

caregivers are made as required and appear to be consistent with the observed condition of the beneficiary.

(5) Whether reevaluations of the beneficiary's level of care have occurred at least as frequently as would be required if that individual were served in a NF.

(6) Whether the beneficiary receives adequate care and services, based, at a minimum, on the following when observations are necessary (the requirements for the necessity of observations are set forth in new § 441.365(g)(3)):

(i) Cleanliness.

(ii) Absence of bedsores.

(iii) Absence of signs of malnutrition or dehydration.

(7) Whether the beneficiary needs any service that is not included in the plan of care, or if included, is not being furnished by formal or informal caregivers under the waiver or through arrangements with another public or private source of assistance.

(8) Determination as to whether continued home and community-based services are required by the beneficiary to avoid the likelihood of placement in a NF.

(j) *Submission of review team's results.* The review team must submit to the Medicaid agency the results of its periodic evaluation, assessment and review of the care of the beneficiary:

(1) Within 1 month of the completion of the review.

(2) Immediately upon its determination that conditions exist that may constitute a threat to the life or health of a beneficiary.

(k) *Agency's action.* The Medicaid agency must establish and adhere to procedures for taking appropriate action in response to the findings reported by the review team. These procedures must provide for immediate response to any finding that the life or health of a beneficiary may be jeopardized.

EFFECTIVE DATE NOTE: At 57 FR 29156, June 30, 1992, § 441.365 was added. This section contains information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

Subpart I—Community Supported Living Arrangements Services

SOURCE: 56 FR 48114, Sept. 24, 1991, unless otherwise noted.

§ 441.400 Basis and purpose.

This subpart implements section 1905(a)(24) of the Act, which adds community supported living arrangements services to the list of services that States may provide as medical assistance under title XIX (to the extent and as defined in section 1930 of the Act), and section 1930(h)(1)(B) of the Act, which specifies minimum protection requirements that a State which provides community supported living arrangements services as an optional Medicaid service to developmentally disabled individuals must meet to ensure the health, safety and welfare of those individuals.

§ 441.402 State plan requirements.

If a State that is eligible to provide community supported living arrangements services as an optional Medicaid service to developmentally disabled individuals provides such services, the State plan must specify that it complies with the minimum protection requirements in § 441.404.

§ 441.404 Minimum protection requirements.

To be eligible to provide community supported living arrangements services to developmentally disabled individuals, a State must assure, through methods other than reliance on State licensure processes or the State quality assurance programs described under section 1930(d) of the Act, that:

(a) Individuals receiving community supported living arrangements services are protected from neglect, physical and sexual abuse, and financial exploitation;

(b) Providers of community supported living arrangements services—

(1) Do not use individuals who have been convicted of child or client abuse, neglect, or mistreatment, or of a felony involving physical harm to an individual; and

(2) Take all reasonable steps to determine whether applicants for employment by the provider have histories indicating involvement in child or client abuse, neglect, or mistreatment, or a criminal record involving physical harm to an individual;

(c) Providers of community supported living arrangements services are not unjustly enriched as a result of abusive financial arrangements (such as owner lease-backs) with developmentally disabled clients; and

(d) Providers of community supported living arrangements services, or the relatives of such providers, are not named beneficiaries of life insurance policies purchased by or on behalf of developmentally disabled clients.

Subpart J—Optional Self-Directed Personal Assistance Services Program

SOURCE: 73 FR 57881, Oct. 3, 2008, unless otherwise noted.

§ 441.450 Basis, scope, and definitions.

(a) *Basis.* This subpart implements section 1915(j) of the Act concerning the self-directed personal assistance services (PAS) option through a State Plan.

(b) *Scope.* A self-directed PAS option is designed to allow individuals, or their representatives, if applicable, to exercise decision-making authority in identifying, accessing, managing and purchasing their PAS. This authority includes, at a minimum, all of the following:

- (1) The purchase of PAS and supports for PAS.
- (2) Recruiting workers.
- (3) Hiring and discharging workers.
- (4) Training workers and accessing training provided by or through the State if additional worker training is required or desired by the participant, or participant's representative, if applicable.
- (5) Specifying worker qualifications.
- (6) Determining worker duties.
- (7) Scheduling workers.
- (8) Supervising workers.
- (9) Evaluating worker performance.
- (10) Determining the amount paid for a service, support or item.

(11) Scheduling when services are provided.

(12) Identifying service workers.

(13) Reviewing and approving invoices.

(c) *Definitions.* As used in this part—

Assessment of need means an evaluation of the needs, strengths, and preferences of participants for services. This includes one or more processes to obtain information about an individual, including health condition, personal goals and preferences, functional limitation, age, school, employment, household, and other factors that are relevant to the authorization and provision of services. Assessment information supports the development of the service plan and the subsequent service budget.

Individualized backup plan means a written plan that meets all of the following:

(1) Is sufficiently individualized to address each participant's critical contingencies or incidents that would pose a risk of harm to the participant's health or welfare;

(2) Must demonstrate an interface with the risk management provision at § 441.476 which requires States to assess and identify the potential risks to the participant (such as any critical health needs), and ensure that the risks and how they will be managed are the result of discussion and negotiation among the persons involved in the service plan development;

(3) Must not include the 911 emergency system or other emergency system as the sole backup feature of the plan; and

(4) Must be incorporated into the participant's service plan.

Legally liable relatives means persons who have a duty under the provisions of State law to care for another person. Legally liable relatives may include any of the following:

(1) The parent (biological or adoptive) of a minor child or the guardian of a minor child who must provide care to the child.

(2) Legally-assigned caretaker relatives.

(3) A spouse.
