§ 225.8 Records and reports.

(a) Each State agency shall maintain complete and accurate current accounting records of its Program operations which will adequately identify funds authorizations, obligations, unobligated balances, assets, liabilities, income, claims against sponsors and efforts to recover overpayments, and expenditures for administrative and operating costs. These records shall be retained for a period of three years after the date of the submission of the final Program Operations and Financial Status Report (SF-269), except that, if audit findings have not been resolved, the affected records shall be retained beyond the three year period until such time as any issues raised by the audit findings have been resolved. The State agency shall also retain a complete record of each review or appeal conducted, as required under § 225.13, for a period of three years following the date of the final determination on the review or appeal. Records may be kept in their original form or on microfilm.

(b) Each State agency shall submit to FNS a final report on the Summer Food Service Program Operations

(FNS-418) for each month no more than 90 days following the last day of the month covered by the report. States shall not receive Program funds for any month for which the final report is not postmarked and/or submitted within this time limit unless FNS grants an exception. Upward adjustments to a State's report shall not be made after 90 days from the month covered by the report unless authorized by FNS. Downward adjustments shall always be made without FNS authorization, regardless of when it is determined that such adjustments need to be made. Adjustments to a State's report shall be reported to FNS in accordance with procedures established by FNS. Each State agency shall also submit to FNS a quarterly Financial Status Report (SF-269) on the use of Program funds. Such reports shall be submitted no later than 30 days after the end of each fiscal year quarter. Obligations shall be reported only for the fiscal year in which they occur. Action may be taken against the State agency, in accordance with § 225.5(a)(1), for failure to submit accurate and timely reports.

(c) The State agency must submit to FNS a final Financial Status Report no later than 120 days after the end of the fiscal year, on a form (SF-269) provided by FNS. Any requested increase in reimbursement levels for a fiscal year resulting from corrective action taken after submission of the final Program Operations and Financial Status Reports shall be submitted to FNS for approval. The request shall be accompanied by a written explanation of the basis for the adjustment and the actions taken to minimize the need for such adjustments in the future. If FNS approves such an increase, it will make payment, subject to availability of funds. Any reduction in reimbursement for that fiscal year resulting from corrective action taken after submission of the final fiscal year Program Operations and Financial Status Reports shall be handled in accordance with the provisions of § 225.12(d), except that amounts recovered may not be used to make Program payments.

(d)(1) By May 1 of each year, State agencies must submit to the appropriate FNSRO a list of potential private nonprofit organization sponsors.

The State agency shall be responsible for promptly revising the list to reflect additions or terminations of sponsors and for adjusting the average daily participation data as it deems necessary.

(c) *Advance payments.* At the sponsor's request, State agencies shall make advance payments to sponsors which have executed Program agreements in order to assist these sponsors in meeting operating costs and administrative expenses. For sponsors operating under a continuous school calendar, all advance payments shall be forwarded on the first day of each month of operation. Advance payments shall be made by the dates specified in paragraphs (c) (1) and (2) of this section for all other sponsors whose requests are received at least 30 days prior to those dates. Requests received less than 30 days prior to those dates shall be acted upon within 30 days of receipt. When making advance payments, State agencies shall observe the following criteria:
