§ 2932.13 How will I know if individual use of a special area requires a Special Recreation Permit?

BLM will publish notification of the requirement to obtain a Special Recreation Permit to enter a special area in the FEDERAL REGISTER and local and regional news media. We will post permit requirements at major access points for the special area and provide information at the local BLM office.

§ 2932.14 Do I need a Special Recreation Permit to hunt, trap, or fish?

(a) If you hold a valid State license, you do not need a Special Recreation Permit to hunt, trap, or fish. You must comply with State license requirements for these activities. BLM Special Recreation Permits do not alone authorize you to hunt, trap, or fish. However, you must have a Special Recreation Permit if BLM requires one for recreational use of a special area where you wish to hunt, trap, or fish.

(b) Outfitters and guides providing services to hunters, trappers, or anglers must obtain Special Recreation Permits from BLM. Competitive event operators and organized groups may also need a Special Recreation Permit for these activities.

§ 2932.20 Special Recreation Permit applications.

§ 2932.21 Why should I contact BLM before submitting an application?

If you wish to apply for a Special Recreation Permit, we strongly urge you to contact the appropriate BLM office before submitting your application. You may need early consultation to become familiar with BLM practices and responsibilities, and the terms and conditions that we may require in a Special Recreation Permit. Because of the lead time involved in processing Special Recreation Permit applications, you should contact BLM in sufficient time to complete a permit application ahead of the 180 day requirement (see § 2932.22(a)).

§ 2932.22 When do I apply for a Special Recreation Permit?

(a) For all uses requiring a Special Recreation Permit, except private, noncommercial use of special areas (see paragraph (b) of this section), you must apply to the local BLM office at least 180 days before you intend your use to begin. Through publication in the local media and on-site posting as necessary, a BLM office may require applications for specific types of use more than 180 days before your intended use. A BLM office may also authorize shorter application times for activities or events that do not require extensive environmental documentation or consultation.

(b) BLM field offices will establish Special Recreation Permit application procedures for private noncommercial individual use of special areas, including when to apply. As you begin to plan your use, you should call the field office with jurisdiction.

§ 2932.23 Where do I apply for a Special Recreation Permit?

You must apply to the local BLM office with jurisdiction over the land you wish to use.

§ 2932.24 What information must I submit with my application?

(a) Your application for a Special Recreation Permit for all uses, except individual and noncommercial group use of special areas, must include:
