§ 1206.40 Budget and expenses.

(a) At least 60 days prior to the beginning of each calendar year, and as may be necessary thereafter, the Board shall prepare and submit to the Department a budget for the calendar year covering its anticipated expenses and disbursements in administering this subpart. Each such budget shall include:

(1) A statement of objectives and strategy for each program, plan, or project;

(3) A summary of proposed expenditures for each program, plan, or project; and

(4) Staff and administrative expense breakdowns, with comparative data for at least one preceding year (except for the initial budget).

(b) Each budget shall provide adequate funds to defray its proposed expenditures and to provide for a reserve as set forth in this subpart.

(c) Subject to this section, any amendment or addition to an approved budget must be approved by the Department, including shifting funds from one program, plan, or project to another. Shifts of funds which do not cause an increase in the Board's approved budget and which are consistent with governing bylaws need not have prior approval by the Department.

(d) The Board is authorized to incur such expenses, including provision for a reserve, as the Department finds reasonable and likely to be incurred by the Board for its maintenance and functioning, and to enable it to exercise its powers and perform its duties in accordance with the provisions of this subpart. Such expenses shall be paid from funds received by the Board.

(e) With approval of the Department, the Board may borrow money for the payment of administrative expenses, subject to the same fiscal, budget, and audit controls as other funds of the Board. Any funds borrowed by the Board shall be expended only for start-up costs and capital outlays and are limited to the first year of operation of the Board.

(h) The Board may not expend for administration, maintenance, and functioning of the Board in any calendar year an amount that exceeds 15 percent of the assessments and other income received by the Board for that calendar year. Reimbursements to the Department required under paragraph (g) of this section, are excluded from this limitation on spending.

§ 1206.41

Each such financial statement shall include, but not be limited to, a balance sheet, income statement, and expense budget. The expense budget shall show expenditures during the time period covered by the report, year-to-date expenditures, and the unexpended budget.

The assessment rate will be reviewed and may be modified by the Board with the approval of the Department, after the first referendum is conducted as stated in §1206.71(b).
