

§ 1241.11

§ 1241.11 Annual reports of class I railroads.

(a) Commencing with reports for the year ended December 31, 1973, and thereafter, until further order, all line-haul railroad companies of class I, as defined in §1240.1 of this chapter, subject to section 20, Part I of the Interstate Commerce Act, are required to file annual reports in accordance with Railroad Annual Report Form R-1. Such annual report shall be filed in duplicate in the office of the Office of Economics, Environmental Analysis, and Administration, Surface Transportation Board, Washington, DC 20423, on or before March 31 of the year following the year which is being reported.

(b) Expenditures and certain statistical information, as described below, for Positive Train Control (PTC) installation, maintenance, and operation shall be separately identified in a supplement to the Railroad Annual Report Form R-1 and submitted with the Railroad Annual Report Form R-1. This supplement shall identify PTC-related expenditures on road property and equipment improvements, depreciation of road property and equipment, accumulated depreciation, investment in railway property, and railway operating expenses. The supplement shall also identify the total mileage on which carriers install PTC and the number of locomotives equipped with PTC. The supplement shall include PTC-related expenditures for passenger-only service not otherwise captured in the individual schedules. In addition to separating capital expenses and operating expenses incurred by the railroad for PTC, the respondent entity shall include the value of funds received from non-government and government transfers to include grants, subsidies, and other contributions or reimbursements that the respondent entity used to purchase or create PTC assets or to offset PTC costs.
