

Commodity Credit Corporation, USDA

§ 1466.36

undertaken under the contract, and collect information necessary to evaluate the conservation practice performance, specified in the contract. The NRCS representative shall make an effort to contact the participant prior to the exercising this provision.

§ 1466.33 Equitable relief.

(a) If a participant relied upon the advice or action of any authorized NRCS representative and did not know, or have reason to know, that the action or advice was improper or erroneous, NRCS may accept the advice or action as meeting program requirements and may grant relief, to the extent it is deemed desirable by NRCS, to provide a fair and equitable treatment because of the good-faith reliance on the part of the participant. The financial or technical liability for any action by a participant that was taken based on the advice of a NRCS certified non-USDA TSP is the responsibility of the certified TSP and will not be assumed by NRCS when NRCS authorizes payment. Where a participant believes that detrimental reliance on the advice or action of a NRCS representative resulted in an ineligibility or program violation, but the participant believes that a good faith effort to comply was made, the participant may request equitable relief under § 635.3 in chapter VI of this title.

(b) If, during the term of an EQIP contract, a participant has been found in violation of a provision of the EQIP contract, the O&M agreement, or any document incorporated by reference through failure to fully comply with that provision, the participant may be eligible for equitable relief under § 635.4 in chapter VI of this title.

§ 1466.34 Offsets and assignments.

(a) Except as provided in paragraph (b) of this section, any payment or portion thereof to any person, joint venture, legal entity or tribe shall be made without regard to questions of title under State law and without regard to any claim or lien against the crop, or proceeds thereof, in favor of the owner or any other creditor except agencies of the U.S. Government. The regulations governing offsets and withholdings found at part 1403 of this

chapter shall be applicable to contract payments.

(b) EQIP participants may assign any payments in accordance with part 1404 of this chapter.

§ 1466.35 Misrepresentation and scheme or device.

(a) A person, joint venture, legal entity or tribe that is determined to have erroneously represented any fact affecting a program determination made in accordance with this Part shall not be entitled to contract payments and must refund to NRCS all payments, plus interest determined in accordance with part 1403 of this chapter.

(b) A producer who is determined to have knowingly:

(1) Adopted any scheme or device that tends to defeat the purpose of the program;

(2) Made any fraudulent representation;

(3) Adopted any scheme or device for the purpose of depriving any tenant or sharecropper of the payments to which such person would otherwise be entitled under the program; or

(4) Misrepresented any fact affecting a program determination, shall refund to NRCS all payments, plus interest determined in accordance with 7 CFR 1403, received by such producer with respect to all contracts. The producer's interest in all contracts shall be terminated.

(c) In accordance with § 1466.26(e), NRCS may determine the producer ineligible for future conservation programs funding.

§ 1466.36 Environmental credits for conservation improvements.

NRCS recognizes that environmental benefits will be achieved by implementing conservation practices funded through EQIP, and environmental credits may be gained as a result of implementing activities compatible with the purposes of an EQIP contract. NRCS asserts no direct or indirect interest on these credits. However, NRCS retains the authority to ensure that operation and maintenance (O&M) requirements for EQIP-funded improvements are met, consistent with §§ 1466.21 and 1466.22. Where activities may impact
