

Office of the Secretary of Transportation**§ 24.105**

Recovery, and Enforcement Act of 1989 (FIRREA) (12 U.S.C. 3331 *et seq.*).

[70 FR 611, Jan. 4, 2005, as amended at 70 FR 22611, May 2, 2005]

§ 24.104 Review of appraisals.

The Agency shall have an appraisal review process and, at a minimum:

(a) A qualified review appraiser (see § 24.103(d)(1) and appendix A, § 24.104) shall examine the presentation and analysis of market information in all appraisals to assure that they meet the definition of appraisal found in 49 CFR 24.2(a)(3), appraisal requirements found in 49 CFR 24.103 and other applicable requirements, including, to the extent appropriate, the UASFLA, and support the appraiser's opinion of value. The level of review analysis depends on the complexity of the appraisal problem. As needed, the review appraiser shall, prior to acceptance, seek necessary corrections or revisions. The review appraiser shall identify each appraisal report as recommended (as the basis for the establishment of the amount believed to be just compensation), accepted (meets all requirements, but not selected as recommended or approved), or not accepted. If authorized by the Agency to do so, the staff review appraiser shall also approve the appraisal (as the basis for the establishment of the amount believed to be just compensation), and, if also authorized to do so, develop and report the amount believed to be just compensation. (See appendix A, § 24.104(a).)

(b) If the review appraiser is unable to recommend (or approve) an appraisal as an adequate basis for the establishment of the offer of just compensation, and it is determined by the acquiring Agency that it is not practical to obtain an additional appraisal, the review appraiser may, as part of the review, present and analyze market information in conformance with § 24.103 to support a recommended (or approved) value. (See appendix A, § 24.104(b).)

(c) The review appraiser shall prepare a written report that identifies the appraisal reports reviewed and documents the findings and conclusions arrived at during the review of the appraisal(s). Any damages or benefits to any remaining property shall be identified in

the review appraiser's report. The review appraiser shall also prepare a signed certification that states the parameters of the review. The certification shall state the approved value, and, if the review appraiser is authorized to do so, the amount believed to be just compensation for the acquisition. (See appendix A, § 24.104(c).)

§ 24.105 Acquisition of tenant-owned improvements.

(a) *Acquisition of improvements.* When acquiring any interest in real property, the Agency shall offer to acquire at least an equal interest in all buildings, structures, or other improvements located upon the real property to be acquired, which it requires to be removed or which it determines will be adversely affected by the use to which such real property will be put. This shall include any improvement of a tenant-owner who has the right or obligation to remove the improvement at the expiration of the lease term.

(b) *Improvements considered to be real property.* Any building, structure, or other improvement, which would be considered to be real property if owned by the owner of the real property on which it is located, shall be considered to be real property for purposes of this subpart.

(c) *Appraisal and Establishment of Just Compensation for a Tenant-Owned Improvement.* Just compensation for a tenant-owned improvement is the amount which the improvement contributes to the fair market value of the whole property, or its salvage value, whichever is greater. (Salvage value is defined at § 24.2(a)(23).)

(d) *Special conditions for tenant-owned improvements.* No payment shall be made to a tenant-owner for any real property improvement unless:

(1) The tenant-owner, in consideration for the payment, assigns, transfers, and releases to the Agency all of the tenant-owner's right, title, and interest in the improvement;

(2) The owner of the real property on which the improvement is located disclaims all interest in the improvement; and

(3) The payment does not result in the duplication of any compensation otherwise authorized by law.

§ 24.106

(e) *Alternative compensation.* Nothing in this subpart shall be construed to deprive the tenant-owner of any right to reject payment under this subpart and to obtain payment for such property interests in accordance with other applicable law.

[70 FR 611, Jan. 4, 2005, as amended at 70 FR 22611, May 2, 2005]

§ 24.106 Expenses incidental to transfer of title to the Agency.

(a) The owner of the real property shall be reimbursed for all reasonable expenses the owner necessarily incurred for:

(1) Recording fees, transfer taxes, documentary stamps, evidence of title, boundary surveys, legal descriptions of the real property, and similar expenses incidental to conveying the real property to the Agency. However, the Agency is not required to pay costs solely required to perfect the owner's title to the real property;

(2) Penalty costs and other charges for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property; and

(3) The pro rata portion of any pre-paid real property taxes which are allocable to the period after the Agency obtains title to the property or effective possession of it, whichever is earlier.

(b) Whenever feasible, the Agency shall pay these costs directly to the billing agent so that the owner will not have to pay such costs and then seek reimbursement from the Agency.

§ 24.107 Certain litigation expenses.

The owner of the real property shall be reimbursed for any reasonable expenses, including reasonable attorney, appraisal, and engineering fees, which the owner actually incurred because of a condemnation proceeding, if:

(a) The final judgment of the court is that the Agency cannot acquire the real property by condemnation;

(b) The condemnation proceeding is abandoned by the Agency other than under an agreed-upon settlement; or

(c) The court having jurisdiction renders a judgment in favor of the owner in an inverse condemnation proceeding

49 CFR Subtitle A (10-1-13 Edition)

or the Agency effects a settlement of such proceeding.

§ 24.108 Donations.

An owner whose real property is being acquired may, after being fully informed by the Agency of the right to receive just compensation for such property, donate such property or any part thereof, any interest therein, or any compensation paid therefore, to the Agency as such owner shall determine. The Agency is responsible for ensuring that an appraisal of the real property is obtained unless the owner releases the Agency from such obligation, except as provided in § 24.102(c)(2).

Subpart C—General Relocation Requirements

§ 24.201 Purpose.

This subpart prescribes general requirements governing the provision of relocation payments and other relocation assistance in this part.

§ 24.202 Applicability.

These requirements apply to the relocation of any displaced person as defined at § 24.2(a)(9). Any person who qualifies as a displaced person must be fully informed of his or her rights and entitlements to relocation assistance and payments provided by the Uniform Act and this regulation. (See appendix A, § 24.202.)

§ 24.203 Relocation notices.

(a) *General information notice.* As soon as feasible, a person scheduled to be displaced shall be furnished with a general written description of the displacing Agency's relocation program which does at least the following:

(1) Informs the person that he or she may be displaced for the project and generally describes the relocation payment(s) for which the person may be eligible, the basic conditions of eligibility, and the procedures for obtaining the payment(s);

(2) Informs the displaced person that he or she will be given reasonable relocation advisory services, including referrals to replacement properties, help in filing payment claims, and other
