

§ 2310.2-1

a withdrawal proposal and that are listed in the notices required by § 2310.3-2 of this title as permissible during the segregation period, may be approved by the authorized officer while the lands remain segregated.

(d) Except as provided in paragraph (c) of this section, applications for the use of lands involved in a withdrawal application or a withdrawal proposal, the allowance of which is discretionary, shall be denied.

(e) The temporary segregation of lands in connection with a withdrawal application or a withdrawal proposal shall not affect in any respect Federal agency administrative jurisdiction of the lands, and the segregation shall not have the effect of authorizing or permitting any use of the lands by the applicant or using agency.

§ 2310.2-1 Termination of the segregative effect of withdrawal applications or withdrawal proposals.

(a) The publication in the FEDERAL REGISTER of an order allowing a withdrawal application, in whole or in part, shall terminate the segregative effect of the application as to those lands withdrawn by the order.

(b) The denial of a withdrawal application, in whole or in part, shall result in the termination of the segregative effect of the application or proposal as to those lands where the withdrawal is disallowed. Within 30 days following the decision to disallow the application or proposal, in whole or in part, the authorized officer shall publish a notice in the FEDERAL REGISTER specifying the reasons for the denial and the date that the segregative period terminated. The termination date of the segregation period shall be noted promptly on the public land status records on or before the termination date.

(c) The cancellation, in whole or in part, of a withdrawal application or a withdrawal proposal shall result in the termination of the segregative effect of the application or proposal, as to those lands deleted from the application or proposal. The authorized officer shall publish a notice in the FEDERAL REGISTER, within 30 days following the date of receipt of the cancellation, specifying the date that the segregation terminated. The termination date of the

segregation shall be noted promptly on the public land status records. If the cancellation applies to only a portion of the public lands that are described in the withdrawal application or withdrawal proposal, then the lands that are not affected by the cancellation shall remain segregated.

(d) The segregative effect resulting from the publication on or after October 21, 1976, of a FEDERAL REGISTER notice of the submission of a withdrawal application or the making of a withdrawal proposal shall terminate 2 years after the publication date of the FEDERAL REGISTER notice unless the segregation is terminated sooner by other provisions of this section. A notice specifying the date and time of termination shall be published in the FEDERAL REGISTER by the authorized officer 30 days in advance of the termination date. The public land status records shall be noted as to the termination date of the segregation period on or before the termination date. Such a termination shall not affect the processing of the withdrawal application.

(e) The segregative effect resulting from the submission of a withdrawal application or withdrawal proposal before October 21, 1976, shall terminate on October 20, 1991, unless the segregation is terminated sooner by other provisions of this part. A notice specifying the date and time of termination shall be published in the FEDERAL REGISTER by the authorized officer 30 days in advance of October 20, 1991. The public land status records shall be noted as to the termination date of the segregation period on or before October 20, 1991.

§ 2310.3 Action on withdrawal applications and withdrawal proposals, except for emergency withdrawals.

§ 2310.3-1 Publication and public meeting requirements.

(a) When a withdrawal proposal is made, a notice to that effect shall be published immediately in the FEDERAL REGISTER. The notice shall contain the information required by § 2310.1-3 of this title. In the event a withdrawal petition, which subsequently becomes a withdrawal proposal, is submitted simultaneously with a withdrawal application, the information requirements

§ 2310.3-1

for notices pertaining to withdrawal applications (See paragraph (b) of this section) shall supersede the information requirements of this paragraph. However, in such instances, the notice required by paragraph (b) of this section shall be published immediately without regard to the 30-day period allowed for the filing for publication in the FEDERAL REGISTER of withdrawal application notices.

(b)(1) Except for emergency withdrawals and except as otherwise provided in paragraph (a) of this section, within 30 days of the submission for filing of a withdrawal, extension or modification application, the authorized officer shall publish in the FEDERAL REGISTER a notice to that effect. The authorized officer also shall publish the same notice in at least one newspaper having a general circulation in the vicinity of the lands involved and, with the cooperation and assistance of the applicant, when appropriate, shall provide sufficient publicity to inform the interested public of the requested action.

(2) The notice shall contain, in summary form, the information required by § 2310.1-2 of this title, except that the authorized officer may exclude the information required by § 2310.1-2(c)(2) of this title, and as much of the descriptive information required by § 2310.1-2(c) (5) and (6) of this title as the authorized officer considers appropriate. The notice shall:

(i) Provide a legal description of the lands affected by the application, together with the total acreage of such lands;

(ii) Specify the extent to which and the time during which any lands that may be involved may be segregated in accordance with § 2310.2 of this title;

(iii) Identify the temporary land uses that may be permitted or allowed during the segregation period as provided for in § 2310.2(c) of this title;

(iv) Provide for a suitable period of at least 90 days after publication of the notice, for public comment on the requested action;

(v) Solicit written comments from the public as to the requested action and provide for one or more public meetings in relation to requested actions involving 5,000 or more acres in

the aggregate and, as to requested actions involving less than 5,000 acres, solicit and evaluate the written comments of the public as to the requested action and as to the need for public meetings;

(vi) State, in the case of a national defense withdrawal which can only be made by an Act of Congress, that if the withdrawal is to be made, it will be made by an Act of Congress;

(vii) Provide the address of the Bureau of Land Management office in which the application and the case file pertaining to it are available for public inspection and to which the written comments of the public should be sent;

(viii) State that the application will be processed in accordance with the regulations set forth in part 2300 of this title;

(ix) Reference, if appropriate, the FEDERAL REGISTER in which the notice of a withdrawal proposal, if any, pertaining to the application was published previously;

(x) Provide such additional information as the authorized officer deems necessary or appropriate.

(c)(1) In determining whether a public meeting will be held on applications involving less than 5,000 acres of land, the authorized officer shall consider whether or not:

(i) A large number of persons have expressed objections to or suggestions regarding the requested action;

(ii) The objections or suggestions expressed appear to have merit without regard to the number of persons responding;

(iii) A public meeting can effectively develop information which would otherwise be difficult or costly to accumulate;

(iv) The requested action, because of the amount of acreage involved, the location of the affected lands or other relevant factors, would have an important effect on the public, as for example, the national or regional economy;

(v) There is an appreciable public interest in the lands or their use, as indicated by the records of the Bureau of Land Management;

(vi) There is prevailing public opinion in the area that favors public meetings or shows particular concern over withdrawal actions; and

§ 2310.3-2

(vii) The applicant has requested a public meeting.

(2) A public meeting, whether required or determined by the authorized officer to be necessary, shall be held at a time and place convenient to the interested public, the applicant and the authorized officer. A notice stating the time and place of the meeting, shall be published in the FEDERAL REGISTER and in at least one newspaper having a general circulation in the vicinity of lands involved in the requested action, at least 30 days before the scheduled date of the meeting.

§ 2310.3-2 Development and processing of the case file for submission to the Secretary.

(a) Except as otherwise provided in § 2310.3-6(b) of this title, the information, studies, analyses and reports identified in this paragraph that are required by applicable statutes, or which the authorized officer determines to be required for the Secretary or the Congress to make a decision or recommendation on a requested withdrawal, shall be provided by the applicant. The authorized officer shall assist the applicant to the extent the authorized officer considers it necessary or appropriate to do so. The qualifications of all specialists utilized by either the authorized officer or the applicant to prepare the information, studies, analyses and reports shall be provided.

(b) The information, studies, analyses and reports which, as appropriate, shall be provided by the applicant shall include:

(1) A report identifying the present users of the lands involved, explaining how the users will be affected by the proposed use and analyzing the manner in which existing and potential resource uses are incompatible with or conflict with the proposed use of the lands and resources that would be affected by the requested action. The report shall also specify the provisions that are to be made for, and an economic analysis of, the continuation, alteration or termination of existing uses. If the provisions of § 2310.3-5 of this title are applicable to the proposed withdrawal, the applicant shall also furnish a certification that the requirements of that section shall be satisfied

43 CFR Ch. II (10-1-13 Edition)

promptly if the withdrawal is allowed or authorized.

(2) If the application states that the use of water in any State will be necessary to fulfill the purposes of the requested withdrawal, extension or modification, a report specifying that the applicant or using agency has acquired, or proposes to acquire, rights to the use of the water in conformity with applicable State laws and procedures relating to the control, appropriation, use and distribution of water, or whether the withdrawal is intended to reserve, pursuant to Federal law, sufficient unappropriated water to fulfill the purposes of the withdrawal. Water shall be reserved pursuant to Federal law for use in carrying out the purposes of the withdrawal only if specifically so stated in the relevant withdrawal order, as provided in § 2310.3-3(b) of this title and only to the extent needed for the purpose or purposes of the withdrawal as expressed in the withdrawal order. The applicant shall also provide proof of notification of the involved State's department of water resources when a land use needed to carry out the purposes of the requested withdrawal will involve utilization of the water resources in a State. As a condition to the allowance of an order reserving water, the applicant shall certify to the Secretary that it shall quantify the amount of water to be reserved by the order.

(3) An environmental assessment, an environmental impact statement or any other documents as are needed to meet the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)), and the regulations applicable thereto. The authorized officer shall participate in the development of environmental assessments or impact statements. The applicant shall designate the Bureau of Land Management as a cooperating agency and shall comply with the requirements of the regulations of the Council on Environmental Quality. The Bureau of Land Management shall, at a minimum, independently evaluate and review the final product. The following items shall either be included in the assessment or impact statement, or they may be submitted separately, with appropriate cross references.
