

[64 FR 48921, Sept. 8, 1999, as amended at 68 FR 55764, Sept. 26, 2003; 73 FR 67769, Nov. 17, 2008]

§ 2.67 Suspension of action by the Patent and Trademark Office.

Action by the Patent and Trademark Office may be suspended for a reasonable time for good and sufficient cause. The fact that a proceeding is pending before the Patent and Trademark Of-

fice or a court which is relevant to the issue of registrability of the applicant's mark, or the fact that the basis for registration is, under the provisions of section 44(e) of the Act, registration of the mark in a foreign country and the foreign application is still pending, will be considered prima facie good and sufficient cause. An applicant's request for a suspension of action under this section filed within the 6-month response period (see § 2.62) may be considered responsive to the previous Office action. The first suspension is within the discretion of the Examiner of Trademarks and any subsequent suspension must be approved by the Director.

[37 FR 3898, Feb. 24, 1972]

§ 2.68 Express abandonment (withdrawal) of application.

(a) *Written document required.* An applicant may expressly abandon an application by filing a written request for abandonment or withdrawal of the application, signed by the applicant, someone with legal authority to bind the applicant (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with the requirements of § 2.193(e)(2).

(b) *Rights in the mark not affected.* Except as provided in § 2.135, the fact that an application has been expressly abandoned shall not, in any proceeding in the Office, affect any rights that the applicant may have in the mark in the abandoned application.

[74 FR 54908, Oct. 26, 2009]

§ 2.69 Compliance with other laws.

When the sale or transportation of any product for which registration of a trademark is sought is regulated under an Act of Congress, the Patent and Trademark Office may make appropriate inquiry as to compliance with such Act for the sole purpose of determining lawfulness of the commerce recited in the application.

§ 2.71

AMENDMENT OF APPLICATION

§ 2.71 Amendments to correct informalities.

The applicant may amend the application during the course of examination, when required by the Office or for other reasons.

(a) The applicant may amend the application to clarify or limit, but not to broaden, the identification of goods and/or services.

(b)(1) If the declaration or verification of an application under § 2.33 is unsigned or signed by the wrong party, the applicant may submit a substitute verification or declaration under § 2.20.

(2) If the declaration or verification of a statement of use under § 2.88, or a request for extension of time to file a statement of use under § 2.89, is unsigned or signed by the wrong party, the applicant must submit a substitute verification before the expiration of the statutory deadline for filing the statement of use.

(c) The applicant may amend the dates of use, provided that the applicant supports the amendment with an affidavit or declaration under § 2.20, except that the following amendments are not permitted:

(1) In an application under section 1(a) of the Act, the applicant may not amend the application to specify a date of use that is subsequent to the filing date of the application;

(2) In an application under section 1(b) of the Act, after filing a statement of use under § 2.88, the applicant may not amend the statement of use to specify a date of use that is subsequent to the expiration of the deadline for filing the statement of use.

(d) The applicant may amend the application to correct the name of the applicant, if there is a mistake in the manner in which the name of the applicant is set out in the application. The amendment must be supported by an affidavit or declaration under § 2.20, signed by the applicant. However, the application cannot be amended to set forth a different entity as the applicant. An application filed in the name of an entity that did not own the mark

§ 2.72 Amendments to description or drawing of the mark.

(a) In an application based on use in commerce under section 1(a) of the Act, the applicant may amend the description or drawing of the mark only if:

(1) The specimens originally filed, or substitute specimens filed under § 2.59(a), support the proposed amendment; and

(2) The proposed amendment does not materially alter the mark. The Office will determine whether a proposed amendment materially alters a mark by comparing the proposed amendment with the description or drawing of the mark filed with the original application.

(b) In an application based on a bona fide intention to use a mark in commerce under section 1(b) of the Act, the applicant may amend the description or drawing of the mark only if:

(1) The specimens filed with an amendment to allege use or statement of use, or substitute specimens filed under § 2.59(b), support the proposed amendment; and

(2) The proposed amendment does not materially alter the mark. The Office will determine whether a proposed amendment materially alters a mark by comparing the proposed amendment with the description or drawing of the mark filed with the original application.

(c) In an application based on a claim of priority under section 44(d) of the Act, or on a mark duly registered in the country of origin of the foreign applicant under section 44(e) of the Act, the applicant may amend the description or drawing of the mark only if:

(1) The description or drawing of the mark in the foreign registration certificate supports the amendment; and

(2) The proposed amendment does not materially alter the mark. The Office will determine whether a proposed amendment materially alters a mark by comparing the proposed amendment with the description or drawing of the

An application that includes section 1(a) of the Trademark Act as a filing basis, or for which an acceptable allegation of use under § 2.76 or § 2.88 has been filed, may be amended to an application for concurrent use registration, provided that the application as amended meets the requirements of § 2.42. The trademark examining attorney will determine whether the application, as amended, is acceptable.

§ 2.74 Form and signature of amendment.

(a) *Form of Amendment.* Amendments should be set forth clearly and completely. The examining attorney may require the applicant to rewrite the entire amendment, if necessary for clarification of the record.

(b) *Signature.* A request for amendment of an application must be signed by the applicant, someone with legal authority to bind the applicant (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with the requirements of § 2.193(e)(2). If the amendment requires verification, the verification must be sworn to or supported by a declaration under § 2.20 by a person properly authorized to sign on behalf of the applicant under § 2.193(e)(1).

with the rules relating to the appropriate register, as the case may be.

(b) An application under section 1(b) of the Act may be amended to change the application to a different register only after submission of an acceptable amendment to allege use under § 2.76 or statement of use under § 2.88. When such an application is changed from the Principal Register to the Supplemental Register, the effective filing date of the application is the date of the filing of the allegation of use under section 1(c) or 1(d) of the Act.

§ 2.76 Amendment to allege use.

(a) An application under section 1(b) of the Act may be amended to allege use of the mark in commerce under section 1(c) of the Act at any time between the filing of the application and the date the examiner approves the mark for publication. Thereafter, an allegation of use may be submitted only as a statement of use under § 2.88 after the issuance of a notice of allowance under section 13(b)(2) of the Act. If an amendment to allege use is filed outside the time period specified in this paragraph, it will be returned to the applicant.

(b) A complete amendment to allege use must include:

(1) A statement that is signed and verified (sworn to) or supported by a declaration under § 2.20 by a person properly authorized to sign on behalf of the applicant (*see* § 2.193(e)(1)) that:

(i) The applicant believes it is the owner of the mark; and

(ii) The mark is in use in commerce, specifying the date of the applicant's first use of the mark and first use of the mark in commerce, and those goods or services specified in the application on or in connection with which the applicant uses the mark in commerce.

(2) One specimen per class showing the mark as actually used in commerce. When requested by the Office, additional specimens must be provided.

§ 2.77

37 CFR Ch. I (7–1–13 Edition)

See § 2.56 for the requirements for specimens; and

(3) The fee per class required by § 2.6.

(c) An amendment to allege use may be filed only when the applicant has made use of the mark in commerce on or in connection with all of the goods or services, as specified in the application, for which applicant will seek registration in that application unless the amendment to allege use is accompanied by a request in accordance with § 2.87 to divide out from the application the goods or services to which the amendment pertains. If more than one item of goods or services is specified in the amendment to allege use, the dates of use required in paragraph (b)(1) of this section need be for only one of the items specified in each class, provided the particular item to which the dates apply is designated.

(d) The title “Allegation of Use” should appear at the top of the document.

(e) The Office will review a timely filed amendment to allege use to determine whether it meets the following minimum requirements:

(1) The fee prescribed in § 2.6;

(2) One specimen or facsimile of the mark as used in commerce; and

(3) A statement that is signed and verified (sworn to) or supported by a declaration under § 2.20 by a person properly authorized to sign on behalf of the applicant that the mark is in use in commerce.

(f) A timely filed amendment to allege use which meets the minimum requirements specified in paragraph (e) of this section will be examined in accordance with §§ 2.61 through 2.69. If, as a result of the examination of the amendment to allege use, applicant is found not entitled to registration for any reason not previously stated, applicant will be so notified and advised of the reasons and of any formal requirements or refusals. The notification shall restate or incorporate by reference all unresolved refusals or requirements previously stated. The amendment to allege use may be amended in accordance with §§ 2.59 and 2.71 through 2.75. If the amendment to allege use is acceptable in all respects, the applicant will be notified of its acceptance. The filing of such an amend-

ment shall not constitute a response to any outstanding action by the Trademark Examining Attorney.

(g) If the amendment to allege use is filed within the permitted time period but does not meet the minimum requirements specified in paragraph (e) of this section, applicant will be notified of the deficiency. The deficiency may be corrected provided the mark has not been approved for publication. If an acceptable amendment to correct the deficiency is not filed prior to approval of the mark for publication, the amendment will not be examined.

(h) An amendment to allege use may be withdrawn for any reason prior to approval of a mark for publication.

(i) If the applicant does not file the amendment to allege use within a reasonable time after it is signed, the Office may require a substitute verification or declaration under § 2.20 stating that the mark is still in use in commerce.

(j) For the requirements for a multiple class application, see § 2.86.

(1) The deletion of specified goods or services from the identification of goods/services;

(2) The deletion of a basis in a multiple-basis application; and

(3) A change of attorney or change of address.

(b) Other amendments filed during this period will be placed in the application file and considered when the statement of use is examined.

PUBLICATION AND POST PUBLICATION

§ 2.80 Publication for opposition.

If, on examination or reexamination of an application for registration on the Principal Register, it appears that

the applicant is entitled to have his mark registered, the mark will be published in the *Official Gazette* for opposition. The mark will also be published in the case of an application to be placed in interference or concurrent use proceedings, if otherwise registrable.

[41 FR 758, Jan. 5, 1976]

§ 2.81 Post publication.

(a) Except in an application under section 1(b) of the Act for which no amendment to allege use under § 2.76 has been submitted and accepted, if no opposition is filed within the time permitted or all oppositions filed are dismissed, and if no interference is declared and no concurrent use proceeding is instituted, the application will be prepared for issuance of the certificate of registration as provided in § 2.151.

(b) In an application under section 1(b) of the Act for which no amendment to allege use under § 2.76 has been submitted and accepted, if no opposition is filed within the time permitted or all oppositions filed are dismissed, and if no interference is declared, a notice of allowance will issue. The notice of allowance will state the serial number of the application, the name of the applicant, the correspondence address, the mark, the identification of goods and/or services, and the issue date of the notice of allowance. Thereafter, the applicant must submit a statement of use as provided in § 2.88.

[54 FR 37594, Sept. 11, 1989, as amended at 73 FR 67770, Nov. 17, 2008]

§ 2.82 Marks on Supplemental Register published only upon registration.

In the case of an application for registration on the Supplemental Register the mark will not be published for opposition but if it appears, after examination or reexamination, that the applicant is entitled to have the mark registered, a certificate of registration will issue as provided in § 2.151. The mark will be published in the *Official Gazette* when registered.

[54 FR 37594, Sept. 11, 1989]

§ 2.83 Conflicting marks.

(a) Whenever an application is made for registration of a mark which so resembles another mark or marks pending registration as to be likely to cause confusion or mistake or to deceive, the mark with the earliest effective filing date will be published in the *Official Gazette* for opposition if eligible for the Principal Register, or issued a certificate of registration if eligible for the Supplemental Register.

(b) In situations in which conflicting applications have the same effective filing date, the application with the earliest date of execution will be published in the *Official Gazette* for opposition or issued on the Supplemental Register.

(c) Action on the conflicting application which is not published in the *Official Gazette* for opposition or not issued on the Supplemental Register will be suspended by the Examiner of Trademarks until the published or issued application is registered or abandoned.

[37 FR 2880, Feb. 9, 1972, as amended at 54 FR 37594, Sept. 11, 1989]

§ 2.84 Jurisdiction over published applications.

(a) The trademark examining attorney may exercise jurisdiction over an application up to the date the mark is published in the *Official Gazette*. After publication of an application under section 1(a), 44 or 66(a) of the Act, the trademark examining attorney may, with the permission of the Director, exercise jurisdiction over the application. After publication of an application under section 1(b) of the Act, the trademark examining attorney may exercise jurisdiction over the application after the issuance of the notice of allowance under section 13(b)(2) of the Act. After publication, and prior to issuance of a notice of allowance in an application under section 1(b), the trademark examining attorney may, with the permission of the Director, exercise jurisdiction over the application.

(b) After publication, but before the certificate of registration is issued in an application under section 1(a), 44, or 66(a) of the Act, or before the notice of allowance is issued in an application

§ 2.85

37 CFR Ch. I (7–1–13 Edition)

under section 1(b) of the Act, an application that is not the subject of an *inter partes* proceeding before the Trademark Trial and Appeal Board may be amended if the amendment does not necessitate republication of the mark or issuance of an Office action. Otherwise, an amendment to such an application may be submitted only upon petition to the Director to restore jurisdiction over the application to the trademark examining attorney for consideration of the amendment and further examination. The amendment of an application that is the subject of an *inter partes* proceeding before the Trademark Trial and Appeal Board is governed by § 2.133.

CLASSIFICATION

§ 2.85 Classification schedules.

(a) *International classification system.* Section 6.1 of this chapter sets forth the international system of classification for goods and services, which applies for all statutory purposes to:

(1) Applications filed in the Office on or after September 1, 1973, and resulting registrations; and

(2) Registrations resulting from applications filed on or before August 31, 1973, that have been amended to adopt international classification pursuant to § 2.85(e)(3).

(b) *Prior United States classification system.* Section 6.2 of this chapter sets forth the prior United States system of classification for goods and services, which applies for all statutory purposes to registrations resulting from applications filed on or before August 31, 1973, unless:

(1) The registration has been amended to adopt international classification pursuant to § 2.85(e)(3); or

(2) The registration was issued under a classification system prior to that set forth in § 6.2.

(c) *Certification marks and collective membership marks.* Sections 6.3 and 6.4 specify the system of classification which applies to certification marks and collective membership marks in applications based on sections 1 and 44 of the Act, and to registrations resulting from applications based on sections

1 and 44. These sections do not apply to applications under section 66(a) or to registered extensions of protection.

(d) *Section 66(a) applications and registered extensions of protection.* In an application under section 66(a) of the Act or registered extension of protection, the classification cannot be changed from the classification assigned by the International Bureau of the World Intellectual Property Organization, unless the International Bureau corrects the classification. Classes cannot be added, and goods or services cannot be transferred from one class to another in a multiple-class application.

(e) *Changes to Nice Agreement.* The international classification system changes periodically, pursuant to the Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks. These changes are listed in the *International Classification of Goods and Services for the Purposes of the Registration of Marks*, which is published by the World Intellectual Property Organization.

(1) If international classification changes pursuant to the Nice Agreement, the new classification applies only to applications filed on or after the effective date of the change.

(2) In a section 1 or section 44 application filed before the effective date of a change to the Nice Agreement, the applicant may amend the application to comply with the requirements of the current edition. The applicant must comply with the current edition for all goods or services identified in the application. The applicant must pay the fees for any added class(es).

(3) In a registration resulting from a section 1 or section 44 application that was filed before the effective date of a change to the Nice Agreement, the owner may amend the registration to comply with the requirements of the current edition. The owner must reclassify all goods or services identified in the registration to the current edition. The owner must pay the fee required by § 2.6 for amendments under section 7 of the Act. The owner may reclassify registrations from multiple United States classes (§ 2.85(b)) into a single international classification, where appropriate.

(f) Classification schedules shall not limit or extend the applicant's rights, except that in a section 66(a) application, the scope of the identification of goods or services for purposes of permissible amendments (*see* § 2.71(a)) is limited by the class, pursuant to § 2.85(d).

[73 FR 67770, Nov. 17, 2008]

§ 2.86 Application may include multiple classes.

(a) In a single application, an applicant may apply to register the same mark for goods and/or services in multiple classes. The applicant must:

(1) Specifically identify the goods or services in each class;

(2) Submit an application filing fee for each class, as set forth in § 2.6(a)(1); and

(3) Include either dates of use (*see* §§ 2.34(a)(1)(ii) and (iii)) and one specimen for each class, or a statement of a bona fide intention to use the mark in commerce on or in connection with all the goods or services specified in each class. When requested by the Office, additional specimens must be provided. The applicant may not claim both use in commerce and a bona fide intention to use the mark in commerce for the identical goods or services in one application.

(b) An amendment to allege use under § 2.76 or a statement of use under § 2.88 must include, for each class, the required fee, dates of use, and one specimen. When requested by the Office, additional specimens must be provided. The applicant may not file the amendment to allege use or statement of use until the applicant has used the mark on all the goods or services, unless the applicant files a request to divide. *See* § 2.87 for information regarding requests to divide.

(c) The Office will issue a single certificate of registration for the mark, unless the applicant files a request to divide. *See* § 2.87 for information regarding requests to divide.

[64 FR 48923, Sept. 8, 1999, as amended at 70 FR 2953, Jan. 19, 2005; 73 FR 67771, Nov. 17, 2008; 77 FR 30207, May 22, 2012]

§ 2.87 Dividing an application.

(a) *Application may be divided.* An application may be divided into two or more separate applications upon the payment of a fee for each new application created and submission by the applicant of a request in accordance with paragraph (d) of this section.

(b) *Fee.* In the case of a request to divide out one or more entire classes from an application, only the fee for dividing an application as set forth in § 2.6(a)(19) will be required. However, in the case of a request to divide out some, but not all, of the goods or services in a class, the applicant must submit the application filing fee as set forth in § 2.6(a)(1) for each new separate application to be created by the division, in addition to the fee for dividing an application.

(c) *Time for filing.* (1) A request to divide an application may be filed at any time between the application filing date and the date on which the trademark examining attorney approves the mark for publication; or during an opposition, concurrent use, or interference proceeding, upon motion granted by the Trademark Trial and Appeal Board.

(2) In an application under section 1(b) of the Act, a request to divide may also be filed with a statement of use under § 2.88 or at any time between the filing of a statement of use and the date on which the trademark examining attorney approves the mark for registration.

(3) In a multiple-basis application, a request to divide out goods or services having a particular basis may also be filed during the period between the issuance of the notice of allowance under section 13(b)(2) of the Act and the filing of a statement of use under § 2.88.

(d) *Form.* A request to divide an application should be made in a separate document from any other amendment or response in the application. The title "Request to Divide Application" should appear at the top of the first page of the document.

(e) *Outstanding time periods apply to newly created applications.* Any time period for action by the applicant which is outstanding in the original application at the time of the division will

§2.88

37 CFR Ch. I (7–1–13 Edition)

apply to each separate new application created by the division, except as follows:

(1) If an Office action pertaining to less than all the classes in a multiple-class application is outstanding, and the applicant files a request to divide out the goods, services, and/or class(es) to which the Office action does not pertain before the response deadline, a response to the Office action is not due in the new (child) application(s) created by the division of the application;

(2) If an Office action pertaining to less than all the bases in a multiple-basis application is outstanding, and the applicant files a request to divide out the goods/services having the basis or bases to which the Office action does not pertain before the response deadline, a response to the Office action is not due in the new (child) application(s) created by the division of the application; or

(3) In a multiple-basis application in which a notice of allowance has issued, if the applicant files a request to divide out the goods/services having the basis or bases to which the notice of allowance does not pertain before the deadline for filing the statement of use, the new (child) applications created by the division are not affected by the notice of allowance.

(f) *Signature.* The request to divide must be signed by the applicant, someone with legal authority to bind the applicant (e.g., a corporate officer or general partner of a partnership), or a practitioner who meets the requirements of §11.14, in accordance with the requirements of §2.193(e)(2).

(g) *Section 66(a) applications—change of ownership with respect to some but not all of the goods or services.* (1) When the International Bureau of the World Intellectual Property Organization notifies the Office that an international registration has been divided as the result of a change of ownership with respect to some but not all of the goods or services, the Office will construe the International Bureau's notice as a request to divide. The Office will record the partial change of ownership in the Assignment Services Branch, and divide out the assigned goods/services from the original (parent) application. The Office will create a new (child) ap-

plication serial number, and enter the information about the new application in its automated records.

(2) To obtain a certificate of registration in the name of the new owner for the goods/services that have been divided out, the new owner must pay the fee(s) for the request to divide, as required by §2.6 and paragraph (b) of this section. The examining attorney will issue an Office action in the child application requiring the new owner to pay the required fee(s). If the owner of the child application fails to respond, the child application will be abandoned. It is not necessary for the new owner to file a separate request to divide.

(3) The Office will not divide a section 66(a) application based upon a change of ownership unless the International Bureau notifies the Office that the international registration has been divided.

[73 FR 67771, Nov. 17, 2008, as amended at 74 FR 54908, Oct. 26, 2009]

POST NOTICE OF ALLOWANCE

§2.88 Filing statement of use after notice of allowance.

(a) In an application under section 1(b) of the Act, a statement of use, required under section 1(d) of the Act, must be filed within six months after issuance of a notice of allowance under section 13(b)(2) of the Act, or within an extension of time granted under §2.89. A statement of use that is filed prior to issuance of a notice of allowance is premature, will not be considered, and will be returned to the applicant.

(b) A complete statement of use must include:

(1) A statement that is signed and verified (sworn to) or supported by a declaration under §2.20 by a person properly authorized to sign on behalf of the applicant (*see* §2.193(e)(1)) that:

(i) The applicant believes it is the owner of the mark; and

(ii) The mark is in use in commerce, specifying the date of the applicant's first use of the mark and first use of the mark in commerce on or in connection with the goods or services identified in the notice of allowance, and setting forth or incorporating by reference those goods/services identified

in the notice of allowance on or in connection with which the mark is in use in commerce. Where an applicant claims section 1(a) of the Act for some goods/services in a class and section 1(b) of the Act for other goods/services in the same class, the statement of use must include dates for the section 1(b) of the Act goods/services;

(2) One specimen of the mark as actually used in commerce. When requested by the Office, additional specimens must be provided. See § 2.56 for the requirements for specimens; and

(3) The fee per class required by § 2.6. The applicant must pay a filing fee sufficient to cover at least one class within the statutory time for filing the statement of use, or the application will be abandoned. If the applicant submits a fee insufficient to cover all the classes in a multiple-class application, the applicant must specify the classes to be abandoned. If the applicant submits a fee sufficient to pay for at least one class, but insufficient to cover all the classes, and the applicant has not specified the class(es) to be abandoned, the Office will issue a notice granting the applicant additional time to submit the fee(s) for the remaining class(es), or specify the class(es) to be abandoned. If the applicant does not submit the required fee(s) or specify the class(es) to be abandoned within the set time period, the Office will apply the fees paid, beginning with the lowest numbered class(es), in ascending order. The Office will delete the goods/services in the remaining class(es) not covered by the fees submitted.

(c) The statement of use may be filed only when the applicant has made use of the mark in commerce on or in connection with all of the goods or services, as specified in the notice of allowance, for which applicant will seek registration in that application, unless the statement of use is accompanied by a request in accordance with § 2.87 to divide out from the application the goods or services to which the statement of use pertains. If more than one item of goods or services is specified in the statement of use, the dates of use required in paragraph (b)(1) of this section need be for only one of the items specified in each class, provided the

particular item to which the dates apply is designated.

(d) The title “Allegation of Use” should appear at the top of the first page of the document.

(e) The Office will review a timely filed statement of use to determine whether it meets the following minimum requirements:

(1) The fee for at least a single class, required by § 2.6;

(2) One specimen of the mark as used in commerce;

(3) A statement that is signed and verified (sworn to) or supported by a declaration under § 2.20 by a person properly authorized to sign on behalf of the applicant that the mark is in use in commerce. If the verification or declaration is unsigned or signed by the wrong party, the applicant must submit a substitute verification on or before the statutory deadline for filing the statement of use.

(f) A timely filed statement of use which meets the minimum requirements specified in paragraph (e) of this section will be examined in accordance with §§ 2.61 through 2.69. If, as a result of the examination of the statement of use, applicant is found not entitled to registration, applicant will be notified and advised of the reasons and of any formal requirements or refusals. The statement of use may be amended in accordance with §§ 2.59 and 2.71 through 2.75. If the statement of use is acceptable in all respects, the applicant will be notified of its acceptance.

(g) If the statement of use does not meet the minimum requirements specified in paragraph (e) of this section, applicant will be notified of the deficiency. If the time permitted for applicant to file a statement of use has not expired, applicant may correct the deficiency. After the filing of a statement of use during a permitted time period for such filing, the applicant may not withdraw the statement to return to the previous status of awaiting submission of a statement of use, regardless of whether it is in compliance with paragraph (e) of this section.

(h) The failure to timely file a statement of use which meets the minimum requirements specified in paragraph (e) of this section shall result in the abandonment of the application.

§2.89

37 CFR Ch. I (7–1–13 Edition)

(i)(1) The goods or services specified in a statement of use must conform to those goods or services identified in the notice of allowance. An applicant may specify the goods or services by stating “those goods or services identified in the notice of allowance” or, if appropriate, “those goods or services identified in the notice of allowance except * * *” followed by an identification of the goods or services to be deleted.

(2) If any goods or services specified in the notice of allowance are omitted from the identification of goods or services in the statement of use, the Office will delete the omitted goods/services from the application. The applicant may not thereafter reinsert these goods/services.

(3) The statement of use may be accompanied by a separate request to amend the identification of goods or services in the application, as stated in the notice of allowance, in accordance with §2.71(a).

(j) The statement of use may be accompanied by a separate request to amend the drawing in the application, in accordance with §§2.51 and 2.72.

(k) If the statement of use is not filed within a reasonable time after the date it is signed, the Office may require a substitute verification or declaration under §2.20 stating that the mark is still in use in commerce.

(l) For the requirements for a multiple class application, see §2.86.

§2.89 Extensions of time for filing a statement of use.

(a) The applicant may request a six-month extension of time to file the statement of use required by §2.88. The extension request must be filed within six months of the date of issuance of the notice of allowance under section 13(b)(2) of the Act and must include the following:

(1) A written request for an extension of time to file the statement of use;

(2) The fee per class required by §2.6. The applicant must pay a filing fee sufficient to cover at least one class with-

in the statutory time for filing the extension request, or the request will be denied. If the applicant timely submits a fee sufficient to pay for at least one class, but insufficient to cover all the classes, and the applicant has not specified the class(es) to which the fee applies, the Office will issue a notice granting the applicant additional time to submit the fee(s) for the remaining classes, or specify the class(es) to be abandoned. If the applicant does not submit the required fee(s) or specify the class(es) to be abandoned within the set time period, the Office will apply the fees paid, beginning with the lowest numbered class(es), in ascending order. The Office will delete the goods/services in the remaining classes not covered by the fees submitted; and

(3) A statement that the applicant still has a bona fide intention to use the mark in commerce, specifying the relevant goods or services, signed and verified (sworn to) or supported by a declaration under §2.20 by a person properly authorized to sign on behalf of the applicant (*see* §2.193(e)(1)). If the verification is unsigned or signed by the wrong party, the applicant must submit a substitute verification within six months of the date of issuance of the notice of allowance.

(b) Before the expiration of the previously granted extension of time, the applicant may request further six month extensions of time to file the statement of use by submitting the following:

(1) A written request for an extension of time to file the statement of use;

(2) The fee per class required by §2.6. The applicant must pay a filing fee sufficient to cover at least one class within the statutory time for filing the extension request, or the request will be denied. If the applicant submits a fee insufficient to cover all the classes in a multiple-class application, the applicant must specify the classes to be abandoned. If the applicant submits a fee sufficient to pay for at least one class, but insufficient to cover all the classes, and the applicant has not specified the class(es) to which the fee applies, the Office will issue a notice granting the applicant additional time to submit the fee(s) for the remaining classes, or specify the class(es) to be

abandoned. If the applicant does not submit the required fee(s) or specify the class(es) to be abandoned within the set time period, the Office will apply the fees, beginning with the lowest numbered class(es), in ascending order. The Office will delete the remaining goods/services not covered by the fees submitted;

(3) A statement that the applicant still has a bona fide intention to use the mark in commerce, specifying the relevant goods or services, signed and verified (sworn to) or supported by a declaration under § 2.20 by a person properly authorized to sign on behalf of the applicant (*see* § 2.193(e)(1)). If the verification is unsigned or signed by the wrong party, the applicant must submit a substitute verification before the expiration of the previously granted extension; and

(4) A showing of good cause, as specified in paragraph (d) of this section.

(c) Extensions of time under paragraph (b) of this section will be granted only in six-month increments and may not aggregate more than 24 months.

(d) The showing of good cause must include a statement of the applicant's ongoing efforts to make use of the mark in commerce on or in connection with each of the relevant goods or services. Those efforts may include product or service research or development, market research, manufacturing activities, promotional activities, steps to acquire distributors, steps to obtain governmental approval, or other similar activities. In the alternative, the applicant must submit a satisfactory explanation for the failure to make efforts to use the mark in commerce.

(e)(1) At the time of the filing of a statement of use, or during any time remaining in the existing six-month period in which a statement of use is filed, applicant may file one request, in accordance with paragraph (a) or (b) of this section, for a six-month extension of time for filing a statement of use, provided that the time requested would not extend beyond 36 months from the issuance of the notice of allowance. Thereafter, applicant may not request any further extensions of time.

(2) A request for an extension of time that is filed at the time of the filing of a statement of use, or during any time

remaining in the existing six-month period in which a statement of use is filed, must comply with all the requirements of paragraph (a) of this section, if it is applicant's first extension request, or paragraph (b) of this section, if it is a second or subsequent extension request. However, in a request under paragraph (b) of this section, applicant may satisfy the requirement for a showing of good cause by asserting that applicant believes that it has made valid use of the mark in commerce, as evidenced by the submitted statement of use, but that if the statement of use is found by the Patent and Trademark Office to be fatally defective, applicant will need additional time in which to file a new statement of use.

(f) The goods or services specified in a request for an extension of time for filing a statement of use must conform to those goods or services identified in the notice of allowance. Any goods or services specified in the notice of allowance which are omitted from the identification of goods or services in the request for extension of time will be presumed to be deleted and the applicant may not thereafter request that the deleted goods or services be reinserted in the application. If appropriate, an applicant may specify the goods or services by stating "those goods or services identified in the notice of allowance" or "those goods or services identified in the notice of allowance except * * *" followed by an identification of the goods or services to be deleted.

(g) The applicant will be notified of the grant or denial of a request for an extension of time, and of the reasons for a denial. Failure to notify the applicant of the grant or denial of the request prior to the expiration of the existing period or requested extension does not relieve the applicant of the responsibility of timely filing a statement of use under § 2.88. If, after denial of an extension request, there is time remaining in the existing six-month period for filing a statement of use, applicant may submit a substitute request for extension of time. Otherwise, the only recourse available after denial of a request for an extension of time is

§ 2.91

a petition to the Director in accordance with § 2.66 or § 2.146. A petition from the denial of an extension request must be filed within two months of the date of issuance of the denial of the request. If the petition is granted, the term of the requested six-month extension that was the subject of the petition will run from the date of expiration of the previously existing six-month period for filing a statement of use.

(h) If the extension request is not filed within a reasonable time after it is signed, the Office may require a substitute verification or declaration under § 2.20 stating that the applicant still has a bona fide intention to use the mark in commerce.

INTERFERENCES AND CONCURRENT USE PROCEEDINGS

AUTHORITY: Secs. 2.91 to 2.99 also issued under secs. 16, 17, 60 Stat. 434; 15 U.S.C. 1066, 1067.

§ 2.91 Declaration of interference.

(a) An interference will not be declared between two applications or between an application and a registration except upon petition to the Director. Interferences will be declared by the Director only upon a showing of extraordinary circumstances which would result in a party being unduly prejudiced without an interference. In ordinary circumstances, the availability of an opposition or cancellation proceeding to the party will be deemed to remove any undue prejudice.

(b) Registrations and applications to register on the Supplemental Register, registrations under the Act of 1920, and registrations of marks the right to use of which has become incontestable are not subject to interference.

[37 FR 2881, Feb. 9, 1972, as amended at 54 FR 34897, Aug. 22, 1989]

§ 2.92 Preliminary to interference.

An interference which has been declared by the Director will not be instituted by the Trademark Trial and Appeal Board until the Examiner of

37 CFR Ch. I (7–1–13 Edition)

Trademarks has determined that the marks which are to form the subject matter of the controversy are registrable, and all of the marks have been published in the *Official Gazette* for opposition.

[54 FR 34897, Aug. 22, 1989]

§ 2.93 Institution of interference.

An interference is instituted by the issuance of a notice of interference to the parties. The notice shall be sent to each applicant, in care of the applicant's attorney or other representative of record, if any, and if one of the parties is a registrant, the notice shall be sent to the registrant or the registrant's assignee of record. The notice shall give the name and address of every adverse party and of the adverse party's attorney or other authorized representative, if any, together with the serial number and date of filing and publication of each of the applications, or the registration number and date of issuance of each of the registrations, involved.

[73 FR 67772, Nov. 17, 2008]

§§ 2.94–2.95 [Reserved]

§ 2.96 Issue; burden of proof.

The issue in an interference between applications is normally priority of use, but the rights of the parties to registration may also be determined. The party whose application involved in the interference has the latest filing date is the junior party and has the burden of proof. When there are more than two parties to an interference, a party shall be a junior party to and shall have the burden of proof as against every other party whose application involved in the interference has an earlier filing date. If the involved applications of any parties have the same filing date, the application with the latest date of execution will be deemed to have the latest filing date and that applicant will be the junior party. The issue in an interference between an application and a registration shall be the same, but in the event the final decision is adverse to the registrant, a registration to the applicant will not be authorized so long as the

interfering registration remains on the register.

[48 FR 23135, May 23, 1983; 48 FR 27225, June 14, 1983]

§ 2.97 [Reserved]

§ 2.98 Adding party to interference.

A party may be added to an interference only upon petition to the Director by that party. If an application which is or might be the subject of a petition for addition to an interference is not added, the examiner may suspend action on the application pending termination of the interference proceeding.

[48 FR 23135, May 23, 1983]

§ 2.99 Application to register as concurrent user.

(a) An application for registration as a lawful concurrent user will be examined in the same manner as other applications for registration.

(b) If it appears that the applicant is entitled to have the mark registered, subject to a concurrent use proceeding, the mark will be published in the Official Gazette as provided by § 2.80.

(c) If no opposition is filed, or if all oppositions that are filed are dismissed or withdrawn, the Trademark Trial and Appeal Board will send a notification to the applicant for concurrent use registration (plaintiff) and to each applicant, registrant or user specified as a concurrent user in the application (defendants). The notification for each defendant shall state the name and address of the plaintiff and of the plaintiff's attorney or other authorized representative, if any, together with the serial number and filing date of the application. If a party has provided the Office with an e-mail address, the notification may be transmitted via e-mail.

(d)(1) Within ten days from the date of the Board's notification, the applicant for concurrent use registration must serve copies of its application, specimens and drawing on each applicant, registrant or user specified as a concurrent user in the application for registration, as directed by the Board. If any service copy is returned to the concurrent use applicant as undeliverable, the concurrent use applicant

must notify the Board within ten days of receipt of the returned copy.

(2) An answer to the notice is not required in the case of an applicant or registrant whose application or registration is specified as a concurrent user in the application, but a statement, if desired, may be filed within forty days after the issuance of the notice; in the case of any other party specified as a concurrent user in the application, an answer must be filed within forty days after the issuance of the notice.

(3) If an answer, when required, is not filed, judgment will be entered precluding the specified user from claiming any right more extensive than that acknowledged in the application(s) for concurrent use registration, but the applicant(s) will remain with the burden of proving entitlement to registration(s).

(e) The applicant for a concurrent use registration has the burden of proving entitlement thereto. If there are two or more applications for concurrent use registration involved in a proceeding, the party whose application has the latest filing date is the junior party. A party whose application has a filing date between the filing dates of the earliest involved application and the latest involved application is a junior party to every party whose involved application has an earlier filing date. If any applications have the same filing date, the application with the latest date of execution will be deemed to have the latest filing date and that applicant will be the junior party. A person specified as an excepted user in a concurrent use application but who has not filed an application shall be considered a party senior to every party that has an application involved in the proceeding.

(f) When a concurrent use registration is sought on the basis that a court of competent jurisdiction has finally determined that the parties are entitled to use the same or similar marks in commerce, a concurrent use registration proceeding will not be instituted if all of the following conditions are fulfilled:

§ 2.101

37 CFR Ch. I (7-1-13 Edition)

(1) The applicant is entitled to registration subject only to the concurrent lawful use of a party to the court proceeding; and

(2) The court decree specifies the rights of the parties; and

(3) A true copy of the court decree is submitted to the examiner; and

(4) The concurrent use application complies fully and exactly with the court decree; and

(5) The excepted use specified in the concurrent use application does not involve a registration, or any involved registration has been restricted by the Director in accordance with the court decree.

If any of the conditions specified in this paragraph is not satisfied, a concurrent use registration proceeding shall be prepared and instituted as provided in paragraphs (a) through (e) of this section.

(g) Registrations and applications to register on the Supplemental Register and registrations under the Act of 1920 are not subject to concurrent use registration proceedings. Applications under section 1(b) of the Act of 1946 are subject to concurrent use registration proceedings only after the applicant files an acceptable allegation of use under § 2.76 or § 2.88. Applications based solely on section 44 or section 66(a) of the Act are not subject to concurrent use registration proceedings.

(h) The Trademark Trial and Appeal Board will consider and determine concurrent use rights only in the context of a concurrent use registration proceeding.

OPPOSITION

AUTHORITY: Secs. 2.101 to 2.106 also issued under secs. 13, 17, 60 Stat. 433, 434; 15 U.S.C. 1063, 1067.

§ 2.101 Filing an opposition.

(a) An opposition proceeding is commenced by filing in the Office a timely notice of opposition with the required fee. The notice must include proof of service on the applicant, or its attorney or domestic representative of

record, at the correspondence address of record in the Office, as detailed in §§ 2.101(b) and 2.119.

(b) Any person who believes that he, she or it would be damaged by the registration of a mark on the Principal Register may file an opposition addressed to the Trademark Trial and Appeal Board and must serve a copy of the opposition, including any exhibits, on the attorney of record for the applicant or, if there is no attorney, on the applicant or on the applicant's domestic representative, if one has been appointed, at the correspondence address of record in the Office. The opposer must include with the opposition proof of service pursuant to § 2.119 at the correspondence address of record in the Office. If any service copy of the opposition is returned to the opposer as undeliverable, the opposer must notify the Board within ten days of receipt of the returned copy. The opposition need not be verified, but must be signed by the opposer or the opposer's attorney, as specified in § 11.1 of this chapter, or other authorized representative, as specified in § 11.14(b) of this chapter. Electronic signatures pursuant to § 2.193(c) are required for oppositions filed through ESTTA under paragraphs (b)(1) or (2) of this section.

(1) An opposition to an application based on section 1 or 44 of the Act must be filed either on paper or through ESTTA.

(2) An opposition to an application based on section 66(a) of the Act must be filed through ESTTA.

(c) The opposition must be filed within thirty days after publication (§ 2.80) of the application being opposed or within an extension of time (§ 2.102) for filing an opposition.

(d)(1) The opposition must be accompanied by the required fee for each party joined as opposer for each class in the application for which registration is opposed (*see* § 2.6).

(2) An otherwise timely opposition will not be accepted via ESTTA unless the opposition is accompanied by a fee that is sufficient to pay in full for each named party opposer to oppose the registration of a mark in each class specified in the opposition.

(3) If an otherwise timely opposition is submitted on paper, the following is

applicable if less than all required fees are submitted:

(i) If the opposition is accompanied by no fee or a fee insufficient to pay for one person to oppose the registration of a mark in at least one class, the opposition will be refused.

(ii) If the opposition is accompanied by fees sufficient to pay for one person to oppose registration in at least one class, but fees are insufficient to oppose registration in all the classes in the application, and the particular class or classes against which the opposition is filed is not specified, the opposition will be presumed to be against the class or classes in ascending numerical order, including only the number of classes in the application for which sufficient fees have been submitted.

(iii) If persons are joined as party opposers, each must submit a fee for each class for which opposition is sought. If the fees submitted are sufficient to pay for one person to oppose registration in at least one class, but are insufficient for each named party opposer, the first-named party will be presumed to be the party opposer. Additional parties will be deemed to be party opposers only to the extent that the fees submitted are sufficient to pay the fee due for each party opposer. If persons are joined as party opposers against a multiple class application, the fees submitted are insufficient, and no specification of opposers and classes is made at the time the party is joined, the fees submitted will be applied first on behalf of the first-named opposer against as many of the classes in the application as the submitted fees are sufficient to pay. Any excess will be applied on behalf of the second-named party to the opposition against the classes in the application in ascending numerical order.

(4) The filing date of an opposition is the date of receipt in the Office of the notice of opposition, with proof of service on the applicant, or its attorney or domestic representative of record, if one has been appointed, at the correspondence address of record in the Office, and the required fee, unless the

notice is filed in accordance with § 2.198.

§ 2.102 Extension of time for filing an opposition.

(a) Any person who believes that he, she or it would be damaged by the registration of a mark on the Principal Register may file in the Office a written request, addressed to the Trademark Trial and Appeal Board, to extend the time for filing an opposition. The written request need not be verified, but must be signed by the potential opposer or by the potential opposer's attorney, as specified in § 11.1 of this chapter, or authorized representative, as specified in § 11.14(b) of this chapter. Electronic signatures pursuant to § 2.193(c) are required for electronically filed extension requests.

(1) A written request to extend the time for filing an opposition to an application filed under section 1 or 44 of the Act must be filed either on paper or through ESTTA.

(2) A written request to extend the time for filing an opposition to an application filed under section 66(a) of the Act must be filed through ESTTA.

(b) A written request to extend the time for filing an opposition must identify the potential opposer with reasonable certainty. Any opposition filed during an extension of time should be in the name of the person to whom the extension was granted. An opposition may be accepted if the person in whose name the extension was requested was misidentified through mistake or if the opposition is filed in the name of a person in privity with the person who requested and was granted the extension of time.

(c) The time for filing an opposition shall not be extended beyond 180 days from the date of publication. Any request to extend the time for filing an opposition must be filed before thirty days have expired from the date of publication or before the expiration of a previously granted extension of time, as appropriate. Requests to extend the time for filing an opposition must be filed as follows:

§ 2.104

37 CFR Ch. I (7–1–13 Edition)

(1) A person may file a first request for either a thirty-day extension of time, which will be granted upon request, or a ninety-day extension of time, which will be granted only for good cause shown.

(2) If a person was granted a thirty-day extension of time, that person may file a request for an additional sixty-day extension of time, which will be granted only for good cause shown.

(3) After receiving one or two extensions of time totaling ninety days, a person may file one final request for an extension of time for an additional sixty days. The Board will grant this request only upon written consent or stipulation signed by the applicant or its authorized representative, or a written request by the potential opposer or its authorized representative stating that the applicant or its authorized representative has consented to the request, or a showing of extraordinary circumstances. No further extensions of time to file an opposition will be granted under any circumstances.

§ 2.104 Contents of opposition.

(a) The opposition must set forth a short and plain statement showing why the opposer believes he, she or it would be damaged by the registration of the opposed mark and state the grounds for opposition.

(b) Oppositions to different applications owned by the same party may be joined in a consolidated opposition when appropriate, but the required fee must be included for each party joined as opposer for each class in which registration is opposed in each application against which the opposition is filed.

[54 FR 34897, Aug. 22, 1989, as amended at 68 FR 55766, Sept. 26, 2003]

§ 2.105 Notification to parties of opposition proceeding(s).

(a) When an opposition in proper form (see §§ 2.101 and 2.104), with proof of service in accordance with § 2.101(b), has been filed and the correct fee has been submitted, the Trademark Trial and Appeal Board shall prepare a notification, which shall identify the title

and number of the proceeding and the application involved and shall designate a time, not less than thirty days from the mailing date of the notification, within which an answer must be filed. If a party has provided the Office with an e-mail address, the notification may be transmitted via e-mail.

(b) The Board shall forward a copy of the notification to opposer, as follows:

(1) If the opposition is transmitted by an attorney, or a written power of attorney is filed, the Board will send the notification to the attorney transmitting the opposition or to the attorney designated in the power of attorney, provided that the person is an “attorney” as defined in § 11.1 of this chapter.

(2) If opposer is not represented by an attorney in the opposition, but opposer has appointed a domestic representative, the Board will send the notification to the domestic representative, unless opposer designates in writing another correspondence address.

(3) If opposer is not represented by an attorney in the opposition, and no domestic representative has been appointed, the Board will send the notification directly to opposer, unless opposer designates in writing another correspondence address.

(c) The Board shall forward a copy of the notification to applicant, as follows:

(1) If the opposed application contains a clear indication that the application is being prosecuted by an attorney, as defined in § 11.1 of this chapter, the Board shall send the documents described in this section to applicant’s attorney.

(2) If the opposed application is not being prosecuted by an attorney but a domestic representative has been appointed, the Board will send the documents described in this section to the domestic representative, unless applicant designates in writing another correspondence address.

(3) If the opposed application is not being prosecuted by an attorney, and no domestic representative has been appointed, the Board will send the documents described in this section directly to applicant, unless applicant

designates in writing another correspondence address.

§2.106 Answer.

(a) If no answer is filed within the time set, the opposition may be decided as in case of default.

(b)(1) An answer shall state in short and plain terms the applicant's defenses to each claim asserted and shall admit or deny the averments upon which the opposer relies. If the applicant is without knowledge or information sufficient to form a belief as to the truth of an averment, applicant shall so state and this will have the effect of a denial. Denials may take any of the forms specified in Rule 8(b) of the Federal Rules of Civil Procedure. An answer may contain any defense, including the affirmative defenses of unclean hands, laches, estoppel, acquiescence, fraud, mistake, prior judgment, or any other matter constituting an avoidance or affirmative defense. When pleading special matters, the Federal Rules of Civil Procedure shall be followed. A reply to an affirmative defense need not be filed. When a defense attacks the validity of a registration pleaded in the opposition, paragraph (b)(2) of this section shall govern. A pleaded registration is a registration identified by number and date of issuance in an original notice of opposition or in any amendment thereto made under Rule 15, Federal Rules of Civil Procedure.

(2)(i) A defense attacking the validity of any one or more of the registrations pleaded in the opposition shall be a compulsory counterclaim if grounds for such counterclaim exist at the time when the answer is filed. If grounds for a counterclaim are known to the applicant when the answer to the opposition is filed, the counterclaim shall be pleaded with or as part of the answer. If grounds for a counterclaim are learned during the course of the opposition proceeding, the counterclaim shall be pleaded promptly after the grounds therefor are learned. A counterclaim need not be filed if it is the subject of another proceeding between the same parties or anyone in privity therewith.

(ii) An attack on the validity of a registration pleaded by an opposer will not be heard unless a counterclaim or separate petition is filed to seek the cancellation of such registration.

(iii) The provisions of §§2.111 through 2.115, inclusive, shall be applicable to counterclaims. A time, not less than thirty days, will be designated within which an answer to the counterclaim must be filed.

(iv) The times for pleading, discovery, testimony, briefs or oral argument will be reset or extended when necessary, upon motion by a party, to enable a party fully to present or meet a counterclaim or separate petition for cancellation of a registration.

(c) The opposition may be withdrawn without prejudice before the answer is filed. After the answer is filed, the opposition may not be withdrawn without prejudice except with the written consent of the applicant or the applicant's attorney or other authorized representative.

[30 FR 13193, Oct. 16, 1965, as amended at 46 FR 6940, Jan. 22, 1981; 48 FR 23136, May 23, 1983; 54 FR 34897, Aug. 22, 1989]

§2.107 Amendment of pleadings in an opposition proceeding.

(a) Pleadings in an opposition proceeding against an application filed under section 1 or 44 of the Act may be amended in the same manner and to the same extent as in a civil action in a United States district court, except that, after the close of the time period for filing an opposition including any extension of time for filing an opposition, an opposition may not be amended to add to the goods or services opposed.

(b) Pleadings in an opposition proceeding against an application filed under section 66(a) of the Act may be amended in the same manner and to the same extent as in a civil action in a United States district court, except that, once filed, the opposition may not be amended to add to the grounds for opposition or to add to the goods or services subject to opposition.

§2.111 Filing petition for cancellation.

(a) A cancellation proceeding is commenced by filing in the Office a timely petition for cancellation with the required fee. The petition must include proof of service on the owner of record for the registration, or the owner's domestic representative of record, at the correspondence address of record in the Office, as detailed in §§2.111(b) and 2.119.

(b) Any person who believes that he, she or it is or will be damaged by a registration may file a petition, addressed to the Trademark Trial and Appeal Board, for cancellation of the registration in whole or in part. Petitioner must serve a copy of the petition, including any exhibits, on the owner of record for the registration, or on the owner's domestic representative of record, if one has been appointed, at the correspondence address of record in the Office. The petitioner must include with the petition for cancellation proof of service, pursuant to §2.119, on the owner of record, or on the owner's domestic representative of record, if one has been appointed, at the correspondence address of record in the Office. If any service copy of the petition for cancellation is returned to the petitioner as undeliverable, the petitioner must notify the Board within ten days of receipt of the returned copy. The petition for cancellation need not be verified, but must be signed by the petitioner or the petitioner's attorney, as specified in §11.1 of this chapter, or other authorized representative, as specified in §11.14(b) of this chapter. Electronic signatures pursuant to §2.193(c) are required for petitions submitted electronically via ESTTA. The petition for cancellation may be filed at any time in the case of registrations on the Supplemental Register or under the Act of 1920, or registrations under the Act of 1881 or the Act of 1905 which have not been published under section 12(c) of the Act, or on any ground specified in section 14(3) or (5) of the Act. In all other cases, the petition for can-

cellation and the required fee must be filed within five years from the date of registration of the mark under the Act or from the date of publication under section 12(c) of the Act.

(c)(1) The petition for cancellation must be accompanied by the required fee for each party joined as petitioner for each class in the registration for which cancellation is sought (*see* §2.6).

(2) An otherwise timely petition for cancellation will not be accepted via ESTTA unless the petition for cancellation is accompanied by a fee that is sufficient to pay in full for each named party petitioner to petition for cancellation of the registration of a mark in each class specified in the petition for cancellation.

(3) If an otherwise timely petition for cancellation is submitted on paper, the following is applicable if less than all required fees are submitted:

(i) If the petition for cancellation is accompanied by no fee or a fee insufficient to pay for one person to petition for cancellation against at least one class in the registration, the petition for cancellation will be refused.

(ii) If the petition for cancellation is accompanied by fees sufficient to pay for one person to petition for cancellation against at least one class in the registration, but fees are insufficient for a petition for cancellation against all the classes in the registration, and the particular class or classes against which the petition for cancellation is filed is not specified, the petition for cancellation will be presumed to be against the class or classes in ascending numerical order, including only the number of classes in the registration for which sufficient fees have been submitted.

(iii) If persons are joined as party petitioners, each must submit a fee for each class for which cancellation is sought. If the fees submitted are sufficient to pay for one person to petition for cancellation of the registration in at least one class but are insufficient for each named party petitioner, the first-named party will be presumed to be the party petitioner. Additional parties will be deemed to be party petitioners only to the extent that the fees submitted are sufficient to pay the fee

due for each party petitioner. If persons are joined as party petitioners against a multiple class registration, the fees submitted are insufficient, and no specification of parties and classes is made at the time the party is joined, the fees submitted will be applied first on behalf of the first-named petitioner against as many of the classes in the registration as the submitted fees are sufficient to pay. Any excess will be applied on behalf of the second-named party to the cancellation against the classes in the registration in ascending numerical order.

(4) The filing date of a petition for cancellation is the date of receipt in the Office of the petition for cancellation, with proof of service on the owner of record, or on the owner's domestic representative, if one has been appointed, at the correspondence address of record in the Office, and with the required fee, unless the petition is filed in accordance with §2.198.

§2.112 Contents of petition for cancellation.

(a) The petition for cancellation must set forth a short and plain statement showing why the petitioner believes he, she or it is or will be damaged by the registration, state the ground for cancellation, and indicate, to the best of petitioner's knowledge, the name and address of the current owner of the registration.

(b) When appropriate, petitions for cancellation of different registrations owned by the same party may be joined in a consolidated petition for cancellation. §2.113 Notification to parties of cancellation proceeding.

(a) When a petition for cancellation in proper form (see §§2.111 and 2.112), with proof of service in accordance with §2.111(b), has been filed and the correct fee has been submitted, the Trademark Trial and Appeal Board

shall prepare a notification which shall identify the title and number of the proceeding and the registration(s) involved and shall designate a time, not less than thirty days from the mailing date of the notification, within which an answer must be filed. If a party has provided the Office with an e-mail address, the notification may be transmitted via e-mail.

(b) The Board shall forward a copy of the notification to petitioner, as follows:

(1) If the petition for cancellation is transmitted by an attorney, or a written power of attorney is filed, the Board will send the notification to the attorney transmitting the petition for cancellation or to the attorney designated in the power of attorney, provided that person is an "attorney" as defined in §11.1 of this chapter.

(2) If petitioner is not represented by an attorney in the cancellation proceeding, but petitioner has appointed a domestic representative, the Board will send the notification to the domestic representative, unless petitioner designates in writing another correspondence address.

(3) If petitioner is not represented by an attorney in the cancellation proceeding, and no domestic representative has been appointed, the Board will send the notification directly to petitioner, unless petitioner designates in writing another correspondence address.

(c) The Board shall forward a copy of the notification to the respondent (see §2.118). The respondent shall be the party shown by the records of the Office to be the current owner of the registration(s) sought to be cancelled, except that the Board, in its discretion, may join or substitute as respondent a party who makes a showing of a current ownership interest in such registration(s).

(d) When the party alleged by the petitioner, pursuant to §2.112(a), as the current owner of the registration(s) is not the record owner, a courtesy copy of the petition for cancellation shall be forwarded with a copy of the notification to the alleged current owner. The

If the respondent is without knowledge or information sufficient to form a belief as to the truth of an averment, respondent shall so state and this will have the effect of a denial. Denials may take any of the forms specified in Rule 8(b) of the Federal Rules of Civil Procedure. An answer may contain any defense, including the affirmative defenses of unclean hands, laches, estoppel, acquiescence, fraud, mistake, prior judgment, or any other matter constituting an avoidance or affirmative defense. When pleading special matters, the Federal Rules of Civil Procedure shall be followed. A reply to an affirmative defense need not be filed. When a defense attacks the validity of a registration pleaded in the petition, paragraph (b)(2) of this section shall govern. A pleaded registration is a registration identified by number and date of issuance in an original petition for cancellation or in any amendment thereto made under Rule 15, Federal Rules of Civil Procedure.

(2)(i) A defense attacking the validity of any one or more of the registrations pleaded in the petition shall be a compulsory counterclaim if grounds for such counterclaim exist at the time when the answer is filed. If grounds for a counterclaim are known to respondent when the answer to the petition is filed, the counterclaim shall be pleaded with or as part of the answer. If grounds for a counterclaim are learned during the course of the cancellation proceeding, the counterclaim shall be pleaded promptly after the grounds therefor are learned. A counterclaim need not be filed if it is the subject of

37 CFR Ch. I (7-1-13 Edition)

another proceeding between the same parties or anyone in privity therewith.

(ii) An attack on the validity of a registration pleaded by a petitioner for cancellation will not be heard unless a counterclaim or separate petition is filed to seek the cancellation of such registration.

(iii) The provisions of §§2.111 through 2.115, inclusive, shall be applicable to counterclaims. A time, not less than thirty days, will be designated within which an answer to the counterclaim must be filed.

(iv) The times for pleading, discovery, testimony, briefs, or oral argument will be reset or extended when necessary, upon motion by a party, to enable a party fully to present or meet a counterclaim or separate petition for cancellation of a registration.

(c) The petition for cancellation may be withdrawn without prejudice before the answer is filed. After the answer is filed, the petition may not be withdrawn without prejudice except with the written consent of the registrant or the registrant's attorney or other authorized representative.

PROCEDURE IN *Inter Partes* PROCEEDINGS

AUTHORITY: Secs. 2.116 to 2.136 also issued under sec. 17, 60 Stat. 434; 15 U.S.C. 1067.

§2.116 Federal Rules of Civil Procedure.

(a) Except as otherwise provided, and wherever applicable and appropriate, procedure and practice in *inter partes* proceedings shall be governed by the Federal Rules of Civil Procedure.

(b) The opposer in an opposition proceeding or the petitioner in a cancellation proceeding shall be in the position

of plaintiff, and the applicant in an opposition proceeding or the respondent in a cancellation proceeding shall be in the position of defendant. A party that is a junior party in an interference proceeding or in a concurrent use registration proceeding shall be in the position of plaintiff against every party that is senior, and the party that is a senior party in an interference proceeding or in a concurrent use registration proceeding shall be a defendant against every party that is junior.

(c) The opposition or the petition for cancellation and the answer correspond to the complaint and answer in a court proceeding.

(d) The assignment of testimony periods corresponds to setting a case for trial in court proceedings.

(e) The taking of depositions during the assigned testimony periods corresponds to the trial in court proceedings.

(f) Oral hearing corresponds to oral summation in court proceedings.

(g) The Trademark Trial and Appeal Board's standard protective order is applicable during disclosure, discovery and at trial in all opposition, cancellation, interference and concurrent use registration proceedings, unless the parties, by stipulation approved by the Board, agree to an alternative order, or a motion by a party to use an alternative order is granted by the Board. The standard protective order is available at the Office's Web site, or upon request, a copy will be provided. No material disclosed or produced by a party, presented at trial, or filed with the Board, including motions or briefs which discuss such material, shall be treated as confidential or shielded from public view unless designated as protected under the Board's standard protective order, or under an alternative order stipulated to by the parties and approved by the Board, or under an order submitted by motion of a party granted by the Board.

§2.117 Suspension of proceedings.

(a) Whenever it shall come to the attention of the Trademark Trial and Appeal Board that a party or parties to a

pending case are engaged in a civil action or another Board proceeding which may have a bearing on the case, proceedings before the Board may be suspended until termination of the civil action or the other Board proceeding.

(b) Whenever there is pending before the Board both a motion to suspend and a motion which is potentially dispositive of the case, the potentially dispositive motion may be decided before the question of suspension is considered regardless of the order in which the motions were filed.

(c) Proceedings may also be suspended, for good cause, upon motion or a stipulation of the parties approved by the Board.

§2.118 Undelivered Office notices.

When a notice sent by the Office to any registrant or applicant is returned to the Office undelivered, additional notice may be given by publication in the Official Gazette for the period of time prescribed by the Director.

[72 FR 42259, Aug. 1, 2007]

§2.119 Service and signing of papers.

(a) Every paper filed in the United States Patent and Trademark Office in *inter partes* cases, including notices of appeal, must be served upon the other parties. Proof of such service must be made before the paper will be considered by the Office. A statement signed by the attorney or other authorized representative, attached to or appearing on the original paper when filed, clearly stating the date and manner in which service was made will be accepted as prima facie proof of service.

(b) Service of papers must be on the attorney or other authorized representative of the party if there be such or on the party if there is no attorney or other authorized representative, and may be made in any of the following ways:

(1) By delivering a copy of the paper to the person served;

(2) By leaving a copy at the usual place of business of the person served, with someone in the person's employment;

§ 2.120

(3) When the person served has no usual place of business, by leaving a copy at the person's residence, with a member of the person's family over 14 years of age and of discretion;

(4) Transmission by the "Express Mail Post Office to Addressee" service of the United States Postal Service or by first-class mail, which may also be certified or registered;

(5) Transmission by overnight courier.

Whenever it shall be satisfactorily shown to the Director that none of the above modes of obtaining service or serving the paper is practicable, service may be by notice published in the *Official Gazette*.

(6) Electronic transmission when mutually agreed upon by the parties.

(c) When service is made by first-class mail, "Express Mail," or overnight courier, the date of mailing or of delivery to the overnight courier will be considered the date of service. Whenever a party is required to take some action within a prescribed period after the service of a paper upon the party by another party and the paper is served by first-class mail, "Express Mail," or overnight courier, 5 days shall be added to the prescribed period.

(d) If a party to an *inter partes* proceeding is not domiciled in the United States and is not represented by an attorney or other authorized representative located in the United States, the party may designate by document filed in the United States Patent and Trademark Office the name and address of a person residing in the United States on whom may be served notices or process in the proceeding. If the party has appointed a domestic representative, official communications of the United States Patent and Trademark Office will be addressed to the domestic representative unless the proceeding is being prosecuted by an attorney at law or other qualified person duly authorized under § 11.14(c) of this subchapter. If the party has not appointed a domestic representative and the proceeding is not being prosecuted by an attorney at law or other qualified person, the Office will send correspondence directly to the party, unless the party designates in writing another address to which correspondence is to be sent. The

37 CFR Ch. I (7-1-13 Edition)

mere designation of a domestic representative does not authorize the person designated to prosecute the proceeding unless qualified under § 11.14(a), or qualified under § 11.14(b) and authorized under § 2.17(f).

(e) Every paper filed in an *inter partes* proceeding, and every request for an extension of time to file an opposition, must be signed by the party filing it, or by the party's attorney or other authorized representative, but an unsigned paper will not be refused consideration if a signed copy is submitted to the Patent and Trademark Office within the time limit set in the notification of this defect by the Office.

§ 2.120 Discovery.

(a) *In general.* (1) Wherever appropriate, the provisions of the Federal Rules of Civil Procedure relating to disclosure and discovery shall apply in opposition, cancellation, interference and concurrent use registration proceedings except as otherwise provided in this section. The provisions of Federal Rule of Civil Procedure 26 relating to required disclosures, the conference of the parties to discuss settlement and to develop a disclosure and discovery plan, the scope, timing and sequence of discovery, protective orders, signing of disclosures and discovery responses, and supplementation of disclosures and discovery responses, are applicable to Board proceedings in modified form, as noted in these rules and as may be detailed in any order instituting an *inter partes* proceeding or subsequent scheduling order. The Board will specify the deadline for a discovery conference, the opening and closing dates for the taking of discovery, and the deadlines within the discovery period for making initial disclosures and expert disclosure. The trial order setting these deadlines and dates will be included with the notice of institution of the proceeding.

(2) The discovery conference shall occur no later than the opening of the discovery period, and the parties must

discuss the subjects set forth in Federal Rule of Civil Procedure 26(f) and any subjects set forth in the Board's institution order. A Board Interlocutory Attorney or Administrative Trademark Judge will participate in the conference upon request of any party made after answer but no later than ten days prior to the deadline for the conference. The participating attorney or judge may expand or reduce the number or nature of subjects to be discussed in the conference as may be deemed appropriate. The discovery period will be set for a period of 180 days. Initial disclosures must be made no later than thirty days after the opening of the discovery period. Disclosure of expert testimony must occur in the manner and sequence provided in Federal Rule of Civil Procedure 26(a)(2), unless alternate directions have been provided by the Board in an institution order or any subsequent order resetting disclosure, discovery or trial dates. If the expert is retained after the deadline for disclosure of expert testimony, the party must promptly file a motion for leave to use expert testimony. Upon disclosure by any party of plans to use expert testimony, whether before or after the deadline for disclosing expert testimony, the Board may issue an order regarding expert discovery and/or set a deadline for any other party to disclose plans to use a rebuttal expert. The parties may stipulate to a shortening of the discovery period. The discovery period may be extended upon stipulation of the parties approved by the Board, or upon motion granted by the Board, or by order of the Board. If a motion for an extension is denied, the discovery period may remain as originally set or as reset. Disclosure deadlines and obligations may be modified upon written stipulation of the parties approved by the Board, or upon motion granted by the Board, or by order of the Board. If a stipulation or motion for modification is denied, disclosure deadlines may remain as originally set or reset and obligations may remain unaltered. The parties are not required to prepare or transmit to the Board a written report outlining their discovery conference discussions, unless the parties have agreed to alter disclosure or discovery obligations set forth

by these rules or applicable Federal Rules of Civil Procedure, or unless directed to file such a report by a participating Board Interlocutory Attorney or Administrative Trademark Judge.

(3) A party must make its initial disclosures prior to seeking discovery, absent modification of this requirement by a stipulation of the parties approved by the Board, or a motion granted by the Board, or by order of the Board. Discovery depositions must be taken, and interrogatories, requests for production of documents and things, and requests for admission must be served, on or before the closing date of the discovery period as originally set or as reset. Responses to interrogatories, requests for production of documents and things, and requests for admission must be served within thirty days from the date of service of such discovery requests. The time to respond may be extended upon stipulation of the parties, or upon motion granted by the Board, or by order of the Board. The resetting of a party's time to respond to an outstanding request for discovery will not result in the automatic rescheduling of the discovery and/or testimony periods; such dates will be rescheduled only upon stipulation of the parties approved by the Board, or upon motion granted by the Board, or by order of the Board.

(b) *Discovery deposition within the United States.* The deposition of a natural person shall be taken in the Federal judicial district where the person resides or is regularly employed or at any place on which the parties agree by stipulation. The responsibility rests wholly with the party taking discovery to secure the attendance of a proposed deponent other than a party or anyone who, at the time set for the taking of the deposition, is an officer, director, or managing agent of a party, or a person designated under Rule 30(b)(6) or Rule 31(a) of the Federal Rules of Civil Procedure. See 35 U.S.C. 24.

(c) *Discovery deposition in foreign countries.* (1) The discovery deposition of a natural person residing in a foreign country who is a party or who, at the time set for the taking of the deposition, is an officer, director, or managing agent of a party, or a person designated under Rule 30(b)(6) or Rule

31(a) of the Federal Rules of Civil Procedure, shall, if taken in a foreign country, be taken in the manner prescribed by § 2.124 unless the Trademark Trial and Appeal Board, upon motion for good cause, orders or the parties stipulate, that the deposition be taken by oral examination.

(2) Whenever a foreign party is or will be, during a time set for discovery, present within the United States or any territory which is under the control and jurisdiction of the United States, such party may be deposed by oral examination upon notice by the party seeking discovery. Whenever a foreign party has or will have, during a time set for discovery, an officer, director, managing agent, or other person who consents to testify on its behalf, present within the United States or any territory which is under the control and jurisdiction of the United States, such officer, director, managing agent, or other person who consents to testify in its behalf may be deposed by oral examination upon notice by the party seeking discovery. The party seeking discovery may have one or more officers, directors, managing agents, or other persons who consent to testify on behalf of the adverse party, designated under Rule 30(b)(6) of the Federal Rules of Civil Procedure. The deposition of a person under this paragraph shall be taken in the Federal judicial district where the witness resides or is regularly employed, or, if the witness neither resides nor is regularly employed in a Federal judicial district, where the witness is at the time of the deposition. This paragraph does not preclude the taking of a discovery deposition of a foreign party by any other procedure provided by paragraph (c)(1) of this section.

(d) *Interrogatories; request for production.* (1) The total number of written interrogatories which a party may serve upon another party pursuant to Rule 33 of the Federal Rules of Civil Procedure, in a proceeding, shall not exceed seventy-five, counting subparts, except that the Trademark Trial and Appeal Board, in its discretion, may allow additional interrogatories upon motion therefor showing good cause, or upon stipulation of the parties, approved by the Board. A motion for leave to serve

additional interrogatories must be filed and granted prior to the service of the proposed additional interrogatories and must be accompanied by a copy of the interrogatories, if any, which have already been served by the moving party, and by a copy of the interrogatories proposed to be served. If a party upon which interrogatories have been served believes that the number of interrogatories exceeds the limitation specified in this paragraph, and is not willing to waive this basis for objection, the party shall, within the time for (and instead of) serving answers and specific objections to the interrogatories, serve a general objection on the ground of their excessive number. If the inquiring party, in turn, files a motion to compel discovery, the motion must be accompanied by a copy of the set(s) of the interrogatories which together are said to exceed the limitation, and must otherwise comply with the requirements of paragraph (e) of this section.

(2) The production of documents and things under the provisions of Rule 34 of the Federal Rules of Civil Procedure will be made at the place where the documents and things are usually kept, or where the parties agree, or where and in the manner which the Trademark Trial and Appeal Board, upon motion, orders.

(e) *Motion for an order to compel disclosure or discovery.* (1) If a party fails to make required initial disclosures or expert testimony disclosure, or fails to designate a person pursuant to Rule 30(b)(6) or Rule 31(a) of the Federal Rules of Civil Procedure, or if a party, or such designated person, or an officer, director or managing agent of a party fails to attend a deposition or fails to answer any question propounded in a discovery deposition, or any interrogatory, or fails to produce and permit the inspection and copying of any document or thing, the party entitled to disclosure or seeking discovery may file a motion to compel disclosure, a designation, or attendance at a deposition, or an answer, or production and an opportunity to inspect and copy. A motion to compel initial disclosures or expert testimony disclosure must be filed prior to the close of the discovery period. A motion

to compel discovery must be filed prior to the commencement of the first testimony period as originally set or as reset. A motion to compel discovery shall include a copy of the request for designation or of the relevant portion of the discovery deposition; or a copy of the interrogatory with any answer or objection that was made; or a copy of the request for production, any proffer of production or objection to production in response to the request, and a list and brief description of the documents or things that were not produced for inspection and copying. A motion to compel initial disclosures, expert testimony disclosure, or discovery must be supported by a written statement from the moving party that such party or the attorney therefor has made a good faith effort, by conference or correspondence, to resolve with the other party or the attorney therefor the issues presented in the motion but the parties were unable to resolve their differences. If issues raised in the motion are subsequently resolved by agreement of the parties, the moving party should inform the Board in writing of the issues in the motion which no longer require adjudication.

(2) When a party files a motion for an order to compel initial disclosures, expert testimony disclosure, or discovery, the case will be suspended by the Board with respect to all matters not germane to the motion. After the motion is filed and served, no party should file any paper that is not germane to the motion, except as otherwise specified in the Board's suspension order. Nor may any party serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board. The filing of a motion to compel any disclosure or discovery shall not toll the time for a party to comply with any disclosure requirement or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition.

(f) *Motion for a protective order.* Upon motion by a party obligated to make initial disclosures or expert testimony disclosure or from whom discovery is sought, and for good cause, the Trademark Trial and Appeal Board may make any order which justice requires

to protect a party from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the types of orders provided by clauses (1) through (8), inclusive, of Rule 26(c) of the Federal Rules of Civil Procedure. If the motion for a protective order is denied in whole or in part, the Board may, on such conditions (other than an award of expenses to the party prevailing on the motion) as are just, order that any party comply with disclosure obligations or provide or permit discovery.

(g) *Sanctions.* (1) If a party fails to participate in the required discovery conference, or if a party fails to comply with an order of the Trademark Trial and Appeal Board relating to disclosure or discovery, including a protective order, the Board may make any appropriate order, including those provided in Rule 37(b)(2) of the Federal Rules of Civil Procedure, except that the Board will not hold any person in contempt or award expenses to any party. The Board may impose against a party any of the sanctions provided in Rule 37(b)(2) in the event that said party or any attorney, agent, or designated witness of that party fails to comply with a protective order made pursuant to Rule 26(c) of the Federal Rules of Civil Procedure. A motion for sanctions against a party for its failure to participate in the required discovery conference must be filed prior to the deadline for any party to make initial disclosures.

(2) If a party fails to make required initial disclosures or expert testimony disclosure, and such party or the party's attorney or other authorized representative informs the party or parties entitled to receive disclosures that required disclosures will not be made, the Board may make any appropriate order, as specified in paragraph (g)(1) of this section. If a party, or an officer, director, or managing agent of a party, or a person designated under Rule 30(b)(6) or 31(a) of the Federal Rules of Civil Procedure to testify on behalf of a party, fails to attend the party's or person's discovery deposition, after being served with proper notice, or fails to provide any response to a set of interrogatories or to a set of requests for production of documents and

things, and such party or the party's attorney or other authorized representative informs the party seeking discovery that no response will be made thereto, the Board may make any appropriate order, as specified in paragraph (g)(1) of this section.

(h)(1) Any motion by a party to determine the sufficiency of an answer or objection to a request made by that party for an admission must be filed prior to the commencement of the first testimony period, as originally set or as reset. The motion shall include a copy of the request for admission and any exhibits thereto and of the answer or objection. The motion must be supported by a written statement from the moving party that such party or the attorney therefor has made a good faith effort, by conference or correspondence, to resolve with the other party or the attorney therefor the issues presented in the motion and has been unable to reach agreement. If issues raised in the motion are subsequently resolved by agreement of the parties, the moving party should inform the Board in writing of the issues in the motion which no longer require adjudication.

(2) When a party files a motion to determine the sufficiency of an answer or objection to a request for an admission, the case will be suspended by the Board with respect to all matters not germane to the motion. After filing and service of the motion, no party should file any paper that is not germane to the motion, except as otherwise specified in the Board's suspension order. Nor may any party thereafter serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board. The filing of a motion to determine the sufficiency of an answer or objection to a request for admission shall not toll the time for a party to comply with any disclosure requirement or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition.

(i) *Telephone and pretrial conferences.* (1) Whenever it appears to the Trademark Trial and Appeal Board that a stipulation or motion filed in an *inter partes* proceeding is of such nature that its approval or resolution by cor-

respondence is not practical, the Board may, upon its own initiative or upon request made by one or both of the parties, address the stipulation or resolve the motion by telephone conference.

(2) Whenever it appears to the Trademark Trial and Appeal Board that questions or issues arising during the interlocutory phase of an *inter partes* proceeding have become so complex that their resolution by correspondence or telephone conference is not practical and that resolution would likely be facilitated by a conference in person of the parties or their attorneys with an Administrative Trademark Judge or an Interlocutory Attorney of the Board, the Board may, upon its own initiative or upon motion made by one or both of the parties, request that the parties or their attorneys, under circumstances which will not result in undue hardship for any party, meet with the Board at its offices for a disclosure, discovery or pretrial conference.

(j) *Use of discovery deposition, answer to interrogatory, admission or written disclosure.* (1) The discovery deposition of a party or of anyone who at the time of taking the deposition was an officer, director or managing agent of a party, or a person designated by a party pursuant to Rule 30(b)(6) or Rule 31(a) of the Federal Rules of Civil Procedure, may be offered in evidence by an adverse party.

(2) Except as provided in paragraph (j)(1) of this section, the discovery deposition of a witness, whether or not a party, shall not be offered in evidence unless the person whose deposition was taken is, during the testimony period of the party offering the deposition, dead; or out of the United States (unless it appears that the absence of the witness was procured by the party offering the deposition); or unable to testify because of age, illness, infirmity, or imprisonment; or cannot be served with a subpoena to compel attendance at a testimonial deposition; or there is a stipulation by the parties; or upon a showing that such exceptional circumstances exist as to make it desirable, in the interest of justice, to allow the deposition to be used. The use of a discovery deposition by any party under this paragraph will be allowed

only by stipulation of the parties approved by the Trademark Trial and Appeal Board, or by order of the Board on motion, which shall be filed at the time of the purported offer of the deposition in evidence, unless the motion is based upon a claim that such exceptional circumstances exist as to make it desirable, in the interest of justice, to allow the deposition to be used, in which case the motion shall be filed promptly after the circumstances claimed to justify use of the deposition became known.

(3)(i) A discovery deposition, an answer to an interrogatory, an admission to a request for admission, or a written disclosure (but not a disclosed document), which may be offered in evidence under the provisions of paragraph (j) of this section, may be made of record in the case by filing the deposition or any part thereof with any exhibit to the part that is filed, or a copy of the interrogatory and answer thereto with any exhibit made part of the answer, or a copy of the request for admission and any exhibit thereto and the admission (or a statement that the party from which an admission was requested failed to respond thereto), or a copy of the written disclosure, together with a notice of reliance. The notice of reliance and the material submitted thereunder should be filed during the testimony period of the party that files the notice of reliance. An objection made at a discovery deposition by a party answering a question subject to the objection will be considered at final hearing.

(ii) A party that has obtained documents from another party through disclosure or under Rule 34 of the Federal Rules of Civil Procedure may not make the documents of record by notice of reliance alone, except to the extent that they are admissible by notice of reliance under the provisions of §2.122(e).

(4) If only part of a discovery deposition is submitted and made part of the record by a party, an adverse party may introduce under a notice of reliance any other part of the deposition which should in fairness be considered so as to make not misleading what was offered by the submitting party. A notice of reliance filed by an adverse

party must be supported by a written statement explaining why the adverse party needs to rely upon each additional part listed in the adverse party's notice, failing which the Board, in its discretion, may refuse to consider the additional parts.

(5) Written disclosures, an answer to an interrogatory, or an admission to a request for admission, may be submitted and made part of the record only by the receiving or inquiring party except that, if fewer than all of the written disclosures, answers to interrogatories, or fewer than all of the admissions, are offered in evidence by the receiving or inquiring party, the disclosing or responding party may introduce under a notice of reliance any other written disclosures, answers to interrogatories, or any other admissions, which should in fairness be considered so as to make not misleading what was offered by the receiving or inquiring party. The notice of reliance filed by the disclosing or responding party must be supported by a written statement explaining why the disclosing or responding party needs to rely upon each of the additional written disclosures or discovery responses listed in the disclosing or responding party's notice, and absent such statement the Board, in its discretion, may refuse to consider the additional written disclosures or responses.

(6) Paragraph (j) of this section will not be interpreted to preclude reading or use of written disclosures or documents, a discovery deposition, or answer to an interrogatory, or admission as part of the examination or cross-examination of any witness during the testimony period of any party.

(7) When a written disclosure, a discovery deposition, or a part thereof, or an answer to an interrogatory, or an admission, has been made of record by one party in accordance with the provisions of paragraph (j)(3) of this section, it may be referred to by any party for any purpose permitted by the Federal Rules of Evidence.

(8) Written disclosures or disclosed documents, requests for discovery, responses thereto, and materials or depositions obtained through the disclosure or discovery process should not be filed with the Board, except when submitted

with a motion relating to disclosure or discovery, or in support of or in response to a motion for summary judgment, or under a notice of reliance, when permitted, during a party's testimony period.

§2.121 Assignment of times for taking testimony.

(a) The Trademark Trial and Appeal Board will issue a trial order setting a deadline for each party's required pre-trial disclosures and assigning to each party its time for taking testimony. No testimony shall be taken except during the times assigned, unless by stipulation of the parties approved by the Board, or upon motion granted by the Board, or by order of the Board. The deadlines for pre-trial disclosures and the testimony periods may be rescheduled by stipulation of the parties approved by the Board, or upon motion granted by the Board, or by order of the Board. If a motion to reschedule any pre-trial disclosure deadline and/or testimony period is denied, the pre-trial disclosure deadline or testimony period and any subsequent remaining periods may remain as set. The resetting of the closing date for discovery will result in the rescheduling of pre-trial disclosure deadlines and testimony periods without action by any party.

(b)(1) The Trademark Trial and Appeal Board will schedule a testimony period for the plaintiff to present its case in chief, a testimony period for the defendant to present its case and to meet the case of the plaintiff, and a testimony period for the plaintiff to present evidence in rebuttal.

(2) When there is a counterclaim, or when proceedings have been consolidated and one party is in the position of plaintiff in one of the involved proceedings and in the position of defendant in another of the involved proceedings, or when there is an interference or a concurrent use registration proceeding involving more than two parties, the Board will schedule testimony periods so that each party in the position of plaintiff will have a pe-

riod for presenting its case in chief against each party in the position of defendant, each party in the position of defendant will have a period for presenting its case and meeting the case of each plaintiff, and each party in the position of plaintiff will have a period for presenting evidence in rebuttal.

(c) A testimony period which is solely for rebuttal will be set for fifteen days. All other testimony periods will be set for thirty days. The periods may be extended by stipulation of the parties approved by the Trademark Trial and Appeal Board, or upon motion granted by the Board, or by order of the Board. If a motion for an extension is denied, the testimony periods may remain as set.

(d) When parties stipulate to the rescheduling of a deadline for pre-trial disclosures and subsequent testimony periods or to the rescheduling of the closing date for discovery and the rescheduling of subsequent deadlines for pre-trial disclosures and testimony periods, a stipulation presented in the form used in a trial order, signed by the parties, or a motion in said form signed by one party and including a statement that every other party has agreed thereto, shall be submitted to the Board.

(e) A party need not disclose, prior to its testimony period, any notices of reliance it intends to file during its testimony period. However, no later than fifteen days prior to the opening of each testimony period, or on such alternate schedule as may be provided by order of the Board, the party scheduled to present evidence must disclose the name and, if not previously provided, the telephone number and address of each witness from whom it intends to take testimony, or may take testimony if the need arises, general identifying information about the witness, such as relationship to any party, including job title if employed by a party, or, if neither a party nor related to a party, occupation and job title, a general summary or list of subjects on which the witness is expected to testify, and a general summary or list of the types of documents and things which may be introduced as exhibits during the testimony of the witness. Pre-trial disclosure of a witness under

this subsection does not substitute for issuance of a proper notice of examination under §2.123(c) or §2.124(b). If a party does not plan to take testimony from any witnesses, it must so state in its pretrial disclosure. When a party fails to make required pretrial disclosures, any adverse party or parties may have remedy by way of a motion to the Board to delay or reset any subsequent pretrial disclosure deadlines and/or testimony periods.

§2.122 Matters in evidence.

(a) *Rules of evidence.* The rules of evidence for proceedings before the Trademark Trial and Appeal Board are the Federal Rules of Evidence, the relevant provisions of the Federal Rules of Civil Procedure, the relevant provisions of Title 28 of the United States Code, and the provisions of this part of title 37 of the Code of Federal Regulations.

(b) *Application files.* (1) The file of each application or registration specified in a notice of interference, of each application or registration specified in the notice of a concurrent use registration proceeding, of the application against which a notice of opposition is filed, or of each registration against which a petition or counterclaim for cancellation is filed forms part of the record of the proceeding without any action by the parties and reference may be made to the file for any relevant and competent purpose.

(2) The allegation in an application for registration, or in a registration, of a date of use is not evidence on behalf of the applicant or registrant; a date of use of a mark must be established by competent evidence. Specimens in the file of an application for registration, or in the file of a registration, are not evidence on behalf of the applicant or registrant unless identified and introduced in evidence as exhibits during the period for the taking of testimony.

(c) *Exhibits to pleadings.* Except as provided in paragraph (d)(1) of this section, an exhibit attached to a pleading is not evidence on behalf of the party to whose pleading the exhibit is attached unless identified and introduced

in evidence as an exhibit during the period for the taking of testimony.

(d) *Registrations.* (1) A registration of the opposer or petitioner pleaded in an opposition or petition to cancel will be received in evidence and made part of the record if the opposition or petition is accompanied by an original or photocopy of the registration prepared and issued by the United States Patent and Trademark Office showing both the current status of and current title to the registration, or by a current print-out of information from the electronic database records of the USPTO showing the current status and title of the registration. For the cost of a copy of a registration showing status and title, see §2.6(b)(4).

(2) A registration owned by any party to a proceeding may be made of record in the proceeding by that party by appropriate identification and introduction during the taking of testimony or by filing a notice of reliance, which shall be accompanied by a copy (original or photocopy) of the registration prepared and issued by the Patent and Trademark Office showing both the current status of and current title to the registration. The notice of reliance shall be filed during the testimony period of the party that files the notice.

(e) *Printed publications and official records.* Printed publications, such as books and periodicals, available to the general public in libraries or of general circulation among members of the public or that segment of the public which is relevant under an issue in a proceeding, and official records, if the publication of official record is competent evidence and relevant to an issue, may be introduced in evidence by filing a notice of reliance on the material being offered. The notice shall specify the printed publication (including information sufficient to identify the source and the date of the publication) or the official record and the pages to be read; indicate generally the relevance of the material being offered; and be accompanied by the official record or a copy thereof whose authenticity is established under the Federal Rules of Evidence, or by the printed publication or a copy of the relevant portion thereof. A copy of an official record of the Patent and Trademark

Office need not be certified to be offered in evidence. The notice of reliance shall be filed during the testimony period of the party that files the notice.

(f) *Testimony from other proceedings.* By order of the Trademark Trial and Appeal Board, on motion, testimony taken in another proceeding, or testimony taken in a suit or action in a court, between the same parties or those in privity may be used in a proceeding, so far as relevant and material, subject, however, to the right of any adverse party to recall or demand the recall for examination or cross-examination of any witness whose prior testimony has been offered and to rebut the testimony.

§ 2.123 Trial testimony in *inter partes* cases.

(a)(1) The testimony of witnesses in *inter partes* cases may be taken by depositions upon oral examination as provided by this section or by depositions upon written questions as provided by § 2.124. If a party serves notice of the taking of a testimonial deposition upon written questions of a witness who is, or will be at the time of the deposition, present within the United States or any territory which is under the control and jurisdiction of the United States, any adverse party may, within fifteen days from the date of service of the notice, file a motion with the Trademark Trial and Appeal Board, for good cause, for an order that the deposition be taken by oral examination.

(2) A testimonial deposition taken in a foreign country shall be taken by deposition upon written questions as provided by § 2.124, unless the Board, upon motion for good cause, orders that the deposition be taken by oral examination, or the parties so stipulate.

(b) *Stipulations.* If the parties so stipulate in writing, depositions may be taken before any person authorized to administer oaths, at any place, upon any notice, and in any manner, and when so taken may be used like other

depositions. By written agreement of the parties, the testimony of any witness or witnesses of any party, may be submitted in the form of an affidavit by such witness or witnesses. The parties may stipulate in writing what a particular witness would testify to if called, or the facts in the case of any party may be stipulated in writing.

(c) *Notice of examination of witnesses.* Before the depositions of witnesses shall be taken by a party, due notice in writing shall be given to the opposing party or parties, as provided in § 2.119(b), of the time when and place where the depositions will be taken, of the cause or matter in which they are to be used, and the name and address of each witness to be examined; if the name of a witness is not known, a general description sufficient to identify the witness or the particular class or group to which the witness belongs, together with a satisfactory explanation, may be given instead. Depositions may be noticed for any reasonable time and place in the United States. A deposition may not be noticed for a place in a foreign country except as provided in paragraph (a)(2) of this section. No party shall take depositions in more than one place at the same time, nor so nearly at the same time that reasonable opportunity for travel from one place of examination to the other is not available.

(d) *Persons before whom depositions may be taken.* Depositions may be taken before persons designated by Rule 28 of the Federal Rules of Civil Procedure.

(e) *Examination of witnesses.* (1) Each witness before testifying shall be duly sworn according to law by the officer before whom his deposition is to be taken.

(2) The deposition shall be taken in answer to questions, with the questions and answers recorded in their regular order by the officer, or by some other person (who shall be subject to the provisions of Rule 28 of the Federal Rules of Civil Procedure) in the presence of the officer except when the officer's presence is waived on the record by agreement of the parties. The testimony shall be taken stenographically and transcribed, unless the parties present agree otherwise. In the absence

of all opposing parties and their attorneys or other authorized representatives, depositions may be taken in longhand, typewriting, or stenographically. Exhibits which are marked and identified at the deposition will be deemed to have been offered into evidence, without any formal offer thereof, unless the intention of the party marking the exhibits is clearly expressed to the contrary.

(3) Every adverse party shall have full opportunity to cross-examine each witness. If pretrial disclosures or the notice of examination of witnesses served pursuant to paragraph (c) of this section are improper or inadequate with respect to any witness, an adverse party may cross-examine that witness under protest while reserving the right to object to the receipt of the testimony in evidence. Promptly after the testimony is completed, the adverse party, to preserve the objection, shall move to strike the testimony from the record, which motion will be decided on the basis of all the relevant circumstances. A motion to strike the testimony of a witness for lack of proper or adequate pretrial disclosure may seek exclusion of the entire testimony, when there was no pretrial disclosure, or may seek exclusion of that portion of the testimony that was not adequately disclosed in accordance with §2.121(e). A motion to strike the testimony of a witness for lack of proper or adequate notice of examination must request the exclusion of the entire testimony of that witness and not only a part of that testimony.

(4) All objections made at the time of the examination to the qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented, or to the conduct of any party, and any other objection to the proceedings, shall be noted by the officer upon the deposition. Evidence objected to shall be taken subject to the objections.

(5) When the deposition has been transcribed, the deposition shall be carefully read over by the witness or by the officer to him, and shall then be signed by the witness in the presence of any officer authorized to administer oaths unless the reading and the signa-

ture be waived on the record by agreement of all parties.

(f) *Certification and filing of deposition.*

(1) The officer shall annex to the deposition his certificate showing:

(i) Due administration of the oath by the officer to the witness before the commencement of his deposition;

(ii) The name of the person by whom the deposition was taken down, and whether, if not taken down by the officer, it was taken down in his presence;

(iii) The presence or absence of the adverse party;

(iv) The place, day, and hour of commencing and taking the deposition;

(v) The fact that the officer was not disqualified as specified in Rule 28 of the Federal Rules of Civil Procedure.

(2) If any of the foregoing requirements in paragraph (f)(1) of this section are waived, the certificate shall so state. The officer shall sign the certificate and affix thereto his seal of office, if he has such a seal. Unless waived on the record by an agreement, he shall then securely seal in an envelope all the evidence, notices, and paper exhibits, inscribe upon the envelope a certificate giving the number and title of the case, the name of each witness, and the date of sealing. The officer or the party taking the deposition, or its attorney or other authorized representative, shall then promptly forward the package to the address set out in §2.190. If the weight or bulk of an exhibit shall exclude it from the envelope, it shall, unless waived on the record by agreement of all parties, be authenticated by the officer and transmitted by the officer or the party taking the deposition, or its attorney or other authorized representative, in a separate package marked and addressed as provided in this section.

(g) *Form of deposition.* (1) The pages of each deposition must be numbered consecutively, and the name of the witness plainly and conspicuously written at the top of each page. A deposition must be in written form. The questions propounded to each witness must be consecutively numbered unless the pages have numbered lines. Each question must be followed by its answer.

(2) Exhibits must be numbered or lettered consecutively and each must be marked with the number and title of

the case and the name of the party offering the exhibit. Entry and consideration may be refused to improperly marked exhibits.

(3) Each deposition must contain an index of the names of the witnesses, giving the pages where their examination and cross-examination begin, and an index of the exhibits, briefly describing their nature and giving the pages at which they are introduced and offered in evidence.

(h) *Depositions must be filed.* All depositions which are taken must be duly filed in the Patent and Trademark Office. On refusal to file, the Office at its discretion will not further hear or consider the contestant with whom the refusal lies; and the Office may, at its discretion, receive and consider a copy of the withheld deposition, attested by such evidence as is procurable.

(i) *Inspection of depositions.* After the depositions are filed in the Office, they may be inspected by any party to the case, but they cannot be withdrawn for the purpose of printing. They may be printed by someone specially designated by the Office for that purpose, under proper restrictions.

(j) *Effect of errors and irregularities in depositions.* Rule 32(d) (1), (2), and (3) (A) and (B) of the Federal Rules of Civil Procedure shall apply to errors and irregularities in depositions. Notice will not be taken of merely formal or technical objections which shall not appear to have wrought a substantial injury to the party raising them; and in case of such injury it must be made to appear that the objection was raised at the time specified in said rule.

(k) *Objections to admissibility:* Subject to the provisions of paragraph (j) of this section, objection may be made to receiving in evidence any deposition, or part thereof, or any other evidence, for any reason which would require the exclusion of the evidence from consideration. Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony must be raised at the time specified in Rule 32(d)(3)(A) of the Federal Rules of Civil Procedure. Such objections will not be considered until final hearing.

(l) *Evidence not considered.* Evidence not obtained and filed in compliance

with these sections will not be considered.

§ 2.124 Depositions upon written questions.

(a) A deposition upon written questions may be taken before any person before whom depositions may be taken as provided by Rule 28 of the Federal Rules of Civil Procedure.

(b)(1) A party desiring to take a testimonial deposition upon written questions shall serve notice thereof upon each adverse party within ten days from the opening date of the testimony period of the party who serves the notice. The notice shall state the name and address of the witness. A copy of the notice, but not copies of the questions, shall be filed with the Trademark Trial and Appeal Board.

(2) A party desiring to take a discovery deposition upon written questions shall serve notice thereof upon each adverse party and shall file a copy of the notice, but not copies of the questions, with the Board. The notice shall state the name and address, if known, of the person whose deposition is to be taken. If the name of the person is not known, a general description sufficient to identify him or the particular class or group to which he belongs shall be stated in the notice, and the party from whom the discovery deposition is to be taken shall designate one or more persons to be deposed in the same manner as is provided by Rule 30(b)(6) of the Federal Rules of Civil Procedure.

(c) Every notice given under the provisions of paragraph (b) of this section shall be accompanied by the name or descriptive title of the officer before whom the deposition is to be taken.

(d)(1) Every notice served on any adverse party under the provisions of paragraph (b) of this section shall be accompanied by the written questions to be propounded on behalf of the party who proposes to take the deposition. Within twenty days from the date of service of the notice, any adverse party

may serve cross questions upon the party who proposes to take the deposition; any party who serves cross questions shall also serve every other adverse party. Within ten days from the date of service of the cross questions, the party who proposes to take the deposition may serve redirect questions on every adverse party. Within ten days from the date of service of the redirect questions, any party who served cross questions may serve recross questions upon the party who proposes to take the deposition; any party who serves recross questions shall also serve every other adverse party. Written objections to questions may be served on a party propounding questions; any party who objects shall serve a copy of the objections on every other adverse party. In response to objections, substitute questions may be served on the objecting party within ten days of the date of service of the objections; substitute questions shall be served on every other adverse party.

(2) Upon motion for good cause by any party, or upon its own initiative, the Trademark Trial and Appeal Board may extend any of the time periods provided by paragraph (d)(1) of this section. Upon receipt of written notice that one or more testimonial depositions are to be taken upon written questions, the Trademark Trial and Appeal Board shall suspend or reschedule other proceedings in the matter to allow for the orderly completion of the depositions upon written questions.

(e) Within ten days after the last date when questions, objections, or substitute questions may be served, the party who proposes to take the deposition shall mail a copy of the notice and copies of all the questions to the officer designated in the notice; a copy of the notice and of all the questions mailed to the officer shall be served on every adverse party. The officer designated in the notice shall take the testimony of the witness in response to the questions and shall record each answer immediately after the corresponding question. The officer shall then certify the transcript and mail the transcript and exhibits to the party who took the deposition.

(f) The party who took the deposition shall promptly serve a copy of the

transcript, copies of documentary exhibits, and duplicates or photographs of physical exhibits on every adverse party. It is the responsibility of the party who takes the deposition to assure that the transcript is correct (see § 2.125(b)). If the deposition is a discovery deposition, it may be made of record as provided by § 2.120(j). If the deposition is a testimonial deposition, the original, together with copies of documentary exhibits and duplicates or photographs of physical exhibits, shall be filed promptly with the Trademark Trial and Appeal Board.

(g) Objections to questions and answers in depositions upon written questions may be considered at final hearing.

[48 FR 23139, May 23, 1983]

§ 2.125 Filing and service of testimony.

(a) One copy of the transcript of testimony taken in accordance with § 2.123, together with copies of documentary exhibits and duplicates or photographs of physical exhibits, shall be served on each adverse party within thirty days after completion of the taking of that testimony. If the transcript with exhibits is not served on each adverse party within thirty days or within an extension of time for the purpose, any adverse party which was not served may have remedy by way of a motion to the Trademark Trial and Appeal Board to reset such adverse party's testimony and/or briefing periods, as may be appropriate. If the deposing party fails to serve a copy of the transcript with exhibits on an adverse party after having been ordered to do so by the Board, the Board, in its discretion, may strike the deposition, or enter judgment as by default against the deposing party, or take any such other action as may be deemed appropriate.

(b) The party who takes testimony is responsible for having all typographical errors in the transcript and all errors of arrangement, indexing and form of the transcript corrected, on notice to each adverse party, prior to the filing of one certified transcript with the Trademark Trial and Appeal Board. The party who takes testimony is responsible for serving on each adverse

§ 2.126

party one copy of the corrected transcript or, if reasonably feasible, corrected pages to be inserted into the transcript previously served.

(c) One certified transcript and exhibits shall be filed with the Trademark Trial and Appeal Board. Notice of such filing shall be served on each adverse party and a copy of each notice shall be filed with the Board.

(d) Each transcript shall comply with § 2.123(g) with respect to arrangement, indexing and form.

(e) Upon motion by any party, for good cause, the Trademark Trial and Appeal Board may order that any part of a deposition transcript or any exhibits that directly disclose any trade secret or other confidential research, development, or commercial information may be filed under seal and kept confidential under the provisions of § 2.27(e). If any party or any attorney or agent of a party fails to comply with an order made under this paragraph, the Board may impose any of the sanctions authorized by § 2.120(g).

[48 FR 23140, May 23, 1983, as amended at 54 FR 34900, Aug. 22, 1989; 63 FR 48099, Sept. 9, 1998]

§ 2.126 Form of submissions to the Trademark Trial and Appeal Board.

(1) A paper submission must be printed in at least 11-point type and double-spaced, with text on one side only of each sheet;

(2) A paper submission must be 8 to 8.5 inches (20.3 to 21.6 cm.) wide and 11 to 11.69 inches (27.9 to 29.7 cm.) long, and contain no tabs or other such devices extending beyond the edges of the paper;

(3) If a paper submission contains dividers, the dividers must not have any extruding tabs or other devices, and must be on the same size and weight paper as the submission;

(4) A paper submission must not be stapled or bound;

(5) All pages of a paper submission must be numbered and exhibits shall be

(b) Submissions may be made to the Trademark Trial and Appeal Board electronically via the Internet where the rules in this part or Board practice permit, according to the parameters established by the Board and published on the Web site of the Office. Text in an electronic submission must be in at least 11-point type and double-spaced. Exhibits pertaining to an electronic submission must be made electronically as an attachment to the submission.

(c) To be handled as confidential, submissions to the Trademark Trial and Appeal Board that are confidential in whole or part pursuant to § 2.125(e) must be submitted under a separate cover. Both the submission and its cover must be marked confidential and must identify the case number and the parties. A copy of the submission with the confidential portions redacted must be submitted.

[68 FR 55767, Sept. 26, 2003, as amended at 72 FR 42262, Aug. 1, 2007]

§ 2.127 Motions.

(a) Every motion must be submitted in written form and must meet the requirements prescribed in § 2.126. It shall contain a full statement of the grounds, and shall embody or be accompanied by a brief. Except as provided in paragraph (e)(1) of this section, a brief in response to a motion shall be filed within fifteen days from the date of service of the motion unless another time is specified by the Trademark Trial and Appeal Board, or the time is extended by stipulation of the parties approved by the Board, or upon motion granted by the Board, or upon order of the Board. If a motion for an extension is denied, the time for responding to the motion remains as specified under this section, unless otherwise ordered. Except as provided in paragraph (e)(1) of this section, a reply brief, if filed, shall be filed within fifteen days from the date of service of the brief in response to the motion. The time for filing a reply brief will

not be extended. The Board will consider no further papers in support of or in opposition to a motion. Neither the brief in support of a motion nor the brief in response to a motion shall exceed twenty-five pages in length in its entirety, including table of contents, index of cases, description of the record, statement of the issues, recitation of the facts, argument, and summary. A reply brief shall not exceed ten pages in length in its entirety. Exhibits submitted in support of or in opposition to a motion are not considered part of the brief for purposes of determining the length of the brief. When a party fails to file a brief in response to a motion, the Board may treat the motion as conceded. An oral hearing will not be held on a motion except on order by the Board.

(b) Any request for reconsideration or modification of an order or decision issued on a motion must be filed within one month from the date thereof. A brief in response must be filed within 15 days from the date of service of the request.

(c) Interlocutory motions, requests, and other matters not actually or potentially dispositive of a proceeding may be acted upon by a single Administrative Trademark Judge of the Trademark Trial and Appeal Board or by an Interlocutory Attorney of the Board to whom authority so to act has been delegated.

(d) When any party files a motion to dismiss, or a motion for judgment on the pleadings, or a motion for summary judgment, or any other motion which is potentially dispositive of a proceeding, the case will be suspended by the Trademark Trial and Appeal Board with respect to all matters not germane to the motion and no party should file any paper which is not germane to the motion except as otherwise specified in the Board's suspension order. If the case is not disposed of as a result of the motion, proceedings will be resumed pursuant to an order of the Board when the motion is decided.

(e)(1) A party may not file a motion for summary judgment until the party has made its initial disclosures, except for a motion asserting claim or issue preclusion or lack of jurisdiction by the Trademark Trial and Appeal Board.

A motion for summary judgment, if filed, should be filed prior to the commencement of the first testimony period, as originally set or as reset, and the Board, in its discretion, may deny as untimely any motion for summary judgment filed thereafter. A motion under Rule 56(f) of the Federal Rules of Civil Procedure, if filed in response to a motion for summary judgment, shall be filed within thirty days from the date of service of the summary judgment motion. The time for filing a motion under Rule 56(f) will not be extended. If no motion under Rule 56(f) is filed, a brief in response to the motion for summary judgment shall be filed within thirty days from the date of service of the motion unless the time is extended by stipulation of the parties approved by the Board, or upon motion granted by the Board, or upon order of the Board. If a motion for an extension is denied, the time for responding to the motion for summary judgment may remain as specified under this section. A reply brief, if filed, shall be filed within fifteen days from the date of service of the brief in response to the motion. The time for filing a reply brief will not be extended. The Board will consider no further papers in support of or in opposition to a motion for summary judgment.

(2) For purposes of summary judgment only, the Board will consider any of the following, if a copy is provided with the party's brief on the summary judgment motion: written disclosures or disclosed documents, a discovery deposition or any part thereof with any exhibit to the part that is filed, an interrogatory and answer thereto with any exhibit made part of the answer, a request for production and the documents or things produced in response thereto, or a request for admission and any exhibit thereto and the admission (or a statement that the party from which an admission was requested failed to respond thereto).

(f) The Board will not hold any person in contempt, or award attorneys' fees or other expenses to any party.

§ 2.128 Briefs at final hearing.

(a)(1) The brief of the party in the position of plaintiff shall be due not later than sixty days after the date set for the close of rebuttal testimony. The brief of the party in the position of defendant, if filed, shall be due not later than thirty days after the due date of the first brief. A reply brief by the party in the position of plaintiff, if filed, shall be due not later than fifteen days after the due date of the defendant's brief.

(2) When there is a counterclaim, or when proceedings have been consolidated and one party is in the position of plaintiff in one of the involved proceedings and in the position of defendant in another of the involved proceedings, or when there is an interference or a concurrent use registration proceeding involving more than two parties, the Trademark Trial and Appeal Board will set the due dates for the filing of the main brief, and the answering brief, and the rebuttal brief by the parties.

(3) When a party in the position of plaintiff fails to file a main brief, an order may be issued allowing plaintiff until a set time, not less than fifteen days, in which to show cause why the Board should not treat such failure as a concession of the case. If plaintiff fails to file a response to the order, or files a response indicating that he has lost interest in the case, judgment may be entered against plaintiff.

(b) Briefs must be submitted in written form and must meet the requirements prescribed in § 2.126. Each brief shall contain an alphabetical index of cited cases. Without prior leave of the Trademark Trial and Appeal Board, a main brief on the case shall not exceed fifty-five pages in length in its entirety, including the table of contents, index of cases, description of the record, statement of the issues, recitation of the facts, argument, and summary; and a reply brief shall not exceed twenty-five pages in its entirety.

§ 2.129 Oral argument; reconsideration.

(a) If a party desires to have an oral argument at final hearing, the party shall request such argument by a separate notice filed not later than ten days after the due date for the filing of the last reply brief in the proceeding. Oral arguments will be heard by at least three Administrative Trademark Judges of the Trademark Trial and Appeal Board at the time specified in the notice of hearing. If any party appears at the specified time, that party will be heard. If the Board is prevented from hearing the case at the specified time, a new hearing date will be set. Unless otherwise permitted, oral arguments in an *inter partes* case will be limited to thirty minutes for each party. A party in the position of plaintiff may reserve part of the time allowed for oral argument to present a rebuttal argument.

(b) The date or time of a hearing may be reset, so far as is convenient and proper, to meet the wishes of the parties and their attorneys or other authorized representatives.

(c) Any request for rehearing or reconsideration or modification of a decision issued after final hearing must be filed within one month from the date of the decision. A brief in response must be filed within fifteen days from the date of service of the request. The times specified may be extended by order of the Trademark Trial and Appeal Board on motion for good cause.

(d) When a party to an *inter partes* proceeding before the Trademark Trial and Appeal Board cannot prevail without establishing constructive use pursuant to section 7(c) of the Act in an application under section 1(b) of the Act, the Trademark Trial and Appeal Board will enter a judgment in favor of that party, subject to the party's establishment of constructive use. The time for filing an appeal or for commencing a civil action under section 21 of the Act shall run from the date of the entry of the judgment.

§ 2.130 New matter suggested by the trademark examining attorney.

If, while an *inter partes* proceeding involving an application under section 1 or 44 of the Act is pending, facts appear which, in the opinion of the trademark examining attorney, render the mark in the application unregistrable, the facts should be called to the attention of the Trademark Trial and Appeal Board. The Board may suspend the proceeding and refer the application to the trademark examining attorney for an *ex parte* determination of the question of registrability. A copy of the trademark examining attorney's final action will be furnished to the parties to the *inter partes* proceeding following the final determination of registrability by the trademark examining attorney or the Board on appeal. The Board will consider the application for such further *inter partes* action as may be appropriate.

[68 FR 55768, Sept. 26, 2003]

§ 2.131 Remand after decision in *inter partes* proceeding.

If, during an *inter partes* proceeding involving an application under section 1 or 44 of the Act, facts are disclosed which appear to render the mark unregistrable, but such matter has not been tried under the pleadings as filed by the parties or as they might be deemed to be amended under Rule 15(b) of the Federal Rules of Civil Procedure to conform to the evidence, the Trademark Trial and Appeal Board, in lieu of determining the matter in the decision on the proceeding, may remand the application to the trademark examining attorney for reexamination in the event the applicant ultimately prevails in the *inter partes* proceeding. Upon remand, the trademark examining attorney shall reexamine the application in light of the reference by the Board. If, upon reexamination, the trademark examining attorney finally refuses registration to the applicant, an appeal may be taken as provided by §§ 2.141 and 2.142.

[68 FR 55768, Sept. 26, 2003]

§ 2.132 Involuntary dismissal for failure to take testimony.

(a) If the time for taking testimony by any party in the position of plaintiff has expired and that party has not taken testimony or offered any other evidence, any party in the position of defendant may, without waiving the right to offer evidence in the event the motion is denied, move for dismissal on the ground of the failure of the plaintiff to prosecute. The party in the position of plaintiff shall have fifteen days from the date of service of the motion to show cause why judgment should not be rendered against him. In the absence of a showing of good and sufficient cause, judgment may be rendered against the party in the position of plaintiff. If the motion is denied, testimony periods will be reset for the party in the position of defendant and for rebuttal.

(b) If no evidence other than a copy or copies of Patent and Trademark Office records is offered by any party in the position of plaintiff, any party in the position of defendant may, without waiving the right to offer evidence in the event the motion is denied, move for dismissal on the ground that upon the law and the facts the party in the position of plaintiff has shown no right to relief. The party in the position of plaintiff shall have fifteen days from the date of service of the motion to file a brief in response to the motion. The Trademark Trial and Appeal Board may render judgment against the party in the position of plaintiff, or the Board may decline to render judgment until all of the evidence is in the record. If judgment is not rendered, testimony periods will be reset for the party in the position of defendant and for rebuttal.

(c) A motion filed under paragraph (a) or (b) of this section must be filed before the opening of the testimony period of the moving party, except that the Trademark Trial and Appeal Board may in its discretion grant a motion under paragraph (a) even if the motion was filed after the opening of the testimony period of the moving party.

§ 2.133

§ 2.133 Amendment of application or registration during proceedings.

(a) An application subject to an opposition may not be amended in substance nor may a registration subject to a cancellation be amended or disclaimed in part, except with the consent of the other party or parties and the approval of the Trademark Trial and Appeal Board, or upon motion granted by the Board.

(b) If, in an *inter partes* proceeding, the Trademark Trial and Appeal Board finds that a party whose application or registration is the subject of the proceeding is not entitled to registration in the absence of a specified restriction to the application or registration, the Board will allow the party time in which to file a motion that the application or registration be amended to conform to the findings of the Board, failing which judgment will be entered against the party.

(c) Geographic limitations will be considered and determined by the Trademark Trial and Appeal Board only in the context of a concurrent use registration proceeding.

(d) A plaintiff's pleaded registration will not be restricted in the absence of a counterclaim to cancel the registration in whole or in part, except that a counterclaim need not be filed if the registration is the subject of another proceeding between the same parties or anyone in privity therewith.

§ 2.134 Surrender or voluntary cancellation of registration.

(a) After the commencement of a cancellation proceeding, if the respondent applies for cancellation of the involved registration under section 7(e) of the Act of 1946 without the written consent of every adverse party to the proceeding, judgment shall be entered against the respondent. The written consent of an adverse party may be signed by the adverse party or by the adverse party's attorney or other authorized representative.

(b) After the commencement of a cancellation proceeding, if it comes to the attention of the Trademark Trial and Appeal Board that the respondent has permitted his involved registration

to be cancelled under section 8 of the Act of 1946 or has failed to renew his involved registration under section 9 of the Act of 1946, an order may be issued allowing respondent until a set time, not less than fifteen days, in which to show cause why such cancellation or failure to renew should not be deemed to be the equivalent of a cancellation by request of respondent without the consent of the adverse party and should not result in entry of judgment against respondent as provided by paragraph (a) of this section. In the absence of a showing of good and sufficient cause, judgment may be entered against respondent as provided by paragraph (a) of this section.

[48 FR 23141, May 23, 1983, as amended at 54 FR 34900, Aug. 22, 1989; 63 FR 48100, Sept. 9, 1998]

§ 2.135 Abandonment of application or mark.

After the commencement of an opposition, concurrent use, or interference proceeding, if the applicant files a written abandonment of the application or of the mark without the written consent of every adverse party to the proceeding, judgment shall be entered against the applicant. The written consent of an adverse party may be signed by the adverse party or by the adverse party's attorney or other authorized representative.

[54 FR 34900, Aug. 22, 1989]

§ 2.136 Status of application on termination of proceeding.

On termination of a proceeding involving an application, the application, if the judgment is not adverse, returns to the status it had before the institution of the proceedings. If the judgment is adverse to the applicant, the application stands refused without further action and all proceedings thereon are considered terminated.

APPEALS

§ 2.141 Ex parte appeals from action of trademark examining attorney.

(a) An applicant may, upon final refusal by the trademark examining attorney, appeal to the Trademark Trial and Appeal Board upon payment of the

prescribed fee for each class in the application for which an appeal is taken, within six months of the date of issuance of the final action. A second refusal on the same grounds may be considered as final by the applicant for purpose of appeal.

(b) The applicant must pay an appeal fee for each class from which the appeal is taken. If the applicant does not pay an appeal fee for at least one class of goods or services before expiration of the six-month statutory filing period, the application will be abandoned. In a multiple-class application, if an appeal fee is submitted for fewer than all classes, the applicant must specify the class(es) in which the appeal is taken. If the applicant timely submits a fee sufficient to pay for an appeal in at least one class, but insufficient to cover all the classes, and the applicant has not specified the class(es) to which the fee applies, the Board will issue a written notice setting a time limit in which the applicant may either pay the additional fees or specify the class(es) being appealed. If the applicant does not submit the required fee or specify the class(es) being appealed within the set time period, the Board will apply the fee(s) to the class(es) in ascending order, beginning with the lowest numbered class.

[73 FR 67772, Nov. 17, 2008]

§2.142 Time and manner of *ex parte* appeals.

(a) Any appeal filed under the provisions of §2.141 must be filed within six months from the date of the final refusal or the date of the action from which the appeal is taken. An appeal is taken by filing a notice of appeal in written form, as prescribed in §2.126, and paying the appeal fee.

(b)(1) The brief of appellant shall be filed within sixty days from the date of appeal. If the brief is not filed within the time allowed, the appeal may be dismissed. The examiner shall, within sixty days after the brief of appellant is sent to the examiner, file with the Trademark Trial and Appeal Board a written brief answering the brief of appellant and shall mail a copy of the brief to the appellant. The appellant may file a reply brief within twenty

days from the date of mailing of the brief of the examiner.

(2) Briefs must be submitted in written form and must meet the requirements prescribed in §2.126. Each brief shall contain an alphabetical index of cited cases. Without prior leave of the Trademark Trial and Appeal Board, a brief shall not exceed twenty-five pages in length in its entirety, including the table of contents, index of cases, description of the record, statement of the issues, recitation of the facts, argument, and summary.

(c) All requirements made by the examiner and not the subject of appeal shall be complied with prior to the filing of an appeal.

(d) The record in the application should be complete prior to the filing of an appeal. The Trademark Trial and Appeal Board will ordinarily not consider additional evidence filed with the Board by the appellant or by the examiner after the appeal is filed. After an appeal is filed, if the appellant or the examiner desires to introduce additional evidence, the appellant or the examiner may request the Board to suspend the appeal and to remand the application for further examination.

(e)(1) If the appellant desires an oral hearing, a request should be made by a separate notice filed not later than ten days after the due date for a reply brief. Oral argument will be heard by at least three Administrative Trademark Judges of the Trademark Trial and Appeal Board at the time specified in the notice of hearing, which may be reset if the Board is prevented from hearing the argument at the specified time or, so far as is convenient and proper, to meet the wish of the appellant or the appellant's attorney or other authorized representative.

(2) If the appellant requests an oral argument, the examiner who issued the refusal of registration or the requirement from which the appeal is taken, or in lieu thereof another examiner from the same examining division as designated by the supervisory attorney thereof, shall present an oral argument. If no request for an oral hearing is made by the appellant, the appeal will be decided on the record and briefs.

(3) Oral argument will be limited to twenty minutes by the appellant and

ten minutes by the examiner. The appellant may reserve part of the time allowed for oral argument to present a rebuttal argument.

(f)(1) If, during an appeal from a refusal of registration, it appears to the Trademark Trial and Appeal Board that an issue not previously raised may render the mark of the appellant unregistrable, the Board may suspend the appeal and remand the application to the examiner for further examination to be completed within thirty days.

(2) If the further examination does not result in an additional ground for refusal of registration, the examiner shall promptly return the application to the Board, for resumption of the appeal, with a written statement that further examination did not result in an additional ground for refusal of registration.

(3) If the further examination does result in an additional ground for refusal of registration, the examiner and appellant shall proceed as provided by §§ 2.61, 2.62, 2.63 and 2.64. If the ground for refusal is made final, the examiner shall return the application to the Board, which shall thereupon issue an order allowing the appellant sixty days from the date of the order to file a supplemental brief limited to the additional ground for the refusal of registration. If the supplemental brief is not filed by the appellant within the time allowed, the appeal may be dismissed.

(4) If the supplemental brief of the appellant is filed, the examiner shall, within sixty days after the supplemental brief of the appellant is sent to the examiner, file with the Board a written brief answering the supplemental brief of appellant and shall mail a copy of the brief to the appellant. The appellant may file a reply brief within twenty days from the date of mailing of the brief of the examiner.

(5) If an oral hearing on the appeal had been requested prior to the remand of the application but not yet held, an oral hearing will be set and heard as provided in paragraph (e) of this section. If an oral hearing had been held prior to the remand or had not been previously requested by the appellant, an oral hearing may be requested by

the appellant by a separate notice filed not later than ten days after the due date for a reply brief on the additional ground for refusal of registration. If the appellant files a request for an oral hearing, one will be set and heard as provided in paragraph (e) of this section.

(6) If, during an appeal from a refusal of registration, it appears to the examiner that an issue not involved in the appeal may render the mark of the appellant unregistrable, the examiner may, by written request, ask the Board to suspend the appeal and to remand the application to the examiner for further examination. If the request is granted, the examiner and appellant shall proceed as provided by §§ 2.61, 2.62, 2.63 and 2.64. After the additional ground for refusal of registration has been withdrawn or made final, the examiner shall return the application to the Board, which shall resume proceedings in the appeal and take further appropriate action with respect thereto.

(g) An application which has been considered and decided on appeal will not be reopened except for the entry of a disclaimer under section 6 of the Act of 1946 or upon order of the Director, but a petition to the Director to reopen an application will be considered only upon a showing of sufficient cause for consideration of any matter not already adjudicated.

§ 2.144 Reconsideration of decision on *ex parte* appeal.

§ 2.145 Appeal to court and civil action.

(a) *Appeal to U.S. Court of Appeals for the Federal Circuit.* An applicant for registration, or any party to an interference, opposition, or cancellation

proceeding or any party to an application to register as a concurrent user, hereinafter referred to as *inter partes* proceedings, who is dissatisfied with the decision of the Trademark Trial and Appeal Board and any registrant who has filed an affidavit or declaration under section 8 of the Act or who has filed an application for renewal and is dissatisfied with the decision of the Director (§§2.165, 2.184), may appeal to the U.S. Court of Appeals for the Federal Circuit. The appellant must take the following steps in such an appeal:

(1) In the Patent and Trademark Office give written notice of appeal to the Director (see paragraphs (b) and (d) of this section);

(2) In the court, file a copy of the notice of appeal and pay the fee for appeal, as provided by the rules of the Court.

(b) *Notice of appeal.* (1) When an appeal is taken to the U.S. Court of Appeals for the Federal Circuit, the appellant shall give notice thereof in writing to the Director, which notice shall be filed in the Patent and Trademark Office, within the time specified in paragraph (d) of this section. The notice shall specify the party or parties taking the appeal and shall designate the decision or part thereof appealed from.

(2) In *inter partes* proceedings, the notice must be served as provided in §2.119.

(3) Notices of appeal directed to the Director shall be mailed to or served by hand on the General Counsel, according to part 104 of this chapter, with a duplicate copy mailed or served by hand on the Trademark Trial and Appeal Board.

(c) *Civil action.* (1) Any person who may appeal to the U.S. Court of Appeals for the Federal Circuit (paragraph (a) of this section), may have remedy by civil action under section 21(b) of the Act. Such civil action must be commenced within the time specified in paragraph (d) of this section.

(2) Any applicant or registrant in an *ex parte* case who takes an appeal to the U.S. Court of Appeals for the Federal Circuit waives any right to proceed under section 21(b) of the Act.

(3) Any adverse party to an appeal taken to the U.S. Court of Appeals for the Federal Circuit by a defeated party

in an *inter partes* proceeding may file a notice with the Office, addressed to the Office of the General Counsel, according to part 104 of this chapter, within twenty days after the filing of the defeated party's notice of appeal to the court (paragraph (b) of this section), electing to have all further proceedings conducted as provided in section 21(b) of the Act. The notice of election must be served as provided in §2.119.

(4) In order to avoid premature termination of a proceeding, a party who commences a civil action, pursuant to section 21(b) of the Act, must file written notice thereof at the Trademark Trial and Appeal Board.

(d) *Time for appeal or civil action.* (1) The time for filing the notice of appeal to the U.S. Court of Appeals for the Federal Circuit (paragraph (b) of this section), or for commencing a civil action (paragraph (c) of this section), is two months from the date of the decision of the Trademark Trial and Appeal Board or the Director, as the case may be. If a request for rehearing or reconsideration or modification of the decision is filed within the time specified in §2.127(b), 2.129(c) or 2.144, or within any extension of time granted thereunder, the time for filing an appeal or commencing a civil action shall expire two months after action on the request. In *inter partes* cases, the time for filing a cross-action or a notice of a cross-appeal expires

(i) 14 days after service of the notice of appeal or the summons and complaint; or

(ii) Two months from the date of the decision of the Trademark Trial and Appeal Board or the Director, whichever is later.

(2) The times specified in this section in days are calendar days. The times specified herein in months are calendar months except that one day shall be added to any two-month period which includes February 28. If the last day of time specified for an appeal, or commencing a civil action falls on a Saturday, Sunday or Federal holiday in the District of Columbia, the time is extended to the next day which is neither a Saturday, Sunday nor a Federal holiday.

(3) If a party to an *inter partes* proceeding has taken an appeal to the U.S.

Court of Appeals for the Federal Circuit and an adverse party has filed notice under section 21(a)(1) of the Act electing to have all further proceedings conducted under section 21(b) of the Act, the time for filing a civil action thereafter is specified in section 21(a)(1) of the Act. The time for filing a cross-action expires 14 days after service of the summons and complaint.

(e) *Extensions of time to commence judicial review.* The Director may extend the time for filing an appeal or commencing a civil action (1) for good cause shown if requested in writing before the expiration of the period for filing an appeal or commencing a civil action, or (2) upon written request after the expiration of the period for filing an appeal or commencing a civil action upon a showing that the failure to act was the result of excusable neglect.

(3) To invoke the supervisory authority of the Director in appropriate circumstances;

(4) In any case not specifically defined and provided for by this part of title 37 of the Code of Federal Regulations;

(5) In an extraordinary situation, when justice requires and no other party is injured thereby, to request a suspension or waiver of any requirement of the rules not being a requirement of the Act of 1946.

(b) Questions of substance arising during the *ex parte* prosecution of ap-

plications, including, but not limited to, questions arising under sections 2, 3, 4, 5, 6 and 23 of the Act of 1946, are not considered to be appropriate subject matter for petitions to the Director.

(c) Every petition to the Director shall include a statement of the facts relevant to the petition, the points to be reviewed, the action or relief requested, and the fee required by § 2.6. Any brief in support of the petition shall be embodied in or accompany the petition. The petition must be signed by the petitioner, someone with legal authority to bind the petitioner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with the requirements of § 2.193(e)(5). When facts are to be proved on petition, the petitioner must submit proof in the form of affidavits or declarations in accordance with § 2.20, signed by someone with firsthand knowledge of the facts to be proved, and any exhibits.

(d) A petition must be filed within two months of the date of issuance of the action from which relief is requested, unless a different deadline is specified elsewhere in this chapter.

(e)(1) A petition from the grant or denial of a request for an extension of time to file a notice of opposition must be filed within fifteen days from the date of issuance of the grant or denial of the request. A petition from the grant of a request must be served on the attorney or other authorized representative of the potential opposer, if any, or on the potential opposer. A petition from the denial of a request must be served on the attorney or other authorized representative of the applicant, if any, or on the applicant. Proof of service of the petition must be made as provided by § 2.119. The potential opposer or the applicant, as the case may be, may file a response within fifteen days from the date of service of the petition and must serve a copy of the response on the petitioner, with proof of service as provided by § 2.119. No further document relating to the petition may be filed.

(2) A petition from an interlocutory order of the Trademark Trial and Appeal Board must be filed within thirty

days after the date of issuance of the order from which relief is requested. Any brief in response to the petition must be filed, with any supporting exhibits, within fifteen days from the date of service of the petition. Petitions and responses to petitions, and any documents accompanying a petition or response under this subsection must be served on every adverse party pursuant to §2.119.

(f) An oral hearing will not be held on a petition except when considered necessary by the Director.

(g) The mere filing of a petition to the Director will not act as a stay in any appeal or *inter partes* proceeding that is pending before the Trademark Trial and Appeal Board nor stay the period for replying to an Office action in an application except when a stay is specifically requested and is granted or when §§2.63(b) and 2.65 are applicable to an *ex parte* application.

(h) Authority to act on petitions, or on any petition, may be delegated by the Director.

(i) Where a petitioner seeks to reactivate an application or registration that was abandoned, cancelled or expired because documents were lost or mishandled, the Director may deny the petition if the petitioner was not diligent in checking the status of the application or registration. To be considered diligent, a petitioner must:

(1) During the pendency of an application, check the status of the application every six months between the filing date of the application and issuance of a registration;

(2) After registration, check the status of the registration every six months from the filing of an affidavit of use or excusable nonuse under section 8 or 71 of the Act, or a renewal application under section 9 of the Act, until the petitioner receives notice that the affidavit or renewal application has been accepted; and

(3) If the status check reveals that the Office has not received a document filed by the petitioner, or that the Office has issued an action or notice that the petitioner has not received, the petitioner must promptly request corrective action.

(j) If the Director denies a petition, the petitioner may request reconsideration, if the petitioner:

(1) Files the request within two months of the date of issuance of the decision denying the petition; and

(2) Pays a second petition fee under §2.6.

A complete affidavit or declaration under section 8 of the Act must:

(a) Be filed by the owner within the period set forth in §2.160(a);

(b) Include a statement that is signed and verified (sworn to) or supported by a declaration under §2.20 by a person properly authorized to sign on behalf of the owner under §2.193(e)(1), attesting to the use or excusable nonuse of the mark within the period set forth in section 8 of the Act. The verified statement must be executed on or after the beginning of the filing period specified in §2.160(a).

(c) Include the registration number;

(d)(1) Include the fee required by § 2.6 for each class of goods or services that the affidavit or declaration covers;

(2) If the affidavit or declaration is filed during the grace period under section 8(a)(3) of the Act, include the grace period surcharge per class required by § 2.6;

(3) If at least one fee is submitted for a multi-class registration, but the class(es) to which the fee(s) should be applied are not specified, the Office will issue a notice requiring either the submission of additional fee(s) or an indication of the class(es) to which the original fee(s) should be applied. Additional fee(s) may be submitted if the requirements of § 2.164 are met. If the required fee(s) are not submitted and the class(es) to which the original fee(s) should be applied are not specified, the Office will presume that the fee(s) cover the classes in ascending order, beginning with the lowest numbered class;

(e)(1) Specify the goods or services for which the mark is in use in commerce, and/or the goods or services for which excusable nonuse is claimed under § 2.161(f)(2);

(2) If the affidavit or declaration covers less than all the goods or services, or less than all the classes in the registration, specify the goods or services being deleted from the registration;

(f)(1) State that the registered mark is in use in commerce on or in connection with the goods or services in the registration; or

(2) If the registered mark is not in use in commerce on or in connection with all the goods or services in the registration, set forth the date when use of the mark in commerce stopped and the approximate date when use is expected to resume; and recite facts to show that nonuse as to those goods or services is due to special circumstances that excuse the nonuse and is not due to an intention to abandon the mark;

(g) Include one specimen showing current use of the mark for each class of goods or services, unless excusable nonuse is claimed under § 2.161(f)(2). When requested by the Office, additional specimens must be provided. The specimen must:

(1) Show the mark as actually used on or in connection with the goods or in the sale or advertising of the services. A photocopy or other reproduction of the specimen showing the mark as actually used is acceptable. However, a photocopy that merely reproduces the registration certificate is not a proper specimen;

(2) Be flat and no larger than 8.5 inches (21.6 cm.) wide by 11.69 inches (29.7 cm.) long. If a specimen exceeds these size requirements (a “bulky specimen”), the Office will create a facsimile of the specimen that meets the requirements of the rule (*i.e.*, is flat and no larger than 8.5 inches (21.6 cm.) wide by 11.69 inches (29.7 cm.) long) and put it in the record. In the absence of non-bulky alternatives, the Office may accept an audio or video cassette tape recording, CD-ROM, or a specimen in another appropriate medium.

(3) Be a digitized image in .jpg or .pdf format, if transmitted through TEAS.

(h) The Office may require the owner to furnish such information, exhibits, affidavits or declarations, and such additional specimens:

(1) As may be reasonably necessary to the proper examination of the affidavit or declaration under section 8 of the Act; or

(2) For the Office to assess the accuracy and integrity of the register.

(3) The provisions of paragraph (h)(2) of this section will no longer be applied after June 21, 2014.

(c) If no response is filed within this time period, the registration will be cancelled, unless time remains in the grace period under section 8(a)(3) of the Act. If time remains in the grace period, the owner may file a complete, new affidavit.

(b) If the examiner maintains the refusal of the affidavit or declaration, the owner may file a petition to the Director to review the action. The petition must be filed within six months of the date of issuance of the action maintaining the refusal, or the Office will cancel the registration and issue a notice of the cancellation.

CORRECTION, DISCLAIMER, SURRENDER,
ETC.

§2.171 New certificate on change of ownership.

(a) *Full change of ownership.* If the ownership of a registered mark changes, the new owner may request that a new certificate of registration be issued in the name of the new owner. The assignment or other document changing title must be recorded in the Office. The request for the new certificate must include the fee required by §2.6(a)(8) and be signed by the owner of the registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under §11.14 of this chapter. In a registered extension of protection, the assignment

§ 2.172

must be recorded with the International Bureau of the World Intellectual Property Organization before it can be recorded in the Office (see § 7.22).

(b) *Partial change of ownership.* (1) In a registration resulting from an application based on section 1 or section 44 of the Act, if ownership of a registration has changed with respect to some but not all of the goods and/or services, the owner(s) may file a request that the registration be divided into two or more separate registrations. The assignment or other document changing title must be recorded in the Office. The request to divide must include the fee required by § 2.6(a)(8) for each new registration created by the division, and be signed by the owner of the registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with § 2.193(e)(2) of this chapter.

(2)(i) When the International Bureau of the World Intellectual Property Organization notifies the Office that an international registration has been divided as the result of a change of ownership with respect to some but not all of the goods or services, the Office will construe the International Bureau's notice as a request to divide. The Office will record the partial change of ownership in the Assignment Services Branch, and divide out the assigned goods/services from the registered extension of protection (parent registration), issue an updated certificate for the parent registration, and publish notice of the parent registration in the *Official Gazette*.

(ii) The Office will create a new registration number for the child registration, and enter the information about the new registration in its automated records. The Office will notify the new owner that the new owner must pay the fee required by § 2.6 to obtain a new registration certificate for the child registration. It is not necessary for the new owner to file a separate request to divide.

(iii) The Office will not divide a registered extension of protection unless the International Bureau notifies the

37 CFR Ch. I (7–1–13 Edition)

Office that the international registration has been divided.

§ 2.172 Surrender for cancellation.

Upon application by the owner, the Director may permit any registration to be surrendered for cancellation. The application for surrender must be signed by the owner of the registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter. When a registration has more than one class, one or more entire class(es) but fewer than the total number of classes may be surrendered. Deletion of fewer than all the goods or services in a single class constitutes amendment of the registration as to that class (see § 2.173), not surrender.

[74 FR 54910, Oct. 26, 2009]

§ 2.173 Amendment of registration.

(a) *Form of amendment.* The owner of a registration may apply to amend a registration or to disclaim part of the mark in the registration. The owner must submit a written request specifying the amendment or disclaimer. If the registration is involved in an *inter partes* proceeding before the Trademark Trial and Appeal Board, the request must be filed by appropriate motion to the Board.

(b) *Requirements for request.* A request for amendment or disclaimer must:

(1) Include the fee required by § 2.6;

(2) Be signed by the owner of the registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner who meets the requirements of § 11.14, and verified or supported by a declaration under § 2.20; and

(3) If the amendment involves a change in the mark: one new specimen per class showing the mark as used on or in connection with the goods or services; an affidavit or declaration under § 2.20 stating that the specimen was in use in commerce at least as

early as the filing date of the amendment; and a new drawing of the amended mark. When requested by the Office, additional specimens must be provided.

(4) The Office may require the owner to furnish such specimens, information, exhibits, and affidavits or declarations as may be reasonably necessary to the proper examination of the amendment.

(c) *Registration must still contain registrable matter.* The registration as amended must still contain registrable matter, and the mark as amended must be registrable as a whole.

(d) *Amendment may not materially alter the mark.* An amendment or disclaimer must not materially alter the character of the mark.

(e) *Amendment of identification of goods.* No amendment in the identification of goods or services in a registration will be permitted except to restrict the identification or to change it in ways that would not require republication of the mark.

(f) *Conforming amendments may be required.* If the registration includes a disclaimer, description of the mark, or other miscellaneous statement, any request to amend the registration must include a request to make any necessary conforming amendments to the disclaimer, description, or other statement.

(g) *Elimination of disclaimer.* No amendment seeking the elimination of a disclaimer will be permitted, unless deletion of the disclaimed portion of the mark is also sought.

Whenever Office records clearly disclose a material mistake in a registration, incurred through the fault of the Office, the Office will issue a certificate of correction stating the fact and nature of the mistake, signed by the Director or by an employee designated by the Director, without charge. Thereafter, the corrected certificate shall have the same effect as if it had been originally issued in the corrected form. In the discretion of the Director, the

In the discretion of the Director, the Office may issue a new certificate upon payment of the required fee, provided that the correction does not involve such changes in the registration as to require republication of the mark.

(b) An application for such action must:

(1) Include the following:

(i) Specification of the mistake for which correction is sought;

(ii) Description of the manner in which it arose; and

(iii) A showing that it occurred in good faith;

(2) Be signed by the owner of the registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner who meets the requirements of §11.14 of this chapter, and verified or include a declaration in accordance with §2.20; and

(3) Be accompanied by the required fee.

§2.192 Business to be conducted with decorum and courtesy.

Trademark applicants, registrants, and parties to proceedings before the Trademark Trial and Appeal Board and their attorneys or agents are required to conduct their business with decorum and courtesy. Documents presented in violation of this requirement will be submitted to the Director and will be returned by the Director's direct order. Complaints against trademark examining attorneys and other employees must be made in correspondence separate from other documents.

§2.193 Trademark correspondence and signature requirements.

(a) *Signature required.* Each piece of correspondence that requires a signature must bear:

(1) A handwritten signature personally signed in permanent ink by the person named as the signatory, or a true copy thereof; or

(2) An electronic signature that meets the requirements of paragraph (c) of this section, personally entered by the person named as the signatory. The Office will accept an electronic signature that meets the requirements of paragraph (c) of this section on correspondence filed on paper, by facsimile transmission (§2.195(c)), or through TEAS or ESTTA.

(b) *Copy of original signature.* If a copy, such as a photocopy or facsimile copy of an original signature is filed, the filer should retain the original as evidence of authenticity. If a question of authenticity arises, the Office may require submission of the original.

(c) *Requirements for electronic signature.* A person signing a document electronically must:

(1) Personally enter any combination of letters, numbers, spaces and/or punctuation marks that he or she has adopted as a signature, placed between two forward slash (“/”) symbols in the signature block on the electronic submission; or

(2) Sign the verified statement using some other form of electronic signature specified by the Director.

(d) *Signatory must be identified.* The name of the person who signs a document in connection with a trademark application, registration, or proceeding before the Trademark Trial and Appeal Board must be set forth in printed or typed form immediately below or adjacent to the signature, or identified elsewhere in the filing (e.g., in a cover letter or other document that accompanies the filing).

(e) *Proper person to sign.* Documents filed in connection with a trademark application or registration must be signed by a proper person. Unless otherwise specified by law, the following requirements apply:

(1) *Verification of facts.* A verification in support of an application for registration, amendment to an application for registration, allegation of use under §2.76 or §2.88, request for extension of time to file a statement of use under §2.89, or an affidavit under section 8, 12(c), 15, or 71 of the Trademark Act must be sworn to or supported by a declaration under §2.20, signed by the owner or a person properly authorized to sign on behalf of the owner. A person who is properly authorized to verify facts on behalf of an owner is:

(i) A person with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership);

(ii) A person with firsthand knowledge of the facts and actual or implied authority to act on behalf of the owner; or

(iii) An attorney as defined in §11.1 of this chapter who has an actual written or verbal power of attorney or an implied power of attorney from the owner.

(2) *Responses, amendments to applications, requests for express abandonment, requests for reconsideration of final actions, and requests to divide.* Responses to Office actions, amendments to applications, requests for express abandonment, requests for reconsideration of final actions, and requests to divide must be signed by the owner of the application or registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under §11.14 of this chapter, in accordance with the following guidelines:

(i) If the owner is represented by a practitioner qualified to practice before the Office under §11.14 of this chapter, the practitioner must sign, except where the owner is required to sign the correspondence; or

(ii) If the owner is not represented by a practitioner qualified to practice under §11.14 of this chapter, the individual owner or someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership) must sign. In the case of joint owners who are not represented by a qualified practitioner, all must sign.

(3) *Powers of attorney and revocations of powers of attorney.* Powers of attorney and revocations of powers of attorney must be signed by the individual applicant, registrant or party to a proceeding pending before the Office, or by someone with legal authority to bind the applicant, registrant, or party (e.g., a corporate officer or general partner of a partnership). In the case of joint applicants, registrants, or parties, all must sign. Once the applicant, registrant or party has designated a qualified practitioner(s), the named practitioner may sign an associate power of attorney appointing another qualified practitioner(s) as an additional person(s) authorized to prosecute the application or registration. If the applicant, registrant, or party revokes the original power of attorney, the revocation discharges any associate power signed by the practitioner whose power has been revoked. If the practitioner who signed an associate power withdraws, the withdrawal discharges any associate power signed by the withdrawing practitioner upon acceptance of the request for withdrawal by the Office.

(4) *Petitions to revive under §2.66.* A petition to revive under §2.66 must be signed by someone with firsthand knowledge of the facts regarding unintentional delay.

(5) *Petitions to Director under §2.146.* A petition to the Director under §2.146 must be signed by the petitioner, someone with legal authority to bind the petitioner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under

§11.14 of this chapter, in accordance with the following guidelines:

(i) If the petitioner is represented by a practitioner qualified to practice before the Office under §11.14 of this chapter, the practitioner must sign; or

(ii) If the petitioner is not represented by a practitioner authorized to practice before the Office under §11.14 of this chapter, the individual petitioner or someone with legal authority to bind the petitioner (e.g., a corporate officer or general partner of a partnership) must sign. In the case of joint petitioners, all must sign.

(6) *Requests for correction, amendment or surrender of registrations.* A request for correction, amendment or surrender of a registration must be signed by the owner of the registration, someone with legal authority to bind the owner (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice before the Office under §11.14 of this chapter. In the case of joint owners who are not represented by a qualified practitioner, all must sign.

(7) *Renewal applications.* A renewal application must be signed by the registrant or the registrant's representative.

(8) *Designations and revocations of domestic representative.* A designation or revocation of a domestic representative must be signed by the applicant or registrant, someone with legal authority to bind the applicant or registrant (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under §11.14 of this chapter. In the case of joint applicants or registrants, all must sign.

(9) *Requests to change correspondence address in an application or registration.* A notice of change of correspondence address in an application or registration must be signed by the applicant or registrant, someone with legal authority to bind the applicant or registrant (e.g., a corporate officer or general partner of a partnership), or a practitioner qualified to practice under §11.14 of this chapter, in accordance with the following guidelines:

(i) If the applicant or registrant is represented by a practitioner qualified to practice before the Office under

§11.14 of this chapter, the practitioner must sign; or

(ii) If the applicant or registrant is not represented by a practitioner qualified to practice before the Office under §11.14, the individual applicant or registrant or someone with legal authority to bind the applicant or registrant (e.g., a corporate officer or general partner of a partnership) must sign. In the case of joint applicants or joint registrants, all must sign.

(10) *Cover letters.* A person transmitting paper documents to the Office may sign a cover letter or transmittal letter. The Office neither requires cover letters nor questions the authority of a person who signs a communication that merely transmits paper documents.

(f) *Signature as certification.* The presentation to the Office (whether by signing, filing, submitting, or later advocating) of any document by any person, whether a practitioner or non-practitioner, constitutes a certification under §11.18(b) of this chapter. Violations of §11.18(b) of this chapter may jeopardize the validity of the application or registration, and may result in the imposition of sanctions under §11.18(c) of this chapter. Any practitioner violating §11.18(b) of this chapter may also be subject to disciplinary action. See §§10.23(c)(15) and 11.18(d) of this chapter.

(g) *Separate copies for separate files.* (1) Since each file must be complete in itself, a separate copy of every document to be filed in connection with a trademark application, registration, or *inter partes* proceeding must be furnished for each file to which the document pertains, even though the contents of the documents filed in multiple files may be identical.

(2) Parties should not file duplicate copies of correspondence in a single application, registration, or proceeding file, unless the Office requires the filing of duplicate copies. The Office may dispose of duplicate copies of correspondence.

(h) *Separate documents for separate branches of the Office.* Since different branches or sections of the Office may consider different matters, each distinct subject, inquiry or order must be contained in a separate document to

avoid confusion and delay in answering correspondence.

(i) *Certified documents required by statute.* When a statute requires that a document be certified, a copy or facsimile transmission of the certification is not acceptable.

[74 FR 54910, Oct. 26, 2009]

§ 2.194 Identification of trademark application or registration.

(a) No correspondence relating to a trademark application should be filed prior to receipt of the application serial number.

(b) (1) A letter about a trademark application should identify the serial number, the name of the applicant, and the mark.

(2) A letter about a registered trademark should identify the registration number, the name of the registrant, and the mark.

§ 2.195 Receipt of trademark correspondence.

(a) *Date of receipt and Express Mail date of deposit.* Trademark correspondence received in the Office is given a filing date as of the date of receipt except as follows:

(1) The Office is not open for the filing of correspondence on any day that is a Saturday, Sunday, or Federal holiday within the District of Columbia. Except for correspondence transmitted electronically under paragraph (a)(2) of this section or transmitted by facsimile under paragraph (a)(3) of this section, no correspondence is received in the Office on Saturdays, Sundays, or Federal holidays within the District of Columbia.

(2) Trademark-related correspondence transmitted electronically will be given a filing date as of the date on which the Office receives the transmission.

(3) Correspondence transmitted by facsimile will be given a filing date as of the date on which the complete transmission is received in the Office unless that date is a Saturday, Sunday, or Federal holiday within the District of Columbia, in which case the filing date will be the next succeeding day that is not a Saturday, Sunday, or Federal holiday within the District of Columbia.

(4) Correspondence filed in accordance with § 2.198 will be given a filing date as of the date of deposit as “Express Mail” with the United States Postal Service.

(b) *Correspondence delivered by hand.* Correspondence may be delivered by hand during hours the Office is open to receive correspondence.

(c) *Facsimile transmission.* Except in the cases enumerated in paragraph (d) of this section, correspondence, including authorizations to charge a deposit account, may be transmitted by facsimile. The receipt date accorded to the correspondence will be the date on which the complete transmission is received in the Office, unless that date is a Saturday, Sunday, or Federal holiday within the District of Columbia. See § 2.196. To facilitate proper processing, each transmission session should be limited to correspondence to be filed in a single application, registration or proceeding before the Office. The application serial number, registration number, or proceeding number should be entered as a part of the sender’s identification on a facsimile cover sheet.

(d) Facsimile transmissions are not permitted and if submitted, will not be accorded a date of receipt, in the following situations:

(1) Applications for registration of marks;

(2) Drawings submitted under § 2.51, § 2.52, § 2.72, or § 2.173;

(3) Correspondence to be filed with the Trademark Trial and Appeal Board, except notices of *ex parte* appeal;

(4) Requests for cancellation or amendment of a registration under section 7(e) of the Trademark Act; and certificates of registration surrendered for cancellation or amendment under section 7(e) of the Trademark Act; and

(5) Madrid-related correspondence submitted under § 7.11, § 7.21, § 7.14, § 7.23, § 7.24, or § 7.31 of this title.

(e) *Interruptions in U.S. Postal Service.*
 (1) If the Director designates a postal service interruption or emergency within the meaning of 35 U.S.C. 21(a), any person attempting to file correspondence by “Express Mail Post Office to Addressee” service who was unable to deposit the correspondence with the United States Postal Service due to

§ 2.196

37 CFR Ch. I (7-1-13 Edition)

the interruption or emergency may petition the Director to consider such correspondence as filed on a particular date in the Office.

(2) The petition must:

(i) Be filed promptly after the ending of the designated interruption or emergency;

(ii) Include the original correspondence or a copy of the original correspondence; and

(iii) Include a statement that the correspondence would have been deposited with the United States Postal Service on the requested filing date but for the designated interruption or emergency in "Express Mail" service; and that the correspondence attached to the petition is the original correspondence or a true copy of the correspondence originally attempted to be deposited as Express Mail on the requested filing date.

(3) Paragraphs (e)(1) and (e)(2) of this section do not apply to correspondence that is excluded from the Express Mail procedure pursuant to § 2.198(a)(1).

[68 FR 48289, Aug. 13, 2003, as amended at 69 FR 57185, Sept. 24, 2004; 73 FR 67775, Nov. 17, 2008]

§ 2.196 Times for taking action: Expiration on Saturday, Sunday or Federal holiday.

Whenever periods of time are specified in this part in days, calendar days are intended. When the day, or the last day fixed by statute or by regulation under this part for taking any action or paying any fee in the Office falls on a Saturday, Sunday, or Federal holiday within the District of Columbia, the action may be taken, or the fee paid, on the next succeeding day that is not a Saturday, Sunday, or a Federal holiday.

§ 2.197 Certificate of mailing or transmission.

(a) Except in the cases enumerated in paragraph (a)(2) of this section, correspondence required to be filed in the Office within a set period of time will be considered as being timely filed if the procedure described in this section is followed. The actual date of receipt will be used for all other purposes.

(1) Correspondence will be considered as being timely filed if:

(i) The correspondence is mailed or transmitted prior to expiration of the set period of time by being:

(A) Addressed as set out in § 2.190 and deposited with the U.S. Postal Service with sufficient postage as first class mail; or

(B) Transmitted by facsimile to the Office in accordance with § 2.195(c); and

(ii) The correspondence includes a certificate for each piece of correspondence stating the date of deposit or transmission. The person signing the certificate should have a reasonable basis to expect that the correspondence would be mailed or transmitted on or before the date indicated.

(2) The procedure described in paragraph (a)(1) of this section does not apply to:

(i) Applications for the registration of marks under 15 U.S.C. 1051 or 1126; and

(ii) Madrid-related correspondence filed under § 7.11, § 7.21, § 7.14, § 7.23, § 7.24 or § 7.31 of this title.

(b) In the event that correspondence is considered timely filed by being mailed or transmitted in accordance with paragraph (a) of this section, but not received in the Office, and an application is abandoned, a registration is cancelled or expired, or a proceeding is dismissed, terminated, or decided with prejudice, the correspondence will be considered timely if the party who forwarded such correspondence:

(1) Informs the Office of the previous mailing or transmission of the correspondence within two months after becoming aware that the Office has no evidence of receipt of the correspondence;

(2) Supplies an additional copy of the previously mailed or transmitted correspondence and certificate; and

(3) Includes a statement that attests on a personal knowledge basis or to the satisfaction of the Director to the previous timely mailing or transmission. If the correspondence was sent by facsimile transmission, a copy of the sending unit's report confirming transmission may be used to support this statement.

(c) The Office may require additional evidence to determine whether the correspondence was timely filed.

[68 FR 48289, Aug. 13, 2003, as amended at 69 FR 57185, Sept. 24, 2004]

§ 2.198 Filing of correspondence by “Express Mail.”

(a)(1) Except for documents listed in paragraphs (a)(1)(i) through (vii) of this section, any correspondence received by the Office that was delivered by the “Express Mail Post Office to Addressee” service of the United States Postal Service (USPS) will be considered filed with the Office on the date of deposit with the USPS. The Express Mail procedure does not apply to:

- (i) Applications for registration of marks;
- (ii) Amendments to allege use under section 1(c) of the Act;
- (iii) Statements of use under section 1(d) of the Act;
- (iv) Requests for extension of time to file a statement of use under section 1(d) of the Act;
- (v) Affidavits of continued use under section 8 of the Act;
- (vi) Renewal requests under section 9 of the Act; and
- (vii) Requests to change or correct addresses.

(2) The date of deposit with USPS is shown by the “date in” on the “Express Mail” label or other official USPS notation. If the USPS deposit date cannot be determined, the correspondence will be accorded the date of receipt in the Office as the filing date.

(b) Correspondence should be deposited directly with an employee of the USPS to ensure that the person depositing the correspondence receives a legible copy of the “Express Mail” mailing label with the “date-in” clearly marked. Persons dealing indirectly with the employees of the USPS (such as by deposit in an “Express Mail” drop box) do so at the risk of not receiving a copy of the “Express Mail” mailing label with the desired “date-in” clearly marked. The paper(s) or fee(s) that constitute the correspondence should also include the “Express Mail” mailing label number thereon. See paragraphs (c), (d) and (e) of this section.

(c) Any person filing correspondence under this section that was received by the Office and delivered by the “Express Mail Post Office to Addressee” service of the USPS, who can show that there is a discrepancy between the filing date accorded by the Office to the correspondence and the date of deposit as shown by the “date-in” on the “Express Mail” mailing label or other official USPS notation, may petition the Director to accord the correspondence a filing date as of the “date-in” on the “Express Mail” mailing label or other official USPS notation, provided that:

(1) The petition is filed within two months after the person becomes aware that the Office has accorded, or will accord, a filing date other than the USPS deposit date;

(2) The number of the “Express Mail” mailing label was placed on the paper(s) or fee(s) that constitute the correspondence prior to the original mailing; and

(3) The petition includes a true copy of the “Express Mail” mailing label showing the “date-in,” and of any other official notation by the USPS relied upon to show the date of deposit.

(d) Any person filing correspondence under this section that was received by the Office and delivered by the “Express Mail Post Office to Addressee” service of the USPS, who can show that the “date-in” on the “Express Mail” mailing label or other official notation entered by the USPS was incorrectly entered or omitted by the USPS, may petition the Director to accord the correspondence a filing date as of the date the correspondence is shown to have been deposited with the USPS, provided that:

(1) The petition is filed within two months after the person becomes aware that the Office has accorded, or will accord, a filing date based upon an incorrect entry by the USPS;

(2) The number of the “Express Mail” mailing label was placed on the paper(s) or fee(s) prior to the original mailing; and

(3) The petition includes a showing that establishes, to the satisfaction of the Director, that the correspondence was deposited in the “Express Mail Post Office to Addressee” service prior

§ 2.200

37 CFR Ch. I (7–1–13 Edition)

to the last scheduled pickup on the requested filing date. Any showing pursuant to this paragraph must be corroborated by evidence from the USPS or evidence that came into being within one business day after the deposit of the correspondence in the “Express Mail Post Office to Addressee” service of the USPS.

(e) If correspondence is properly addressed to the Office pursuant to § 2.190 and deposited with sufficient postage in the “Express Mail Post Office to Addressee” service of the USPS, but not received by the Office, the party who mailed the correspondence may petition the Director to consider such correspondence filed in the Office on the USPS deposit date, provided that:

(1) The petition is filed within two months after the person becomes aware that the Office has no evidence of receipt of the correspondence;

(2) The number of the “Express Mail” mailing label was placed on the paper(s) or fee(s) prior to the original mailing;

(3) The petition includes a copy of the originally deposited paper(s) or fee(s) showing the number of the “Express Mail” mailing label thereon, a copy of any returned postcard receipt, a copy of the “Express Mail” mailing label showing the “date-in,” a copy of any other official notation by the USPS relied upon to show the date of deposit, and, if the requested filing date is a date other than the “date-in” on the “Express Mail” mailing label or other official notation entered by the USPS, a showing pursuant to paragraph (d)(3) of this section that the correspondence was deposited in the “Express Mail Post Office to Addressee” service prior to the last scheduled pickup on the requested filing date; and

(4) The petition includes a statement that establishes, to the satisfaction of the Director, the original deposit of the correspondence and that the copies of the correspondence, the copy of the “Express Mail” mailing label, the copy of any returned postcard receipt, and any official notation entered by the USPS are true copies of the originally mailed correspondence, original “Express Mail” mailing label, returned

postcard receipt, and official notation entered by the USPS.

(f) The Office may require additional evidence to determine whether the correspondence was deposited as “Express Mail” with the USPS on the date in question.

TRADEMARK RECORDS AND FILES OF THE PATENT AND TRADEMARK OFFICE

SOURCE: 68 FR 48292, Aug. 13, 2003, unless otherwise noted.

§ 2.200 Assignment records open to public inspection.

(a)(1) Separate assignment records are maintained in the Office for patents and trademarks. The assignment records relating to trademark applications and registrations (for assignments recorded on or after January 1, 1955) are open to public inspection at the Office, and copies of those assignment records may be obtained upon request and payment of the fee set forth in § 2.6 of this chapter.

(2) All records of trademark assignments recorded before January 1, 1955, are maintained by the National Archives and Records Administration (NARA). The records are open to public inspection. Certified and uncertified copies of those assignment records are provided by NARA upon request and payment of the fees required by NARA.

(b) An order for a copy of an assignment or other document should identify the reel and frame number where the assignment or document is recorded. If a document is identified without specifying its correct reel and frame, an extra charge as set forth in § 2.6(b)(10) will be made for the time consumed in making a search for such assignment.

§ 2.201 Copies and certified copies.

(a) Non-certified copies of trademark registrations and of any trademark records or trademark documents within the jurisdiction of the Office and open to the public, will be furnished by the Office to any person entitled thereto, upon payment of the appropriate fee required by § 2.6.

(b) Certified copies of trademark registrations and of any trademark records or trademark documents within the jurisdiction of the Office and open to the public will be authenticated by the seal of the Office and certified by the Director, or in his or her name attested by an officer of the Office authorized by the Director, upon payment of the fee required by § 2.6.

FEES AND PAYMENT OF MONEY IN
TRADEMARK CASES

SOURCE: 68 FR 48292, Aug. 13, 2003, unless otherwise noted.

§ 2.206 Trademark fees payable in advance.

(a) Trademark fees and charges payable to the Office are required to be paid in advance; that is, at the time of requesting any action by the Office for which a fee or charge is payable.

(b) All fees paid to the Office must be itemized in each individual trademark application or registration file, or trademark proceeding, so that the purpose for which the fees are paid is clear. The Office may return fees that are not itemized as required by this paragraph.

§ 2.207 Methods of payment.

(a) All payments of money required in trademark cases, including fees for the processing of international trademark applications and registrations that are paid through the Office, shall be made in U.S. dollars and in the form of a cashier's or certified check, Treasury note, national bank note, or United States Postal Service money order. If sent in any other form, the Office may delay or cancel the credit until collection is made. Checks and money orders must be made payable to the Director of the United States Patent and Trademark Office. (Checks made payable to the Commissioner of Patents and Trademarks will continue to be accepted.) Payments from foreign countries must be payable and immediately negotiable in the United States for the full amount of the fee required. Money sent to the Office by mail will be at the risk of the sender, and letters containing money should be registered with the United States Postal Service.

(b) Payments of money required for trademark fees may also be made by credit card, except for replenishing a deposit account. Payment of a fee by credit card must specify the amount to be charged to the credit card and such other information as is necessary to process the charge, and is subject to collection of the fee. The Office will not accept a general authorization to charge fees to a credit card. If credit card information is provided on a form or document other than a form provided by the Office for the payment of fees by credit card, the Office will not be liable if the credit card number becomes public knowledge.

§ 2.208 Deposit accounts.

(a) For the convenience of attorneys, and the general public in paying any fees due, in ordering copies of records, or services offered by the Office, deposit accounts may be established in the Office upon payment of the fee for establishing a deposit account (§ 2.6(b)(13)). A minimum deposit of \$1,000 is required for paying any fees due or in ordering any services offered by the Office. The Office will issue a deposit account statement at the end of each month. A remittance must be made promptly upon receipt of the statement to cover the value of items or services charged to the account and thus restore the account to its established normal deposit. An amount sufficient to cover all fees, copies, or services requested must always be on deposit. Charges to accounts with insufficient funds will not be accepted. A service charge (§ 2.6(b)(13)) will be assessed for each month that the balance at the end of the month is below \$1,000.

(b) A general authorization to charge all fees, or only certain fees to a deposit account containing sufficient funds may be filed in an individual application, either for the entire pendency of the application or with respect to a particular document filed. An authorization to charge a fee to a deposit account will not be considered payment of the fee on the date the authorization to charge the fee is effective as

§ 2.209

to the particular fee to be charged unless sufficient funds are present in the account to cover the fee.

(c) A deposit account holder may replenish the deposit account by submitting a payment to the Office. A payment to replenish a deposit account must be submitted by one of the methods set forth in paragraphs (c)(1), (c)(2), (c)(3), or (c)(4) of this section.

(1) A payment to replenish a deposit account may be submitted by electronic funds transfer through the Federal Reserve Fedwire System, which requires that the following information be provided to the deposit account holder's bank or financial institution:

(i) Name of the Bank, which is Treas NYC (Treasury New York City);

(ii) Bank Routing Code, which is 021030004;

(iii) United States Patent and Trademark Office account number with the Department of the Treasury, which is 13100001; and

(iv) The deposit account holder's company name and deposit account number.

(2) A payment to replenish a deposit account may be submitted by electronic funds transfer over the Office's Internet Web site (*www.uspto.gov*).

(3) A payment to replenish a deposit account may be addressed to: Director of the United States Patent and Trademark Office, Attn: Deposit Accounts, 2051 Jamieson Avenue, Suite 300, Alexandria, Virginia 22314.

[68 FR 48292, Aug. 13, 2003, as amended at 69 FR 43752, July 22, 2004; 70 FR 56128, Sept. 26, 2005; 73 FR 67775, Nov. 17, 2008]

§ 2.209 Refunds.

(a) The Director may refund any fee paid by mistake or in excess of that required. A change of purpose after the payment of a fee, such as when a party desires to withdraw a trademark application, appeal or other trademark filing for which a fee was paid, will not entitle a party to a refund of such fee. The Office will not refund amounts of twenty-five dollars or less unless a refund is specifically requested, and will not notify the payor of such amounts. If a party paying a fee or requesting a refund does not provide the banking information necessary for making refunds by electronic funds transfer (31

37 CFR Ch. I (7-1-13 Edition)

U.S.C. 3332 and 31 CFR part 208), or instruct the Office that refunds are to be credited to a deposit account, the Director may require such information, or use the banking information on the payment instrument to make a refund. Any refund of a fee paid by credit card will be by a credit to the credit card account to which the fee was charged.

(b) Any request for refund must be filed within two years from the date the fee was paid, except as otherwise provided in this paragraph. If the Office charges a deposit account by an amount other than an amount specifically indicated in an authorization (§ 2.208(b)), any request for refund based upon such charge must be filed within two years from the date of the deposit account statement indicating such charge, and include a copy of that deposit account statement. The time periods set forth in this paragraph are not extendable.
