§ 148.71 Information included in the dangerous cargo manifest.

The dangerous cargo manifest must include the following:

(a) The name and official number of the vessel. If the vessel has no official number, the international radio call sign must be substituted;

(b) The nationality of the vessel;

(c) The name of the material as listed in Table 148.10 of this part;

(d) The hold or cargo compartment in which the material is being transported;

(e) The total quantity of the material to be transported;

(f) The stowage factor;

(g) The need for trimming and the trimming procedures, as necessary;

(h) The likelihood of shifting, including angle of repose, if applicable;

(i) A certificate on the moisture content of the cargo and its transportable moisture limit for cargoes that are subject to liquefaction;

(j) The likelihood of formation of a wet base;

(k) Toxic or flammable gases that may be generated by the cargo, if applicable;

(l) The flammability, toxicity, corrosiveness, and propensity to oxygen depletion of the cargo, if applicable;

(m) Self-heating properties of the cargo, if applicable;

(n) Properties on emission of flammable gases in contact with water, if applicable;

(o) Radioactive properties, if applicable;

(p) A certification, signed by the shipper, that bears the following statement: “This is to certify that the above named material is properly named, prepared, and otherwise in proper condition for bulk shipment by vessel in accordance with the applicable regulations of the U.S. Coast Guard.”

§ 148.72 Location of shipping papers and emergency response information.

(a) The shipping paper and emergency response information required by §§148.60 and 148.61 of this part must be kept on board the vessel along with the dangerous cargo manifest required by §148.70 of this part. When the shipment is by unmanned barge the shipping papers and emergency response information must be kept on the tug or towing vessel. When an unmanned barge is moored, the shipping paper and emergency response information must be on board the barge in a readily retrievable location.

(b) Any written certification or statement from the shipper to the master of a vessel or to the person in charge of a barge must be on, or attached to, the shipping paper. See Subparts E and F of this part for required certifications.
