(3) That enrollees have attained age 15 by June 1 but not age 19 by August 30;

(4) That not more than 10 percent of the enrollees in a project have been YCC enrollees in previous years and all returnees be designated as youth leaders and paid \$1.50 per day in addition to their hourly rate of pay.

(b) To the maximum extent practicable, enrollees should be selected from an area within 1 day's surface travel from their home to a residential YCC project.

(f) To arrive at the enrollee weekly pay rate, the Federal or State minimum hourly wage (whichever is higher) should be multiplied by 30 hours per week, or 75 percent of the number of hours in the grantee or subgrantee established work-week, if less than 40 hours. To the maximum extent possible, the grantee should apply the same meal and lodging deduction as used by the Federal program.

(g) The Federal Government will cost-share as part of the grant enrollee pay based on up to 30 hours per week; any cost based on enrollee compensation for more than 30 hours per week will be assumed by the grantee or subgrantee and will not be part of the grant.

(h) Grantees must provide for an effective accident control, health, and safety program. As a minimum, grantees shall follow U.S. Department of Labor Bulletin No. 101, "A Guide to Child Labor Provisions of the Fair Labor Standards Act."

(i) Grantees will have a financial management system which will provide the information called for in attachment G of the Office of Management and Budget (OMB) circular A-102 (formerly FMC 74-7).

(j) "Request for Advance or Reimbursement," as outlined in OMB circular A-102, attachment H, item 4(a), will be used to obtain an advance to start and/or maintain the program. (k) Grantees will prepare a "Financial Status Report" required by OMB circular A-102, attachment H, item (3)a. This report will be prepared on a cash basis. Instructions and forms will be supplied each grantee at the time of grant award. Grantees shall require similar reports from all subgrantees and contractors to facilitate their own reporting to the grantor agencies. The Financial Status Report will be prepared as of December 31 of each operating year. This report will be forwarded in time to reach the Secretaries

by March 31 of the following operating year.

(l) Allowable costs under the grant program are defined in FMC 74-4 and OMB circular A-102.

(m) Records retention and custodial requirements for records are prescribed by attachment C to OMB circular A-102.

(n) A budget revision is required in advance when the scope of the grant is to be changed through (1) addition or elimination of a project, (2) reduction in the State's grant program of 5 percent or more of enrollees, and/or (3) determination that the grantee will not utilize Federal funds in amount in excess of \$5,000 or 5 percent of the Federal grant, whichever is greater. A budget revision must also be submitted when the State's matching ratio is reduced. No budget revision may be submitted later than March 31 following the end of the operating year. Procedures in attachment K of OMB circular A-102 will be followed.

(o) Grantees shall comply with the provisions of attachments N and O of OMB circular A-102 in regard to non-expendable personal property and procurement standards.

(p) The Secretaries or their designees shall periodically review the conduct of the program of the State.

Subgrantees and contractors will be required to operate in accordance with the procedures outlined in these regulations and the grant agreement with the State. Periodic inspection of subgrantee projects will be made by the grantee under the direction of the program agent or his designee. Grantees or subgrantees may contract with any public agency or organization or any private nonprofit agency or organization which has been in existence for at least 5 years.

It is not intended that State enrollees be covered for retirement, unemployment compensation, health and life insurance purposes, or that they earn or be granted leave-with-pay or sick leave; such charges shall not be considered a qualifying expense for Federal cost-share purposes.

(t) If the grantee fails to comply with the grant award stipulations, standards, or conditions, the Secretaries may jointly suspend the grant, in whole or in part, pending corrective action. Subsequent to or during any period of suspension of the grant, the Federal Government shall not be obligated to reimburse the grantee for any incurrence of obligations for suspended projects other than direct pay of enrollees and then only for a period of time which both the Secretaries shall determine to be reasonable. In addition, the Secretaries may jointly terminate the grant, in whole or in part. Termination shall be effected by notice of termination. Upon receipt of a notice of termination, the grantee shall:

§ 26.6 Request for grant.

(a) Of the amount available for Youth Conservation Corps projects, 30 percent will be allocated for State projects. All States will be given an opportunity to participate in the program. Allocated funds not needed by a State will be re-allocated, based on the merit of proposals submitted in accordance with paragraph (c) of this section.

43 CFR Subtitle A (10-1-13 Edition)

(b) Pursuant to section (4)(c)(1) of Public Law 93-408, States may receive grants up to but not to exceed 80 percent of the cost of funding any project from the Federal Government. The combined Federal/State costs of individual projects and other program expenses as established in the grant application determine the Federal/State cost-sharing ratio. Matching State costs can consist of either direct expenditures or services of an in-kind nature.

(c) Application for Federal Assistance (Standard Form 424) will be used by applicants in applying for grants under this program. Application forms will be supplied to Program Agents.
