

Commodity Credit Corporation, USDA

§ 1410.31

(a) Share up to 50 percent of the cost with participants of establishing eligible practices specified in the conservation plan at the levels and rates of cost-sharing determined in accordance with the provisions of this part; and

(b) Pay to the participant for a period of years not in excess of the contract period an annual rental payment, including applicable incentive payments, in such amounts as may be specified in the CRP contract.

§ 1410.22 CRP conservation plan.

(a) The producer shall obtain a CRP conservation plan that complies with CCC guidelines and is approved by the conservation district for the land to be entered in the CRP. If the conservation district declines to review the CRP conservation plan, or disapproves the conservation plan, such approval may be waived by CCC.

(b) The practices and management activities included in the CRP conservation plan and agreed to by the participant must cost-effectively reduce erosion necessary to maintain the productive capability of the soil, improve water quality, protect wildlife or wetlands, protect a public well head, or achieve other environmental benefits as applicable. The producer must undertake management activities on the land as needed throughout the term of the CRP contract to implement the conservation plan.

(c) If applicable, a tree planting plan shall be developed and included in the CRP conservation plan. Such tree planting plan may allow up to 3 years to complete plantings if 10 or more acres of hardwood trees are to be established.

(d) If applicable, the CRP conservation plan shall address the goals included in the conservation priority area designation authorized under §1410.8.

(e) All CRP conservation plans and revisions of such plans shall be subject to the approval of CCC.

(f) Mid-cover management shall be conducted according to an approved conservation plan as part of the CRP contractual obligation such as light

discing and burning as determined by the Deputy Administrator.

§ 1410.23 Eligible practices.

(a) Eligible practices are those practices specified in the conservation plan that meet all standards needed to cost-effectively:

(1) Establish permanent vegetative or water cover, including introduced or native species of grasses and legumes, forest trees, and permanent wildlife habitat;

(2) Meet other environmental benefits, as applicable, for the contract period; and

(3) Accomplish other purposes of the program.

(b) Water cover is eligible cover for purposes of paragraph (a) of this section only if approved by the Deputy Administrator for purposes such as the enhancement of wildlife or the improvement of water quality. Such water cover shall not include ponds for the purpose of watering livestock, irrigating crops, or raising aquaculture for commercial purposes.

§§ 1410.24–1410.29 [Reserved]

§ 1410.30 Signup.

Offers for contracts shall be submitted only during signup periods as announced periodically by the Deputy Administrator, except that CCC may hold a continuous signup for land to be devoted to particular uses, as CCC deems necessary. Generally, continuous signup is limited to those offers that would otherwise rank highly under §1410.31(b) and may include high priority practices such as filter strips, riparian buffers, shelterbelts, field windbreaks, and living snow fences, grass waterways, shallow water areas for wildlife, salt-tolerant vegetation, and practices to benefit certain approved public wellhead protection areas.

§ 1410.31 Acceptability of offers.

(a) Except as provided in paragraph (c) of this section, producers may submit offers for the amounts they are willing to accept as rental payments to
