

### § 2812.5-3

*however*, That if the application is for use of a road which has been built by a predecessor in interest the permit shall provide that the applicant may use the road only for the purpose of reaching the lands of the predecessor in interest that were served by the road. As a condition for the granting of such a permit, the applicant must comply with §§ 2812.3-1 to 2812.3-5 to the extent that rights-of-way and road use rights are needed to manage lands of the United States or to remove timber therefrom.

### § 2812.5-3 Bonds in connection with existing roads.

An applicant for permit or a permittee desiring to use an existing road owned or controlled by the United States, shall prior to such use post a bond on a form prescribed by the Director. The amount of the bond shall be determined by the authorized officer but in no event less than five hundred dollars (\$500) per mile or fraction thereof. The bond shall be executed by an approved corporate surety, or the permittee may deposit an equivalent amount in cash or negotiable securities of the United States and the bond shall be conditioned upon compliance with subpart 2812 and the terms and conditions of the permit.

### § 2812.6 Approval and terms of permit.

#### § 2812.6-1 Approval.

(a) Upon the applicant's compliance with the appropriate provisions of this paragraph and if it is determined that the approval of the application will be in the public interest, the authorized officer may, in his discretion, issue an appropriate permit, upon a form prescribed by the Director.

(b) The authorized officer may waive the requirements of §§ 2812.1-2 (c) and (e) and 2812.5-3 in the case of a natural person who applies for a right-of-way for not to exceed a period of twelve weeks. Not more than one such waiver shall be allowed in each consecutive twelve calendar months on behalf of or for the benefit of the same person.

#### § 2812.6-2 Terms and conditions of permit.

(a) As to all permits: Every permittee shall agree:

### 43 CFR Ch. II (10-1-13 Edition)

(1) To comply with the applicable regulations in effect as of the time when the permit is issued and, as to the permittee's roads as to which the United States has received rights under §§ 2812.3-1 to 2812.3-5 with such additional regulations as may be issued from time to time relating to the use of roads for the purpose of access by properly licensed hunters and fishermen and by other recreationalists to lands of the United States in the O. and C. area which are suitable for such recreational purposes, where such use will not unreasonably interfere with the use of the road by the permittee for the transportation of forest products or unduly enhance the risk of fire, collision, or other hazards on such road and on lands in the vicinity thereof. If, notwithstanding the request of the authorized officer that the permittee allow use of a road in conformity with such additional regulations the permittee shall unreasonably withhold his assent, the authorized officer shall refer the disagreement through the proper channels to the Director of the Bureau for his consideration, and, if the Director concurs in the conclusion of the authorized officer and if the matter is still in dispute, he shall refer the matter to the Secretary of the Interior for his consideration. In the event of the Secretary's concurrence in the conclusions of the authorized officer, and if the permittee nevertheless unreasonably withholds such assent, the United States may institute such judicial proceedings as may be appropriate to enforce said regulations.

(2) Not to cut, remove, or destroy any timber not previously purchased on the right-of-way without having first obtained specific authority from the authorized officer and making payment therefor.

(3) To take adequate precaution to prevent forest, brush, and grass fires; to endeavor with all available personnel to suppress any fire originating on or threatening the right-of-way on which a road is being used or constructed by the permittee or any fire caused by the permittee; to do no burning on or near the right-of-way without State permit during the seasons that permits are required and in no event to set fire on or near the right-of-way
