Subpart D—General Enforcement and Complaint Procedures

§ 60-250.60 Compliance evaluations.

(a) OFCCP may conduct compliance evaluations to determine if the contractor is taking affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a special disabled veteran, veteran of the Vietnam era, recently separated veteran, or other protected veteran in all employment practices. A compliance evaluation may consist of any one or any combination of the following investigative procedures:

(1) *Compliance review.* A comprehensive analysis and evaluation of the hiring and employment practices of the contractor, the written affirmative action program, and the results of the affirmative action efforts undertaken by the contractor. A compliance review may proceed in three stages:

(i) A desk audit of the written affirmative action program and supporting documentation to determine whether all elements required by the regulations in this part are included, whether the affirmative action program meets agency standards of reasonableness, and whether the affirmative action program and supporting documentation satisfy agency standards of acceptability. The desk audit is conducted at OFCCP offices;

(ii) An on-site review, conducted at the contractor's establishment to investigate unresolved problem areas identified in the affirmative action program and supporting documentation during the desk audit, to verify that the contractor has implemented the affirmative action program and has complied with those regulatory obligations not required to be included in the affirmative action program, and to examine potential instances or issues of discrimination. An on-site review normally will involve an examination of the contractor's personnel and employment policies, inspection and copying of documents related to employment actions, and interviews with employ-

ees, supervisors, managers, hiring officials; and

(iii) Where necessary, an off-site analysis of information supplied by the contractor or otherwise gathered during or pursuant to the on-site review;

(2) *Off-site review of records.* An analysis and evaluation of the affirmative action program (or any part thereof) and supporting documentation, and other documents related to the contractor's personnel policies and employment actions that may be relevant to a determination of whether the contractor has complied with the requirements of the Executive Order and regulations;

(3) *Compliance check.* A determination of whether the contractor has maintained records consistent with § 60-250.80; at the contractor's option the documents may be provided either on-site or off-site; or

(4) *Focused review.* An on-site review restricted to one or more components of the contractor's organization or one or more aspects of the contractor's employment practices.

(b) Where deficiencies are found to exist, reasonable efforts shall be made to secure compliance through conciliation and persuasion pursuant to § 60-250.62.

(c) *VETS-100 Report.* During a compliance evaluation, OFCCP may verify whether the contractor has complied with its obligation, pursuant to 41 CFR part 61-250, to file its annual Veterans' Employment Report (VETS-100 Report) with the Veterans' Employment and Training Service (VETS). If the contractor has not filed its report, OFCCP will request a copy from the contractor. If the contractor fails to provide a copy of the report to OFCCP, OFCCP will notify VETS.

§ 60-250.61 Complaint procedures.

(a) *Place and time of filing.* Any applicant for employment with a contractor or any employee of a contractor may, personally, or by an authorized representative, file a written complaint alleging a violation of the Act or the regulations in this part. The complaint may allege individual or class-wide violation(s). Such complaint must be filed

within 300 days of the date of the alleged violation, unless the time for filing is extended by OFCCP for good cause shown. Complaints may be submitted to the OFCCP, 200 Constitution Avenue, NW., Washington, DC 20210, or to any OFCCP regional, district, or area office. Complaints may also be submitted to the Veterans' Employment and Training Service of the Department of Labor directly, or through the Local Veterans' Employment Representative (LVER) or his or her designee at the local employment service office. Such parties will assist veterans in preparing complaints, promptly refer such complaints to OFCCP, and maintain a record of all complaints which they receive and forward. OFCCP shall inform the party forwarding the complaint of the progress and results of its complaint investigation. The state employment security agency shall cooperate with the Deputy Assistant Secretary in the investigation of any complaint.

(b) *Contents of complaints*—(1) *In general.* A complaint must be signed by the complainant or his or her authorized representative and must contain the following information:

(i) Name and address (including telephone number) of the complainant;

(ii) Name and address of the contractor who committed the alleged violation;

(iii) Documentation showing that the individual is a special disabled veteran, veteran of the Vietnam era, recently separated veteran, or other protected veteran. Such documentation must include a copy of the veteran's form DD-214, and, where applicable, a copy of the veteran's Benefits Award Letter, or similar Department of Veterans Affairs certification, updated within one year prior to the date the complaint is filed, indicating the veteran's level (by percentage) of disability, and whether the veteran has been determined by the Department of Veterans Affairs to have a serious employment handicap under 38 U.S.C. 3106;

(iv) A description of the act or acts considered to be a violation, including the pertinent dates (in the case of an alleged continuing violation, the earliest and most recent date that the al-

leged violation occurred should be stated); and

(v) Other pertinent information available which will assist in the investigation and resolution of the complaint, including the name of any known Federal agency with which the employer has contracted.

(2) *Third party complaints.* A complaint filed by an authorized representative need not identify by name the person on whose behalf it is filed. The person filing the complaint, however, shall provide OFCCP with the name, address and telephone number of the person on whose behalf it is made, and the other information specified in paragraph (b)(1) of this section. OFCCP shall verify the authorization of such a complaint by the person on whose behalf the complaint is made. Any such person may request that OFCCP keep his or her identity confidential, and OFCCP will protect the individual's confidentiality wherever that is possible given the facts and circumstances in the complaint.

(c) *Incomplete information.* Where a complaint contains incomplete information, OFCCP shall seek the needed information from the complainant. If the information is not furnished to OFCCP within 60 days of the date of such request, the case may be closed.

(d) *Investigations.* The Department of Labor shall institute a prompt investigation of each complaint.

(e) *Resolution of matters.* (1) If the complaint investigation finds no violation of the Act or this part, or if the Deputy Assistant Secretary decides not to refer the matter to the Solicitor of Labor for enforcement proceedings against the contractor pursuant to § 60-250.65(a)(1), the complainant and contractor shall be so notified. The Deputy Assistant Secretary, on his or her own initiative, may reconsider his or her determination or the determination of any of his or her designated officers who have authority to issue Notifications of Results of Investigation.

(2) The Deputy Assistant Secretary will review all determinations of no violation that involve complaints that are not also cognizable under Title I of the Americans with Disabilities Act.

(3) In cases where the Deputy Assistant Secretary decides to reconsider the

determination of a Notification of Results of Investigation, the Deputy Assistant Secretary shall provide prompt notification of his or her intent to reconsider, which is effective upon issuance, and his or her final determination after reconsideration, to the person claiming to be aggrieved, the person making the complaint on behalf of such person, if any, and the contractor.

(4) If the investigation finds a violation of the Act or this part, OFCCP shall invite the contractor to participate in conciliation discussions pursuant to § 60-250.62.

§ 60-250.62 Conciliation agreements.

If a compliance evaluation, complaint investigation or other review by OFCCP finds a material violation of the Act or this part, and if the contractor is willing to correct the violations and/or deficiencies, and if OFCCP determines that settlement on that basis (rather than referral for consideration of formal enforcement) is appropriate, a written conciliation agreement shall be required. The agreement shall provide for such remedial action as may be necessary to correct the violations and/or deficiencies noted, including, where appropriate (but not necessarily limited to) such make whole remedies as back pay and retroactive seniority. The agreement shall also specify the time period for completion of the remedial action; the period shall be no longer than the minimum period necessary to complete the action.

§ 60-250.63 Violation of conciliation agreements.

(a) When OFCCP believes that a conciliation agreement has been violated, the following procedures are applicable:

(1) A written notice shall be sent to the contractor setting forth the violation alleged and summarizing the supporting evidence. The contractor shall have 15 days from receipt of the notice to respond, except in those cases in which OFCCP asserts that such a delay would result in irreparable injury to the employment rights of affected employees or applicants.

(2) During the 15-day period the contractor may demonstrate in writing that it has not violated its commitments.

(b) In those cases in which OFCCP asserts that a delay would result in irreparable injury to the employment rights of affected employees or applicants, enforcement proceedings may be initiated immediately without proceeding through any other requirement contained in this chapter.

(c) In any proceedings involving an alleged violation of a conciliation agreement OFCCP may seek enforcement of the agreement itself and shall not be required to present proof of the underlying violations resolved by the agreement.

§ 60-250.64 Show cause notices.

When the Deputy Assistant Secretary has reasonable cause to believe that the contractor has violated the Act or this part, he or she may issue a notice requiring the contractor to show cause, within 30 days, why monitoring, enforcement proceedings or other appropriate action to ensure compliance should not be instituted. The issuance of such a notice is not a prerequisite to instituting enforcement proceedings (see § 60-250.65).

§ 60-250.65 Enforcement proceedings.

(a) *General.* (1) If a compliance evaluation, complaint investigation or other review by OFCCP finds a violation of the Act or this part, and the violation has not been corrected in accordance with the conciliation procedures in this part, or OFCCP determines that referral for consideration of formal enforcement (rather than settlement) is appropriate, OFCCP may refer the matter to the Solicitor of Labor with a recommendation for the institution of enforcement proceedings to enjoin the violations, to seek appropriate relief, and to impose appropriate sanctions, or any of the above in this sentence. OFCCP may seek back pay and other make whole relief for aggrieved individuals identified during a complaint investigation or compliance evaluation. Such individuals need not have filed a complaint as a prerequisite to OFCCP seeking such relief on their behalf. Interest on back pay shall be
