§ 318.13-17 Regulated articles from Guam.

(a)(1) Regulated articles, other than soil, may be moved from Guam into or through any other State only if they meet the strictest plant quarantine requirements under part 319 of this chapter for similar articles offered for entry into such States from the countries of East and Southeast Asia, including Cambodia, India, Japan, Korea, Laos, the northeastern provinces of Manchuria, the Philippines, Taiwan, and Vietnam, or the islands of the Central and South Pacific, including Micronesia, Melanesia, and Polynesia, as well as Australia, New Zealand, and the Malay Archipelago, except requirements for permits, phytosanitary certificates, notices of arrival, and notices of consignment from port of arrival. Soil must meet the requirements of §330.300 of this chapter.

(2) Regulated articles that do not meet the requirements of paragraph (a)(1) of this section are prohibited movement from Guam into or through any other State.

(b)(1) Regulated articles moved from Guam into or through any other State shall be subject to inspection at the port of first arrival in another part of the United States to determine whether they are free of plant pests and otherwise meet the requirements applicable to them under this subpart, and shall be subject to release, in accordance with §330.105(a) of this chapter as if they were foreign arrivals. Such articles shall be released only if they meet all applicable requirements under this subpart.

(2) A release shall be issued in writing unless the inspection involves small quantities of regulated articles, in which case a release may be issued orally by the inspector.
