

Federal Maritime Commission

§ 502.502

(f) *Allowable fees and expenses.* (1) Awards will be based on rates customarily charged by the persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(2) No award for the fee of an attorney or agent under this subpart may exceed \$125 per hour. No award to compensate an expert witness may exceed the highest rate at which the Commission pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(3) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(i) If the attorney, agent or witness is in private practice, his or her customary fees for similar services, or, if an employee of the applicant, the fully allocated costs of the services;

(ii) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(iii) The time actually spent in the representation of the applicant;

(iv) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(v) Such other factors as may bear on the value of the services provided.

(4) The reasonable cost of any study, analysis, engineering report, test project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

(g) *Awards against other agencies.* If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Commission and takes a position that is not substantially justified, the award or an ap-

propriate portion of the award shall be made against that agency. [Rule 501.]

§ 502.502 Information required from applicants.

(a) *Contents of petition.* (1) An application for an award of fees and expenses under EAJA shall be by petition under § 502.69 of this part, shall clearly indicate that the application is made under EAJA, and shall identify the applicant and the proceeding (including docket number) for which an award is sought. The application shall show that the applicant has prevailed and identify the position of an agency or agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(2) The petition shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(i) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(ii) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(3) The petition shall state the amount of fees and expenses for which an award is sought.

(4) The petition may also include any other matters that the applicant wishes the Commission to consider in determining whether and in what amount an award should be made.

(5) The petition shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written

verification under oath or under penalty of perjury that the information provided in the application is true and correct.

(b) *Net worth exhibit.* (1) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its petition a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 502.501(d)(6) of this subpart) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(2) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission's established procedures under the Freedom of

Information Act under §§ 503.31–503.43 of this chapter.

(c) *Documentation of fees and expenses.* The petition shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

(d) *When a petition may be filed.* (1) A petition may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Commission's final disposition of the proceeding.

(2) For purposes of this subpart, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the Commission and to the courts.

(3) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have

been finally determined pursuant to the appeal. [Rule 502.]

§ 502.503 Procedures for considering petitions.

(a) *Filing and service of documents.* (1) Any petition for an award or other pleading or document related to a petition shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 502.502(b)(2) (confidential financial information).

(2) The petition and all other pleadings or documents related to the petition will be referred to an Administrative Law Judge to initially decide the matter as adjudicative officer.

(b) *Reply to petition.* (1) Within 30 days after service of a petition, counsel representing the agency against which an award is sought may file a reply to the petition. Unless counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b)(2) of this section, failure to file a reply within the 30-day period may be treated as a consent to the award requested.

(2) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing a reply for an additional 30 days, and further extension may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(3) The reply shall explain in detail any objections to the award requested and identify the facts relied on in support of counsel's position. If the reply is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the reply either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(c) *Response to reply.* Within 15 days after service of a reply, the applicant may file a response. If the response is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the response

either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(d) *Comments by other parties.* Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on a reply, within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

(e) *Settlement.* The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded in accordance with the rules of this subpart pertaining to settlement. If a prevailing party and agency counsel agree on a proposed settlement of an award before a petition is filed, the petition shall be filed with the proposed settlement.

(f) *Further proceedings.* (1) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(2) A request that the adjudicative officer order further proceedings under this section shall specifically identify
