(d) Where State and local government policies, plans, and programs differ, those of the higher authority will normally be followed.

(e) Prior to the approval of a proposed resource management plan, or amendment to a management framework plan or resource management plan, the State Director shall submit to the Governor of the State(s) involved, the proposed plan or amendment and shall identify any known inconsistencies with State or local plans, policies or programs. The Governor(s) shall have 60 days in which to identify inconsistencies and provide recommendations in writing to the State Director. If the Governor(s) does not respond within the 60-day period, the plan or amendment shall be presumed to be consistent. If the written recommendation(s) of the Governor(s) recommend changes in the proposed plan or amendment which were not raised during the public participation process on that plan or amendment, the State Director shall provide the public with an opportunity to comment on the recommendation(s). If the State Director does not accept the recommendations of the Governor(s), the State Director shall notify the Governor(s) and the Governor(s) shall have 30 days in which to submit a written appeal to the Director of the Bureau of Land Management. The Director shall accept the recommendations of the Governor(s) if he/she determines that they provide for a reasonable balance between the national interest and the State’s interest. The Director shall communicate to the Governor(s) in writing and publish in the FEDERAL REGISTER the reasons for his/her determination to accept or reject such Governor’s recommendations.

§ 1610.4–2 Development of planning criteria.

(a) The Field Manager will prepare criteria to guide development of the resource management plan or revision, to ensure:

(1) It is tailored to the issues previously identified; and

(2) That BLM avoids unnecessary data collection and analyses.

(b) Planning criteria will generally be based upon applicable law, Director and State Director guidance, the results of public participation, and coordination with any cooperating agencies and other Federal agencies, State and local governments, and federally recognized Indian tribes.

(c) BLM will make proposed planning criteria, including any significant changes, available for public comment prior to being approved by the Field Manager for use in the planning process.

(d) BLM may change planning criteria as planning proceeds if we determine that public suggestions or study and assessment findings make such changes desirable.

§ 1610.4–3 Inventory data and information collection.

The Field Manager, in collaboration with any cooperating agencies, will arrange for resource, environmental, social, economic and institutional data
