§ 892.208 Can I change my enrollment from self and family to self only at any time?

If you are participating in premium conversion you may change your FEHB enrollment from self and family to self only under either of the following circumstances:

(a) *During the annual open season.* A change to self only made during the annual open season takes effect on the 1st day of the first pay period that begins in the next year.

(b) *Within 60 days after you have a qualifying life event.* A change to self only made because of a qualifying life event takes effect on the first day of the first pay period that begins after the date your employing office receives your appropriate request. Your change in enrollment must be consistent with and correspond to your qualifying life event. For example, if you get divorced and have no dependent children, changing to self only would be consistent with that qualifying life event. If both you and your spouse are Federal employees, and your youngest dependent turns age 22, changing from a self and family to two self only enrollments would be consistent and appropriate for that event.

(c) If you are subject to a court or administrative order as discussed in § 890.301(g)(3) of this chapter, you may not change your enrollment to self only as long as the court or administrative order is still in effect and you have at least one child identified in the order who is still eligible under the FEHB Program, unless you provide documentation to your agency that you have other coverage for your child or children. *See also* § 892.207 and § 892.209.

§ 892.209 Can I cancel FEHB coverage at any time?

If you are participating in premium conversion you may cancel your FEHB coverage:

(a) *During the annual open season.* A cancellation made during the annual open season is effective at midnight of the day before the first day of the first pay period that begins in the next year.

(b) *Within 60 days after you have a qualifying life event.* A cancellation made because of a qualifying life event takes effect at midnight of the last day of the pay period in which your employing office receives your appropriate request to cancel your enrollment. Your cancellation of coverage must be consistent with and correspond to your qualifying life event. For example, if you get married and you gain other insurance coverage because your spouse's employer provides health insurance for your spouse and you, then canceling FEHB coverage would be consistent with that qualifying life event. If you add an eligible family member, canceling coverage would generally not be consistent with that qualifying life event.

(c) If you are subject to a court or administrative order as discussed in § 890.301(g)(3) of this chapter, you may not cancel your coverage as long as the court or administrative order is still in effect and you have at least one child identified in the order who is still eligible under the FEHB Program, unless you provide documentation to your agency that you have other coverage for your child or children.
