**§ 52.522 Approval status.**

With the exceptions set forth in this subpart, the Administrator approves Florida's plans for the attainment and maintenance of the national standards under section 110 of the Clean Air Act. Furthermore, the Administrator finds the plans satisfy all requirements of Part D, Title I, of the Clean Air Act as amended in 1977, except as noted below. In addition, continued satisfaction of the requirements of Part D, for the ozone portion of the SIP depends on the adoption and submittal of RACT requirements by July 1, 1980 for those sources covered by CTGs issued between January 1978 and January 1979

and adoption and submittal by each subsequent January of additional RACT requirements for sources covered by CTGs issued by the previous January.
