Public Health Service, HHS

Secs. NIH, for the education and training of physicians in environmental health, as authorized under section 103(h)(2) of the Clean Air Act, as amended.

(b) The regulations of this part also apply to cooperative agreements awarded to support the training specified in paragraph (a) of this section. References to “grant(s)” shall include “cooperative agreement(s).”

(c) The regulations of this part do not apply to:

(1) Research training support under the National Research Service Awards Program (see part 66 of this chapter);
(2) Research training support under the NIH Center Grants programs (see part 52a of this chapter);
(3) Research training support under traineeship programs (see part 63 of this chapter);
(4) Research training support under the NIH AIDS Research Loan Repayment Program (see section 487A of the Act); or
(5) Research training support under the National Library of Medicine training grant programs (see part 64 of this chapter).

§ 63a.5 How to apply for a training grant.

Any agency, institution, or entity interested in applying for a grant under this part must submit an application.
