

§ 2903.8

Subpart C—Preparation of an Application

§ 2903.8 Program application materials.

OEPNU will publish periodic program announcements to notify potential applicants of the availability of funds for competitive continuation grants. The program announcement will provide information about obtaining program application materials.

§ 2903.9 Content of an application.

(a) Applications should be prepared following the guidelines and the instructions in the program announcement. At a minimum, applications shall include: a proposal cover page, project summary, project description, information about key personnel, documentation of collaborative arrangements, information about potential conflicts-of-interest, budget forms and a budget narrative, information about current and pending support, and assurance statements.

(b) Proper preparation of applications will assist reviewers in evaluating the merits of each application in a systematic, consistent fashion. Specific instructions regarding additional application content requirements and the ordering of application contents will be included in the program announcement. These will include instructions about paper size, margins, font type and size, line spacing, page numbering, the inclusion of illustrations, and electronic submission.

§ 2903.10 Submission of an application.

The program announcement will provide the deadline date for submitting an application, the number of copies of each application that must be submitted, and the address to which proposals must be submitted.

§ 2903.11 Acknowledgment of applications.

The receipt of all applications will be acknowledged. Applicants who do not receive an acknowledgment within 60 days of the submission deadline should contact the program contact indicated on the program announcement. Once the application has been assigned a

proposal number, that number should be cited on all future correspondence.

Subpart D—Application Review and Evaluation

§ 2903.12 Application review.

(a) Reviewers will include government and non-government individuals. All reviewers will be selected based upon training and experience in relevant scientific, extension, or education fields, taking into account the following factors:

(1) The level of relevant formal scientific, technical education, or extension experience of the individual, as well as the extent to which an individual is engaged in relevant research, education, or extension activities; and

(2) The need to include as reviewers experts from various areas of specialization within relevant scientific, education, or extension fields.

(b) In addition, when selecting non-government reviewers, the following factors will be considered:

(1) The need to include as reviewers other experts (e.g., producers, range or forest managers/operators, and consumers) who can assess relevance of the applications to targeted audiences and to program needs;

(2) The need to include as reviewers experts from a variety of organizational types (e.g., colleges, universities, industry, state and Federal agencies, private profit and non-profit organizations) and geographic locations;

(3) The need to maintain a balanced composition of reviewers with regard to minority and female representation and an equitable age distribution; and

(4) The need to include reviewers who can judge the effective usefulness to producers and the general public of each application.

(c) Authorized departmental officers will compile application reviews and recommend awards to OEPNU. OEPNU will make final award decisions.

§ 2903.13 Evaluation criteria.

(a) The following evaluation criteria will be used in reviewing applications submitted for the Biodiesel Fuel Education Program:
