

§ 1484.73

306; 31 U.S.C. 1105, 1115–1119, 3515, 9703–9704) requires performance measurement of Federal programs, including the Cooperator program. Evaluation of the Cooperator program's effectiveness will depend on a clear statement by each Cooperator of the constraints and opportunities facing U.S. exports, goals to be met within a specified time, a schedule of measurable milestones for gauging success, a plan for achievement, and reports of activity results.

(b) Evaluation is an integral element of program planning and implementation, providing the basis for the strategic plan. The evaluation results guide the development and scope of a Cooperator's program, contribute to program accountability, and provide evidence of program effectiveness.

(c) A Cooperator shall conduct periodic evaluations of its program and activities and may contract with an independent evaluator to satisfy this requirement. FAS reserves the right to have direct input and control over design, scope, and methodology of any such evaluation, including direct contact with and provision of guidance to the independent evaluator.

(d) A Cooperator shall complete at least one program evaluation each year. Actual scope and timing of the program evaluation shall be determined by the Cooperator and the Division Director and specified in the Cooperator's application approval letter. A program evaluation shall contain:

(1) The name of the party conducting the evaluation;

(2) The activities covered by the evaluation;

(3) A concise statement of the constraint(s) and opportunities and the goals specified in the application;

(4) A description of the evaluation methodology;

(5) A description of additional export sales achieved, including the ratio of additional export sales in relation to Cooperator program funding received;

(6) A summary of the findings, including an analysis of the strengths and weaknesses of the program(s); and

(7) Recommendations for future programs.

(e) A Cooperator shall submit, via a cover letter to the Division Director, an executive summary which assesses

7 CFR Ch. XIV (1–1–13 Edition)

the program evaluation's findings and recommendations and proposes changes in program strategy or design as a result of the evaluation.

§ 1484.73 Are Cooperators penalized for failing to make required contributions?

A Cooperator's contribution requirement is specified in the Cooperator program allocation letter. If a Cooperator fails to contribute the amount specified in its allocation approval letter, the Cooperator shall pay to Commodity Credit Corporation in U.S. dollars the difference between the amount it has contributed and the amount specified in the allocation approval letter. A Cooperator shall remit such payment by December 31 following the end of the marketing plan year.

§ 1484.74 How is Cooperator program compliance monitored?

(a) The Compliance Review Staff (CRS), FAS, performs periodic on-site reviews of Cooperators to ensure compliance with this part.

(b) In order to verify that federal funds received by a Cooperator do not supplant private or U.S. industry funds or contributions pursuant to § 1550.20(a)(14), FAS will consider the Cooperator's overall marketing budget from year to year, variations in promotional strategies within a country or region, and new markets.

(c) The Director, CRS, will notify a Cooperator through a compliance report when it appears that Commodity Credit Corporation may be entitled to recover funds from that Cooperator. The compliance report will state the basis for this action.

§ 1484.75 How does a Cooperator respond to a compliance report?

(a) A Cooperator shall, within 60 days of the date of the compliance report, submit a written response to the Director, CRS. This response shall include any money owed to Commodity Credit Corporation if the Cooperator does not wish to contest the compliance report. The Director, CRS, at the Director's

discretion, may extend the period for response up to an additional 30 days. If the Cooperator does not respond to the compliance report within the required time period or, if after review of the Cooperator's response, the Director, CRS, determines that Commodity Credit Corporation may be entitled to recover funds from the Cooperator, the Director, CRS, will refer the compliance report to the Deputy Administrator.

(b) If, after review of the compliance report and response, the Deputy Administrator determines that the Cooperator owes money to FAS, the Deputy Administrator will so inform the Cooperator. The Deputy Administrator may initiate action to collect such amount pursuant to 7 CFR Part 1403, Debt Settlement Policies and Procedures. Determinations of the Deputy Administrator will be in writing and in sufficient detail to inform the Cooperator of the basis for the determination. The Cooperator has 30 days from the date of the Deputy Administrator's initial determination to submit any money owed to Commodity Credit Corporation or to request reconsideration.

§ 1484.76 Can a Cooperator appeal the determinations of the Deputy Administrator?

(a) The Cooperator may appeal the determinations of the Deputy Administrator to the Administrator. An appeal must be in writing and be submitted to the Office of the Administrator within 30 days following the date of the initial determination by the Deputy Administrator or the determination on reconsideration. The Cooperator may request a hearing.

(b) If the Cooperator submits its appeal and requests a hearing, the Administrator, or the Administrator's designee, will set a date and time, generally within 60 days. The hearing will be an informal proceeding. A transcript will not ordinarily be prepared unless the Cooperator bears the cost of a transcript; however, the Administrator may have a transcript prepared at FAS's expense.

(c) The Administrator will base the determination on appeal upon informa-

tion contained in the administrative record and will endeavor to make a determination within 60 days after submission of the appeal, hearing, or receipt of any transcript, whichever is later. The determination of the Administrator will be the final determination of FAS. The Cooperator must exhaust all administrative remedies contained in this section before pursuing judicial review of a determination by the Administrator.
