§ 60.15 Other charges to the borrower.

(a) Late charges. If the borrower fails to pay all of a required installment payment or fails to provide written evidence that verifies eligibility for the deferment of the payment within 30 days after the payment’s due date, the lender or holder will require that the borrower pay a late charge. A late charge must be equal to 5 percent of the unpaid portion of the payment due.

(b) Collection charges. The lender or holder may also require that the borrower pay the holder of the note for reasonable costs incurred by the holder or its agent in collecting any installment not paid when due. These costs may include attorney’s fees, court costs, telegrams, and long-distance phone calls. The holder may not charge the borrower for the normal costs associated with preparing letters and making personal and local telephone contacts with the borrower. A service agency’s fee for normal servicing of a loan may not be passed on to the borrower, either directly or indirectly. No charges, other than those authorized by this section, may be passed on to the borrower, either directly or indirectly, without prior approval of the Secretary.

(c) Other loan making costs. A lender may not pass on to the borrower any cost of making a HEAL loan other than the costs of the insurance premium.

§ 60.16 Power of attorney.

Neither a lender nor a school may obtain a borrower’s power of attorney or other authorization to endorse a disbursement check on behalf of a borrower. The borrower must personally endorse the check and may not authorize anyone else to endorse it on his or her behalf.

§ 60.17 Security and endorsement.

(a) A HEAL loan must be made without security.

(b) With one exception, it must also be made without endorsement. If a borrower is a minor and cannot under State law create a legally binding obligation by his or her own signature, a lender may require an endorsement by another person on the borrower’s HEAL note. For purposes of this paragraph, an “endorsement” means a signature of anyone other than the borrower who is to assume either primary or secondary liability on the note.

§ 60.18 Consolidation of HEAL loans.

HEAL loans may be consolidated as follows provided that the lender or holder must first inform the borrower of the effect of the consolidation on the interest rate and explain to the borrower that he or she is not required to agree to the consolidation:

(a) If a lender or holder holds two or more HEAL loans made to the same borrower, the lender or holder and the borrower may agree to consolidate the loans into a single HEAL loan obligation evidenced by a promissory note.
