Subpart A—What Are the Provisions Addressing Individual Responsibility?

§261.10 What work requirements must an individual meet?

(a)(1) A parent or caretaker receiving assistance must engage in work activities when the State has determined that the individual is ready to engage in work or when he or she has received assistance for a total of 24 months, whichever is earlier, consistent with section 407(e)(2) of the Act.

45 CFR Ch. II (10–1–12 Edition)

(2) The State must define what it means to engage in work for this requirement; its definition may include participation in work activities in accordance with section 407 of the Act.

(b) If a parent or caretaker has received assistance for two months, he or she must participate in community service employment, consistent with section 407(e)(2) of the Act, unless the State has exempted the individual from work requirements or he or she is already engaged in work activities as described at §261.30. The State will determine the minimum hours per week and the tasks the individual must perform as part of the community service employment.

§261.11 Which recipients must have an assessment under TANF?

(a) The State must make an initial assessment of the skills, prior work experience, and employability of each recipient who is at least age 18 or who has not completed high school (or equivalent) and is not attending secondary school.

(b) The State may make any required assessments within 30 days (90 days, at State option) of the date an individual becomes eligible for assistance.

§261.12 What is an individual responsibility plan?

An individual responsibility plan is a plan developed at State option, in consultation with the individual, on the basis of the assessment made under §261.11. The plan:

(a) Should set an employment goal and a plan for moving immediately into private-sector employment;

(b) Should describe the obligations of the individual. These could include going to school, maintaining certain grades, keeping school-aged children in school, immunizing children, going to classes, or doing other things that will help the individual become or remain employed in the private sector;

(c) Should be designed to move the individual into whatever private-sector employment he or she is capable of handling as quickly as possible and to increase over time the responsibility and the amount of work the individual handles;
