§ 31.5 Application for treatment; active duty personnel.

(a) An applicant for medical relief who is on active duty shall furnish a certificate identifying him. Such certificate, in the case of Coast Guard personnel, shall be signed by an officer of the Coast Guard, and in the case of National Ocean Survey personnel, shall be signed by an officer of the National Ocean Survey. Commissioned officers of any of the services mentioned in §31.2 and officers in charge of units may sign their own certificates. In an emergency, the officer in charge of a medical relief station, or a designated physician or designated dentist, may accept other evidence of status satisfactory to him.

(b) A temporary member of the Coast Guard Reserve except when on active duty or a member of the Coast Guard Auxiliary shall, when applying for medical relief, furnish a statement signed by a responsible superior officer setting forth the facts and circumstances giving rise to the need for medical relief. In emergencies, such statement shall be furnished promptly after the member has received the immediately required care and treatment. Such statement shall be presumptive evidence of the facts stated, but if investigation indicates that the injury, sickness, or disease was not incurred or contracted in the manner stated, further treatment may be denied.

(Sec. 326, 58 Stat. 697, as amended; 42 U.S.C. 253)

§ 31.6 Personnel absent without leave.

No member of any of the services enumerated in §31.2 shall be entitled when absent without leave to medical relief except at a medical relief station or by a designated physician or designated dentist.

(Sec. 326, 58 Stat. 697, as amended; 42 U.S.C. 253)

§ 31.7 Continuance of medical relief after loss of status.

If a member is separated from any of the services enumerated in §31.2, except persons specified in §31.2(a) (3) and (5) who shall be entitled to treatment after separation under the conditions set forth in such paragraphs, while undergoing treatment by the Service, his treatment shall be discontinued immediately unless the physician in charge determines that the condition of the patient does not permit interruption of treatment, in which case the treatment shall be discontinued as soon as practicable and the condition of the patient permits. At that time he shall be discharged from treatment and shall not thereafter be afforded medical relief by the Service by reason of his previous service.

(Sec. 326, 58 Stat. 697, as amended; 42 U.S.C. 253)

§ 31.8 Retired personnel; extent of treatment.

(b) Elective medical or surgical treatment requiring hospitalization shall be furnished only at hospitals operated by the Service.

(c) Dental treatment shall be furnished to the extent of available facilities only at medical relief stations where full-time dental officers are on duty; at other medical relief stations the dental treatment shall be limited.
