

§ 1641.21 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under §1641.18(d) or (e), if the debarring official finds that the IPA's submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.20(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart E—Decisions**§ 1641.22 Decisions of debarring official.**

(a) *Standard of proof.* (1) A debarment or removal must be based on a finding that the cause or causes for debarment or removal are established by a preponderance of the evidence in the administrative record of the case.

(2) A suspension must be based on a finding that the cause or causes are established by adequate evidence in the administrative record of the case.

(b) The administrative record consists of any information, reports, documents or other evidence identified and relied upon in the Notice of Proposed Debarment, the Notice of Proposed Suspension, or the Notice of Proposed Removal, together with any relevant material contained in the IPA's response or submitted by an affected recipient. In the case of debarment or re-

moval, when additional proceedings are necessary to determine disputed material facts, the administrative record also shall consist of any relevant material submitted or presented at such proceedings.

(c) Failure of the OIG to meet a time requirement of this part does not preclude the OIG from debarring, suspending or removing an IPA. In extraordinary circumstances, the OIG may grant an IPA an extension of the time requirements set out in this part.

(d) *Notice of decisions.* IPAs shall be given prompt notice of the debarring official's decision. A copy of the decision also will be sent to the affected recipient. If the debarring official debars, suspends or removes an IPA, the decision shall:

(1) Set forth the finding(s) upon which the decision is based;

(2) Set forth the effect of the debarment, suspension or removal action and the effective dates of the action;

(3) Refer the IPA to its procedural rights of appeal and reconsideration under §1641.24; and

(4) Inform the IPA that a copy of the debarring official's decision will be a public document and the fact of debarment, suspension or removal will be a matter of public record.

(e) If the debarring official decides that a debarment, suspension, or removal is not warranted, the Notice may be withdrawn or the proceeding may be otherwise terminated.

(f) If the debarring official deems it appropriate, the debarring official may, at any time, settle by agreement with the IPA a debarment, suspension, or removal action. Such a negotiated settlement may include the imposition of appropriate conditions on the IPA.

§ 1641.23 Exceptions to debarment, suspension and removal.

Exceptions to the effects of debarment, suspension or removal may be available in unique circumstances, when there are compelling reasons to use a particular IPA for a specific task. Requests for such exceptions may be submitted only by the recipient requiring audit services. The Inspector General may except a contract from the effects of debarment, suspension or removal upon a written determination
