

§ 4284.1011

described in detail, with a focus on lessons learned, best practices, familiarity with producer problems in Value-Added ventures, and how these barriers are best overcome should be elaborated on in this section. For every challenge identified, the applicant should demonstrate how they are addressed in the Work Plan (*see* paragraph (c)(5)(iv) of this section). All successes should include a monetary estimate of the Value-Added achieved.

(ix) *Legal structure.* Provide a description of the legal relationship between the grantee(s) and the proposed Center. If the Center is to be an independent corporate entity, provide copies of the corporate charter, bylaws and other relevant organizational documents. Describe how funds for the Center will be handled and include copies of the agreements documenting the legal relationships between the Center and related parties. If the Center is not to be an independent legal entity, provide copies of the corporate governance documents that describe how members of the Board of Directors for the Center are to be determined.

(x) *Evaluation Criteria.* Each of the evaluation criteria referenced in the RFP must be specifically and individually addressed in narrative form. Supporting documentation, as applicable, should be included in this section, or a cross reference to other sections in the application should be provided, as applicable.

(xi) *Verification of Adequate Resources.* Present a budget to support the work plan showing sources and uses of funds during the start up period prior to the start of operations and for the first year of full operations. Present a copy of a bank statement evidencing sources of funds equal to amounts required in excess of the grant requested, or, in the alternative, a copy of confirmed funding commitments from credible sources such that USDA is satisfied that the Center has adequate resources to complete a full year of operation. Include information sufficient to facilitate verification by USDA of all representations.

(xii) *Certification of Adequate Resources.* Applicants must certify that non-Federal funds identified in the budget pursuant to paragraph (c)(5)(xi)

7 CFR Ch. XLII (1-1-13 Edition)

of this section will be available and funded commensurately with grant funds.

§ 4284.1011 Evaluation screening.

The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible and whether the application is complete and sufficiently responsive to the requirements set forth in the applicable RFP so as to allow for an informed review. Incomplete or non-responsive applications will not be evaluated further, and may be returned to the applicant. Applicants may revise their applications and re-submit them prior to the published deadline if there is sufficient time to do so.

§ 4284.1012 Evaluation process.

(a) Applications will be evaluated by qualified reviewers appointed by the Agency.

(b) After all proposals have been evaluated using the evaluation criteria and scored in accordance with the point allocation specified in the applicable RFP, Agency officials will present to the Administrator of RBS a list of all applications in rank order, together with funding level recommendations.

(c) The Administrator reserves the right to award additional points, as specified in the applicable RFP, to accomplish agency objectives (e.g., to ensure geographic distribution, put emphasis on a specific commodity, or to accomplish presidential initiatives.) The maximum number of points that can be added to an application under this paragraph cannot exceed ten percent of the total points the application originally scored.

(d) After giving effect to the Administrator's point awards, applications will be funded in rank order until all available funds have been obligated.

§ 4284.1013 Evaluation criteria and weights.

Unless supplemented in a RFP, the criteria listed in this section will be used to evaluate grants under this subpart. The distribution of points to be awarded per criterion will be identified in the applicable RFP.
