(g) *Waivers.* An agency designee may grant a written waiver from any provision of this section based on a determination made with the advice and legal clearance of the DAEO or Office of the Chief Counsel that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which agency programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.
