equivalent plan and all other applicable laws, regulations, or Executive Orders for any removal of eligible material for use in a biomass conversion facility to receive matching payments.

(d) Except as otherwise provided in this part, a participant may receive, in addition to any payments under this part, financial assistance, rental or easement payments, tax benefits, or other payments from a State or a private organization in return for enrolling land in BCAP, without any commensurate reduction in BCAP payments.

§ 1450.4 Violations.
(a)(1) If a participant fails to carry out the terms and conditions of a BCAP contract, CCC may terminate the BCAP contract.
(2) If the BCAP contract is terminated by CCC in accordance with this paragraph:
(i) The participant will forfeit all rights to further payments under the contract and must refund all payments previously received, plus interest; and
(ii) The participant must pay liquidated damages to CCC in an amount as specified in the contract.
(b) CCC may reduce a demand for a refund under this section to the extent CCC determines that such relief would be appropriate and would not deter the accomplishment of the purposes of BCAP.

§ 1450.5 Performance based on advice or action of USDA.
(a) The provisions of §718.303 of this title relating to performance based on the action or advice of an authorized representative of USDA apply to this part, and may be considered as a basis to provide relief to persons subject to sanctions under this part to the extent that relief is otherwise permitted by this part.
(b) [Reserved]
(75 FR 66234, October 27, 2010, as amended at 76 FR 59651, Sept. 15, 2011)

§ 1450.6 Access to land.
(a) For purposes related to this program, the participant must upon request provide any representative of USDA, or designee thereof, with access to land that is:
(1) The subject of an application for a contract under this part; or
(2) Under contract or otherwise subject to this part.
(b) For land identified in paragraph (a) of this section, the participant must provide such representatives or designees with access to examine records for the land to determine land classification, eligibility, or for other purposes, and to determine whether the participant is in compliance with the terms and conditions of the BCAP contract.

§ 1450.7 Division of payments and provisions about tenants and sharecroppers.
(a) Payments received under this part will be divided as specified in the applicable contract. CCC may refuse to enter into a contract when there is a disagreement among persons or legal entities seeking enrollment as to a person’s or legal entity’s eligibility to participate in the contract as a tenant or sharecropper, and there is insufficient evidence, as determined by CCC, to indicate whether the person or legal entity seeking participation as a tenant or sharecropper has an interest in the acreage offered for enrollment in the BCAP.
(b) CCC may remove an operator or tenant from a BCAP contract when:
(1) The operator or tenant requests in writing to be removed from the BCAP contract;
(2) The operator or tenant files for bankruptcy and the trustee or debtor in possession fails to affirm the contract, to the extent permitted by applicable bankruptcy laws;
(3) The operator or tenant dies during the contract period and the administrator of the estate fails to succeed to the contract within a period of time determined appropriate by CCC; or
(4) A court of competent jurisdiction orders the removal of the operator or tenant from the BCAP contract and such order is received by CCC.
(c) Tenants who fail to maintain tenancy on the acreage under contract for any reason may be removed from a contract by CCC.
