the top 10 liner commodities (including commodities not subject to tariff publication) carried by all the agreement parties in each sub-trade within the geographic scope of the agreement during the calendar quarter. Where the agreement covers both U.S. inbound and outbound liner movements, inbound and outbound sub-trades shall be stated separately. All other instructions, definitions, and terms shall apply as specified and required in appendix B of this part.

§ 535.704 Filing of minutes.

(a) Agreements required to file minutes.

(1) This section applies to agreements authorized to engage in any of the following activities: discussion or establishment of any type of rates or charges, whether in tariffs or service contracts; pooling or apportionment of cargo traffic; discussion of revenues, losses, or earnings; or discussion or agreement on service contract matters, including the establishment of voluntary service contract guidelines.

(2) Each agreement to which this section applies shall file with the Commission, through a designated official, minutes of all meetings defined in paragraph (b) of this section, except as provided in paragraph (d) of this section.

(b) Meetings. For purposes of this subpart, the term meeting shall include all discussions at which any agreement is reached among any number of the parties to an agreement relating to the business of the agreement, and all other discussions among three or more members of the agreement (or all members if fewer than three) relating to the business of the agreement. This includes, but is not limited to, meetings of the members’ agents, principals, owners, officers, employees, representatives, committees, or subcommittees, and communications among members facilitated by agreement officials. Discussions conducted by telephone, electronic device, or other means are included.

(c) Content of minutes. Minutes shall include the following:

(1) The date, time, and place of the meeting;

(2) A list of participants and companies represented;

(3) A description of discussions detailed enough so that a non-participant reading the minutes could reasonably gain a clear understanding of the nature and extent of the discussions and, where applicable, any decisions reached. Such description need not disclose the identity of the parties that participated in the discussion or the votes taken; and

(4) Any report, circular, notice, statistical compilation, analytical study, survey, or other work distributed, discussed, or exchanged at the meeting, whether presented by oral, written, electronic, or other means. Where the aforementioned materials are reasonably available to the public, a citation to the work or relevant part thereof is acceptable in lieu of the actual work. Any documents submitted to the Commission pursuant to this section need not disclose the identity of the party or parties that circulated the document at the meeting.

(d) Exemption. For parties to agreements subject to this section, the following exemptions shall apply:

(1) Minutes of meetings between parties are not required to reflect discussions of matters set forth in §535.408(b)(2), (b)(3), (b)(4)(iii), (b)(4)(iv), (b)(4)(v), and (b)(4)(vi);

(2) Minutes of meetings between parties are not required to reflect discussions of matters set forth in §535.408(b)(5) to the extent that such discussions involve minor operational matters that have little or no impact on the frequency of vessel calls at ports or the amount of vessel capacity offered by the parties in the geographic scope of the agreement; and

(3) Minutes of meetings between parties are not required to reflect discussions of or actions taken with regard to rates that, if adopted, would be required to be published in an appropriate tariff. This exemption does not apply to discussions concerning general rate policy, general rate changes, the opening or closing of rates, service contracts, or time/volume rates.

(e) Serial numbers. Each set of minutes filed with the Commission shall include the agreement name and FMC number and a unique identification number indicating the sequence in
which the meeting took place during the calendar year.

§ 535.705 Application for waiver.

(a) Upon a showing of good cause, the Commission may waive any requirement of this subpart.

(b) A request for such a waiver must be submitted and approved by the Commission in advance of the filing of the Monitoring Report or minutes to which the requested waiver would apply. Requests for a waiver shall be submitted in writing to the Director, Bureau of Trade Analysis, Federal Maritime Commission, Washington, DC 20573–0001, and shall state and provide the following:

(1) The specific requirements from which relief is sought;
(2) The special circumstances requiring the requested relief;
(3) Relevant trade and industry data and information to substantiate and support the special circumstances requiring the requested relief; and
(4) Why granting the requested waiver will not substantially impair effective monitoring of the agreement.

(c) The Commission may take into account the presence or absence of shipper complaints as well as the past compliance of the agreement parties with any reporting requirement under this part in considering an application for a waiver.

Subpart H—Mandatory and Prohibited Provisions

§ 535.801 Independent action.

(a) Each conference agreement shall specify the independent action (“IA”) procedures of the conference, which shall provide that any conference member may take independent action on any rate or service item upon not more than 5 calendar days’ notice to the conference and shall otherwise be in conformance with section 5(b)(8) of the Act (46 U.S.C. 40303(b)(8)).

(b)(1) Each conference agreement that provides for a period of notice for independent action shall establish a fixed or maximum period of notice to the conference. A conference agreement shall not require or permit a conference member to give more than 5 calendar days’ notice to the conference, except that in the case of a new or increased rate the notice period shall conform to the tariff publication requirements of this chapter.

(2) A conference agreement shall not prescribe notice periods for adopting, withdrawing, postponing, canceling, or taking other similar actions on independent actions.

(c) Each conference agreement shall indicate the conference official, single designated representative, or conference office to which notice of independent action is to be provided. A conference agreement shall not require notice of independent action to be given by the proposing member to the other parties to the agreement.

(d) A conference agreement shall not require a member who proposes independent action to attend a conference meeting, to submit any further information other than that necessary to accomplish the publication of the independent tariff item, or to comply with any other procedure for the purpose of explaining, justifying, or compromising the proposed independent action.

(e) A conference agreement shall specify that any new rate or service item proposed by a member under independent action (except for exempt commodities not published in the conference tariff) shall be included by the conference in its tariff for use by that member effective no later than 5 calendar days after receipt of the notice and by any other member that notifies the conference that it elects to adopt the independent rate or service item on or after its effective date.

(f)(1) As it pertains to this part, “adopt” means the assumption in identical form of an originating member’s independent action rate or service item, or a particular portion of such a rate or service item. If a carrier adopts an IA at a lower rate than the conference rate when there is less than 30 days remaining on the original IA, the adopted IA should be made to expire 30 days after its effectiveness to comply with the statutory 30-day notice requirement. In the case of an independent action time/volume rate (“IA
