§ 800.103 Authority to contract with issuers.

(a) *General.* OPM may enter into contracts with health insurance issuers to offer at least two MSPs on Exchanges and SHOPs in each State, without regard to any statutes that would otherwise require competitive bidding.

(b) *Non-profit entity.* In entering into contracts with health insurance issuers to offer MSPs, OPM will enter into a contract with at least one non-profit entity as defined in § 800.20 of this part.

(c) *Group of issuers.* Any contract to offer an MSP may be with a group of issuers as defined in § 800.20.

(d) *Individual and group coverage.* The contracts will provide for individual health insurance coverage and for group health insurance coverage for small employers.

§ 800.104 Phased expansion.

(a) *Phase-in.* OPM may enter into a contract with a health insurance issuer to offer an MSP if the health insurance issuer agrees that:

(1) With respect to the first year for which the health insurance issuer offers an MSP, the health insurance issuer will offer the MSP in at least 60 percent of the States;

(2) With respect to the second such year, the health insurance issuer will offer the MSP in at least 70 percent of the States;

(3) With respect to the third such year, the health insurance issuer will offer the MSP in at least 85 percent of the States; and

(4) With respect to each subsequent year, the health insurance issuer will offer the MSP in all States.

(b) *Partial coverage within a State.* OPM may enter into a contract with an MSPP issuer even if the MSPP issuer's MSPs for a State cover fewer than all the service areas specified for that State pursuant to § 800.110. For each State in which the MSPP issuer offers partial coverage, the MSPP issuer must submit a plan for offering coverage throughout the State. OPM will monitor the MSPP issuer's progress in

45 CFR Ch. VIII (10–1–13 Edition)

implementing the plan as part of its contract compliance activities under subpart E of this part.

(c) *Participation in SHOPs.* (1) An MSPP issuer's participation in the Federally-facilitated SHOP must be consistent with the requirements for QHP issuers specified in 45 CFR 156.200(g).

(2) An MSPP issuer must comply with State standards governing participation in State-based SHOPs, consistent with § 800.114. For these State-based SHOP standards, OPM retains discretion to allow an MSPP issuer to phase-in SHOP participation in States pursuant to section 1334(e) of the Affordable Care Act.

(d) *Licensed where offered.* OPM may enter into a contract with an MSPP issuer who is not licensed in every State, provided that the issuer is licensed in every State where it offers MSP coverage through any Exchanges in that State and demonstrates to OPM that it is making a good faith effort to become licensed in every State consistent with the timeframe in paragraph (a) of this section.

§ 800.105 Benefits.

(a) *Benefits package.* (1) An MSPP issuer must offer a uniform benefits package, including the essential health benefits (EHB) described in section 1302 of the Affordable Care Act, for each MSP within a State.

(b) *Benefits package options.* (1) An MSPP issuer must offer a benefits package, in all States, that is substantially equal to:

(i) The EHB-benchmark plan in each State in which it operates; or

(2) An issuer applying to participate in the MSPP must select one of the two benefits package options described in paragraph (b)(1) of this section in its application.
