§ 39.121 State or Tribal Organization responsibilities following project completion.

(a) A State or Tribal Organization that has received an Establishment, Expansion, and Improvement Project grant or an Operation and Maintenance Project grant shall monitor use of the cemetery by various subgroups and minority groups, including women veterans. If VA determines that under-utilization by any of these groups exists, the State or Tribal Organization shall establish a program to inform members of these groups about benefits available to them. If a significant number or portion of the population eligible to be served or likely to be directly affected by the grant program needs benefits information in a language other than English, the State or Tribal Organization shall make such information available in the necessary language.

(b) A State or Tribal veterans cemetery that has received an Establishment, Expansion, and Improvement Project grant or an Operation and Maintenance Project grant shall be operated and maintained as follows:

(1) Buildings, grounds, roads, walks, and other structures shall be kept in reasonable repair to prevent undue deterioration and hazards to users.

(2) The cemetery shall be kept open for public use at reasonable hours based on the time of the year.

(c) VA, in coordination with the State or Tribal Organization, shall inspect the project for compliance with the standards set forth in subpart B of this part for Establishment, Expansion, and Improvement Projects and with the standards set forth in subpart C of this part for Operation and Maintenance Projects at the project's completion and at least once in every 3-year period following completion of the project throughout the period the facility is operated as a State or Tribal veterans cemetery. The State or Tribal Organization shall forward to the Director, Veterans Cemetery Grants Service, a copy of the inspection report, giving the date and location the inspection was made and citing any deficiencies and corrective action to be taken or proposed.

(d) Failure of a State or Tribal Organization to comply with any of paragraphs (a) through (c) of this section shall be considered cause for VA to suspend any payments due the State or Tribal Organization on any project until the compliance failure is corrected.
