

EXPENSES AND ASSESSMENTS

§ 1208.50 Budget and expenses.

(a) At least 60 days prior to the beginning of each fiscal year, and as may be necessary thereafter, the Council shall prepare and submit to the Secretary a budget for the fiscal year covering its anticipated expenses and disbursements in administering this subpart. The budget for research, promotion, or information may not be implemented prior to approval of the budget by the Secretary. No later than forty-five (45) days after the receipt of such budget, the Secretary shall notify the Council whether the Secretary approves or disapproves the budget. Each budget shall include:

(1) A statement of objectives and strategy for each program, plan, or project;

(2) A summary of anticipated revenue, with comparative data of at least one preceding year (except for the initial budget); and

(3) A summary of proposed expenditures for each program, plan, or project;

(4) Staff and administrative expense breakdowns, with comparative data for at least one preceding year (except for the initial budget).

(b) Each budget shall provide adequate funds to defray its proposed expenditures and to provide for a reserve as set forth in this subpart.

(c) Subject to this section, any amendment or addition to an approved budget must be approved by the Secretary, including shifting funds from one program, plan, or project to another. Shifts in funds which do not cause an increase in the Council's approved budget, and which are consistent with by laws, need not have prior approval by the Department.

(d) The Council is authorized to incur such expenses, including provision for a reasonable reserve, as the Secretary finds are reasonable and likely to be incurred by the Council for its maintenance and functioning, and to enable it to exercise its powers and perform its duties in accordance with the provisions of this subpart. Such expenses shall be paid from funds received by the Council.

(e) With approval of the Secretary, the Council may borrow money for the payment of administrative expenses, subject to the same fiscal, budget, and audit controls as other funds of the Council. Any funds borrowed by the Council shall be expended for startup costs and capital outlays and are limited to the first year of operation of the Council.

(f) The Council is authorized to repay startup costs associated with establishing a program and an initial referendum. If approved, these costs would be amortized and repaid over a maximum three (3) year period.

(g) The Council may accept voluntary contributions, but these shall only be used to pay expenses incurred in the conduct of programs, plans, and projects approved by the Secretary. Such contributions shall be free from any encumbrance by the donor and the Council shall retain complete control of their use.

(h) The Council may also receive funds provided through the Department's Foreign Agricultural Service or from other sources, with the approval of the Secretary, for authorized activities.

(i) The Council shall reimburse the Secretary for all expenses incurred by the Secretary in the implementation, administration, enforcement, and supervision of the Order, including all referendum costs in connection with the Order.

(j) The Council may not expend for administration, maintenance, and functioning of the Council in any fiscal year an amount that exceeds 15 percent of the assessments and other income received by the Council for that fiscal year. Reimbursements to the Secretary required under paragraph (i) of this section are excluded from this limitation on spending.

(k) The Council may establish an operating monetary reserve and may carry over to subsequent fiscal periods excess funds in any reserve so established: Provided that the funds in the reserve do not exceed one fiscal period's budget. Subject to approval by the Secretary, such reserve funds may be used to defray any expenses authorized under this part.

(c) The Council shall submit annually to the Secretary an annual financial statement within 90 days after the end of the fiscal year to which it applies.

§ 1208.52 Assessments.

(a) The funds to cover the Council's expenses shall be paid from assessments on producers and importers at a rate not to exceed one cent per pound; the initial rate is one cent per pound, donations from any person not subject to assessments under this Order, and other funds available to the Council including those collected pursuant to §1208.56 and subject to the limitations contained therein.

(b) The collection of assessments on domestic processed raspberries will be the responsibility of the first handler receiving the raspberries for processing. In the case of the producer acting as its own first handler, the producer will be required to collect and remit its individual assessments. The

rate of assessments shall be prescribed in regulations issued by the Secretary.

(c) The Council may recommend to the Secretary an increase or decrease to the assessment rate. Such an increase or decrease may occur not more than once annually. Any change in the assessment rate shall be subject to rulemaking by the Department.

(d) Each importer of processed raspberries shall pay an assessment to the Council on processed raspberries imported for marketing in the United States, through Customs. If Customs does not collect an assessment from an importer, the importer would be responsible for paying the assessment directly to the Council. The assessment rate for imported processed raspberries shall not exceed one cent per pound, with the initial rate being one cent per pound.

(1) The assessment rate for imported processed raspberries shall be the same or equivalent to the rate for processed raspberries produced in the United States.

(2) The import assessment shall be uniformly applied to imported processed red raspberries that are identified by the numbers 0811.20.2025, 2007.99.65.10, and 2009.80.60.55 in the Harmonized Tariff Schedule of the United States or any other numbers used to identify processed raspberries. Processed raspberries entering the United States under HTS code 2007.99.65.10 will be initially assessed using a 1:1 ratio to HTS code 0811.20.2025. Processed raspberries entering the United States under HTS code 2009.80.60.55 will be assessed using a 6.8:1 ratio to HTS code 0811.20.2025. Assessments and conversion ratios on other types of processed raspberries may be added at the recommendation of the Council subject to the approval of the Secretary.

(3) Each importer of processed raspberries shall pay through Customs to the Council an assessment on processed raspberries imported into the United States as described in section 804(a) of Title VIII of the Tariff Act of 1930, as amended (19 U.S.C. 1202-1683g), provided that it can be categorized in the HTS numbers listed in paragraph (d)(2) of this section.
