Subpart B—Eligibility Provisions

§ 950.201 National/international eligibility.

(a) The Director shall annually:

(1) Determine the timetable and other procedures regarding application for inclusion in the National/International and International parts of the Charity List.

(2) Determine which organizations among those that apply qualify to be included in the National/International and International parts of the Charity List and then provide these parts of the Charity List of qualified organizations to all local campaigns. In order to determine whether an organization may participate in the campaign, the Director may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The Director retains the ultimate authority to decide whether the organization has demonstrated, to the Director's satisfaction, that the organization has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the Director's request for information within 10 business days of the date of the request may result in a determination that the organization will not be included in the Charity List.

(b) The National/International and International parts of the Charity List shall be included in the Charity List in accordance with these regulations. The Charity List will include each organization's CFC code and other information as determined by OPM. These CFC codes must be verbatim reproduced in the Charity List.

(c) An organization on the National/International or International parts of the Charity List may elect to be removed from the applicable part of the Charity List and have its local affiliate or subunit listed on the Local part of the Charity List of organizations in its stead. For the local affiliate or subunit to be listed in lieu of the organization on the National/International or International parts, the following procedures must be followed:

(1) The organization must send a letter to the local affiliate or subunit in that particular geographic CFC, waiving its listing on the National/International or International part of the Charity List so that its eligible local affiliate or subunit listed in the Local part of the Charity List in that geographic CFC will appear as that organization's sole listing in the Charity List.

(2) The local affiliate or subunit will include in its application to the LFCC a copy of the letter authorizing the removal of the organization from the National/International or International part of the Charity List, as well as all the required materials for completing a local organization application.

(3) Upon finding the local organization eligible, the waiver letter from the organization on the National/International or International part authorizes the LFCC to delete that organization from the National/International or International part of the Charity List.

This requirement cannot be met on the sole basis of services provided through an "800" telephone number or by disseminating information and publications via the U.S. Postal Service, the internet, or a combination thereof. A schedule listing a detailed description of the services in each state (minimum 15) or foreign countries (minimum 1), including the year of service, must be included with the CFC application.
