#### § 3922.30

socioeconomic or environmental impacts to local communities, services and infrastructure:

- (12) A brief description of the reclamation methods that will be used;
- (13) Any other information that shows that the application meets the requirements of this subpart or that the applicant believes would assist the BLM in analyzing the impacts of the proposed development; and
  - (14) A map, or maps, showing:
- (i) The topography, physical features, and natural drainage patterns;
- (ii) Existing roads, vehicular trails, and utility systems;
- (iii) The location of any proposed exploration operations, including seismic lines and drill holes:
- (iv) To the extent known, the location of any proposed mining operations and facilities, trenches, access roads, or trails, and supporting facilities including the approximate location and extent of the areas to be used for pits, overburden, and tailings; and
- (v) The location of water sources or other resources that may be used in the proposed operations and facilities.

# § 3922.30 Application—Additional in formation.

At any time during processing of the application, or the environmental or similar assessments of the application, the BLM may request additional information from the applicant. Failure to provide the best available and most accurate information may result in suspension or termination of processing of the application, or in a decision to deny the application.

#### § 3922.40 Tract delineation.

- (a) The BLM will delineate tracts for competitive sale to provide for the orderly development of the oil shale resource.
- (b) The BLM may delineate more or less lands than were covered by an application for any reason the BLM determines to be in the public interest.
- (c) The BLM may delineate tracts in any area acceptable for further consideration for leasing, whether or not expressions of leasing interest or applications have been received for those areas.

(d) Where the BLM receives more than 1 application covering the same lands, the BLM may delineate the lands that overlap as a separate tract.

## Subpart 3923—Minimum Bid

#### § 3923.10 Minimum bid.

The BLM will not accept any bid that is less than the FMV as determined under §3924.10(d). In no case may the minimum bid be less than \$1,000 per acre.

## Subpart 3924—Lease Sale Procedures

#### § 3924.5 Notice of sale.

- (a) After the BLM complies with subparts 3921and 3922, the BLM may publish a notice of the lease sale in the FEDERAL REGISTER containing all information required by paragraph (b) of this section. The BLM will also publish a similar notice of lease sale that complies with this section once a week for 3 consecutive weeks, or such other time deemed appropriate by the BLM, in 1 or more newspapers of general circulation in the county or counties in which the oil shale lands are situated. The notice of the sale will be posted in the appropriate State Office at least 30 days prior to the lease sale.
  - (b) The notice of sale will:
- (1) List the time and place of sale, the bidding method, and the legal land descriptions of the tracts being offered;
- (2) Specify where a detailed statement of lease terms, conditions, and stipulations may be obtained;
- (3) Specify the royalty rate and the amount of the annual rental;
- (4) Specify that, prior to lease issuance, the successful bidder for a particular lease must pay the identified cost recovery amount, including the bidder's proportionate share of the total cost of the NEPA analysis and of publication of the notice; and
- (5) Contain such other information as the BLM deems appropriate.
- (c) The detailed statement of lease terms, conditions, and stipulations will at a minimum, contain:
- (1) A complete copy of each lease and all lease stipulations to the lease; and

# Bureau of Land Management, Interior

(2) Resource information relevant to the tracts being offered for lease and the minimum production requirement.

# § 3924.10 Lease sale procedures and receipt of bids.

- (a) The BLM will accept sealed bids only as specified in the notice of sale and will return to the bidder any sealed bid submitted after the time and date specified in the sale notice. Each sealed bid must include:
- (1) A certified check, cashier's check, bank draft, money order, personal check, or cash for one-fifth of the amount of the bonus; and
- (2) A qualifications statement signed by the bidder as described in subpart 3902 of this chapter.
- (b) At the time specified in the sale notice, the BLM will open and read all bids and announce the highest bid. The BLM will make a record of all bids.
- (c) No decision to accept or reject the high bid will be made at the time of sale.
- (d) After the sale, the BLM will convene a sales panel to determine:
- (1) If the high bid was submitted in compliance with the terms of the notice of sale and these regulations:
- (2) If the high bid reflects the FMV of the tract; and
- (3) Whether the high bidder is qualified to hold the lease.
- (e) The BLM may reject any or all bids regardless of the amount offered, and will not accept any bid that is less than the FMV. The BLM will notify the high bidder whose bid has been rejected in writing and include a statement of reasons for the rejection.
- (f) The BLM may offer the lease to the next highest qualified bidder if the successful bidder fails to execute the lease or for any reason is disqualified from receiving the lease.
- (g) The balance of the bonus bid is due and payable to the MMS in 4 equal annual installments on each of the first 4 anniversary dates of the lease, unless otherwise specified in the lease.

### Subpart 3925—Award of Lease

## § 3925.10 Award of lease.

(a) The lease will be awarded to the highest qualified bidder whose bid meets or exceeds the BLM's estimate of

- FMV, except as provided in §3924.10. The BLM will provide the successful bidder 3 copies of the oil shale lease form for execution.
- (b) Within 60 calendar days after receipt of the lease forms, the successful bidder must sign all copies and return them to the proper BLM office. The successful bidder must also submit the necessary lease bond (see subpart 3904 of this chapter), the first year's rental, any unpaid cost recovery fees, including costs associated with the NEPA analysis, and the bidder's proportionate share of the cost of publication of the sale notice. The BLM may, upon written request, grant an extension of time to submit the items under this paragraph.
- (c) If the successful bidder does not comply with this section, the BLM will not issue the lease and the bidder forfeits the one-fifth bonus payment submitted with the bid.
- (d) If the lease cannot be awarded for reasons determined by the BLM to be beyond the control of the successful bidder, the BLM will refund the deposit submitted with the bid.
- (e) If the successful bidder was not an applicant under §3922.20, the successful bidder must submit an application and the BLM may require additional NEPA analysis of the successful bidder's proposed operations.

# Subpart 3926—Conversion of Preference Right for Research, Development, and Demonstration (R, D and D) Leases

# § 3926.10 Conversion of an R, D and D lease to a commercial lease.

- (a) Applications to convert R, D and D leases, including preference right areas, into commercial leases, are subject to the regulations at parts 3900 and 3910, this part, and part 3930, except for lease sale procedures at subparts 3921 and 3924 and §3922.40.
- (b) A lessee of an R, D and D lease must apply for the conversion of the R, D and D lease to a commercial lease no later than 90 calendar days after the commencement of production in commercial quantities. No specific form of application is required. The application for conversion must be filed in the
